Accessing this website will not infringe upon your anonymity.

GENERAL

This proxy statement is furnished by the board of directors of our company, Inter Parfums, Inc., a Delaware corporation, with offices located at 551 Fifth Avenue, New York, New York 10176, in connection with the solicitation of proxies to be used at the annual meeting of our shareholders being held on July 22, 2011 and at any adjournments of the annual meeting. For purposes of this proxy statement, unless the context otherwise indicates, the terms the "company," "us" or "our" refers to Inter Parfums, Inc.

This proxy statement will be mailed to shareholders beginning approximately June 17, 2011. If a proxy in the accompanying form is properly executed and returned, then the shares represented by the proxy will be voted as instructed on the proxy. Any shareholder giving a proxy may revoke it at any time before it is voted by providing written notice of revocation to the company's Secretary or by a shareholder voting in person at the annual meeting.

All properly executed proxies received prior to the annual meeting will be voted at the annual meeting in accordance with the instructions marked on the proxy or as otherwise stated in the proxy. Unless instructions to the contrary are indicated, proxies will be voted

FOR the election of the nine (9) directors referred to in this proxy statement;

FOR the advisory resolution concerning the compensation of our named executive officers;

FOR the advisory resolution on the frequency of future advisory votes concerning compensation of our named executive officers every year; and

FOR the resolution to amend our certificate of incorporation to remove the requirement of unanimous approval of our board of directors to declare or pay dividends when the aggregate amount of dividends to be paid by us and our subsidiaries in any fiscal year is more than thirty percent (30%) of our annual net income for the last completed fiscal year.

In addition, the persons holding the proxies will consider and vote upon such other business as may properly come before the annual meeting or any adjournments of the annual meeting.

A copy of the company's annual report for fiscal year ended December 31, 2010, which contains financial statements audited by the company's independent registered public accounting firm, is being mailed to the company's shareholders along with this proxy statement.

We will bear the cost of preparing, assembling and mailing this notice of meeting, proxy statement, proxy and the enclosed annual report, as well as maintaining our internet website where you can obtain copies of this proxy statement and annual report to shareholders. In addition to solicitation of the proxies by use of the mails, some of our officers and regular employees, without extra remuneration, may solicit proxies personally or by telephone, telecopier or e-mail. We may also request brokerage houses, nominees, custodians and fiduciaries to forward soliciting material to the beneficial owners of our common stock. We will reimburse these persons for their expenses in forwarding soliciting material.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Our board of directors fixed the close of business on June 17, 2011 as the record date for the determination of shareholders entitled to notice of, and to vote at, the annual meeting. Only holders of our common stock on the record date will be able to vote at the annual meeting.

As of May 13, 2011, 30,492,881 shares of our common stock were outstanding. Each share of the our common stock will entitle the holder of such share to one vote. None of the company's shareholders have cumulative voting rights. Holders of shares of our common stock are entitled to vote on all matters. We also have 1,000,000 authorized shares of preferred stock, \$.001 par value per share, none of which are outstanding.

The holders of a majority of the total number of outstanding shares of our common stock entitled to vote must be present in person or by proxy to constitute the necessary quorum for any business to be transacted at the annual meeting. Properly executed proxies marked "abstain," as well as proxies held in street name by brokers that are not voted on all proposals to come before the annual meeting ("broker non-votes"), will be considered "present" for purposes of determining whether a quorum has been achieved at the annual meeting.

The nine (9) nominees to our board of directors receiving the greatest number of votes cast at the annual meeting in person or by proxy shall be elected. Consequently, any shares of our common stock present in person or by proxy at the annual meeting, but not voted for any reason will have no impact in the election of our board of directors. With respect to the advisory proposal to approve the compensation of our named executive officers and the proposal to amend our certificate of incorporation to remove the provision requiring unanimous board approval for declaring or paying dividends under certain circumstances, the favorable vote of a majority of the shares of our common stock present or represented at the annual meeting is required for approval. With respect to the advisory proposal concerning the frequency of future advisory votes concerning executive compensation, the year with the greatest number of votes will prevail.

Other matters that may be submitted to our shareholders for a vote at the annual meeting, if any, will require the favorable vote of a majority of the shares of our common stock present or represented at the annual meeting for approval, unless we advise you otherwise. If any matter proposed at the annual meeting must receive a specific percentage of favorable votes for approval, abstentions in respect of such proposal are treated as present and entitled to vote under Delaware law and therefore such abstentions have the effect of a vote against such proposal. Broker non-votes in respect of any proposal are not counted for purposes of determining whether such proposal has received the requisite approval.

Our directors will serve until the next annual meeting of stockholders and thereafter until their successors shall have been elected and qualified.

With the exception of Philippe Benacin, the officers are elected annually by the directors and serve at the discretion of the board of directors. There are no family relationships between executive officers or directors of our company.

Members of our management have been informed that Messrs. Jean Madar and Philippe Benacin, our two largest shareholders, have a verbal agreement or understanding to vote their shares in a like manner, and intend to vote in favor of all of the nominees for directors. Therefore, all of the nominees are all likely to be elected. Also, members of our management have been informed that Messrs. Jean Madar and Philippe Benacin intend to vote in favor of all of the other proposals, and they are likely to be passed as recommended by our management.

We know of no business other than the four proposals discussed above that will be presented for consideration at the annual meeting. If any other matter is properly presented, then it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment.

The following table sets forth information, as of May 13, 2011 with respect to the beneficial ownership of our common stock by (a) each person we know to be the beneficial owner of more than 5% of our outstanding common stock, (b) our executive officers and directors and (c) all of our directors and officers as a group. As of May 13, 2011 we had 30,492,881 shares of common stock outstanding.

¹⁴ Information derived from an Amendment to Schedule 13G filed February 13, 2011.

¹⁵ Consists of 14,399,589 shares held directly or indirectly, options to purchase 261,541 shares.

