NOTES TO THE CONDENSED FINANCIAL STATEMENTS

July 31, 2010

1. BASIS OF PRESENTATION - INTERIM FINANCIAL STATEMENTS

The accompanying unaudited condensed financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“GAAP”) for interim financial information and the general instructions to Form 10-Q. Accordingly, they do not include all information and footnotes required by GAAP for complete financial statements. These interim financial statements should be read in conjunction with our audited financial statements and notes thereto included in our Annual Report on Form 10-K for the fiscal year ended October 31, 2009. The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses. Actual results could differ from those estimates. In the opinion of management, all adjustments (consisting of normal recurring adjustments) considered necessary for a fair presentation have been included. The results of operations for the periods presented are not necessarily indicative of the results that may be expected for the year ending October 31, 2010 or any future period.

2. FASB ACCOUNTING STANDARDS CODIFICATION TOPIC 718 SHARE-BASED PAYMENT (FASB ASC 718)

FASB ASC 718 establishes standards for the accounting and transactions in which an entity exchanges its equity instruments for goods or services. It also addresses transactions in which an entity incurs liabilities in exchange for goods or services that are based on the fair value of the entity’s equity instruments or that may be settled by the issuance of those equity instruments. This Statement focuses primarily on accounting for transactions in which an entity obtains employee services in share-based payment transactions. This Accounting Standard Codification does not change the accounting guidance for share-based payment transactions with parties other than employees provided in FASB ASC 718 as originally issued and EITF Issue No. 96-18, “Accounting for Equity Instruments That Are Issued to Other Than Employees for Acquiring, or in Conjunction with Selling, Goods or Services.” This Accounting Standard Codification does not address the accounting for employee share ownership plans, which are subject to AICPA Statement of Position 93-6, Employers’ Accounting for Employee Stock Ownership Plans. The adoption of FASB ASC 718 by the Company did not have a material impact on the Company’s financial position, results of operations or cash flows. There was no change in the status of outstanding shares or in the Equity Compensation Plan since October 31, 2006, and no shares were granted to employees of the Company for services rendered or to be rendered.

3. EARNINGS PER SHARE

Innovative Designs, Inc. (the “Company”) calculates net income (loss) per share as required by FASB ASC Topic 260, Earnings per Share. Basic earnings (loss) per share is calculated by dividing income (loss) by the weighted average number of common shares outstanding for the period. Diluted earnings (loss) per share is calculated by dividing net income (loss) by the weighted average number of common shares and dilutive common stock equivalents outstanding. During the periods presented common stock equivalents were not considered as their effect would be anti-dilutive.

NOTES TO THE CONDENSED FINANCIAL STATEMENTS

4. GOING CONCERN AND LEGAL PROCEEDINGS

The Company's financial statements are presented on a going concern basis, which contemplates the realization of assets and satisfaction of liabilities in the normal course of business.

The Company's ability to continue as a going concern is contingent upon its ability to expand its operations and secure additional financing. The Company is currently pursuing financing for its operations and seeking to expand its operations. Failure to secure such financing or expand its operations may result in the Company not being able to continue as a going concern. During the quarter ended July 31, 2010, the Company entered into new short-term borrowings of \$115,000 with various individuals in addition to loans made to us by our Chief Executive Officer.

The financial statements do not include any adjustments to reflect the possible future effects on the recoverability and classification of assets or the amounts and classification of liabilities that may result from the possible inability of the Company to continue as a going concern.

On July 30, 2008, Elio D. Cattan and Eliotex srl filed a Motion to Strike Satisfaction of Judgment in the action filed at 04-00593 in the United States District Court for the Western District of Pennsylvania. The basis for the relief requested was Cattan's averment that Innovative Designs defrayed certain of the expenses in Greystone, Inc.'s litigation in the United States, and that assistance violated Pennsylvania public policy regarding champerty and maintenance.

On February 5, 2009, The Honorable Arthur J. Schwab entered an Order on the Motion of Elio Cattan and Eliotex, SRL (collectively, "Cattan") to strike the assignment and satisfaction of judgment filed at Docket No. 04-00593 by Elite Properties, LLC. Counsel for Innovative Designs, Inc. sought to preclude the District Court from rendering any determination on the merits as to the ownership of the Judgment or the propriety of the State Court execution proceedings by which ownership of the Judgment was transferred.

