## Edgar Filing: ROYAL BANK OF SCOTLAND GROUP PLC - Form 6-K

The Regular Record Dates for the Capital Securities will be the fifteenth day, whether or not a Business Day, preceding the relevant Payment Date.

The Company may elect not to make any Payment and any such failure to pay will not constitute a default by the Company for any purpose.

Missed Payments may, at the option of the Company, be paid in whole or in part at any time on not less than 14 days' notice to the Trustee, but all Missed Payments on all of the outstanding Capital Securities shall become due and payable in full upon the occurrence of an Event of Default or (subject to satisfaction of the Solvency Condition) a Default (in each case as defined in the Indenture).

In the event of an exchange pursuant to Article 13 of the Indenture, the Company will make all reasonable efforts to obtain a listing of the Dollar Preference Shares (in the form of American Depositary Shares evidenced by American Depositary Receipts) on the New York Stock Exchange or a similar recognized exchange.

All terms used in this resolution and defined in the Indenture shall have the meanings assigned to them in the Indenture unless otherwise defined herein.

I, Hew Campbell, in my capacity as Deputy Secretary of The Royal Bank of Scotland Group plc, hereby certify that the resolutions set forth above (i) have been duly adopted by the Board of Directors or an authorized committee thereof of The Royal Bank of Scotland Group plc and (ii) are in full force and effect as of the date hereof.

[Form of Reverse of Security]

This Exchangeable Capital Security is one of a duly authorized issue of securities of the Company (the **Securities** ) issued and to be issued in one or more series under an Indenture, dated as of August 20, 2001 (the **Indenture** ), between the Company, as issuer, and The Bank of New York, as Trustee (the **Trustee** , which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. The Securities are subject to all such terms. This Security is one of the series designated on the face hereof, limited in aggregate principal amount to \$[     ].

Except in a winding up, all payments on or with respect to this Security will be subject to satisfaction of the Solvency Condition. In a winding up, the amount payable in respect of this Security is determined in accordance with the provisions of Section 12.01 of the Indenture.

The Securities of this series will constitute unsecured obligations of the Company, subject to the Solvency Condition and the subordination provisions described herein and in the Indenture, and will rank *pari passu* without any preference among themselves.

By acceptance of the Securities of this series, the Holder and the Trustee will be deemed to have waived any right of set-off, counterclaim or combination of accounts that they might otherwise have against the Company, whether before or during the winding up of the Company.

The Securities of this series are convertible (conversion being referred to herein as **exchange** ) at the option of the Company in accordance with the terms of Article 13 of the Indenture and the terms of this Security. On any Payment Date, the Securities of this series may be exchanged, in whole or in part (provided that any partial exchange shall be for an aggregate principal amount of at least \$100 million or integral multiples of \$50 million in excess thereof and that the aggregate principal amount of Securities of this series remaining outstanding after any partial exchange shall not be less than \$100 million) into dollar preference shares of a series to be designated by the Board of Directors of the Company and having the rights, including dividend rights, voting rights, redemption provisions and other rights, preferences, privileges, limitations and restrictions, set out in the resolutions adopted by the Board of Directors or a committee thereof of the Company relating to this series of Securities (the **Dollar Preference Shares** ).

Upon an exchange, each exchangeable capital security of \$25 principal amount will be exchanged for one Dollar Preference Share issued by the Company with a liquidation preference of \$25. Subject to the conditions described in the following

paragraph, each exchange will be effected through a redemption of the Securities being exchanged for their principal amount and the immediate application of such amounts in satisfaction of the subscription amount of the applicable number of Dollar Preference Shares. Holders of the Securities will be deemed to have irrevocably authorized and instructed the Company immediately to apply the redemption amounts payable in connection with an exchange in satisfaction in cash of the applicable subscription amount of the Dollar Preference Shares being issued upon such exchange.

The Securities cannot be exchanged at the option of the Holder at any time. As a consequence of the exchange provisions described above, Holders of Securities being exchanged will not be entitled under any circumstances to the redemption amounts payable in connection with the exchange as described above. Such Holders will receive only the Dollar Preference Shares that the Company issues on the applicable Exchange Date in respect of which the redemption amounts will have been applied.

In the event of an exchange pursuant to Article 13 of the Indenture, the Company will make all reasonable efforts to obtain a listing of the Dollar Preference Shares (in the form of American Depositary Shares evidenced by American Depositary Receipts) on the New York Stock Exchange or a similar recognized exchange.