Board of Directors

Our board of directors has the responsibility for establishing broad corporate policies and for the overall performance of our Company. Although certain directors are not involved in day-to-day operating details, members of the board of directors are kept informed of our business by various reports and documents made available to them. Our board of directors held 17 meetings (or executed consents in lieu thereof), including meetings of committees of the full board of directors during 2010 (with the last regular board meeting held during the first week of January 2011), and all of the directors attended at least 75% of the meetings (or executed consents in lieu thereof) of the full board of directors and committees of which they were a member, except for Messrs. Bensoussan-Torres and Rosinoer. Our board of directors presently consists of nine (9) directors, with a majority of independent directors.

We have adopted a Code of Business Conduct that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, as well as other persons performing similar functions, and we agree to provide to any person without charge, upon request, a copy of our Code of Business Conduct. Any person who requests a copy of our Code of Business Conduct should provide their name and address in writing to: Inter Parfums, Inc., 551 Fifth Avenue, New York, NY 10176, Att.: Shareholder Relations. In addition, our Code of Conduct is also maintained on our website, at www.interparfumsinc.com.

During 2010 our board of directors had the following standing committees:

- **Audit Committee** – The Audit Committee has the sole authority and is directly responsible for, the appointment, compensation and oversight of the work of the independent accountants employed by our company which prepare or issue an audit report for our company. During 2010, the Audit Committee consisted of Messrs. Heilbronn, Levy and Choël.

The Company does not have an “audit committee financial expert” within the definition of the applicable Securities and Exchange Commission rules. First, finding qualified nominees to serve as a director of a public company without substantial financial resources has been challenging. Second, despite the applicable Securities and Exchange Commission rule which states that being named as the audit committee financial expert does not impose any greater duty, obligation or liability, the Company has been met with resistance from both present and former directors to being named as such primarily due to potential additional personal liability.

However, as the result of the background, education and experience of the members of the Audit Committee, our board of directors believes that such committee members are fully qualified to fulfill their obligations as members of the Audit Committee.

- **Executive Compensation and Stock Option Committee** – The Executive Compensation and Stock Option Committee oversees the compensation of our company’s executives and administers our company’s stock option plans. During 2010, the members of such committee consisted of Messrs. Heilbronn, Levy and Choël. We presently do not have a separate charter for our Executive Compensation and Stock Option Committee.
- **Nominating Committee** – The Nominating Committee was formed in January 2011, and the members of such committee consist of Messrs. Heilbronn, Levy and Choël. The purpose of the Nominating Committee is to determine and recommend qualified persons to the Board of Directors who will be put forth as management's slate of directors for vote of the Corporation's stockholders, as well as to fill vacancies in the Board of Directors. The charter of the Nominating Committee is posted on our company’s website.

Director Independence

The following are our directors who are “independent directors” within the applicable rules of The Nasdaq Stock Market:

Francois Heilbronn
Jean Levy
Robert Bensoussan-Torres
Serge Rosinoer
Patrick Choël

We follow and comply with the independent director definitions as provided by The Nasdaq Stock Market rules in determining the independence of our directors, which are posted on our company’s website. In addition, such rules are also available on The Nasdaq Stock Market’s website. In addition, The Nasdaq Stock Market maintains more stringent rules relating to director independence for the members of our Audit Committee, and the members of our Audit Committee, Messrs. Heilbronn, Levy and Choël, are independent within the meaning of those rules.

Procedures for Approval of Related Person Transactions

Transactions between related persons, such as between an executive officer or director and our company, or any company or person controlled by such officer or director, are required to be approved by our Audit Committee of our board of directors. Our Audit Committee Charter contains such explicit authority, as required by the applicable rules of The Nasdaq Stock Market.

Board Leadership Structure and Risk Management

For more than the past ten (10) years, Jean Madar has held the positions of Chairman of the Board of Directors and Chief Executive Officer of our company. Almost since inception, Mr. Madar has been allocated the responsibility of overseeing our United States operations and the operation of Inter Parfums, Inc., as a public company. Philippe Benacin, as Chief Executive Officer of Inter Parfums, S.A., has been allocated the responsibility of overseeing our European operations and its operation as a public company in France. In addition, Mr. Benacin is also the Vice Chairman of the Board of Directors of our company. Our board of directors is comfortable with this approach, as the two largest stockholders of our company are also directly responsible for the operations of our company’s two operating segments. Accordingly, our board of directors does not have a “Lead Director,” a non-management director who controls the meetings of our board of directors.

Our board of directors manages risk by (i) period operating reports and discussion with management; (ii) approval of executive compensation incentive plans through its committee, the Executive Compensation and Stock Option Committee; (iii) approval of related party transactions through its committee, the Audit Committee; and (iv) approval of material transactions not in the ordinary course of business. Since our inception, we have never been the subject of any material product liability claims, and we have had no recent material property damage claims.

Further, we periodically enter into foreign currency forward exchange contracts to hedge exposure related to receivables denominated in a foreign currency and to manage risks related to future sales expected to be denominated in a foreign currency. We enter into these exchange contracts for periods consistent with our identified exposures. The purpose of the hedging activities is to minimize the effect of foreign exchange rate movements on the receivables and cash flows of Inter Parfums, S.A., our French subsidiary, whose functional currency is the Euro. All foreign currency contracts are denominated in currencies of major industrial countries and are with large financial institutions, which are rated as strong investment grade.

In addition, we mitigate interest rate risk by continually monitoring interest rates, and then determining whether fixed interest rates should be swapped for floating rate debt, or if floating rate debt should be swapped for fixed rate debt.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely upon a review of Forms 3, 4 and 5 and any amendments to such forms furnished to us, and written representations from various reporting persons furnished to us, we are not aware of any reporting person who has failed to file the reports required to be filed under Section 16(a) of the Securities Exchange Act of 1934 on a timely basis, except as follows:

An independent director, Mr. Francois Heilbronn, filed one Form 4 which disclosed sales of 37,500 shares four days late in January 2011 as the result of a delay in obtaining the sales information from his broker.

