September __, 2004

Dear Stockholders:

You are the holders of preferred stock in one or more of the following four real estate investment trusts: FSP Addison Circle Corp., FSP Collins Crossing Corp., FSP Montague Business Center Corp. and FSP Royal Ridge Corp., each of which is referred to as a target REIT. The board of directors of each target REIT has approved and adopted an agreement and plan of merger with Franklin Street Properties Corp., which we call FSP Corp., and four wholly-owned subsidiaries of FSP Corp., providing for the acquisition of the target REITs by

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

FSP Corp. by merging each target REIT with and into an acquisition subsidiary.

The adoption of the merger agreement and the approval of the mergers by the stockholders of the target REITs is necessary to effect the mergers. If the merger agreement is adopted and approved:

- o Each target REIT will merge with and into an acquisition subsidiary created for the sole purpose of effectuating the merger with that target REIT, and
- o FSP Corp. will issue an aggregate of approximately 10,894,994 shares of common stock, \$0.0001 par value per share, or the FSP common stock, to you, the holders of preferred stock, or target stock, of the target REITs.

After careful consideration, each target board unanimously approved and adopted the merger agreement and concluded that the merger agreement is in the best interests of its target REIT and its target REIT stockholders. Your board of directors unanimously recommends that you vote "FOR" adoption of the merger agreement and approval of the mergers contemplated thereby.

Please carefully consider all of the information in the accompanying Consent Solicitation/Prospectus for additional information regarding the target REITs, FSP Corp., the acquisition subsidiaries and the mergers, including in particular the discussion in the section called "Risk Factors" starting on page 25.

Very truly yours,

/s/ George J. Carter

Consent Solicitation

FRANKLIN STREET PROPERTIES CORP.

Prospectus

We are furnishing this Consent Solicitation/Prospectus to holders of preferred stock of the target REITs in connection with the solicitation of votes to adopt that certain Agreement and Plan of Merger, dated August 13, 2004, by and among FSP Corp., the acquisition subsidiaries and the target REITs and approve the mergers contemplated thereby.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

The merger agreement provides for the acquisition by merger of four real estate investment trusts, each referred to as a target REIT and, collectively, the target REITs, by individual wholly-owned acquisition subsidiaries of FSP Corp. The target REITs are FSP Addison Circle Corp., FSP Collins Crossing Corp., FSP Montague Business Center Corp. and FSP Royal Ridge Corp., each a Delaware corporation. The acquisition subsidiaries are Addison Circle Acquisition Corp., Collins Crossing Acquisition Corp., Montague Acquisition Corp. and Royal Ridge Acquisition Corp., each a Delaware corporation. The merger agreement also provides that upon consummation of the mergers, each share of target stock in the target REITs will be converted into that number of shares of FSP common stock set forth below opposite the applicable target REIT.

Target REIT	Total Number of Shares of Target Stock Outstanding	Shares of FSP Common Stock Issuable in Exchange for Each Share of Target Stock	Total Shares of FSP Common Stock Issuable to Target REIT Stockholders (1) (2)
Addison Circle	636	5,948.67	3,783,354
Collins Crossing	555	6,167.63	3,423,035
Montague	334	5,649.72	1,887,007
Royal Ridge	297.5	6,055.79	1,801,598
Total			10,894,994

(1) Rounded to the nearest whole share.

(2) This number of shares of FSP common stock is slightly higher than the actual number of shares of FSP common stock anticipated to be issued upon the consummation of the mergers due to the fact that FSP Corp. will pay cash in lieu of issuing fractional shares of FSP common stock.

FSP Corp. will not issue fractional shares of FSP common stock as merger consideration. Instead, each holder of target stock who would otherwise have been entitled to receive a fraction of a share of FSP common stock will be entitled to receive cash (without interest) in an amount, rounded up to the nearest whole cent, equal to the product of such fractional part of a share of FSP common stock multiplied by \$17.70, the fair market value of one share of FSP common stock on August 13, 2004, as determined through negotiations between the parties to the mergers. Moreover, FSP Corp. will not receive any consideration for the one share of common stock it holds in each target REIT.

We sometimes refer to you as target REIT stockholders and to your shares of preferred stock as target stock. We refer to the boards of directors of the target REITs collectively as the target boards, the board of directors of FSP Corp. as the FSP board and the holders of FSP common stock as the FSP stockholders. We sometimes refer to FSP Corp., its subsidiaries and the target REITs, after giving effect to the consummation of the mergers, as the combined company.

Consummation of the mergers is subject to a number of conditions and will not occur unless, among other things, holders of a majority of the shares of target stock of each target REIT vote to adopt the merger agreement and approve the mergers contemplated thereby.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

The stockholders of each target REIT are being asked to adopt the merger agreement and approve the mergers contemplated thereby, as described in this Consent Solicitation/Prospectus.

THE COMMON STOCK OFFERED HEREBY INVOLVES A HIGH DEGREE OF RISK. SEE "RISK FACTORS" BEGINNING ON PAGE 25 FOR CERTAIN FACTORS THAT SHOULD BE CONSIDERED BY TARGET REIT STOCKHOLDERS IN EVALUATING THE MATTERS DESCRIBED HEREIN, INCLUDING AMONG OTHERS:

- o As a result of the mergers, the nature of each target REIT stockholder's investment will change from an interest in a corporation owning a specified property for a finite period in which such target REIT stockholder will receive a distribution upon liquidation based upon the net proceeds from the sale of the entity's assets, to an investment in an ongoing fully-integrated real estate company, which has a portfolio of properties that may be changed from time to time and conducts real estate investment banking operations, in which the equity owners are expected to recover their investment from the sale of their FSP common stock, which is currently illiquid, and not from liquidating distributions.
- o As a result of the mergers, based on historical quarterly, non-special dividends received by stockholders of FSP Corp. and the target REIT stockholders, a majority of the target REIT stockholders could expect to receive a lower level of dividends from the combined company than such stockholders have historically received from their target REITs.
- o The properties of the target REITs may appreciate in value and might be able to be liquidated at a later date for a price which would yield target REIT stockholders more consideration than they would receive in the mergers.
- o The terms of the mergers, including the merger consideration, were determined by negotiations between the parties to the mergers. However, R. Scott MacPhee and William W. Gribbell, the two members of the special committees of each target board, also serve as executive vice presidents of FSP Corp. and own shares of FSP common stock. In addition, while the special committees considered independent appraisals of the target REIT properties, the target REITs did not seek acquisition bids from any unaffiliated parties.
- o FSP Corp. intends to file an application to list the FSP common stock on the American Stock Exchange, or AMEX. There can be no assurance that FSP Corp. will file such application or, in the event it does, that AMEX will accept the application, or that a meaningful trading market will develop even if AMEX approves the application.
- o Assuming the FSP common stock does become publicly traded, the future price per share of the FSP common stock may be lower than the price per share negotiated between the special committees of the target boards and FSP Corp. for the purpose of determining the merger consideration to be received by you.

NEITHER THE SECURITIES AND EXCHANGE COMMISSION NOR ANY STATE SECURITIES COMMISSION HAS APPROVED OR DISAPPROVED OF THESE SECURITIES OR DETERMINED IF THIS CONSENT SOLICITATION/PROSPECTUS IS TRUTHFUL OR COMPLETE. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

QUESTIONS AND ANSWERS ABOUT THE MERGERS

Q: What is FSP Corp.?

A: FSP Corp. is a real estate investment trust that has been a reporting company under the Securities Exchange Act of 1934 since 2001. As of December 31, 2003, FSP Corp. had approximately \$528.5 million in assets, approximately \$83.8 million in annual revenue and approximately \$516.9 million in stockholders' equity. As of August 20, 2004, FSP Corp. had 49,629,762 shares of common stock outstanding and approximately 1,420 stockholders of record.

Q: What is the proposed transaction?

A: FSP Corp. proposes acquiring the target REITs by merging each target REIT with and into an individual wholly-owned acquisition subsidiary of FSP Corp. Upon consummation of the mergers, each share of target stock in the target REITs

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

will be converted into a certain number of shares of FSP common stock as described elsewhere in this Consent Solicitation/Prospectus.

Q: Will the directors and officers of FSP Corp., the target REITs or their affiliates receive any fees, commissions or other compensation in connection with the merger agreement or the mergers?

A: No, unless they also own shares of target stock. For example, Barry Silverstein and Dennis J. McGillicuddy, each a director of FSP Corp., own an aggregate of 173 and 14 shares of target stock, respectively. Mr. Silverstein owns 102.5 shares in Addison Circle, 23.25 shares in Collins Crossing, 42 shares in Montague and 5.25 shares in Royal Ridge. Mr. McGillicuddy owns 1 share in each of Addison Circle and Royal Ridge, 2 shares in Collins Crossing and 10 shares in Montague. Messrs. Silverstein and McGillicuddy each purchased their shares in the original offerings of target stock and on the same terms as other stockholders of such target REITs. These shares of target stock held by Messrs. Silverstein and McGillicuddy will convert into approximately 1,022,217 and approximately 80,836 shares of FSP common stock, respectively, upon consummation of the mergers.

Q: What will I receive in the mergers?

A: Upon consummation of the mergers, each share of target stock in the target REITs will be converted into a certain number of shares of FSP common stock as described elsewhere in this Consent Solicitation/Prospectus.

Q: Are there any risks for me in this proposed transaction?

A: Yes, there is a high degree of risk. You should carefully read the section of this Consent Solicitation/Prospectus titled "Risk Factors" on page 25.

1

Q: How do I know if the price paid for the target stock is fair to me?

A: You should carefully read the information you have received in this Consent Solicitation/Prospectus and make your own determination. Your board of directors believes the mergers are fair to you and recommends you vote in favor of them. R. Scott MacPhee and William W. Gribbell, the two members of the special committees of each target board, also serve as executive vice presidents of FSP Corp. and own shares of FSP common stock. The special committees of the target boards engaged A.G. Edwards & Sons, Inc., on behalf of the target REITs, to advise them in evaluating and negotiating the terms of the mergers, including the merger consideration, and to deliver a fairness opinion to each target board.

Q: In addition to this consent solicitation/prospectus, I received a supplement. What is the difference between the consent solicitation and the supplement?

A: The purpose of this consent solicitation/prospectus is to describe the mergers generally and to provide you with a summary of the investment considerations generic to all of the target REITs. The purpose of the supplement is to describe the investment considerations particular to your target REIT. After you read this Consent Solicitation/Prospectus, we urge you to read the supplement. The supplement contains information unique to your target REIT. This information is material in your decision whether to vote "For" or "Against" the mergers.

Q: When do you expect to complete the mergers?

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

A: We expect to complete the mergers on or about December 31, 2004, or at an earlier date if the conditions to the merger agreement have been satisfied prior to December 31, 2004 or a later date if the conditions have not been satisfied by December 31, 2004.

Q: Who must adopt the merger agreement and approve the mergers contemplated thereby?

A: In addition to the approvals of the board of directors of FSP Corp. and the boards of directors of the target REITs, which have already been obtained, the target REIT stockholders must adopt the merger agreement and approve the mergers contemplated thereby. If one or more of the target REITs does not obtain the vote required for the consummation of the merger, FSP Corp. will not proceed with the mergers of any other target REIT.

Q: What rights do I have if I think the merger consideration is too low?

A: Under the Delaware general corporation law, which governs the merger, you have the right to seek a judicial determination of the value of your target stock. This is called an appraisal. For more information on what this means, you should read "Appraisal Rights of Dissenting Stockholders of Target REITs" on page 48.

Q: What do I need to do now?

A: We urge you to carefully read this Consent Solicitation/Prospectus, including its appendices, and to consider how the merger will affect you.

2

Q: Where may I find additional information relating to FSP Corp.?

A: You may find additional information relating to FSP Corp. in the section entitled "Where You Can Find More Information" on page 171 and "Incorporation of Certain Documents by Reference" on page 172.

Q: Whom may I contact with any additional questions?

A: You may call your investment executive at FSP Investments at (800) 950-6288.

SUMMARY

This Summary highlights selected information from this document and may not contain all of the information that is important to you. To understand the proposal presented in this Consent Solicitation/Prospectus with respect to the adoption of the merger agreement and the approval of the mergers, providing for the issuance of FSP common stock, you should read carefully the entire document, including the appendices, the accompanying supplement relating to your target REIT and the other documents to which we have referred you, including documents incorporated by reference under "Incorporation of Certain Documents By Reference" on page 172. For your convenience, a glossary of terms is included

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

in Appendix B to this Consent Solicitation/Prospectus. We have included page references parenthetically to direct you to a more complete description of the topics of the summary.

FSP Corp. (Pages 39 to 42)

FSP Corp. is a Maryland corporation that operates in a manner intended to qualify as a real estate investment trust for federal income tax purposes.

FSP Corp. operates in two business segments and has two principal sources of revenue:

- o Real estate operations, including real estate leasing, interim acquisition financing and asset/property management, which generate rental income, loan origination fees and management fees, respectively; and
- o Investment banking/investment services, which generate brokerage commissions and other fees related to the organization of single-purpose entities that own real estate and the private placement of equity in those entities.

On June 1, 2003, FSP Corp. acquired 13 real estate investment trusts by merger. In these mergers, FSP Corp. issued 25,000,091 shares of FSP common stock to holders of preferred stock in the acquired REITs. As a result of these mergers, FSP Corp. now holds all of the assets previously held by these acquired REITs. As part of its growth strategy, FSP Corp. may make similar acquisitions in the future. The proposed acquisition of the target REITs is part of that strategy.

FSP Corp.'s principal executive offices are located at 401 Edgewater Place, Suite 200, Wakefield, Massachusetts 01880. The telephone number of its principal executive office is (781) 557-1300. FSP Corp. does not maintain a website.

The Target REITs (Pages 133 to 138)

FSP Corp. sponsored the syndication of stock in the target REITs. Each target REIT is a privately-held real estate investment trust formed as a corporation under the laws of the State of Delaware for the purpose of acquiring and operating a single real property. Montague owns an office/research and development project in San Jose, California; Addison Circle owns an office building in Addison, Texas; Royal Ridge owns an office building in Alpharetta, Georgia; and Collins Crossing owns an office building in Richardson, Texas. Set forth below for the properties owned by the respective target REITs are the date the property was originally acquired by the target REIT, the number of square feet in the property, the percentage of rentable square feet leased as of June 30, 2004 and the weighted average base rent per net rentable square foot for the six months ended June 30, 2004 annualized:

Montague	8/02	100%	145,951	\$26.84/sf
Royal Ridge	1/03	100%	161,366	\$13.60/sf

The target REITs' principal executive offices are located at 401 Edgewater Place, Suite 200, Wakefield, Massachusetts 01880. The telephone number of their principal executive offices is (781) 557-1300. No target REIT maintains a website.

Votes Required (Pages 44 to 45)

The affirmative vote of the holders of a majority of the target stock in each of the target REITs is required to adopt the merger agreement and approve the respective mergers. If one or more target REITs does not obtain the vote required for the consummation of the merger with such target REIT, FSP Corp. will not proceed with the mergers of any other target REIT. The consent being solicited hereby seeks the adoption of the merger agreement and the approval of the merger agreement and the transactions contemplated thereby. The affirmative vote of a majority of the common stock in each target REIT is also required to effectuate the respective merger. FSP Corp. is the sole stockholder of the common stock of each target REIT, and has agreed to vote those shares in favor of the respective merger. FSP Corp. will not receive any consideration for the one share of common stock it holds in each target REIT.

Target REIT stockholders as of August 13, 2004 are entitled to receive this Consent Solicitation/Prospectus and are entitled to execute a consent in connection with the adoption of the merger agreement and the approval of the mergers and the transactions contemplated thereby.

As of the date of this Consent Solicitation/Prospectus there were 334 shares of target stock in Montague held by 331 holders of record; 636 shares of target stock in Addison Circle held by 380 holders of record; 297.5 shares of target stock in Royal Ridge held by 246 holders of record; and 555 shares of target stock in Collins Crossing held by 449 holders of record.

The executive officers and directors of the target REITs do not beneficially hold any shares of target stock in any of the target REITs. Barry Silverstein and Dennis J. McGillicuddy, each a director of FSP Corp., own an aggregate of 173 and 14 shares of target stock, respectively. Mr. Silverstein owns 102.5 shares in Addison Circle, 23.25 shares in Collins Crossing, 42 shares in Montague and 5.25 shares in Royal Ridge. Mr. McGillicuddy owns 1 share in each of Addison Circle and Royal Ridge, 2 shares in Collins Crossing and 10 shares in Montague. Messrs. Silverstein and McGillicuddy each purchased their shares in the original offerings of target stock and on the same terms as other stockholders of such target REITs. These shares of target stock held by Messrs. Silverstein and McGillicuddy will convert into approximately 1,022,217 and approximately 80,836 shares of FSP common stock, respectively, upon consummation of the mergers. Messrs. Silverstein and McGillicuddy have indicated that they

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

intend to vote their respective shares of target stock in favor of the adoption of the merger agreement and the approval of the mergers.

The Mergers (Pages 43 to 55)

Overview. As a result of inquiries from members of the FSP board, the management of FSP in late June 2004 instructed its outside legal counsel, Wilmer Cutler Pickering Hale and Dorr LLP, to explore the feasibility of the acquisition of the target REITs. In early July 2004, management of FSP Corp. approached the target boards regarding the possibility of acquiring the target REITs. Each target board then established a special committee consisting of Messrs. MacPhee and Gribbell, the only members of the target boards who were not also members of the FSP board, to, among other things, evaluate and negotiate a potential acquisition by FSP Corp. and recommend that the board of each target REIT accept or reject the FSP Corp. acquisition. The special committees engaged A.G. Edwards & Sons, Inc., referred to as A.G. Edwards, to advise them in evaluating and negotiating the terms of the mergers, including the merger consideration, and to deliver a fairness opinion to each target board. The target REITs also engaged third party appraisers to appraise the real estate held by each target REIT and engaged outside legal counsel to represent the target REITs. After receiving the real estate appraisals, after reaching agreement on the amount of merger consideration to be paid and the terms of the mergers, after receiving a unanimous recommendation to vote to adopt the merger agreement and approve the mergers from its special committee and receiving the fairness opinions delivered by A.G. Edwards, each target board unanimously voted to adopt the merger agreement and approve the mergers contemplated thereby and recommend to its stockholders to vote to adopt the merger agreement and approve the mergers contemplated thereby. On August 13, 2004, based upon the reasons set forth in "Fairness of the Mergers", the target REITs and FSP Corp. executed and delivered the merger agreement.

The Mergers. Following the satisfaction or waiver of the conditions to closing relating to a target REIT, on the effective date of the mergers, which is expected to be on or about December 31, 2004, FSP Corp. will acquire that target REIT by merger of the target REIT with and into a wholly-owned acquisition subsidiary of FSP Corp. Each share of target stock of that target REIT will be converted into a specified number of shares of FSP common stock. The shares of FSP common stock to be issued in connection with the mergers are referred to as the merger consideration.

The following chart sets forth the number of shares of FSP common stock to be received as merger consideration by the target REIT stockholders for each share of target stock of the respective target REIT. FSP Corp. will not issue fractional shares of FSP common stock as merger consideration. Instead, each holder of target stock who would otherwise have been entitled to receive a fraction of a share of FSP common stock will be entitled to receive cash

(without interest) in an amount, rounded up to the nearest whole cent, equal to the product of such fractional part of FSP common stock multiplied by \$17.70, the fair market value of one share of FSP common stock on August 13, 2004, as determined through negotiations between the special committees and FSP Corp.

(2) This number of shares of FSP common stock is slightly higher than the actual number of shares of FSP common stock anticipated to be issued upon the consummation of the mergers due to the fact that FSP Corp. will pay cash in lieu of issuing fractional shares of FSP common stock.

None of the shares of FSP common stock to be issued as merger consideration to the target REIT stockholders will be placed into escrow or otherwise withheld as a source of potential compensation to FSP Corp. should FSP Corp. discover, after the consummation of the mergers, that any of the target REITs incurred any undisclosed liabilities prior to the consummation of the mergers or that any representations and warranties of the target REITs were inaccurate. Moreover, FSP Corp. will not receive any consideration for the one share of common stock it holds in each target REIT.

Consummation of the mergers is subject to a number of conditions and will not occur unless, among other things, holders of a majority of the shares of target stock of each target REIT vote to adopt the merger agreement and approve the mergers contemplated thereby.

The following table sets forth: (i) the value ascribed to each target REIT for purposes of the merger consideration, (ii) the appraised value of the property held by each target REIT, (iii) the estimated adjusted cash reserve balances as of June 30, 2004 and (iv) the percentage (the premium) over appraised value plus adjusted cash reserves that has been ascribed to each

7

target REIT for purposes of the merger consideration. The premium is based on an FSP common stock per share price of \$17.70. Should the FSP common stock trade on the AMEX, the trading price of the FSP common stock could be significantly lower than \$17.70 per share, causing the premium received by target REIT stockholders as a result of the consummation of the mergers to decrease significantly or disappear altogether.

Target REIT	Value Ascribed to Target REIT	Appraised Value	Adjusted Cash Reserves	Premium
Addison Circle	\$66,965,414	\$54,500,000	\$1,676,697	19.2%

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Collins Crossing	\$60,587,756	\$48,500,000	\$1,984,695	20.0%
Montague	\$33,400,000	\$20,000,000	\$2,034,787	51.6%
Royal Ridge	\$31,888,293	\$26,075,000	\$967,500	17.9%
Total	\$192,841,463	\$149,075,000	\$6,663,679	23.8%

The value ascribed to a target REIT was determined through negotiations between the special committees and FSP Corp. These aggregate negotiated values exceed the aggregate appraised values of the target REITs by approximately \$37,102,784. See "Fairness of the Mergers - Fairness of the Merger Consideration to Target REIT Stockholders - Allocation of Merger Consideration" for a discussion of how the premiums were determined by the special committees and FSP Corp.

Conditions Precedent to the Mergers (Pages 51 to 52)

The respective obligations of each party to effect the mergers are subject to the fulfillment on or before the effective date of certain conditions, including the following:

- o the adoption of the merger agreement and the approval of the mergers by the stockholders of each of the target REITs;
- o the receipt of all necessary consents, waivers, approvals, authorizations or orders and the making of all required filings; and
- o that the representations of FSP Corp. and the target REITs set forth in the merger agreement are true and complete in all material respects as of the closing date.

Recommendation of the Special Committees and the Target Boards
(Pages 45 to 47)

The target board of each target REIT recommends that target REIT stockholders of that target REIT vote for adoption of the merger agreement and approval of the mergers and the transactions contemplated thereby.

This recommendation to the target REIT stockholders is based upon the recommendation by the special committees to the target boards and each target board's belief that:

8

-
-
- o the value of the FSP common stock to be distributed as merger consideration to its target REIT stockholders represented greater value, or a premium, than the sum of the value of the real estate (as determined by an appraisal) and cash held by its target REIT;
 - o the value of the FSP common stock to be distributed as merger consideration to its target REIT stockholders was greater than was likely to be realized upon the continuation of the respective target REIT; and
 - o based upon A.G. Edwards' opinion, delivered orally to each special committee and board of each target REIT and subsequently confirmed

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

in writing, as to the fairness from a financial point of view of the merger consideration to the stockholders of each target REIT, the merger consideration is fair from a financial point of view to such stockholders.

The material negative factors, which each special committee viewed as insufficient to outweigh the positive factors, were:

- o that, following the mergers, the target REIT stockholders will cease to participate in the future earnings growth, if any, of their respective target REIT or benefit from the increase, if any, in the future liquidation value of the respective target REIT, other than indirectly through their FSP stock ownership;
- o the possibility that the shares of FSP common stock may in the future trade at a price lower than \$17.70 per share;
- o the fact that, based on historical quarterly, non-special dividends received by stockholders of FSP Corp. and the target REIT stockholders, a majority of the target REIT stockholders could expect to receive a lower level of dividends from the combined company than such stockholders have historically received from their target REITs;
- o the possibility that the shares in the target REIT would have appreciated in value more rapidly or at a greater rate than any appreciation in value in the FSP Corp. shares;
- o that the target REITs did not seek third party bids for the acquisition of the target REITs or their respective properties; and
- o the potential conflicts of interests of officers and directors of each target REIT in connection with the mergers.

Expected Benefits from the Mergers (Page 63)

The following highlights some of the primary benefits the mergers are expected to generate:

9

-
-
- o The combined company's real estate portfolio will be substantially larger and more diverse geographically, by property type and by tenant business, than the portfolio of the target REITs, reducing the dependence of target REIT stockholders on the performance of any one real property; and
 - o The combined company's business will generate revenues from real estate investment banking/brokerage and property management activities and from rentals of 32 real properties, constituting a more diverse income stream than that currently received by any of the target REITs.

These benefits may not be realized. There are also potential detriments to the mergers. See "Risk Factors" beginning on page 25.

Alternatives to the Mergers for the Target REITs (Pages 63 to 64)

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

The following is a brief discussion of alternatives to the mergers that were considered by the target boards.

Continuation of each Target REIT. An alternative to the mergers would be to continue each of the target REITs as a separate legal entity in accordance with its original investment strategy. Target REIT stockholders would likely continue to receive regular quarterly distributions and would receive a distribution on the sale of the property owned by its respective target REIT, which is expected to occur in a five to ten year time period following syndication of the target REIT. Continuation of the target REITs would avoid those disadvantages which might be inherent in the mergers. See "Risk Factors - Risks Relating to the Mergers." The primary disadvantage with continuing the target REITs is the failure to secure the benefits that the target boards expect to result from the mergers. See "Benefits, Background and Reasons for the Mergers -- Expected Benefits From the Mergers."

Liquidation. Another alternative to the mergers would be liquidating the assets of the target REITs and distributing the net liquidation proceeds to the target REIT stockholders. Liquidating the target REITs would result in concluding the investors' investment in the target REITs earlier than the anticipated liquidation timeframes for the target REITs. The liquidations would result in the marketplace establishing the fair market value of the target REITs' assets.

Support of Secondary Market. Another alternative would be the creation or support of a secondary market for the target stock through limited cash tender offers or repurchase programs sponsored by the target REITs.

Fairness of the Mergers (Pages 72 to 76)

Each of the target boards believes that the terms of the merger agreement, when considered as a whole, are fair to the stockholders of each target REIT and the merger consideration offered in exchange for the target stock in each target REIT constitutes fair consideration for the interests of the target REIT stockholders. The following provides a summary of the factors upon which the target boards based their respective conclusions as to the fairness of the mergers and the merger consideration to be paid by FSP Corp. The target boards did not find it practicable to, and did not attempt to, quantify or otherwise assign relative weight to these factors in reaching their respective determinations.

10

- o The target boards compared the potential benefits and detriments of the mergers with the potential benefits and detriments of several alternatives to the mergers, including continuation of the target REITs, liquidation of the target REITs and support of secondary markets for the target stock. Based on these comparisons, the target boards believe the mergers are more attractive than other alternatives.
- o The special committees of the target boards, consisting of Messrs. MacPhee and Gribbell, each a director of the target REITs and an executive vice president of FSP Corp., engaged A.G. Edwards to deliver a fairness opinion to each target board. On August 11, 2004, A.G. Edwards delivered a written opinion to each target board to the

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

effect that the merger consideration was fair, from a financial point of view, to the target REIT stockholders of that target REIT. These fairness opinions are attached hereto as Appendix C.

- o Each target board determined that the value of the FSP common stock to be distributed as merger consideration to its target REIT stockholders represented greater value, or a premium, than the sum of the value of the real estate (as determined by an appraisal) and cash held by such target REIT. After consultation with A.G. Edwards, the special committees of the target boards determined that, based on the analyses of other selected public companies, the discounted cash flow of FSP Corp. and selected precedent mergers, a reasonable range of value for the FSP common stock was between \$16.67 per share and \$18.50 per share. The estimated range of values included a discount for the lack of liquidity of FSP common stock. The value ascribed to FSP common stock in connection with the mergers of \$17.70 per share is within that range. The target boards determined that even if the actual value of FSP common stock were at the bottom of the range, or \$16.67 per share, such value would still constitute a premium to the appraised value of the real estate plus adjusted cash held by each target REIT.
- o Each target board determined that the value of the FSP common stock to be distributed as merger consideration to its target REIT stockholders was greater than the value that was likely to be realized upon the continuation of such target REIT.
- o The target boards obtained independent third-party appraisals of the real property owned by the target REITs, and considered these appraisals in negotiating the merger consideration.
- o The target REITs will have the right to declare dividends consistent with past practice in respect of the quarters or partial quarters preceding the effective date. The combined company will have the obligation to pay any such dividends that have been declared but not paid as of the effective date.

11

- o The members of the target boards have conflicts of interest in connection with the mergers. Each target board established a special committee consisting of Messrs. MacPhee and Gribbell, the only members of the target boards who are not also members of the FSP board. Messrs. MacPhee and Gribbell serve as executive vice presidents of FSP Corp. The special committees engaged A.G. Edwards to advise them in evaluating and negotiating the terms of the mergers, including the merger consideration, and to deliver a fairness opinion to each target board. No fees or other compensation will be payable to the members of the target boards (or the special committees) or to FSP Corp. or any of its affiliates in connection with the mergers.

For a complete list of factors considered by the target boards, see "Fairness of the Mergers - Conclusions of the Target Boards."

Conflicts of Interest (Pages to 109 to 110)

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

A number of conflicts of interest are inherent in the relationships among the target REITs, the target boards, FSP Corp., the FSP board and their respective affiliates. These conflicts of interest include the fact that FSP Investments, a subsidiary of FSP Corp., syndicated each target REIT and, among others:

- o George J. Carter, the President and a director of each target REIT, is President, Chief Executive Officer and a director of FSP Corp. and owns an aggregate of 775,531 shares of FSP common stock;
- o R. Scott MacPhee, an Executive Vice President and a director of each target REIT and a member of each special committee, is also an Executive Vice President of FSP Corp. and owns an aggregate of 372,451 shares of FSP common stock;
- o Richard R. Norris, an Executive Vice President and a director of each target REIT, is also a director and an Executive Vice President of FSP Corp. and owns an aggregate of 258,087 shares of FSP common stock;
- o William W. Gribbell, an Executive Vice President and a director of each target REIT and a member of each special committee, is also an Executive Vice President of FSP Corp. and owns an aggregate of 129,761 shares of FSP common stock;
- o Barbara J. Fournier, Vice President, Chief Operating Officer, Treasurer, Secretary and a director of each target REIT, is also Vice President, Chief Operating Officer, Treasurer, Secretary and a director of FSP Corp. and owns an aggregate of 27,934 shares of FSP common stock;
- o Janet P. Notopoulos, Vice President of each target REIT, is also a Vice President and director of FSP Corp. and owns an aggregate of 14,985 shares of FSP common stock; and

12

- o the target REIT's properties are managed by FSP Property Management, a subsidiary of FSP Corp. pursuant to management services agreements under which FSP Corp. receives certain fees from each target REIT for its management services.

Each target board established a special committee consisting of Messrs. MacPhee and Gribbell, the only members of the target boards who are not also members of the FSP board. Messrs. MacPhee and Gribbell serve as executive vice presidents of FSP Corp. The special committees engaged A.G. Edwards to advise them in evaluating and negotiating the terms of the mergers, including the merger consideration.

Each target board considered increasing its board size to include an independent director to perform the function of the special committees. However, each target board concluded that, given the potential liability of a director voting on the mergers, it would be difficult to retain someone with the knowledge and credentials necessary to fulfill the role of an independent director of a REIT who would be willing to take on the role of independent director of any of the target REITs without being substantially compensated and without being covered by director liability insurance. None of the target REITs

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

currently has director and officer liability insurance. Each target board determined that the cost of compensating an independent director and obtaining director and officer liability insurance would be substantial and not in the best interests of its target REIT stockholders. For this reason, none of the target boards appointed an independent director to perform the functions of the special committees.

Messrs. MacPhee and Gribbell, the members of the special committees, both served as directors on boards of other sponsored entities which engaged in similar transactions with FSP Corp., including the 13 sponsored REITs acquired by FSP Corp. in June 2003. The sponsored REITs involved in those transactions did not appoint independent directors to serve as special committees and, in fact, did not designate any of their members to serve on a special committee. Moreover, no stockholder of any of the 13 sponsored REITs acquired by FSP Corp. in June 2003 availed themselves of appraisal rights. Based on their experience in voting on prior transactions, Messrs. MacPhee and Gribbell believed that they could and did faithfully execute their duties to the target REIT stockholders. Moreover, George J. Carter, the chief executive officer of FSP Corp., instructed Messrs. MacPhee and Gribbell to execute their duties on behalf of the target REITs and their stockholders vigorously and assured Messrs. MacPhee and Gribbell that there would be no adverse consequences to their employment by FSP Corp. as a result of their vigorously executing their duties.

If each target REIT had a separate board of directors with executive officers who did not serve in similar capacities for FSP Corp. and directors who did not own FSP common stock, these persons would have had an independent perspective which might have led them to advocate positions during the negotiation and structuring of the merger agreement and the determination of the merger consideration more favorable to the target REIT stockholders than those taken by the target boards.

Barry Silverstein, Dennis J. McGillicuddy and John N. Burke are the only directors of FSP Corp. who are not also officers or directors of any target REIT. The remainder of the officers and directors of FSP Corp. serve as a director and/or officer, in the positions listed above, of each target REIT.

13

Upon completion of the mergers, Mr. Silverstein's percentage ownership interest of FSP Corp. will decrease from 9.67% to 9.62%, Mr. McGillicuddy's percentage ownership interest of FSP Corp. will decrease from 7.24% to 6.07%, and the percentage ownership of the current directors and executive officers of FSP Corp. as a group will decrease from 19.07% to 17.46%. Mr. Burke does not own any shares of FSP common stock or any shares of target stock.

Determination of Merger Consideration (Page 74)

The merger consideration payable to the stockholders of each target REIT was determined through negotiations between the special committees of the target boards and FSP Corp. The special committees relied on advice from their financial advisor, A.G. Edwards, in their negotiations with FSP Corp. In analyzing the fairness of the \$17.70 per share negotiated price, the target boards reviewed the analyses presented by A.G. Edwards, financial advisor to the special committees, the target boards and the target REITs, to estimate the value of FSP common stock. The special committees also considered the independent third party appraisals of the target REIT properties, assets and liabilities of their respective target REIT and FSP Corp., the expected cash

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

available for distribution of their respective target REIT, the multiples of cash available for distribution commonly used in valuing REITs and the limited liquidity of FSP common stock. The special committees were also made aware that FSP Corp. intends to file an application to list the FSP common stock with AMEX. There can be no assurance that FSP Corp. will file such application or, in the event it does, that AMEX will accept the application or that a meaningful trading market will develop even if AMEX approves the application. The merger consideration was determined separately for each target REIT.

Third Party Reports (Pages 77 to 86)

Fairness Opinions. On July 22, 2004, the special committees of the target boards retained A.G. Edwards to act as their financial advisor in connection with the mergers and to render to the target REIT boards A.G. Edwards' opinion as to the fairness, from a financial point of view, of the merger consideration to the target REIT stockholders of each target REIT. On August 11, 2004, A.G. Edwards rendered its oral opinions to each target board, subsequently confirmed in writing, to the effect that based upon and subject to the various considerations described in each opinion, the merger consideration (as described elsewhere in this Consent Solicitation/Prospectus) was fair, from a financial point of view, to the stockholders of each target REIT.

The full text of A.G. Edwards' opinions, each dated August 11, 2004, which describe the assumptions made, general procedures followed, matters considered and limitations on the scope of review undertaken by A.G. Edwards in rendering its opinions, are attached as Appendices C-1, C-2, C-3 and C-4 to this Consent Solicitation/Prospectus and are incorporated into this summary by reference. A.G. Edwards' opinions are directed only to the fairness, as of the date of the respective opinions, from a financial point of view, of the merger consideration to the stockholders of the target REIT to which each opinion is addressed and does not constitute a recommendation to you as to how you should vote with

14

respect to the merger agreement and the mergers. The summary of A.G. Edwards' opinions set forth below is qualified in its entirety by reference to the full text of the opinions attached as Appendices C-1, C-2, C-3 and C-4 to this Consent Solicitation/Prospectus. You are urged to read the opinions carefully in their entirety.

In conducting its investigation and analysis and in arriving at its opinions, A.G. Edwards reviewed information, made certain assumptions and took into account financial and economic factors it deemed relevant under the circumstances. A.G. Edwards held discussions with the executive officers of the target REITs and FSP Corp. concerning the respective target REIT's and FSP Corp.'s historical and current financial condition and operating results, as well as the prospects of the target REITs and FSP Corp., respectively. A.G. Edwards also considered other information, financial studies, analyses and investigations and financial, economic and market data that A.G. Edwards deemed relevant for the preparation of its opinions. A.G. Edwards assumed the value of each target REIT to equal the sum of the appraised value of such target REIT's real property plus its adjusted cash reserves. A.G. Edwards was not asked to, and did not, solicit third-party indications of interest in acquiring all or any part of the target REITs. The special committees of the target boards and FSP Corp. determined the merger consideration through negotiations. The target boards did not place any limitation upon A.G. Edwards with respect to the procedures followed or factors considered by A.G. Edwards in rendering its

opinions.

The Appraisals. The respective target boards retained independent third party appraisers to appraise the fair market value of each target REIT's real estate as of a date no earlier than July 7, 2004.

In preparing the appraisals, the appraisers collected from the target REITs information regarding the operating history of the properties, conducted site inspections of the properties and interviewed and relied on representations of certain representatives of the target REITs. The appraisers' conclusions are based upon conditions they observed at the properties during their inspection and assumptions, qualifications and limitations deemed reasonable at the time concerning, among other things, legal title, the absence of physical defects, future percentage of leased rentable square feet, income and competition with respect to each property. The appraisals reflect the appraisers' valuation of the real estate of the target REITs as of their respective dates, in the context of the information available on that date. Events occurring subsequent to the dates of the respective appraisals could affect the properties or the assumptions used in preparing the appraisals. The target boards imposed no limitations on the scope of the appraisers' appraisals. The special committees took the appraisals into consideration in negotiating the merger consideration. The target REITs also made the appraisals available to FSP Corp. and have allowed the FSP board to rely on the appraisals.

Janet P. Notopoulos, Vice President of each sponsored REIT, including the target REITs, is also a Vice President and director of FSP Corp. and Vice President and a director of each acquisition subsidiary. Ms. Notopoulos is also President of FSP Property Management, a wholly owned subsidiary of FSP Corp.

Comparison of the Target REITs and FSP Corp. (Pages 107 to 108)

The summary information below highlights a number of significant differences between the target REITs and FSP Corp.

Form of Organization. The target REITs and FSP Corp. are each vehicles appropriate for holding real estate investments and afford passive investors, such as target REIT stockholders, certain benefits, including limited liability and the avoidance of double-level taxation. The target REITs are under the control of their respective target boards, while FSP Corp. is governed by the FSP board.

Length of Investment. Target REIT stockholders in each of the target REITs expect liquidation of their investments when the assets of the target REITs are liquidated within a five to ten year period following the syndication of a target REIT. In contrast, FSP Corp. does not expect to dispose of any of its particular assets within any prescribed periods.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Properties and Diversification. The real estate portfolio of each target REIT is limited to the assets acquired with its initial equity offering. FSP Corp. holds a real estate portfolio that is substantially larger and more diversified than the portfolio of any of the target REITs. An investment in FSP Corp. should not be viewed as an investment in a specific pool of assets, but instead as an investment in an ongoing real estate investment business, subject to the risks normally attendant to ongoing real estate ownership, to the risks related to the real estate investment banking/brokerage business and to the risks related to acquisitions of additional properties.

Additional Equity. As the target REITs are not authorized to issue additional shares of target stock or other equity interests without the approval of their respective target REIT stockholders, the target stock is not subject to dilution. In contrast, FSP Corp. will have substantial flexibility to raise equity capital to finance its businesses and affairs through the issuance of equity securities, which may result in dilution to then existing FSP stockholders.

Percentage Ownership. As a result of the significantly higher number of issued shares in FSP Corp. as compared to the target REITs, the target REIT stockholders will own a much smaller percentage of FSP Corp. relative to their ownership interest in the target REITs and, accordingly, will have less power to control the outcome of matters submitted to a vote of the stockholders and will receive a lesser percentage of any dividends or other distributions.

17

Dissenters' Rights of Target REIT Stockholders (Pages 48 to 51)

If you, as a target REIT stockholder, object to the merger, the Delaware general corporation law permits you to seek relief as a dissenting stockholder and have the "fair value" of your target stock determined by a court and paid to you in cash.

The relevant provisions of the Delaware general corporation law are technical in nature and complex. If you, as a target REIT stockholder, wish to exercise appraisal rights and obtain an appraisal of the fair value of your target stock, you may wish to consult with your legal counsel because the failure to comply strictly with these provisions may result in you waiving or forfeiting your appraisal rights.

A copy of the relevant section of the Delaware general corporation law governing this process is attached as Appendix D to this Consent Solicitation/Prospectus.

Material United States Federal Income Tax Considerations (Pages 156 to 170)

Since the mergers are intended to qualify as reorganizations within the meaning of Section 368(a) of the tax code, a target REIT stockholder will generally:

- o recognize no gain or loss upon the receipt of FSP common stock in exchange for target stock in a merger;
- o have an aggregate tax basis for the FSP common stock received equal to the aggregate basis of the target stock surrendered (other than stock for which cash was received in lieu of a fractional share of

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

FSP common stock); and

- o have a holding period for the FSP common stock received that includes the holding period for the target stock surrendered.

Following the mergers, FSP Corp. expects to continue to qualify as a "real estate investment trust" under the tax code. Provided FSP Corp. can maintain such qualification, it generally should be able to avoid entity-level federal income tax to the extent it distributes its taxable income.

Tax matters are very complicated, and the tax consequences of the mergers to each target REIT stockholder will depend on the facts of its own situation. Each target REIT stockholder is urged to consult its tax advisor for a full understanding of the tax consequences of the merger.

Accounting Treatment

Each of the mergers will be accounted for as a purchase under generally accepted accounting principles, or GAAP.

Dividends in Respect of the Third and Fourth Quarters of 2004

Each target REIT expects to declare in the third and fourth quarters of 2004 and pay to its target REIT stockholders thereafter a dividend with respect to its third and fourth quarters of 2004 operations. Pursuant to the merger agreement, such dividends will be paid out in an amount consistent with past

18

practice and custom of the relevant target REIT. The cash paid out in these dividends will reduce the amount of cash held by each target REIT and acquired by FSP Corp. upon consummation of the mergers. Pursuant to the merger agreement, FSP Corp. has assumed the obligation to pay any such dividends that have been declared but not paid prior to the effective date. In addition, FSP Corp. expects to declare in the fourth quarter of 2004 and pay to FSP stockholders in the fourth quarter of 2004 dividends in respect of third quarter 2004 operations. Such dividends will be payable to holders of FSP common stock as of a record date prior to the effective date and, therefore, target REIT stockholders will only receive such dividends to the extent they are also FSP stockholders on the record date and only to the extent of their holdings of FSP common stock. The cash available for this dividend and possibly for future dividends to the FSP stockholders will be reduced by the amount of expenses related to the mergers paid by FSP Corp.

Expenses of the Mergers (Page 55)

The expenses payable by FSP Corp. in connection with the mergers are estimated to be \$500,000. The expenses payable by the target REITs in connection with the mergers are estimated to be \$420,500 and consist of the appraisals, accounting costs, A.G. Edwards' fee for financial advice to the special committees and delivery of a fairness opinion to each target board and the fees of independent legal counsel.

RISK FACTORS

In evaluating the mergers and FSP Corp., you should carefully consider the following factors, in addition to other matters set forth elsewhere in this Consent Solicitation/Prospectus.

Risks Relating to the Mergers

The nature of the target REIT stockholders' investment in their respective target REITs will change upon consummation of the mergers.

As a result of the mergers, the nature of each target REIT stockholder's investment will change from an interest in a corporation owning a specified property for a finite period in which such target REIT stockholder will receive a distribution upon liquidation based upon the net proceeds from the sale of the entity's assets, to an investment in an ongoing fully-integrated real estate company, which has a portfolio of properties that may be changed from time to time and conducts real estate investment banking operations, and in which the equity owners are expected to recover their investment from the sale of their FSP common stock, which is currently illiquid, and not from liquidating distributions.

The mergers may affect the level of dividends paid to target REIT stockholders.

Based on historical quarterly, non-special dividends received by stockholders of FSP Corp. and the target REIT stockholders, the mergers are expected to reduce the level of dividends paid to target REIT stockholders who become stockholders in the combined company. Regardless of the initial level of the combined company's dividends, such dividends could decline in the future.

There may be differences between the merger consideration received by the target REIT stockholders and the realizable value of their target REIT.

