Item 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On March 3, 2005, our Board of Directors took the following three actions.

The Board approved an amendment to our Stock Option and Compensation Plan for Non-Employee Directors. Under this plan, we grant stock options and make quarterly cash payments to our non-employee directors. The directors may elect to take the cash compensation in the form of shares of our common stock. Prior to the amendment, each non-employee director received \$40,000 annually for serving on the Board and an additional \$5,000 annually for each committee of which such director was a member. The amendment increased the annual amount paid under the plan for serving on the Board to \$50,000. A copy of the Stock Option and Compensation Plan for Non-Employee Directors, as amended, is furnished as Exhibit 99.1 to this Current Report and is incorporated herein by reference.

The Board adopted our 401(k) Plus Plan II. We adopted our first 401(k) Plus Plan in August 1999. These are non-qualified retirement plans that operate similarly to our standard retirement plan except that contributions by highly compensated employees are not subject to the maximum contribution percentages under the tax laws. In October 2004, the United States Congress passed a new law requiring certain changes to non-qualified retirement plans. The Internal Revenue Service issued initial guidance in December 2004 regarding the implementation of the new law. Although formal compliance with the new law is not required until the end of 2005, companies were expected to operate their plans in good faith compliance with the new law starting on January 1, 2005. Our 401(k) Plus Plan II is substantially similar to the first plan, except for changes made in an attempt to comply with the new law, which relate to the timing and form of payments under the plan. The first plan remains in effect for contributions made prior to December 31, 2004. The new 401(k) Plus Plan II applies to contributions commencing as of January 1, 2005. A copy of the 401(k) Plus Plan II is furnished as Exhibit 99.2 to this Current Report and is incorporated herein by reference.

The Board adopted 2005 bonus programs for our executive officers. The potential bonus of each executive officer is equal to the executive officer's 2005 base salary (as of January 3, 2005) multiplied by a certain percentage. For each of our corporate executive officers (Joseph M. Holsten, Mark T. Spears, Frank P. Erlain and Victor M. Casini), the percentage varies based on the growth of our earnings per share for the year ending December 31, 2005 compared to the year ended December 31, 2004. For each of our regional executive officers (Stuart P. Willen, Leonard A. Damron and H. Bradley Willen), the percentage is determined by two factors: achievement of certain pretax income targets of such executive officer's region or regions (which is weighted 80%) and growth of our earnings per share for the year ending December 31, 2005 compared to the year ended December 31, 2004 (which is weighted 20%). A copy of the form of the 2005 bonus program for our corporate executive officers is furnished as Exhibit 99.3 to this Current Report and is incorporated herein by reference. A copy of the form of the 2005 bonus program for our regional executive officers is furnished as Exhibit 99.4 to this Current Report and is incorporated herein by reference.