Executive Compensation

Compensation Discussion and Analysis

General

The executive compensation and stock option committee of our board of directors is comprised entirely of independent directors and oversee all elements of compensation (base salary, annual bonus, long term incentives and perquisites) of our company's executive officers and administers our company's stock option plans, other than the non-employee directors stock option plan, which is self executing.

The objectives of our compensation program are designed to strike a balance between offering sufficient compensation to either retain existing or attract new executives on the one hand, and maintaining compensation at reasonable levels on the other hand. We do not have the resources comparable to the cosmetic giants in our industry, and accordingly cannot afford to pay excessive executive compensation. In furtherance of these objectives, our executive compensation packages generally include a base salary, as well as annual incentives tied to individual performance and long-term incentives tied to our operating performance.

Mr. Madar, the Chairman and Chief Executive Officer, takes the initiative after discussions with Mr. Russell Greenberg, an Executive Vice President, Chief Financial Officer and a Director, and recommends executive compensation levels for executives in the United States. Mr. Benacin, the Chief Executive Officer of Inter Parfums, S.A., takes the initiative after discussions with Philippe Santi, the Chief Financial Officer of Inter Parfums, S.A., and recommends executive compensation levels for executives in Europe. The recommendations are presented to the compensation committee for its consideration, and the compensation committee makes a final determination regarding salary adjustments and annual award amounts to executives, including our Jean Madar and Philippe Benacin. Further, Messrs. Madar and Benacin, in addition to being executive officers and directors, are our largest shareholders, and therefore, their interests are aligned with our shareholder base in keeping executive compensation at a reasonable level.

The compensation committee believes that individual executive compensation is at a level comparable with executives in other companies of similar size and stage of development that operate in the fragrance industry and take into account our company's performance as well as our own strategic goals. Further, the compensation committee believes that its present policies to date, with its emphasis on rewarding performance, has served to focus the efforts of our executives, which in turn permitted our company to weather the storm of this recession and put our company on track to return to a high rate of growth and profitability, which management believes will result in a substantial increase in value to our shareholders.

Elements of Compensation

General

The compensation of our executive officers is generally comprised of base salaries, annual cash bonuses and long-term equity incentive awards. In determining specific components of compensation, the compensation committee considers individual performance, level of responsibility, skills and experience, and other compensation awards or arrangements. The compensation committee reviews and approves all elements of compensation for all of our executive officers taking into consideration recommendations from the Chief Executive Officer of our company and the Chief Executive Officer of Inter Parfums, S.A., as well as information regarding compensation levels at competitors in our industry.

Our named executive officers have all been with the company for more than the past ten (10) years, with Messrs. Madar and Benacin being founders of the company in 1985. As previously disclosed, Mr. Madar for United States operations, and Mr. Benacin for European operations, each recommend executive compensation levels for executives in the respective operating segments. In addition, and also as previously reported, Messrs. Greenberg, the Chief Financial Officer of the company (as well as United States operations) and Santi, the Chief Financial Officer of European operations, also participate in recommendations for executive compensation levels for executives in the respective operating segments.

As Messrs. Madar and Greenberg for United States operations, and Benacin and Santi for European operations, are most familiar with the individual performance, level of responsibility, skills and experience of each executive officer in their respective segments, the compensation committee relies upon the information provided by such executive officers in determining individual performance, level of responsibility, skills and experience of each executive officer.

The compensation committee views the competitive market place very broadly, which would include executive officers from both public and privately held companies in general, including fashion and beauty companies, but not limited to the “peer companies” contained in the corporate performance graph contained in this annual report. Rather than tie the compensation committee’s determination of compensation proposals to any specific peer companies, the members of our committee have used their business experience, judgement and knowledge to review the executive compensation proposals recommended to them by Mr. Madar for United States operations and Benacin for European operations. As such, compensation committee did not determine the need to “benchmark” of any material item of compensation or overall compensation.

The members of the compensation committee have extensive experience and business acumen and are well qualified in determining the appropriateness of executive compensation levels. Mr. Heilbronn is a managing partner of a business consulting firm in the area of mergers and acquisitions of large international companies in retail, consumer goods and consumer services throughout the world. Mr. Levy has over thirty years experience as an executive officer, including more than ten years as President and Chief Executive Officer of well known cosmetic companies such as Cosmair and Sanofi Beaute (France). Mr. Choël, the final committee member, is presently a business consultant and advisor, who previously worked as President and Chief Executive Officer of two divisions of LVMH Moët Hennessy Louis Vuitton S.A., which included such well known brands as Parfums Christian Dior, Guerlain, and Parfums Givenchy.

Base Salary

Base salaries for executive officers are initially determined by evaluating the responsibilities of the position held and the experience of the individual, and by reference to the competitive market place for executive talent. Base salaries for executive officers are reviewed on an annual basis, and adjustments are determined by evaluating our operating performance, the performance of each executive officer, as well as whether the nature of the responsibilities of the executive has changed.

As stated above, as Messrs. Madar and Greenberg for United States operations, and Benacin and Santi for European operations, are most familiar with the individual performance, level of responsibility, skills and experience of each executive officer in their respective segments, the committee relies upon the information provided by such executive officers in determining individual performance, level of responsibility, skills and experience of each executive officer.

For executive officers of United States operations, the bulk of their annual compensation is in base salary. However, for executive officers of European operations base salary comprises a smaller percentage of overall compensation.