The merger consideration was determined through negotiations between the special committees of the target boards and FSP Corp. The special committees relied on advice from their financial advisor, A.G. Edwards, in their negotiations with FSP Corp. The special committees also considered the appraisals received from an independent third-party appraiser, the assets and liabilities of each target REIT and FSP Corp., the expected cash available for distribution of each target REIT, the multiples of cash available for distribution commonly used in valuing REITs and the limited liquidity of FSP

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

common stock. This negotiated price is subject to certain assumptions and may not represent the true worth or realizable value of the target REITs in a sale transaction for cash. The target REITs did not solicit bids from third parties for the sale of the target REITs or their respective properties. Moreover, the properties of the target REITs may appreciate in value and might be able to be liquidated at a later date for a price which would yield target REIT stockholders more consideration than they would receive in the mergers.

Target REIT stockholders will be foregoing the potential appreciation in the real property owned by their respective target REIT.

The potential appreciation in the real property owned by each target REIT may be greater than the merger consideration being offered by FSP Corp. in connection with the mergers, with the potential effect that some target REIT stockholders may receive less for their investment now than if they were to hold on to their investment in the target REIT and wait for it to be liquidated within a five to ten year period following the syndication of the target REIT in accordance with the original investment strategy of the respective target REIT.

25

The future price of FSP common stock may be lower than the price per share negotiated for purposes of the merger consideration.

The future price per share of the FSP common stock may be lower than the price per share negotiated between the special committees of the target boards and FSP Corp. for the purpose of determining the merger consideration to be received by you.

The mergers will require the target REIT stockholders to forgo alternatives to the mergers.

The target boards considered alternatives to the mergers, such as the continuation of the target REITs as currently structured, the liquidation of the target REITs through sales of their properties, or the creation of a secondary market for the target stock through limited cash tender offers or repurchase programs sponsored by the target REITs. The benefits of these alternatives are avoiding the risks associated with the mergers as set forth in this section. Moreover, retaining the finite-life feature of the target REITs would allow target REIT stockholders eventually to receive liquidation proceeds from the sale of the properties of the target REITs, and a target REIT stockholder may receive more consideration through such sale than the consideration received in the mergers. Target REIT stockholders will forgo all benefits to the alternatives to the mergers in the event the mergers are consummated.

Target REIT stockholders will experience a loss of relative voting power.

Target REIT stockholders have one vote per one share of target stock. FSP stockholders have one vote per one share of FSP common stock. Immediately following the consummation of the mergers, target REIT stockholders will have one vote per one share of FSP common stock. If the mergers are consummated, the target REIT stockholders will have a smaller ownership percentage of FSP Corp. than their respective target REITs, and each target REIT stockholder will thus lose relative voting power.

The target REIT stockholders will experience greater risks relating to diversification of portfolios following the mergers.

The assets and liabilities of the target REITs and of FSP Corp. will be combined in the mergers. None of the target REITs currently has any debt

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

obligations but the target REIT stockholders may become exposed to debt obligations FSP Corp. may incur in the future. As a result of the mergers, the geographic diversity of the properties in which the target REIT stockholders will own an interest will change. However, because the market for real estate may vary widely from one region of the country to another, the change in geographic diversity may expose the target REIT stockholders to different and greater risks than those to which they are currently exposed.

The officers and directors of the target REITs have conflicts of interest that may have influenced them to support or adopt the merger agreement.

A number of conflicts of interest are inherent in the relationships among the target REITs, the target Boards, FSP Corp., the FSP board and their respective affiliates. These conflicts of interest include the fact that FSP Investments, a subsidiary of FSP Corp., syndicated each target REIT and, among others:

- o George J. Carter, the President and a director of each target REIT, is President, Chief Executive Officer and a director of FSP Corp. and owns an aggregate of 775,531 shares of FSP common stock;
- o R. Scott MacPhee, an Executive Vice President and a director of each target REIT and a member of each special committee, is also an Executive Vice President of FSP Corp. and owns an aggregate of 372,451 shares of FSP common stock;
- o Richard R. Norris, an Executive Vice President and a director of each target REIT, is also a director and an Executive Vice President of FSP Corp. and owns an aggregate of 258,087 shares of FSP common stock;
- o William W. Gribbell, an Executive Vice President and a director of each target REIT and a member of each special committee, is also an Executive Vice President of FSP Corp. and owns an aggregate of 129,761 shares of FSP common stock;
- o Barbara J. Fournier, Vice President, Chief Operating Officer, Treasurer, Secretary and a director of each target REIT, is also Vice President, Chief Operating Officer, Treasurer, Secretary and a director of FSP Corp. and owns an aggregate of 27,934 shares of FSP common stock;
- o Janet P. Notopoulos, Vice President of each target REIT, is also a Vice President and director of FSP Corp. and owns an aggregate of 14,985 shares of FSP common stock; and
- o The target REITs' properties are managed by FSP Property Management, a subsidiary of FSP Corp., pursuant to management services agreements under which FSP Corp. receives certain fees from each target REIT for its management services.

Each target board established a special committee consisting of Messrs. MacPhee and Gribbell, the only members of the target boards who are not also members of the FSP board. Messrs. MacPhee and Gribbell serve as executive vice presidents of FSP Corp. Under the Delaware general corporation law, the target boards cannot delegate to a third party their fiduciary duties relating to the determination of whether the transactions contemplated by the mergers were or were not fair to the target REIT stockholders.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

If each target REIT had a separate board of directors with executive officers who did not serve in similar capacities for FSP Corp. and directors who did not own FSP common stock, these persons would have had an independent perspective which might have led them to advocate positions during the negotiation and structuring of the merger agreement and the determination of the merger consideration more favorable to the target REIT stockholders than those taken by the target boards.

The officers and directors of the target REITs who are officers or directors of FSP Corp. have fiduciary duties to manage the target REITs in a manner beneficial to the target REIT stockholders. Similarly, FSP Corp.'s directors and officers, including Mr. Carter, have fiduciary duties to manage FSP Corp. in a manner beneficial to FSP Corp. and FSP stockholders. In some circumstances, including the negotiation of the merger agreement, Mr. Carter's and the other directors' and officers' duties to FSP Corp. and the FSP Corp. stockholders and their ownership of FSP common stock may conflict with their duties, as directors and officers of the target REITs, to the target REITs and target REIT stockholders. A potential conflict between such fiduciary duties may not be resolved, or if resolved, may be resolved in a manner less favorable to the target REITs and target REIT stockholders than would otherwise have been the case if the target REITs were dealing with unaffiliated parties. Specifically, these conflicts may have resulted in the target REIT stockholders receiving an aggregate merger consideration that is less than what they may have received had the merger consideration been negotiated between unaffiliated parties.

27

The combined company may be liable for contingent or undisclosed liabilities of the target REITs.

Each of the target REITs has delivered to FSP Corp. its financial statements disclosing all known material liabilities and reserves, if any, set aside for contingent liabilities. Each target REIT has represented and warranted that the financial statements fairly present the financial position of each target REIT, and each target REIT will be required to deliver on the effective date an officer's certificate stating that there have been no material adverse changes in its financial condition between the date of the financial statements and the effective date of the mergers. The accuracy and completeness of these representations are conditions to the consummation of the mergers and if, on or prior to the effective date, these representations and warranties are known to be inaccurate, FSP Corp. may elect not to consummate the merger with the target REIT that failed to fully and accurately disclose its financial position. As these representations do not survive the effective date, after the effective date the combined company will have no recourse against any target REIT or the respective target REIT stockholders for any contingent or undisclosed liabilities which first became known after the effective date. If any contingent or undisclosed liabilities are discovered after the effective date, the combined company's balance sheet may be adversely affected, causing the value of the target REIT stockholders' interests in the combined company to decrease.

The shares of FSP common stock received by the target REIT stockholders are not tradable on a national stock market or other exchange.

There is no public or other market for the shares of FSP common stock, and although the combined company will have the goal in the future of creating a public market for its securities, there is no certainty that the combined company will be successful or that such a market will develop. FSP Corp. intends to file an application to list the FSP common stock on AMEX. FSP Corp. may not

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

file such application, or in the event it does, AMEX may reject the application or a meaningful trading market may not develop, even if AMEX approves the application. Consequently, the target REIT stockholders may be unable to liquidate their shares of FSP common stock in the event of an emergency or for any other reason.

The target REIT stockholders may experience dilution of their respective holdings in FSP Corp.

The combined company will have substantial flexibility to raise equity capital. The combined company will also have the ability to issue shares of FSP common stock as incentive compensation to employees of the combined company or its subsidiaries. The issuance of additional shares of FSP common stock by the combined company does not require any approval by the target REIT stockholders except in special circumstances. Any and all additional issuances of FSP common stock will dilute the interests of the target REIT stockholders following the consummation of the mergers.

A majority vote of the target REIT stockholders of a target REIT will bind all the target REIT stockholders of that Target REIT.

In accordance with the charters of the target REITs and the Delaware general corporation law, if the target REIT stockholders holding a majority of the outstanding shares of preferred stock in a target REIT, and a majority of the outstanding shares of common stock and preferred stock in a target REIT voting together as a class, adopt the merger agreement and approve the mergers contemplated thereby, the merger of that target REIT will be consummated and all target REIT stockholders of that target REIT will participate in the mergers, regardless of whether or not such target REIT stockholders voted to approve the mergers, unless a target REIT stockholder exercises his, her or its appraisal rights under the Delaware general corporation law.

28

Following the consummation of the mergers, the combined company may no longer qualify as a REIT.

As a result of the combination of FSP Corp. with the target REITs pursuant to the mergers, FSP Corp. might no longer qualify as a real estate investment trust under Section 856 of the tax code. FSP Corp. could lose its ability to so qualify for a variety of reasons relating to the nature of the assets acquired from the target REITs, the identity of the shareholders of the target REITs who become shareholders of FSP Corp. or the failure of one or more of the target REITs to have previously qualified as a real estate investment trust. If the combined company fails to qualify as a REIT, the combined company could be disqualified from treatment as a REIT in the year in which such failure occurred and for the next four taxable years and, consequently, would be taxed as a regular corporation during such years.

Real Estate and Business Risks of FSP Corp.

If FSP Corp. is not able to collect sufficient rents from each of its owned real properties, FSP Corp. may suffer significant operating losses or a reduction in cash available for future dividends.

A substantial portion of FSP Corp.'s revenues are generated by the rental income of its real properties. If its properties do not provide FSP Corp. with a steady rental income, FSP Corp.'s revenues will decrease and may cause it to incur operating losses in the future or incur a reduction in cash available for future dividends.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

FSP Corp. faces risks in continuing to attract investors for sponsored REITs.

FSP Corp.'s investment banking/investment services business continues to depend upon its ability to attract purchasers of equity interests in sponsored REITs. FSP Corp.'s success in this area will depend on the propensity and ability of investors who have previously invested in sponsored REITs to continue to invest in future sponsored REITs and on FSP Corp.'s ability to expand the investor pool for the sponsored REITs by identifying new potential investors. Moreover, FSP Corp.'s investment banking/investment services business may be affected to the extent existing sponsored REITs incur losses or have operating results that fail to meet investors' expectations.

If FSP Corp. is unable to fully syndicate a sponsored REIT, it may be required to keep a balance outstanding on its line of credit or use its cash balance to repay the line of credit, which may reduce cash available for distribution to FSP stockholders.

FSP Corp. typically draws on its line of credit to make an interim mortgage loan to a sponsored REIT, so that the sponsored REIT can acquire real property prior to the consummation of the offering of its equity interests; this interim loan is secured by a first mortgage of the real property acquired by the sponsored REIT. Once the offering has been completed, the sponsored REIT repays the loan from FSP Corp. out of the offering proceeds. If FSP Corp. is unable to fully syndicate a sponsored REIT, the sponsored REIT could be unable to fully repay the loan, and FSP Corp. would have to satisfy its obligation under its line of credit through other means. If FSP Corp. is required to use cash for this purpose, FSP Corp. would have less cash available for distribution to the FSP stockholders.

FSP Corp. may not be able to find properties that meet its criteria for purchase.

Growth in FSP Corp.'s investment banking/investment services business and its portfolio of real estate is dependent on the ability of FSP Corp.'s acquisition executives to find properties for sale which meet FSP Corp.'s investment criteria. To the extent they fail to find such properties, FSP Corp. will be unable to syndicate offerings of sponsored REITs to investors or enlarge its portfolio, and its business could have lower revenue, which would reduce the cash available for distribution to the FSP stockholders.

29

FSP Corp. is dependent on key personnel.

FSP Corp. depends on the efforts of George J. Carter, its Chief Executive Officer, and its other executive officers. If any of them were to resign, FSP Corp.'s operations could be adversely affected. FSP Corp. does not have employment agreements with Mr. Carter or any other of its executive officers.

FSP Corp.'s level of dividends may fluctuate.

Because FSP Corp.'s investment banking/investment services business is transactional in nature and real estate occupancy levels and rental rates can fluctuate, FSP Corp. cannot predict its level of revenue from such activities. As a result of this, the amount of cash available for distribution may fluctuate, which may result in FSP Corp. not being able to maintain or grow dividend levels in the future.

The real properties held by FSP Corp. may significantly decrease in value.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

As of August 27, 2004, FSP Corp. owned 28 properties. Some or all of these properties may decline in value. To the extent FSP Corp.'s real properties decline in value, the target REIT stockholders receiving FSP common stock could lose some or all the value of their investments.

New acquisitions may fail to perform as expected.

FSP Corp. may acquire new properties, whether by cash purchase, by acquisition of sponsored REITs or by investment in a sponsored REIT. Newly acquired properties may fail to perform as expected, in which case, FSP Corp.'s results of operations could be adversely affected.

FSP Corp. faces risks in owning and operating real property.

An investment in FSP Corp. is subject to the risks incident to the ownership and operation of real estate-related assets. These risks include the fact that real estate investments are generally illiquid, which may impact FSP Corp.'s ability to vary its portfolio in response to changes in economic and other conditions, as well as the risks normally associated with:

- o changes in general and local economic conditions;
- o the supply or demand for particular types of properties in particular markets;
- o changes in market rental rates;
- o the impact of environmental protection laws; and
- o changes in tax, real estate and zoning laws.

Certain significant costs, such as real estate taxes, utilities, insurance and maintenance costs, generally are not reduced even when a property's rental income is reduced. In addition, environmental and tax laws, interest rate levels, the availability of financing and other factors may affect real estate values and property income. Furthermore, the supply of commercial and multi-family residential space fluctuates with market conditions.

30

FSP Corp. faces risks from tenant defaults or bankruptcies.

If any of FSP Corp.'s tenants defaults on its lease, FSP Corp. may experience delays in enforcing its rights as a landlord and may incur substantial costs in protecting its investment. In addition, at any time, a tenant of one of FSP Corp.'s properties may seek the protection of bankruptcy laws, which could result in the rejection and termination of such tenant's lease and thereby cause a reduction in cash available for distribution to the FSP stockholders.

FSP Corp. may encounter significant delays in reletting vacant space, resulting in losses of income.

When leases expire, FSP Corp. will incur expenses and may not be able to re-lease the space on the same terms. Certain leases provide tenants the right to terminate early if they pay a fee. If FSP Corp. is unable to re-lease space promptly, if the terms of the replacement leases are significantly less favorable than anticipated or if the costs are higher, FSP Corp. may have to reduce distributions to the FSP stockholders.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

FSP Corp. faces risks from geographic concentration.

The properties in the FSP Corp. portfolio, by aggregate square footage, are distributed geographically as follows: Southwest - 26%, Northeast - 31%, Midwest - 19%, West - 16% and Southeast 8%. However, within certain of those segments, FSP Corp. holds a larger concentration of its properties in Houston, Texas - 18% and Washington, DC - 13%. FSP Corp. is likely to face risks to the extent that any of these areas in which it holds a larger concentration of its properties suffers deteriorating economic conditions.

FSP Corp. competes with national, regional and local real estate operators and developers, which could adversely affect its cash flow.

Competition exists in every market in which FSP Corp.'s properties are located and in every market in which FSP Corp.'s properties will be located. FSP Corp. competes with, among others, national, regional and numerous local real estate operators and developers. Such competition may adversely affect the percentage of leased space and the rental revenues of its properties, which could adversely affect FSP Corp.'s cash flow from operations and its ability to make expected distributions to the FSP stockholders. Some of FSP Corp.'s competitors may have more resources than FSP Corp. does or other competitive advantages. Competition may be accelerated by any increase in availability of funds for investment in real estate. For example, decreases in interest rates tend to increase the availability of funds and therefore can increase competition. To the extent that FSP Corp.'s properties continue to operate profitably, this will likely stimulate new development of competing properties. The extent to which FSP Corp. is affected by competition will depend in significant part on local market conditions.

There is limited potential for an increase in leased space gains in FSP Corp.'s properties.

FSP Corp. anticipates that future increases in revenue from its properties will be primarily the result of scheduled rental rate increases or rental rate increases as leases expire. Properties with higher rates of vacancy are generally located in soft economic markets so that it may be difficult to realize increases in revenue when vacant space is re-leased.

FSP Corp. is subject to possible liability relating to environmental matters, and FSP Corp. cannot assure you that it has identified all possible liabilities.

Under various federal, state and local laws, ordinances and regulations, an owner or operator of real property may become liable for the costs of removal or remediation of certain hazardous substances released on or in its property. Such laws may impose liability without regard to whether the owner or operator knew of, or caused, the release of such hazardous substances. The presence of

hazardous substances on a property may adversely affect the owner's ability to sell such property or to borrow using such property as collateral, and it may cause the owner of the property to incur substantial remediation costs. In addition to claims for cleanup costs, the presence of hazardous substances on a property could result in the owner incurring substantial liabilities as a result of a claim by a private party for personal injury or a claim by an adjacent property owner for property damage.

In addition:

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

- o future laws, ordinances or regulations could impose material environmental liability;
- o the current environmental conditions of FSP Corp.'s properties could be affected by the condition of properties in the vicinity of such properties (such as the presence of leaking underground storage tanks) or by third parties unrelated to FSP Corp.;
- o tenants could violate their leases by introducing hazardous or toxic substances into FSP Corp.'s properties that could expose FSP Corp. to liability under federal or state environmental laws; or
- o environmental conditions, such as the growth of bacteria and toxic mold in heating and ventilation systems or on walls, could occur at FSP Corp.'s properties and pose a threat to human health.

FSP Corp. is subject to compliance with the Americans With Disabilities Act and fire and safety regulations which could require FSP Corp. to make significant capital expenditures.

All of FSP Corp.'s properties are required to comply with the Americans With Disabilities Act, or ADA, and the regulations, rules and orders that may be issued thereunder. The ADA has separate compliance requirements for "public accommodations" and "commercial facilities," but generally requires that buildings be made accessible to persons with disabilities. Compliance with ADA requirements might require, among other things, removal of access barriers and noncompliance could result in the imposition of fines by the U.S. government, or an award of damages to private litigants.

In addition, FSP Corp. is required to operate its properties in compliance with fire and safety regulations, building codes and other land use regulations, as they may be adopted by governmental agencies and bodies and become applicable to FSP Corp.'s properties. Compliance with such requirements may require FSP Corp. to make substantial capital expenditures, which expenditures would reduce cash otherwise available for distribution to the FSP stockholders.

There are significant conditions to FSP Corp.'s obligation to redeem shares of its common stock, and any such redemption will result in the stockholders tendering shares receiving less than their fair market value.

Under FSP Corp.'s redemption plan, FSP Corp. is only obligated to use its best efforts to redeem shares of FSP common stock from stockholders wishing to have them redeemed. There are significant conditions to FSP Corp.'s obligation to redeem shares of FSP common stock including:

- o FSP Corp. cannot be insolvent or be rendered insolvent by the redemption;
- o the redemption cannot impair FSP Corp.'s capital or operations;

32

- o the redemption cannot contravene any provision of federal or state securities laws;
- o the redemption cannot result in FSP Corp. failing to qualify as a REIT; and
- o FSP Corp.'s management must determine that the redemption is in FSP Corp.'s best interests.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Any redemption effected by FSP Corp. under this plan would result in those stockholders tendering shares of FSP common stock receiving 90% of the fair market value of such shares, as determined by the FSP board in its sole and absolute discretion, and not their full fair market value. If FSP common stock becomes listed for trading on AMEX or any other national securities exchange or the NASDAQ National Market, FSP Corp. will no longer be obligated to effect any redemption.

FSP Corp. may lose capital investment or anticipated profits if an uninsured event occurs.

FSP Corp. carries or its tenants are obligated to carry comprehensive liability, fire and extended coverage with respect to each of FSP Corp.'s properties, with policy specification and insured limits customarily carried for similar properties. There are, however, certain types of losses, such as from wars, terrorist events, pollution or earthquakes, that may be either uninsurable or not economically insurable (although the properties located in California all have earthquake insurance). Should an uninsured material loss occur, FSP Corp. could lose both capital invested in the property and anticipated profits.

Contingent or unknown liabilities acquired in mergers or similar transactions could require FSP Corp. to make substantial payments.

The properties which FSP Corp. acquired in mergers were acquired subject to liabilities and without any recourse with respect to liabilities, whether known or unknown. As a result, if liabilities were asserted against FSP Corp. based upon any of these properties, FSP Corp. might have to pay substantial sums to settle them, which could adversely affect its results of operations and financial condition and its cash flow and ability to make distributions to the FSP stockholders. Unknown liabilities with respect to properties acquired might include:

- o liabilities for clean-up or remediation of environmental conditions;
- o claims of tenants, vendors or other persons dealing with the former owners of the properties; and
- o liabilities incurred in the ordinary course of business.

FSP Corp. would incur adverse tax consequences if FSP Corp. failed to qualify as a REIT.

If in any taxable year FSP Corp. does not qualify as a real estate investment trust, FSP Corp. would be taxed as a corporation and distributions to the FSP stockholders would not be deductible by FSP Corp. in computing its taxable income. In addition, if FSP Corp. were to fail to qualify as a real estate investment trust, FSP Corp. could be disqualified from treatment as a real estate investment trust in the year in which such failure occurred and for the next four taxable years and, consequently, FSP Corp. would be taxed as a regular corporation during such years. Failure to qualify for even one taxable year could result in a significant reduction of FSP Corp.'s cash available for distribution to the FSP stockholders or could require FSP Corp. to incur indebtedness or liquidate investments in order to generate sufficient funds to pay the resulting federal income tax liabilities. The provisions of the tax code governing the taxation of real estate investment trusts are very technical and complex, and although FSP Corp. expects that it will be organized and will operate in a manner that will enable it to meet such requirements, no assurance

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

can be given that FSP Corp. will always succeed in doing so. In addition, you should note that if one or more of the REITs FSP Corp. acquired in June 2003 or any of the target REITs did not or does not qualify as a real estate investment trust immediately prior to the consummation of its acquisition, FSP Corp. would be disqualified as a REIT as a result of such acquisition.

Provisions in FSP Corp.'s organizational documents may prevent changes in control.

FSP Corp.'s Articles of Incorporation and Bylaws contain provisions, described below, which may have the effect of discouraging a third party from making an acquisition proposal for FSP Corp. and may thereby inhibit a change of control under circumstances that could otherwise give the holders of FSP common stock the opportunity to realize a premium over the then-prevailing market prices.

Ownership Limits. In order for FSP Corp. to maintain its qualification as a real estate investment trust, the holders of FSP common stock are limited to owning, either directly or under applicable attribution rules of the tax code, no more than 9.8% of the lesser of the value or the number of equity shares of FSP Corp., and no holder of common stock may acquire or transfer shares that would result in shares of FSP common stock being beneficially owned by fewer than 100 persons. Such ownership limit may have the effect of preventing an acquisition of control of FSP Corp. without the approval of the FSP board. Moreover, FSP Corp. will have the right to redeem any shares of FSP common stock that are acquired or transferred in violation of these provisions at the market price, which is determined by the FSP board. This right of redemption will no longer be effective should FSP Corp. list the FSP common stock on the AMEX or any other national securities exchange or the NASDAQ National Market. In addition, FSP Corp.'s Articles of Incorporation give the FSP board the right to refuse to give effect to the acquisition or transfer of shares by a stockholder in violation of these provisions.

Staggered Board. The FSP board is divided into three classes. The terms of these classes will expire in 2005, 2006 and 2007, respectively. Directors of each class are elected for a three-year term upon the expiration of the initial term of each class. The staggered terms for directors may affect FSP stockholders' ability to effect a change in control even if a change in control were in the FSP stockholders' best interests.

Preferred Stock. FSP Corp.'s Articles of Incorporation authorize the FSP board to issue up to 20,000,000 shares of preferred stock, par value \$.0001 per share, and to establish the preferences and rights of any such shares issued. The issuance of preferred stock could have the effect of delaying or preventing a change in control even if a change in control were in the best interests of the FSP stockholders.

Increase of Authorized Stock. The FSP board, without any vote or consent of the FSP stockholders, may increase the number of authorized shares of any class or series of stock or the aggregate number of authorized shares FSP Corp. has authority to issue. The ability to increase the number of authorized shares and issue such shares could have the effect of delaying or preventing a change in control even if a change in control were in the best interests of the FSP stockholders.

Amendment of Bylaws. The FSP board has the sole power to amend FSP Corp.'s Bylaws. This power could have the effect of delaying or preventing a change in control even if a change in control were in the best interests of the FSP stockholders.

Stockholder Meetings. FSP Corp.'s Bylaws require advance notice for

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

stockholder proposals to be considered at annual meetings of stockholders and for stockholder nominations for election of directors at special meetings of stockholders. FSP Corp.'s Bylaws also provide that stockholders entitled to cast more than 50% of all the votes entitled to be cast at a meeting must join in a request by stockholders to call a special meeting of stockholders. These provisions could have the effect of delaying or preventing a change in control even if a change in control were in the best interests of the FSP stockholders.

34

Supermajority Votes Required. FSP Corp.'s Articles of Incorporation require the affirmative vote of the holders of no less than 80% of the shares of capital stock outstanding and entitled to vote in order (i) to amend the provisions of the Articles of Incorporation relating to the classification of directors, removal of directors, limitation of liability of officers and directors or indemnification of officers and directors or (ii) to amend the Articles of Incorporation to impose cumulative voting in the election of directors. These provisions could have the effect of delaying or preventing a change in control even if a change in control were in the best interests of the FSP stockholders.

The trading price of FSP common stock following listing on the American Stock Exchange or another national securities exchange is uncertain. The FSP common stock could trade at a lower price than anticipated.

The market prices for the FSP common stock may fluctuate with changes in market and economic conditions, the financial condition of FSP Corp. securities, including the market perception of REITs in general. Such fluctuations may depress the market price of FSP common stock independent of the financial performance of FSP Corp. The market conditions for REIT stocks generally could affect the market price of the FSP common stock.

35

TARGET REIT CONSENT SOLICITATION

The votes of the target REIT stockholders with respect to the mergers are being solicited by the target boards. Such votes will be tabulated as consents are received. The mergers are being submitted for approval to those persons holding common stock and preferred stock of each target REIT as of August 13, 2004, also known as the record date. As of August 13, 2004, the following number of shares of target stock were held of record by the number of target REIT stockholders indicated below:

Target REIT	Number of Target REIT Stockholders	Total Number of Shares of Target Stock Outstanding	Number of Shares of Target Stock Required for Approval of the Mergers
Montague	331	334	167.25
Addison Circle	380	636	318.25
Royal Ridge	246	297.5	149
Collins Crossing	449	555	277.75

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Each target REIT stockholder is entitled to one vote for each share of target stock held. Accordingly, the number of shares of target stock entitled to vote with respect to the mergers is equivalent to the number of shares of target stock held of record as of August 13, 2004. FSP Corp. will not receive any consideration for the one share of common stock it holds in each target REIT.

This Consent Solicitation/Prospectus and the form of consent constitute the target boards' notice of the mergers. Each target REIT stockholder has until the later of the approval date, as described below, or 5:00 p.m., Eastern Time, on [____], 2004, unless extended by the target boards in their sole discretion, to inform the target boards whether such target REIT stockholder wishes to approve or disapprove of his, her or its target REIT's participation in the mergers. The target boards ask that each target REIT stockholder vote by completing and returning the consent accompanying this Consent Solicitation/Prospectus in the manner described below.

Target REIT stockholders who wish to vote "YES" for adoption of the merger agreement and approval of the mergers and the transactions contemplated thereby should complete, sign and return the consent or consents relating to their target stock which accompanies this Consent Solicitation/Prospectus. One consent has been prepared for each target REIT stockholder regardless of which target REIT you are a shareholder. Consequently, a target REIT stockholder who holds, for example, target stock in each of the four target REITs will receive only one consent, which must be completed, signed and returned in order to vote "YES" for the mergers relating to each of the four target REITs. Consents must be delivered by mail or other delivery service to:

Franklin Street Properties
401 Edgewater Place
Suite 200
Wakefield, Massachusetts 01880

36

Approval of the mergers by a target REIT requires the vote of target REIT stockholders holding a majority of the outstanding shares of preferred stock of the target REIT, and a majority of the outstanding shares of common stock and preferred stock of the target REIT voting together as a class, as of the record date. If one or more target REITs does not obtain the vote required for the consummation of the merger with such target REIT, FSP Corp. will not proceed with the mergers of any other target REIT. The number of shares of target stock that must be voted in favor of the mergers for it to be approved by the respective target REIT is shown in the table above. The failure to return a consent will have the effect of a vote against the mergers. A target REIT stockholder who signs and returns the consent without indicating a vote will be deemed to have voted "YES" in favor of adoption of the merger agreement and approval of the mergers and the transactions contemplated thereby. The date on which consents are received from target REIT stockholders owning a majority of the shares of target stock of a particular target REIT approving the mergers is referred to as the "approval date" for that entity.

All questions as to the form of all documents and the validity (including time of receipt) of all approvals and elections will be determined by the target boards, and such determination shall be final and binding. The target boards reserve the absolute right to waive any defects or irregularities in any approval of the mergers or preparation of the form of consent. The target boards' interpretation of the terms and conditions of the mergers will be final and binding. The target boards shall be under no duty to give notification of any defects or irregularities in any approval of the mergers or preparation of the form of consent and shall not bear any liability for failure to give such

notification.

Target REIT stockholders may withhold or revoke their consent at any time prior to the approval date for the entity with respect to which consent is to be withheld or revoked. To be effective, a written, telegraphic or telex notice of revocation or withdrawal of the consent must be received by the applicable target boards no later than the approval date addressed as set forth above. A notice of revocation or withdrawal must specify the target REIT stockholder's name and the name of the target REIT or target REITs to which such revocation or withdrawal relates.

Votes of target REIT stockholders may be solicited by FSP Investments on behalf of the target boards through the mail or by other means of solicitation. Costs of solicitation will be borne by FSP Corp. No person will receive any compensation contingent upon solicitation of a favorable vote. You have the right to inspect a list of all holders of target stock of record for your target REIT. For a discussion relating to your appraisal rights, see "The Mergers - Appraisal Rights of Dissenting Stockholders of Target REITs."

SPECIAL NOTE REGARDING FORWARD-LOOKING INFORMATION

This Consent Solicitation/Prospectus includes forward-looking statements. All statements, other than statements of historical facts, included in this Consent Solicitation/Prospectus regarding the strategy, future operations, financial position, future revenues, projected costs, prospects, plans and objectives of management of FSP Corp. and each target REIT are forward-looking statements. The words "anticipates," "believes," "estimates," "expects," "intends," "may," "plans," "projects," "will," "would" and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words. FSP Corp. and each target REIT cannot guarantee that it actually will achieve the plans, intentions or expectations disclosed in its forward-looking statements and you should not place undue reliance on these forward-looking statements. Actual results or events could differ materially from the plans, intentions and expectations disclosed in the forward-looking statements. FSP Corp. has included important factors in the cautionary statements included or incorporated in this Consent Solicitation/Prospectus, particularly under the heading "Risk Factors", that FSP Corp. believes could cause actual results or events to differ materially from the forward-looking statements that it makes. These forward-looking statements do not reflect the potential impact of any future acquisitions, mergers, dispositions, joint ventures or investments FSP Corp. may make. Neither FSP Corp. nor any target REIT assumes any obligation to update any forward-looking statements.

BACKGROUND ON FSP CORP. AND ITS GROWTH STRATEGY

FSP Corp. is the successor to Franklin Street Partners Limited Partnership, or the FSP Partnership, which was originally formed as a Massachusetts general partnership in January 1997 as the successor to a Massachusetts general partnership that was formed in 1981. On January 1, 2002, the FSP Partnership converted into FSP Corp. As a result of this conversion, the FSP Partnership ceased to exist and FSP Corp. succeeded to the business of the FSP Partnership. In the conversion, each unit of both general and limited partnership interests in the FSP Partnership was converted into one share of FSP

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

common stock. As a result of the conversion, FSP Corp. holds 100% of the interest in three former subsidiaries of the FSP Partnership: FSP Investments LLC, FSP Property Management LLC, and FSP Holdings LLC.

FSP Corp. operates in two business segments and has two principal sources of revenue:

- o Real estate operations, including real estate leasing, interim acquisition financing and asset/property management, which generate rental income, loan origination fees and management fees, respectively.
- o Investment banking/investment services, which generate brokerage commissions and other fees related to the organization of single-purpose entities that own real estate and the private placement of equity in those entities. These entities are called sponsored entities.

The predecessor to FSP Corp. organized the sponsored entities as partnerships, but in 2001 FSP Corp. began to organize them as corporations operated in a manner intended to qualify as real estate investment trusts, or sponsored REITs. The sponsored entities have historically been single asset investment vehicles with an expected five to ten year life cycle, after which time the properties held by the sponsored entity were to be sold. The proceeds of the sale would then be distributed to the investors in the respective sponsored entity.

FSP Corp.'s investment objective is to increase the cash available for distribution in the form of dividends to its stockholders by increasing revenue from rental income, any net gains from sales of properties and investment banking services. FSP Corp. expects that, through FSP Investments, it will continue to organize and cause the offering of sponsored REITs in the future and that FSP Corp. will continue to derive investment banking/investment services income, including loan origination fees and interest, from such activities.

A significant part of FSP Corp.'s growth strategy is the acquisition of additional real properties by cash purchase or by acquisition of sponsored REITs. Acquisition of additional real estate by acquiring sponsored REITs is an attractive method of acquisition for FSP Corp. because the familiarity with the real property FSP Corp. gains from acting as asset manager allows FSP Corp. better to evaluate the risks of owning the property than is possible in the normal due diligence performed in typical acquisitions. Accordingly, FSP Corp. has previously engaged in transactions similar to the mergers contemplated by the merger agreement. On June 1, 2003, FSP Corp. acquired 13 sponsored REITs by merger. Prior to the conversion, FSP Corp.'s predecessor, FSP Partnership acquired 17 sponsored partnerships by merger. FSP Corp. subsequently sold two of these properties. In fact, all of the 28 properties FSP Corp. currently owns were acquisitions of sponsored partnerships or sponsored REITs. Although there can be no assurance that FSP Corp. will continue to acquire sponsored REITs in the future, such acquisitions are a part of FSP Corp.'s growth strategy.

The table below sets forth the amount paid by FSP Corp. (or its predecessor, FSP Partnership) for each of the sponsored entities it has acquired, the date of the acquisition, the fair market value of the FSP common stock (or partnership units, in the case of acquisitions prior to January 1, 2001) as determined by the FSP board (or the general partner of the FSP Partnership, in the case of the partnership units) issued as merger

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

consideration, the value per share or unit ascribed to the merger consideration received by investors, the gross proceeds contributed by investors in the original syndication of such sponsored entity, the estimated amount of fees FSP Investments earned upon the original syndication and the estimated amount of fees FSP Property Management earned after the original syndication but prior to the acquisition. Following the mergers the investors in the sponsored entities indirectly incurred their pro rata share of FSP Corp.'s general and administrative expenses.

Of the 380 stockholders in Addison Circle, 244 are also stockholders in FSP Corp. with 236 of these 244 stockholders becoming stockholders in FSP Corp. following FSP Corp.'s acquisition of prior sponsored entities. Of the 449 stockholders in Collins Crossing, 249 are also stockholders in FSP Corp. with 240 of these 249 stockholders becoming stockholders in FSP Corp. following FSP Corp.'s acquisition of prior sponsored entities. Of the 331 stockholders in Montague, 263 are also stockholders in FSP Corp. with 248 of these 263 stockholders becoming stockholders in FSP Corp. following FSP Corp.'s acquisition of prior sponsored entities. Of the 246 stockholders in Royal Ridge, 149 are also stockholders in FSP Corp. with 140 of these 149 stockholders becoming stockholders in FSP Corp. following FSP Corp.'s acquisition of prior sponsored entities.

As part of its growth strategy FSP Corp. periodically considers acquiring properties, including REITs sponsored by FSP Investments. In June 2004, members of FSP Corp. management met to consider the possibility and feasibility of the acquisition of additional properties by FSP Corp. At that time, members of management identified several acquisition candidates, including the target REITs. After some discussion amongst management over the next several weeks, Mr. George Carter, the Chief Executive Officer of FSP Corp., determined that acquiring the target REITs at this time was the most attractive current acquisition alternative available to FSP Corp. and that the possibility of acquiring the target REITs should be discussed with the FSP board. At a meeting of the FSP board on June 25, 2004, FSP management discussed with its board the

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

possibility of acquiring the target REITs. No formal vote was taken, but the directors supported the decision to begin discussions with the target REITs. On or about July 2, 2004, Mr. Carter, as a representative of FSP Corp., contacted Messrs. Gribbell and MacPhee, as representatives of the target REITs, to discuss a possible business combination among FSP Corp. and the target REITs.

41

In identifying the target REITs as possible acquisition candidates, FSP Corp. considered the fact that although the target REITs had not been stand alone entities for a prolonged period of time FSP Property Management managed each property from the time FSP Corp. acquired the property to the time FSP Investments completed the syndication of such properties. FSP Investments completed the syndication of Addison Circle in December 2002, Collins Crossing in June 2003, Royal Ridge in March 2003 and Montague in September 2002. However, FSP Corp. has historically paid an amount in stock that was greater than, or a premium over, the appraised value of the real estate and cash held by each sponsored partnership or sponsored REIT it has acquired. Members of FSP Corp. management believed FSP Corp. could pay as merger consideration for each target REIT an amount in FSP common stock that was greater than, or a premium over, the appraised value and cash held by such target REIT as it had in similar prior transactions. FSP Corp. also considered the future cash flows from the current lease arrangements between the target REITs and their respective tenants. FSP Corp. believed that target REIT stockholders would view the proposed mergers as an opportunity to exchange their single asset real property investment for an investment in a larger and more diversified portfolio of properties and associated FSP Corp. business at a meaningful premium to the appraised values of their real properties. FSP Corp. believed that investors in syndicated entities would view this opportunity as a way to reduce the risks associated with a single asset real property investment that, by its nature, is likely to be subject to greater potential fluctuations in the local real estate markets and subject to possible loss of rental income in the absence of lease renewals. FSP Corp. also believed that the target REIT stockholders, particularly those who are also FSP Corp. stockholders, were familiar with FSP Corp.'s acquisition history of other sponsored REITs, including the acquisition of 13 sponsored REITs in 2003 in a similar transaction, and would therefore be able to evaluate the potential benefits and potential detriments to the proposed mergers.

FSP Corp. is a reporting company under federal securities laws by virtue of the number of stockholders owning FSP common stock. However, there is no public market for FSP common stock. FSP Corp. intends to file an application to list the FSP common stock on the American Stock Exchange, or AMEX. There can be no assurance that FSP Corp. will file such application or, in the event it does, that AMEX will accept the application, that a meaningful trading market will develop even if AMEX approves the application or that FSP common stock will trade at prices equal to or above the \$17.70 value ascribed to it in connection with the mergers. While there has been no public market for FSP common stock, FSP Corp. does have a redemption plan in its current charter which allows stockholders of FSP Corp. to have their shares redeemed. Under FSP Corp.'s redemption plan, FSP Corp. is only obligated to use its best efforts to redeem shares of FSP common stock from stockholders wishing to have them redeemed. There are significant conditions to FSP Corp.'s obligation to redeem shares of FSP common stock including:

- o FSP Corp. cannot be insolvent or be rendered insolvent by the redemption;
- o the redemption cannot impair FSP Corp.'s capital or operations;
- o the redemption cannot contravene any provision of federal or state

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

securities laws;

- o the redemption cannot result in FSP Corp. failing to qualify as a REIT; and
- o FSP Corp.'s management must determine that the redemption is in FSP Corp.'s best interests.

Any redemption effected by FSP Corp. under this plan would result in those stockholders tendering shares of FSP common stock receiving 90% of the fair market value of such shares, as determined by the FSP board in its sole and absolute discretion, and not their full fair market value. If FSP common stock becomes listed for trading on AMEX or any other national securities exchange or the NASDAQ National Market, FSP Corp. will no longer be obligated to effect any redemption.

THE MERGERS

We urge you to read the merger agreement by and among FSP Corp., the acquisition subsidiaries and the target REITs, a copy of which is set forth as Appendix A hereto and incorporated herein by reference.

Overview

FSP Corp. entered into the merger agreement, dated August 13, 2004, among FSP Corp., four wholly-owned acquisition subsidiaries of FSP Corp. and the target REITs. The merger agreement provides for the merger of each target REIT with and into an acquisition subsidiary, with the acquisition subsidiary being the surviving corporation.

The merger agreement provides that the mergers will be effected at the time of the filing of the certificates of merger with the secretary of state of the state of Delaware or at another date as may be specified in the certificates of merger. On the effective date, each acquisition subsidiary will acquire by merger a target REIT. The target REIT stockholders will be issued shares of FSP common stock registered with the SEC pursuant to the registration statement of which this Consent Solicitation/Prospectus is a part. FSP Corp. and the target boards expect that the effective date will be on or about December 31, 2004 or as soon as practicable after the conditions to the mergers are satisfied. The mergers will not require any federal or state regulatory approvals.

Adoption of the merger agreement and approval of the mergers by a majority of the outstanding shares of common stock and preferred stock of the target REIT voting together as a class constitutes consent to the mergers of the target REIT with and into the respective acquisition subsidiary and the issuance of FSP common stock to the target REIT stockholders, all pursuant to the terms of the merger agreement.

The Parties

FSP Corp. FSP Corp. is a Maryland corporation that operates in a manner intended to qualify as a real estate investment trust for federal income tax purposes.

FSP Corp. operates in two business segments and has two principal sources of revenue:

- o Real estate operations, including real estate leasing, interim

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

acquisition financing and asset/property management, which generate rental income, loan origination fees and management fees, respectively; and

- o Investment banking/investment services, which generate brokerage commissions and other fees related to the organization of single-purpose entities that own real estate and the private placement of equity in those entities.

On June 1, 2003, FSP Corp. acquired 13 real estate investment trusts by merger. In these mergers, FSP Corp. issued 25,000,091 shares of FSP common stock to holders of preferred stock in the acquired REITs. As a result of these mergers, FSP Corp. now holds all of the assets previously held by these acquired REITs. As part of its growth strategy, FSP Corp. may make similar acquisitions in the future. The proposed acquisition of the target REITs is part of that strategy.

The principal executive offices of FSP Corp. are located at 401 Edgewater Place, Suite 200, Wakefield, Massachusetts 01880, and FSP Corp.'s telephone number is (781) 557-1300. FSP Corp. leases its executive offices.

43

The Target REITs. Each Target REIT is a privately-held real estate investment trust formed as a corporation under the laws of the state of Delaware for the purpose of acquiring, developing and operating a single real property.

Addison Circle	Addison Circle owns an office building in Addison, Texas
Collins Crossing	Collins Crossing owns an office building in Richardson, Texas
Montague	Montague owns an office/research and development complex in San Jose, California
Royal Ridge	Royal Ridge owns an office building in Alpharetta, Georgia

The principal executive offices of the target REITs are located at 401 Edgewater Place, Suite 200, Wakefield, Massachusetts 01880, and the telephone number is (781) 557-1300.

The Acquisition Subsidiaries. Each acquisition subsidiary is a wholly-owned subsidiary of FSP Corp. formed as a corporation under the laws of the State of Delaware for the sole purpose of acquiring a target REIT.

Addison Circle Acquisition Corp.	- formed for the sole purpose of acquiring Addison Circle
Collins Crossing Acquisition Corp.	- formed for the sole purpose of acquiring Collins Crossing
Montague Acquisition Corp.	- formed for the sole purpose of acquiring Montague
Royal Ridge Acquisition Corp.	- formed for the sole purpose of acquiring Royal Ridge

The principal executive offices of the acquisition subsidiaries are

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

located at 401 Edgewater Place, Suite 200, Wakefield, Massachusetts 01880, and the telephone number is (781) 557-1300.

