Item 1.01. Entry into a Material Definitive Agreement.

On January 19, 2005, NetSol Technologies, Inc., a Nevada corporation (the "Company") entered into a Share Purchase Agreement whereby the Company agreed to acquire 100% of the issued and outstanding shares of CQ Systems Ltd., a company organized under the laws of England and Wales ("CQ") (the "Share Purchase Agreement"). Prior to the execution of the Share Purchase Agreement, there was no relationship between the Company and any of the parties to the Share Purchase Agreement.

According to the terms of the Share Purchase Agreement, the Company shall acquire 100% of the issued and outstanding shares of CQ from CQ's current shareholders, whose identity is set forth in the Share Purchase Agreement (the "CQ Shareholders") at the completion date in exchange for a purchase price consisting of: a) 50.1% of CQ's total gross revenue for the twelve month period ending 31st of March, 2005 after an adjustment for any extraordinary revenue, i.e. non-trading revenue ("LTM Revenue") multiplied by 1.3 payable: (i) 50% in shares of restricted common stock of the Company at a per share cost basis of \$2.313 and as adjusted by the exchange rate of U.S. Dollar to British Pound (at the spot rate for the purchase of sterling with U.S. dollars certified by NatWest Bank plc as prevailing at or about 11:00 a.m.) on January 19, 2005 and, (ii) 50% in cash; and b) 49.9% of CQ's LTM Revenue for the period ending 31st March 2006 multiplied by 1.3 payable, at the Company's discretion: (i) wholly in cash; or (ii) on the same basis and on the same terms as the initial payment provided, however that the cost basis of the Company's common stock shall be based on the 20 day volume weighted average of the Company's shares of common stock as traded on NASDAQ 20 days prior to March 31, 2006 and, provided that under no circumstances shall the total number of shares of common stock issued to the CQ Shareholders exceed 19% of the issued and outstanding shares of common stock, less treasury shares, of the Company at January 19, 2005.

The acquisition closed on February 21, 2005 based on March 31, 2004 financial statements of CQ Systems Ltd. with the payment of approximately \$1.7 million in cash and 675,292 shares of Company common stock based on a \$2.46 per share cost basis. Consideration will be adjusted when March 31, 2005 financials are received. The final payment of consideration will be made after the completion of CQ's March 31, 2006 fiscal year end.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements

Edgar Filing: NETSOL TECHNOLOGIES INC - Form 8-K/A

comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS

The auditors, CMB Partnership, will be proposed for re-appointment in accordance with Section 385 of the Companies Act 1985.

REPORT OF THE INDEPENDENT AUDITORS TO THE SHAREHOLDERS OF CQ SYSTEMS LIMITED
(EXEMPT FROM REQUIREMENT TO PREPARE GROUP ACCOUNTS)

"We have audited the financial statements of CQ Systems Limited for the year ended 31 March 2004 on pages five to eleven. These financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002), under the historical cost convention and the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As described on page two the company's directors are responsible for the preparation of financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Report of the Directors is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Report of the Directors and consider the implications for our report if we become aware of any apparent misstatements within it.

BASIS OF AUDIT OPINION

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

OPINION

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2004 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

BOARD OF DIRECTORS
CQ SYSTEMS LIMITED

INDEPENDENT AUDITORS' REPORT

We have audited the accompanying balance sheets of CQ Systems, as of 31 March 2004 and 2003, and the related statements of income and retained earnings, comprehensive income, and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion. We draw attention to the note on page 1 in that the original accounts were prepared in accordance with United Kingdom accounting and auditing standards. We have been requested to report on the financial statements prepared under US GAAP. The scope of our work for the purpose in US GAAP financial statements did not include examining or dealing with events after the date of the Audit Report on the United Kingdom GAAP accounts.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CQ Systems Limited, as of 31 March 2004 and 2003 and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

CQ SYSTEMS LIMITED NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying consolidated financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP) and are stated in United Kingdom sterling.