Subject to satisfaction of the Solvency Condition and compliance with Applicable Banking Regulations, the Securities of this series are redeemable at the option of the Company in whole or in part (provided that any partial redemption shall be in an aggregate principal amount of at least \$100 million or integral multiples of \$50 million in excess thereof and that the aggregate principal amount of Securities remaining outstanding after any partial redemption is not less than \$100 million), on June 23, 2008 and on any Payment Date thereafter at a redemption price equal to 100% of the principal amount, together with accrued but unpaid Payments and all Missed Payments, if any, to the Redemption Date. **Applicable Banking Regulations** means, at any time, the capital adequacy regulations then in effect of the U.K. Financial Services Authority ( **FSA** ) or other regulatory authority of the United Kingdom having primary bank supervisory authority with respect to the activities of the Company.

In addition, subject to satisfaction of the Solvency Condition and compliance with Applicable Banking Regulations, the Securities of this series are redeemable, as a whole but not in part, at the option of the Company, on any Payment Date, at a redemption price equal to 100% of the principal amount, together with accrued but unpaid Payments and all Missed Payments, if any, in respect of the Securities of this series to the date fixed for redemption, if, at any time, the Company shall determine that, as a result of a change in or amendment to the laws or regulations of the Taxing Jurisdiction (including any treaty to which such Taxing Jurisdiction is a party), or any change in the official application or interpretation of such laws or regulations (including a decision of any court or tribunal), which change or amendment becomes effective on or after June 16, 2003, (a) in making payment under the Securities in respect of principal or Payments (including Missed Payments) it has or will or would on the next Payment Date become obligated to pay Additional Amounts as provided for under Section 10.04 of the Indenture provided that such obligation to pay Additional Amounts, (b) Payments (including Missed Payments)

on the next Payment Date in respect of any of the Securities would be treated as distributions within the meaning of Section 209 of the Income and Corporation Taxes Act 1988 of the United Kingdom (or any statutory modification or re-enactment thereof for the time being), or (c) on the next Payment Date the Company would not be entitled to claim a deduction for such Payments in computing its United Kingdom taxation liabilities (or the amount which it could so claim would be materially reduced).

Upon payment of (i) the amount of principal so declared due and payable and (ii) accrued Payments and Missed Payments, if any, all of the Company's obligations in respect of the payment of the principal of, and Payments and Missed Payments, if any, on this Security shall terminate.

Under existing FSA requirements, the Company may not redeem or purchase any Securities unless the FSA consents in advance. The FSA may impose conditions on any redemption or purchase at the time it gives its consent.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of Securities of each series to be affected thereby by the Company and the Trustee with the consent of the Holders of not less than 66 2/3% in aggregate principal amount of the Securities at the time Outstanding of each such series. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Outstanding Securities of each series, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration or transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay, if and when due and payable, the principal of, and Payments and Missed Payments, if any, on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As set forth in, and subject to, the provisions of the Indenture, no Holder of this Security will have any right to institute any proceeding with respect to the Indenture, this Security or for any remedy thereunder, unless such Holder shall have previously given to the Trustee written notice of a continuing Event of Default with respect to this Security, the Holders of not less than 25% in aggregate principal amount of the Outstanding

Securities shall have made written request, and offered reasonable indemnity, to the Trustee to institute such proceeding as trustee, and the Trustee shall not have received from the Holders of a majority in principal amount of the Outstanding Securities a direction inconsistent with such request and shall have failed to institute such proceeding within 60 days; *provided, however*, that such limitations do not apply to a suit instituted by the Holder hereof for the enforcement of payment of the principal or Payments or Missed Payments, if any, on this Security when due and payable in accordance with the terms hereof and of the Indenture.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the right of the Holder of this Security, which is absolute and unconditional, to receive payment of the principal of, and any Payment or Missed Payments, if any, on this Security when due and payable in accordance with the provisions of this Security and the Indenture.

The Securities are issuable only in registered global form without Coupons in denominations of \$25 and any integral multiple thereof. Except as provided in the Indenture and subject to certain limitations therein set forth, this Security will not be exchangeable for definitive registered Securities of this series. As provided in the Indenture and subject to certain limitations therein set forth, if definitive Securities are issued in accordance with the terms of the Indenture, the transfer of such Securities will be registrable in the Capital Security Register, upon surrender of the Securities for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on the Securities are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Capital Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require from the Holder hereof payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of a Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the sole owner hereof for all purposes, whether or not the Securities be overdue, and none of the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

In the event of a winding up of the Company, the principal amount of this Security, Payments, any Missed Payments and any other payments with respect to this Security will be subordinate to, and subject in right of payment to the prior payment in full of Senior Claims. **Senior Claims** means (i) all claims of unsubordinated creditors of the Company admitted in the winding up, (ii) all claims of creditors

of the Company in respect of liabilities that are, or are expressed to be, subordinated (whether only in the event of the winding up of the Company or otherwise) to the claims of unsubordinated creditors of the Company but not further or otherwise and (iii) all other claims except those which rank, or are expressed to rank, equally with or junior to the claims of the Holder of this Security.

