ITEM 9.01 Financial Statements and Exhibits

(b) Pro Forma financial information

PRO FORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

The unaudited pro forma condensed consolidated financial information of the Company is based on and should be read in conjunction with the historical consolidated financial statements and notes thereto appearing in the Company's Annual Report on Form 10-K for the fiscal year ended May 29, 2004 and the unaudited consolidated financial statements filed in the Company's Quarterly Report on Form 10-Q for the thirteen weeks ended August 28, 2004. The Pro Forma Condensed Consolidated Balance Sheet as of August 28, 2004 reflects the financial position of the Company after giving effect to the spin-off of AngioDynamics and assumes the spin-off took place on August 28, 2004. The Pro Forma Condensed Consolidated Statements of Earnings for the thirteen weeks ended August 28, 2004 and the fifty-two weeks ended May 29, 2004, May 31, 2003 and June 1, 2002 assume that the spin-off of AngioDynamics took place at the beginning of the fifty-two week period ended June 1, 2002.

In the opinion of management, the accompanying pro forma condensed consolidated financial information includes all material adjustments necessary to reflect, on a pro forma basis, the impact of the spin-off on the historical financial information of the Company. The adjustments are described in the notes to the unaudited pro forma condensed consolidated financial statements and are set forth in the "Pro Forma Adjustments" columns.

The unaudited pro forma condensed consolidated financial information has been presented for illustrative purposes only and is not necessarily indicative of the future financial position or future results of operations of the Company, or of the financial position or results of operations of the Company that would have actually occurred had the transaction been in effect as of the date or for the periods presented.