We have paid a lower percentage of overall compensation in the form of base salary to executive officers of European operations for several years, principally because European operations historically have had higher profitability than United States operations and European operations are run differently by the Chief Executive Officer of European operations, Mr. Benacin, than United States operations. As the result of this historically higher profitability, European operations have had the ability to pay higher bonus compensation in addition to base salary. As bonus compensation is and has historically been discretionary, no targets were set in order to maintain flexibility. Further, if results of operations for European operations were not satisfactory (again, no target amounts were set to maintain flexibility), then bonus compensation, as well as overall compensation could be lowered without otherwise affecting base salary. Finally, by keeping annual bonus compensation at a higher percentage of overall compensation and base salary at a lower percentage, our company benefits because the base amount for annual salary adjustments would be smaller.

Upon the recommendation of Mr. Benacin, the base salaries of Mr. Philippe Santi, the Chief Financial Officer of Inter Parfums, S.A., and Mr. Frederic Garcia-Pelayo, were each increased from 249,600 euro in 2009 to 260,400 euro in 2010, a 4% increase. Likewise, Mr. Benacin's base compensation was increased from 249,600 euro in 2009 to 260,400 euro in 2010.

A different approach is taken for United States operations as that segment is much smaller and profitability is much more volatile. A more significant base salary is paid in order to attract and retain employees with the skills and talents needed to run the operation with a lesser emphasis placed on bonuses. None of the executive officers for United States operations have employment agreements, as we believe that having flexibility in structuring annual base salary is a benefit, which permits us to act quickly to meet a changing economic environment.

Initially in 2009, the compensation committee had agreed to have the base salary of Mr. Madar, the Chief Executive Officer, remain at the same level of \$400,000, which it has been for the past several years. Further, upon recommendation of our Chief Executive Officer, the executive compensation committee had determined to increase the base salary of Mr. Greenberg, the Chief Financial Officer, by \$20,000 from \$435,000 to \$455,000, a 4.6% increase and to increase the base salary of Mr. Clark, the president of Inter Parfums USA, LLC (Specialty Retail Division) by \$20,000. Mr. Greenberg had received salary increases of \$30,000 for the prior last four years.

Unfortunately, with the global economic downturn commencing in the fourth quarter of 2008, the market price of our common stock as reported by The Nasdaq Stock Market had decreased substantially. Further, consolidated net sales of our company for the first quarter of 2009 had decreased and visibility for the remainder of 2009 was very unclear. Based upon the recommendations of the chief executive officer, the executive compensation committee authorized a (i) rollback the \$20,000 increase in the annual base salaries previously authorized for the chief financial officer and president of Inter Parfums USA, LLC (Specialty Retail Division), so that their annual base salaries would return to the levels paid in 2008, and (ii) decrease the annual base salary by \$20,000 of the Chief Executive Officer, all on a pro rata basis effective as of April 16, 2009.

For 2011, the base salaries for Mr. Greenberg and Mr. Clarke were increased by \$22,000 and \$20,000, respectively. The executive compensation committee believes these increases in salary were merited by the hard work and responsibility undertaken by these executive officers, as well as the increase in profitability of our company. These increase essentially restored cuts in pay for these two executive officers in 2009. Mr. Madar, the Chief Executive Officer, did not receive any increase in his base salary, which remains at \$380,000.

Bonus Compensation/Annual Incentives

We have paid a higher percentage of overall compensation in the form of bonus compensation to executive officers of European operations for several years, principally because European operations historically have had higher profitability than United States operations. As the result of this historically higher profitability, European operations have had the ability to pay higher bonus compensation in addition to base salary. As bonus compensation is discretionary no targets were set in order to maintain flexibility. Further, if results of operations for European operations were not satisfactory (again, no target amounts were set to maintain flexibility), then bonus compensation, as well as overall compensation could be lowered without otherwise affecting base salary.

For 2010, Mr. Benacin, the chief decision maker for European operations, proposed and the committee concurred in the payment of bonus compensation equal to approximately 72% of base salary for executive officers of European operations. This is compared to bonus compensation as a percentage of annual salary of 58% and 71% for Mr. Benacin in 2009 and 2008, and approximately 70% for Messrs. Santi and Garcia-Pelayo in both 2009 and 2008.

A different approach is taken for United States operations as that segment is much smaller and profitability is much more volatile. A more significant base salary is paid in order to attract and retain employees with the skills and talents needed to run the operation with a lesser emphasis placed on bonuses. Based upon the recommendation of the Chief Executive Officer, Mr. Greenberg received a cash bonus of \$17,500, and Mr. Clarke's cash bonus is still under review. No cash bonus compensation was paid to executive officers of United States operations for 2009 due to the global recession. Mr. Greenberg had received a cash bonus of \$35,000 for 2008. In order for Mr. Madar, the Chief Executive Officer to receive a cash bonus, United States operations has to achieve after tax profit target. In 2010, 2009 and 2008, based upon such targets, our Chief Executive Officer did not earn any cash bonus. The Executive Compensation Committee has determined to use the same after tax profit target for our company's United States operations to calculate Mr. Madar's bonus for 2011.

As required by French law, Inter Parfums, SA maintains its own profit sharing plan for all French employees who have completed three months of service, including executive officers of our European operations other than Mr. Benacin, the Chief Executive Officer of Inter Parfums, SA. Benefits are calculated based upon a percentage of taxable income of Inter Parfums, S.A. and allocated to employees based upon salary. The maximum amount payable per year per employee is 25,000 euros, or approximately \$33,130.

Calculation of total annual benefits contribution is made according to the following formula:

50% of (Inter Parfums, S.A. net income, less 5% of shareholders equity without net income for the year) times a fraction, the numerator of which is wages, and the denominator of which is net income before tax + wages + taxes (other than income tax) + valuation allowances + amortization expenses + interest expenses.

Contribution to individual employees is then made pro rata based upon their individual salaries for the year.

