On July 2, 2014, the Bankruptcy Court entered an order (the “Confirmation Order”), confirming the First Amended Prepackaged Plan of Reorganization of the Debtors Pursuant to Chapter 11 of the Bankruptcy Code (the “Plan”). Item 1.01. Entry into a Material Definitive Agreement.

Amended and Restated Term Loan Facilities

On July 9, 2014, Genco entered into the Amended and Restated Term Loan Facilities, as described in more detail below. The Amended and Restated Term Loan Facilities amended the Prepetition Credit Facilities (described below) and included, among other things (i) a paydown as of the Effective Date with respect to payments which came due under the Prepetition Term Loan Facilities between the Petition Date and the Effective Date and were not paid during the pendency of the Chapter 11 Cases; (ii) extensions of the maturity dates to August 31, 2019; (iii) relief from compliance with financial covenants governing Genco's maximum leverage ratio, minimum consolidated interest coverage ratio and consolidated net worth through and including the quarter ending March 31, 2015 (with quarterly testing commencing June 30, 2015); (iv) a fleetwide minimum liquidity covenant requiring maintenance of cash of \$750,000 per vessel for all vessels owned by Genco (excluding those owned by Baltic Trading Limited); and (v) an increase in the interest rate to LIBOR plus 3.50% per year.

As previously disclosed, on August 12, 2010, Genco, as parent and borrower, and five vessel-owning subsidiaries (the "CA Subsidiaries"), as guarantors, entered into the Prepetition \$100 Million Credit Agreement with Crédit Agricole Corporate and Investment Bank, as agent and security trustee and certain other lenders party thereto (collectively, the "Prepetition \$100 Million Facility Lenders"). The Prepetition \$100 Million Credit Agreement provided for a \$100 million senior secured facility (the "Prepetition \$100 Million Facility"), the proceeds of which were used to acquire five vessels. The Prepetition \$100 Million Facility was drawn down in five equal tranches of \$20 million with one tranche per vessel. The Prepetition \$100 Million Facility had a final maturity date of August 17, 2017 and bore interest at LIBOR plus 3% per year. Borrowings under the Prepetition \$100 Million Facility were required to be amortized and repaid quarterly. The Prepetition \$100 Million Facility was secured on a first-lien basis by the five vessels purchased with the proceeds of the Prepetition \$100 Million Facility and was also guaranteed by the CA Subsidiaries.

The Amended and Restated \$100 Million Facility is a senior financing facility in the aggregate principal amount of approximately \$73.6 million (prior to giving effect to the paydown of approximately \$1.9 million that occurred on the Effective Date, and excluding any accrued and unpaid interest at the applicable rate on account of the Prepetition \$100 Million Facility Claims through and including the Effective Date). The obligations under the Amended and Restated \$100 Million Facility are secured by a first priority security interest in the vessels and other collateral securing the Prepetition \$100 Million Facility. The Amended and Restated \$100 Million Facility requires quarterly repayment installments in accordance with the terms of the Prepetition \$100 Million Facility.

As previously disclosed, on August 20, 2010, Genco, as parent and borrower, entered into the Prepetition \$253 Million Credit Agreement (as amended by a first side letter dated August 24, 2010 and a letter dated December 21, 2011 and as amended and restated by a second supplemental agreement dated August 1, 2012) with the banks and financial institutions party thereto, as lenders (collectively, the "Prepetition \$253 Million Facility Lenders"); Deutsche Bank Luxembourg S.A., as agent; BNP Paribas, Crédit Agricole Corporate and Investment Bank, DVB Bank SE, Deutsche Bank AG Filiale Deutschlandgesch ft, Skandinaviska Enskilda Banken AB (publ), as Mandated Lead Arrangers; BNP Paribas, Crédit Agricole Corporate and Investment Bank, DVB Bank, Deutsche Bank AG, Skandinaviska Enskilda Banken AB (publ), as swap providers; and Deutsche Bank AG Filiale Deutschlandgesch ft, as security agent and bookrunner (collectively, the "Prepetition \$253 Million Credit Finance Parties"). The Prepetition \$253 Million Credit Agreement provided for a \$253 million senior secured credit facility (the "Prepetition \$253 Million Facility"), the proceeds of which were used to acquire or refinance the acquisition costs of thirteen vessels. The Prepetition \$253 Million Facility was drawn down in thirteen vessel tranches. The Prepetition \$253 Million Facility had a final maturity date of August 14, 2015 and bore interest at LIBOR plus 3% per year. Borrowings under the Prepetition \$253 Million Facility were required to be amortized and repaid quarterly. The Prepetition \$253 Million Facility was secured on a first-lien basis by the thirteen vessels purchased or refinanced with the proceeds of the Prepetition \$253 Million Facility and was also guaranteed by the DB Subsidiaries.