In preparing the consolidated financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated balance sheet and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

a. PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the financial statements of the group and its subsidiary. The group's subsidiary is Custom Quest Limited, a dormant company that has not traded since 31 May 2001 in which the group has a 100% direct holding in the voting rights. The net assets of the subsidiary company since cessation of trade is (pound)nil.

b. TURNOVER

Licence revenue is recognised where orders have been signed and the product is delivered. In contracts with multiple elements revenues are allocated to each element based on the fair value on completion, delivery and acceptance by the customer. For other services related activity, revenue is recognised on a percentage of completion basis.

c. TANGIBLE FIXED ASSETS

Depreciation is provided at the following rates in order to write off each asset over its useful life;

| | |
|-------------------------------|----------------------|
| Computer software | 50% straight line |
| Office furniture and fittings | 15% straight line |
| Computer equipment | 33.33% straight line |
| Automobiles | 25% straight line |

The group evaluates tangible fixed assets for impairment losses at least annually and whenever events or changes in circumstances indicate that the carrying amount may not be recoverable or is greater than its fair value.

d. DEFERRED TAX

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. These reflect the expected future tax consequences of temporary differences between the carrying amounts of assets and liabilities at the balance sheet date and their respective tax bases.

Edgar Filing: NETSOL TECHNOLOGIES INC - Form 8-K/A

CQ SYSTEMS LIMITED NOTES TO FINANCIAL STATEMENTS - CONTINUED

E. RESEARCH AND DEVELOPMENT

Expenditure on research and development is written off in the year in which it is incurred. Development costs on computer software that is to be sold relates to bespoke work undertaken for particular customers as and when requested. Under these circumstances, these costs are written off as incurred rather than capitalised and amortised, as they relate solely to the individual customers specifications rather than being available for general release to customers.

f. ADVERTISING

The company expenses advertising costs as they are incurred.

G. HIRE PURCHASE AND LEASING COMMITMENTS

Assets obtained under hire purchase contracts are capitalised in the balance sheet and are depreciated over their useful estimated lives.

The interest element of these obligations are charged to the statement of income and retained earnings over the lease term. The capital element of the future payments is treated as liability.

Rentals paid under operating leases are charged to the statement of income and retained earnings on a straight line basis.

H. PENSIONS

The company operates a defined contribution pension scheme. Contributions payable for the year are charged in the statement of income and retained earnings.

I. CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of cash at bank and in hand.

2. SECURED CREDITORS

The amounts owed under hire purchase contracts totalling (pound)61,698 (2003 - (pound)37,428) are secured on the assets acquired. The bank also holds securities over any bank borrowings ((pound)nil at the balance sheet date.)

3. CORPORATION AND DEFERRED TAXES

Provision is made for United Kingdom corporation tax payable on the group's taxable net income. This is provided for at the rate of tax prevailing at that time. The current standard corporation tax rate in the United Kingdom is 30%. Deferred tax is provided using the standard rate.

4. COMMITMENTS

The group is committed to making operating lease payments of (pound)82,500 in the forthcoming year.

REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31 MARCH 2003

This report has been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

ON BEHALF OF THE BOARD:

P M Tarrant - Secretary

Date: 29 October 2003

Edgar Filing: NETSOL TECHNOLOGIES INC - Form 8-K/A

REPORT OF THE INDEPENDENT AUDITORS TO THE SHAREHOLDERS OF CQ SYSTEMS LIMITED

"We have audited the financial statements of CQ Systems Limited for the year ended 31 March 2003 on pages four to eleven. These financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002), under the historical cost convention and the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors
As described on page two the company's directors are responsible for the preparation of financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Report of the Directors is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Report of the Directors and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2003 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985".

BOARD OF DIRECTORS
CQ SYSTEMS LIMITED

Independent Auditors' Report

We have audited the accompanying balance sheets of CQ Systems Limited, as of 31 March 2003 and 2002, and the related statements of income and retained earnings, comprehensive income, and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion. We draw attention to the note on page 1 in that the original accounts were prepared in accordance with United Kingdom accounting and auditing standards. We have been requested to report on the financial statements prepared under US GAAP. The scope of our work for the purpose in US GAAP financial statements did not include examining or dealing with events after the date of the Audit Report on the United Kingdom GAAP accounts.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CQ Systems Limited, as of 31 March 2003 and 2002 and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

1. Summary of significant accounting policies

The accompanying consolidated financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP) and are stated in United Kingdom sterling.