Long Term Incentives

Stock Options. We link long-term incentives with corporate performance through the grant of stock options. All options are granted with an exercise price equal to the fair market value of the underlying shares of our common stock on the date of grant, and terminate on or shortly after severance of the executive's relationship with us. Unless the market price of our common stock increases, corporate executives will have no tangible benefit. Thus, they are provided with the additional incentive to increase individual performance with the ultimate goal of increasing our overall performance. We believe that enhanced executive incentives which result in increased corporate performance tend to build company loyalty. As a general rule, the number of options granted is determined by several factors, but most importantly, both individual and company operating results for the past year, as well as past option grants to such executives.

For executive officers of United States operations and European operations, we typically grant nonqualified stock options with a term of 6 years that vest ratably of a 5-year period on a cumulative basis, so that the option will become fully exercisable at the beginning of the sixth year from the date of grant. In addition, option grants to purchase shares of our majority-owned, French subsidiary, Inter Parfums, S.A. were also granted to Messrs. Benacin, Santi and Garcia-Pelayo under the Inter Parfums SA option plan, which have a term of 6 years and vest 4 years after the date of grant.

We believe that the vesting period of these options serve a dual purpose: 1. executives will not receive any benefit if they leave prior to such portion of the option vesting; and 2. having a vesting period, matches the service period with the potential benefits of the option. Pursuant to our stock option plan, non-qualified stock options granted to executives terminate immediately upon the executive's termination of association with our company. This termination provision coupled with a vesting period reduces benefits afforded to an executive when an executive officer leaves our employ.

Over the past several years, as our company has grown and the market price of our common stock has increased, Messrs. Madar and Benacin have realized substantial compensation as the result of the exercise of their options. As the two executives most responsible for continued growth and success of our company, the Committee believes the granting of options is an appropriate tool to tie a substantial portion of their compensation to the success of our company and is completely warranted.

The actual compensation realized as the result of the exercise of options in the past, as well as the future potential of such rewards, are powerful incentives for increased individual performance and ultimately increased company performance. In view of the fact that the executive officers named above contribute significantly to our profitable operations, the compensation committee believes the option grants are valid incentives for these executive officers and are fair to our shareholders. Generally we grant options to executive officers in December of each year.

In December 2010, upon the recommendation of the company's Chief Executive Officer, the compensation committee granted options to purchase a total of 19,000 shares of our common stock to each of Jean Madar and Philippe Benacin at the fair market value on the date of grant, which were the same number of shares for which options had been granted to Messrs. Madar and Benacin in December 2009 and December 2008. Option grants to Messrs. Madar and Benacin were identical as each is the Chief Executive Officer of their respective operating segments. Also in December 2010, the compensation committee granted options to purchase 25,000 shares to Mr. Greenberg, the Chief Financial Officer, at the fair market value on the date of grant, the same number of options granted in 2009.

In December 2010, options to purchase 3,000 shares were granted to Messrs. Santi and Garcia-Pelayo, as additional compensation for the increase in operating results for European Operations and the company overall. However, no options were granted to Messrs. Santi and Garcia-Pelayo from our company during 2009 or for 2008.

For the past few years we had temporarily discontinued all option grants to purchase shares of our majority-owned, French subsidiary, Inter Parfums, S.A. to avoid a decrease in the dilution of our ownership interest in Inter Parfums, S.A. However, at the request of Messrs. Benacin and Santi, Inter Parfums, S.A. again commenced granting options to its employees and executive officers, including to Messrs. Santi and Garcia-Pelayo, as Messrs. Benacin and Santi had determined that it was more beneficial for the employees and executive officers of European operations have a stake in Inter Parfums, S.A., rather than our company. Accordingly, in December 2009 Inter Parfums, S.A. authorized a stock option plan which provides for a maximum of 3% of the outstanding shares of Inter Parfums, S.A. to be available for grant. Under the Inter Parfums S.A. stock option plan, options are granted at the fair market value at the time of grant for a term of 6 years and vest 4 years after the date of grant. In October 2010, Inter Parfums, S.A. granted of options to purchase 7,000 shares for each of Messrs. Madar, Benacin, Santi and Garcia-Pelayo and 1,500 shares for Mr. Greenberg. In December 2009, Inter Parfums, S.A. authorized grants of options to employees of Inter Parfums, S.A. for an aggregate of 0.5% of outstanding shares, including options to purchase 6,000 shares for each of Messrs. Madar, Benacin, Santi and Garcia-Pelayo and 1,200 shares for Mr. Greenberg.

Stock Appreciation Rights. Our 2004 stock option plan authorizes us to grant stock appreciation rights, or SARs. An SAR represents a right to receive the appreciation in value, if any, of our common stock over the base value of the SAR. To date, we have not granted any SARs under the 2004 plan. While the compensation committee currently does not plan to grant any SARs under our 2004 plan, it may choose to do so in the future as part of a review of the executive compensation strategy. The Inter Parfums S.A. stock option plan does not have stock appreciate rights.

Restricted Stock. We have not in the past, and we do not have any future plans to grant restricted stock to our executive officers. However, while the compensation committee currently does not plan to authorize any restricted stock plans, the compensation committee may choose to do so in the future as part of a review of the executive compensation strategy.

Other Compensation

Mr. Benacin is the Chief Executive Officer of Inter Parfums, S.A. (European operations), as well as a founder of our company, and we believe we should recognize his responsibility, skills and experience, as well as the results of the company. In view of his service to the company, Mr. Benacin has received a housing and automobile allowance for more than the past ten (10) years. This is a way we have differentiated him from other executive officers of European operations, and acknowledged his responsibility, skills and experience, as well as the company's operating results, while maintaining his base salary at the same level as Messrs. Santi and Garcia-Pelayo, the other named executive officers of European operations.

No Stock Ownership Guidelines

We do not require any minimum level of stock ownership by any of our executive officers. As stated above, Messrs. Madar and Benacin, are our largest shareholders, which aligns their interests with our shareholder base in keeping executive compensation at a reasonable level.