Edgar Filing: GENCO SHIPPING & TRADING LTD - Form 8-K

The Amended and Restated \$253 Million Facility is a senior financing facility in the aggregate principal amount of approximately \$175.7 million (without giving effect to the paydown of approximately \$5.1 million that occurred on Effective Date, and excluding any accrued and unpaid interest at the applicable rate on account of the Prepetition \$253 Million Facility Claims through and including the Effective Date). The obligations under the Amended and Restated \$253 Million Facility are secured by a first priority security interest in the vessels and other collateral securing the Prepetition \$253 Million Facility. The Amended and Restated \$253 Million Facility requires quarterly repayment installments in accordance with the terms of the Prepetition \$253 Million Facility.

Copies of the Amended and Restated Prepetition \$100 Million Facility and the Amended and Restated \$253 Million Facility are attached as Exhibits 10.1 and 10.2, respectively, to this Current Report on Form 8-K, and are incorporated by reference herein.

Registration Rights Agreement

On the Effective Date, Reorganized Genco and the Registration Rights Parties entered into the Registration Rights Agreement. The Registration Rights Agreement provided the Registration Rights Parties who receive 10% or more of New Genco Common Stock under the Plan with demand and piggyback registration rights. All other Registration Rights Parties have piggyback registration rights only.

A copy of the Registration Rights Agreement is attached as Exhibit 10.3 to this Current Report on Form 8-K and is incorporated by reference herein.

New Genco Equity Warrant Agreement

On the Effective Date, pursuant to the Plan, the New Genco Equity Warrants were issued pursuant to the terms of the New Genco Equity Warrant Agreement. Each New Genco Equity Warrant has a 7-year term (commencing on the day following the Effective Date) and are exercisable for one share of New Genco Common Stock. The New Genco Equity Warrants are exercisable on a cashless basis at an exercise price of \$20.99 per share. The New Genco Equity Warrant Agreement contains customary anti-dilution adjustments in the event of any stock split, reverse stock split, stock dividend, reclassification, dividend or other distributions (including, but not limited to, cash dividends), or business combination transaction.

The New Genco Equity Warrants were distributed to holders of the old common stock of Genco, which was cancelled as of the Effective Date. Shares of old common stock of Genco issued to directors, officers and employees of Genco under compensatory plans that were unvested as of the Effective Date were deemed vested automatically on the Effective Date, so that all New Genco Equity Warrants received in exchange therefor were deemed vested.

A copy of the New Genco Warrant Agreement is attached as Exhibit 10.4 to this Current Report on Form 8-K and is incorporated by reference herein.

Item 1.02 Termination of a Material Definitive Agreement.

The Prepetition 2007 Facility was terminated and the liens and mortgages related thereto were released, and the Convertible Notes and the related indenture were fully satisfied and discharged, on the Effective Date. See the related disclosure in the Introductory Note, which is incorporated by reference in this Item 1.02.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosure contained under the heading "Amended and Restated Term Loan Facilities" in Item 1.01 above is incorporated by reference into this Item 2.03.

Item 3.02. Unregistered Sale of Equity Securities.