If at any time an order is made or a shareholders' resolution is passed for the winding up of the Company, there shall be payable with respect to this Security, such amounts, if any, as would have been payable in respect thereof as if, on the day immediately prior to the commencement of the winding up and thereafter, the Holder of this Security had been the holder of preference shares in the capital of the Company having a preferential right to a return of assets in the winding up over the holders of all other issued shares (including all classes of preference shares of the Company) for the time being in the share capital of the Company, on the assumption that such preference shares were entitled (to the exclusion of other rights or privileges) to receive as a return of capital in such winding up an amount equal to the principal amount of this Security then Outstanding together with all Payments accrued to the date of repayment at the rate provided for herein and any Missed Payments, and subject in right of payment to the prior payment in full of all Senior Claims of the Company.

Nothing contained in this Security or the Indenture shall in any way restrict the right of the Company to issue or guarantee obligations ranking in priority to or *pari passu* with or junior to the obligations of the Company in respect of the Securities; *provided*, that if the Company issues any preference shares or any other Tier 1-qualifying instruments ranking senior to the obligations of the Company under the terms of this Security or gives any guarantee or any support undertaking in respect of any Tier 1-qualifying instruments, the terms of the Securities shall be amended such that the Securities rank equally with any such preference shares, other Tier 1-qualifying instruments, guarantee or support undertaking and if, in the opinion of the Company, any modification to the provisions of this paragraph or Article 12 of the Indenture to permit such ranking is necessary or expedient, the Trustee is hereby authorized to enter into a supplemental indenture effecting such modification in accordance with the provisions of Article 9 of the Indenture.

The Company has initially appointed The Bank of New York, 101 Barclay Street, New York, New York 10286, as Paying Agent.

**This Security and the Indenture will be governed by and construed in accordance with the laws of the State of New York, except for the subordination provisions contained herein and in the Indenture, which shall be governed by and construed in accordance with the laws of England.**

All terms used in this Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

### (c) Capital

The right on a winding-up or liquidation, voluntary or otherwise, other than a redemption or purchase by the Company of any shares of any class, to receive in U.S. dollars out of the surplus assets of the Company available for distribution amongst the members:

- (i) after payment of the arrears (if any) of the fixed cumulative preferential dividends stated to be payable on the Cumulative Preference Shares to the holders thereof in accordance with the Articles, *pari passu* with the holders of the Series D Preference Shares, the Series E Preference Shares, the Series F Preference Shares, the Series G Preference Shares, the Series H Preference Shares, the Series I Preference Shares, the Series J Preference Shares, the Series K Preference Shares, the Exchange Preference Shares of any series and any other New Preference Shares expressed to rank *pari passu* therewith as regards participation in profits and in priority to the holders of the Ordinary Shares of the Company, a sum equal to:

- (B) any further amount of dividend payable in respect of the period from the preceding dividend payment date to the date of payment in accordance with this sub-paragraph (i);

but only to the extent that any such amount or further amount was, or would have been, payable as a dividend in accordance with or pursuant to the Terms of Issue (other than pursuant to this provision); and

- (ii) subject thereto, *pari passu* with the holders of the Cumulative Preference Shares, the Series D Preference Shares, the Series E Preference Shares, the Series F Preference Shares, the Series G Preference Shares, the Series H Preference Shares, the Series I Preference Shares, the Series J Preference Shares, the Series K Preference Shares, the Exchange Preference Shares of any series and any other New Preference Shares expressed to rank *pari passu* therewith as regards participation in surplus assets in priority to the holders of the Ordinary Shares of the Company, a sum equal to the amount paid up or credited as paid up on the Series Preference Shares (including any premium paid to the Company in respect thereof on issue).