In preparing the consolidated financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated balance sheet and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

a. Principles of consolidation

The consolidated financial statements include the financial statements of the group and its subsidiary. The group's subsidiary is Custom Quest Limited, a dormant company that has not traded since 31 May 2001 in which the group has a 100% direct holding in the voting rights. The net assets of the subsidiary company since cessation of trade is (pound)nil.

b. Turnover

Licence revenue is recognised where orders have been signed and the product is delivered. In contracts with multiple elements revenues are allocated to each element based on the fair value on completion, delivery and acceptance by the customer. For other services related activity, revenue is recognised on a percentage of completion basis.

c. Tangible Fixed Assets

Depreciation is provided at the following rates in order to write off each asset over its useful life;

| | |
|-------------------------------|----------------------|
| Computer software | 50% straight line |
| Office furniture and fittings | 15% straight line |
| Computer equipment | 33.33% straight line |
| Automobiles | 25% straight line |

The group evaluates tangible fixed assets for impairment losses at least annually and whenever events or changes in circumstances indicate that the carrying amount may not be recoverable or is greater than its fair value.

d. Deferred Tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. These reflect the expected future tax consequences of temporary differences between the carrying amounts of assets and liabilities at the balance sheet date and their respective tax bases.

NOTES TO FINANCIAL STATEMENTS - Continued

e. Research and Development

Expenditure on research and development is written off in the year in which it is incurred. Development costs on computer software that is to be sold relates to bespoke work undertaken for particular customers as and when requested. Under these circumstances, these costs are written off as incurred rather than capitalised and amortised, as they relate solely to the individual customers specifications rather than being available for general release to customers.

f. Advertising

The company expenses advertising costs as they are incurred.

g. Hire Purchase and Leasing Commitments

Assets obtained under hire purchase contracts are capitalised in the balance sheet and are depreciated over their useful estimated lives.

The interest element of these obligations are charged to the statement of income and retained earnings over the lease term. The capital element of the future payments is treated as liability.

Rentals paid under operating leases are charged to the statement of income and retained earnings on a straight line basis.

h. Pensions

The company operates a defined contribution pension scheme. Contributions payable for the year are charged in the statement of income and retained earnings.

i. Cash and cash equivalents

Cash and cash equivalents consist of cash at bank and in hand.

2. SECURED CREDITORS

The amounts owed under hire purchase contracts totalling (pound)37,428 (2002 - (pound)78,636) are secured on the assets acquired. The bank also holds securities over any bank borrowings ((pound)nil at the balance sheet date.)

3. CORPORATION AND DEFERRED TAXES

Provision is made for United Kingdom corporation tax payable on the group's taxable net income. This is provided for at the rate of tax prevailing at that time. The current standard corporation tax rate in the United Kingdom is 30%. Deferred tax is provided using the standard rate.

4. COMMITMENTS

The group is committed to making operating lease payments of (pound)82,500 in the forthcoming year.

NOTES TO FINANCIAL STATEMENTS

1. Summary of significant accounting policies

The accompanying consolidated financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP) and are stated in United Kingdom sterling.

In preparing the consolidated financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated balance sheet and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

a. Principles of consolidation

The consolidated financial statements include the financial statements of the company and its subsidiary. The group's subsidiary is Custom Quest Limited, a dormant company that has not traded since 31 May 2001 in which the group has a 100% direct holding in the voting rights. The net assets of the subsidiary company since cessation of trade is (pound)nil.

b. Revenue

The group recognises its revenue in accordance with the Securities and Exchange Commissions ("SEC") Staff Accounting Bulletin No 104 "Revenue recognition in Financial Statements".

Licence revenue is recognised where orders have been signed and the product is delivered. In contracts with multiple elements revenues are allocated to each element based on the fair value on completion, delivery and acceptance by the customer. For other services related activity, revenue is recognised on a percentage of completion basis.

c. Automobiles and equipment

Depreciation is provided at the following rates in order to write off each asset over its useful life;

| Automobiles | 25% straight line |

The group evaluates tangible fixed assets for impairment losses at least annually and whenever events or changes in circumstances indicate that the carrying amount may not be recoverable or is greater than its fair value.