On July 10, 2014, the Reorganized Debtors caused to be distributed (i) to the holders of the Prepetition 2007 Facility Claims, 50,062,192 shares constituting approximately 81.1% of the New Genco Common Stock outstanding (subject to dilution), and (ii) to the holders of Convertible Note Claims, 5,158,187 shares constituting approximately 8.4% of the New Genco Common Stock outstanding (subject to dilution).

As provided in the Plan, Genco also conducted a fully backstopped Rights Offering to acquire approximately 8.7% of the New Genco Common Stock at a subscription price of \$18.62537 per share, for an aggregate subscription price of \$100 million. The closing of the Rights Offering was conditioned on the consummation of the Plan, the Rights Offering Procedures and other conditions specified in the Equity Commitment Agreement that the Company and

certain of its subsidiaries entered into with certain of its creditors on April 16, 2014. All such conditions having been satisfied, on July 10, 2014, Reorganized Genco issued 5,305,248 Rights Offering Shares, in exchange for payment therefor, to those holders of Prepetition 2007 Facility Claims and those Eligible Noteholders, that, in accordance with the Plan and the Rights Offering Procedures, validly exercised their respective Rights to participate in the Rights Offering. Reorganized Genco also issued 63,773 Backstop Shares in exchange for payment therefor to the Backstop Parties.

Also on July 10, 2014, Reorganized Genco issued 3,938,298 New Genco Equity Warrants, each of which is initially exercisable for one share of New Genco Common Stock, and which in the aggregate is exercisable for approximately 6% of New Genco Common Stock (subject to dilution), to the holders of the old common stock of Genco.

The offering, issuance, and distribution of the New Genco Common Stock and the New Genco Equity Warrants under Article III of the Plan, the Rights, the New Genco Common Stock issued in the Rights Offering, and the New Genco Common Stock issuable upon exercise of the New Genco Equity Warrants are exempt from the registration requirements of section 5 of the Securities Act and any other applicable law requiring registration of an offer or sale of securities under section 1145(a) of the Bankruptcy Code, except with respect to certain persons who are or may be deemed to be affiliates of Reorganized Genco, each of whom is an accredited investor, as defined in Regulation D under the Securities Act, and to whom New Genco Common Stock or New Genco Equity Warrants were issued pursuant to Section 4(a)(2) of the Securities Act. The Backstop Shares were issued to the Backstop Parties, each of whom was an accredited investor, as defined in Regulation D under the Securities Act, pursuant to Section 4(a)(2) of the Securities Act.

Contracts or Arrangements

Mr. Georgiopoulos has piggyback registration rights under the Registration Rights Agreement. See “Registration Rights Agreement” in Item 1.01 above, the description of which is incorporated by reference into this Item 5.02.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Pursuant to the Plan, on the Effective Date, the Company amended and restated its Articles of Incorporation (as so amended and restated, the “Amended Articles”) and its By-laws (as so amended and restated, the “Amended By-Laws”). Copies of the Amended Articles and the Amended By-Laws are attached as Exhibits 3.1 and 3.2, respectively, to this Current Report on Form 8-K, and are incorporated by reference herein.

Under the Amended Articles, the Company’s authorized capital stock consists of 250,000,000 shares of common stock, par value \$0.01 per share. Each outstanding share of common stock entitles the holder to one vote on all matters submitted to a vote of shareholders. The common stock has the exclusive right to vote for the election of directors and for all other purposes. The common stock votes together as a single class. Holders of shares of common stock are entitled to receive, ratably, all dividends, if any, declared by the board of directors out of funds legally available for dividends. Upon our dissolution or liquidation or the sale of all or substantially all the Company’s assets, after payment in full of all amounts required to be paid to creditors, if any, the holders of our common stock will be entitled to receive, pro rata, our remaining assets available for distribution. Holders of common stock do not have conversion, redemption or preemptive rights to subscribe to any of the Company’s securities.