Votes Required

The affirmative vote of the holders of a majority of the preferred stock in each of the target REITs, and a majority of the preferred stock and common stock in each of the target REITs voting together as a class, is required to effectuate the applicable mergers. If one or more target REITs does not obtain the vote required for the consummation of the merger with such target REIT, FSP Corp. will not proceed with the mergers of any other target REIT. Each target REIT will solicit the vote of its target REIT stockholders separately. FSP Corp. is the sole stockholder of the common stock of each target REIT, and has agreed to vote those shares in favor of the respective mergers.

Barry Silverstein and Dennis J. McGillicuddy, each a director of FSP Corp., own an aggregate of 173 and 14 shares of target stock, respectively. Mr. Silverstein owns 102.5 shares in Addison Circle, 23.25 shares in Collins Crossing, 42 shares in Montague and 5.25 shares in Royal Ridge. Mr. McGillicuddy owns 1 share in each of Addison Circle and Royal Ridge, 2 shares in Collins Crossing and 10 shares in Montague. Messrs. Silverstein and McGillicuddy each purchased their shares in the original offerings of target stock and on the same terms as other stockholders of such target REITs. These shares of target stock held by Messrs. Silverstein and McGillicuddy will convert

44

into approximately 1,022,217 and approximately 80,836 shares of FSP common stock, respectively, upon consummation of the mergers. Messrs. Silverstein and McGillicuddy have indicated that they intend to vote their respective shares of target stock in favor of the adoption of the merger agreement and the approval of the mergers. The executive officers and directors of the target REITs do not beneficially hold any shares of target stock in any of the target REITs.

Recommendation of the Special Committees and the Target Boards

At a joint meeting held on August 11, 2004, each special committee unanimously determined (i) that the terms of the merger agreement and mergers are fair to, and in the best interests of, its target REIT and its target REIT stockholders, and (ii) to recommend to its target board that such target board approve the merger with its target REIT and adopt the merger agreement. At a joint meeting of the target boards held on August 11, 2004, the directors unanimously:

- o determined that the terms of the merger agreement and mergers with its target REIT are fair to, and in the best interests of, that target REIT and its target REIT stockholders;
- o authorized the officers of that target REIT to solicit consents from the target REIT stockholders for purposes of approving the merger relating to the respective target REIT and adopting the merger agreement;
- o determined to recommend to the respective target REIT stockholders that they vote to adopt the merger agreement and approve the merger relating to the respective target REIT; and
- o authorized the President of the respective target REIT to execute the merger agreement and related documents.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

See "Benefits, Background and Reasons for the Mergers - Background of the Mergers."

The Special Committees. In determining to recommend that its target board approve the merger relating to its respective target REIT and adopt the merger agreement, and in determining that the merger relating to its target REIT was fair to, and in the best interests of, such target REIT stockholders, each special committee considered both potential positive and negative factors. The special committees believe that the mergers represent an opportunity for the target REIT stockholders to realize a premium over the current appraised value of the real estate and adjusted cash held by the respective target REITs. Among the positive factors considered were the following factors, each of which, in such special committee's view, supported that special committee's determination to recommend the respective merger:

- o the determination of such special committee that the value of the FSP common stock to be distributed as merger consideration to its target REIT stockholders represented greater value, or a premium, than the sum of the value of the real estate (as determined by an appraisal) and cash held by such target REIT;
- o the determination of such special committee that the value of the FSP common stock to be distributed as merger consideration to its target REIT stockholders was greater than the value that was likely to be realized upon the continuation of the such target REIT;

45

- o the receipt from A.G. Edwards of an opinion, delivered orally to each special committee and board of each target REIT and subsequently confirmed in writing, as to the fairness from a financial point of view of the merger consideration to the stockholders of each target REIT;
- o the independent third-party appraisals of the real property owned by each target REIT;
- o the analysis presented to such special committee by A.G. Edwards (see "Fairness of the Mergers - Fairness of the Merger Consideration to Target REIT Stockholders - Fairness Opinions");
- o the substantial likelihood of the consummation of the mergers because of the limited number and nature of the conditions to FSP Corp.'s and the acquisition subsidiaries' obligations to close;
- o that target REIT stockholders who do not vote in favor of the mergers will have statutory appraisal rights;
- o that each target REIT can pay its customary dividends in respect of the third and fourth quarters of 2004; and
- o the representations and warranties of the merger agreement relating to the target REITs do not survive the closing.

For a complete list of the factors considered by the target REITs, see "Fairness of the Mergers - Conclusions of the Target Boards."

The material negative factors, which each special committee viewed as insufficient to outweigh the positive factors, were:

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

- o that, following the mergers, the target REIT stockholders will cease to participate in the future earnings growth, if any, of their respective target REIT or benefit from the increase, if any, in the future liquidation value of the respective target REIT, other than indirectly through their FSP stock ownership;
- o the possibility that the shares of FSP common stock may in the future trade at a price lower than \$17.70 per share;
- o the fact that, based on historical quarterly, non-special dividends received by stockholders of FSP Corp. and the target REIT stockholders, a majority of the target REIT stockholders could expect to receive a lower level of dividends from the combined company than such stockholders have historically received from their target REITs;
- o the possibility that the shares in the target REIT would have appreciated in value more rapidly or at a greater rate than any appreciation in value in the FSP Corp. shares;
- o that the target REITs did not seek third party bids for the acquisition of the target REITs or their respective properties; and
- o the potential conflicts of interests of officers and directors of each target REIT in connection with the mergers.

46

Each special committee consulted with A.G. Edwards during the course of the negotiation processes. Although A.G. Edwards provided advice and analyses to the special committees and each special committee accepted the opinion of A.G. Edwards as to the fairness, from a financial point of view, of the consideration to be received in the mergers by the target REIT stockholders, the decision to recommend to the target boards entering into the merger agreement and accepting the consideration to be received in the mergers was solely that of each special committee.

The special committees believe that the mergers are procedurally fair because:

- o each special committee was appointed to represent the interests of, and to negotiate with, FSP Corp. on behalf of the target REIT stockholders;
- o the special committees retained and were advised by independent legal counsel;
- o each special committee retained and received a report from an independent appraisal firm as to the value of the target REIT's property;
- o the special committees retained and were advised by A.G. Edwards, its independent financial advisor; and
- o the merger consideration and the other terms and conditions of the merger agreement resulted from negotiations between the special committees and FSP Corp.

Each target board considered increasing its board size to include an independent director to perform the function of the special committees. However,

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

each target board concluded that, given the potential liability of a director voting on the mergers, it would be difficult to retain someone with the knowledge and credentials necessary to fulfill the role of an independent director of a REIT who would be willing to take on the role of independent director of any of the target REITs without being substantially compensated and without being covered by director liability insurance. None of the target REITs currently has director and officer liability insurance. Each target board determined that the cost of compensating an independent director and obtaining director and officer liability insurance would be substantial and not in the best interests of its target REIT stockholders. For this reason, none of the target boards appointed an independent director to perform the functions of the special committees.

The Board of Directors. The target boards, at a joint meeting held on August 11, 2004, considered the unanimous recommendation of each of the special committees, the opinions of the financial advisor as to the fairness of the merger consideration from a financial point of view to each target REIT, as well as the other factors (enumerated above) considered by each special committee, and determined that the mergers are fair to, and in the best interests of, the target REIT stockholders, adopted the merger agreement and approved the mergers and recommended that the target REIT stockholders vote to adopt the merger agreement and approve the mergers. Each target board considered the recommendation of its special committee but made its own evaluation, based on the factors enumerated above, of the substantive and procedural fairness of the mergers and the merger agreement.

The foregoing discussion of the information and factors considered by the special committees and the target boards is not intended to be exhaustive but includes all material factors considered by them in making their respective decisions. In view of the variety of factors considered in connection with their evaluation of the mergers, the special committees and the target boards did not find it practicable to, and did not, quantify or otherwise attempt to assign relative weights to the specific factors considered in reaching their respective determinations. In addition, individual members of the special committees or of the target boards may have given different weight to different factors.

47

Appraisal Rights of Dissenting Stockholders of Target REITs

If the mergers are consummated, a target REIT stockholder who does not consent in writing to the mergers and who is the holder of record of target stock on the date of making a demand for appraisal, as described below, will be entitled to have those shares appraised by the Delaware Court of Chancery, or the Delaware Court, under Section 262 of the Delaware general corporation law statute and to receive payment for the "fair value" of those shares instead of the consideration provided for in the merger agreement. In order to be eligible to receive this payment, however, a target REIT stockholder must:

- o continue to hold his, her or its target stock through the time of the mergers, and
- o strictly comply with the procedures discussed under Section 262.

The statutory right of appraisal granted by Section 262 requires strict compliance with the procedures in Section 262. Failure to follow any of these procedures may result in a termination or waiver of appraisal rights under Section 262. The following is a summary of the principal provisions of Section 262. The following summary is not a complete statement of Section 262 of the Delaware general corporation law statute, and is qualified in its entirety by

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

reference to Section 262, which is incorporated herein by reference, together with any amendments to the laws that may be adopted after the date of this Consent Solicitation/Prospectus. A copy of Section 262 is attached as Appendix D to this Consent Solicitation/Prospectus.

Notice Requirements. Under Section 262, each target REIT before the effective date or acquisition subsidiary within ten days after the effective date, as the surviving corporation, must send a notice of availability appraisal rights, or the appraisal rights notice, as required under Section 262(d)(2) of the Delaware general corporation law, and a copy of Section 262 to each target REIT stockholder of the respective target REIT, or if sent after the effective date, to each stockholder who has not consented in writing to adoption of the merger agreement, approval of the mergers and the transactions contemplated by the merger agreement and who is eligible for appraisal rights. This Consent Solicitation/Prospectus constitutes such notice. Any target REIT stockholder entitled to appraisal rights may, within twenty days after the date of mailing of this Consent Solicitation/Prospectus, demand in writing from the respective target REIT or acquisition subsidiary, as the surviving corporation, an appraisal of his, her or its shares of target stock. Such demand will be sufficient if it reasonably informs the respective target REIT or acquisition subsidiary of the identity of the target REIT stockholder and that the target REIT stockholder intends to demand an appraisal of the fair value of his, her or its shares of target stock. Failure to make such demand on or before the expiration of such twenty day period will foreclose a target REIT stockholder's rights to appraisal. A target REIT stockholder should not expect to receive any additional notice with respect to the deadline for demanding appraisal rights.

Demand for Appraisal. Only a target REIT stockholder who does not consent in writing to the mergers will be entitled to seek appraisal. Only a record holder of target stock on the date of making a written demand for appraisal who continuously holds those shares through the time of the mergers is entitled to seek appraisal. Demand for appraisal must be executed by or for the holder of record, fully and correctly, as that holder's name appears on the holder's stock certificates representing shares of the target stock or other evidence of ownership of target stock. If the target stock is owned of record in a fiduciary capacity by a trustee, guardian or custodian, the demand should be made in that capacity. If the target stock is owned of record by more than one person, as in a joint tenancy or tenancy in common, the demand should be made by or for all owners of record.

48

An authorized agent, including an agent for one or more joint owners, may execute the demand for appraisal for a holder of record; that agent, however, must identify the record owner or owners and expressly disclose in the demand that the agent is acting as agent for the record owner or owners of the shares.

A record holder such as a broker, fiduciary, depository or other nominee who holds shares of the target stock as a nominee for more than one beneficial owner, some of whom desire to demand appraisal, may exercise appraisal rights on behalf of those beneficial owners with respect to the shares of target stock held for those beneficial owners. In that case, the written demand for appraisal should state the number of shares of the target stock covered by it. Unless a demand for appraisal specifies a number of shares, the demand will be presumed to cover all shares of the target stock held in the name of the record owner.

Failure to make a demand for appraisal on or before _____, 2004 will foreclose a target REIT stockholder's rights to appraisal. All demands should be delivered to the attention of the respective acquisition subsidiary at 401 Edgewater Place, Wakefield, Massachusetts 01880, Attention: Barbara J. Fournier.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Beneficial owners who are not record owners and who intend to exercise appraisal rights should instruct the record owner to comply with the statutory requirements with respect to the exercise of appraisal rights within twenty days of the date of mailing of the appraisal rights notice.

Filing of Petition. Within 120 days after the effective date of the mergers, any target REIT stockholder who has complied with the applicable provisions of Section 262 will be entitled, upon written request, to receive from the respective acquisition subsidiary a statement setting forth the aggregate number of shares of preferred stock of his, her or its target REIT not voting in favor of the mergers and with respect to which demands for appraisal were received by the respective acquisition subsidiary for his, her or its target REIT and the number of holders of such shares. Each respective acquisition subsidiary must mail this statement within ten days after it receives the written request or within ten days after the expiration of the period for the delivery of demands as described above, whichever is later.

Within 120 days after the effective date of the mergers, each respective acquisition subsidiary, as the surviving corporation, or any target REIT stockholder who has complied with the requirements of Section 262 and who is otherwise entitled to appraisal rights may file a petition in the Delaware Court demanding a determination of the fair value of the shares of target REIT stock held by all target REIT stockholders of a specific target REIT seeking appraisal. A dissenting target REIT stockholder must serve a copy of the petition on the respective acquisition subsidiary. If no petition is filed by either the respective acquisition subsidiary or any dissenting target REIT stockholder within the 120-day period, the rights of all dissenting target REIT stockholders to appraisal will cease, and the stockholders will be entitled to receive the merger consideration that they would have received had they not exercised appraisal rights.

Target REIT stockholders seeking to exercise appraisal rights should not assume that the respective acquisition subsidiary, as the surviving corporation, will file a petition with respect to the appraisal of the fair value of their target stock or that the respective acquisition subsidiary will initiate any negotiations with respect to the fair value of those shares. The acquisition subsidiaries are under no obligation to, and have no present intention to, take any action in this regard. Accordingly, target REIT stockholders who wish to seek appraisal of their shares should initiate all necessary action with respect to the perfection of their appraisal rights within the time periods and in the manner prescribed in Section 262. Failure to file the petition on a timely basis will cause the target REIT stockholder's right to an appraisal to cease.

Notice of and Hearing in Chancery Court. Upon the filing of a petition by a target REIT stockholder seeking appraisal, the Delaware Court may order a hearing and deliver notice of the time and place fixed for the hearing on the petition to the respective acquisition subsidiary and all of the dissenting target REIT stockholders. Notice will also be published at least one week before the day of the hearing in a newspaper of general circulation published in the City of Wilmington, Delaware or in another publication deemed advisable by the Delaware Court. The costs relating to those notices will be borne by the respective acquisition subsidiary. If a petition for an appraisal is filed in a timely manner, at the hearing on the petition, the Delaware Court will determine which target REIT stockholders are entitled to appraisal rights and will appraise the shares of target stock owned by those target REIT stockholders. The Delaware Court may require the target REIT stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

submit their certificates of target stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any target REIT stockholder fails to comply with such direction, the Delaware Court may dismiss the proceedings as to such target REIT stockholder. The court will determine the fair value of those shares, exclusive of any element of value arising from the consummation or expectation of the mergers, together with a fair rate of interest, to be paid, if any, upon the fair value. The Court of Chancery may determine the cost of the appraisal proceeding and assess it against the parties as the Court deems equitable.

Although each target board believes that the consideration to be received by its respective target REIT stockholders for their shares of preferred stock is fair, no representation is made as to the outcome of the appraisal of fair value as determined by the court, and target REIT stockholders should recognize that such an appraisal could result in a determination of a value that is higher or lower than, or the same as, the merger consideration. Moreover, FSP Corp. does not anticipate offering more than the merger consideration to any target REIT stockholder exercising appraisal rights and reserves the right to assert, in any appraisal proceeding, that, for purposes of Section 262, the "fair value" of a share of target stock is less than the merger consideration.

Determination of Fair Value. In determining "fair value," the Delaware Court is required to take into account all relevant factors. In *Weinberger v. UOP, Inc.*, the Delaware Supreme Court discussed the factors that could be considered in determining fair value in an appraisal proceeding, stating that "proof of value by any techniques or methods which are generally considered acceptable in the financial community and otherwise admissible in court" should be considered and the "[f]air price obviously requires consideration of all relevant factors involving the value of a company." The Delaware Supreme Court has stated that in making this determination of fair value the court must consider market value, asset value, dividends, earnings prospects, the nature of the enterprise and any other facts which could be ascertained as of the date of the merger which throw any light on the prospects of the merged corporation.

Section 262 provides that fair value is to be "exclusive of any element of value arising from the accomplishment or expectation of the merger." In *Cede & Co. v. Technicolor, Inc.*, the Delaware Supreme Court stated that such exclusion is a "narrow exclusion [that] does not encompass known elements of value," but which rather applies only to the speculative elements of value arising from such accomplishment or expectation. In *Weinberger*, the Delaware Supreme Court construed Section 262 to mean that "elements of future value, including the nature of the enterprise, which are known or susceptible of proof as of the date of the merger and not the product of speculation, may be considered."

Expenses. Each dissenting target REIT stockholder is responsible for his, her or its attorneys' and expert witness expenses, although upon application of a dissenting target REIT stockholder, the Court may order that all or a portion of the expenses incurred by any dissenting target REIT stockholder in connection with the appraisal proceeding (including, without limitation, reasonable attorneys' fees and the fees and expenses of experts) be charged pro rata against the value of all shares of target stock entitled to appraisal. In the absence of a court determination or assessment, each party bears its own expenses.

No Right to Vote or Receive Dividends. Any target REIT stockholder who has demanded appraisal in compliance with Section 262 will not, after the mergers, be entitled to vote such stock for any purpose or receive payment of dividends or other distributions, if any, on the target stock, except for dividends or

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

distributions, if any, payable to stockholders of record at a date prior to the mergers.

Withdrawal. A target REIT stockholder may withdraw a demand for appraisal and accept the FSP common stock at any time within 60 days after the effective date of the mergers, or thereafter may withdraw a demand for appraisal with the written approval of the respective acquisition subsidiary. Notwithstanding the foregoing, if an appraisal proceeding is properly instituted, it may not be dismissed as to any target REIT stockholder without the approval of the Delaware Court, and any such approval may be conditioned on the Delaware Court deeming the terms to be just. If, after the mergers, a holder of target stock who had demanded appraisal for his, her or its target stock fails to perfect or loses his, her or its right to appraisal, those shares of target stock will be treated as if they were converted into FSP common stock at the time of the mergers.

In view of the complexity of these provisions of the Delaware corporate law, any target REIT stockholder who is considering exercising appraisal rights should consult a legal advisor.

Conditions Precedent to the Mergers

The respective obligations of each party to effect the mergers are subject to the fulfillment or waiver on or before the effective date of the following conditions:

- o the adoption of the merger agreement and the approval of the mergers by the affirmative vote of the holders of a majority of the shares of target stock of each target REIT;
- o the parties must receive all necessary consents, waivers, approvals, authorizations or orders required to be obtained and the making of all filings required to be made by any of the parties for the authorization, execution and delivery of the merger agreement and the consummation of the transactions contemplated thereby on or before (and remaining in effect at) the effective date;
- o FSP Corp. and each of the target REITs shall have received an opinion from Wilmer Cutler Pickering Hale and Dorr LLP or another nationally recognized law firm to the effect that each merger will be treated for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code and confirming that, to the extent the matters discussed under the heading "Material United States Federal Income Tax Considerations" in this Consent Solicitation/Prospectus constitute matters of law, they are accurate in all material respects;
- o delivery by the President and Chief Executive Officer of FSP Corp. and the President of each of the target REITs of certificates to the effect that there have been no material adverse changes in the financial condition of such entity prior to the consummation of the mergers;
- o there having been no statute, rule, order, or regulation enacted or issued by the United States or any State thereof, or by a court, which prohibits the consummation of the mergers; and
- o the representations of each of FSP Corp. and the target REITs set forth in the merger agreement shall be true and complete in all material respects as of the closing date (provided that the party whose representation was not correct shall have no right not to proceed with the closing as a result thereof).

The conditions described in the second bulleted paragraph above may be waived by the FSP board in whole or in part if, in the opinion of the FSP board, such waiver does not materially affect the terms of the transaction, which waiver shall not be unreasonably withheld. Certain of the conditions to the consummation of the mergers are beyond the control of FSP Corp., the target REITs and the target boards. There can be no assurance that the mergers will occur.

Legal Proceedings

FSP Corp., one or more of the target REITs and the target boards may be involved in litigation incidental to their business, but no material litigation is currently pending or threatened against FSP Corp. or any of the target REITs, their respective properties or the target boards.

Solicitation of Consents By FSP Investments

FSP Investments, as the soliciting agent, will use its best efforts to solicit the consents of target REIT stockholders to approve the mergers. FSP Investments will not receive any commissions with respect to the mergers; however, all out-of-pocket expenses (including telephone, mailing and other expenses) incurred by FSP Investments will be treated as solicitation expenses and will be reimbursed to FSP Investments as set forth below in "Expenses of the Mergers." FSP Investments is a wholly-owned subsidiary of FSP Corp.

Interests of Certain Persons in the Mergers

A number of conflicts of interest are inherent in the relationships among the target REITs, the target boards, FSP Corp., the FSP board and their respective affiliates. These conflicts of interest include the fact that FSP Investments, a subsidiary of FSP Corp., syndicated each target REIT and, among others:

- o George J. Carter, the President and a director of each target REIT, is President, Chief Executive Officer and a director of FSP Corp. and owns an aggregate of 775,531 shares of FSP common stock;
- o R. Scott MacPhee, an Executive Vice President and a director of each target REIT and a member of each special committee, is also an Executive Vice President of FSP Corp. and owns an aggregate of 372,451 shares of FSP common stock;
- o Richard R. Norris, an Executive Vice President and a director of each target REIT, is also a director and an Executive Vice President of FSP Corp. and owns an aggregate of 258,087 shares of FSP common stock;
- o William W. Gribbell, an Executive Vice President and a director of each target REIT and a member of each special committee, is also an Executive Vice President of FSP Corp. and owns an aggregate of 129,761 shares of FSP common stock;
- o Barbara J. Fournier, Vice President, Chief Operating Officer, Treasurer, Secretary and a director of each target REIT, is also Vice President, Chief Operating Officer, Treasurer, Secretary and a director of FSP Corp. and owns an aggregate of 27,934 shares of FSP common stock;

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

- o Janet P. Notopoulos, Vice President of each target REIT, is also a Vice President and director of FSP Corp. and owns an aggregate of 14,985 shares of FSP common stock; and

52

- o the target REITs' properties are managed by FSP Property Management, a subsidiary of FSP Corp. pursuant to management services agreements under which FSP Corp. receives certain fees from each target REIT for its management services.

Each target board established a special committee consisting of Messrs. MacPhee and Gribbell, the only members of the target boards who are not also members of the FSP board. Messrs. MacPhee and Gribbell serve as executive vice presidents of FSP Corp. Under the Delaware general corporation law, the target boards cannot delegate to a third party their fiduciary duties relating to the determination of whether the transactions contemplated by the mergers were or were not fair to the target REIT stockholders. For this reason, no unaffiliated person(s) was or were retained by any target board to represent the interests of the target REIT stockholders, whether or not such stockholders are or were affiliated with FSP Corp. Each target board considered increasing its board size to include an independent director to perform the function of the special committees. However, each target board concluded that, given the potential liability of a director voting on the mergers, it would be difficult to retain someone with the knowledge and credentials necessary to fulfill the role of an independent director of a REIT who would be willing to take on the role of independent director of any of the target REITs without being substantially compensated and without being covered by director liability insurance. None of the target REITs currently has director and officer liability insurance. Each target board determined that the cost of compensating an independent director and obtaining director and officer liability insurance would be substantial and not in the best interests of its target REIT stockholders. For this reason, none of the target boards appointed an independent director to perform the functions of the special committees.

If each target REIT had a separate board of directors with executive officers who did not serve in similar capacities for FSP Corp. and directors who did not own FSP common stock, these persons would have had an independent perspective which might have led them to advocate positions during the negotiation and structuring of the merger agreement and the determination of the merger consideration more favorable to the target REIT stockholders than those taken by the target boards.

The executive officers and directors of the target REITs do not beneficially hold any shares of target stock in any of the target REITs. Barry Silverstein and Dennis J. McGillicuddy, each a director of FSP Corp., own an aggregate of 173 and 14 shares of target stock, respectively. Mr. Silverstein owns 102.5 shares in Addison Circle, 23.25 shares in Collins Crossing, 42 shares in Montague and 5.25 shares in Royal Ridge. Mr. McGillicuddy owns 1 share in each of Addison Circle and Royal Ridge, 2 shares in Collins Crossing and 10 shares in Montague. Messrs. Silverstein and McGillicuddy each purchased their shares in the original offerings of target stock and on the same terms as other stockholders of such target REITs. These shares of target stock held by Messrs. Silverstein and McGillicuddy will convert into approximately 1,022,217 and approximately 80,836 shares of FSP common stock, respectively, upon consummation of the mergers. Messrs. Silverstein and McGillicuddy have indicated that they intend to vote their respective shares of target stock in favor of the adoption of the merger agreement and the approval of the mergers.

Barry Silverstein, Dennis J. McGillicuddy and John N. Burke are the only

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

directors of FSP Corp. who are not also officers or directors of any target REIT. The remainder of the officers and directors of FSP Corp. serve as a director and/or officer, in the positions listed above, of each target REIT.

Upon completion of the mergers, Mr. Silverstein's percentage ownership interest of FSP Corp. will decrease from 9.67% to 9.62%, Mr. McGillicuddy's percentage ownership interest of FSP Corp. will decrease from 7.24% to 6.07%, and the percentage ownership of the current directors and executive officers of FSP Corp. as a group will decrease from 19.07% to 17.46%. Mr. Burke does not own any shares of FSP common stock or any shares of target stock.

53

Material United States Federal Income Tax Considerations

The mergers are intended to qualify as reorganizations within the meaning of Section 368(a) of the tax code. It is a condition to the closing of the mergers that FSP Corp. and each target REIT shall have received an opinion from Wilmer Cutler Pickering Hale and Dorr LLP or another nationally recognized law firm to the effect that the mergers will be treated for United States federal income tax purposes as reorganizations within the meaning of Section 368(a) of the tax code and confirming in all material respects that, to the extent the matters discussed under the heading "Material United States Federal Income Tax Considerations" in the Consent Solicitation/Prospectus constitute matters of law, they are accurate in all material respects.

Accounting Treatment

Each of the mergers will be accounted for as a purchase under GAAP.

Timing and Effectiveness of the Mergers

The effective date of the mergers is expected to occur on or about December 31, 2004 or such other time as the conditions to the mergers are satisfied.

Market Information

There is no established public trading market for FSP common stock. FSP Corp. intends to file an application to list its common stock on AMEX. There can be no assurance that FSP Corp. will file such application or, in the event it does, that AMEX will accept the application or that a meaningful trading market will develop even if AMEX approves the application. The fair market value of FSP common stock of \$17.70 per share was determined through negotiations between the special committees of the target boards and FSP Corp. of the merger consideration to be received by the target REIT stockholders.

As of August 20, 2004, there were approximately 1,420 holders of record of FSP common stock. This computation is based upon the number of record holders reflected in the corporate records of FSP Corp.

FSP Corp. has declared a dividend of \$0.31 per share of FSP common stock payable to stockholders of record as of July 30, 2004. Set forth below are the dividends per share of FSP common stock that FSP Corp. made in each quarter since the quarter ended June 30, 2002.

Quarter Ended	Distribution Amount Per Share of FSP Common Stock
6/30/02	\$0.31

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

9/30/02	\$0.31
12/31/02	\$0.31
3/31/03	\$0.31
6/30/03	\$0.31
9/30/03	\$0.31
12/31/03	\$0.31
3/31/04	\$0.31
6/30/04	\$0.31

Moreover, for the quarter ended September 30, 2003, FSP Corp. declared a special dividend of \$0.12 per share of FSP common stock. While not guaranteed, FSP Corp. expects that cash dividends on FSP common stock comparable to FSP Corp.'s most recent quarterly dividend will continue to be paid in the future.

54

Expenses of the Mergers

The expenses payable by FSP Corp. and the target REITs in connection with the mergers are estimated to be as follows:

	By FSP Corp.	By Target REITs
	-----	-----
Appraisals (including fees and expenses)	\$ --	\$ 20,500
Fairness Opinions (including fees and expenses)	--	380,000
Legal (including fees and expenses)	300,000	35,000
Accounting	75,000	
Printing and Postage	80,000	
Soliciting Agent (Out-of-Pocket Expenses)	5,000	
Contingency	40,000	
	\$500,000	\$435,500

The target REITs are only responsible for payment of A.G. Edwards' engagement, including the fairness opinions, the appraisals and the fees of its outside legal counsel and independent accountants. All other fees and expenses will be paid by FSP Corp.

BENEFITS, BACKGROUND AND REASONS FOR THE MERGERS

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

History of FSP Corp. and the Target REITs

FSP Corp. FSP Corp. is a Maryland corporation that operates in a manner intended to qualify as a real estate investment trust for federal income tax purposes.

FSP Corp. operates in two business segments and has two principal sources of revenue:

- o Real estate operations, including real estate leasing, interim acquisition financing and asset/property management, which generate rental income, loan origination fees and management fees, respectively.
- o Investment banking/investment services, which generate brokerage commissions and other fees related to the organization of single-purpose entities that own real estate and the private placement of equity in those entities.

On June 1, 2003, FSP Corp. acquired 13 real estate investment trusts by merger. In these mergers, FSP Corp. issued 25,000,091 shares of FSP common stock to holders of preferred stock in the acquired REITs. As a result of these mergers, FSP Corp. now holds all of the assets previously held by these acquired REITs. As part of its growth strategy, FSP Corp. may make similar acquisitions in the future. The proposed acquisition of the target REITs is part of that strategy.

For more detailed information regarding FSP Corp. and its growth strategy and prior acquisitions see "Background of FSP Corp. and its Growth Strategy." FSP Investments completed the syndication of Addison Circle in December 2002, Collins Crossing in June 2003, Royal Ridge in March 2003 and Montague in September 2002. The following table sets forth the amount to be paid by FSP Corp. for each of the target REITs as negotiated in connection with the mergers, the fair market value of the FSP common stock as negotiated in connection with the mergers to be issued as merger consideration, the value per share or unit ascribed to the merger consideration received by investors, the gross proceeds contributed by investors in the original syndication of such sponsored entity, the estimated amount of fees FSP Corp. (including FSP Investments) earned upon the original syndication and the estimated amount of fees FSP Property Management earned after the original syndication but prior to the acquisition. Following the mergers the target REIT stockholders will indirectly incur their pro rata share of FSP Corp.'s general and administrative expenses.

Target REIT -----	Merger Consideration to be Received by Target REIT Stockholders -----	Per Share Value of FSP Common Stock -----	Gross Proceeds of the Syndication -----	Estimated Aggregate Fees Earned by FSP Corp. -----
Addison Circle	\$66,965,414	\$17.70	\$63,600,000	\$9,818,870
Collins Crossing	60,587,756	17.70	55,500,000	8,706,270
Montague	33,400,000	17.70	33,400,000	5,009,680
Royal Ridge	31,888,293	17.70	29,750,000	4,384,860

Background of the Mergers

In accordance with FSP Corp.'s strategy of periodically reviewing the possibility of acquiring sponsored REITs, at a meeting of the FSP board on June 25, 2004, FSP management discussed with its board the possibility of acquiring the target REITs. No formal vote was taken, but the directors supported the decision to begin discussions with the target REITs.

On June 29, 2004, members of FSP Corp. management met with Wilmer Cutler Pickering Hale and Dorr LLP, FSP Corp.'s legal counsel, and Ernst & Young LLP, FSP Corp.'s independent auditors, to discuss the possibility of the mergers and FSP Corp.'s intent to apply to list the FSP common stock on AMEX.

On or about July 2, 2004, Mr. Carter, as a representative of FSP Corp., contacted Messrs. Gribbell and MacPhee, as representatives of the target REITs, to discuss a possible business combination among FSP Corp. and the target REITs.

On or about July 5, 2004, the target boards held a telephonic meeting to discuss the possibility of a business combination with FSP Corp. On July 12, 2004, each target board established a special committee to consider the proposed mergers with FSP Corp. Each special committee is comprised of Messrs. MacPhee and Gribbell, the members of the target REIT boards who were not also members of the FSP board.

On July 13, 2004, the special committees held a telephonic meeting with representatives of A.G. Edwards to discuss the potential engagement of A.G. Edwards.

On or about July 19, 2004, the special committees engaged Gehrke, Gish & Umana LLP, or GGU, to act as independent legal counsel to the target REITs and on or about July 22, 2004 engaged A.G. Edwards to advise the special committees in evaluating and negotiating the terms of the mergers, including the merger consideration, and to deliver a fairness opinion to each target board.

On July 19, 2004, the special committees held a telephonic meeting at which the special committees, representatives of GGU and representatives of A.G. Edwards began reviewing certain financial, strategic and legal considerations relating to a potential acquisition of the target REITs by FSP Corp.

On July 20, 2004, a draft of the merger agreement was distributed by counsel for FSP Corp. for review by FSP Corp., the special committees, GGU and A.G. Edwards. From this date through August 10, 2004, FSP Corp., together with its outside counsel, and the special committees of the target REITs, together with the target REITs' outside counsel, negotiated the various terms of the merger agreement and related documents.

On July 13, 2004, the special committee received the appraisal for Royal Ridge from CB Richard Ellis, legally known as CBRE- Valuation and Advisory Services. On July 14, 2004, the special committee received the appraisal for Montague from Cushman & Wakefield of California, Inc. On July 23, 2004, the special committee received the appraisal for Addison Circle and Collins Crossing from Bryan E. Humphries and Associates.

On July 26, 2004, the special committees held a telephonic meeting in

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

which the special committees and representatives of A.G. Edwards began reviewing potential valuations and analyses relating to the proposed acquisition of the target REITs by FSP Corp. The special committees then determined, after consultation with A.G. Edwards, to propose an initial range for the value of the FSP common stock. The low end of the range was \$16.67 per share and the high end was \$18.50.

On July 26, 2004, the special committees held a second telephonic meeting at which a representative of GGU discussed the fiduciary duties of the special committees and the boards of the target REITs in connection with an acquisition of the target REITs by FSP Corp. The special committees and a representative of GGU also discussed the terms of the merger agreement prepared by FSP Corp.'s counsel, and the special committees authorized GGU to continue negotiations concerning the merger agreement with FSP Corp.'s counsel.

Between July 26, 2004 and July 27, 2004, members of FSP Corp.'s management and the special committees discussed an appropriate price per share of FSP common stock in connection with the potential mergers of the target REITs and the wholly-owned acquisition subsidiaries of FSP Corp. After several discussions, as detailed below, with FSP Corp. relating to the proposed range and the basis for the range, the target boards presented FSP Corp. with a proposed per share price of \$17.70 for the FSP common stock. After additional discussions, also detailed below, FSP Corp. accepted the proposed per share price.

On July 27, 2004, the special committees held a telephonic meeting at which the special committees and representatives of A.G. Edwards discussed the proposed price per share of FSP common stock that FSP Corp. would issue in the proposed mergers.

On July 27, 2004, after discussions with the FSP board, Mr. Carter and Ms. Notopoulos discussed with the special committees and representatives of A.G. Edwards the proposed price per share of FSP common stock that FSP Corp. would issue in the proposed mergers.

On July 27, 2004, the special committees held a second telephonic meeting at which they discussed with representatives of A.G. Edwards FSP Corp.'s proposed price per share of FSP common stock. The special committees determined that they would continue negotiations with FSP Corp. regarding the FSP Corp. stock price.

On July 27, 2004, Mr. Carter and Ms. Notopoulos, on behalf of FSP Corp., and the members of the special committees and representatives of A.G. Edwards, on behalf of the target REITs, further discussed the proposed price per share of FSP common stock that FSP Corp. would issue in the proposed mergers. No formal vote was taken, but the members of the special committees supported the outcome of the discussions.

Between July 26, 2004 and August 3, 2004, representatives of A.G. Edwards engaged in discussions with members of FSP Corp.'s management, on behalf of the target REITs, regarding potential valuations, financial models, business and legal due diligence and other issues relating to a business combination among the target REITs and FSP Corp.

On July 28, 2004, the special committees held a telephonic meeting at which the special committees and representatives of A.G. Edwards discussed the appraisal of each target REIT and the proposed number of shares of FSP common stock that would be issued to the stockholders of each target REIT in the mergers.

On July 28, 2004, after discussions with certain members of the FSP board, Mr. Carter informed the special committee and representatives of A.G. Edwards of

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

the number of shares of FSP common stock that FSP Corp. was considering offering as merger consideration.

58

On July 29, 2004, representatives of A.G. Edwards discussed with the special committees the proposed number of shares of FSP common stock being offered by FSP Corp as merger consideration. No formal vote was taken, but the members of the special committees supported the outcome of the discussions.

On August 3, 2004, the special committees held a telephonic meeting at which the special committees and a representative of GGU discussed the terms of the revised merger agreement prepared by FSP Corp.'s counsel, and the special committees authorized GGU to continue negotiations concerning the merger agreement with FSP Corp.'s counsel.

Negotiations among management of FSP Corp., the special committees, counsel for the target REITs and counsel for FSP Corp. continued until August 10, 2004. During this period, final agreement on the terms of the merger agreement and other issues was reached over the course of several discussions between management of and counsel for FSP Corp. and members of the special committees and counsel for the target REITs. The negotiations between the parties resulted in agreement on merger consideration for Addison Circle, Collins Crossing and Royal Ridge that produced a premium, based on a value of \$17.70 per share of FSP common stock, to the sum of the appraised value of real estate and adjusted cash balances that ranged from 17.9% to 20.0%. With respect to Montague, FSP Corp. noted that Montague's property is leased to a single tenant through December 31, 2006 at a rate that is currently significantly above market. FSP Corp. further noted that the appraised value of Montague's real estate was \$20,000,000. Montague's special committee noted that Montague's stockholders were receiving significant current cash yields as a result of the above-mentioned lease and that, in the absence of a significant premium to appraised value, those stockholders might not be inclined to approve a merger. These negotiations resulted in merger consideration for Montague that produced a premium, based on the value of \$17.70 per share of FSP common stock, of 51.6%.

On August 10, 2004, the parties completed their due diligence reviews and finalized the terms of the merger agreement and related agreements.

On August 10, 2004, the special committees held a meeting, and on August 11, 2004 the target boards held a meeting, to review the final terms of the merger agreement and related documents and to consider the approval of the merger agreement. The members of the special committees and target boards also considered and discussed the various strategic alternatives available to each target REIT, including the possibility of remaining independent. At each meeting, representatives of A.G. Edwards presented an analysis of the financial terms of each merger, including a discussion of financial data and analyses used in evaluating the possible acquisition of such target REIT by FSP Corp. After its presentation at the board meeting, A.G. Edwards provided to each target board an oral opinion, later confirmed in writing, to the effect that, as of August 11, 2004 and based upon and subject to the various considerations set forth in its respective opinions, the merger consideration was fair from a financial point of view to the holders of preferred stock of each target REIT.

Additionally, at each of these meetings, a representative of GGU, outside counsel to the target REITs, made a presentation regarding the significant terms of the merger agreement and reviewed with the special committees and target boards their fiduciary duties in connection with the proposed transactions. Each special committee, after considering the terms of the merger agreement and other related documents and the various presentations, unanimously approved the merger

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

agreement and the mergers and recommended that its respective full target board also approve the transactions. Each target board, after considering the terms of the merger agreement and other related documents, the various presentations and its special committee's recommendation, unanimously approved the merger agreement and the mergers, concluding that the consideration to be paid to the target REIT stockholders in the mergers was fair to and in the best interests of that target REIT and its stockholders. The target REIT boards then authorized Mr. Carter to execute the merger agreement and related documents on behalf of the target REITs.

59

On August 13, 2004, the FSP board held a special meeting to review the final terms of the merger agreement and related documents and to consider the approval of the merger agreement. Members of FSP Corp.'s management reviewed with the FSP board the terms of the merger and the merger agreement. At the meeting, representatives of Wilmer Cutler Pickering Hale and Dorr LLP, FSP Corp.'s outside counsel, made a presentation regarding the significant terms of the merger agreement and reviewed with the board its fiduciary duties in connection with the proposed transactions. Mr. John Burke, the only disinterested member of the FSP board, after considering the terms of the merger agreement and other related documents and the various presentations, approved the merger agreement and the related documentation and recommended that the full FSP board also approve the transaction. The other members of the FSP board, after considering the terms of the merger agreement and other related documents, the various presentations and Mr. Burke's recommendation, unanimously approved the merger agreement and the related documentation. The FSP board then authorized Mr. Carter to execute the merger agreement and related agreements.

On August 13, 2004, FSP Corp., the target REITs and the acquisition subsidiaries executed the merger agreement.

Reasons for the Mergers

The Target REITs. Each target board unanimously concluded that the merger agreement, providing for the mergers and the issuance of the merger consideration, is fair to, and in the best interests of, its target REIT and target REIT stockholders. Each target board recommends a vote FOR adoption of the merger agreement and approval of the mergers contemplated thereby.

The special committees believe that the mergers represent an opportunity for the target REIT stockholders to realize a premium over the current appraised value of the real estate (as determined by the appraisal) and adjusted cash held by the respective target REITs. The decision to adopt the merger agreement and approve the mergers contemplated thereby is also based upon:

- o the determination of such special committee that the value of the FSP common stock to be distributed as merger consideration to its target REIT stockholders was greater than the value that was likely to be realized upon the continuation of the such target REIT;
- o the receipt from A.G. Edwards of an opinion, delivered orally to each special committee and board of each target REIT and subsequently confirmed in writing, as to the fairness from a financial point of view of the merger consideration to the stockholders of each target REIT;
- o the independent third-party appraisals of the real property owned by each target REIT;

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

- o the analysis presented to such special committee by A.G. Edwards (see "Fairness of the Mergers - Fairness of the Merger Consideration to Target REIT Stockholders - Fairness Opinions");
- o the substantial likelihood of the consummation of the mergers because of the limited number and nature of the conditions to FSP Corp.'s and the acquisition subsidiaries' obligations to close;
- o that target REIT stockholders who do not vote in favor of the mergers will have statutory appraisal rights;
- o that each target REIT can pay its customary dividends in respect of the third and fourth quarters of 2004; and

60

- o the representations and warranties of the merger agreement relating to the target REITs do not survive the closing.

For a complete list of the factors considered by the target REITs, see "Fairness of the Mergers - Conclusions of the Target Boards."

The decision of the individual target boards to adopt the merger agreement and approve the mergers contemplated thereby resulted from each target board's careful consideration of a range of strategic alternatives, including the continuation of its target REIT, the liquidation of its target REIT and the creation or support of a secondary market for the target stock of its target REIT through limited cash tender offers or repurchase programs sponsored by such target REIT. The target boards considered a number of factors in evaluating the mergers, including the following:

- o the fairness opinions delivered by A.G. Edwards;
- o the appraisals obtained by each target REIT;
- o the identification of a strategic alternative that would provide the greatest value to target REIT stockholders;
- o the potential for a future market for FSP common stock;
- o the relative likelihood of completing the mergers;
- o the relative risks to the respective target REIT's business if the mergers were not completed; and
- o a review of the current and prospective business environment for REITs.

Each target board also considered a number of potentially negative factors in its deliberations concerning the mergers, including the fact that the premium to be received by the target REIT stockholders is based on an FSP common stock per share price of \$17.70. Should the FSP common stock trade on the AMEX, the trading price of the FSP common stock could be significantly lower than \$17.70 per share, however, causing the premium received by target REIT stockholders as a result of the consummation of the mergers to decrease significantly or disappear altogether. Each target board also considered the following additional potentially negative factors:

- o the fact that, based on historical quarterly, non-special dividends received by stockholders of FSP Corp. and the target REIT

stockholders, a majority of the target REIT stockholders could expect to receive a lower level of dividends from the combined company than such stockholders have historically received from their target REITs;

- o conflicts of interest inherent between the directors and officers of FSP Corp. and the directors and officers of the target REITs;
- o the risk that the mergers might not be consummated;
- o the change upon consummation of the mergers to the nature of the target REIT stockholders' investment in their respective target REITs;

61

- o the possibility that FSP Corp. may not file its listing application with AMEX, or in the event FSP Corp. does file such application, the possibility that AMEX may reject the application or that a meaningful trading market may not develop even if AMEX approves the application;
- o the increased risk to the value of the target REIT stockholders' investment given that the combined company's revenues would be derived from a greater number of real properties; and
- o the risk that the benefits sought to be achieved by the mergers would not be realized.

Each target board concluded, however, that, on balance, the potential benefits of the mergers to its target REIT and its target REIT stockholders outweighed the associated risks. In view of the variety of factors considered in connection with its evaluation of the merger agreement and the merger consideration, the target boards did not find it practicable to, and did not, quantify or otherwise assign relative weight to the specific factors considered in reaching their respective determinations.