Retirement and Pension Plans

We maintain a 401(k) plan for United States operations. However, we do not match any contributions to such plan, as we have determined base compensation together with annual bonuses and stock option awards, are sufficient incentives to retain talented employees. Our European operations maintains a pension plan for it employees as required by French law.

Compensation Committee Report

We have reviewed and discussed with management the Compensation Discussion and Analysis provisions to be included in this amendment to the Annual Report on Form 10-K for fiscal year ended December 31, 2010 and the proxy statement for the upcoming annual meeting of shareholders. Based on this review and discussion, we recommend to the board of directors that the Compensation Discussion and Analysis referred to above be included in this Annual Report on Form 10-K as well as the proxy statement for the upcoming annual meeting of shareholders.

PRELIMINARY PROXY STATEMENT

[Footnotes from table above]

1 Amounts reflected under Option Awards represent the grant date fair values in 2010, 2009 and 2008 based on the fair value of stock option awards using a Black-Scholes option pricing model. The assumptions used in this model are detailed in Footnote 13 to the audited consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2010 and filed with the SEC.

2 As required by French law, Inter Parfums, S.A. maintains its own profit sharing plan for all French employees who have completed three months of service, including executive officers of our European operations other than Mr. Benacin, the Chief Executive Officer of Inter Parfums, S.A. Benefits are calculated based upon a percentage of taxable income of Inter Parfums, S.A. and are allocated to employees based upon salary. The maximum amount payable per year is 25,000 euro, or approximately \$33,130.

Calculation of total annual benefits contribution is made according to the following formula:

50% of (Inter Parfums, S.A. net income, less 5% of shareholders equity without net income for the year) times a fraction, the numerator of which is wages, and the denominator of which is net income before taxes, + wages + taxes (other than income tax) + valuation allowances + amortization expenses + interest expenses.

Contribution to individual employees is then made pro rata based upon their individual salaries for the year.

3 The following table identifies (i) perquisites and other personal benefits provided to our named executive officers in fiscal 2010 and quantifies those required by SEC rules to be quantified and (ii) all other compensation that is required by SEC rules to be separately identified and quantified.

Options

As discussed above, we typically grant nonqualified stock options with a term of 6 years that vest ratably of a 5-year period on a cumulative basis, so that the option will become fully exercisable at the beginning of the sixth year from the date of grant. As reported above, options granted to French employees under the French Addendum to our stock option plan have a term of 6 years, and vest 4 years after the date of grant. Further, options granted to French employees under the stock option plan of Inter Parfums, S.A. likewise vest 4 years after the date of grant.

We believe that the vesting period of these options serves a dual purpose: 1. executives will not receive any benefit if they leave prior to such portion of the option vesting; and 2. having a vesting period matches the service period with the potential benefits of the option.

Under our stock option plans, the fair market value is determined by the average of the high and low price on the date of grant, not the closing price as reported by The Nasdaq Stock Market.

We also note that the Summary Compensation Table does not include income realized by the named executive officers as the result of the exercise of stock options, but rather reflects the dollar amount recognized for financial statement reporting purposes for options granted in accordance with SFAS 123R. However, value realized as the result of stock option exercises is set forth in the table entitled "Option Exercises and Stock Vested".

Inter Parfums, S.A. Profit Sharing Plan

As required by French law, Inter Parfums, SA maintains its own profit sharing plan for all French employees who have completed three months of service, including executive officers of our European operations other than Mr. Benacin, the Chief Executive Officer of Inter Parfums, SA. Benefits are calculated based upon a percentage of taxable income of Inter Parfums, S.A. and allocated to employees based upon salary. The maximum amount payable per year per employee is 25,000 euros, or approximately \$33,130.

Calculation of total annual benefits contribution is made according to the following formula:

50% of (Inter Parfums, S.A. net income, less 5% of shareholders equity without net income for the year) times a fraction, the numerator of which is wages, and the denominator of which is net income before tax + wages + taxes (other than income tax) + valuation allowances + amortization expenses + interest expenses.

Contribution to individual employees is then made pro rata based upon their individual salaries for the year.

Inter Parfums, S.A. maintains a pension plan for all of its employees, including all executive officers. The calculation of commitments for severance benefits involves estimating the probable present value of projected benefit obligations. This projected benefit obligations is then prorated to take into account seniority of the employees of Inter Parfums, S.A. on the calculation date.

In calculating benefits, the following assumptions were applied:

- voluntary retirement at age 65;
- a rate of 45% for employer payroll contributions for all employees;
- a 5% average annual salary increase;
- an annual rate of turnover for all employees under 55 years of age and nil above;
- the TH 00-02 mortality table for men and the TF 00-02 mortality table for women;
- a discount rate of 3.96%.

The normal retirement age is 65 years, but employees, including Messrs. Benacin, Santi and Garcia-Pelayo, can collect reduced benefits if they retire at age 60.

Nonqualified Deferred Compensation

We do not maintain any nonqualified deferred compensation plans.

Employment Agreements

As part of our acquisition in 1991 of the controlling interest in Inter Parfums, S.A., now a subsidiary, we entered into an employment agreement with Philippe Benacin. The agreement provides that Mr. Benacin will be employed as Vice Chairman of the Board and President and Chief Executive Officer of Inter Parfums Holdings and its subsidiary, Inter Parfums. The initial term expired on September 2, 1992, and has subsequently been automatically renewed for additional annual periods. The agreement provides for automatic annual renewal terms, unless either party terminates the agreement upon 120 days notice. For 2011 Mr. Benacin presently receives an annual salary of €391,200 (approximately \$523,000), and automobile expenses of €14,000 (approximately \$18,700), which are subject to increase in the discretion of the board of directors but Mr. Benacin will no longer be getting a lodging allowance. The agreement also provides for indemnification and a covenant not to compete for one year after termination of employment.

