Assure Energy, Inc. Announces Sale of non-Core Property, Production Updates and Value Maximization Process

CALGARY, ALBERTA - Assure Energy, Inc. (OTCBB: ASURF) (Frankfurt ASL) (WKN 357954) ("Assure" or the "Company") announces the completion of the sale of its Chestermere property for \$5,500,000. Proceeds from the sale have been applied to working capital.

Assure's North East British Columbia winter drilling program has resulted in strong production gains. Current production, net of the Chestermere disposition, is approximately 1,025 boepd with an additional 3 mmcfpd to be tied in within the next two weeks. Assure anticipates tying in its second gas well (50% working interest) prior to June 30, 2005. Upon the completion of its second gas well, Assure expects to have production of approximately 1,800 boepd (approx. 70% gas).

As part of Assure's ongoing efforts to enhance shareholder value and create liquidity, the Company has engaged Haywood Securities Inc. as its financial advisor to assist in evaluating alternatives to maximize value for shareholders. A strategic review will commence immediately.

Assure is a junior oil and gas company with operations in British Columbia, Alberta and Saskatchewan. Assure maintains a high working interest in its properties and operates over 90% of its production.