The Amended Articles and Amended By-Laws provide that, subject to certain exceptions, the United States District Court for the Southern District of New York and any New York State court sitting in New York County, State of New York of the United States of America are the sole and exclusive forum for (a) any derivative action or proceeding brought on behalf of the Corporation, (b) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Corporation to the Corporation or the Corporation’s shareholders, (c) any action asserting a claim against the Corporation, its directors, officers and/or employees arising pursuant to any provision of the Marshall Islands Business Corporations Act or the articles of incorporation or by-laws (as amended from time to time), or (d) any other action asserting a claim against the Corporation, its directors, officers and/or employees that is governed by the internal affairs doctrine.

Several provisions of the Amended Articles and Amended By-Laws, which are summarized below, may have anti-takeover effects. These provisions are intended to avoid costly takeover battles, lessen our vulnerability to a hostile change of control and enhance the ability of the board of directors to maximize shareholder value in connection with any unsolicited offer to acquire the Company. However, these anti-takeover provisions, which are summarized below, could also discourage, delay or prevent (1) the merger or acquisition of our company by means of a tender offer, a proxy contest or otherwise that a shareholder may consider in its best interest and (2) the removal of incumbent officers and directors.

Classified Board of Directors

The Amended Articles provide for the division of the Company’s board of directors into two classes of directors, Class I and Class II. Three directors serve in Class I, and four directors serve in Class II. The term of office of our Class I directors expires at our first annual meeting of shareholders following July 9, 2014, while the term of office of our Class II directors expires at the second annual meeting of shareholders following July 9, 2014. Upon the conclusion of such second annual meeting, the Board will automatically cease to be divided into classes, with all directors to be elected annually. This classified board provision could discourage a third party from making a tender offer for our shares or attempting to obtain control of us. It could also delay shareholders who do not agree with the policies of our board of directors from removing a majority of our board of directors for up to two years.

Election and Removal of Directors

The Amended Articles prohibit cumulative voting in the election of directors. Our Amended By-Laws require parties other than the board of directors to give advance written notice of nominations for the election of directors. The Amended Articles also provide that our directors may be removed only for cause and only upon the affirmative vote of a majority of the outstanding shares of our capital stock entitled to vote for those directors or by a majority of the members of the board of directors then in office prior to the conclusion of the second annual meeting of shareholders following July 9, 2014. Thereafter, directors may be removed with or without cause by the affirmative vote of the holders of a majority of the outstanding Common Shares entitled to vote generally in the election of directors cast at a meeting of the shareholders called for that purpose. These provisions may discourage, delay or prevent the removal of incumbent officers and directors.

Limited Actions by Shareholders

Our Amended Articles and our Amended By-Laws provide that any action required or permitted to be taken by our shareholders must be effected at an annual or special meeting of shareholders or by the unanimous written consent of our shareholders. Our Amended Articles and our Amended By-Laws provide that, subject to certain exceptions, our Chairman, President, or Secretary at the direction of the board of directors or our Secretary at the request in writing by any one or more shareholders that hold, in the aggregate, at least a majority of the outstanding registered shares of the Corporation entitled to vote may call special meetings of our shareholders. The business transacted at the special meeting is limited to the purposes stated in the notice.

Advance Notice Requirements for Shareholder Proposals and Director Nominations

The Amended Bylaws provide that shareholders seeking to nominate candidates for election as directors or to bring business before an annual meeting of shareholders must provide timely notice of their proposal in writing to the corporate secretary. Generally, to be timely, a shareholder's notice must be received at our principal executive offices not less than 120 days nor more than 150 days prior to the anniversary date of the immediately preceding annual meeting of shareholders. The Amended By-Laws also specify requirements as to the form and content of a shareholder's notice. These provisions may impede shareholder's ability to bring matters before an annual meeting of shareholders or make nominations for directors at an annual meeting of shareholders.

Reference is made to Exhibits 3.1 and 3.2 to this Current Report on Form 8-K for the full text of the Amended Articles and the Amended By-Laws, respectively, which are incorporated by reference herein.