We maintain stock option plans for our nonemployee directors. The purpose of these plans is to assist us in attracting and retaining key directors who are responsible for continuing the growth and success of our company. Under such plans, options to purchase 1,000 shares are granted on each February 1st to all nonemployee directors for as long as each is a nonemployee director on such date. However, if a nonemployee director does not attend certain of the board meetings, then such option grants are reduced according to a schedule. In addition, options to purchase 2,000 shares are granted to each nonemployee director upon his initial election or appointment to our board.

On February 1, 2011, options to purchase 1,000 shares were granted to each of Francois Heilbronn, Jean Levy and Serge Rosinoer, and an option to purchase 500 shares was granted to Patrick Choël, all at the exercise price of \$17.94 per share under the 2004 plan. Logistical and administrative support is provided by Clarins Group USA from its Park Avenue offices in New York and its warehouse in Orangeburg, New York. AUDIT COMMITTEE REPORT

The Audit Committee has the sole authority and is directly responsible for, the appointment, compensation and oversight of the work of the independent accountants employed by our company which prepare or issue an audit report for our company. During 2010 and for the past several years, the Audit Committee consisted of Messrs. Heilbronn, Levy and Choël.

The Company does not have an “audit committee financial expert” within the definition of the applicable Securities and Exchange Commission rules. First, finding qualified nominees to serve as a director of a public company without substantial financial resources has been challenging. Second, despite the applicable Securities and Exchange Commission rule which states that being named as the audit committee financial expert does not impose any greater duty, obligation or liability, the Company has been met with resistance from both present and former directors to being named as such primarily due to potential additional personal liability.

However, as the result of the background, education and experience of the members of the Audit Committee, our board of directors believes that such committee members are fully qualified to fulfill their obligations as members of the Audit Committee.

Management is responsible for our company's internal controls and our financial reporting process. The independent registered public accounting firm we employ, WeiserMazars, LLP, the successor to Mazars, LLP, is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon, as well as, issuing its report on its audit of our management's assessment of our internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and our independent registered public accounting firm. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. In addition, WeiserMazars LLP discussed with the Audit Committee the results of its audit on management's assessment of internal controls over financial reporting. The Audit Committee also discussed with WeiserMazars LLP matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

WeiserMazars LLP also provided to the Audit Committee the written disclosures required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee discussed with WeiserMazars LLP that firm's independence.

Based upon the Audit Committee's discussions with management and WeiserMazars LLP and the Audit Committee's review of the representations of management and the report of WeiserMazars LLP to the Audit Committee, the Audit Committee recommended that our board of directors include the audited consolidated financial statements and management's report on internal control over financial reporting, together with the attestation report of WeiserMazars LLP in our Annual Report on Form 10-K for the year ended December 31, 2010 filed with the Securities and Exchange Commission.

INDEPENDENT ACCOUNTANTS

General

We are not submitting the selection of auditors to a vote of our shareholders' as shareholder approval is not required under Delaware law. In connection with the termination of the alternative practice structure between Mazars LLP and Weiser LLP (now known as WeiserMazars LLP), the following has occurred effective September 21, 2010:

Audit Committee Pre Approval Policies and Procedures

The Audit Committee has the sole authority for the appointment, compensation and oversight of the work of our independent accountants, who prepare or issue an audit report for us.

During the first quarter of 2010 the audit committee authorized the following non-audit services to be performed by Mazars LLP, the predecessor independent accountants.

- We authorized the engagement of Mazars LLP if deemed necessary to provide tax consultation in the ordinary course of business for fiscal year ended December 31, 2009.
- We authorized the engagement of Mazars LLP if deemed necessary to provide tax consultation as may be required on a project by project basis that would not be considered in the ordinary course of business, of up to a \$5,000 fee limit per project, subject to an aggregate fee limit of \$25,000 for fiscal year ending December 31, 2009. If we require further tax services from Mazars LLP, then the approval of the audit committee must be obtained.
- If we require other services by Mazars LLP on an expedited basis such that obtaining pre-approval of the audit committee is not practicable, then the Chairman of the Committee has authority to grant the required pre-approvals for all such services.
- We imposed a cap of \$100,000 on the fees that Mazars can charge for services on an expedited basis that are approved by the Chairman without obtaining full audit committee approval.
- None of the non-audit services of either of the Company's auditors had the pre-approval requirement waived in accordance with Rule 2-01(c)(7)(i)(C) of Regulation S-X.

On September 21, 2010, the audit committee authorized the same non-audit services to be performed by WeiserMazars LLP as disclosed above.

PROPOSAL NO. 2:

ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance to the proxy rules under the Securities Exchange Act of 1934 (“Exchange Act”) and as required by the recently enacted Dodd-Frank Act, we are required to provide our shareholders with an advisory vote to approve the compensation of our named executive officers as disclosed in the Compensation Discussion and Analysis and the accompanying compensation tables and narrative disclosure. This proposal, commonly known as a “say-on-pay” proposal, gives shareholders the opportunity to endorse or not endorse our executive compensation as described in this proxy statement. The Compensation Committee has developed an executive compensation program designed to pay for performance and to align the long-term interests of our named executive officers with the long-term interests of our shareholders. We are asking our shareholders to indicate their support for the compensation paid to our named executive officers by voting “FOR” the following resolution:

“RESOLVED, that the compensation paid to Inter Parfums, Inc.’s named executive officers, as disclosed in accordance with the compensation disclosure rules of the Securities and Exchange Commission, including the compensation discussion and analysis, the compensation tables and related narrative disclosure included in this proxy statement, is hereby APPROVED.”

As provided by the Dodd-Frank Act, this vote will not be binding on the Board of Directors or the Compensation Committee and may not be construed as overruling a decision by the Board of Directors or the Compensation Committee nor imply any additional fiduciary duty on the Board of Directors. Further, it will not affect any compensation paid or awarded to any executive officer. Our Board of Directors and Compensation Committee will, however, take into account the outcome of the vote when considering future executive compensation arrangements. The purpose of our compensation policies and procedures is to attract and retain experienced, highly qualified executives crucial to our long-term success and enhancement of shareholder value.

