### BUSINESS AND PLAN OF OPERATION

Camelot Corporation ("Registrant" or "the Company") is inactive, and is now a blind pool company seeking merger opportunities. It was previously a holding company but since the fiscal year ended April 30, 1999 the Company has no operations, and all previous business activities have been discontinued.

The Company was incorporated in Colorado on September 5, 1975, and completed a \$500,000 public offering of its common stock in March 1976. The Company made several acquisitions and divestments of businesses. The Company was delisted from NASDAQ's Small Cap Market on February 26, 1998. In July, 1998 all employees of Camelot were terminated. Its directors and officers have since provided unpaid services on a part-time basis to the Company.

On November 6, 2009, the Company's common stock was accepted for quotation, effective November 9, 2009, on the OTC Bulletin Board ("OTCBB").

On November 24, 2009, the Company filed with the SEC a current report on Form 8-K reporting a sale of a majority of the Company's common stock from Danny Wettreich to Jeffrey Rochlin, the resignation of Danny Wettreich as officer of the Company and the election of Jeffrey Rochlin as President, Chief Executive Officer, Secretary and Treasurer of the Company effective November 20, 2009.

On November 20, 2009 Danny Wettreich sold his accounts payable of \$116,511 to Machaby Partners for \$117,000.

The Registrant has had no success in finding companies with which to merge, during the past three years. The basis on which future decisions to merge with the Registrant will be the opinion of Mr. Jeffrey Rochlin, President of the Registrant, regarding primarily the quality of the businesses that are to be merged and their potential for future growth, the quality of the management of the to be merged entities, and the benefits that could accrue to the shareholders of the Registrant if the merger occurred. The Registrant has no particular advantage as a blind pool company over any other blind pool company, and there can be no guarantee that a merger will take place, or if a merger does take place that such merger will be successful or be beneficial to the stockholders of the Registrant.