FSP Corp. The FSP board unanimously determined that the merger agreement, providing for the mergers and the issuance of FSP common stock in exchange for target stock, is fair to, and in the best interests of, FSP Corp. and the FSP stockholders. No director affiliated with the target REITs abstained from voting. FSP Corp. determined that merging the target REITs with and into four wholly-owned acquisition subsidiaries of FSP Corp. would provide the parties to the transaction with favorable tax treatment.

The FSP board reviewed a number of factors in evaluating the merger agreement, providing for the mergers and the issuance of the merger consideration, including, but not limited to, the following:

- o FSP Corp.'s management's views of the financial condition, results of operations and business of FSP Corp. and each of the target REITs before and after giving effect to the mergers;
- o the differences and similarities between the business and operating strategies of FSP Corp. and each of the target REITs;
- o historical financial information concerning the real properties owned by FSP Corp. and each of the target REITs;
- o current conditions in the REIT market generally;

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

- o the consideration the target REIT stockholders would receive in the mergers;
- o the belief that the terms of the merger agreement are reasonable;
- o the impact of the mergers on the FSP stockholders, potential investors and employees; and
- o the appraisals obtained by each target REIT.

The FSP board also identified and considered a number of potentially negative factors in its deliberations concerning the merger agreement, providing for the mergers and the issuance of the merger consideration, including the following:

- o conflicts of interest inherent between the directors and officers of FSP Corp. and the directors and officers of the target REITs;

62

- o the fact that the representations and warranties of the target REITs do not survive closing;
- o the risks that the benefits sought to be achieved by the mergers may not be realized;
- o the immediate dilution by approximately 20% to the percentage ownership and voting power of the FSP stockholders; and
- o the possibility that the real estate holdings of the target REITs would decline in value.

The FSP board concluded, however, that, on balance, the potential benefits of the mergers to FSP Corp. and the FSP stockholders outweighed the associated risks. In view of the variety of factors considered in connection with its evaluation of the merger agreement, providing for the mergers and the issuance of the merger consideration, the FSP board did not find it practicable to, and did not quantify or otherwise assign relative weight to, the specific factors considered in reaching its determination.

The FSP board on an on-going basis evaluates strategic alternatives available to FSP Corp. In seeking to achieve the benefits that the FSP board expects will result from the mergers, the FSP board did not consider any specific alternatives to the mergers.

Expected Benefits of the Mergers to the Target REIT Stockholders

The following highlights the primary benefits each of the target boards believe the mergers are expected to generate for its target REIT and its target REIT stockholders:

- o The combined company's real estate portfolio will be substantially larger and more diverse geographically, by property type and by tenant business, than the portfolio of its target REIT, reducing the dependence of its target REIT stockholders on the performance of any one real property; and
- o The combined company's business will generate revenues from real estate investment banking/brokerage and property management

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

activities and from rentals of 32 real properties, constituting a more diverse income stream than that currently received by its target REIT.

Alternatives Considered

Before deciding to recommend the mergers, the target boards considered alternatives to the mergers in an effort to achieve maximum benefits for target REIT stockholders. These alternatives are set forth below.

Continuation of each Target REIT. An alternative to the mergers would be to continue each of the target REITs as a separate legal entity in accordance with its original investment strategy. Target REIT stockholders would likely continue to receive regular quarterly distributions and would receive a distribution on the sale of the property owned by its respective target REIT, which is expected to occur within a five to ten year time period following syndication of the target REIT. Continuation of the target REITs would avoid those disadvantages which might be inherent in the mergers. See "Risk Factors - Risks Relating to the Mergers." The primary disadvantage with continuing the target REITs is the failure to secure the benefits that the target boards expect to result from the mergers. The merger consideration payable to the stockholders of each target REIT represents a premium to the appraised value of each target REIT's real estate. See "Fairness of the Mergers - Conclusions of the Target Boards." Because the appraisals include a valuation based on the discounted cash flow of each real property's income stream, the target boards believe that the appraised values of the real estate represent the accurate value of each target

63

REIT on a going concern basis. Because the real property owned by each target REIT is 100% leased, appreciation in the value of each property will be dependent upon general changes in the real estate market. Because such changes could also cause the value of the real property to decline, the target boards concluded that there were substantial risks that continuation of the target REITs might not result in realizing an amount equal to or in excess of the premium obtained in the mergers. If each target REIT continues its separate existence, the target REIT stockholders may not have an opportunity for liquidity in the near future and there can be no assurance, given that the merger consideration for each target REIT exceeds the appraised value of the real property owned by such target REIT, that any target REIT will be able to sell its assets for consideration as attractive as the merger consideration.

Liquidation. Another alternative to the mergers would be to liquidate the assets of the target REITs and distribute the net liquidation proceeds to the target REIT stockholders. Liquidating the target REITs would result in concluding the investors' investment in the target REITs earlier than the anticipated liquidation timeframes for the target REITs. The liquidations would result in the marketplace establishing the fair market value of the target REITs' assets. The target boards believe that the mergers are a more attractive alternative than liquidation because the merger consideration for each target REIT exceeds the appraised value of that target REIT's assets. In addition, the target boards believe that the mergers permit target REIT stockholders to participate in the combined company's substantially larger, more diversified investment portfolio and to benefit from the potential for FSP Corp. eventually to provide liquidity for target REIT stockholders. The target boards believe that over time target REIT stockholders will benefit from the combined company's growth opportunities.

Support of Secondary Market. Another alternative would be the creation or support of the secondary market for the target stock through limited cash tender

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

offers or repurchase programs sponsored by the target REITs. While the target boards believe that this alternative might provide liquidity for some target REIT stockholders, the target boards believe that the benefits of this alternative are not sufficiently broad-based to provide an overall solution to the liquidity problem. In addition, the use of the target REITs' cash for this purpose would reduce cash available for distribution to target REIT stockholders. While this alternative was considered by the target boards, no detailed financial analysis was done that would allow the target boards to predict with any degree of certainty the possible impact of this alternative on the value of the target stock.

Consequences if Mergers Not Completed

If the mergers are not completed, FSP Corp. and the target REITs will continue to operate as separate legal entities with their own assets and liabilities. There will be no change in their investment objectives, policies and restrictions.

64

THE MERGER AGREEMENT

The following is a summary of certain provisions of the merger agreement, a copy of which is set forth as Appendix A to this Consent Solicitation/Prospectus and is incorporated herein by reference.

The Mergers

Subject to the terms and conditions of the merger agreement, on the effective date FSP Corp. will acquire by merger each target REIT. The target boards expect that the effective date will be on or about December 31, 2004.

The following chart sets forth the number of shares of FSP common stock to be received as merger consideration by the target REIT stockholders for each share of target stock of the respective target REIT. FSP Corp. will not issue fractional shares of FSP common stock as merger consideration. Instead, each holder of target stock who would otherwise have been entitled to receive a fraction of a share of FSP common stock will be entitled to receive cash (without interest) in an amount, rounded up to the nearest whole cent, equal to the product of such fractional part of FSP common stock multiplied by \$17.70, the fair market value of one share of FSP common stock on August 13, 2004, as determined through negotiations between the special committees and FSP Corp.

Target REIT	Total Number of Shares of Target Stock Outstanding	Shares of FSP Common Stock Issuable in Exchange for Each Share of Target Stock	Total Shares of FSP Common Stock Issuable to Target REIT Stockholders (1) (2)
Addison Circle	636	5,948.67	3,783,354
Collins Crossing	555	6,167.63	3,423,035
Montague	334	5,649.72	1,887,007
Royal Ridge	297.5	6,055.79	1,801,598

(1) Rounded to the nearest whole share.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

- (2) This number of shares of FSP common stock is slightly higher than the actual number of shares of FSP common stock to be issued upon the consummation of the mergers due to the fact that FSP Corp. will pay cash in lieu of issuing fractional shares of FSP common stock.

None of the shares of FSP common stock to be issued as merger consideration to the target REIT stockholders will be placed into escrow or otherwise withheld as a source of potential compensation to FSP Corp. should the combined company discover, after the consummation of the mergers, that any of the target REITs incurred any undisclosed liabilities prior to the consummation of the mergers or that any representations and warranties of the target REITs were inaccurate. Moreover, FSP Corp. will not receive any consideration for the one share of common stock it holds in each target REIT.

Consummation of the mergers is subject to a number of conditions and will not occur unless, among other things, holders of a majority of the shares of target stock of each target REIT vote to adopt the merger agreement and approve the mergers.

65

The following table sets forth: (i) the value ascribed to each target REIT for purposes of the merger consideration, (ii) the appraised value of the property held by each target REIT, (iii) the estimated adjusted cash reserve balances as of June 30, 2004, and (iv) the percentage (the premium) over appraised value plus adjusted cash reserves that has been ascribed to each target REIT for purposes of the merger consideration. The premium is based on an FSP common stock per share price of \$17.70. Should the FSP common stock trade on the AMEX, the trading price of the FSP common stock could be significantly lower than \$17.70 per share, causing the premium received by target REIT stockholders as a result of the consummation of the mergers to decrease significantly or disappear altogether.

Target REIT -----	Value Ascribed to Target REIT -----	Appraised Value -----	Adjusted Cash Reserves -----	Premium -----
Addison Circle	\$66,965,414	\$54,500,000	\$1,676,697	19.2%
Collins Crossing	\$60,587,756	\$48,500,000	\$1,984,695	20.0%
Montague	\$33,400,000	\$20,000,000	\$2,034,787	51.6%
Royal Ridge	\$31,888,293	\$26,075,000	\$967,500	17.9%
Total	\$192,841,463	\$149,075,000	\$6,663,679	23.8%

The value ascribed to a target REIT was determined through negotiations between the special committees and FSP Corp. These aggregate negotiated values exceed the aggregate appraised values of the target REITs and the adjusted cash reserves by approximately \$37,102,784. See "Fairness of the Mergers - Fairness of the Merger Consideration to Target REIT Stockholders - Allocation of Merger Consideration" for a discussion of how the premiums were determined by the special committees and FSP Corp.

Representations and Warranties

In the Merger Agreement, FSP Corp. and the acquisition subsidiaries have made various representations and warranties to each target REIT, including representations and warranties relating to:

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

- o the due organization of FSP Corp. and each acquisition subsidiary and their respective authority to enter into the merger agreement,
- o the absence of the need (except as specified) for third-party or governmental consents to the mergers,
- o the mergers' nonviolation of laws and material agreements,
- o FSP Corp.'s capitalization,
- o the due authorization of the FSP common stock to be issued in the mergers,
- o financial statements,
- o required filings with the SEC,
- o taxes,

66

- o full disclosure, and
- o the absence of material litigation.

In addition, each target REIT has made various representations and warranties to FSP Corp., including:

- o the due organization of the target REIT,
- o its authority to enter into the merger agreement,
- o the absence of the need (except as specified) for third-party or governmental consents to its merger and its merger's nonviolation of laws and material agreements,
- o the mergers' nonviolation of laws and material agreements,
- o financial statements,
- o full disclosure,
- o the absence of defaults under material agreements,
- o the absence of material litigation,
- o title to assets and properties,
- o the absence of material environmental liabilities,
- o the absence of existing acquisition discussions with third parties,
- o taxes, and
- o the leases of its real property.

None of the representations and warranties of any party shall survive the closing.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Covenants

Each of the parties has agreed not to omit to take any action that will result in a breach of any representations, warranties, or covenants or a failure to satisfy any closing conditions.

Each target REIT has agreed:

- o that its board of directors will recommend that its target REIT stockholders vote in favor of the merger agreement and the merger,
- o that it will not solicit or facilitate, or participate in discussions or negotiations or furnish any person any information with respect to, any third party acquisition proposals, and

67

- o that its board of directors will not withdraw or modify its recommendation to vote in favor of the merger agreement and merger, cause or permit its target REIT to enter into any letter of intent or agreement relating to any third party acquisition proposal, or approve or recommend any third party acquisition proposal.

However, in the event of an unsolicited third party acquisition proposal that is more favorable to the target REIT than the terms of the merger agreement with FSP Corp., the target REIT may furnish information to and enter into acquisition discussions with the third party, and the target REIT board may withdraw or modify its recommendation to stockholders as to the merger agreement and the merger with FSP Corp., in each case to the extent that the target REIT board determines in good faith that its fiduciary obligations require it to do so. Prior to taking any such action, the target REIT must furnish information to FSP Corp. regarding the possible third party acquisition and allow FSP Corp. five business days to make a counterproposal.

Conduct of Business Prior to the Effective Date

Each target REIT and FSP Corp. has agreed that, prior to the effective date or the earlier termination of the merger agreement, it will carry on its business in the ordinary course in substantially the same manner as previously conducted, will use its reasonable efforts to preserve intact its present business organization and goodwill, maintain permits, licenses and authorizations and preserve its relationship with third parties, and take all actions necessary to continue to qualify as a REIT. The merger agreement permits each target REIT and FSP Corp. to declare prior to the effective date, consistent with past custom and practice, dividends to the pre-merger target REIT stockholders or pre-merger FSP stockholders, as the case may be, in respect of each entity's operating results for periods prior to the effective date. FSP Corp. has assumed the obligation to pay any dividends consistent with past practice declared but not paid by the target REITs prior to the consummation of the mergers.

Conditions Precedent to the Mergers

The respective obligations of each party to effect the mergers are subject to the fulfillment or waiver on or before the effective date of the following conditions:

- o the adoption of the merger agreement and the approval of the mergers by the affirmative vote of the holders of a majority of the shares of target stock of each target REIT;

- o the parties must receive all necessary consents, waivers, approvals, authorizations or orders required to be obtained and the making of all filings required to be made by any of the parties for the authorization, execution and delivery of the merger agreement and the consummation of the transactions contemplated thereby on or before (and remaining in effect at) the effective date;
- o FSP Corp. and each of the target REITs shall have received an opinion from Wilmer Cutler Pickering Hale and Dorr LLP or another nationally recognized law firm to the effect that each merger will be treated for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code and confirming that, to the extent the matters discussed under the heading "Material United States Federal Income Tax Considerations" in this Consent Solicitation/Prospectus constitute matters of law, they are accurate in all material respects;
- o delivery by the President and Chief Executive Officer of FSP Corp. and the President of each of the target REITs of certificates to the effect that there have been no material adverse changes in the financial condition of such entity prior to the consummation of the mergers;

68

- o there having been no statute, rule, order, or regulation enacted or issued by the United States or any State thereof, or by a court, which prohibits the consummation of the mergers; and
- o the representations of each of FSP Corp. and the target REITs set forth in the merger agreement shall be true and complete in all material respects as of the closing date (provided that the party whose representation was not correct shall have no right not to proceed with the closing as a result thereof).

The conditions described in the second bulleted paragraph above may be waived by the FSP board in whole or in part if, in the opinion of the FSP board, such waiver does not materially affect the terms of the transaction, which waiver shall not be unreasonably withheld. Certain of the conditions to the consummation of the mergers are beyond the control of FSP Corp., the target REITs and the target boards. There can be no assurance that the mergers will occur.

Termination

The merger agreement may be terminated, and the mergers may be abandoned, at any time before the effective date, notwithstanding approval of the merger agreement by the target REIT stockholders:

- o by the mutual written consent of FSP Corp. and each target REIT;
- o by either FSP Corp. or any target REIT if the mergers have not been consummated by March 30, 2005 (which date may be extended by mutual agreement of the parties);
- o by either FSP Corp. or any target REIT if the conditions to the mergers set forth in the merger agreement are not satisfied or waived (provided that if the condition to closing that is not satisfied is a breach of a representation or warranty, the party in

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

breach shall not have the right to terminate the merger agreement as a result thereof); or

- o by FSP Corp. or a target REIT if the target REIT has received a superior third party acquisition proposal, the board of directors of the target REIT has withdrawn or modified its approval or recommendation with respect to the adoption of the merger agreement and the approval of the mergers, and the target REIT stockholders fail to approve the merger agreement and the mergers within 75 days of mailing this Consent Solicitation/Prospectus.

In addition, the FSP board has the right to terminate the merger agreement with respect to a particular target REIT and consummate the mergers with the other target REITs if:

- o a target REIT incurs material casualty damage to its property, the target REIT is unable to cure the damage after using commercially reasonable efforts and the parties are unable to agree to an appropriate purchase price reduction;
- o a target REIT board recommends to the stockholders a third party acquisition proposal; or
- o a target REIT board receives a third party acquisition proposal and fails within five business days of the request of FSP Corp. to reconfirm its recommendation of the merger agreement and merger.

69

Effect of Termination

If the merger agreement is terminated, there will be no liability or obligation on the part of any party thereto or its respective affiliates, partners, directors or officers, except for payment of expenses each party is liable for and to the extent that such termination results from the willful breach of a party thereto of any of its representations, warranties, covenants or agreements made in or pursuant to the merger agreement.

Material United States Federal Income Tax Considerations

Each of the mergers is expected to be a "reorganization" as defined in the tax code. As a result, a target REIT stockholder generally will:

- o recognize no gain or loss upon the receipt of FSP common stock in exchange for target stock in the merger;
- o have an aggregate tax basis for the FSP common stock received equal to the aggregate basis of the target stock surrendered (other than stock for which cash was received in lieu of a fractional share of FSP common stock); and
- o have a holding period for the FSP common stock received that includes the holding period for the target stock surrendered.

Timing and Effectiveness of the Mergers

The effective date of the mergers is expected to occur on or about December 31, 2004, or at such other time as the conditions to the mergers have been satisfied.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Comparison of the Target REITs and FSP Corp. The summary information below highlights a number of significant differences between the target REITs and FSP Corp.

Form of Organization. The target REITs and FSP Corp. are each vehicles appropriate for holding real estate investments and afford passive investors, such as target REIT stockholders, certain benefits, including limited liability and the avoidance of double-level taxation. The target REITs are under the control of their respective target boards, while FSP Corp. will continue to be governed by the FSP board.

Length of Investment. Target REIT stockholders in each of the target REITs expect liquidation of their investments when the assets of the target REITs are liquidated within a five to ten year period following the syndication of a target REIT. In contrast, FSP Corp. does not expect to dispose of its assets within any prescribed periods.

Properties and Diversification. The real estate portfolio of each target REIT is limited to the assets acquired with its initial equity offering. FSP Corp. holds a real estate portfolio that is substantially larger and more diversified than the portfolio of any of the target REITs. An investment in FSP Corp. should not be viewed as an investment in a specific pool of assets, but instead as an investment in an ongoing real estate investment business, subject to the risks normally attendant to ongoing real estate ownership, to the risks related to the real estate investment banking/brokerage business and to the risks related to acquisitions of additional properties.

Additional Equity. As the target REITs are not authorized to issue additional shares of target stock or other equity interests without the approval of their respective target REIT stockholders, the target stock is not subject to dilution. In contrast, FSP Corp. will have substantial flexibility to raise equity capital to finance its businesses and affairs through the issuance of equity securities.

70

Percentage Ownership. As a result of the significantly higher number of issued shares in FSP Corp. as compared to the target REITs, the target REIT stockholders will own a much smaller percentage of FSP Corp. relative to their ownership interest in the target REITs and, accordingly, will have less power to control the outcome of matters submitted to a vote of the stockholders and will receive a lesser percentage of any dividends or other distributions.

71

FAIRNESS OF THE MERGERS

Conclusions of the Target Boards

The target boards believe that the terms of the merger agreement, when considered as a whole, are fair to the target REIT stockholders and the merger consideration offered in exchange for the target stock in the target REITs constitutes fair consideration for the interests of the target REIT stockholders. The target boards believe that the mergers represent an opportunity for the target REIT stockholders to realize a premium over the current appraised value of the real estate (as determined by the appraisal) and adjusted cash held by the respective target REITs. The target boards also considered the fact that the premium to be received by the target REIT

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

stockholders is based on an FSP common stock per share price of \$17.70. Should the FSP common stock trade on the AMEX, the trading price of the FSP common stock could be significantly lower than \$17.70 per share, however, causing the premium received by target REIT stockholders as a result of the consummation of the mergers to decrease significantly or disappear altogether. The following provides a summary of the additional factors upon which the target boards based their respective conclusions as to the fairness of the mergers and the merger consideration to be paid by FSP Corp. The target boards did not find it practicable to, and did not attempt to, quantify or otherwise assign relative weight to these factors in reaching their respective determination.

- o The target boards compared the potential benefits and detriments of the mergers with the potential benefits and detriments of several alternatives to the mergers, including continuation of the target REITs, liquidation of the target REITs and support of secondary markets for the target stock. Based on these comparisons, the target boards believe the mergers are more attractive than the other alternatives.
 - o The special committees of the target boards, consisting of Messrs. MacPhee and Gribbell, each a director of the target REITs and an executive vice president of FSP Corp., engaged A.G. Edwards to deliver a fairness opinion to each target board. On August 11, 2004, A.G. Edwards delivered a written opinion to each target board to the effect that the merger consideration was fair, from a financial point of view, to the target REIT stockholders of that target REIT. These fairness opinions are attached hereto as Appendix C.
 - o Each target board determined that the value of the FSP common stock to be distributed as merger consideration to its target REIT stockholders represented greater value, or a premium, than the sum of the value of the real estate (as determined by an appraisal) and cash held by such target REIT. After consultation with A.G. Edwards, the special committees of the target boards determined that, based on the analyses of other selected public companies, the discounted cash flow of FSP Corp. and selected precedent mergers, a reasonable range of value for the FSP common stock was between \$16.67 per share and \$18.50 per share. The estimated range of values included a discount for the lack of liquidity of FSP common stock. The value ascribed to FSP common stock in connection with the mergers of \$17.70 per share is within that range. The target boards determined that even if the actual value of FSP common stock were at the bottom of the range, or \$16.67 per share, such value would still constitute a premium to the appraised value of the real estate plus adjusted cash held by each target REIT.
 - o Each target board determined that the value of the FSP common stock to be distributed as merger consideration to its target REIT stockholders was greater than the value that was likely to be realized upon the continuation of such target REIT.
- 72
- o The target boards obtained independent third-party appraisals of the real property owned by the target REITs, and considered these appraisals in negotiating the merger consideration.
 - o The target boards considered historical financial information concerning the real properties owned by FSP Corp. and the target REITs and the amount of cash held by FSP Corp. and each of the

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

target REITs.

- o The target REITs will have the right to declare dividends consistent with past practice in respect of the quarters or partial quarters preceding the effective date. The combined company will have the obligation to pay any such dividends that have been declared but not paid as of the effective date.
- o Certain merger expenses are considered individual expenses to be paid by the party incurring the expenses. The costs of A.G. Edwards' engagement and the fees of the target REITs' outside legal counsel and independent accountants will be apportioned among the target REITs based on the relative net proceeds of the original syndication of each target REIT and each appraisal will be paid by the target REIT owning the property that is the subject of the appraisal. All other expenses, including consulting, legal, accounting and administrative, will be paid by FSP Corp.
- o Stockholders of the target REITs that do not vote in favor of the merger and that comply with required procedures will have appraisal rights under the Delaware general corporation law entitling them to receive fair value for their shares.
- o The likelihood that the mergers would be completed in the light of the terms of the merger agreement and the experience and reputation of FSP Corp.
- o The terms of the merger agreement provide that the representations and warranties of the target REITs terminate at closing and that no portion of the purchase price is withheld from the target REIT stockholders in an escrow account or otherwise.
- o The terms of the merger agreement permit the target REIT boards, in the event of an unsolicited third party offer to purchase any of the target REITs prior to the merger, to provide information to and engage in discussions with the third party, to withdraw or modify their recommendation to the target REIT stockholders to vote in favor of the FSP Corp. mergers and to terminate the merger agreement if the stockholders of a target REIT fail to vote in favor of the merger agreement.
- o The members of the target boards have conflicts of interest in connection with the mergers. Each target board established a special committee consisting of Messrs. MacPhee and Gribbell, the only members of the target boards who are not also members of the FSP board. Messrs. MacPhee and Gribbell serve as executive vice presidents of FSP Corp. The special committees engaged A.G. Edwards to advise them in evaluating and negotiating the terms of the mergers, including the merger consideration, and to deliver a fairness opinion to each target board. No fees or other compensation will be payable to the members of the target boards (or the special committees) in connection with the mergers.

73

Determination of Merger Consideration

The merger consideration was determined through negotiations among the special committees of the target boards and FSP Corp. The special committees relied on advice from its financial advisor, A.G. Edwards, in its negotiations

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

with FSP Corp. In analyzing the fairness of the \$17.70 per share negotiated price, the target boards reviewed the analyses presented by A.G. Edwards, financial advisor to the special committees, the target boards and the target REITs, including the analysis of CAD multiples and discounted cash flows to estimate the value of FSP common stock. The special committees also considered the assets and liabilities of each target REIT and FSP Corp., the expected cash available for distribution of each target REIT, the multiples of cash available for distribution commonly used in valuing REITs and the limited liquidity of FSP common stock. The special committees were also made aware that FSP Corp. intends to file an application to list the FSP common stock with AMEX. There can be no assurance that FSP Corp. will file such application or, in the event it does, that AMEX will accept the application or that a meaningful trading market will develop even if AMEX approves the application. After considering the foregoing factors, the special committees determined, after consultation with A.G. Edwards, to propose an initial range for the value of the FSP common stock. The low end of the range was \$16.67 per share and the high end was \$18.50. After several discussions with FSP Corp. relating to the basis for the range, the target boards presented FSP Corp. with a proposed per share price of \$17.70 for the FSP common stock. After additional discussions, FSP Corp. accepted the proposed per share price. In concluding that the merger consideration is fair, the target boards relied in part on the fairness opinion delivered by A.G. Edwards for its respective target REIT and the appraisal received by each target board for its respective target REIT.

Fairness of the Merger Consideration to Target REIT Stockholders

Fairness Opinions. On July 22, 2004, the special committees of the target boards retained A.G. Edwards to act as their financial advisor in connection with the mergers and to render A.G. Edwards' opinion as to the fairness, from a financial point of view, of the merger consideration to the target REIT stockholders of each target REIT. On August 11, 2004, A.G. Edwards rendered its opinion to each target board to the effect that, based upon and subject to the various considerations described in each opinion, the merger consideration (as described elsewhere in this Consent Solicitation/Prospectus) was fair, from a financial point of view, to the stockholders of that target REIT.

The full text of A.G. Edwards' opinions, each dated August 11, 2004, which describes the assumptions made, general procedures followed, matters considered and limitations on the scope of review undertaken by A.G. Edwards in rendering its opinions, are attached as Appendices C-1, C-2, C-3 and C-4 to this Consent Solicitation/Prospectus and are incorporated into this summary by reference. A.G. Edwards' opinions are directed only to the fairness, as of the date of the opinion and from a financial point of view, of the merger consideration to the stockholders of the target REIT to which each opinion is addressed and does not constitute a recommendation to you as to how you should vote with respect to the merger agreement and the mergers. The summary of A.G. Edwards' opinions set forth below are qualified in their respective entirety by reference to the full text of the opinions attached as Appendices C-1, C-2, C-3 and C-4 to this Consent Solicitation/Prospectus. You are urged to read the opinions carefully in their entirety.

See "Advice of Financial Advisors and Appraisals - Fairness Opinions."

The Appraisals. The respective target boards retained independent third party appraisers to appraise the fair market value of each target REIT's real estate as of a date no earlier than July 7, 2004.

In preparing the appraisals, the appraisers collected from the target

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

REITs information regarding the operating history of the properties, conducted site inspections of the properties to be appraised in July 2004 and interviewed and relied on representations of certain representatives of the target REITs. The appraisers' conclusions are based upon conditions they observed at the properties during their inspection and assumptions, qualifications and limitations deemed reasonable at the time concerning, among other things, legal title, the absence of physical defects, future percentage of leased rentable square feet, income and competition with respect to each property. The appraisals reflect the appraisers' valuation of the real estate of the target REITs as of their respective dates, in the context of the information available on that date. Events occurring subsequent to the dates of the respective appraisals could affect the properties or assumptions used in preparing the appraisals. The target boards imposed no limitations on the scope of the appraisers' appraisals. The target boards took the appraisals into consideration in negotiating the merger consideration. The target REITs also made the appraisals available to FSP Corp. and have allowed the FSP board to rely on the appraisals.

Comparison of Certain Benefits and Detriments of Alternatives to The Mergers. Prior to concluding that the mergers should be recommended to the target REIT stockholders, the target boards considered several alternatives to the mergers, including continuation of the target REITs, liquidation of the target REITs and support of the secondary market. See "Benefits, Background and Reasons for the Mergers -- Alternatives Considered." To determine whether the mergers or one of their alternatives would be more attractive to the target REIT stockholders, the target boards compared certain potential benefits and detriments of the mergers with certain potential benefits and detriments of the alternatives. Based upon this comparison, the target boards believe the mergers are more attractive than the alternatives.

Fairness in View of Conflicts of Interest. The members of the target boards have significant conflicts of interest in connection with the mergers. Each target board established a special committee consisting of Messrs. MacPhee and Gribbell, the only members of the target boards who are not also members of the FSP board. Messrs. MacPhee and Gribbell serve as executive vice presidents of FSP Corp. The special committees engaged A.G. Edwards to advise them in evaluating and negotiating the terms of the mergers, including the merger consideration, and to deliver a fairness opinion to each target board. No fees or other compensation will be payable to the members of the target boards (or the special committees) in connection with the mergers.

Allocation of Merger Consideration. In allocating the approximately \$192,841,463 of merger consideration among the target REITs, FSP Corp.'s management considered the appraised values of each target REIT, the cash flow projected for each target REIT, the cash reserves held by each target REIT, and the current market conditions for real estate acquisitions in the various locations of the target REITs. The special committees management of FSP Corp., and A.G. Edwards held a telephonic meeting on July 29, 2004 to discuss the allocation of the merger consideration, including the allocation of the premiums to be paid by FSP Corp. for each target REIT. During that call, after reaffirming with all the parties that the stock price of \$17.70 per share was the negotiated price per share to be paid as merger consideration, FSP Corp. stated that it was willing to make an offer to each of the target REITs based, in part, on FSP Corp.'s specific knowledge of the target REITs' properties which it had gained from the operation of such properties by FSP Property Management, a wholly owned subsidiary of the FSP Corp. prior to and following the syndication of the target REITs. FSP Corp. then suggested a separate value for each target REIT based on its knowledge of the real properties held by each target REIT, including among other things, the tenants, the operating costs, current market conditions, FSP Corp.'s view of future market rents, the likelihood of lease renewals, the costs of turnover, and FSP Corp.'s experience with acquisitions for similar properties in the same or similar markets. The

75

negotiations between the parties resulted in agreement on merger consideration for Addison Circle, Collins Crossing and Royal Ridge that produced a premium, based on a value of \$17.70 per share of FSP common stock, to the sum of the appraised value of real estate and adjusted cash balances that ranged from 17.9% to 20.0%. With respect to Montague, FSP Corp. noted that Montague's property is leased to a single tenant through December 31, 2006 at a rate that is currently significantly above market. FSP Corp. further noted that the appraised value of Montague's real estate was \$20,000,000. Montague's special committee noted that Montague's stockholders were receiving significant current cash yields as a result of the above-mentioned lease and that, in the absence of a significant premium to appraised value, those stockholders might not be inclined to approve a merger. These negotiations resulted in merger consideration for Montague that produced a premium, based on the value of \$17.70 per share of FSP common stock, of 51.6%.

76

ADVICE OF FINANCIAL ADVISORS AND APPRAISALS

Fairness Opinions

On July 22, 2004, the special committees of the target boards retained A.G. Edwards to act as their financial advisor in connection with the mergers and to render A.G. Edwards' opinion as to the fairness, from a financial point of view, of the merger consideration to the target REIT stockholders of each target REIT. On August 11, 2004, the target boards met to review the proposed mergers. During this meeting, A.G. Edwards presented certain financial analyses as described below. At the meeting A.G. Edwards rendered its oral opinions, subsequently confirmed by delivery of its written opinions, to each target board to the effect that, based upon and subject to the various considerations described in each opinion, the merger consideration (as described elsewhere in this Consent Solicitation/Prospectus) was fair, from a financial point of view, to the stockholders of that target REIT.

The full text of A.G. Edwards' opinions, each dated August 11, 2004, which describes the assumptions made, general procedures followed, matters considered and limitations on the scope of review undertaken by A.G. Edwards in rendering its opinions, are attached as Appendices C-1, C-2, C-3 and C-4 to this Consent Solicitation/Prospectus and are incorporated into this summary by reference. A.G. Edwards' opinions are directed only to the fairness, as of the date of the opinion and from a financial point of view, of the merger consideration to the stockholders of the target REIT to which each opinion is addressed and does not constitute a recommendation to you as to how you should vote with respect to the merger agreement and the mergers. The summary of A.G. Edwards' opinions set forth below are qualified in their respective entirety by reference to the full text of the opinions attached as Appendices C-1, C-2, C-3 and C-4 to this Consent Solicitation/Prospectus. You are urged to read the opinions carefully in their entirety.

In conducting its investigation and analysis and in arriving at its opinions, A.G. Edwards reviewed information and took into account financial and economic factors it deemed relevant under the circumstances. In rendering its opinions, A.G. Edwards, among other things:

- o reviewed certain internal information, prepared by the management of

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

each target REIT, primarily financial in nature, including projections, concerning the business and operations of each target REIT furnished to A.G. Edwards for purposes of its analysis;

- o reviewed certain internal information, primarily financial in nature, including forecasts prepared by FSP Corp.'s management concerning the business and operations of FSP Corp. furnished to A.G. Edwards for its analysis, as well as publicly available information including but not limited to FSP Corp.'s recent filings with the Securities and Exchange Commission;
- o reviewed an appraisal of the property of each target REIT prepared by a professional real estate valuation firm, which A.G. Edwards was advised by the target REIT has real estate valuation expertise in the local market for such property, which appraisals included, among other things, analyses that valued each target REIT's business prospects based on a study of the current marketplace and business fundamentals; and A.G. Edwards also held discussions with each such professional real estate valuation firm;

77

- o reviewed a draft of the merger agreement and held discussions about the merger agreement and the mergers with the management of each target REIT and legal counsel to the target REITs and their boards;
- o reviewed market data for equity securities of public companies in the same or similar lines of business as those of FSP Corp.;
- o compared the proposed financial terms of the mergers with the financial terms of certain other business combinations A.G. Edwards deemed relevant for analytical purposes; and
- o reviewed the implied valuation range of FSP Corp.'s business based on the discounted present values of its projected cash flows (as estimated by FSP Corp.'s management).

A.G. Edwards held discussions with the executive officers of the target REITs and FSP Corp. concerning the target REITs' and FSP Corp.'s respective historical and current financial condition and operating results, as well as the prospects of the target REITs and FSP Corp. including the potential impact of the mergers. A.G. Edwards also considered other information, financial studies, analyses and investigations and financial, economic and market data which A.G. Edwards deemed relevant for the preparation of its opinions, including, but not limited to, the current market environment as well as information relating to the industries and the segments in which the target REITs and FSP Corp. operate.

A.G. Edwards was not engaged to consider, nor did it express any opinion with respect to, any alternative transaction or strategic alternatives that might be available to the target REITs or their stockholders. Further, A.G. Edwards was not engaged to and did not solicit third-party indications of interest in acquiring all or any part of the target REITs. The special committees of the target boards and FSP Corp. determined the merger consideration through negotiations and A.G. Edwards did not express any opinion as to what the value of the target REITs' preferred stock has been or will be nor did it express any opinion as to what the value of FSP Corp.'s common stock will be when issued to target REIT stockholders pursuant to the mergers or the prices at which FSP Corp.'s common stock will trade at any time. The target boards did not place any limitation upon A.G. Edwards with respect to the procedures followed or factors considered by A.G. Edwards in rendering its

opinions.

In arriving at its opinions, A.G. Edwards assumed and relied upon, without independent verification, the accuracy and completeness of all of the financial and other information that was publicly available, provided to or otherwise discussed with A.G. Edwards including financial statements and financial projections, as provided by or on behalf of the target REITs and FSP Corp. A.G. Edwards was not engaged to, and therefore did not, independently verify any of this information nor did it express any opinion with respect to such information. A.G. Edwards assumed, with the target REITs' consent, that:

- o the representations and warranties of each party contained in the merger agreement would be true and correct, that each party would perform all of its covenants and agreements pursuant to the merger agreement and that all conditions to the mergers will be satisfied without modification or waiver;
- o all governmental, regulatory and other necessary consents and approvals would be obtained and that such consents would not impose restrictions or waivers that would have an adverse effect on the mergers; and

78

- o the mergers will be accounted for in accordance with U.S. GAAP.

A.G. Edwards also assumed and was advised by the management of FSP Corp. and each target REIT that the financial projections and other information provided to or otherwise discussed with A.G. Edwards were reasonably prepared on bases reflecting the best available estimates and good faith judgments as to the expected future performance of FSP Corp. and each target REIT, respectively, on a stand-alone basis and after giving effect to the mergers. In conducting its review, A.G. Edwards assumed the accuracy and completeness of the appraisals of each target REIT and did not perform any independent audit of assets or liabilities nor did it conduct any independent appraisal of any of the assets or liabilities, contingent or otherwise, of the target REITs or FSP Corp. A.G. Edwards also did not independently attempt to assess or value any of the intangible assets of FSP Corp. or the target REITs (including goodwill) nor did it make any independent assumptions with respect to the application of intangible assets in the mergers. A.G. Edwards' opinions were necessarily based upon economic, financial and other conditions as they existed and could be evaluated on the date of its opinions, and did not predict or take into account any changes that may occur, or information that may become available, after the date of each opinion. The analyses performed by A.G. Edwards are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than suggested by such analyses. Subsequent developments may affect the opinions, and A.G. Edwards does not have any obligation to update, revise or reaffirm any of its opinions.

With the consent of each target board, A.G. Edwards did not attempt to value each target REIT and, instead, has assumed that the value of each target REIT is equal to the sum of the value of the target REIT's property, as reflected in the appraisal provided to A.G. Edwards, plus such target REIT's cash reserves. A.G. Edwards made this assumption and did not make an independent valuation of the target REITs because the value of an entity with one asset consisting of real property at a single location, such as each target REIT, is not determined by standard financial models used to value businesses in general but, instead, is determined by the value of the property owned by the entity. The value of that property is, in turn, determined by local real estate, economic and governmental factors such as commercial lease rates in the area of

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

the property, the values of nearby commercial properties, economic prosperity in the area and applicable zoning laws, all of which are more appropriately assessed by a professional real estate appraiser who is an expert in assessing these local factors.

The following is a brief summary of the material financial analyses performed by A.G. Edwards and reviewed with each target board in connection with the opinions of A.G. Edwards relating to the mergers and is not a complete description of all analyses performed and factors considered. The preparation of a fairness opinion and related financial analyses are complex analytical processes involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a fairness opinion and related financial analyses are not readily susceptible to summary description. THE FINANCIAL ANALYSES SUMMARIZED BELOW INCLUDE INFORMATION PRESENTED IN TABULAR FORMAT. IN ORDER TO FULLY UNDERSTAND A.G. EDWARDS' FINANCIAL ANALYSES, THE TABLES MUST BE READ TOGETHER WITH THE TEXT OF EACH SUMMARY AND A.G. EDWARDS' FINANCIAL ANALYSIS MUST BE CONSIDERED AS A WHOLE. THE TABLES ALONE DO NOT CONSTITUTE A COMPLETE DESCRIPTION OF THE FINANCIAL ANALYSES. CONSIDERING THE DATA BELOW WITHOUT CONSIDERING THE FULL NARRATIVE DESCRIPTION OF THE FINANCIAL ANALYSES, INCLUDING THE METHODOLOGIES AND ASSUMPTIONS UNDERLYING THE ANALYSES, OR SELECTING FOR CONSIDERATION SELECTED PORTIONS OR FACTORS OF THE ANALYSIS COULD CREATE A MISLEADING OR INCOMPLETE VIEW OF A.G. EDWARDS' FINANCIAL ANALYSES.

Valuation Approach. A.G. Edwards was asked to provide its opinion as to the fairness, from a financial point of view, of the consideration the stockholders of each target REIT (other than FSP Corp. which is not entitled to any merger consideration) are to receive in the mergers. Stockholders in each of the target REITs will receive the number of shares of FSP common stock for each share of preferred stock in their target REIT as described below.

	Addison Circle	Collins Crossing	Montague
Shares of FSP common stock to be received for each share of preferred stock in the target REIT	5,949	6,168	5,650

Each target REIT owns one or two real property assets, and thus standard financial models used to value businesses in general are not the most appropriate method to determine their respective values. Instead, the value of each target REIT is derived from the value of the property owned by the entity, and the value of that property is determined primarily by local real estate, economic and governmental factors, all of which are assessed by professional real estate appraisers. Each target REIT had its property appraised in the month of July 2004. Accordingly, A.G. Edwards assumed that the fair market value of each target REIT is equal to the sum of the appraised value of the target REITs' individual property plus its existing cash reserves. The consideration to be received by the stockholders of each target REIT is the number of shares of FSP common stock to be issued to them in the mergers plus cash to be paid by FSP Corp. in lieu of fractional shares. The following table presents the assumed fair market values of each target REIT as well as the cash and number of shares of FSP common stock to be delivered to the stockholders of each target REIT in

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

the mergers:

	Addison Circle -----	Collins Crossing -----	Montague -----	Roy -----
Fair market value of target REIT	\$56,176,697	\$50,484,695	\$22,034,787	\$
Total cash payable to target REIT stockholders in lieu of fractional shares	\$2,668	\$5,895	\$3,799	
Shares of FSP common stock issuable to target REIT stockholders	3,783,206	3,422,704	1,886,791	

The acquisition by the target REIT stockholders of FSP common stock in the mergers in exchange for their shares of preferred stock of the target REITs can be viewed as a purchase of shares of FSP common stock. Netting the cash to be paid to target REIT stockholders in lieu of fractional shares against the fair market value of each target REIT, the following table describes the effective cost per share to each target REIT's stockholders to acquire the FSP common stock in the mergers:

	Addison Circle -----	Collins Crossing -----	Montague -----	Roy -----
Effective cost per share of FSP common stock to be issued	\$14.85	\$14.75	\$11.68	\$

80

A.G. Edwards' analysis attempted to determine whether the value of a share of FSP common stock to be received by the target REIT stockholders in the mergers equaled or exceeded this effective cost per share.

Analysis Of Selected Public Companies. A.G. Edwards compared selected financial information and operating statistics for FSP Corp. with corresponding financial information and operating statistics of four groups of selected publicly held companies. While none of the companies in these groups has an asset mix that is exactly comparable to that of FSP Corp., the combined comparables are, in the judgment of A.G. Edwards, sufficiently comparable to FSP Corp. to warrant comparative analysis. The Apartment REITs consist of REITs whose primary business model is based upon the ownership and rental of geographically diversified multi-family apartment facilities. The Office REITs consist of REITs whose primary business model is based upon the ownership and rental of geographically diversified class "A" office buildings. The Industrial REITs consist of REITs whose primary business model is based upon the ownership and rental of geographically diversified industrial facilities such as manufacturing or distribution facilities. The Office/Industrial REITs consist of REITs whose primary business model is based upon the ownership and rental of geographically diversified office and industrial properties.

A.G. Edwards reviewed enterprise values, calculated as the sum of equity market capitalization plus debt, less cash and cash equivalents, as multiples of the following: (i) actual historical and estimated future net operating income, or NOI, for the last twelve month (LTM) period ended June 30, 2004, and for calendar years 2004 and 2005, and (ii) actual historical and estimated future earnings before interest, taxes, depreciation and amortization (EBITDA) for calendar years 2003, 2004 and 2005. A.G. Edwards also reviewed stock prices as a multiple of the (i) actual historical and estimated future funds from operations, or FFO, which typically consists of GAAP Net Income (excluding gains or losses related to the sale of real estate assets) plus depreciation, for the LTM period ended June 30, 2004, and for calendar years 2004 and 2005, and (ii) actual historical and estimated future cash available for distribution (CAD) to stockholders for calendar years 2004 and 2005. In view of the fact that the comparison companies all carried some level of indebtedness while FSP Corp. does not and FSP Corp. derives significant cash flow from its investment banking business, A.G. Edwards concluded that the comparison multiples for NOI, EBITDA and FFO would tend to undervalue FSP Corp. and that CAD multiples would be the most accurate comparison measure.

Multiples for the selected companies also were based on closing stock prices on August 5, 2004. Financial data for the selected companies and FSP Corp. were based on public filings, company reports, publicly available research analyst estimates and research analyst estimates as reported in the Institutional Brokers' Estimate System. The CAD multiple analyses indicated the following implied mean multiples in each sector and weighted average mean multiples, with weighting based upon FSP Corp.'s mix of revenues from the various real estate sectors in which FSP Corp. operates:

81

	Apartment Mean ----	Office Mean ----	Industrial Mean ----	Office/ Industrial Mean ----	Overall Mean ----
Stock Price/2004E CAD	18.6x	16.0x	18.8x	15.7x	17.1x
Stock Price/2005E CAD	17.4x	15.3x	16.8x	14.7x	16.0x

A.G. Edwards then applied the weighted average multiple from these real estate sectors to FSP Corp.'s projected CAD for 2004 and 2005, resulting in the implied values shown in the table below. A.G. Edwards then applied discounts to these values ranging from 10% to 20% in recognition of the market illiquidity of FSP Corp.'s common stock.

