Item 2

Acquisition of Assets

On July 9 , 2004, Vicom (the Company) completed its acquisition of the outstanding membership interests of Rainbow Satellite Group, LLC (Rainbow) for approximately 6.9 million dollars, two million of which was paid for in Vicom Preferred Stock, valued at \$2.00 per share on a conversion formula to Vicom common stock, one million dollars of which was paid for in cash and the balance in promissory notes due by January 2005. The consideration paid was based on the Company's analysis of likely future net incomes to be generated over a six year period by the acquired Company. The cash was provided by funds Vicom had previously raised in a private placement. The aforementioned purchase price is subject to adjustment pursuant to the parties agreement if the number of Rainbow subscribers increases or decreases as of an adjustment date. The assets were acquired from the members/owners of Rainbow. Prior to the transaction, there was no material relationship between the owners of sellers and the Company.

With this acquisition, the Company acquired over 16,000 video subscribers which are primarily located in California, Colorado, Texas, Florida, Illinois and New York. Any required proforma information with regards this transaction will be