Long-lived assets

Effective January 1 2002, the group adopted Statement of Financial Accounting Standards No 144 "Accounting for the impairment or disposal of long-lived assets" ("SFAS 144") which addresses financial accounting and reporting for the impairment or disposal of long-lived assets. The group has evaluated the carrying value of long-lived assets held in accordance with SFAS 144. SFAS 144 requires impairment losses to be recorded on long-lived assets when indicators of impairment are present where the carrying amount exceeds the fair value of the asset. Based on its review, the group

Edgar Filing: NETSOL TECHNOLOGIES INC - Form 8-K/A

believes that as of March 31 2004 and 2003, there were no significant impairments of its long-lived assets.

e. Research and Development

Expenditure on research and development is written off in the year in which it is incurred. Development costs on computer software that is to be sold relates to bespoke work undertaken for particular customers as and when requested. Under these circumstances, these costs are written off as incurred rather than capitalised and amortised, as they relate solely to the individual customers specifications rather than being available for general release to customers.

f. Advertising

The company expenses advertising costs as they are incurred.

g. Hire Purchase and Leasing Commitments

Assets obtained under hire purchase contracts are capitalised in the balance sheet and are depreciated over their useful estimated lives.

The interest element of these obligations are charged to the statement of income and retained earnings over the lease term. The capital element of the future payments is treated as liability.

Rentals paid under operating leases are charged to the statement of income and retained earnings on a straight line basis.

h. Pensions

The company operates a defined contribution pension scheme. Contributions payable for the year are charged in the statement of income and retained earnings.

i. Cash and cash equivalents

Cash and cash equivalents consist of cash at bank and in hand.

j. Foreign currency transactions

Accounting principles generally require that recognised revenue, expenses, gains and losses be included in net income. Certain statements however require entities to report specific changes in assets and liabilities, such as a gain or loss on a foreign currency translation, as a separate component of the equity section of the balance sheet. Such items, along with net income, are components of comprehensive income. Cumulative translation adjustments were insignificant in both the year and preceding year.

2. SECURED CREDITORS

The amounts owed under hire purchase contracts totalling (pound)111,833 (2003 - (pound)61,698) are secured on the assets acquired.

NETSOL TECHNOLOGIES INC AND SUBSIDIARIES
PRO-FORMA FINANCIAL STATEMENTS
JUNE 30, 2004
(UNAUDITED)

The following unaudited Pro-Forma Statement of Financial Conditions and Statement of Operations have been derived from the audited consolidated financial statements of NetSol Technologies, Inc. (“NetSol”) as of June 30, 2004 and the audited financial statements of CQ Systems Limited (a UK corporation) (“CQ Systems”) as of March 31, 2004. The unaudited Pro Forma Statement of Financial Conditions and Statement of Operations reflect the 100% acquisition of CQ Systems by NetSol under a stock purchase agreement. The Company has accounted for the acquisition under the purchase method of accounting for business combinations. These pro-forma statements assumes the acquisition was consummated as of July 1, 2003, the beginning of NetSol Technologies fiscal year.

The estimated purchase price is £3,561,094 or \$6,677,052 of which one-half is due in cash and shares of NetSol’s common stock at closing. The other half is due within one year, no interest accrues on the outstanding balance. The estimated purchase price is based on the March 31, 2004 audited financial statements of CQ Systems. The final purchase price will be adjusted either up or down when the audited March 31, 2005 financial statements are completed.

The Pro-Forma Statement of Financial Conditions and Statement of Operations should be read in conjunction with the Consolidated Financial Statements of NetSol, related Notes to the financial statements, and the Financial Statements of CQ Systems. The Pro-Forma statements do not purport to represent what the Company’s financial condition and results of operations would actually have been if the acquisition of CQ Systems had occurred on the date indicated or to project the Company’s results of operations for any future period or date. The Pro-Forma adjustments, as described in the accompanying data, are based on available information and the assumptions set forth in the notes below, which management believes are reasonable.