The District Court did not adopt or substantiate the legal argument brought forward by Counsel for Cattan, and did not render any findings on the merits that would disturb Elite Properties, LLC's ownership of the IDI Judgment at the time it was satisfied.

On March 31, 2009, Eliotex, srl ("Eliotex") and Elio Cattan ("Cattan") filed a Motion to Strike Assignment and Satisfaction of Judgment in the Court of Common Pleas of Allegheny County, Pennsylvania at Case No. GD-06-011327. The Motion requests that the Court invalidate State Court execution proceedings on the default judgment entered against Eliotex and Cattan by Greystone, Inc. ("Greystone") by which Greystone purchased at Sheriff Sale the default judgment against IDI entered in favor of Eliotex and Cattan in Italian arbitration proceedings and confirmed by the District Court. The Motion further requests that the Court strike the purchase of an assignment of that judgment from Greystone, and its subsequent satisfaction, by Elite Properties, LLC. IDI consented to the issuance of a Rule to Show Cause why the relief should not be granted.

INNOVATIVE DESIGNS, INC.

NOTES TO THE CONDENSED FINANCIAL STATEMENTS  
July 31, 2010

On June 10, 2009, Eliotex and Cattan filed a Verification to their Motion. IDI filed its Answer to Rule to Show Cause on June 23, 2009. Eliotex and Cattan conducted no discovery within the 60 day time period provided for by the Order issuing the Rule, and no oral argument on the Rule has been requested. The Motion is dormant and likely to remain so for the foreseeable future.

On January 22, 2010, counsel for IDI and Eliotex/Cattan participated in a oral argument before the Honorable R. Stanton Wettick, Jr. of the Court of Common Pleas of Allegheny County, Pennsylvania on the Rule to Show Cause regarding Eliotex/Cattan's Motion to Strike Assignment of Judgement. The Judge heard arguments, and has asked the parties to brief two issues: (1) whether Eliotex/Cattan have standing to challenge the assignment from Greystone to Elite Properties; and (2) whether the dealings between IDI and Greystone constitute champerty and maintenance.

On June 2, 2010, the Honorable R. Stanton Wettick, Jr. of the Court of Common Pleas of Allegheny County, Pennsylvania entered an Order denying Elio D. Cattan and Eliotex, SRL's motion to strike assignment and satisfaction of judgment. As Judge Arthur J. Schwab of the United States District Court for the Western District of Pennsylvania specifically deferred the question of the ownership of the judgment to the State Court, Judge Wettick's Order represents a final adjudication of this matter on the merits, and resolved the case in IDI's favor. IDI's legal counsel will now request that Judge Schwab reform the Federal Court docket to comport with the State Court's ruling.

On July 23, 2010, IDI filed a motion with the United States District Court for the Western District of Pennsylvania in Case No. 04-00593 requesting that Judge Schwab enter an Order to conform the District Court docket in light of the State Court adjudication. On July 26, 2010, Judge Schwab entered an Order: (1) striking the assignment to Elio Cattan and Eliotex, SRL filed by Greystone, Inc. on March 25, 2009; (2) vacating the Order of February 5, 2009 striking the Assignment and Satisfaction of Judgment filed by Elite Properties, LLC on May 27, 2008; and (3) deeming satisfied the Judgment entered in favor of Elio Cattan and Eliotex, SRL and against RMF Global, Inc. and Innovative Designs, Inc. on May 9, 2006. Counsel for Elio Cattan and Eliotex, SRL represented to counsel for IDI that they would not oppose the Motion.

IDI has prevailed in all of the outstanding litigation involving the foregoing, and believes the matter to be concluded.

5. COMMON STOCK

On May 25, 2010, we issued 12,000 shares of our common stock for professional services for \$.20 per share or \$2,400. The shares were issued without registration pursuant to the exemption provided by Section 4(2) of the Securities Act of 1933, as amended.

