ITEM 3. Source and Amount of Funds or Other Consideration

Item 3 is hereby amended and restated to read as follows:

Personal funds in the aggregate amount of \$386,060.45 have been used to effect the purchases. No part of the purchase price represents borrowed funds.

ITEM 4. Purpose of Transaction

Item 4 is hereby amended to add the following:

With the filing of this Amendment #10, respondent reports a decrease in his ownership position in the Company's common stock to 4.8%, from the 5.4% previously reported in Amendment #9, filed on July 24, 2012. Noting recent increases in P&F's trading price, the respondent's sales primarily reflect his current view of the opportunity cost of owning P&F, relative to a number of alternative investments he deems as more deeply undervalued.

As a result of his ownership interest dropping below 5%, the respondent's reporting obligations under Section 13D of the Act are terminated. However, as long as he maintains a material position in P&F stock, the respondent intends to continue to file Form 13Ds, as is appropriate, in order to draw attention to the compelling evidence that a primarily "crony" and "socialite" P&F board continues to be woefully lacking in self-respect, independence, transparency, and moral accountability...and that that board, collectively, continues to evidence an unconscionable primary loyalty to the personal, pecuniary, and power needs of the company's long-time entrenched, over-compensated, and underperforming CEO.

Respondent may increase or decrease his ownership position in P&F's common stock in the future (including the possibility of again increasing his position above 5%), based upon respondent's trading, investing, diversification, margin, arbitrage, or other needs and purposes.

ITEM 5. Interest in Securities of the Issuer

Edgar Filing: STABOSZ TIMOTHY J - Form SC 13D/A

Item 5 is hereby amended and restated to read as follows:

At the close of business on August 16, 2012, respondent has sole voting and dispositive power over 177,334 shares of P&F Industries, Inc.'s common stock. According to the Company's latest Form 10-Q filing, as of August 11, 2012, there were 3,666,562 common shares outstanding. Respondent is therefore deemed to own 4.8% of the Company's common stock. Transactions effected by the respondent since July 20, 2012 were performed in ordinary brokerage transactions, and are indicated as follows:

07/25/12 sold 5000 shares at \$5.33  
07/30/12 sold 10,000 shares at \$5.108  
08/01/12 sold 2456 shares at \$5.344  
08/01/12 bought 107 shares at \$5.46  
08/09/12 sold 1686 shares at \$6.24

ITEM 7. Material to be Filed as Exhibits

NONE

SIGNATURES

After reasonable inquiry and to the best of my knowledge and belief, I certify that the information set forth in this statement is true, complete and correct.