If upon any such winding-up or liquidation, the amounts available for payment are insufficient to cover the amounts payable in full on the Cumulative Preference Shares, the Series D Preference Shares, the Series E Preference Shares, the Series F Preference Shares, the Series G Preference Shares, the Series H Preference Shares, the Series I Preference Shares, the Series J Preference Shares, the Series K Preference Shares, the Series Preference Shares, the Exchange Preference Shares of any series and any other New Preference Shares expressed to rank *pari passu* therewith as regards participation in surplus assets, then the holders of the Cumulative Preference Shares, the Series D Preference Shares, the Series E Preference Shares, the Series F Preference Shares, the Series G Preference Shares, the Series H Preference Shares, the Series I Preference Shares, the Series J Preference Shares, the Series K Preference Shares, the Series Preference Shares, the Exchange Preference Shares of any series and such other New Preference Shares will share rateably in the distribution of surplus assets (if any) in proportion to the full respective preferential amounts to which they are entitled. No Series Preference Share shall confer any right to participate in the surplus assets of the Company other than that set out above. To the extent that the holders of Series Preference Shares are entitled to any recovery with respect to the Series Preference Shares in any winding-up or liquidation of the Company, such holders might not be entitled in such proceedings to a recovery in U.S. dollars and might be entitled only to a recovery in pounds sterling.

### (d) Receipt of Notices

The right to have sent to the holder of each Series Preference Share (at the same time as the same are sent to the holders of Ordinary Shares) a copy of the Company's Annual Report and Accounts and Interim Financial Statement together with notice of any General Meeting of the Company at which such holder is entitled to attend and vote.

(e) Attendance and Voting at Meetings

The right to attend at a General Meeting of the Company and to speak to or vote upon any resolution proposed thereat:

- (i) in respect of a resolution which is to be proposed at the General Meeting either varying or abrogating any of the rights attached to the Series Preference Shares or proposing the winding-up of the Company (and then in each such case only to speak to and vote upon any such resolution); and
- (ii) in the case of a General Meeting held at any time when the dividend stated to be payable on the Series Preference Shares in respect of the three most recent dividend periods has not been declared and paid in full, and such right shall continue until dividends have thereafter been declared and paid in full in respect of three successive dividend periods,

but not otherwise, together with the right in accordance with the Statutes to seek to requisition a General Meeting of the Company in the circumstances and for the period specified in sub-paragraph (ii) above. Whenever holders of Series Preference Shares are so entitled to vote on a resolution, on a show of hands, every such holder who is present in person shall have one vote and, on a poll, every such holder who is present in person or by proxy shall have one (1) vote for each Series Preference Share held by such holder, subject to adjustment as hereinafter stated. Such adjustments as the Directors consider necessary to the number of votes to which each Series Preference Share is entitled shall be made by the Directors at the time of the occurrence of the event requiring such adjustment to reflect (i) any capitalisation issue, consolidation, sub-division or reclassification of Ordinary Shares as a result of any distribution to the holders of Ordinary Shares of assets of the Company; and (ii) issues of Ordinary Shares or grants of rights or options to subscribe for Ordinary Shares at a discount to the market value of the Ordinary Shares on the business day preceding the date of issue or grant as the case may be, ascertained by reference to the middle market quotation derived from the London Stock Exchange Daily Official List for such preceding business day (subject to the exceptions listed below), in order to ensure as nearly as may be that the ratio which the number of vote(s) in a General Meeting to which the holder of a Series Preference Share would be entitled on a poll bears to the number of vote(s) to which the holder of an Ordinary Share is entitled in such circumstances will be the same but no higher after than it was before any such event. The exceptions referred to above are (a) rights issues at a discount of no more than 10 per cent. of such market value of the Ordinary Shares, (b) any issue or grant of such number of Ordinary Shares as represents no more than 1 per cent. of the number of Ordinary Shares in issue from time to time for a consideration other than cash (in whole or in part), including, without limitation, for any purchase or acquisition of any shares or any other investments of any kind, or any business, undertaking or assets of any description, by the Company or any subsidiary, (c) issues or grants under the Company's Profit Sharing (Share Ownership) Scheme, Executive Share Option Scheme or Savings-related Share Option Scheme or any additional or successive or substitute schemes and (d) issues pursuant to the provisions of Article 143 of the Articles.