2005

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

	2004 Weighted Average Mean Multiple (16.2x) -----	Weighted Average Mean Multiple (15.3x) -----
Before Marketability Discount	\$20.71	\$19.77
10% Marketability Discount	\$18.63	\$17.79
15% Marketability Discount	\$17.60	\$16.80
20% Marketability Discount	\$16.57	\$15.81

This analysis results in an implied range of values per share of FSP common stock of \$15.81 to \$18.63. The effective cost per share to each target REIT's stockholders of FSP common stock in the mergers is below or within this range. Accordingly, A.G. Edwards believes that this comparable company analysis supports its conclusion that the consideration to each target REIT's stockholders is fair, from a financial point of view, to that target REIT's stockholders.

Discounted Cash Flow Analysis. A.G. Edwards also performed a discounted cash flow analysis to estimate the value of FSP common stock. The discounted cash flow is calculated by taking the sum of the present value of FSP Corp.'s free cash flows (before financing costs) over the forecast period and the present value of the terminal value of FSP Corp. at the end of the forecast period. A.G. Edwards applied this methodology to the projected cash flows of FSP Corp. for the fiscal years ending December 31, 2004 through December 31, 2009. FSP Corp. provided projections through December 31, 2005 and guidance on a projected long-term perpetual growth rate as well as the long-term relationship between depreciation expense and capital expenditures. Based upon FSP Corp.'s projections and guidance, A.G. Edwards utilized a range of discount rates (7.4% to 8.4%), terminal multiples (11.9x to 13.5x) applied to estimated CAD for the fiscal year ending December 31, 2009 and perpetual growth rate for FSP Corp.'s projected CAD beginning in 2005 (1% to 3%) to calculate a range of implied equity values and prices per share for FSP common stock. A.G. Edwards then applied discounts to these values ranging from 10% to 20% in recognition of the market illiquidity of FSP common stock.

The discounted cash flow analysis yielded an implied equity value range of \$12.16 to \$22.29 per share. The effective cost per share to each target REIT's stockholders of FSP common stock in the mergers is below or within this range. Accordingly, A.G. Edwards believes that this discounted cash flow analysis supports its conclusion that the consideration to each target REIT's stockholders is fair, from a financial point of view, to that target REIT's stockholders.

Analysis Of Selected Precedent Mergers. While A.G. Edwards compared selected financial information and operating statistics for FSP Corp. as related to the consideration with corresponding financial information and operating statistics of eleven selected precedent transactions, A.G. Edwards advised the target boards that the precedent transactions offer limited insight into the value of FSP common stock due to the limited number of transactions in a relevant timeframe and/or the unique circumstance surrounding each transaction. Using publicly available information, A.G. Edwards considered the mean LTM NOI and FFO multiples of the three most recent transactions relative to the mean LTM

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

NOI and FFO multiples of the eleven transactions that occurred over the past five years in order to determine the recent trend in transaction multiples. Each of the transactions reviewed involved an entity that operated in one of the real estate sectors within which FSP Corp. operates. In order to compare the transaction multiples to a non-controlling share of FSP common stock, A.G. Edwards adjusted the transaction multiples by the median control premium of 13%. These transactions included the following:

Selected Precedent Mergers

Keystone Property Trust acquired by ProLogis
Great Lakes REIT acquired by Transwestern Investment Company LLC
MerryLand Properties acquired by Cornerstone Realty Income Trust
Cabot Industrial Trust acquired by CalWest Industrial Properties LLC
Charles E. Smith Residential Realty Inc. acquired by Archstone Communities Trust
Spieker Properties Inc. acquired by Equity Office Properties Trust
Grove Property Trust acquired by Equity Residential Properties Trust
Cornerstone Properties Inc. acquired by Equity Office Properties Trust
Berkshire Realty Company Inc. acquired by Berkshire Realty Holdings LP
Weeks Corp acquired by Duke Realty Investments Inc.
Meridian Industrial Trust Inc. acquired by ProLogis Trust

A.G. Edwards calculated the implied enterprise value of the selected transactions (based on their acquisition prices) as multiples of LTM NOI and FFO. The range of multiples for the three most recent transactions was 9.5x to 18.0x LTM NOI and 7.5x to 18.0x LTM FFO, which resulted in mean multiples of 14.4x LTM NOI and 14.2x LTM FFO, compared to the five year mean multiples of 11.6x LTM NOI and 11.1x LTM FFO. The range values were viewed in the context of marketability discounts ranging from 10% to 20%. Multiples for the selected transactions were based on publicly available information at the time of announcement of the transactions.

The precedent transaction analysis yielded an implied equity value range of \$11.70 to \$28.17 per share of FSP common stock. The effective cost per share to each target REIT's stockholders of FSP common stock in the mergers is below or within this range. Accordingly, although A.G. Edwards did not place significant reliance on this methodology, it believes that this analysis also supports its conclusion that the consideration to each target REIT's stockholders is fair, from a financial point of view, to that target REIT's stockholders.

Miscellaneous. A.G. Edwards is acting as financial advisor to the special committees of the target boards with respect to the mergers and will receive customary fees for its services pursuant to these engagements as well as reimbursement for its reasonable expenses. The target REITs have also agreed to indemnify A.G. Edwards for certain liabilities that may arise out of the rendering of the opinions and any related activities as financial advisor to the special committees of the target boards, including liabilities under the federal securities laws.

The target REITs selected A.G. Edwards to provide opinions in connection with the mergers because A.G. Edwards is a nationally recognized investment-banking firm with substantial experience in similar transactions and is familiar with the target REITs, FSP Corp. and their businesses. A.G. Edwards, as part of its investment banking business, is regularly engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

distributions of listed and unlisted securities, private placements and valuations for estate, corporate or other purposes. In the ordinary course of business, A.G. Edwards may from time to time trade in securities, including the securities of direct competitors of the target REITs or FSP Corp., for its own account and for accounts of its customers and, accordingly, may at any time hold a long or short position in these securities.

A.G. Edwards has in the past provided services to FSP Corp. unrelated to the mergers, and may do so in the future. Such past services have included investment banking services and valuations of FSP Corp.'s common stock. A.G. Edwards receives customary fees in connection with such services.

The foregoing is only a summary of the analyses performed by A.G. Edwards and does not purport to be a complete description of its presentation to the target boards. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analyses or summary description. A.G. Edwards believes that its analyses and the summary set forth above must be considered as a whole and that selecting portions of those analyses and of the factors considered by A.G. Edwards, without considering all analyses and factors, would create an incomplete view of the processes underlying the respective opinions. A.G. Edwards did not attempt to assign specific weights to particular analyses. Any estimates contained in A.G. Edwards' analyses are not necessarily indicative of actual values, which may be significantly more or less favorable than as set forth in A.G. Edwards' analyses. Estimates of values of companies do not purport to be appraisals or necessarily to reflect the prices at which companies may actually be sold. Because these estimates are inherently subject to uncertainty, A.G. Edwards does not assume responsibility for their accuracy.

Pursuant to engagement letter agreements dated July 22, 2004 between the special committee of each target REIT and A.G. Edwards, the target boards each agreed to pay A.G. Edwards an aggregate transaction fee of \$350,000 comprised of: (1) \$122,140 by Addison Circle, (2) \$106,584 by Collins Crossing, (3) \$57,133 by Montague and (4) \$64,143 by Royal Ridge. Each fee is payable to A.G. Edwards regardless of the conclusions reached by A.G. Edwards in its opinions and whether or not the mergers consummated. In the engagement letters, which were negotiated between the special committees and A.G. Edwards, the target REITs also agreed to reimburse A.G. Edwards for its reasonable out-of-pocket expenses.

Appraisals of the Target REITs' Properties

Each of the target boards engaged a third-party independent appraiser set forth in the table below to appraise the real estate owned by its target REIT. Each of the appraisers has delivered a written summary of its analysis, based upon the review, analysis, scope and limitations described therein, as to the fair market value of a particular target REIT's property as of the date set forth in the table below. Each appraiser has a national reputation for providing businesses with appraisals of real properties of the size and type of the property it appraised. The target boards selected the appraisers to provide the appraisals because of their experience and reputation in connection with real estate assets. In addition, the target boards desired to take advantage of the cost efficiencies associated with having the same party provide the appraisal that provided the appraisal obtained by each target REIT in connection with its acquisition of the property. The target boards imposed no limitations on the scope of the appraisers' appraisals. The target REITs have made the appraisals available to FSP Corp. and have allowed the FSP board to rely on the appraisals.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Set forth below is certain information regarding the appraisals. Copies of the appraisals are filed as exhibits to the registration statement of which this Consent Solicitation/Prospectus is a part. These appraised values are for the property owned by the respective target REIT as of the date of the appraisal.

Target REIT -----	Appraiser -----	Sum of Fair Market Value set forth in Appraisal and Estimated Cash Reserve Balances as of June 30, 2004 -----	Date of App -----
Addison Circle	Bryan E. Humphries and Associates	\$56,176,697	July 23,
Collins Crossing	Bryan E. Humphries and Associates	\$50,484,695	July 23,
Montague	Cushman & Wakefield of California, Inc.	\$22,034,787	July 14,
Royal Ridge	CBRE-Valuation and Advisory Services	\$27,042,500	July 13,

The material assumptions, qualifications and limitations to the appraisals are described below.

Summary of Methodology. At the request of the target boards, the appraisers updated their original appraisals for the purchase of the properties held by the respective target REIT and, where appropriate, revised their assumptions to reflect the changed conditions in the market or property. Appraisers typically use three approaches in valuing real property: the cost approach, the income approach and the sales comparison approach. The type and age of a property, market conditions and the quantity and quality of data affect the applicability of each approach in a specific appraisal situation. The value estimated by the cost approach incorporates separate estimates of the value of the unimproved site and the value of improvements, less observed physical wear and tear and functional or economic obsolescence. The income approach estimates a property's capacity to produce income through an analysis of the rental market, operating expenses and net income. Net income may then be processed into a value through either direct capitalization or discounted cash flow analysis, or a combination of these two methods. The sales comparison approach involves a comparative analysis of the subject property with other similar properties that have sold recently or that are currently offered for sale in the market. The appraisers considered or used all three of the approaches to value in their original appraisals.

The appraisers analyzed the individual properties of each target REIT. The appraisers' analysis included:

- o reviewing each property's historical operating statements,
- o reviewing and relying on specific information regarding prospective changes in rents and expenses for each property provided by the applicable target REIT,

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

- o developing information from a variety of sources about market conditions for each individual property, and
- o considering the projected cash flow for each property.

Representatives of the appraisers performed site inspections on all properties during July 2004. In the course of these site visits, the appraisers inspected the physical facilities, obtained current rental and percentage of leased space information, gathered information on competing properties and the local market, visited primary competing properties and interviewed each local property manager or assistant manager concerning performance of the subject property and other factors.

The appraisers reviewed historical operating statements and 2004 operating budgets for the subject properties.

In conducting the appraisals, the appraisers also interviewed and relied upon members of the target boards, executive management and property management personnel to:

- o obtain information relating to the condition of each property, including any deferred maintenance, capital budgets, status of ongoing or newly planned property additions, reconfigurations, improvements and other factors affecting the physical condition of the property improvements; and
- o discuss competitive conditions, area economic and development trends affecting the properties, historical and budgeted operating revenues and expenses and occupancies.

To define the percentage of leased space, rental rate and expense escalators to be used in developing property operating projections, the appraisers reviewed the acquisition criteria and projection parameters in use in the marketplace by major investors, owners and operators of the applicable property types. Further, the appraisers interviewed various sources in local markets to identify recent sales of similar properties and derive certain valuation indicators. Sources for data concerning such transactions included local appraisers, property owners, real estate brokers, tax assessors and real estate research firms.

Conclusions as to Value

Assumptions, Limitations and Qualifications of Property Appraisals. The appraisers utilized certain assumptions to determine the appraised value of the properties under the income approach and the sales comparison approach. The appraisals reflect the appraisers' valuation of the real estate of the target REITs as of their respective dates, in the context of the information available on such date. Events occurring after the date of an appraisal and before the closing of the mergers could affect the properties or assumptions used in preparing the real estate appraisals. The appraisers have no obligation to update the appraisals on the basis of subsequent events.

Compensation and Material Relationships. The appraisers have been paid fees in the aggregate amount of \$20,500 to prepare the appraisals. The fees for the appraisals were negotiated between the target boards and the appraisers and payment thereof are not dependent upon completion of the mergers. The respective appraisers were previously engaged to appraise the properties of the target REITs prior to their acquisition. During the past three years, the appraisers received an aggregate of \$32,000 for appraisals obtained by each target REIT in connection with the initial acquisition of such target REIT's property.

MANAGEMENT

George J. Carter, President and a director of each target REIT, age 55, is responsible for all aspects of the business of FSP Corp., the target REITs and their respective affiliates, with special emphasis on the evaluation, acquisition and structuring of real estate investments. Basis of Presentation

The following unaudited pro forma condensed consolidated financial statement presentation has been prepared based upon certain pro forma adjustments to the historical consolidated financial statements of FSP Corp. The pro forma balance sheets are presented as if the mergers occurred as of June 30, 2004. The pro forma statements of income and the pro forma statements of cash flow are presented as if the mergers occurred as of the beginning of the period.

The mergers will be treated as a purchase of assets and each target REIT's assets and liabilities will be recorded on FSP Corp.'s books at their fair value as of the effective date of the mergers.

PRO FORMA ADJUSTMENTS

Certain assumptions regarding the operations of FSP Corp. have been made in connection with the preparation of the pro forma condensed consolidated financial information. These assumptions are as follows:

- (a) FSP Corp. and each of the target REITs have elected to be, and are qualified as, a real estate investment trust for federal income tax

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

purposes. Each entity has met the various required tests; therefore, no provision for federal or state income taxes has been reflected on real estate operations.

- (b) FSP Corp. has subsidiaries which are not in the business of real estate operations. Those subsidiaries are taxable as real estate investment trust subsidiaries, or TRS, and are subject to income taxes at regular tax rates. The taxes on income shown in the pro forma statements of operations are the taxes on income incurred by the TRS. There are no material items that would cause a deferred tax asset or a deferred tax liability.
- (c) The costs of the mergers to FSP Corp. are estimated at \$500,000 and are reflected as paid as of June 30, 2004 and are capitalized to the assets acquired.
- (d) The cost of the property held by each target REIT (including capitalized merger costs of \$500,000) has been allocated to real estate investments, acquired lease origination costs and acquired favorable leases. Acquired lease origination costs represent the value associated with acquiring an in-place lease (i.e. the market cost to execute a similar lease, including leasing commission, legal, vacancy and other related costs). Acquired favorable leases represents the value associated with a lease which has a rental stream with above market rates. The value assigned to buildings, land and leases approximates their fair value.

The following schedule shows the allocation of the aggregate cost of the properties based upon appraised values. Depreciation and amortization for the target REITs is based on a preliminary allocation of the purchase price to real estate investments and to the leases acquired. The allocation is subject to change as additional information is obtained. An increase in the allocation to lease origination costs will result in an increase in amortization expense. For each \$1,000,000 increase in lease origination costs, the related pro forma amortization expense will increase by approximately \$200,000 per year.

In addition to real estate assets, FSP Corp. is also acquiring approximately \$6,664,000 in cash from the target REITs. Other assets and liabilities, net, are expected to be immaterial at the effective date of the mergers.

- (e) Management fees charged by FSP Corp. to the target REITs have been eliminated from revenue and expenses as follows.

Six Months Ended June 30, 2004	Year Ended December 31, 2003
\$ 118,000	\$ 204,000

- (f) Interest of \$273,000 charged by FSP Corp. on loans to the two target REITs syndicated in 2003 has been eliminated from revenue and expenses. See footnote (g) for additional interest expense incurred during syndications.
- (g) Income and expenses directly related to the syndication of two target REITs in 2003 have been eliminated. A summary of these items is as follows:

Revenue directly related to the syndication of two target REITs in 2003 that is included in FSP Corp.'s financial statements as follows:

Loan origination fees	\$ 4,902,000	
Other organization costs	656,000	
Total transaction fees		\$ 5,558,000
Syndication fees, gross	\$ 6,820,000	
Syndication fees, rebates	(1,417,000)	
Total syndication fees, net		5,403,000
Total revenue adjustment		\$ 10,961,000 =====

The two target REITs have accounted for these fees in their financial statements as follows:

Interest expense		\$ 4,902,000
Real estate acquisition costs		656,000
		\$ 5,558,000 =====
Gross syndication fees recorded as an offset to additional paid-in capital		\$ 6,820,000

=====

In connection with the syndication of the two target REITs in 2003, FSP Corp. incurred direct expenses of \$264,000 relating to interest expense that is eliminated in the pro forma statement of income.

- (h) Represents the elimination of FSP Corp.'s proportionate share of sponsored REIT revenue and expenses while the target REITs were being syndicated.

COMPARATIVE PER SHARE DATA

The following tables present on a per share basis:

(a) Basic and diluted net income book value, and dividends declared for FSP Corp. and each of the target REITs on a historical basis.

(b) Consolidated pro forma basic and diluted net income per share, book value per share and dividends per share for FSP Corp. This table shows the effect of the mergers from the perspective of an owner of one share of FSP common stock.

(c) Equivalent pro forma basic and diluted net income per share, equivalent pro forma book value per share and equivalent pro forma dividends per share for each of the target REITs. This table shows the effect of the mergers from the perspective of an owner of one share of stock of a target REIT. The consolidated pro forma data are multiplied by the number of shares of FSP common stock issuable in exchange for each share of target stock, also known as the exchange ratio, as shown in the following table:

Target REIT	Exchange Ratio
-----	-----
Addison	5,948.67
Collins Crossing	6,167.63
Montague	5,649.72
Royal Ridge	6,055.79

The pro forma financial data and equivalent pro forma data are unaudited and are not necessarily indicative of the operating results that would have been achieved had the mergers occurred as of the beginning of the period and should not be construed as representative of future operations.

FSP Corp. calculates historical book value per share by dividing stockholders' equity by the number of shares of common stock (or preferred

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

stock, in the case of the target REITs) outstanding at the end of each period.

FSP Corp. calculates consolidated pro forma net income per share data for FSP Corp. as if the mergers occurred on January 1, 2003 and 2004 and resulted in weighted average shares of 60,522,000 and 60,525,000 for the six months ended June 30, 2004 and for the year ended December 31, 2003, respectively.

FSP Corp. calculates consolidated pro forma book value per share data for FSP Corp. as if the mergers occurred on June 30, 2004 and resulted in an ending number of shares of 60,525,000.

FSP Corp. calculates consolidated pro forma dividends per share by adding the total dividends declared by FSP Corp. plus dividends declared by the target REITs and dividing this sum by 60,525,000 shares.

FSP Corp. calculates equivalent pro forma net income per share for each target REIT by multiplying the consolidated pro forma net income per share by the exchange ratio.

COMPARISON OF THE TARGET REITS AND FSP CORP.

The information below highlights a number of the significant differences among the target REITs and FSP Corp. relating to, among other things, forms of organization, investment objectives, asset diversification and capitalization. These comparisons are intended to assist target REIT stockholders in understanding how their investments will be changed as a result of the mergers.

Form of Organization. The target REITs and FSP Corp. are each vehicles appropriate for holding real estate investments and afford passive investors, such as target REIT stockholders, certain benefits, including limited liability and the avoidance of double-level taxation. The target REITs are under the control of their respective target boards, while FSP Corp. will continue to be governed by the FSP board. The target REITs are organized as Delaware

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

corporations, and FSP Corp. is a Maryland corporation.

Length of Investment. Target REIT stockholders in each of the target REITs expect liquidation of their investments when the assets of the target REITs are liquidated within a five to ten year period following the syndication of a target REIT. In contrast, FSP Corp. does not expect to dispose of its assets within any prescribed periods.

Properties and Diversification. The real estate portfolio of each target REIT is limited to the assets acquired with its initial equity offering. FSP Corp. will hold a real estate portfolio that is substantially larger and more diversified than the portfolio of any of the target REITs. An investment in FSP Corp. should not be viewed as an investment in a specific pool of assets, but instead as an investment in an ongoing real estate investment business, subject to the risks normally attendant to ongoing real estate ownership, to the risks related to the real estate investment banking/brokerage business and to the risks related to acquisitions of additional properties.

Additional Equity. As the target REITs are not authorized to issue additional shares of target stock or other equity interests without the approval of their respective target REIT stockholders, the target stock is not subject to dilution. In contrast, FSP Corp. has substantial flexibility to raise equity capital to finance its businesses and affairs through the issuance of equity securities.

Voting Rights. Target REIT stockholders have one vote in respect of each share of target stock held on matters to which the target REIT stockholders have the right to vote. These matters generally consist of:

- o any amendment to or repeal of any provision of the Certificate of Incorporation of the respective target REIT;
- o any merger or consolidation by the respective target REIT into or with any other corporation or other entity or any sale of all or substantially all of the respective target REIT's assets; and

107

- o any authorization or issuance of a new class or series of capital stock or an increase of the number of authorized shares of any existing class or classes or series of capital stock.

A stockholder in FSP Corp. will have one vote in respect of each share of FSP common stock of record on all matters to be voted upon by the stockholders. Matters submitted to the stockholders generally require the affirmative vote of stockholders holding a majority of the then outstanding capital stock present in person or by proxy entitled to vote thereon at a duly convened meeting of stockholders, except for the election of a director, which requires a plurality of all the votes cast at such a meeting. The Articles allow the FSP board to increase or decrease the number of shares of stock of any class that FSP Corp. has authority to issue without submitting the matter to the stockholders. Certain amendments to the Articles require the approval of a specified super-majority (80%) of the shares of capital stock of FSP Corp. issued and outstanding and entitled to vote on the matter.

Compensation to FSP Corp. FSP Corp. will receive no fees or other compensation in connection with the mergers. FSP Property Management, a wholly owned subsidiary of FSP Corp., currently receives asset management fees from the target REITs ranging from \$34,000 to \$81,000 per annum. As a result of the mergers, fee income received by FSP Property Management from the four target

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

REITs will be eliminated on the consolidated financial statements of the combined company for accounting purposes. The executive officers and directors of the target REITs receive no compensation from the target REITs. Such persons will, however, continue to receive compensation from FSP Corp. See "Management - Management Compensation".

Percentage Ownership. As a result of the significantly higher number of issued shares in FSP Corp. as compared to the target REITs, the target REIT stockholders will own a much smaller percentage of FSP Corp. relative to their ownership interest in the target REITs and, accordingly, will have less power to control the outcome of matters submitted to a vote of the stockholders and will receive a lesser percentage of any dividends or other distributions.

108

CONFLICTS OF INTEREST

A number of conflicts of interest are inherent in the relationships among the target REITs, the target boards, FSP Corp. and the FSP board. Certain of these conflicts of interest are summarized below.

FSP Investments, a subsidiary of FSP Corp., syndicated each target REIT. Moreover, each executive officer and/or director of each target REIT are directors and executive officers of FSP Corp. Each target board and the FSP board have independent obligations to ensure that such target REIT's or FSP Corp.'s participation, respectively, in the merger agreement and the determination of the merger consideration is fair and equitable, without regard to whether the merger agreement and the determination of the merger consideration are fair and equitable to the other participants (including the other target REITs). The FSP board and each target board have sought to discharge faithfully their respective obligations to FSP Corp. and the applicable target REIT; however, target REIT stockholders should consider that the executive officers and directors of each target REIT serve in a similar capacity with respect to FSP Corp. The special committees of the target boards, consisting of Messrs. MacPhee and Gribbell, each a director of the target REITs and an executive vice president of FSP Corp., engaged in negotiations of the terms of the merger agreement and the amount of the merger consideration, but each special committee member was subject to a conflict of interest. If each target REIT had a separate board of directors with executive officers who did not serve in similar capacities for FSP Corp. and directors who did not own FSP common stock, these persons would have had an independent perspective which might have led them to advocate positions during the negotiation and structuring of the merger agreement and the determination of the merger consideration more favorable to the target REIT stockholders than those taken by the target boards.

The conflicts of interest inherent in the relationships among the target REITs, the target boards, FSP Corp., the FSP board and their respective affiliates are as follows:

- o George J. Carter, the President and a director of each target REIT, is President, Chief Executive Officer and a director of FSP Corp. and owns an aggregate of 775,531 shares of FSP common stock;
- o R. Scott MacPhee, an Executive Vice President and a director of each target REIT and a member of each special committee, is also an Executive Vice President of FSP Corp. and owns an aggregate of 372,451 shares of FSP common stock;
- o Richard R. Norris, an Executive Vice President and a director of each target REIT, is also a director and an Executive Vice President

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

of FSP Corp. and owns an aggregate of 258,087 shares of FSP common stock;

- o William W. Gribbell, an Executive Vice President and a director of each target REIT and a member of each special committee, is also an Executive Vice President of FSP Corp. and owns an aggregate of 129,761 shares of FSP common stock;

109

- o Barbara J. Fournier, Vice President, Chief Operating Officer, Treasurer, Secretary and a director of each target REIT, is also Vice President, Chief Operating Officer, Treasurer, Secretary and a director of FSP Corp. and owns an aggregate of 27,934 shares of FSP common stock; and
- o Janet P. Notopoulos, Vice President of each target REIT, is also a Vice President and director of FSP Corp. and owns an aggregate of 14,985 shares of FSP common stock.

Each target board established a special committee consisting of Messrs. MacPhee and Gribbell, the only members of the target boards who are not also members of the FSP board. Messrs. MacPhee and Gribbell serve as executive vice presidents of FSP Corp. Under the Delaware general corporation law, the target boards cannot delegate to a third party their fiduciary duties relating to the determination of whether the transactions contemplated by the mergers were or were not fair to the target REIT stockholders.

Each target board considered increasing its board size to include an independent director to perform the function of the special committees. However, each target board concluded that, given the potential liability of a director voting on the mergers, it would be difficult to retain someone with the knowledge and credentials necessary to fulfill the role of an independent director of a REIT who would be willing to take on the role of independent director of any of the target REITs without being substantially compensated and without being covered by director liability insurance. None of the target REITs currently has director and officer liability insurance. Each target board determined that the cost of compensating an independent director and obtaining director and officer liability insurance would be substantial and not in the best interests of its target REIT stockholders. For this reason, none of the target boards appointed an independent director to perform the functions of the special committees.

Messrs. MacPhee and Gribbell, the members of the special committees, both served as directors on boards of other sponsored entities which engaged in similar transactions with FSP Corp., including the 13 sponsored REITs acquired by FSP Corp. in June 2003. The sponsored REITs involved in those transactions did not appoint independent directors to serve as special committees and, in fact, did not designate any of their members to serve on a special committee. Moreover, no stockholder of any of the 13 sponsored REITs acquired by FSP Corp. in June 2003 availed himself of appraisal rights. Based on their experience in voting on prior transactions, Messrs. MacPhee and Gribbell believed that they could and did faithfully execute their duties to the target REIT stockholders. Moreover, George J. Carter, the chief executive officer of FSP Corp., instructed Messrs. MacPhee and Gribbell to execute their duties on behalf of the target REITs and their stockholders vigorously and assured Messrs. MacPhee and Gribbell that there would be no adverse consequences to their employment by FSP Corp. as a result of their vigorously executing their duties.

Barry Silverstein, Dennis J. McGillicuddy and John N. Burke are the only

directors of FSP Corp. who are not also officers or directors of any target REIT. The remainder of the officers and directors of FSP Corp. serve as a director and/or officer, in the positions listed above, of each target REIT. Upon completion of the mergers, Mr. Silverstein's percentage ownership interest of FSP Corp. will decrease from 9.67% to 9.62%, Mr. McGillicuddy's percentage ownership interest of FSP Corp. will decrease from 7.24% to 6.07%, and the percentage ownership of the current directors and executive officers of FSP Corp. as a group will decrease from 19.07% to 17.46%. Mr. Burke does not own any shares of FSP common stock or any shares of target stock.

110

FIDUCIARY RESPONSIBILITY

The standard of conduct for directors of a Maryland corporation is governed by Section 2-405.1 of the Maryland General Corporation Law, which requires that a director of a Maryland corporation perform his duties (i) in good faith, (ii) in a manner he reasonably believes to be in the best interests of the corporation, and (iii) with the care an ordinarily prudent person in a like position would use under similar circumstances.

The Delaware general corporation law is silent as to the nature of the duties of directors of a Delaware corporation. The standard of conduct for directors has instead developed through written opinions of the Delaware courts in cases decided by those courts. A director of a Delaware corporation is subject to both a duty of loyalty and a duty of care. The duty of loyalty requires a director to refrain from self-dealing, and to act in good faith and in what he believes to be the best interests of the corporation and its stockholders. When the interests of a director with respect to a transaction conflict with those of the corporation, the transaction must be fair to the corporation. The duty of care requires a director to exercise an informed business judgment, meaning that he must inform himself of all material information reasonably available. Having become so informed, a director then must use that amount of care which an ordinarily careful and prudent person would use in similar circumstances.

111

COMPARISON OF STOCKHOLDER RIGHTS

The rights of stockholders in each target REIT are governed by the charter and bylaws of that REIT and by the laws of the State of Delaware. The rights of FSP stockholders are governed by FSP Corp.'s charter and bylaws, each as amended, and by the laws of the State of Maryland. As a result of the mergers, the target REIT stockholders will become FSP stockholders and their rights will thereafter be governed by FSP Corp.'s charter and bylaws and by the laws of the State of Maryland.

The following summary outlines the material differences between the Delaware general corporation law and the Maryland general corporation law, between the charter of each target REIT and the FSP Corp. charter, and between the bylaws of each target REIT and the FSP Corp. bylaws. Each target REIT stockholder is encouraged to review the full text of each of the charter and bylaws of each target REIT in which said stockholder owns stock, the FSP Corp. charter, the FSP Corp. bylaws, the Delaware General Corporation Law, the Maryland General Corporation Law and other corporation-related laws of Delaware and Maryland insofar as they relate to corporations organized in such states. The FSP Corp. charter and the FSP Corp. bylaws have been filed as exhibits to

Description of
preferred stock

Under the bylaws of each target REIT, each target board has the authority, subject to the provisions of the charter or a vote by the target REIT stockholders, to issue, sell, transfer, or otherwise dispose of the whole or any part of any unissued balance of the authorized capital stock, including preferred stock, of the target REIT for such lawful consideration and on such terms as such target board may determine. Any issuance of any new class or classes or series of capital stock or any increase in the number of authorized shares of any existing class or classes or series of capital stock requires the affirmative vote or written consent of the holders of not less than 66.67% of the then outstanding shares of preferred stock.

Under FSP Corp.'s charter, the FSP board has the authority, without further action by the FSP stockholders, to issue up to 20,000,000 shares of preferred stock in one or more separately designated classes. The FSP board may authorize the issuance of shares of preferred stock with terms and conditions which could have the effect of discouraging a takeover or other transaction in which holders of some, or a majority of, shares of FSP common stock might receive a premium for their shares of FSP common stock over the then-prevailing market price of those shares of FSP common stock.

113

Target REIT (Delaware)

FSP Corp. (Maryland)

Except as provided by law, the holders of preferred stock have no voting rights on any matter presented to the target REIT stockholders for their action or consideration at any meeting (or by written action of stockholders in lieu of a meeting), with the exception of (1) any amendment of or the repeal or addition of any provision to the target REIT's charter, (2) any merger or consolidation into or with any other corporation or other entity or sale of all of substantially all of the target REIT's assets, (3) the removal of one or more members of the target REIT board pursuant to a class vote provision contained in

the charter (see "Removal of directors," below), and (4) the election of directors to fill a vacancy created by any such removal.

Ownership limits related to status as a real estate investment trust

The charter of each target REIT provides that any purported transfer or acquisition of preferred stock that would result in the disqualification of the corporation as a real estate investment trust is void.

FSP Corp.'s charter provides that an FSP stockholder may be limited to owning, either directly or under applicable attribution rules of the tax code, no more than 9.8% of the lesser of the value or the number of equity shares of FSP Corp., which we call the ownership limit. No FSP stockholder may acquire or transfer shares that would result in shares of FSP common stock being beneficially owned by fewer than 100 persons. Any transfer that would cause a stockholder to beneficially or constructively own shares of FSP Corp. in excess of the ownership limit, result in shares of FSP Corp. being beneficially owned by fewer

than 100 persons, result in FSP Corp. being "closely held" as defined in the applicable section of the tax code, or otherwise cause FSP Corp. to fail to qualify as a real estate investment trust is void. Prior to the listing of FSP common stock on the AMEX or other national securities exchange or the NASDAQ National Market, FSP Corp. has the right to redeem any shares of FSP common stock that are acquired or transferred in violation of these provisions at the market price, which is determined by the FSP board. The FSP board has the right to refuse to give effect to the acquisition or transfer of shares by an FSP stockholder in violation of these provisions.

Rights of
stockholders to
redeem shares

The target REIT stockholders
have no redemption rights
for the target stock.

FSP Corp.'s charter provides that on an annual basis FSP Corp. will use its best efforts to redeem any shares of FSP common stock from FSP stockholders desiring to sell shares. Any FSP stockholder wishing to take advantage of this opportunity must so request no later than July 1 of any year for a redemption that would be effective the following January 1. The purchase price paid by FSP Corp. will be 90% of the fair market value of the shares purchased, as determined by the FSP board in its sole and absolute discretion after consultation with an adviser selected by the FSP board.

FSP Corp. will not redeem any shares of FSP common stock pursuant to this provision if: FSP Corp. is insolvent or the redemption

115

Target REIT (Delaware)

FSP Corp. (Maryland)

would render FSP Corp. insolvent; the redemption would impair the capital or operations of FSP Corp.; the redemption would contravene any provision of federal or state securities laws; the redemption would result in FSP Corp.'s failing to qualify as a real estate investment trust; or the FSP board determines that the redemption would otherwise not be in the best interests of FSP Corp.

If FSP Corp. is unable to purchase any shares of FSP common stock offered for redemption, FSP Corp. will use its best efforts to arrange for a purchase by a third party or parties, each of whom must be an accredited investor within

the meaning of Regulation D and must have a pre-existing relationship with FSP Corp. In addition, FSP Corp. will have the right to satisfy its obligation to effect redemption by arranging for a purchase by such a third party or parties at the redemption price.

FSP Corp. has no obligations to redeem shares of FSP common stock during any period that the FSP common stock is listed for trading on a national securities exchange, such as the AMEX, or the NASDAQ National Market System.

Special meetings of stockholders

Under the Delaware general corporation law, a special meeting of stockholders may be called by the board of directors or by any persons as may be authorized by a corporation's charter or bylaws.

Under Maryland law, a special meeting of stockholders may be called by the president, the board of directors, or any other person as may be authorized by a corporation's charter or bylaws. A special meeting of stockholders may

Classified board of directors

The Delaware general corporation law provides that a corporation's board of directors may be divided into one, two or three classes with staggered terms of office.

Maryland law provides that a corporation may divide its board into classes with terms of office provided by the bylaws so long as (1) no term of office is longer than five years, (2) no term of office is shorter than the period between annual meetings, and (3) the term of office of at least one class expires each year.

Each of the Target REITs' directors currently holds office until the next annual meeting of stockholders.

FSP Corp. directors are divided into three classes and are elected to a term of three years and hold office

until the third annual stockholder meeting after their election.

Removal of directors	Under the Delaware general corporation law, a director may be removed from office, with or without cause, by the affirmative vote of a majority of the shares then entitled to vote at an election of directors, except (1) unless a corporation's charter provides otherwise, a director sitting on a classified board may only be removed for cause, (2) if a corporation has cumulative voting and less than the entire board is to be removed a director cannot be removed without cause if the votes cast against his removal would be sufficient to elect him if then	Under Maryland law, unless otherwise provided by a corporation's charter, a director may be removed from office, with or without cause, by the affirmative vote of a majority of the shares then entitled to vote at an election of directors, except (1) a director sitting on a classified board of directors may only be removed for cause, (2) if a corporation has cumulative voting and less than the entire board is to be removed, a director cannot be removed without cause if the votes cast against his removal would be sufficient to elect him if then cumulatively voted at an

A meeting for the purpose of removing one or more directors may be called by the holders of 35% or more of the outstanding shares of preferred stock and at such a meeting any director may be removed with or without cause by a vote of greater than 50% of the outstanding shares of preferred stock.

Board of director vacancies

Under the Delaware general corporation law, any vacancy is to be filled as the bylaws of the corporation provide.

The target REITs' bylaws provide that any vacancy, unless and until filled by the stockholders, including

Under Maryland law, the stockholders may elect a successor to fill a vacancy on the board of directors which results from the removal of a director, except that if the stockholders of any class or series are entitled separately to elect one or

Indemnification

Under the Delaware general corporation law, a corporation has the power to indemnify any officer, director, employee or agent made a party to any proceeding by reason of service in that capacity if the party acted in good faith and in a manner the party reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the conduct in question was unlawful. However, indemnification for liability to the corporation itself may only be given if the Court of Chancery or the court in which such action or suit was brought determines that such person is fairly and reasonably

Under Maryland law, a corporation may indemnify any director, officer, employee, or agent made a party to any proceeding by reason of service in that capacity unless it is established that the act or omission of the party was material to the matter giving rise to the proceeding, and (1) was committed in bad faith; (2) was the result of active and deliberate dishonesty; (3) the party actually received an improper personal benefit in money, property, or services; or (4) in the case of any criminal proceeding, the party had reasonable cause to believe that the act or omission was unlawful.

Before indemnification can be granted, there must be an

entitled to indemnity.

Any such indemnification can only be made once authorized by (1) a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, (2) a committee of such directors designated by majority vote of such directors, even though less than a quorum, (3) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (4) the stockholders.

Notwithstanding any of the provisions above, the Delaware general corporation law dictates that to the extent that a present or

authorization by the board of directors, special legal counsel appointed by the board of directors, or the stockholders, that the conduct of the director, officer, employee or agent seeking indemnification meets the standard given above.

Unless limited by the corporation's charter, a director, officer, employee, or agent who has been successful, on the merits or otherwise, in the defense of any proceeding referred to above shall be indemnified against reasonable expenses incurred by that party in connection with the proceeding.

Any indemnification of, or

vote of two-thirds of the shares of stock entitled to vote on the matter, unless a lesser percentage (but not less than a majority of all the votes to be cast on the matter) is set forth in the corporation's charter.

FSP Corp.'s charter provides that, in addition to a majority of the shares of outstanding capital stock, as required by law, the affirmative vote of a majority of shares of preferred stock is required to amend the charter, merge or consolidate into or with any other corporation or other entity, sell all or substantially all of its assets, or engage in a share exchange.

Under the Delaware general corporation law, any merger, consolidation, or sale of substantially all assets requires the affirmative vote of a majority of the outstanding stock of the corporation entitled to vote on the matter.

The target REITs' charters provide that, in addition to a majority of the shares of outstanding capital stock, as required by law, the affirmative vote of a majority of shares of preferred stock is required to amend or repeal any provision of, or add any provision to the charter, merge or consolidate into or with any other corporation or other entity, or sell all or substantially all of its assets.

The target REITs' bylaws provide that the bylaws may be amended or repealed by the affirmative vote of a majority of the directors present at any regular or special meeting of the target REIT board at which a quorum is present. Furthermore, the bylaws may be amended or repealed by the affirmative vote of the holders of a majority of the shares of the capital stock of the corporation issued and outstanding and entitled to vote at any regular meeting of stockholders, or at any special meeting of stockholders, provided notice of such amendment or repeal has been stated in the notice of such special meeting.

Anti-takeover statutes	The target REITs' charters provide that Delaware's anti-takeover statute does not apply to each target REIT.	Under Maryland law, a corporation may not engage in any business combination with any stockholder who owns, directly or indirectly, 10% or more of the outstanding voting stock of the corporation (an "interested stockholder") or any affiliate of the interested stockholder for a period of 5 years following the most recent date on which the interested stockholder became an interested stockholder unless the Board of Directors of the corporation approves and exempts the business combination from such requirement or there are fewer than 100 beneficial owners of stock in the corporation or certain other conditions are met.

Inspection rights

Under the Delaware general corporation law, any stockholder has the right to inspect for any proper purpose and to make copies and extracts from the corporation's stock ledger, a list of its stockholders, its other books and records and a subsidiary's books and records, to the extent that the corporation has actual possession and control of such records of such subsidiary or the corporation could obtain such records through the exercise of control over such subsidiary without violating its contractual obligations to the subsidiary or the subsidiary's legal rights.

Under Maryland law, any stockholder may inspect and copy that corporation's bylaws, the minutes of the proceedings of its stockholders, its annual statements of affairs and voting trust agreements on file at the corporation's principal office. Any stockholder may present to any officer or resident agent of the corporation a written request for a statement showing all stock and securities issued by the corporation during a specified period of not more than 12 months before the date of the request.

Furthermore, one or more persons who together are and for at least six months have been stockholders of record of at least 5 percent of the outstanding stock of any

class of a corporation may inspect and copy during usual business hours the corporation's books of account and its stock ledger; present to any officer or resident agent of the corporation a written request for a statement of its affairs; and in the case of any corporation which does not maintain the original or a duplicate stock ledger at its principal office, present to any officer or resident agent of the corporation a written request for a list of its stockholders.

BUSINESS AND PROPERTIES OF THE TARGET REITS

Each target REIT was formed for the purpose of acquiring, developing and operating its property. The principal investment objectives of the target REITs are to provide their target REIT stockholders with regular quarterly cash distributions; to obtain long-term appreciation in the value of their property; and to preserve and protect their target REIT stockholders' capital. The target REITs share executive offices with FSP Corp. Each target board believes the property owned by its related target REIT is adequately covered by insurance.

There is no established public trading market for the preferred stock of any of the target REITs.

The following table indicates the number of holders of record of preferred stock in each of the target REITs as of August 13, 2004, based upon the number of record holders reflected in the corporate records of that target REIT.

Each target REIT expects to declare in the fourth quarter of 2004 and pay to its target REIT stockholders thereafter a dividend with respect to its third and fourth quarter 2004 operations. Pursuant to the merger agreement, such dividends will be paid in an amount consistent with past practice and custom of the relevant target REIT. The cash paid out in these dividends will reduce the amount of cash held by each target REIT and acquired by FSP Corp. upon consummation of the mergers. Because the target REITs have not yet declared these cash dividends, FSP Corp. cannot estimate the aggregate amount of such dividends. As the target REITs will cease to exist upon consummation of the mergers, FSP Corp. does not expect that they will continue to pay quarterly dividends after such consummation.

MANGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND
RESULTS OF OPERATIONS OF THE TARGET REITS

The following discussion should be read in conjunction with the Addison Circle, Collins Crossing, Montague and Royal Ridge financial statements and notes thereto appearing elsewhere in this Consent Solicitation/Prospectus. Historical results and percentage relationships set forth in the respective target REIT financial statements should not be taken as necessarily indicative of future operations. The target REITs' financial statements have been prepared on the accrual basis of accounting and have been prepared in accordance with Rule 3-14 of Regulation S-X of the SEC for real estate properties acquired or to be acquired. Accordingly, these financial statements exclude certain historical expenses not comparable to the proposed operations of the target REITs after acquisition such as amortization, depreciation, interest, corporate expenses and certain other costs not directly related to the future operations of the target REITs.

Trends and Uncertainties

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Real Estate Operations

It is difficult for management of the target REITs to predict what will happen to occupancy or rents in 2004 and beyond because the need for space and the price tenants are willing to pay are tied to both the local economy and to the larger trends in the economy, such as job growth, interest rates, and corporate earnings, which in turn are tied to even larger macroeconomic and political factors, such as the risk of war and terrorism. In addition to the difficulty of predicting macroeconomic factors, it is difficult to predict how local markets, projects, or tenants will suffer or benefit from changes in the larger economy. Because each property is in a single geographical market and each property's tenants are in diverse industries, these macroeconomic trends may have a different effect on a property and on its tenants.

Results of Operations of Addison Circle

Addison Circle was organized in August 2002 as a corporation to purchase, own and operate a commercial office building located in Addison, Texas. The Addison Circle property consists of a ten-story Class "A" suburban office tower that contains approximately 293,787 square feet of space situated on approximately 3.61 acres of land. FSP Corp. acquired the property on September 30, 2002.

The property is leased to three major tenants, McLeod USA Telecommunications Services, Inc., The Staubach Company and Peoplesoft, formerly J.D. Edwards World Solutions Company, U.S.A., Inc. that provide approximately 79% of the revenue. Bankruptcy or a material adverse change in financial condition of any of these tenants may cause a material adverse affect to Addison Circle. Peoplesoft has exercised its termination option and notified Addison Circle of its intent to terminate its lease as of March 1, 2005.

