**Announcement About the Transfer of Real Estate Assets**

## 1. Reason for Transfer

Makita's head office is in Anjo City, Aichi Prefecture. The central medical care facility in the northern portion of Anjo City, Yachiyo Hospital, has found it necessary to relocate its operations due to the aging of its current facility and the revision of Japan's Medical Treatment Law. In view of this, aiming to contribute to the society of its home region, Makita decided to transfer a portion of the land and buildings of its No. 3 Plant to Yachiyo Hospital. In connection with this, it was also decided to transfer land to the government of Anjo City for use as a public parking lot.

## 2. Assets to Be Transferred

Description of asset	Book value	Transfer price	Current status

## FORWARD-LOOKING STATEMENTS

This document contains forward-looking statements based on Makita's own projections and estimates. The power tools market, where Makita is mainly active, is subject to the effects of rapid shifts in economic conditions, demand for housing, currency exchange rates, changes in competitiveness, and other factors. Due to the risks and uncertainties involved, actual results could differ substantially from the content of these statements. Therefore, these statements should not be interpreted as representation that such objectives will be achieved.