(f) Redemption

The Series Preference Shares shall, subject to the provisions of the Statutes, be redeemable at the option of the Company in accordance with the following provisions:

- (A) the Company may redeem on any Redemption Date (as hereinafter defined) all or some only of the Series Preference Shares by giving to the holders of the Series Preference Shares to be redeemed not less than 30 days, nor more than 60 days, prior notice in writing (a Notice of Redemption) of the relevant Redemption Date. Redemption Date means, in relation to any Series Preference Share, any date which falls no earlier than five years and one day after the date of allotment of the Series Preference Share to be redeemed.
- (B) there shall be paid on each Series Preference Share so redeemed, in U.S. dollars, the aggregate of the nominal amount thereof together with any premium paid on issue and together with arrears (if any) of dividends thereon (whether earned or declared or not) in respect of the period from the dividend payment date last preceding the Redemption Date to the Redemption Date. No Relevant Redemption Premium (as set out in the Articles) shall be payable on redemption of the Series Preference Shares;
- (C) in the case of a redemption of some only of the Series Preference Shares, the Company shall for the purpose of determining the particular Series Preference Shares to be redeemed cause a drawing to be made at the registered office of the Company for the time being or such other place as the Directors may approve in the presence of the Auditors for the time being of the Company;
- (D) any Notice of Redemption given under sub-paragraph (A) above shall specify the applicable Redemption Date, the particular Series Preference Shares to be redeemed and the redemption price (specifying the amount of the accrued and unpaid dividend per share to be included therein and stating that the dividends on the Series Preference Shares to be redeemed will cease to accrue on redemption), and shall state the place or places at which documents of title in respect of such Series Preference Shares are to be presented and surrendered for redemption and payment of the redemption monies is to be effected. Upon such Redemption Date, the Company shall redeem the particular Series Preference Shares to be redeemed on that date subject to the provisions of this paragraph and of the Statutes. No defect in the Notice of Redemption or in the giving thereof shall affect the validity of the redemption proceedings;
- (E)

the provisions described in this and the following sub-paragraphs shall have effect in relation to Series Preference Shares for the time being issued and registered in the Register of Members ( Registered Shares ) and represented by certificates ( Certificates ) and in relation to Series Preference Shares which, in accordance with the Articles, are for the time being issued and represented by a Warrant ( Bearer Shares ). Payments in respect of the amount due on redemption of a Registered Share shall be made by U.S. dollar cheque drawn on a bank in London or in the City of New York or upon the request of the holder or joint holders not later than the date specified for the purpose in the Notice of Redemption by transfer to a U.S. dollar account maintained by the payee with a bank in London or in the City of New York. Such payment will be against presentation and surrender of the relative Certificate at the place or one of the places specified in the Notice of Redemption and if any Certificate so surrendered includes any Series Preference Shares not to be redeemed on the relevant Redemption Date the Company shall within 14 days thereafter issue to the holder, free of charge, a fresh Certificate in respect of such Series Preference Shares. Payment in respect of the amount due on redemption of a Bearer Share shall be made by dollar cheque drawn on a bank in London or in the City of New York upon the request of the holder not later than the date specified for the purpose in the Notice of Redemption by transfer to a U.S. dollar account maintained by the payee with a bank in London or in the City of New York. Upon the relevant Redemption Date all unmatured dividend coupons and any talon for additional dividend coupons appertaining thereto (whether or not returned) shall become void and no payment will be made in respect thereof. If the Warrant so surrendered represents any Series Preference Shares not to be redeemed on the relevant Redemption Date the Company shall issue, free of charge, a fresh Warrant representing such Bearer Shares which are not to be redeemed on such Redemption Date. All payments in respect of redemption monies will in all respects be subject to any applicable fiscal or other laws;

- (F) as from the relevant Redemption Date the dividend on any Series Preference Share due for redemption shall cease to accrue except on any such Series Preference Share in respect of which, upon the due surrender of the Certificate or, as the case may be, the Warrant and all unmatured dividend coupons and talons (if any) in respect thereof, as described in sub-paragraph (E) above, payment of the redemption monies due on such Redemption Date shall be improperly withheld or refused, in which case such dividend, at the rate then applicable, shall be deemed to have continued and shall accordingly continue to accrue from the relevant Redemption Date to the date of payment of such redemption monies. Such Series Preference Share shall not be treated as having been redeemed until the redemption monies in question together with the accrued dividend thereon shall have been paid;
- (G) if the due date for the payment of the redemption monies on any Series Preference Share is not a Dollar Business Day then payment of such monies will be made on the next succeeding day which is a Dollar Business Day and without any interest or other payment in respect of such delay unless such day shall fall within the next calendar month whereupon such payment will be made on the preceding Dollar Business Day; and
- (H) the receipt of the holder for the time being of any Registered Share (or in the case of joint holders the receipt of any one of them) and the receipt of the person delivering any Warrant to the place or one of the places specified as described in subparagraph (D) above in respect of the monies payable on redemption on such Registered Share or, as the case may be, such Bearer Share, shall constitute an absolute discharge to the Company.