147

Comparison of the six months ended June 30, 2004 to the six months ended June 30, 2003

Revenue

Total revenue increased \$0.4 million, to \$4.7 million for the six months ended June 30, 2004, as compared to \$4.3 million for the six months ended June 30, 2003. This increase is primarily due to the termination fee paid by Peoplesoft when it exercised its termination option on its lease.

Expenses

Total expenses were \$1.5 million for the six months ended June 30, 2004, and were consistent with the comparable period in 2003.

Comparison of the year ended December 31, 2003 to the year ended December 31, 2002

Revenue

Total revenue decreased \$0.1 million, to \$8.6 million for the year ended December 31, 2003, as compared to \$8.7 million for the year ended December 31, 2002.

The decrease in rental income of \$0.1 million, as compared to the year ended December 31, 2002, is primarily attributable to vacancies as a result of one tenant that went out of business and another tenant that "downsized" and

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

chose not to renew the space it leased on a month-to-month lease to expire.

Expenses

Total expenses increased \$0.2 million for the year ended December 31, 2003, as compared to the year ended December 31, 2002. The increase is primarily attributable to:

- o an increase of taxes and insurance of \$0.1 million, as a result of a property tax assessment and insurance rate increases.
- o an increase in operating expenses of \$0.1 million as a result of slight increases in multiple expense categories.

Comparison of the year ended December 31, 2002 to the year ended December 31, 2001

Revenue

Total revenue increased \$0.3 million, to \$8.7 million for the year ended December 31, 2002, as compared to \$8.4 million for the year ended December 31, 2001.

The increase in rental income of \$0.3 million, as compared to the year ended December 31, 2001, is attributable to two leases that were executed during 2002.

Expenses

Total expenses increased \$0.2 million for the year ended December 31, 2002, as compared to the year ended December 31, 2001. The increase is primarily attributable to modest increases in multiple expense categories as a result of the leases that were executed in 2002.

148

Liquidity and Capital Resources

Cash and cash equivalents were \$5.6 million and \$6.0 million at June 30, 2004 and December 31, 2003, respectively. This decrease of \$0.4 million is attributable to \$1.0 million provided by operating activities, offset by \$0.2 million used for investing activities and \$1.2 million used for financing activities. Management believes that existing cash and cash anticipated to be generated internally by operations will be sufficient to meet working capital requirements and anticipated capital expenditures for at least the next 12 months.

Operating Activities

The cash provided by operating activities of \$1.0 million is primarily attributable to net income of \$2.5 million plus the add-back of \$0.7 million of non-cash activity, principally depreciation and amortization. This was offset by a decrease in operating assets of \$2.2 million primarily related to accounts payable and accrued expenses for the period ending December 31, 2003.

Investing Activities

Cash used for investing activities of \$0.2 million is attributable to tenant improvements and leasing commissions related to a new lease.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Financing Activities

Cash used by financing activities of \$1.2 million is attributable to distributions to shareholders.

Sources and Uses of Funds

Addison Circle's principal demands for liquidity are cash for operations and dividends to equity holders. As of June 30, 2004 Addison Circle had approximately \$1.4 million in liabilities and no long-term debt. In the near term, liquidity is generated from funds from operations.

Results of Operations of Collins Crossing

Collins Crossing was organized in January 2003 as a corporation to purchase, own and operate a commercial office building located in Richardson, Texas. Completed in 1999, the Collins Crossing property consists of an eleven story Class "A" suburban office tower that contains approximately 298,766 square feet of space situated on approximately ten acres of land (including an undeveloped parcel containing approximately 3.5 acres). FSP Corp. acquired the property on March 3, 2003. Collins Crossing began leasing its property in 2000.

The major tenant at Collins Crossing provides approximately 80% of the revenue and a second tenant provides approximately the remaining 20% of the revenue. Bankruptcy or a material adverse change in financial condition of these tenants may cause a material adverse affect to Collins Crossing.

149

Comparison of the six months ended June 30, 2004 to the six months ended June 30, 2003

Revenue

Total revenue increased \$1.3 million, to \$3.9 million for the six months ended June 30, 2004, as compared to \$2.6 million for the six months ended June 30, 2003. This increase is primarily due to a recalculation of straight-line rents when the property was purchased in March 2003.

Expenses

Total expenses increased \$0.5 million to \$1.4 million for the six months ended June 30, 2004, as compared to \$0.8 million at June 30, 2003. This is primarily attributable to an increase in operating and maintenance expenses. A substantial portion was recharged to tenants. In addition, real estate taxes and insurance were higher in 2004 than 2003.

Comparison of the year ended December 31, 2003 to the year ended December 31, 2002

Revenue

Total revenue increased \$0.1 million, to \$7.8 million for the year ended December 31, 2003, as compared to \$7.7 million for the year ended December 31, 2002.

The increase in rental income of \$0.1 million, as compared to the year ended December 31, 2002, is attributable to expenses which can be passed through to tenants.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Expenses

Total expenses increased \$0.3 million for the year ended December 31, 2003, as compared to the year ended December 31, 2002. The increase is attributable to:

- o an increase in operating and maintenance expenses of \$0.2 million, as compared to the year ended December 31, 2002, a substantial portion of which was recharged to tenants.
- o an increase of \$0.1 million as a result of increased management fees and related administrative expenses for the year ended December 31, 2003, as compared to the year ended December 31, 2002 primarily as a result of a 1% management fee increase over the previous year.

Comparison of the year ended December 31, 2002 to the year ended December 31, 2001

Revenue

Total revenue increased \$0.5 million, to \$7.7 million for the year ended December 31, 2002, as compared to \$7.2 million for the year ended December 31, 2001.

The increase in rental income of \$0.5 million for the year ended December 31, 2002, is attributable to two large tenants taking space during various times in 2002 and 2001.

150

Expenses

Total expenses decreased \$0.3 million for the year ended December 31, 2002, as compared to the year ended December 31, 2001. The decrease is primarily attributable to:

- o a decrease in tax and insurance expenses of \$0.2 million, as compared to the year ended December 31, 2001 as a result of a lower property assessment.
- o a decrease of \$0.2 million in operating and maintenance expenses for the year ended December 31, 2002, as compared to the year ended December 31, 2001 as a result of reduced costs of primarily associated with property service contracts.

Liquidity and Capital Resources

Cash and cash equivalents were \$4.6 million and \$5.1 million at June 30, 2004 and December 31, 2003, respectively. This decrease of \$0.4 million is attributable to \$0.8 million provided by operating activities, offset by \$1.2 million used for financing activities. Management believes that existing cash and cash anticipated to be generated internally by operations will be sufficient to meet working capital requirements and anticipated capital expenditures for at least the next 12 months.

Operating Activities

The cash provided by operating activities of \$0.8 million is primarily attributable to net income of \$1.5 million plus the add-back of \$1.1 million of non-cash activity. This was offset by a decrease in operating assets of \$1.8

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

million, primarily related to approximately \$1.6 million of accounts payable and accrued expenses.

Investing Activities

No cash was provided by or used for investing activities.

Financing Activities

Cash used by financing activities of \$1.2 million is attributable to distributions to shareholders.

Sources and Uses of Funds

Collins Crossing's principal demands for liquidity are cash for operations and dividends to equity holders. As of June 30, 2004, Collins Crossing had approximately \$1.3 million in liabilities and no long-term debt. In the near term, liquidity is generated from funds from operations.

Results of Operations of Montague

Montague Business Center. was organized in July 2002 as a corporation to purchase, own and operate two adjacent single-story research and development/office buildings located in San Jose, California. The Montague property contains approximately 145,951 square feet of space situated on approximately 9.95 acres of land. FSP Corp. acquired the property on August 27, 2002.

151

The property is leased to a single tenant and that tenant provides 100% of the revenue. Bankruptcy or a material adverse change in financial condition of this tenant may cause a material adverse affect to Montague. Moreover, Montague's property is leased to a single tenant through December 31, 2006 at a rate that is currently significantly above market. Following the termination of this lease, the property may only be able to release the space at a rate that is significantly lower than the current rate, possibly causing a material adverse effect to Montague.

Comparison of the six months ended June 30, 2004 to the six months ended June 30, 2003

Revenue

Total revenue decreased \$0.1 million, to \$2.3 million for the six months ended June 30, 2004, as compared to \$2.4 million for the six months ended June 30, 2003. This decrease is primarily due to a slight reduction in operating expenses, real estate taxes and insurance which resulted in lower billings to the tenant.

Expenses

Total expenses decreased less than \$0.1 million, to \$0.3 million for the six months ended June 30, 2004, as compared to \$0.3 million for the six months ended June 30, 2003. This decrease is primarily due to a minor cost savings in various operating expenses and a small decrease in real estate taxes as a result of a lower tax assessment.

Revenue

Total revenue increased \$0.4 million, to \$4.8 million for the year ended December 31, 2003, as compared to \$4.4 million for the year ended December 31, 2002.

The increase in rental income of \$0.4 million, as compared to the year ended December 31, 2002, is attributable to a tenant taking increased space in mid-2002.

Expenses

Total expenses increased \$0.2 million for the year ended December 31, 2003, as compared to the year ended December 31, 2002. The increase is attributable to:

- o an increase in tax and insurance expenses of \$0.1 million, as compared to the year ended December 31, 2002 as a result of property tax and insurance rate increases.
- o a combined increase in management fee and operating and maintenance expenses of \$0.1 million for the year ended December 31, 2003, as compared to the year ended December 31, 2002 as a result of a tenant taking increase space in mid-2002.

152

Comparison of the year ended December 31, 2002 to the year ended December 31, 2001

Revenue

Total revenue increased \$0.6 million, to \$4.4 million for the year ended December 31, 2002, as compared to \$3.8 million for the year ended December 31, 2001.

The increase in rental income of \$0.6 million, compared to the year ended December 31, 2001, is attributable to a tenant taking increased space in mid-2002.

Expenses

Total expenses remained relatively consistent, totaling \$0.4 million for both the years ended December 31, 2002 and December 31, 2001. All expense categories remained relatively consistent for the year ended December 31, 2002, as compared to the year ended December 31, 2001.

Liquidity and Capital Resources

Cash and cash equivalents were \$3.6 million at June 30, 2004 and December 31, 2003. This is attributable to \$0.9 million provided by operating activities, offset by \$0.9 million used for financing activities. Management believes that existing cash and cash anticipated to be generated internally by operations will be sufficient to meet working capital requirements and anticipated capital expenditures for at least the next 12 months.

Operating Activities

The cash provided by operating activities of \$0.9 million is primarily

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

attributable to net income of \$1.2 million plus the add-back of \$0.7 million of non-cash activity, principally depreciation and amortization. This was offset by a decrease in operating assets of \$1.0 million primarily related to accounts payable and accrued expenses.

Investing Activities

No cash was provided by or used for investing activities.

Financing Activities

Cash used by financing activities of \$0.9 million is attributable to distributions to shareholders.

Sources and Uses of Funds

Montague's principal demands for liquidity are cash for operations and dividends to equity holders. As of June 30, 2004 Montague had approximately \$0.4 million in liabilities and no long-term debt. In the near term, liquidity is generated from funds from operations.

Results of Operations of Royal Ridge

Royal Ridge was organized in December 2002 as a corporation to purchase, own and operate a six-story Class "A" suburban office building containing approximately 161,366 rental square feet of space located on approximately 13.2 acres of land in Alpharetta, Georgia. FSP Corp. acquired the property on January 30, 2003.

153

The property is leased to two major tenants, Combined Speciality Insurance Company and Hagenmeyer North America, Inc., that provide approximately 90% of the revenue. Bankruptcy or a material adverse change in financial condition to either of these tenants may cause a material adverse affect to Royal Ridge.

On January 30, 2003, Royal Ridge purchased a building for which the construction was completed in December 2001. As a result, historical results are presented only beginning with the commencement of operations of this second building. The two major tenants executed their respective leases between May and June 2002.

Comparison of the six months ended June 30, 2004 to the six months ended June 30, 2003

Revenue

Total revenue was \$1.7 million for the six months ended June 30, 2004, as compared to \$0.6 million for the six months ended June 30, 2003.

The increase in rental income of \$1.1 million is primarily attributable to the recalculation of straight-line rents and billing of operating expenses. Construction of the building was completed during 2001 and was not fully leased until 2002. The tenants received free rent during 2002. Revenue related to straight-line rents was initially recognized in 2002 and subsequently adjusted as the property was designated as "held for sale".

Expenses

Total expenses increased \$0.2 million, to \$0.6 million for the six months

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

ended June 30, 2004, as compared to \$0.4 million for the six months ended June 30, 2003. This increase is primarily due to increased management fees as a result of increased occupancy of the property.

Comparison of the year ended December 31, 2003 to the year ended December 31, 2002

Revenue

Total revenue was \$2.7 million for the year ended December 31, 2003, as compared to \$[23.0] thousand for the year ended December 31, 2002.

This occurred because construction of the building was not completed until 2001; no leases commenced until 2002 and the tenants received free rent during 2002. Revenue related to straight-line rents was not recognized as the property was for sale and the straight-line rents receivable would not be collected. In addition, approximately \$0.6 million of reimbursable expenses resulted from occupancy in 2003 that did not occur in 2002.

Expenses

Total expenses increased \$0.3 million for the year ended December 31, 2003, as compared to the year ended December 31, 2002. The increase is attributable to:

154

- o an increase of tax and insurance expenses of \$0.1 million, as compared to the year ended December 31, 2002 as a result of property tax and insurance rate increases.
- o an increase of operating and maintenance expenses of \$0.1 million, as compared to the year ended December 31, 2002 as a result of a increased occupancy.
- o a combined increase of \$0.1 million in management fee and administrative expenses for the year ended December 31, 2003, as compared to the year ended December 31, 2002 as a result of increased occupancy.

Liquidity and Capital Resources

Cash and cash equivalents were \$2.3 million at June 30, 2004 and December 31, 2003. This is attributable to \$0.5 million provided by operating activities, offset by \$0.5 million used for financing activities. Management believes that existing cash and cash anticipated to be generated internally by operations will be sufficient to meet working capital requirements and anticipated capital expenditures for at least the next 12 months.

Operating Activities

The cash provided by operating activities of \$0.5 million is primarily attributable to net income of \$0.6 million plus the add-back of \$0.5 million of non-cash activity, principally depreciation and amortization. This was offset by a decrease in operating assets of \$0.6 million primarily related to accounts payable and accrued expenses.

Investing Activities

No cash was provided by or used for investing activities.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Financing Activities

Cash used by financing activities of \$0.5 million is attributable to distributions to shareholders.

Sources and Uses of Funds

Royal Ridge's principal demands for liquidity are cash for operations and dividends to equity holders. As of June 30, 2004, Royal Ridge had approximately \$0.2 million in liabilities and no long-term debt. In the near term, liquidity is generated from funds from operations.

Contractual Obligations and Off Balance Sheet Arrangements

None of the target REITs has any long term contractual obligations or is a party to any off balance sheet arrangements. Moreover, no target REIT has a proposed program for the renovation, improvement or development of any of their real properties other than normal tenant improvements or replacements of equipment in the ordinary course of ongoing operations.

MATERIAL UNITED STATES FEDERAL INCOME TAX CONSIDERATIONS

The following is a general summary of the material United States federal income tax considerations associated with the mergers and with the acquisition, ownership and disposition of FSP common stock pursuant to the mergers. The following summary is not exhaustive of all possible tax considerations. Moreover, the summary contained herein does not address all aspects of taxation that may be relevant to particular target REIT stockholders in light of their personal tax circumstances, or to certain types of stockholders subject to special treatment under federal income tax laws, including insurance companies, tax-exempt organizations (except to the extent discussed below under the heading "Taxation of Tax-Exempt Shareholders"), financial institutions, broker-dealers, and foreign corporations and persons who are not citizens or residents of the United States (except to the extent discussed below under the heading "Taxation of Non-U.S. Shareholders"). For purposes of this summary, references to the "combined company" exclude any taxable REIT subsidiaries (as described below) of FSP Corp.

Assuming no material changes in the applicable federal income tax laws prior to the effective date of the mergers, Wilmer Cutler Pickering Hale and Dorr LLP will issue an opinion to FSP Corp. and each target REIT based upon certain factual representations made by FSP Corp. and the target REITs that (i) the mergers will constitute reorganizations within the meaning of Section 368(a) of the Code, and (ii) to the extent that the matters discussed under this heading "Material United States Federal Income Tax Considerations" constitute matters of law, they are accurate in all material respects.

The statements in this summary are, and the opinions of Wilmer Cutler Pickering Hale and Dorr LLP will be, based on the provisions of the Internal Revenue Code, or the tax code, applicable United States Treasury regulations promulgated thereunder, and judicial and administrative decisions and rulings all as in effect on the date rendered. Neither the statements below nor the opinions is binding on the Internal Revenue Service or the courts, and there can be no assurance that the Internal Revenue Service or the courts will not take a contrary view. No ruling from the Internal Revenue Service has been or will be sought. Future legislative, judicial or administrative changes or interpretations could alter or modify the statements and conclusions set forth

herein, possibly adversely.

EACH TARGET REIT STOCKHOLDER IS URGED TO CONSULT HIS, HER, OR ITS OWN TAX ADVISOR REGARDING THE SPECIFIC TAX CONSEQUENCES TO THE TARGET REIT STOCKHOLDER OF THE MERGERS AND OF THE ACQUISITION, OWNERSHIP AND DISPOSITION OF STOCK IN AN ENTITY ELECTING TO BE TAXED AS A REAL ESTATE INVESTMENT TRUST, INCLUDING FEDERAL, STATE, LOCAL, FOREIGN AND OTHER TAX CONSEQUENCES, AS WELL AS POTENTIAL CHANGES IN THE APPLICABLE TAX LAWS.

Tax Consequences of the Mergers

In the opinion of Wilmer Cutler Pickering Hale and Dorr LLP, each merger will be treated as a "reorganization" within the meaning of Section 368(a) of the tax code. Accordingly, subject to the limitations and qualifications referred to herein, the following tax consequences will result:

156

- o No gain or loss will be recognized by the target REIT stockholders upon the receipt of FSP common stock in exchange for target stock in the merger, except with respect to any cash received in lieu of a fractional share of FSP common stock.
- o The aggregate tax basis of the FSP common stock received by a target REIT stockholder in the merger will be the same as the aggregate basis of the target stock surrendered by the stockholder in the exchange, reduced by any the portion of such basis attributable to the shares of target stock exchanged for cash in lieu of a fractional share of FSP Corp. common stock.
- o The holding period of the FSP common stock received by each target REIT stockholder in the merger will include the holding period for the target stock surrendered by the stockholder in the exchange.

A successful Internal Revenue Service challenge to the "reorganization" status of the merger would result in each target REIT stockholder recognizing gain or loss with respect to each share of target stock surrendered in the applicable merger equal to the difference between the stockholder's basis in his target stock and the fair market value, as of the completion of the merger, of the FSP common stock received in exchange therefor. In the event of a successful challenge, the total tax basis in the FSP common stock so received would equal its fair market value, as of the completion of the merger, and the holding period for the FSP common stock would begin the day after the merger.

Each target REIT stockholder who receives shares of FSP common stock in a merger will be required to file a statement with his, her or its federal income tax return setting forth the stockholder's basis in the shares of target stock surrendered and the fair market value of FSP common stock received in the merger. The target REIT stockholder will be required to retain permanent records of these facts relating to the transaction.

Certain Tax Risks Relating to the Mergers

The mergers entail certain tax risks which, if realized, may cause the combined company to fail to qualify as a REIT in the year of the mergers or in any subsequent year, or may result in substantial penalties (excise taxes) being imposed upon the combined company. As a result of the mergers, for example:

- o The combined company may, directly or indirectly, improperly own 10% or more of a tenant from which the combined company collects rent,

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

causing the rent received from such tenant to fail to qualify as rents from real property, as described below under "Requirements for Taxation as a Real Estate Investment Trust - Income Tests".

- o The combined company may improperly own (i) more than 10% of the outstanding voting securities of any issuer, or (ii) more than 10% of the value of the securities of any issuer, causing the combined company to fail to satisfy the asset tests, as described below under "Requirements for Taxation as a Real Estate Investment Trust - Asset Tests".

157

- o The combined company would be disqualified as a REIT if any of the target REITs did not qualify as a REIT and, as a result, had any undistributed "earnings and profits" at the time of the mergers.

If the combined company fails to qualify as a REIT, the combined company could be disqualified from treatment as a REIT in the year in which such failure occurred and for the next four taxable years and, consequently, would be taxed as a regular corporation during such years. Other tax costs that could result if one or more of the mergers caused the combined company to acquire impermissible assets or income are described below under "Tax Consequences of REIT Election - Taxation of the combined company - General."

Tax Consequences of REIT Election

Introduction. FSP Corp. has elected under Section 856 of the tax code to be taxed as a real estate investment trust. Following the mergers, subject to the risks described above, the combined company intends to continue to be taxed as a REIT.

Taxation of the combined company

General. If the combined company continues to qualify as a real estate investment trust, it generally will not be subject to federal corporate income taxes on its net income to the extent that the income is currently distributed to its shareholders. The benefit of this tax treatment is that it substantially eliminates the "double taxation" resulting from the taxation at both the corporate and shareholder levels that generally results from owning stock in a corporation. Accordingly, income generated by the combined company generally will be subject to taxation solely at the shareholder level upon a distribution from the combined company. The combined company will, however, be required to pay certain federal income taxes, including in the following circumstances:

- o The combined company will be subject to federal income tax at regular corporate rates on taxable income, including net capital gain, that the combined company does not distribute to shareholders during, or within a specified time period after, the calendar year in which such income is earned.
- o The combined company will be subject to the "alternative minimum tax" with respect to its undistributed alternative minimum taxable income.
- o The combined company will be subject to a 100% tax on net income from certain sales or other dispositions of property that it holds primarily for sale to customers in the ordinary course of business, also known as "prohibited transactions".

- o If the combined company fails to satisfy the 75% gross income test or the 95% gross income test, both described below, but nevertheless qualifies as a real estate investment trust, the combined company will be subject to a 100% tax on an amount equal to (i) the gross income attributable to the greater of the amount by which the combined company fails the 75% or 95% gross income test multiplied by (ii) a fraction intended to reflect the combined company's profitability.

158

- o If the combined company fails to distribute during the calendar year at least the sum of (i) 85% of its real estate investment trust ordinary income for such year, (ii) 95% of its real estate investment trust capital gain net income for such year, and (iii) any undistributed taxable income from prior periods, the combined company will pay a 4% excise tax on the excess of such required distribution over the amount actually distributed to its shareholders.
- o The combined company may elect to retain and pay income tax on some or all of its long-term capital gain, as described below.
- o The combined company may be subject to a 100% excise tax on transactions with any of its taxable REIT subsidiaries that are not conducted on an arm's-length basis.

Requirements for Qualification as a Real Estate Investment Trust

Introduction. In order to qualify as a real estate investment trust for federal income tax purposes a REIT must elect (or have elected, and have not revoked its election) to be treated as a REIT and must satisfy certain statutory tests relating to, among other things, (i) the sources of its income, (ii) the nature of its assets, (iii) the amount of its distributions, and (iv) the ownership of its stock. FSP Corp. has elected to be treated as a REIT and has endeavored, and the combined company will endeavor, to satisfy the tests for REIT qualification.

A real estate investment trust may own a "qualified REIT subsidiary." A qualified REIT subsidiary is a corporation, all of the capital stock of which is owned by a real estate investment trust, and for which subsidiary no election has been made to treat it as a "taxable REIT subsidiary" (as discussed below). A corporation that is a qualified REIT subsidiary is not treated as a corporation separate from its parent real estate investment trust for federal income tax purposes. All assets, liabilities, and items of income, deduction, and credit of a qualified REIT subsidiary are treated as the assets, liabilities, and items of income, deduction and credit of the parent real estate investment trust. Thus, in applying the requirements described herein, any qualified REIT subsidiary of the combined company will be ignored, and all assets, liabilities and items of income, deduction and credit of such subsidiary will be treated as the assets, liabilities, and items of income deduction and credit of the combined company.

In the event that the combined company becomes a partner in a partnership, the combined company will be deemed to own its proportionate share (based upon its share of the capital of the partnership) of the assets of the partnership and will be deemed to be entitled to the income of the partnership attributable to such share. In addition, the assets and income of the partnership so attributed to the combined company will retain their same character as in the hands of the partnership for purposes of determining whether the combined company satisfies the income and asset tests described below.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

A real estate investment trust may own up to 100% of the stock of one or more taxable REIT subsidiaries. A taxable REIT subsidiary may earn income that would not be qualifying income, as described below, if earned directly by the parent real estate investment trust. Both the subsidiary and the parent real estate investment trust must jointly elect to treat the subsidiary as a taxable

159

REIT subsidiary. Overall, not more than 20% of the value of a REIT's assets may consist of securities of one or more taxable REIT subsidiaries. A taxable REIT subsidiary will pay tax at regular corporate rates on any income that it earns. There is a 100% excise tax imposed on certain transactions involving a taxable REIT subsidiary and its parent real estate investment trust that are not conducted on an arm's-length basis. An election has been made to treat FSP Investments as a taxable REIT subsidiary. FSP Investments pays corporate income tax on its taxable income and its after-tax net income will be available for distribution to the combined company, generally as a dividend.

Income Tests - General. The combined company must satisfy annually two tests regarding the sources of its gross income in order to maintain its real estate investment trust status. First, at least 75% of the combined company's gross income, excluding gross income from certain "dealer" sales, for each taxable year generally must consist of defined types of income that the combined company derives, directly or indirectly, from investments relating to real property or mortgages on real property or temporary investment income, also known as the "75% gross income test". Qualifying income for purposes of the 75% gross income test generally includes:

- o "rents from real property" (as described below);
- o interest from debt secured by mortgages on real property or on interests in real property;
- o dividends or other distributions on, and gain from the sale of, shares in other real estate investment trusts;
- o gain from the sale or other disposition of real property or mortgages on real property;
- o amounts (other than amounts the determination of which depends in whole or in part on the income or profits of any person) received as consideration for entering into agreements to make loans secured by mortgages on real property or on interests in real property or agreements to purchase or lease real property; and
- o certain investment income attributable to temporary investment of capital raised by the combined company.

Second, at least 95% of the combined company's gross income, excluding gross income from certain "dealer" sales, for each taxable year generally must consist of income that is qualifying income for purposes of the 75% gross income test, as well as dividends, other types of interest, and gain from the sale or disposition of stock or securities, also known as the "95% gross income test".

Income Tests - Rents from Real Property. Rent that the combined company receives from real property that it owns and leases to tenants will qualify as "rents from real property" if the following conditions are satisfied:

- o First, the rent must not be based, in whole or in part, on the

income or profits of any person. An amount will not fail to qualify as rent from real property solely by reason of its being based on a fixed percentage (or percentages) of sales or receipts.

160

- o Second, neither the combined company nor any direct or indirect owner of 10% or more of its stock may own, actually or constructively, 10% (by vote or value) or more of the tenant from which the combined company collects the rent.
- o Third, all of the rent received under a lease will not qualify as rents from real property unless the rent attributable to the personal property leased in connection with the real property constitutes no more than 15% of the total rent received under the lease.
- o Finally, the combined company generally must not operate or manage its real property or furnish or render services to its tenants, other than through an "independent contractor" who is adequately compensated and from whom the combined company does not derive revenue. The combined company may provide services directly, however, if the services are "usually or customarily rendered" in connection with the rental of space for occupancy only and are not otherwise considered rendered "primarily for the occupant's convenience." In addition, the combined company may render, other than through an independent contractor, a de minimis amount of "non-customary" services to the tenants of a property as long as the combined company's income from such services does not exceed 1% of its gross income from the property.

Although no assurances can be given that either of the gross income tests will be satisfied in any given year, the combined company anticipates that its operations will allow it to meet each of the 75% gross income test and the 95% gross income test. Such belief is premised in large part on the combined company's expectation that substantially all of the amounts received by the company with respect to its properties will qualify as "rents from real property." Shareholders should be aware, however, that there are a variety of circumstances, as described above, in which rent received from a tenant will not be treated as rents from real property.

Income Tests - Failure to Satisfy Gross Income Tests. If the combined company fails to satisfy either or both of the 75% or 95% gross income tests for any taxable year, the combined company may nevertheless qualify as a real estate investment trust for that year if it is eligible for relief under certain provisions of the federal income tax laws. Those relief provisions generally will be available if:

- o the combined company's failure to meet the gross income test was due to reasonable cause and not due to willful neglect;
- o the combined company attaches a schedule of the sources of its income to its federal income tax return; and
- o any incorrect information on the schedule is not due to fraud with intent to evade tax.

It is not possible to state whether the combined company would be entitled to the benefit of the above relief provisions in a particular circumstance that might arise in the future. Furthermore, as discussed above under "Taxation of

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

the combined company - General," even if the relief provisions apply, the combined company would incur a 100% tax on the gross income attributable to the greater of the amounts by which it fails the 75% and 95% gross income tests, multiplied by a fraction that reflects the combined company's profitability.

161

Asset Tests. The combined company also must satisfy the following four tests relating to the nature of its assets at the close of each quarter of its taxable year.

- o First, at least 75% of the value of the combined company's total assets must consist of cash or cash items (including receivables), government securities, "real estate assets," or qualifying temporary investments, also known as the "75% asset test";
- o Second, no more than 25% of the value of the combined company's total assets may be represented by securities other than those that are qualifying assets for purposes of the 75% asset test or of certain entities that qualify as taxable REIT subsidiaries, also known as the "25% asset test";
- o Third, of the investments included in the 25% asset test, the value of any one issuer's securities that the combined company owns may not exceed 5% of the value of the combined company's total assets, and the combined company may not own 10% or more of the total combined voting power or 10% or more of the total value of the securities of any issuer, unless such issuer and the combined company make an election to treat the issuer as a taxable REIT subsidiary or the issuer is a "disregarded entity" for federal income tax purposes or is itself a REIT; and
- o Fourth, while the combined company may own up to 100% of the stock of a corporation that elects to be treated as a taxable REIT subsidiary for federal income tax purposes, the total value of the combined company's stock ownership in one or more taxable REIT subsidiaries may not exceed 20% of the value of the combined company's gross assets.

The combined company intends to operate so that it will not acquire any assets that would cause it to violate any of the asset tests. If, however, the combined company should fail to satisfy any of the asset tests at the end of a calendar quarter, it would not lose its real estate investment trust status if (i) the combined company satisfied the asset tests at the end of the close of the preceding calendar quarter, and (ii) the discrepancy between the value of the combined company's assets and the asset test requirements arose from changes in the market values of the combined company's assets and was not wholly or partly caused by the acquisition of one or more nonqualifying assets. If the combined company did not satisfy the condition described in clause (ii) of the preceding sentence, it could still avoid disqualification as a real estate investment trust by eliminating any discrepancy within 30 days after the close of the calendar quarter in which the discrepancy arose.

Distribution Requirements. Each taxable year, the combined company must distribute dividends to its shareholders in an amount at least equal to:

- o 90% of the combined company's "real estate investment trust taxable income," computed without regard to the dividends paid deduction and the combined company's net capital gain or loss; and

- o certain items of noncash income.

162

The combined company must make such distributions in the taxable year to which they relate, or in the following taxable year if the combined company declares the distribution before it timely files its federal income tax return for such year and pays the distribution on or before the first regular distribution date after such declaration. Further, if the combined company fails to meet the 90% distribution requirement as a result of an adjustment to its tax returns by the Internal Revenue Service, the combined company may, if the deficiency is not due to fraud with intent to evade tax or a willful failure to file a timely tax return, and if certain other conditions are met, retroactively cure the failure by paying a deficiency dividend (plus interest) to its shareholders.

The combined company will be subject to federal income tax on its taxable income, including net capital gain that it does not distribute to its shareholders. Furthermore, if the combined company fails to distribute during a calendar year, or, in the case of distributions with declaration and record dates falling within the last three months of the calendar year, by the end of the January following such calendar year, at least the sum of:

- o 85% of the combined company's real estate investment trust ordinary income for such year;
- o 95% of the combined company's real estate investment trust capital gain income for such year; and
- o any of the combined company's undistributed taxable income from prior periods,

the combined company will be subject to a 4% nondeductible excise tax on the excess of such required distribution over the amount actually distributed. If the combined company elects to retain and pay income tax on the net capital gain that it receives in a taxable year, the combined company will be deemed to have distributed any such amount for the purposes of the 4% excise tax described in the preceding sentence.

The combined company intends to make distributions to holders of FSP common stock in a manner that will allow it to satisfy the distribution requirements described above. It is possible that, from time to time, the combined company's pre-distribution taxable income may exceed its cash flow and that the combined company may have difficulty satisfying the distribution requirements. The combined company intends to monitor closely the relationship between its pre-distribution taxable income and its cash flow and intends to borrow funds or liquidate assets in order to overcome any cash flow shortfalls if necessary to satisfy the distribution requirements imposed by the tax code. It is possible, although unlikely, that the combined company may decide to terminate its real estate investment trust status as a result of any such cash shortfall. Such a termination would have adverse tax consequences to the combined company's stockholders. See "Taxation of the combined company - General".

Recordkeeping Requirements. The combined company must maintain records of information specified in applicable Treasury Regulations in order to maintain its qualification as a real estate investment trust. In addition, in order to avoid monetary penalties, the combined company must request on an annual basis certain information from its shareholders designed to disclose the actual ownership of the combined company's outstanding stock. The combined company

intends to comply with these recordkeeping requirements.

163

Ownership Requirements. For the combined company to qualify as a real estate investment trust, shares of the combined company must be held by a minimum of 100 persons for at least 335 days in each taxable year. Further, at no time during the second half of any taxable year may more than 50% of the combined company's shares be owned, actually or constructively, by five or fewer "individuals" (which term is defined for this purpose to include certain tax-exempt entities including pension trusts). The FSP common stock will be held by 100 or more persons. The combined company intends to continue to comply with these ownership requirements. Also, the combined company's charter contains ownership and transfer restrictions designed to prevent violation of these requirements.

Failure to Qualify. If the combined company failed to qualify as a real estate investment trust in any taxable year, and no relief provisions applied, the combined company would be subject to federal income tax, including any applicable alternative minimum tax, on its taxable income at regular corporate rates. In calculating the combined company's taxable income in a year in which it did not qualify as a real estate investment trust, the combined company would not be able to deduct amounts paid out to its shareholders. The combined company would not be required to distribute any amounts to its shareholders in such taxable year. In such event, to the extent of the combined company's current and accumulated earnings and profits, all distributions to shareholders would be characterized as dividends and would be taxable as ordinary income. Non-corporate shareholders, however, could qualify for a lower maximum tax rate on such dividends in most circumstances. Moreover, subject to certain limitations under the tax code, corporate shareholders might be eligible for the dividends received deduction. Unless the combined company qualified for relief under specific statutory provisions, the combined company would be disqualified from taxation as a real estate investment trust for the four taxable years following the year in which it ceased to qualify as a real estate investment trust. The combined company cannot predict whether it would qualify for such statutory relief in a particular circumstance that might arise in the future.

Taxation of Taxable U.S. Shareholders

As used herein, the term "taxable U.S. shareholder" means a shareholder that, for United States federal income tax purposes, is:

- o a citizen or resident of the United States;
- o a corporation, partnership, or other entity created or organized in or under the laws of the United States or any state or political subdivision thereof;
- o an estate the income of which is includible in gross income for United States federal income tax purposes regardless of such estate's connection with the conduct of a trade or business within the United States; or
- o any trust with respect to which (i) a United States court is able to exercise primary supervision over the administration of such trust, and (ii) one or more United States persons have the authority to control all substantial decisions of the trust.

For any taxable year in which the combined company qualifies as a real estate investment trust, amounts distributed to taxable U.S. shareholders will

be taxed as follows.

164

Distributions Generally. Distributions made to the combined company's taxable U.S. shareholders out of current or accumulated earnings and profits (and not designated as a capital gain dividend) will be taken into account by such shareholder as ordinary income and will not, in the case of a corporate taxable U.S. shareholder, be eligible for the dividends received deduction. In addition, such dividends will not qualify for the lower maximum tax rate applicable to dividends received by non-corporate taxpayers except to the extent that they were attributable to income previously taxed to the combined company. To the extent that the combined company makes a distribution with respect to the FSP common stock that is in excess of its current or accumulated earnings and profits, the distribution will be treated by a taxable U.S. shareholder first as a tax-free return of capital, reducing the taxable U.S. shareholder's tax basis in the FSP common stock, and any portion of the distribution in excess of the shareholder's tax basis in the FSP common stock will then be treated as gain from the sale of such stock. Dividends declared by the combined company in October, November, or December of any year payable to a taxable U.S. shareholder of record on a specified date in any such month shall be treated as both paid by the combined company and received by shareholders on December 31 of such year, provided that the dividend is actually paid by the combined company during January of the following calendar year. Taxable U.S. shareholders may not include on their federal income tax returns any of the combined company's tax losses.

Capital Gain Dividends. Dividends to taxable U.S. shareholders that properly are designated by the combined company as capital gain dividends will be treated by such shareholders as long-term capital gain, to the extent that such dividends do not exceed the combined company's actual net capital gain, without regard to the period for which the taxable U.S. shareholders have held the FSP common stock. Taxable U.S. shareholders that are corporations may be required, however, to treat up to 20% of particular capital gain dividends as ordinary income. Capital gain dividends, like regular dividends from a real estate investment trust, are not eligible for the dividends received deduction for corporations.

For taxable U.S. shareholders who are taxable at the rates applicable to individuals, the combined company will classify portions of any capital gain dividend as either (i) a "regular" capital gain dividend taxable to the taxable U.S. shareholder at a maximum rate of 15% or (ii) an "unrecaptured Section 1250 gain" dividend taxable to the taxable U.S. shareholder at a maximum rate of 25%.

Retained Capital Gains. The combined company may elect to retain, rather than distribute, its net long-term capital gain received during the tax year. If the combined company so elects, it will be required to pay tax on the retained amounts. To the extent designated in a notice to the taxable U.S. shareholders, the taxable U.S. shareholders will be required to include their proportionate shares of the undistributed net long-term capital gain so designated in their income for the tax year, but will be permitted a credit or refund, as the case may be, for their respective shares of any tax paid on such gains by the combined company. In addition, each taxable U.S. shareholder will be entitled to increase the tax basis in his or her shares of FSP common stock by an amount equal to the amount of net long-term capital gain the taxable U.S. shareholder was required to include in income, reduced by the amount of any tax paid by the combined company for which the taxable U.S. shareholder was entitled to receive a credit or refund.

Passive Activity Loss and Investment Interest Limitations. Distributions, including deemed distributions of undistributed net long-term capital gain, from the combined company and gain from the disposition of FSP common stock will not be treated as passive activity income, and therefore taxable U.S. shareholders will not be able to apply any passive activity losses against such income. Distributions from the combined company, to the extent they do not constitute a return of capital, generally will be treated as investment income for purposes of the investment income limitation on deductibility of investment interest. However, dividends attributable to income that was subject to tax at the combined company level as well as net capital gain from the disposition of FSP common stock or capital gain dividends, including deemed distributions of undistributed net long-term capital gains, generally will be excluded from investment income.

Sale of FSP Common Stock. Upon the sale of FSP common stock, a taxable U.S. shareholder generally will recognize gain or loss equal to the difference between the amount realized on such sale and the holder's tax basis in the stock sold. To the extent that the FSP common stock is held as a capital asset by the taxable U.S. shareholder, the gain or loss will be a long-term capital gain or loss if the stock has been held for more than a year, and will be a short-term capital gain or loss if the stock has been held for a shorter period. In general, however, any loss upon a sale of the FSP common stock by a taxable U.S. shareholder who has held such stock for six months or less (after applying certain holding period rules) will be treated as a long-term capital loss to the extent that distributions from the combined company were required to be treated as long-term capital gain by that holder.

Taxation of Tax-Exempt Shareholders

Tax-exempt entities, including qualified employee pension and profit sharing trusts and individual retirement accounts, collectively known as "exempt organizations", generally are exempt from federal income taxation. Exempt organizations are subject to tax, however, on their unrelated business taxable income, or "UBTI". UBTI is defined as the gross income derived by an exempt organization from an unrelated trade or business, less the deductions directly connected with that trade or business, subject to certain exceptions. While many investments in real estate generate UBTI, the Internal Revenue Service has issued a ruling that dividend distributions from a real estate investment trust to an exempt employee pension trust do not constitute UBTI, provided that the shares of the real estate investment trust are not otherwise used in an unrelated trade or business of the exempt employee pension trust. Based on that ruling, amounts distributed to exempt organizations generally should not constitute UBTI. However, if an exempt organization finances its acquisition of FSP common stock with debt, a portion of its income from the combined company will constitute UBTI pursuant to the "debt-financed property" rules.

In addition, in certain circumstances, a pension trust that owns more than 10% of the stock of the combined company will be required to treat a percentage of the dividends paid by the combined company as UBTI based upon the percentage of the combined company's income that would constitute UBTI to the shareholder if received directly by it. This rule applies to a pension trust holding more than 10% (by value) of the FSP common stock only if (i) the percentage of the income from the combined company that is UBTI (determined as if the combined company were a pension trust) is at least 5% and (ii) the combined company is treated as a "pension-held REIT." The combined company does not expect to receive significant amounts of income that would be considered UBTI if received directly by a pension trust and does not expect to qualify as a "pension-held REIT."

Taxation of Non-U.S. Shareholders

General. The rules governing United States federal income taxation of nonresident alien individuals, foreign corporations, foreign partnerships, foreign trusts and certain other foreign stockholders, collectively known as "non-U.S. shareholders," are complex and no attempt is made herein to provide more than a general summary of such rules. This discussion does not consider the tax rules applicable to all non-U.S. shareholders and, in particular, does not consider the special rules applicable to U.S. branches of foreign banks or insurance companies or certain intermediaries. NON-U.S. SHAREHOLDERS SHOULD CONSULT WITH THEIR OWN TAX ADVISORS TO DETERMINE THE IMPACT OF FEDERAL, STATE, LOCAL AND FOREIGN TAX LAWS WITH REGARD TO THE MERGERS AND THE ACQUISITION, OWNERSHIP AND DISPOSITION OF FSP COMMON STOCK, INCLUDING ANY REPORTING AND WITHHOLDING REQUIREMENTS.

Ordinary Dividends - General. Distributions to non-U.S. shareholders that are not attributable to gain from sales or exchanges by the combined company of United States real property interests and are not designated by the combined company as capital gain dividends (or deemed distributions of retained capital gains) will be treated as ordinary dividends to the extent that they are made out of current or accumulated earnings and profits of the combined company. Any portion of a distribution in excess of current and accumulated earnings and profits of the combined company will not be taxable to a non-U.S. shareholder to the extent that such distribution does not exceed the adjusted basis of the shareholder in the FSP common stock, but rather will reduce the adjusted basis of such stock. To the extent that the portion of the distribution in excess of current and accumulated earnings and profits exceeds the adjusted basis of a non-U.S. shareholder for the FSP common stock, such excess generally will be treated as gain from the sale or disposition of the stock and will be taxed as described below.

Ordinary Dividends - Withholding. Dividends paid to non-U.S. shareholders may be subject to U.S. withholding tax. If an income tax treaty does not apply and the non-U.S. shareholder's investment in the FSP common stock is not effectively connected with a trade or business conducted by the non-U.S. shareholder in the United States (or if a tax treaty does apply and the investment in the FSP common stock is not attributable to a United States permanent establishment maintained by the non-U.S. shareholder), ordinary dividends (i.e., distributions out of current and accumulated earnings and profits) will be subject to a U.S. withholding tax at a 30% rate, or, if an income tax treaty applies, at a lower treaty rate. Because the combined company generally cannot determine at the time that a distribution is made whether or not such a distribution will be in excess of earnings and profits, the combined company intends to withhold on the gross amount of each distribution at the 30% rate (or lower treaty rate) (other than distributions subject to the 35% FIRPTA withholding rules described below). To receive a reduced treaty rate, a non-U.S. shareholder must furnish the combined company or its paying agent with a duly completed Form W-8BEN (or authorized substitute form) certifying such holder's qualification for the reduced rate. Generally, a non-U.S. shareholder will be entitled to a refund from the Internal Revenue Service to the extent the amount withheld by the combined company from a distribution exceeds the amount of United States tax owed by such shareholder.

In the case of a non-U.S. shareholder that is a partnership or a trust, the withholding rules for a distribution to such a partnership or trust will be dependent on numerous factors, including (i) the classification of the type of

partnership or trust, (ii) the status of the partner or beneficiary, and (iii) the activities of the partnership or trust. Non-U.S. shareholders that are partnerships or trusts are urged to consult their tax advisors regarding the withholding rules applicable to them based on their particular circumstances.

