Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 5(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) These shares of common stock were granted pursuant to the Overseas Shipholding Group, Inc. Incentive Plan, as amended (the "Plan") and are subject to vesting restrictions. Of these shares, 7,780 shares are vested and 3,060 shares vest on February 23, 2014, 2,859 shares

Edgar Filing: OVERSEAS SHIPHOLDING GROUP INC - Form 3/A

vest on February 23, 2015 and 2,500 shares vest on February 23, 2016.

- (2) The reporting person indirectly owns these 213.38 shares of Common Stock through the Overseas Shipholding Group, Inc. 2000 Employee Stock Ownership Plan.

This amendment is being filed to report the reporting person's indirect ownership of these 2,942 shares of Common Stock through the

(3) OSG Ship Management, Inc. Savings Plan. The reporting person inadvertently did not report ownership of these shares when he filed his original Form 3.

- (4) The option to purchase these shares of Common Stock was granted pursuant to the Plan.

- (5) Of these options, options to purchase 1,661 shares are vested and options to purchase 830 shares vest on February 23, 2014.

The reporting person was granted these performance share units pursuant to the Plan. Each performance share unit represents a contingent right to receive the number of shares of Common Stock of the Issuer equal to the product of (i) the number of performance share units times (ii) the fraction (x) the numerator of which is the average closing price for a share of Common Stock for the 20 trading days ending

(6) on February 22, 2014 and (y) the denominator of which is 34.90 (the closing price of a share of Common Stock on February 23, 2011), provided that if the numerator is less than 17.45, then the numerator shall be deemed zero (so the number of shares of Common Stock is zero) and if the numerator is more than 69.80, then the numerator shall be deemed to be 69.80 (so the fraction shall be two (2)). The Reporting Person vests in the performance share units on the close of business on February 22, 2014.

The performance share units have no voting rights, may not be transferred or disposed of, may be converted into the number of shares of Common Stock as provided in note 5 above upon certification of the Compensation Committee of the Board of Directors of the Issuer as to the numerator of the above referenced fraction and pay dividends in the form of additional performance share units at the same time dividends are paid on the Common Stock in an amount equal to the result obtained by dividing (i) the product of (x) the amount of

(7) performance share units owned by the reporting person on the record date for the dividend on the Common Stock times (y) the dividend per share on the Common Stock by (ii) the closing price of a share of Common Stock on the payment date of the dividend on the Common Stock, which performance share units convert into the number of shares of Common Stock as determined in note 6 above and vest on the close of business on February 22, 2014.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, See Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
