MARCH 2010 TRANSACTION

As previously disclosed on a Form 8-K filed on March 29, 2010, on March 26, 2010, Senesco Technologies, Inc. (the “Company”) entered into two Purchase Agreements (the “Non-Affiliate Purchase Agreements”) between the Company and certain non-affiliated investors who are a party thereto (the “Non-Affiliated Investors”). On March 26, 2010, the Company also entered into a third Purchase Agreement (the “Affiliate Purchase Agreement”) between the Company and certain affiliated investors who are a party thereto (the “Affiliated Investors”). Collectively the Non-Affiliate Purchase Agreements and Affiliate Purchase Agreement shall be referred to herein as the “Purchase Agreements” and collectively the Non-Affiliated Investors and Affiliated Investors shall be referred to herein as the “Investors”.

Pursuant to the Purchase Agreements, the Company agreed to issue to the Investors an aggregate of 11,497 shares of Preferred Stock, initially convertible into 35,928,125 shares of the Company’s common stock, par value \$0.01 per share (the “Common Stock”), and (ii) immediately exercisable warrants to purchase up to approximately 35,928,125 shares of Common Stock for an aggregate offering price of approximately \$11,497,000. In connection with the offering, the Company agreed to solicit shareholder approval of (i) the ability of the Investors to convert the securities into Common Stock, which in the aggregate exceed 20% of the Company’s currently outstanding shares of Common Stock and (ii) the issuance of the securities to the Affiliated Investors pursuant to the terms and conditions of the Affiliate Purchase Agreement. At the Company’s Annual Meeting of Stockholders, as further described below, the stockholders of the Company approved the foregoing proposals. It is anticipated that the Company will close on the remaining transaction with the Affiliated Investors as soon as possible.

It is anticipated that the offering will bring gross proceeds to the Company in the amount of approximately \$11,497,000 and net proceeds to the Company in the amount of approximately \$10,800,000. The Company anticipates that it will use the proceeds received in connection with the foregoing transaction for research and development and general working capital purposes.

CONVERTIBLE DEBENTURES

As also previously disclosed on a Form 8-K filed on March 5, 2010, on March 4, 2010, the insiders of the Company who had previously purchased all of the convertible debentures, warrants and common stock of the Company which were previously held by Stanford Venture Capital Holdings, Inc., notified the Company that they had elected, subject to stockholder approval, to convert their convertible debentures at a conversion price of \$0.83.

Under the terms of the convertible debentures, such convertible debentures could have converted at a floating conversion rate equal to the lower of \$0.83, or 80 percent of the lowest daily Volume-Weighted Average Price (VWAP) for the five-day period immediately preceding the conversion date, which equated to \$0.22. On May 25, 2010, at the Company’s Annual Meeting of Stockholders, as further described below, the stockholders of the Company approved the conversion of the convertible debentures. Accordingly, on May 25, 2010, the Company issued 6,024,096 shares of Common Stock to the insiders. The Company did not receive any proceeds as a result of the conversion of the convertible debentures.

All of the securities issued in the foregoing transactions were offered and sold by the Company, as applicable, pursuant to an exemption from the registration requirements of the Securities Act 1933, as amended.

Item 5.07 Submission of Matters to a Vote of Security Holders.