If an income tax treaty does not apply, ordinary dividends that are effectively connected with the conduct of a trade or business within the U.S. by a non-U.S. shareholder (and, if a tax treaty applies, ordinary dividends that are attributable to a United States permanent establishment maintained by the non-U.S. shareholder) are exempt from U.S. withholding tax. In order to claim such exemption, a non-U.S. shareholder must provide the combined company or its paying agent with a duly completed Form 4224 or Form W-8ECI (or authorized substitute form) certifying such holder's exemption. However, ordinary dividends exempt from U.S. withholding tax because they are effectively connected or are attributable to a United States permanent establishment maintained by the non-U.S. shareholder generally are subject to U.S. federal income tax on a net income basis at regular graduated rates. In the case of non-U.S. shareholders that are corporations, any effectively connected ordinary dividends or ordinary dividends attributable to a United States permanent establishment maintained by the non-U.S. shareholder may, in certain circumstances, be subject to branch profits tax at a 30% rate, or at such lower rate as may be provided in an applicable income tax treaty.

Capital Gain Dividends - General. For any year in which the combined company qualifies as a real estate investment trust, distributions that are attributable to gain from sales or exchanges by the combined company of United States real property interests will be taxed to a non-U.S. shareholder under the provisions of the Foreign Investment in Real Property Tax Act of 1980, also known as "FIRPTA". Under FIRPTA, distributions attributable to gain from sales of United States real property are taxed to a non-U.S. shareholder as if such gain were effectively connected with a United States trade or business. Non-U.S. shareholders thus would be taxed at the regular capital gain rates applicable to taxable U.S. shareholders (subject to the applicable alternative minimum tax and a special alternative minimum tax in the case of nonresident alien individuals). Distributions subject to FIRPTA also may be subject to a 30% branch profits tax in the hands of a corporate non-U.S. shareholder not otherwise entitled to treaty relief or exemption.

Capital Gain Dividends - Withholding. Under FIRPTA, the combined company is required to withhold 35% of any distribution that is designated as a capital gain dividend or which could be designated as a capital gain dividend. Moreover, if the combined company designates previously made distributions as capital gain dividends, subsequent distributions (up to the amount of the prior distributions so designated) will be treated as capital gain dividends for purposes of FIRPTA withholding.

Sale of FSP Common Stock. A non-U.S. shareholder generally will not be subject to United States federal income tax under FIRPTA with respect to gain recognized upon a sale of FSP common stock, provided that the combined company is a "domestically-controlled REIT." A domestically-controlled REIT generally is defined as a real estate investment trust in which at all times during a specified testing period less than 50% in value of the stock was held directly or indirectly by non-U.S. persons. Although currently it is anticipated that the combined company will be a domestically-controlled REIT, and, therefore, that the sale of FSP common stock will not be subject to taxation under FIRPTA, there can be no assurance that the combined company will, at all relevant times, be a domestically-controlled REIT. If the gain on the sale of FSP common stock were

subject to taxation under FIRPTA, a non-U.S. shareholder would be subject to the same treatment as taxable U.S. shareholders with respect to such gain (subject to the applicable alternative minimum tax and a special alternative minimum tax in the case of nonresident alien individuals). In addition, a purchaser of FSP common stock from a non U.S. shareholder subject to taxation under FIRPTA generally would be required to deduct and withhold a tax equal to 10% of the amount realized by a non-U.S. shareholder on the disposition. Any amount withheld would be creditable against the non-U.S. shareholder's FIRPTA tax liability.

Even if gain recognized by a non-U.S. shareholder upon the sale of FSP common stock is not subject to FIRPTA, such gain generally will subject such shareholder to U.S. tax if:

- o an income tax treaty does not apply and the gain is effectively connected with a trade or business conducted by the non-U.S. shareholder in the United States (or, if an income tax treaty applies and the gain is attributable to a United States permanent establishment maintained by the non-U.S. shareholder), in which case, unless an applicable treaty provides otherwise, a non-U.S. shareholder will be taxed on his or her net gain from the sale at regular graduated U.S. federal income tax rates. In the case of a non-U.S. shareholder that is a corporation, such shareholder may be subject to a branch profits tax at a 30% rate, unless an applicable income tax treaty provides for a lower rate and the shareholder demonstrates its qualification for such rate; or
- o the non-U.S. shareholder is a nonresident alien individual who holds the FSP common stock as a capital asset and was present in the United States for 183 days or more during the taxable year (as determined under the tax code) and certain other conditions apply, in which case the non-U.S. shareholder will be subject to a 30% tax on capital gains.

Estate Tax Considerations. The value of FSP common stock owned, or treated as owned, by a non-U.S. shareholder who is a nonresident alien individual at the time of his or her death will be included in the individual's gross estate for United States federal estate tax purposes, unless otherwise provided in an applicable estate tax treaty.

Information Reporting and Backup Withholding

The combined company is required to report to its shareholders and to the Internal Revenue Service the amount of distributions paid during each tax year, and the amount of tax withheld, if any. These requirements apply even if withholding was not required with respect to payments made to a shareholder. In the case of non-U.S. shareholders, the information reported may also be made available to the tax authorities of the non-U.S. shareholder's country of residence, if an applicable income tax treaty so provides.

Backup withholding generally may be imposed on certain payments to a shareholder unless the shareholder (i) furnishes certain information, or (ii) is otherwise exempt from backup withholding.

A shareholder who does not provide the combined company with his or her correct taxpayer identification number also may be subject to penalties imposed by the Internal Revenue Service. In addition, the combined company may be required to withhold a portion of capital gain distributions to any shareholders who fail to certify their non-foreign status to the combined company.

Shareholders should consult their own tax advisors regarding their qualification for an exemption from backup withholding and the procedure for obtaining an exemption. Backup withholding is not an additional tax. Rather, the amount of any backup withholding with respect to a distribution to a shareholder will be allowed as a credit against such holder's United States federal income tax liability and may entitle the shareholder to a refund, provided that the required information is furnished to the Internal Revenue Service.

In general, backup withholding and information reporting will not apply to a payment of the proceeds of the sale of FSP common stock by a non-U.S. shareholder by or through a foreign office of a foreign broker effected outside of the United States; provided, however, that foreign brokers having certain connections with the United States may be obligated to comply with the backup withholding and information reporting rules. Information reporting (but not backup withholding) will apply, however, to a payment of the proceeds of a sale of FSP common stock by foreign offices of certain brokers, including foreign offices of a broker that:

- o is a United States person;
- o derives 50% or more of its gross income for certain periods from the conduct of a trade or business in the United States; or
- o is a "controlled foreign corporation" for United States tax purposes.

Information reporting will not apply in the above cases if the broker has documentary evidence in its records that the holder is a non-U.S. shareholder and certain conditions are met, or the non-U.S. shareholder otherwise establishes an exemption.

Payment to or through a United States office of a broker of the proceeds of a sale of FSP common stock is subject to both backup withholding and information reporting unless the shareholder certifies in the manner required that he or she is a non-U.S. shareholder and satisfies certain other qualifications under penalties of perjury or otherwise establishes an exemption.

State and Local Tax

The discussion herein concerns only the United States federal income tax treatment likely to be accorded to the combined company and its shareholders. No consideration has been given to the state and local tax treatment of such parties. The state and local tax treatment may not conform to the federal treatment described above. As a result, a shareholder should consult his or her own tax advisor regarding the specific state and local tax consequences of the mergers and acquisition, ownership, and disposition of FSP common stock in the combined company.

LEGAL MATTERS

Wilmer Cutler Pickering Hale and Dorr LLP, Boston, Massachusetts, will deliver opinions to the effect that (i) upon consummation of the mergers, the shares of FSP common stock in the combined company offered pursuant to the

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

merger agreement will be validly issued, fully paid and nonassessable and (ii) the mergers will be treated for federal income tax purposes as tax-free transactions and the discussion under "Material United States Federal Income Tax Considerations," to the extent it involves matters of law, is accurate in all material respects. Certain partners of Wilmer Cutler Pickering Hale and Dorr LLP own an aggregate of 725,162 shares of FSP common stock.

FSP ADDISON CIRCLE CORP.
NOTES ACCOMPANYING THE STATEMENTS OF REVENUE OVER CERTAIN OPERATING EXPENSES
(unaudited)

1. DESCRIPTION OF THE PROPERTY:

The accompanying statements of revenue over certain operating expenses (the "Statements") include the operations of a recently constructed ten-story Class "A" suburban office tower containing approximately 293,787 rentable square feet located on approximately 3.62 acres of land in Addison, Dallas County, Texas (the "Property"). The subject property was purchased by Champion Addison One, LP as a vacant tract of land on November 11, 1997. On September 30, 2002, Champion Addison One, LP sold the property to FSP Addison Circle Corp. (the "Company").

2. BASIS OF ACCOUNTING:

The accompanying Statements have been prepared on the accrual basis of accounting. The Statements have been prepared in accordance with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission for real estate properties acquired or to be acquired. Accordingly, these Statements exclude certain historical expenses not comparable to the operations of the Property after acquisition such as amortization, depreciation, interest, corporate expenses and certain other costs not directly related to the future operations of the Property.

3. USE OF ESTIMATES:

The preparation of the Statements in conformity with the basis of accounting described in Note 2 requires management to make estimates and assumptions that affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

4. CONCENTRATIONS OF RISKS:

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

For the six months ended June 30, 2004 and 2003, rental income was received from various lessees. As such, future receipts are dependent upon the financial strength of the lessees and their ability to perform under the lease agreements.

5. LEASES:

The Company, as lessor, has minimum future rentals due under a noncancellable operating leases as follows:

Year Ending December 31, -----	Amount -----
2004	\$ 3,342,000
2005	6,636,000
2006	5,698,000
2007	3,101,000
2008	2,369,000
Thereafter	943,000

	\$ 22,089,000
	=====

In addition, the lessees are liable for real estate taxes and operating expenses as direct expenses to the lessees.

INDEPENDENT AUDITORS' REPORT

To the Stockholders
FSP Addison Circle Corp.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

We have audited the accompanying statements of revenue over certain operating expenses (the "Statements") of FSP Addison Circle Corp. for the years ended December 31, 2003, 2002, and 2001. These Statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these Statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the Statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall Statements' presentation. We believe that our audits provide a reasonable basis for our opinion.

The accompanying Statements were prepared to comply with the requirements of Rule 3-14 of Regulation S-X of the Securities and Exchange Commission, and exclude certain expenses described in Note 2, and therefore, are not intended to be a complete presentation of the Property's revenue and expenses.

In our opinion, these Statements referred to above presents fairly, in all material respects, the revenue over certain operating expenses (as described in Note 2), of FSP Addison Circle Corp. for the years ended December 31, 2003, 2002, and 2001, in conformity with the basis of accounting described in Note 2.

FSP ADDISON CIRCLE CORP.
NOTES ACCOMPANYING THE STATEMENTS OF REVENUE OVER CERTAIN OPERATING EXPENSES

1. DESCRIPTION OF THE PROPERTY:

The accompanying statements of revenue over certain operating expenses (the "Statements") include the operations of a recently constructed ten-story Class "A" suburban office tower containing approximately 293,787 rentable square feet located on approximately 3.62 acres of land in Addison, Dallas County, Texas (the "Property"). The subject property was purchased by Champion Addison One, LP as a vacant tract of land on November 11, 1997. On September 30, 2002, Champion Addison One, LP sold the property to FSP Addison Circle Corp. (the "Company").

2. BASIS OF ACCOUNTING:

The accompanying Statements have been prepared on the accrual basis of accounting. The Statements have been prepared in accordance with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission for real estate properties acquired or to be acquired. Accordingly, these Statements exclude certain historical expenses not comparable to the operations of the Property after acquisition such as amortization, depreciation, interest, corporate expenses and certain other costs not directly related to the future operations of the Property.

3. REVENUE RECOGNITION:

Rental revenue includes income from leases, certain reimbursable expenses, straight-line rent adjustments and other income associated with renting the property. A summary of rental revenue is shown in the following table:

	Year Ended December 31,		
	2003	2002	2001
	-----	-----	-----
Income from leases	\$7,152,563	\$7,230,163	\$7,168,574

the property and accounts for its leases as operating leases. Rental income from leases, which include rent concessions (including free rent and tenant improvement allowances) and scheduled increases in rental rates during the lease term, is recognized on a straight-line basis. The Company does not have any percentage rent arrangements with its tenants. Reimbursable costs are included in rental income in the period earned.

4. USE OF ESTIMATES:

The preparation of the Statements in conformity with the basis of accounting described in Note 2 requires management to make estimates and assumptions that affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

5. CONCENTRATIONS OF RISKS:

For the years ended December 31, 2003, 2002, and 2001, rental income was received from various lessees. As such, future receipts are dependent upon the financial strength of the lessees and their ability to perform under the lease agreements.

INDEPENDENT AUDITORS' REPORT

To the Stockholders
FSP Collins Crossing Corp.

We have audited the accompanying statements of revenue over certain operating expenses (the "Statements") of FSP Collins Crossing Corp. for the years ended December 31, 2003, 2002 and 2001. These Statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these Statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the Statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall Statements' presentation. We believe that our audits provide a reasonable basis for our opinion.

The accompanying Statements were prepared to comply with the requirements of Rule 3-14 of Regulation S-X of the Securities and Exchange Commission, and exclude certain expenses described in Note 2 and, therefore, are not intended to be a complete presentation of the Property's revenue and expenses.

In our opinion, these Statements referred to above present fairly, in all material respects, the revenue over certain operating expenses (as described in Note 2), of FSP Collins Crossing Corp. for the years ended December 31, 2003, 2002 and 2001, in conformity with the basis of accounting described in Note 2.

INDEPENDENT AUDITORS' REPORT

To the Stockholders
FSP Montague Business Center Corp.

We have audited the accompanying statements of revenue over certain operating expenses (the "Statement") of FSP Montague Business Center Corp. for the years ended December 31, 2003, 2002 and 2001. These Statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these Statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the Statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall Statements' presentation. We believe that our audits provide a reasonable basis for our opinion.

The accompanying Statements were prepared to comply with the requirements of Rule 3-14 of Regulation S-X of the Securities and Exchange Commission, and exclude certain expenses described in Note 2 and, therefore, are not intended to be a complete presentation of the Property's revenue and expenses.

In our opinion, these Statements referred to above present fairly, in all material respects, the revenue over certain operating expenses (as described in Note 2) of FSP Montague Business Center Corp. for the years ended December 31, 2003, 2002 and 2001, in conformity with the basis of accounting described in Note 2.

NOTES ACCOMPANYING THE STATEMENTS OF REVENUE OVER CERTAIN OPERATING EXPENSES
(unaudited)

1. DESCRIPTION OF THE PROPERTY:

The accompanying statements of revenue over certain operating expenses (the "Statements") include the operations of a commercial building located in Alpharetta, Georgia (the "Property"). The Property is a recently constructed six-story Class "A" institutional quality suburban office tower containing approximately 161,366 square feet of rentable space completed in December 2001. The Property was owned by CK Royal 400, LLC and sold to FSP Royal Ridge Corp. (the "Company") on January 30, 2003.

2. BASIS OF ACCOUNTING:

The accompanying Statement have been prepared on the accrual basis of accounting. The Statements have been prepared in accordance with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission for real estate properties acquired or to be acquired. Accordingly, these Statements exclude certain historical expenses not comparable to the operations of the Property after acquisition such as amortization, depreciation, interest, corporate expenses and certain other costs not directly related to future operations of the Property.

3. USE OF ESTIMATES:

The preparation of the Statements in conformity with the basis of accounting described in Note 2 requires management to make estimates and assumptions that affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

4. CONCENTRATIONS OF RISKS:

For the six months ended June 30, 2004, and 2003, rental income was received from three lessees. As such, future receipts are dependent upon the financial strength of these lessees and their ability to perform under the lease agreements.

5. LEASES:

The Company, as lessor, has minimum future rentals due under

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

noncancellable operating leases as follows:

Year Ending December 31, -----	Amount -----
2004	\$ 1,012,000
2005	2,040,000
2006	2,071,000
2007	2,123,000
2008	2,176,000
Thereafter	6,750,000

	\$ 16,172,000

INDEPENDENT AUDITORS' REPORT

To the Stockholders
FSP Royal Ridge Corp.

We have audited the accompanying statements of revenue over certain operating expenses (the "Statements") of FSP Royal Ridge Corp. for the years ended December 31, 2003 and 2002. These Statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these Statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the Statements are free of material misstatements. An audit includes examining, on a test

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

basis, evidence supporting the amounts and disclosures in the Statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall Statements' presentation. We believe that our audits provide a reasonable basis for our opinion.

The accompanying Statements were prepared to comply with the requirements of Rule 3-14 of Regulation S-X of the Securities and Exchange Commission, and exclude certain expenses described in Note 2 and, therefore, are not intended to be a complete presentation of the Property's revenue and expenses.

In our opinion, these Statements referred to above present fairly, in all material respects, the revenue over certain operating expenses (as described in Note 2) of FSP Royal Ridge Corp. for the years ended December 31, 2003 and 2002, in conformity with the basis of accounting described in Note 2.

NOTES ACCOMPANYING THE STATEMENTS OF REVENUE OVER CERTAIN OPERATING EXPENSES

1. DESCRIPTION OF THE PROPERTY:

The accompanying statements of revenue over certain operating expenses (the "Statements") include the operations of a commercial building located in Alpharetta, Georgia (the "Property"). The Property is a recently constructed six-story Class "A" institutional quality suburban office tower containing approximately 161,366 square feet of rentable space completed in December 2001. The Property was owned by CK Royal 400, LLC and sold to FSP Royal Ridge Corp. (the "Company") on January 30, 2003.

2. BASIS OF ACCOUNTING:

The accompanying Statement have been prepared on the accrual basis of accounting. The Statements have been prepared in accordance with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission for real estate properties acquired or to be acquired. Accordingly, these Statements exclude certain historical expenses not comparable to the operations of the Property after acquisition such as amortization, depreciation, interest, corporate expenses and certain other costs not directly related to future operations of the Property.

3. REVENUE RECOGNITION:

Rental revenue includes income from leases, certain reimbursable expenses, and straight-line rent adjustments associated with renting the property. A summary of rental revenue is shown in the following table:

	Year Ended December 31,	
	2003	2002
Income from leases	\$1,152,591	\$ --
Straight-line rent adjustment	954,172	--
Reimbursable expenses	586,555	3,084
	-----	-----
Total	\$2,693,318	\$ 3,084
	=====	=====

The Company has retained substantially all of the risks and benefits of the Property and accounts for its leases as operating leases. Rental income from leases, which includes rent concessions (including free rent and tenant improvement allowances) and scheduled increases in rental rates during the lease term, is recognized on a straight-line basis. The Company does not have any percentage rent arrangements with its tenants. Reimbursable costs are included in rental income in the period earned.

4. USE OF ESTIMATES:

The preparation of the Statements in conformity with the basis of accounting described in Note 2 requires management to make estimates and assumptions that affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

5. CONCENTRATIONS OF RISKS:

For the years ended December 31, 2003, and 2002, rental income was received from three lessees. As such, future receipts are dependent upon the financial strength of these lessees and their ability to perform under the lease agreements.

AGREEMENT AND PLAN OF MERGER

This AGREEMENT AND PLAN OF MERGER (this "Agreement") is made and entered into as of August 13, 2004 by and among Franklin Street Properties Corp. (the "Company"), a Maryland corporation, the wholly-owned acquisition subsidiaries of the Company, each a Delaware corporation (each an "Acquisition Subsidiary" and, collectively, the "Acquisition Subsidiaries"), listed on the signature pages hereto and the other corporations, each a Delaware corporation (each, a "Target REIT" and, collectively, the "Target REITs"), also listed on the signature pages hereto.

RECITALS

WHEREAS, the Target REITs are the owners of certain real properties listed on Exhibit A hereto (each such property, including any buildings, structures or other improvements situated thereon, a "Property" and, collectively, the "Properties");

WHEREAS, the board of directors of the Company (the "Company Board"), boards of directors of each of the Acquisition Subsidiaries (such boards of directors, collectively, the "Acquisition Boards of Directors") and the boards of the directors of each of the Target REITs (such boards of directors, collectively, the "Target Boards of Directors") believe that it is in the best interests of the Company, each of the Acquisition Subsidiaries and each of the Target REITs, respectively, and their respective stockholders, to consummate, and have approved, the business combination transaction provided for herein, pursuant to which each Target REIT will be merged with and into an Acquisition Subsidiary, with the respective Acquisition Subsidiary continuing as the surviving entity (each such transaction, a "Merger" and, collectively, the "Mergers");

WHEREAS, the Company Board, the Acquisition Boards of Directors and the Target Boards of Directors have agreed to effect the transactions provided for herein upon the terms and subject to the conditions set forth herein;

WHEREAS, the Company, the Acquisition Subsidiaries and the Target REITs desire to make certain representations, warranties and agreements in connection with the Mergers.

NOW, THEREFORE, in consideration of the foregoing and of the representations, warranties, covenants and agreements contained herein, the parties hereto hereby agree as follows:

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

ARTICLE 1 THE MERGERS

1.1 The Mergers. Subject to the terms and conditions of this Agreement, at the Effective Time (as hereinafter defined), each Target REIT will be merged with and into an Acquisition Subsidiary in accordance with the applicable

A-1

provisions of the Delaware General Corporation Law ("DGCL"), and the separate existence of each Target REIT shall thereupon cease. Each Acquisition Subsidiary shall continue as the surviving entity of the Mergers (each a "Surviving Corporation" and collectively, the "Surviving Corporations"). The parties hereby agree that FSP Montague Business Center Corp. will merge with and into Montague Acquisition Corp.; FSP Addison Circle Corp. will merge with and into Addison Circle Acquisition Corp; FSP Royal Ridge Corp. will merge with and into Royal Ridge Acquisition Corp.; and FSP Collins Crossing Corp. will merge with and into Collins Crossing Acquisition Corp.

1.2 The Closing. Subject to the terms and conditions of this Agreement, the closing of the Mergers (the "Closing") shall take place at the offices of Wilmer Cutler Pickering Hale and Dorr LLP, 60 State Street, Boston, Massachusetts at 9:00 a.m., local time, on December 30, 2004 or at such other time and date following the day on which the last of the conditions set forth in Article 6 shall be fulfilled or waived in accordance herewith. The holders of preferred stock in the Target REITs ("Target Stock") are hereinafter referred to as the "Target REIT Stockholders." The holders of common stock of the Company, \$0.0001 par value per share ("Common Stock"), are hereinafter referred to as the "Company Stockholders." The date on which the Closing occurs is hereinafter referred to as the "Closing Date." After giving effect to the Mergers, the Company and Acquisition Subsidiaries are hereinafter referred to as the "Combined Company."

1.3 Effective Time. If all of the conditions to a particular Merger set forth in Article 6 shall have been fulfilled or waived in accordance herewith with respect to the Company and the applicable Target REIT and this Agreement shall not have been terminated as provided in Article 7 or Section 8.2(b), the parties hereto shall promptly cause to be properly executed, verified and delivered for filing on the Closing Date a certificate of merger satisfying the requirements of the DGCL for such Merger (a "Certificate of Merger"). A Merger shall become effective upon the acceptance for record of its Certificate of Merger by the Secretary of State of the State of Delaware in accordance with the DGCL or at such later time upon which the parties hereto shall have agreed and designated in such filing in accordance with applicable law as the effective time of the Mergers (the "Effective Time").

1.4 Additional Action. The Surviving Corporations may, at any time from and after the Effective Time, take any action, including executing and delivering any document, in the name and on behalf of either the respective Target REIT or the respective Acquisition Subsidiary, in order to consummate and give effect to the transactions contemplated by this Agreement.

1.5 Dissenting Shares.

(a) For purposes of this Agreement, "dissenting shares" means Target Stock held as of the Effective Time by a Target REIT Stockholder who has not voted such Target Stock in favor of the adoption of this Agreement and the Merger with respect to such Target REIT and with respect to which appraisal shall have been duly demanded and perfected in accordance with Section 262 of the DGCL and not effectively withdrawn or forfeited prior to the Effective Time.

A-2

Dissenting shares shall not be converted into or represent the right to receive the Merger Consideration (as defined below) unless the Target REIT Stockholder holding such dissenting shares shall have forfeited his or her right to appraisal under the DGCL or properly withdrawn his or her demand for appraisal. If such Target REIT Stockholder has so forfeited or withdrawn his or her right to appraisal of dissenting shares, then (i) as of the occurrence of such event, such holder's dissenting shares shall cease to be dissenting shares and shall be converted into and represent the right to receive the Merger Consideration payable in respect of such Target Stock pursuant to Section 2.2 hereof, and (ii) promptly following the occurrence of such event, the Company or the Surviving Corporation shall deliver to such Target REIT Stockholder shares of Common Stock and any cash in lieu of fractional shares of Target Stock, if applicable, to which such holder is entitled pursuant to Section 2.2 hereof.

(b) Each Target REIT shall give the Company (i) prompt notice of any written demands for appraisal of any Target Stock, withdrawals of such demands, and any other instruments that relate to such demands received by the respective Target REIT and (ii) the opportunity to direct all negotiations and proceedings with respect to demands for appraisal under the DGCL. No Target REIT shall, except with the prior written consent of the Company, make any payment with respect to any demands for appraisal of Target Stock or offer to settle or settle any such demands.

1.6 No Further Rights. From and after the Effective Time, no Target Stock shall be deemed to be outstanding, and holders of certificates formerly representing Target Stock shall cease to have any rights with respect thereto except as provided herein or by law.

1.7 Withholding Rights. Notwithstanding any provision of this Agreement, each of the Company and any Acquisition Subsidiary shall be entitled to deduct and withhold from the payments to be made pursuant to this Agreement, as applicable, such amounts as it reasonably determines that it is required to deduct and withhold with respect to the making of such payments under the Code or any other applicable provision of law and to collect Forms W-8 or W-9, as applicable, or similar information from the Target REIT Stockholders and any other recipients of payments hereunder. To the extent the amounts are so withheld by either the Company or any Acquisition Subsidiary, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the Target REIT shares in respect of which such deduction and withholding was made by the Company or the Acquisition Subsidiary.

ARTICLE 2 MERGER CONSIDERATION

2.1 Cancellation of Target Stock. As a result of the Mergers and without any action on the part of the Target REIT Stockholders, all Target Stock in each Target REIT with respect to which a Merger has become effective shall cease to be outstanding, shall be canceled and retired and shall cease to exist and each Target REIT Stockholder shall thereafter cease to have any rights with respect to such Target Stock (other than with respect to any dissenting shares).

A-3

2.2 Merger Consideration.

(a) At the Effective Time, by virtue of the Mergers and without any

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

further action by the Company, any Acquisition Subsidiary or any Target REIT, each Target REIT Stockholder in each Target REIT with respect to which a Merger has become effective shall receive for each share (or fraction thereof) of Target Stock of such Target REIT that such Target REIT Stockholder holds of record, that number of shares of Common Stock in the Combined Company set forth on Exhibit B attached hereto opposite the name of the applicable Target REIT (the "Merger Consideration"). At the Effective Time, by virtue of the Mergers and without any further action by any party, each share of common stock, \$.0001 par value per share, of each Target REIT held by the Company shall be cancelled and shall cease to exist and no stock of the Company or other consideration shall be delivered in exchange therefor, and the Company hereby waives any right that it may have under the certificate of incorporation of each Target REIT or otherwise to receive any consideration in the Mergers in respect of such shares of Target REIT common stock.

(b) No certificate or scrip representing fractional shares of Common Stock shall be issued upon the surrender of Target Stock, and such fractional share interests shall not entitle the owner thereof to vote or to any other rights of a stockholder of the Company. Notwithstanding any other provision of this Agreement, each holder of shares of Target Stock converted pursuant to the Mergers who would otherwise have been entitled to receive a fraction of a share of Common Stock (after taking into account all Target Stock certificates registered in the name of or delivered by such holder) shall receive, in lieu thereof, cash (without interest) in an amount equal to such fractional part of a share of Common Stock multiplied by \$17.70, such amount to be rounded up to the nearest whole cent.

(c) The Company shall issue certificates representing shares of Common Stock upon the surrender of Target Stock as soon as practicable after the Effective Time.

(d) The directors and officers of each Acquisition Subsidiary immediately prior to the Effective Time shall be the initial directors and officers of the respective Surviving Corporations, each to hold office in accordance with the Certificate of Incorporation and Bylaws of such Surviving Corporation. The certificate of incorporation and by-laws of each Acquisition Subsidiary immediately prior to the Effective Time shall be the initial certificate of incorporation and by-laws of the respective Surviving Corporation, except that the name of each Surviving Corporation shall be amended to be the name of the respective Target REIT immediately prior to the Effective Time.

(e) The Merger Consideration, including any cash in lieu of fractional shares, shall be adjusted to reflect any reclassification, stock split, reverse split, stock dividend, reorganization, recapitalization or other like change with respect to Common Stock or Target Stock occurring (or for which a record date is established) after the date hereof and prior to the Effective Time.

A-4

ARTICLE 3 REPRESENTATIONS AND WARRANTIES OF THE COMPANY AND THE ACQUISITION SUBSIDIARIES

Each of the Company and the Acquisition Subsidiaries, jointly and severally, represents and warrants to the Target REITs that the statements contained in this Article 3 are true and correct, except as set forth in the disclosure schedule delivered at or prior to the execution hereof to each of the Target REITs (the "Company Disclosure Schedule"). The Company Disclosure Schedule shall be arranged in paragraphs corresponding to the numbered and

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

letter paragraphs contained in this Article 3, and the disclosures in any paragraph of the Company Disclosure Schedule shall also be deemed to qualify all other paragraphs in this Article 3.

3.1 Due Organization; Authority.

(a) Each of the Company and the Acquisition Subsidiaries is a corporation duly organized and validly existing under the laws of the state of its incorporation. The Company (i) has the authority to conduct its business as currently conducted and to own and operate the properties that it now owns and operates, and (ii) is duly licensed or qualified to do business in, and is in good standing under the laws of, all jurisdictions in which the transaction of its business makes such qualification necessary, except where the failure to be so licensed or qualified would not reasonably be expected to have a material adverse effect on the business, assets, prospects, results of operations or financial condition of the Company (a "Company Material Adverse Effect").

(b) Each of the Company and the Acquisition Subsidiaries has provided each Target REIT with a true and complete copy of its articles or certificate of incorporation and bylaws, each as amended to date.

(c) Each Acquisition Subsidiary was formed solely for the purpose of engaging in the transactions contemplated hereby, has engaged in no other business activities or operations and owns no assets.

3.2 Authorization; Validity; Effect of Agreement. Each of the Company and the Acquisition Subsidiaries has all requisite power, authority and legal right to enter into this Agreement and to perform its obligations hereunder. The execution and delivery of this Agreement by the Company and the Acquisition Subsidiaries and the consummation by the Company and the Acquisition Subsidiaries of the transactions contemplated hereby have been duly authorized by all necessary corporate action on the part of the Company and the Acquisition Subsidiaries, respectively, and this Agreement is a legal, valid and binding obligation of the Company and the Acquisition Subsidiaries, enforceable against them in accordance with its terms.

A-5

3.3 Capitalization. The authorized capital stock of the Company consists of 180,000,000 shares of Common Stock of which approximately 49,629,762 shares are issued and outstanding as of the date hereof and 20,000,000 shares of preferred stock, \$0.0001 par value per share, of which no shares are issued and outstanding as of the date hereof. Immediately following the consummation of the Mergers, approximately 60,524,756 shares of Common Stock will be issued and outstanding and no shares of preferred stock will be issued and outstanding. The rights and privileges of each class of the Company's capital stock are as set forth in the Company's certificate of incorporation, as amended to date. All shares of the Company's Common Stock issuable pursuant to this Agreement, when issued on the terms and conditions set forth in this Agreement, will be duly authorized, validly issued, fully paid and nonassessable and not subject to or issued in violation of any purchase option, call option, right of first refusal, preemptive right, subscription right or any similar right under any provision of the DGCL or the Company's certificate of incorporation or by-laws.

3.4 No Violation.

(a) Neither the execution and delivery by the Company or the Acquisition Subsidiaries of this Agreement, nor the consummation by the Company or the Acquisition Subsidiaries of the transactions contemplated hereby and compliance by the Company or the Acquisition Subsidiary with the provisions

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

hereof, will: (i) conflict with or violate any provision of the articles or certificates of incorporation or bylaws, each as amended to date of the Company or the Acquisition Subsidiaries; (ii) require on the part of the Company or the Acquisition Subsidiaries or any Subsidiary (as defined below) of the Company any consent, approval or authorization of, or declaration, filing or registration with, any governmental or regulatory authority, except (x) the filing of a registration statement on Form S-4 with the Securities and Exchange Commission (the "SEC"), (y) the filing of the Certificates of Merger in accordance with the DGCL or (z) where the failure to obtain any such consent, approval or authorization of, or declaration, filing or registration with, any governmental or regulatory authority would not reasonably be expected to have a Company Material Adverse Effect and would not adversely affect the consummation of the transactions contemplated hereby; (iii) conflict with, result in a breach of, constitute (with or without due notice or lapse of time or both) a default under, result in the acceleration of obligations under, create in any party the right to terminate, modify or cancel, or require any notice, consent or waiver under, any contract or instrument to which the Company or any Subsidiary of the Company is a party or by which the Company or any Subsidiary of the Company is bound or to which any of their assets is subject, except for (A) any conflict, breach, default, acceleration, termination, modification or cancellation which would not have a Company Material Adverse Effect and would not adversely affect the consummation of the transactions contemplated hereby or (B) any notice, consent or waiver the absence of which would not have a Company Material Adverse Effect and would not adversely affect the consummation of the transactions contemplated hereby; (iv) result in the imposition of any mortgage, pledge, security interest, encumbrance, charge or other lien (whether arising by contract or by operation of law) upon any property or assets of the Company or any Subsidiary of the Company; or (v) violate any order, writ, injunction, decree, statute, rule or regulation applicable to the Company, the Acquisition

A-6

Subsidiaries or any Subsidiary of the Company or any of their properties or assets. For purposes of this Agreement, "Subsidiary" shall mean any corporation, partnership, trust, limited liability company or other non-corporate business enterprise in which the Company holds stock or other ownership interests representing more than 50% of the voting power of all outstanding stock or ownership interests of such entity.

(b) Except as expressly contemplated by this Agreement, no other action is required to be taken by the Company or the Acquisition Subsidiaries to permit the execution, delivery and performance of (i) this Agreement, (ii) all other documents and certificates expressly contemplated hereby, and (iii) the transactions contemplated hereby, and no consent or approval of any third party or governmental authority is or was required or appropriate in connection with the execution of this Agreement, or to consummate the transactions expressly contemplated hereunder, except such as have been obtained or will be obtained prior to the Closing.

3.5 FSP Investments LLC; Due Organization. FSP Investments LLC ("FSP Investments"), a wholly-owned subsidiary of the Company, is a limited liability company duly organized and validly existing under the laws of the Commonwealth of Massachusetts. FSP Investments is duly registered with the SEC as a broker/dealer pursuant to Section 15 of the Securities Exchange Act of 1934, as amended.

3.6 Financial Statements.

(a) The Company has previously delivered or made available to each of the Target REITs the following financial statements (collectively, the

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

"Company Financial Statements"): (i) consolidated statements of income for the twelve months ended December 31, 2003 (audited), (ii) consolidated statements of cash flows for the twelve months ended December 31, 2003 (audited), (iii) consolidated balance sheet as of December 31, 2003 (audited), (iv) consolidated statements of income for the six months ended June 30, 2004 (unaudited), (v) consolidated statements of cash flows for the six months ended June 30, 2004 (unaudited) and (vi) the consolidated balance sheet as of June 30, 2004 (unaudited) (the "Company Balance Sheet"). The Company Financial Statements have been prepared in accordance with generally accepted auditing principles ("GAAP"), applied on a basis consistent with prior periods (except as otherwise noted therein), and present fairly the financial position and results of operations of the Company as of their respective dates and for the periods presented therein (subject, in the case of unaudited interim financial statements, to normal year-end adjustments).

(b) The Company has no liability of any nature, whether known or unknown, accrued or unaccrued, absolute or contingent, asserted or unasserted, except liabilities (i) stated or adequately reserved against on the Company Balance Sheet or the notes thereto, (ii) incurred in the ordinary course of business and not required under GAAP to be reflected on the Company Balance Sheet, (iii) incurred after the date of the Company Balance Sheet in the ordinary course of business consistent with the terms of this Agreement or (iv) which would not reasonably be expected to have a Company Material Adverse Effect.

A-7

3.7 SEC Documents. The Company has filed or will file all SEC Documents (as defined below) on a timely basis. All of the SEC Documents (other than preliminary materials), as of their respective filing dates, complied or will comply in all material respects with all applicable requirements of the Securities Act of 1933, as amended and the Securities Exchange Act of 1934, as amended and, in each case, the rules and regulations promulgated thereunder applicable to such SEC Documents. None of the SEC Documents, at the time of filing contained or will contain any untrue statements of a material fact or omitted to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, except to the extent such statements have been modified or superseded by later SEC Documents filed and publicly available. As used herein, "SEC Documents" shall mean all reports, schedules, forms, statements and other documents required to be filed by the Company with the SEC on or after January 1, 2003 and prior to the Closing Date. No Subsidiary is subject to the reporting requirements of Sections 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended.

3.8 Litigation. There are (i) no continuing orders, injunctions or decrees of any court, arbitrator or governmental authority to which the Company is a party or by which it is bound or, to the knowledge of the Company, to which any of its directors, officers, employees or agents, in such capacity, is a party or, to the knowledge of the Company, by which any of them is bound, and (ii) no actions, suits, investigations or proceedings pending against the Company, or, to the knowledge of the Company, against any of its directors, officers, employees or agents, in such capacity, or, to the knowledge of the Company, threatened against the Company or any of its directors, officers, employees or agents, in such capacity, at law or in equity, or before or by any federal, state or local commission, board, bureau, agency or instrumentality that would, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect. For purposes of this Section 3.8 and Section 3.9 below, any reference to the "Company" shall be deemed to include the Subsidiaries.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

3.9 Taxes.

(a) The Company has paid, caused to be paid or accrued all federal, state, local, foreign and other taxes, including without limitation, income taxes, estimated taxes, alternative minimum taxes, excise taxes, sales taxes, use taxes, value-added taxes, gross receipt taxes, franchise taxes, capital stock taxes, employment and payroll-related taxes, withholding taxes, stamp taxes, transfer taxes, windfall profit taxes, property taxes and environmental taxes, whether or not measured in whole or in part by net income, and all deficiencies, or other additions to tax, interest, fines and penalties (collectively, "Taxes"), required to be paid or accrued by it through the date hereof;

(b) The Company has timely filed or requested an extension of the time to file all federal, state, local and foreign Tax returns required to be filed by it through the date hereof, and all such returns completely and accurately set forth the amount of any Taxes relating to the applicable period;

A-8

(c) The Company has withheld and paid all Taxes required to have been withheld and paid in connection with amounts paid or owing to any employee, independent contractor, creditor, stockholder or other party;

(d) For all periods from its inception, the Company has qualified to be treated as a "real estate investment trust" (a "REIT") within the meaning of Sections 856-860 of the Internal Revenue Code of 1986, as amended (the "Code"). For the periods described in the preceding sentence, the Company has met all requirements necessary to be treated as a REIT for purposes of the income Tax provisions of those states in which the Company is subject to income Tax and which provide for the taxation of a REIT in a manner similar to the treatment of REITs under Sections 856-860 of the Code.

(e) Neither the Internal Revenue Service (the "IRS") nor any other governmental authority is now asserting by written notice to the Company or, to the knowledge of the Company, threatening to assert against the Company any deficiency or claim for additional Taxes. There is no dispute or claim concerning any Tax liability of the Company either claimed or raised in writing by the IRS. There is no dispute or claim of a material nature concerning any Tax liability of the Company either claimed or raised in writing by any governmental authority other than the IRS, or, to the knowledge of the Company, which may be claimed or raised by any federal or state governmental authority. No written claim has ever been made by a Taxing authority in a jurisdiction where the Company does not file reports and returns asserting that the Company is or may be subject to Taxation by that jurisdiction.

3.10 Full Disclosure. The representations of the Company contained in this Agreement do not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements made herein not misleading, and none of the information supplied or to be supplied by the Company for inclusion in the Consent Solicitation/Prospectus to be distributed to Target REIT Stockholders, pursuant to Section 5.3 hereof (the "Consent Solicitation/Prospectus") contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. If at any time prior to the Closing Date any event relating to the Company should occur that is required to be described in an amendment of or supplement to the Consent Solicitation/Prospectus, the Company shall, together with the Target REITs, prepare, file and disseminate such amendment or supplement. To the Company's knowledge, all of the

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

representations and warranties of each of the Target REITs set forth in this Agreement are true and correct as of the date hereof.

ARTICLE 4 REPRESENTATIONS AND WARRANTIES OF THE TARGET REITS

Each of the Target REITs individually represents and warrants to the Company that the statements contained in this Article 4 are true and correct as to itself, except as set forth in the disclosure schedules delivered at or prior to the execution hereof by each of the Target REITs to the Company (each, a "Target REIT Disclosure Schedule" and, collectively, the "Target REITs Disclosure Schedules"). Each Target REIT Disclosure Schedule shall be arranged

A-9

in paragraphs corresponding to the numbered and letter paragraphs contained in this Article 4, and the disclosures in any paragraph of any Target REIT Disclosure Schedule shall also be deemed to qualify all other paragraphs in this Article 4 with respect to that Target REIT. In the event that at the time of the execution of this Agreement the Company has knowledge that any of the representations or warranties of any Target REIT contained herein are not true and correct, such Target REIT shall not be deemed to be in breach of this Agreement in respect thereof, including without limitation for purposes of Sections 6(f) and 7.1(c) below.

4.1 Due Organization; Authority.

(a) The Target REIT is a corporation duly organized and validly existing under the laws of the State of Delaware. The Target REIT (i) has the authority to conduct its business as currently conducted and to own and operate the properties that it now owns and operates, and (ii) is duly licensed or qualified to do business in, and is in good standing under the laws of, all jurisdictions in which the transaction of its business makes such qualification necessary, except where the failure to be so licensed or qualified would not reasonably be expected to have a material adverse effect on the business, assets, prospects, results of operations or financial condition of the Target REIT (a "Target REIT Material Adverse Effect").

(b) The Target REIT has provided the Company and each other Target REIT with a true and complete copy of its certificate of incorporation and bylaws, each as amended to date.

4.2 Authorization; Validity; Effect of Agreement.

(a) The Target REIT has all requisite power, authority and legal right to enter into this Agreement and to consummate the Mergers. The execution and delivery of this Agreement by the Target REIT and, subject to the approval of this Agreement by its Target REIT Stockholders, the consummation by the Target REIT of its Merger have been duly authorized by all necessary corporate action on the part of the Target REIT, and this Agreement is a legal, valid and binding obligation of the Target REIT, enforceable against the Target REIT in accordance with its terms.

4.3 Financial Statements.

(a) The Target REIT has previously delivered or made available to the Company the following financial statements (collectively, the "Target REIT Financial Statements"): (i) statement of income from date of inception through December 31, 2003 (audited); (ii) statement of cash flows from date of inception through December 31, 2003 (audited), (iii) a statement of income for the six months ended June 30, 2004 (unaudited), (iv) a statement of cash flows for the

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

six months ended June 30, 2004 and (v) a balance sheet as of June 30, 2004 (unaudited) (the "Target REIT Balance Sheet"). The Target REIT Financial Statements have been prepared in accordance with GAAP, applied on a basis consistent with prior periods (except as otherwise noted therein), and present fairly the financial position and results of operations of the Target REIT as of

A-10

their respective dates and for the periods presented therein (subject, in the case of unaudited interim financial statements, to normal year-end adjustments).

(b) The Target REIT has no liability of any nature, whether known or unknown, accrued or unaccrued, absolute or contingent, asserted or unasserted, except liabilities (i) stated or adequately reserved against on the Target REIT Balance Sheet or the notes thereto, (ii) incurred in the ordinary course of business and not required under GAAP to be reflected on the Target REIT Balance Sheet, (iii) incurred after the date of the Target REIT Balance Sheet in the ordinary course of business consistent with the terms of this Agreement or (iv) which would not reasonably be expected to have a Target REIT Material Adverse Effect.

4.4 Contracts and Commitments. The Target REIT has delivered or made available to the Company a correct and complete copy of each contract to which the Target REIT is a party that is material to the Target REIT (each a "Target REIT Material Contract"). Each Target REIT Material Contract is in full force and effect and neither the Target REIT nor, to the knowledge of the Target REIT, the other party thereto is in breach or default thereunder, other than breaches or defaults which would not, individually or in the aggregate, reasonably be expected to have a Target REIT Material Adverse Effect.