Our Board of Directors recommends that shareholders vote “FOR” the approval of Inter Parfums, Inc.’s executive compensation as described in the compensation discussion and analysis and the accompanying compensation tables and narrative disclosure in this proxy statement.

PROPOSAL NO. 3:

ADVISORY VOTE ON THE FREQUENCY OF THE
ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with the proxy rules under the Exchange Act and as required by the Dodd-Frank Act, Inter Parfums, Inc. is required, no less frequently than once every six years, to put to shareholders an advisory shareholder vote concerning the frequency of future advisory votes concerning executive compensation. Our shareholders may indicate whether they would prefer an advisory vote concerning executive compensation every one, two or three years. Accordingly, our shareholders are being asked to approve the following resolution:

“RESOLVED, that the shareholders’ advisory vote concerning executive compensation shall occur every one, two, or three years, as approved by the shareholders at the annual meeting of shareholders.”

As provided by the Dodd-Frank Act, this vote will not be binding on the Board of Directors or the Compensation Committee and may not be construed as overruling a decision by the Board of Directors or the Compensation Committee nor imply any additional fiduciary duty on the Board of Directors. However, the Compensation Committee and the Board of Directors recognize the importance of receiving input from our shareholders on important issues and expect to take into account the outcome of the vote when considering the frequency with which future say-on-pay votes will be held. So long as a quorum representing a majority of our outstanding voting stock is present, either in person or by proxy, the affirmative vote of a plurality of the votes cast by all the shareholders entitled to vote for the proposal will determine our shareholders preference for the frequency of advisory votes on executive compensation in the future.

Our Board of Directors is recommending an advisory vote concerning executive compensation every year, because the Compensation Committee reviews and considers executive compensation and Inter Parfums, Inc.’s compensation policies and procedures on an annual basis. As a result, the Board believes that input from shareholders concerning executive compensation annually, although not binding, would be beneficial to the Compensation Committee as it considers these matters. The accompanying form of proxy provides four choices (every one, two or three years, or abstain). Shareholders are voting on one of these frequencies and are not voting to approve or disapprove Inter Parfums, Inc.’s recommendation.

Our Board of Directors recommends that shareholders vote “for” an advisory vote concerning executive compensation each year.

PROPOSAL NO. 4:

TO VOTE ON A RESOLUTION TO AMEND OUR CERTIFICATE OF INCORPORATION TO REMOVE THE REQUIREMENT OF UNANIMOUS APPROVAL OF OUR BOARD OF DIRECTORS TO DECLARE OR PAY DIVIDENDS WHEN THE AGGREGATE AMOUNT OF DIVIDENDS TO BE PAID BY US AND OUR SUBSIDIARIES IN ANY FISCAL YEAR IS MORE THAN THIRTY PERCENT (30%) OF OUR ANNUAL NET INCOME FOR THE LAST COMPLETED FISCAL YEAR.

Our Certificate of Incorporation provides for the requirement of unanimous approval of the members of our board of directors for the declaration or payment of dividends, if the aggregate amount of dividends to be paid by us and our subsidiaries in any fiscal year is more than thirty percent (30%) of our annual net income for the last completed fiscal year, as indicated by our consolidated financial statements. This provision in our Certificate of Incorporation was added in July 2000 as part of the purchase of an equity investment in our Company by a third party, which sold its entire equity stake in the Company more than five years ago. The Board of Directors reviews its dividend policy each year, and believes that the requirement for unanimous approval on this matter is unnecessary. If this resolution is passed, then under Delaware law a majority vote of our Board of Directors would be necessary to declare or pay dividends.

Accordingly, our shareholders are being asked to approve the following resolution:

“RESOLVED, that our Certificate of Incorporation be amended to remove the requirement for a unanimous affirmative vote of the board of directors to declare or pay dividends if the aggregate amount of dividends to be paid by Inter Parfums, Inc. and its subsidiaries in any fiscal year is more than thirty percent (30%) of its annual net income for the last completed fiscal year, as indicated by the consolidated financial statements of Inter Parfums, Inc.”

Accordingly, our Board of Directors recommends that the shareholders vote “for” the proposal to amend our Certificate of Incorporation to remove the requirement for unanimous board approval to declare or pay dividends as described above.

SHAREHOLDERS’ PROPOSALS

Proposals of shareholders intended to be presented at the 2012 annual meeting of shareholders must be received in writing by the Secretary of our company at our principal offices in New York City, by February 18, 2012, in order to be considered for inclusion in our proxy statement relating to that meeting.

If a shareholder intends to make a proposal at the 2011 Annual Meeting, such shareholder must have given timely notice thereof in proper written form to the Secretary of our company, in compliance with Section 8 of Article II of our By-Laws. To be timely, a shareholder’s notice to the Secretary must be delivered to or mailed and received at our principal executive office in New York, not less than sixty (60) days nor more than ninety (90) days prior to the anniversary date of the immediately preceding annual meeting of shareholders i.e., between April 21, 2012, and May 21 2012; however, that in the event that the annual meeting is called for a date that is not within thirty (30) days before or after such anniversary date, notice by the shareholder in order to be timely must be so received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure of the date of the annual meeting was made, whichever first occurs.

To be in proper written form, a shareholder's notice to the Secretary must set forth as to each matter such shareholder proposes to bring before the annual meeting (a) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (b) the name and record address of such shareholder, (c) the class or series and number of shares of our capital stock which are owned-beneficially or of record by such shareholder, (d) a description of all arrangements or understandings between such shareholder and any other person or persons (including their names) in connection with the proposal of such business by such shareholder and any material interest of such shareholder in such business and (e) a representation that such shareholder intends to appear in person or by proxy at the annual meeting to bring such business before the meeting.
