ITEM 4.01 CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT

After continuing discussions between NuWay Medical, Inc. (the "Company")

Edgar Filing: NUWAY MEDICAL INC - Form 8-K/A

and Haskell & White LLP ("H&W"), concerning the financial terms of re-engagement as the Company's auditors for the fiscal year ended December 31, 2003, the Company and H&W mutually agreed to terminate the engagement of H&W on September 9, 2004. Accordingly, the Company dismissed H&W as of such date. H&W had initially been engaged by the Company on March 31, 2003. The decision to change accountants was recommended by the Audit Committee of the Company's Board of Directors.

The Company has begun actively to look for new auditors and intends to retain new auditors as soon as the Company can arrange adequate financing to engage the new auditors and, thereafter, as reasonably practicable as possible, to file all outstanding reports under the Securities Exchange Act of 1934, as amended. The Company has authorized H&W to respond fully to successor auditor inquiries.

H&W's report, dated May 12, 2003, on the consolidated financial statements as of and for the year ended December 31, 2002, contained no adverse opinion or disclaimer of opinion, nor was modified as to uncertainty, audit scope, or accounting principles. However, H&W's report included an explanatory paragraph noting the Company's limited liquid resources, recurring losses from operations and the Company's efforts to implement its business plan with a new industry focus, all of which raised substantial doubt about the Company's ability to continue as a going concern.

During the Company's relationship with H&W, since H&W's initial engagement as the principal auditors on March 31, 2003, through September 9, 2004, there were no disagreements with H&W, whether or not resolved, on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to H&W's satisfaction, would have caused it to make reference to the subject matter of the disagreement(s) in connection with its report on the consolidated financial statements for the year ended December 31, 2002.

The Company has provided to H&W a copy of this disclosure and has requested H&W to furnish the Company with a letter addressed to the Securities and Exchange Commission stating whether H&W agrees with the statements made by the Company in this report. H&W's letter is attached hereto as Exhibit 16.1.