6. SUBSEQUENT EVENTS

The Company has evaluated subsequent events in accordance with Accounting Standards Codification Topic 855, Subsequent Events, through September 13, 2010, which is the date financial statements were available to be issued. During the evaluation no subsequent event items were identified by the Company.

## Three Months Ended July 31, 2010 and 2009

The increase in revenue for the three months ended July 31, 2010 compared to the corresponding period ended July 31, 2009, is the result of our entry into the Alaska market with its longer cold season and the addition of more retailers. Nearly all of our sales for the period were for our Arctic Armor line of products. During the period we had a \$2,400 expense related to our issuance of our common stock for services. This expense is included in the selling, general and administrative expenses category.

## Nine Months Ended July 31, 2010 and 2009

The increase in revenue for the nine month period ended July 31, 2010, over the corresponding period ended July 31, 2009, was a result of our adding more retailers, internet sales and the entry into the Alaska market. During the period substantially all of our sales were for our Arctic Armor line of products. We expanded our Arctic Armor product line by adding mitts, hats and a tasseled cap. We also introduced a special edition Arctic Armor suit that is oil and jet fuel resistance and is anti-static. The suit costs more than our standard suit and will be offered on a limited supply basis.

The increase during the period in our selling, general and administrative expenses was partly on account of approximately \$28,000 in professional expenses. We expect our fourth quarter to show a substantial increase in revenue over the comparable period. We continue to add more retailers including Canadian Tire. We continue to await the results of the sample yardage of our building wrap we sent out to builders and distributors.

INNOVATIVE DESIGNS, INC.

July 31, 2010

Liquidity and Capital Resources

During the quarter ended July 31, 2010, we funded our operations with revenues from sales and new short-term borrowings of \$115,000 in addition to loans made to us by our Chief Executive Officer. We will continue to fund operations from revenues and borrowings and the possible sale of securities. Our ability to obtain outside funding of either debt or equity is being adversely affected in part, by the general inability to obtain commercial lending.

Short Term: We funded our operations with revenues from sales and short-term borrowings. The financial institution has restricted the amounts we can borrow on our lines of credit and they will not increase our borrowing capacity on the lines of credit. The Company continues to pay its creditors when payments are due and has been successful in expanding its sales base and adding new products to its Arctic Armor product line.

Long Term: The Company will continue to fund operations from revenues, borrowings and the possible sale of its securities. The Company is currently pursuing financing to fund its long-term liquidity needs, however, the general state of the credit industry has made borrowing more difficult.

PART II

ITEM 1. LEGAL PROCEEDINGS

On June 2, 2010, the Honorable R. Stanton Wettick, Jr. of the Court of Common Pleas of Allegheny County, Pennsylvania entered an Order denying Elio D. Cattan and Eliotex, SRL's motion to strike assignment and satisfaction of judgment. As Judge Arthur J. Schwab of the United States District Court for the Western District of Pennsylvania specifically deferred the question of the ownership of the judgment to the State Court, Judge Wettick's Order represents a final adjudication of this matter on the merits, and resolved the case in IDI's favor. IDI's legal counsel will now request that Judge Schwab reform the Federal Court docket to comport with the State Court's ruling.

On July 23, 2010, IDI filed a motion with the United States District Court for the Western District of Pennsylvania in Case No. 04-00593 requesting that Judge Schwab enter an Order to conform the District Court docket in light of the State Court adjudication. On July 26, 2010, Judge Schwab entered an Order: (1) striking the assignment to Elio Cattan and Eliotex, SRL filed by Greystone, Inc. on March 25, 2009; (2) vacating the Order of February 5, 2009 striking the Assignment and Satisfaction of Judgment filed by Elite Properties, LLC on May 27, 2008; and (3) deeming satisfied the Judgment entered in favor of Elio Cattan and Eliotex, SRL and against RMF Global, Inc. and Innovative Designs, Inc. on May 9, 2006. Counsel for Elio Cattan and Eliotex, SRL represented to counsel for IDI that they would not oppose the Motion.

IDI has prevailed in all of the outstanding litigation involving the foregoing, and believes the matter to be concluded.
