Item 8.01 Other Events

Federal Criminal Trial

On August 2, 2016, PG&E Corporation and its subsidiary, Pacific Gas and Electric Company (“Utility”), filed a Current Report on Form 8-K dated August 2, 2016 (the “Original Form 8-K”) reporting the government’s Notice of Dismissal of Alternative Fines Act Sentencing Allegations, and the related court order and the Utility’s consent, in the federal criminal trial against the Utility. This Form 8-K/A amends the Original Form 8-K to include developments that occurred after the Original Form 8-K was filed with the Securities and Exchange Commission.

On August 2, 2016, the court issued an order granting leave to the government to dismiss the Alternative Fines Act sentencing allegations. (Based on the superseding indictment’s allegation that the Utility derived gross gains of approximately \$281 million, the potential maximum alternative fine would have been approximately \$562 million.) As a result, total potential fines that the Utility may incur are \$6 million, corresponding to a maximum statutory fine of \$500,000 for each of the 12 alleged felony counts.