4.5 No Violation.

(a) Neither the execution and delivery by the Target REIT of this Agreement, nor the consummation by the Target REIT of its Merger and compliance by the Target REIT with the provisions hereof, will: (i) conflict with or violate any provision of its certificate of incorporation or bylaws; (ii) require on the part of the Target REIT any consent, approval or authorization of, or declaration, filing or registration with, any governmental or regulatory authority, except (x) the filing of the Certificates of Merger or (y) where the failure to obtain any such consent, approval or authorization of, or declaration, filing or registration with, any governmental or regulatory authority would not reasonably be expected to have a Target REIT Material Adverse Effect and would not adversely affect the consummation of the transactions contemplated hereby; (iii) conflict with, result in a breach of, constitute (with or without due notice or lapse of time or both) a default under, result in the acceleration of obligations under, create in any party the right to terminate, modify or cancel, or require any notice, consent or waiver under, any contract or instrument to which the Target REIT is a party or by which the Target REIT is bound or to which any of its assets is subject, except for (A) any conflict, breach, default, acceleration, termination, modification or cancellation which would not have a Target REIT Material Adverse Effect and would not adversely affect the consummation of the transactions contemplated hereby or (B) any notice, consent or waiver the absence of which would not have a Target REIT Material Adverse Effect and would not adversely affect the consummation of the transactions contemplated hereby; (iv) result in the imposition of any mortgage, pledge, security interest, encumbrance, charge or other lien (whether arising by contract or by operation of law) upon any property or assets of the Target REIT; or (v) violate any order, writ,

injunction, decree, statute, rule or regulation applicable to the Target REIT or any of its properties or assets.

(b) Except as expressly contemplated by this Agreement, no other action is required to be taken by the Target REIT to permit the execution, delivery and performance of (i) this Agreement, (ii) all other documents and certificates expressly contemplated hereby, and (iii) the Mergers, and no consent or approval of any third party or governmental authority is or was required or appropriate in connection with the execution of this Agreement, or to consummate the transactions expressly contemplated hereunder, except such as have been obtained or will be obtained prior to the Closing.

4.6 Litigation. There are (i) no continuing orders, injunctions or decrees of any court, arbitrator or governmental authority to which the Target REIT is a party or by which it is bound or, to the knowledge of the Target REIT, to which any of its directors, officers, employees or agents, in such capacity, is a party or, to the knowledge of the Target REIT, by which any of them is bound, and (ii) no actions, suits, investigations or proceedings pending against the Target REIT, or, to the knowledge of the Target REIT, against any of its directors, officers, employees or agents, in such capacity, or, to the knowledge of the Target REIT, threatened against the Target REIT or any of its directors, officers, employees or agents, in such capacity, at law or in equity, or before or by any federal, state or local commission, board, bureau, agency or instrumentality that would, individually or in the aggregate, reasonably be expected to have a Target REIT Material Adverse Effect.

4.7 Title to Assets. The Target REIT has good and marketable title to the assets reflected in the most recent Target REIT Balance Sheet and will hold good and marketable title to such assets, and any assets acquired by the Target REIT prior to the Effective Time, except for assets disposed of in the ordinary course of business (which assets do not include its Property) and except as the failure of the Target REIT to have such good and marketable title is not, in the aggregate, material to the Target REIT. The assets reflected on the Target REIT Balance Sheet include its Property. Except as otherwise disclosed in the Target REIT Balance Sheet or related notes accompanying it, all the assets referred to in the first sentence of this Section 4.7 are owned free and clear of any and all material adverse claims, security interests, charges or other encumbrances or restrictions of every nature, except liens for current taxes not yet due and payable or landlords' liens as provided for in the relevant leases, or by applicable law.

4.8 Real Property.

With respect to each parcel of Property owned by the Target REIT:

(a) the Target REIT has good and clear record and marketable title to such parcel, insurable by a recognized national title insurance company at standard rates, free and clear of any security interest, easement, covenant or other restriction, except for recorded easements, covenants and other restrictions which do not impair the uses, occupancy or value of such parcel for

its existing use as an office building or warehouse/distribution center, as the case may be (the "Intended Uses");

(b) there are no (i) pending or, to the knowledge of the Target

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

REIT, threatened condemnation proceedings relating to such parcel, (ii) pending or, to the knowledge of the Target REIT, threatened litigation or administrative actions relating to such parcel, or (iii) other matters affecting adversely the Intended Uses or, occupancy or value thereof;

(c) the legal description for such parcel contained in the deed thereof describes such parcel fully and adequately; the buildings and improvements for the Intended Uses is permitted under applicable zoning and land use laws, and such buildings and improvements are located within the boundary lines of the described parcels of land, are not in violation of setback requirements applicable to them, zoning laws and ordinances and do not encroach on any easement which may burden the land; the land does not serve any adjoining property for any purpose inconsistent with the use of the land; and such parcel is not located within any flood plain or subject to any similar type restriction for which any permits or licenses necessary to the use thereof have not been obtained;

(d) there are no leases, subleases, licenses or agreements, written or oral, granting to any party or parties (other than the Target REIT and those tenants under leases described in Section 4.9) the right of use or occupancy of any portion of such parcel, except for leases, subleases, licenses or agreements which do not impair the Intended Uses;

(e) there are no outstanding options or rights of first refusal to purchase such parcel, or any portion thereof or interest therein;

(f) all facilities located on such parcel are supplied with utilities and other services necessary for the operation of such facilities, including gas, electricity, water, telephone, sanitary sewer and storm sewer, all of which services are adequate for the Intended Uses and in accordance with all applicable laws, ordinances, rules and regulations and are provided via public roads or via permanent, irrevocable, appurtenant easements benefiting such parcel;

(g) such parcel abuts on and has direct vehicular access to a public road or access to a public road via a permanent, irrevocable, appurtenant easement benefiting such parcel;

(h) the Target REIT has received no notice of any, and, to the knowledge of the Target REIT, there is no, proposed or pending proceeding to change or redefine the zoning classification of all or any portion of the parcels;

(i) the improvements constructed on the parcels are in good condition and proper order, free of material roof leaks, untreated material insect infestation, and material construction defects, and all mechanical and utility systems servicing such improvements are in good condition and proper working order, free of material defects; and

A-13

(j) each parcel is an independent unit which does not rely on any facilities (other than the facilities of public utility and water companies or facilities as to which a permanent, irrevocable appurtenant easement exists benefiting such parcel granting the use of such facilities) located on any other property (i) to fulfill any zoning, building code or other municipal or governmental requirement, (ii) for structural support or the furnishing of any essential building systems or utilities, including, but not limited to electric, plumbing, mechanical, heating, ventilating, and air conditioning systems, or (iii) to fulfill the requirements of any lease. No building or other improvement

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

not included in the parcels relies on any part of the parcels to fulfill any zoning, building code or other municipal or governmental requirement or for structural support or the furnishing of any essential building systems or utilities except with respect to utility or storm water facilities pursuant to recorded easement agreements or declarations of common easements the use of which do not impair the Intended Uses. Each of the parcels is assessed by local property assessors as a tax parcel or parcels separate from all other tax parcels.

4.9 Real Property Leases. The Target REIT has delivered or made available to the Company complete and accurate copies of the leases and subleases (as amended to date) of its Property. With respect to each such lease and sublease:

(a) the lease or sublease is legal, valid, binding, enforceable and in full force and effect;

(b) the lease or sublease will continue to be legal, valid, binding, enforceable and in full force and effect immediately following the Effective Time in accordance with the terms thereof as in effect immediately prior to the Effective Time;

(c) neither the Target REIT nor, to the knowledge of the Target REIT, any other party, is in breach or violation of, or default under, any such lease or sublease, and no event has occurred, is pending or, to the knowledge of the Target REIT, is threatened, which, after the giving of notice, with lapse of time, or otherwise, would constitute a breach or default by the Target REIT or, to the knowledge of the Target REIT, any other party under such lease or sublease;

(d) the Target REIT has not assigned, transferred, conveyed, mortgaged, deeded in trust or encumbered any interest in the leasehold or sublease-hold that have not been discharged; and

(e) the Target REIT is not aware of any Security Interest, easement, covenant or other restriction applicable to the real property subject to such lease, except for recorded easements, covenants and other restrictions which do not materially impair the current uses or the occupancy by the Target REIT of the property subject thereto.

4.10 Compliance with Laws; Permits; Environmental Matters.

A-14

(a) The Target REIT has complied with all applicable Environmental Laws (as defined below), except for violations of Environmental Laws that do not and will not, individually or in the aggregate, have a Target REIT Material Adverse Effect. There is no pending or, to the knowledge of the Target REIT, threatened civil or criminal litigation, written notice of violation, formal administrative proceeding, or investigation, inquiry or information request by any court, arbitrational tribunal, administrative agency or commission or other governmental or regulatory authority or agency (a "Governmental Entity"), relating to any Environmental Law involving the Target REIT, except for litigation, notices of violations, formal administrative proceedings or investigations, inquiries or information requests that will not, individually or in the aggregate, have a Target REIT Material Adverse Effect. For purposes of this Agreement, "Environmental Law" means any federal, state or local law, statute, rule or regulation or the common law relating to the environment or occupational health and safety, including without limitation any statute, regulation, administrative decision or order pertaining to (i) treatment, storage, disposal, generation and transportation of industrial, toxic or

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

hazardous materials or substances or solid or hazardous waste; (ii) air, water and noise pollution; (iii) groundwater and soil contamination; (iv) the release or threatened release into the environment of industrial, toxic or hazardous materials or substances, or solid or hazardous waste, including without limitation emissions, discharges, injections, spills, escapes or dumping of pollutants, contaminants or chemicals; (v) the protection of wild life, marine life and wetlands, including without limitation all endangered and threatened species; (vi) storage tanks, vessels, containers, abandoned or discarded barrels, and other closed receptacles; (vii) health and safety of employees and other persons; and (viii) manufacturing, processing, using, distributing, treating, storing, disposing, transporting or handling of materials regulated under any law as pollutants, contaminants, toxic or hazardous materials or substances or oil or petroleum products or solid or hazardous waste. As used above, the terms "release" and "environment" shall have the meaning set forth in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA").

(b) There have been no releases in violation of Environmental Laws of any Materials of Environmental Concern (as defined below) into the environment at any parcel of real property or any facility formerly or currently owned, operated or controlled by the Target REIT. With respect to any such releases of Materials of Environmental Concern, the Target REIT has given all required notices to Governmental Entities (copies of which have been provided to the Company). The Target REIT is not aware of any releases of Materials of Environmental Concern at parcels of real property or facilities other than those owned, operated or controlled by the Target REIT that could reasonably be expected to have an impact on the real property or facilities owned, operated or controlled by the Target REIT. For purposes of this Agreement, "Materials of Environmental Concern" means any chemicals, pollutants or contaminants, hazardous substances (as such term is defined under CERCLA), solid wastes and hazardous wastes (as such terms are defined under the Resource Conservation and Recovery Act), toxic materials, oil or petroleum and petroleum products or any other material subject to regulation under any Environmental Law.

A-15

(c) A complete and accurate copy of all documents (whether in hard copy or electronic form) that contain any environmental reports, investigations and audits relating to premises currently or previously owned or operated by the Target REIT (whether conducted by or on behalf of the Target REIT or a third party, and whether done at the initiative of the Target REIT or directed by a Governmental Entity or other third party) which were issued or conducted during the past five years and which the Target REIT has possession of or access to has been provided or made available to the Company.

(d) The Target REIT is not aware of any material environmental liability of any solid or hazardous waste transporter or treatment, storage or disposal facility that has been used by the Target REIT.

4.11 Taxes.

(a) The Target REIT has paid, caused to be paid or accrued all federal, state, local, foreign and other Taxes, required to be paid or accrued by it through the date hereof;

(b) The Target REIT has timely filed or requested an extension of the time to file all federal, state, local and foreign Tax returns required to be filed by it through the date hereof, and all such returns completely and accurately set forth the amount of any Taxes relating to the applicable period;

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

(c) The Target REIT has withheld and paid all Taxes required to have been withheld and paid in connection with amounts paid or owing to any employee, independent contractor, creditor, stockholder or other party;

(d) For all periods since its inception, the Target REIT has qualified to be treated as a REIT within the meaning of Sections 856-860 of the Code. For the periods described in the preceding sentence, the Target REIT has met all requirements necessary to be treated as a REIT for purposes of the income Tax provisions of those states in which the Target REIT is subject to income Tax and which provide for the taxation of a REIT in a manner similar to the treatment of REITs under Sections 856-860 of the Code.

(e) Neither the IRS nor any other governmental authority is now asserting by written notice to the Target REIT or, to the knowledge of the Target REIT, threatening to assert against the Target REIT any deficiency or claim for additional Taxes. There is no dispute or claim concerning any Tax liability of the Target REIT either claimed or raised in writing by the IRS. There is no dispute or claim of a material nature concerning any Tax liability of the Target REIT either claimed or raised in writing by any governmental authority other than the IRS, or, to the knowledge of the Target REIT, which may be claimed or raised by any federal or state governmental authority. No written claim has ever been made by a Taxing authority in a jurisdiction where the Target REIT does not file reports and returns asserting that the Target REIT is or may be subject to Taxation by that jurisdiction.

A-16

(f) Each of the representations set forth in Exhibit C is true, accurate and complete.

4.12 No Existing Discussions. As of the date of this Agreement, no Target REIT is engaged, directly or indirectly, in any discussions or negotiations with any other party with respect to an Acquisition Proposal (as defined in Section 5.5(b)).

4.13 Full Disclosure. The representations of the Target REIT contained in this Agreement do not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements made herein not misleading, and none of the information supplied or to be supplied by the Target REIT for inclusion in the Consent Solicitation/Prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. If at any time prior to the Closing Date any event relating to the Target REIT should occur that is required to be described in an amendment of or supplement to the Consent Solicitation/Prospectus, the Target REIT promptly shall inform the Company and assist in the preparation, filing, dissemination of such amendment or supplement.

ARTICLE 5 COVENANTS AND ADDITIONAL AGREEMENTS

5.1 Conduct of Business. Prior to the Effective Time, or the earlier termination of this Agreement, the Company and each Target REIT shall (i) carry on its business in the ordinary course in substantially the same manner as previously conducted, (ii) use its reasonable efforts to preserve intact its present business organization and goodwill, (iii) maintain permits, licenses and authorizations, (iv) preserve its relationships with third parties and (v) take all actions necessary to continue to qualify as a REIT, including, without limitations, the payment of dividends.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

5.2 Other Actions. Neither the Company, any Acquisition Subsidiary nor any Target REIT shall take or omit to take any action that would result in any of the representations and warranties of the Company, such Acquisition Subsidiary or such Target REIT, respectively, made in or pursuant to this Agreement becoming untrue or incomplete, in any of the covenants and agreements of the Company, such Acquisition Subsidiary or such Target REIT, respectively, being breached, or in any of the conditions to the Closing not being satisfied; provided, however, that nothing in this Agreement shall be construed to prohibit or restrict the ability of the Company or any Target REIT to declare and/or pay, consistent with past practice and custom, to the Company Stockholders or the Target REIT Stockholders, as the case may be, dividends in respect of operations (collectively, the "Dividends") through the Closing Date, each in accordance with the terms of the distributing entity's organizational documents, each as amended to date; provided, further, that upon the Effective Date, the Company shall assume the obligation to pay any dividend declared but not paid by a Target REIT prior to the Effective Date.

5.3 Approval of Target REIT Stockholders. Promptly following the execution of this Agreement, the Company, together with the Target REITs, shall prepare and the Company shall file a Consent Solicitation/Prospectus with the SEC, and

A-17

the Target REITs shall as promptly as practicable following the effectiveness of the Company's registration statement on Form S-4 distribute the Consent Solicitation/Prospectus to the Target REIT Stockholders, asking the Target REIT Stockholders to vote upon the adoption of this Agreement and the Mergers. Except as permitted by Section 5.5 below, (a) the Consent Solicitation/Prospectus shall contain the recommendation of the Target Boards of Directors that the Target REIT Stockholders approve the adoption of this Agreement and the Mergers and (b) each of the Target REITs, subject to and in accordance with applicable law, shall use its respective reasonable best efforts to obtain such approval described in this Section 5.3, including without limitation, by timely mailing the Consent Solicitation/Prospectus to the Target REIT Stockholders of its respective corporation. . The Company agrees (i) to vote or cause to be voted any shares of Target REIT capital stock owned by the Company, including without limitation any shares of Target REIT capital stock owned by a Subsidiary of the Company, in favor of Mergers and the adoption of this Agreement and the Mergers and (ii) to not transfer or cause or allow to be transferred any such shares from the date hereof until following the earlier of the Effective Time or the termination of this Agreement.

5.4 Consents and Approvals. The Company and the Target REITs shall each use all reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all other things necessary, proper or advisable to consummate and make effective as promptly as practicable the transactions contemplated by this Agreement, to obtain in a timely manner all necessary consents, waivers, approvals, authorizations and orders and to make all necessary registrations and filings, and otherwise to satisfy or cause to be satisfied all conditions precedent to its obligations under this Agreement.

5.5 No Solicitation.

(a) Except as set forth in this Section 5.5, no Target REIT shall, nor shall any of them authorize or permit any of their respective directors, officers, employees, investment bankers, attorneys, accountants or other advisors or representatives (such directors, officers, employees, investment bankers, attorneys, accountants, other advisors and representatives, collectively, "Representatives") to, directly or indirectly:

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

(i) solicit, initiate, encourage or take any other action to facilitate any inquiries or the making of any proposal or offer that constitutes, or could reasonably be expected to lead to, any Acquisition Proposal, including without limitation (A) approving any transaction under Section 203 of the DGCL that would require such approval in the absence of Article TENTH of such Target REIT's charter, (B) approving any person becoming an "interested stockholder" under Section 203 of the DGCL that would require such approval in the absence of Article TENTH of such Target REIT's charter and (C) amending or granting any waiver or release under any standstill or similar agreement with respect to any Target Stock; or

A-18

(ii) enter into, continue or otherwise participate in any discussions or negotiations regarding, furnish to any person any information with respect to, assist or participate in any effort or attempt by any person with respect to, or otherwise cooperate in any way with, any Acquisition Proposal.

Notwithstanding the foregoing, prior to the adoption of this Agreement by the respective Target REIT Stockholders (the "Specified Time"), the Target REITs may, to the extent necessary to act in a manner consistent with the respective fiduciary obligations of the Target Board of Directors, as determined in good faith by such respective Target Board of Directors, after consultation with outside counsel, in response to a Superior Proposal that did not result from a breach by the respective Target REIT of this Section 5.5, and subject to compliance with Section 5.5(c), (x) furnish information with respect to such Target REIT to the person making such Superior Proposal and its Representatives pursuant to a customary confidentiality agreement and (y) participate in discussions or negotiations with such person and its Representatives regarding any Superior Proposal. Without limiting the foregoing, it is agreed that any violation of the restrictions set forth in this Section 5.5(a) by any Representative of any Target REIT, whether or not such person is purporting to act on behalf of a Target REIT or otherwise, shall be deemed to be a breach of this Section 5.5(a) by the respective Target REIT.

(b) No Target REIT Board of Directors nor any committee thereof shall:

(i) except as set forth in this Section 5.5, withdraw or modify, or publicly (or in a manner designed to become public) propose to withdraw or modify, in a manner adverse to the Company or any other Target REIT, its approval or recommendation with respect to the adoption of this Agreement and approval of the Mergers contemplated hereby;

(ii) cause or permit its Target REIT to enter into any letter of intent, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement or similar agreement constituting or relating to any Acquisition Proposal (other than a confidentiality agreement referred to in Section 5.5(a) entered into in the circumstances referred to in Section 5.5(a)); or

(iii) adopt, approve or recommend, or publicly propose to adopt, approve or recommend, any Acquisition Proposal.

Notwithstanding the foregoing, a Target REIT Board of Directors may, in response to a Superior Proposal that did not result from a breach by such Target REIT of this Section 5.5, withdraw or modify its recommendation with respect to the adoption of this Agreement and approval of the Mergers contemplated hereby if such Target REIT Board of Directors determines in good faith (after consultation

with outside counsel) that its fiduciary obligations require it to do so, but only at a time that is prior to the Specified Time and is after the fifth business day following receipt by the Company of written notice advising it that such Target Board of Directors desires to withdraw or modify the recommendation

A-19

due to the existence of a Superior Proposal, specifying the material terms and conditions of such Superior Proposal and identifying the person making such Superior Proposal. Nothing in this Section 5.5 shall be deemed to (A) permit any Target REIT to take any action described in clauses (ii) or (iii) of the first sentence of this Section 5.5(b), (B) affect any obligation of the Company or the Target REITs under this Agreement or (C) limit a Target REITs' respective obligation to solicit consents from its Target REIT Stockholders, regardless of whether such Target REIT Board of Directors has withdrawn or modified its recommendation.

(c) Each Target REIT shall immediately advise the Company and the other Target REITs orally, with written confirmation to follow promptly (and in any event within 24 hours), of any Acquisition Proposal or any request for nonpublic information in connection with any Acquisition Proposal, or of any inquiry with respect to, or that could reasonably be expected to lead to, any Acquisition Proposal, the material terms and conditions of any such Acquisition Proposal or inquiry and the identity of the person making any such Acquisition Proposal or inquiry. No Target REIT shall provide any information to or participate in discussions or negotiations with the person or entity making any Superior Proposal until five business days after such Target REIT has first notified the Company and the other Target REITs of such Acquisition Proposal as required by the preceding sentence. The Target REIT receiving an Acquisition Proposal shall (i) keep the Company and the other Target REITs fully informed, on a reasonably current basis, of the status and details (including any change to the terms) of any such Acquisition Proposal or inquiry, (ii) provide to the Company and the other Target REITs as soon as practicable after receipt or delivery thereof copies of all correspondence and other written material sent or provided to the Target REIT receiving an Acquisition Proposal from any third party in connection with any Acquisition Proposal or sent or provided by such Target REIT to any third party in connection with any Superior Proposal, and (iii) if the Company shall make a counterproposal, consider and cause its financial and legal advisors to negotiate on its behalf in good faith with respect to the terms of such counterproposal. Contemporaneously with providing any information to a third party in connection with any such Superior Proposal or inquiry, the Target REIT receiving a Superior Proposal shall furnish a copy of such information to the Company and the other Target REITs.

(d) Each Target REIT shall, and shall cause its Representatives to, cease immediately all discussions and negotiations regarding any proposal that constitutes, or could reasonably be expected to lead to, an Acquisition Proposal. Each Target REIT shall use commercially reasonable efforts to have all copies of all nonpublic information it and its Representatives have distributed on or prior to the date of this Agreement to other potential purchasers returned to such Target REIT as soon as possible.

(e) For purposes of this Agreement:

"Acquisition Proposal" means, with respect to any Target REIT, (i) any inquiry, proposal or offer for a merger, consolidation, dissolution, sale of substantial assets, tender offer, recapitalization, share exchange or other business combination involving such Target REIT, (ii) any proposal for the

issuance by such Target REIT of over 10% of its equity securities or (iii) any proposal or offer to acquire in any manner, directly or indirectly, over 10% of the equity securities or consolidated total assets of such Target REIT, in each case other than the Mergers contemplated by this Agreement.

"Superior Proposal" means, with respect to any Target REIT, any unsolicited, bona fide written proposal made by a third party to acquire substantially all of the equity securities or assets of such Target REIT, pursuant to a tender or exchange offer, a merger, a consolidation or a sale of its assets, (i) on terms which such Target REIT's Board of Directors determines in its good faith judgment to be more favorable from a financial point of view to the stockholders of such Target REIT than the transactions contemplated by this Agreement (after taking into account the written opinion with respect thereto of a nationally recognized independent financial advisor), taking into account all the terms and conditions of such proposal and this Agreement (including any proposal by either the Company or such the Target REIT to amend the terms of this Agreement) and (ii) that in the good faith judgment of the Target REIT Board of Directors is reasonably capable of being completed on the terms proposed, taking into account all financial, regulatory, legal and other aspects of such proposal; provided, however, that no Acquisition Proposal shall be deemed to be a Superior Proposal if any financing required to consummate the Acquisition Proposal is not committed.

ARTICLE 6 CONDITIONS TO EACH PARTY'S OBLIGATIONS TO EFFECT THE MERGERS.

The respective obligations of the parties hereto to consummate the Mergers pursuant to the terms of this Agreement are subject to satisfaction of the following conditions precedent on or prior to the Closing Date. In the event that one or more of these conditions are not satisfied on or prior to the Closing Date, the party or parties whose obligations hereunder are subject to the satisfaction of such condition or conditions may either elect to terminate this Agreement or waive the satisfaction of such condition. The conditions are:

(a) this Agreement and the Mergers shall have been approved by the holders of a majority of the shares of Target Stock of each Target REIT other than a Target REIT with respect to which this Agreement has been terminated in accordance with Section 8.2(b);

(b) all necessary consents, waivers, approvals, authorizations or orders required to be obtained and the making of all filings required to be made by any of the parties for the authorization, execution and delivery of this Agreement and the consummation of the transactions contemplated thereby shall have been obtained or made, as the case may be, on or prior to (and remaining in effect at) the Closing Date;

(c) FSP Corp. and each of the Target REITs shall have received, on or prior to the Closing Date, an opinion from Wilmer Cutler Pickering Hale and Dorr LLP to the effect that each Merger will be treated for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code

and confirming that, to the extent the matters discussed under the heading "Material United States Federal Income Tax Considerations" in the Consent Solicitation/Prospectus constitute matters of law, they are accurate in all material respects (it being agreed that if Wilmer Cutler Pickering Hale and Dorr LLP does not render such opinion, this condition shall nonetheless be satisfied

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

if another nationally recognized law firm renders such opinion, and that the Company and the Target REITs shall use their respective reasonable best efforts to obtain the opinion required by this subsection). Each of the Company and each Target REIT agrees to provide customary representations to Wilmer Cutler Pickering Hale and Dorr LLP (or such other law firm) in connection with the issuance of such opinion;

(d) either the President and Chief Executive Officer or the Vice President and Chief Operating Officer of the Company shall have delivered to each of the Target REITs a certificate on behalf of the Company, dated as of the Closing Date, to the effect that there have been no material adverse changes in the financial condition of the Company between the date of the most recent Company Financial Statements and the Closing Date, and the President of each of the Target REITs shall have delivered to the Company a certificate on behalf of each Target REIT, each dated as of the Closing Date, to the effect that there have been no material adverse changes in the financial condition of such Target REIT between the date of the most recent Target REIT Financial Statements for such Target REIT and the Closing Date;

(e) there shall have been no statute, rule, order or regulation enacted or issued by the United States or any State thereof, or by a court, that prohibits the consummation of the Mergers; and

(f) the representations set forth in Section 3 and Section 4 hereof are true and complete in all material respects; provided, however, that the party whose representation was not true and correct shall have no right to not consummate the Closing as a result thereof.

The conditions described in clause (b) above, may be waived by either the Company or the Target REITs, as the case may be, in whole or in part if, in the opinion of either the Company or the Target REITs, as the case may be, such waiver does not materially affect the terms of the transaction, which waiver shall not be unreasonably withheld.

ARTICLE 7 TERMINATION AND WAIVER

7.1 Termination. This Agreement may be terminated, and the Mergers may be abandoned, at any time before the Closing Date, notwithstanding approval of the Mergers by the Target REIT Stockholders:

(a) by the mutual written consent of the parties;

(b) by the Company or any Target REIT if the Mergers have not been consummated by March 30, 2005 (which date may be extended by mutual agreement of the parties);

A-22

(c) by the Company or any Target REIT if the conditions to the Mergers set forth in Article 6 of this Agreement are not satisfied or waived on the Closing Date; provided, however, that in the event of the failure of the conditions set forth in clause (g) of Article 6, the party whose representation was not true and correct shall have no right to terminate this Agreement as a result thereof;

(d) by the Company or any Target REIT, in the instance where the Target REIT has received a Superior Proposal and the respective Target REIT Board of Directors has withdrawn or modified its approval or recommendation with respect to the adoption of this Agreement and approval of the Mergers contemplated hereby, if at a meeting of Target REIT Stockholders (including any

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

adjournment or postponement thereof) or pursuant to a written consent in lieu of a meeting, as contemplated by Section 5.3 above, the requisite vote of such stockholders to adopt this Agreement and approve the Mergers contemplated hereby shall not have been obtained within 75 days of mailing of the Consent Solicitation/Prospectus.

If a casualty occurs with respect to the Property owned by a particular Target REIT, the Company Board has the right to terminate the Agreement with respect to such Target REIT and to consummate the Mergers with the remaining Target REITs as provided in Section 8.2(b) hereof. In addition, the Company Board has the right to terminate this Agreement with respect to a Target REIT if (i) after the receipt by any Target REIT of an Acquisition Proposal, if the Company requests that such Target REIT Board of Directors reconfirm its recommendation of this Agreement or the Merger with the respective Target REIT and such Target REIT Board of Directors fails to do so within five business days after its receipt of the Company's request or (ii) such Target REIT Board of Directors (or any committee thereof) shall have approved or recommended to its Target REIT Stockholders an Acquisition Proposal.

7.2 Effect of Termination. In the event of termination of this Agreement as provided in Section 7.1 hereof, this Agreement shall become void and there shall be no liability or obligation on the part of any party hereto or its respective affiliates, partners, directors or officers, except (i) with respect to payment of expenses as described in Section 8.3 and (ii) to the extent that such termination results from the willful breach of a party hereto of any of its representations, warranties, covenants or agreements made in or pursuant to this Agreement.

7.3 Extension; Waiver. At any time prior to the Closing Date, the parties hereto may, to the extent legally allowed, (i) extend the time for the performance of any of the obligations or other acts of the other parties hereto, (ii) waive any inaccuracies in the representations and warranties of the other parties hereto contained herein or made in connection herewith, and (iii) waive compliance with any of the agreements of the other parties hereto contained herein. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party.

7.4 No Survival of Representations and Warranties. None of the representations and warranties contained in this Agreement shall survive the Closing Date.

A-23

ARTICLE 8 MISCELLANEOUS

8.1 Assignment. The Company may not assign its rights or obligations under this Agreement without the consent of the applicable Target REIT. None of the Target REITs may assign their rights or obligations under this Agreement.

8.2 Risk of Loss.

(a) Risk of loss or damage to the assets owned by each Target REIT (the "Assets") by condemnation, eminent domain or similar proceedings (or deed in lieu thereof), or by fire or any other casualty, from the date hereof through the Closing Date, will be on the Target REIT owning such Assets, and thereafter will be on the Combined Company.

(b) In the event of loss or damage to the Assets that occurs prior to the Closing Date, the applicable Target REIT shall use its commercially

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

reasonable efforts to effect a timely cure of such loss or damage prior to the Closing Date. If the Target REIT is unable to effect such a timely cure, the Target REIT shall so notify the Company, and thereafter, if such loss or damage results in a Target REIT Material Adverse Effect, the Company and such Target REIT shall use good faith efforts to amend this Agreement (without the need to obtain the consent of any other Target REIT) to (A) reflect a decrease in the amount of Merger Consideration to be issued with respect to the Target Stock of such Target REIT based on such loss or damage and (B) extend the term of this Agreement as reasonably necessary taking into account all financial, regulatory, legal and other aspects of such amendment to this Agreement, including, but not limited to, the need to resolicit the stockholders of such Target REIT with respect to participation in the Mergers with the Merger Consideration adjusted to reflect such loss or damage and consummate the Merger with such Target REIT as soon as practicable thereafter; provided, however, that in the event the Company and such Target REIT, after a good faith effort, cannot agree on a decrease in the amount of Merger Consideration to be issued with respect to the Target Stock of such Target REIT based on such loss or damage within a reasonable period of time following notice of such loss or damage, the Company shall have the unilateral right to amend this Agreement to terminate this agreement with respect to such Target REIT and consummate the Mergers with the other Target REITS.

8.3 Fees and Expenses. The costs associated with each independent third-party appraisal of the fair market value of each Target REIT's real estate ("Appraisal") obtained by the respective Target Boards of Directors shall be paid by the Target REIT owning the real estate that is the subject of the Appraisal. The costs associated with investment banking advice and each fairness opinion of each Target REIT (the "Fairness Opinions") obtained by the respective Target Boards of Directors shall be paid by the Target REIT receiving such advice and Fairness Opinion. The fees and expenses of each Target REIT's legal counsel shall be paid by the respective Target REIT. All other expenses related to the Mergers and the transactions contemplated hereby, including, without

A-24

limitation, consulting, legal, accounting and administrative expenses, shall be paid by the Company.

8.4 Entire Agreement; Modifications; Amendments.

(a) This Agreement embodies and constitutes the entire understanding between the parties with respect to the transactions contemplated herein, and all prior or contemporaneous agreements, understandings, representations and statements, oral or written, are merged into this Agreement. Except as expressly otherwise provided herein, neither this Agreement nor any provision hereof may be waived, modified, amended, discharged or terminated except by an instrument in writing signed by the party against which the enforcement of such waiver, modification, amendment, discharge or termination is sought, and then only to the extent set forth in such instrument.

(b) Subject to applicable law, this Agreement may be amended by the Company and the Target REITs at any time prior to the filing of the Certificates of Merger with the Secretary of State of the State of Delaware; provided, however, that after approval by Target REIT Stockholders as provided in Section 6 above, without further approval of the Target REIT Stockholders of such Target REIT, no amendment may be made that alters or changes (i) the amount or kind of Merger Consideration which the Target REIT Stockholders in such Target REIT shall be entitled to receive, (ii) the certificate of incorporation or bylaws of such Target REIT or (iii) the terms and conditions of this Agreement, if such alteration or change would have a material adverse effect on such Target REIT

Stockholders.

8.5 Notices. All notices, demands or other writings in this Agreement provided to be given or made or sent, or which may be given or made or sent, by either party hereto to the other may be given personally or may be delivered by depositing the same in the U.S. mail, certified, return receipt requested, postage prepaid or by delivering the same to an air courier service, postage prepaid, properly addressed and sent to the address of such party as set forth below, or such other address as either party may from time to time designate by written notice to the other. Notice given by mail shall be considered effective upon the expiration of five business days after deposit. Notice given in any other manner shall be effective only if and when received by the addressee.

8.8 Counterparts. This Agreement may be executed in any number of identical counterparts. If so executed, each of such counterparts is to be deemed an original for all purposes, and all such counterparts shall collectively constitute one agreement, but in making proof of this Agreement it shall not be necessary to produce or account for more than one such counterpart.

8.9 Binding Effect. Subject to the restrictions on assignment contained in Section 8.1 hereof, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors and assigns.

A-26

8.10 Attorneys' Fees. Subject to the requirements of Section 8.12 hereof, should any party hereto employ an attorney or attorneys to enforce any of the provisions hereof or to protect its interest in any manner arising under this Agreement, or to recover damages for the breach hereof, the nonprevailing party or parties in any action pursued in courts of competent jurisdiction (the finality of which action is not legally contested) agrees to pay to the prevailing party or parties all reasonable costs, damages and expenses, including attorneys' fees, expended or incurred in connection therewith; provided, however, that if more than one item is disputed and the final decision is against each party as to one or more of the disputed items, then such costs, expenses and attorneys' fees shall be apportioned in accordance with the monetary values of the items decided against each party.

8.11 No Waiver; Severability. The failure of any party hereto to enforce at any time any of the provisions of this Agreement shall in no way be construed to be a waiver of any such provision, and shall in no way affect the validity of this Agreement or any part hereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall be held to be a waiver of any other or subsequent breach. If any provision of this Agreement, or the application thereof to any person or circumstances shall, for any reason and to any extent, be invalid or unenforceable, but the extent of the invalidity or unenforceability does not destroy the basis of the bargain between the parties as contained herein, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby but rather shall be enforced to the greatest extent permitted by law.

8.12 No Joint and Several Liability. If one of the Target REITs defaults under, or is in breach of, any of its representations, warranties or covenants contained in this Agreement, such Target REIT shall be accountable to the Company and shall be liable for the damages caused by such default or breach to the extent provided in Section 7.2 hereof. Each Target REIT hereunder has undertaken obligations and made representations, warranties, disclosures and covenants herein and in and pursuant to the exhibits hereto solely with respect to itself and the Property owned by it. Nothing contained herein, however, is intended to make any of the Target REITs jointly and severally liable for the default or breach by any of the other Target REITs, and with respect to any such default and breach such shall be solely the obligation and responsibility of the Target REIT responsible for the default or breach, and no Target REIT shall be liable to any other Target REIT hereunder.

8.13 Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware.

Exhibit C

Each Target REIT hereby makes the representations set forth below, which such Target REIT understands will be relied upon by Wilmer Cutler Pickering Hale and Dorr LLP in rendering a legal opinion with respect to the discussion set forth under "Material United States Federal Income Tax Considerations" in the Consent Solicitation/Prospectus. Notwithstanding anything to the contrary that may be expressed or implied herein, each Target REIT makes no representations regarding any matter for any periods commencing on or after the Effective Time (as defined in the Agreement). Each Target REIT has made or has caused to be made such investigations as are necessary to certify the accuracy of the information set forth herein. To the extent the representations and statements in this letter involve matters of law, each Target REIT acknowledges that Gehrke, Gish & Umana LLP and Wilmer Cutler Pickering Hale and Dorr LLP has reviewed such matters with it.

1. The Target REIT has operated in accordance with (a) the Certificate of Incorporation of the Target REIT, as amended through the date hereof (the "Certificate of Incorporation"), (b) the By-Laws of the Target REIT as amended through the date hereof, (c) the applicable state law under which the Target REIT is organized, and (d) the representations in this Exhibit.
2. The Target REIT is not a bank (within the meaning of Section 581 of the Internal Revenue Code of 1986, as amended (the "Code")), financial institution (described in Section 591 of the Code), small business investment company operating under the Small Business Act of 1958, business development corporation (within the meaning of Section 582(c)(2)(B) of the Code) or insurance company (subject to Subchapter L of Subtitle A, Chapter 1 of the Code).
3. The Target REIT's taxable year for federal income tax purposes is the calendar year. The Target REIT made the election specified in Section 856(c) of the Code to be a real estate investment trust ("REIT") under the Code, effective for its first taxable year. The Target REIT's election to be taxed as a REIT has not been revoked or terminated.
4. For each taxable year after its first taxable year, (A) the beneficial ownership of the Target REIT has been held by 100 or more persons for at least 335 days for a taxable year of 12 months (or during a proportionate part of a taxable year of less than 12 months), and (B) at no time during the last half of such taxable year has more than 50% in value of the Target REIT's outstanding stock been owned, directly or indirectly (taking into account the constructive ownership rules applicable under Section 542 of the Code as modified by Section 856(h) of the Code) by or for five or fewer individuals. Compliance with the 100 person test set forth in (A) above shall be determined in accordance with the Investment Company Act of 1940 by disregarding the ownership of shares by any person who (i) acquired such shares as a gift or bequest pursuant to a legal separation or divorce; (ii) is the estate of any person making such transfer to the

A-32

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

estate; or (iii) is a company established exclusively for the benefit of (or wholly owned by) either the person making such transfer or a person described in (i) or (ii).

5. The Target REIT at all times has been managed by one or more trustees or directors, and the beneficial ownership in the Target REIT has been evidenced by transferable shares.
6. With the exception of the restrictions imposed on the transfers of the Target REIT capital stock under the Certificate of Incorporation, there are no restrictions on the transfer of the Target REIT's capital stock, other than restrictions imposed by applicable securities law.
7. At least 75% of the gross income of the Target REIT for each of its taxable years consisted of amounts from the following sources:

(A) Rents from real property.

(i) Rents from real property shall include the following:

(a) Rents from interests in real property;

(b) Rent attributable to personal property leased under, or in connection with, a lease of real property, but only if the rent attributable to such personal property for the taxable year does not exceed 15% of the total rent received for the real and personal property under the lease (determined by the ratio of the average of the "adjusted bases" of the personal property subject to the lease at the beginning and end of the year to the average of the total "adjusted bases" of all property subject to the lease at the beginning and end of the year); and

(c) Charges for services customarily furnished or rendered in connection with the rental of real property, whether or not separately stated.

(ii) Rents from real property shall exclude the following:

(a) Amounts received or accrued for, or in connection with, the use of real property (or deemed to be for use of real property under Code Section 856(d)), the determination of which depends in whole or in part on the income or profits derived by any person from such property (except such amounts as may be based on a fixed percentage or percentages of receipts or sales if such rental provisions conform with normal business practice and are not used as a means to allow the Target REIT to receive rents that depend in whole or in part on the income or profits derived by any person from the property);

(b) Amounts received or accrued from any person in which the Target REIT owns (A) in the case of a corporation, 10% or more of the

A-33

combined voting power of all classes of stock entitled to vote (and for taxable years beginning after December 31, 2000, 10% or more of the total value of shares of all classes of stock), or (B) in the case of an entity other than a corporation, an interest of 10% or more in the assets or net profits of such entity. For purposes of this paragraph, ownership will be determined by taking into account the attribution rules of Code Section 318 (as modified by Code Section 856(d)(5));

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

(c) Any "impermissible tenant service income." For this purpose, "impermissible tenant service income" generally shall include all income received from a tenant if the Target REIT (directly or indirectly) provides services to the tenant that (i) are not customarily rendered in connection with the rental of space for occupancy only and (ii) are rendered primarily for the convenience of the tenant; provided, however, that if the greater of (X) the income derived from all such services to the tenant or (Y) 150% of the cost of providing such services to the tenant is less than 1% of the income received by the Target REIT with respect to the property in which the tenant leased space, only such greater amount shall be treated as impermissible tenant service income; and provided further, however, that no income from the tenant shall be treated as impermissible tenant service income if the impermissible services are performed by an "independent contractor" within the meaning of Section 856(d)(3) of the Code from whom the Target REIT derives no income.

(B) Interest received or accrued that is attributable to obligations held by the Target REIT that are secured by mortgages on real property or on interests in real property;

(C) Gain realized upon the sale of real property (other than assets or portions thereof considered to be stock in trade, included in inventory or held for sale to customers in the ordinary course of a trade or business ("Dealer Property"));

(D) Dividends and gain from the sale or other disposition of transferable interests in other real estate investment trusts other than interests that were Dealer Property;

(E) Abatements and refunds of real property taxes;

(F) Income and gain derived from "foreclosure property" (as defined in Section 856(e) of the Code);

(G) Amounts (other than amounts the determination of which depends in whole or in part on the income or profits of any other person) received or accrued as consideration for entering into agreements (X) to make loans secured by mortgages on real property or on interests in real property or (Y) to purchase or lease real property;

A-34

(H) Gain from the sale or other disposition of real estate assets that are Dealer Properties but which dispositions are excluded from "prohibited transactions" as a result of Section 857(b)(6) (exempting certain sales of real estate assets if held for at least four years); and

(I) "Qualified temporary investment income" as defined in Section 856(c)(5)(D) of the Code.

8. At least 95% of the gross income of the Target REIT for each of its taxable years consisted of amounts from the following sources:

(A) Income specified in Sections 7(A) through (I) hereof;

(B) Dividends;

(C) Interest; and

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

(D) Gain from the sale or other disposition of stock and securities other than Dealer Property.

9. The Target REIT was incorporated in a taxable year beginning after August 5, 1997.

10. During each of the Target REIT's taxable years, at least 75% of the total value of the assets of the Target REIT has consisted of the following types of assets:

(A) Land;

(B) Buildings, including wiring, plumbing systems, elevators, escalators, and other structural components thereof, but not including any personal property associated with such real property (such as furnishings, appliances, draperies, equipment, machinery, etc.);

(C) Loans (including accrued interest thereon) directly secured by a mortgage on real property of the type described in paragraphs (A) or (B) above;

(D) Cash and cash items, including cash on hand, time and demand deposits with financial institutions, and receivables arising in the ordinary course of the Target REIT's operations (other than those purchased from another person) but excluding bankers' acceptances, repurchase agreements, and other similar instruments;

(E) Securities (including accrued interest thereon) issued or guaranteed by the United States or by a person controlled or supervised by and acting as an instrumentality of the United States, pursuant to any authority granted by Congress, or any certificates of deposit for any of the foregoing; and

A-35

(F) Equity interests in corporations which have made qualifying elections to be taxed as real estate investment trusts under Sections 856 through 860 of the Code and continue to satisfy the requirements for such treatment.

11. The Target REIT has not owned and will not own securities in any issuer (other than a REIT or a "qualified REIT subsidiary" within the meaning of Section 856(i) of the Code) that either (A) represent in excess of 10% of the (i) voting power of the outstanding securities, or (ii) value of the outstanding securities, of such issuer or (B) have an aggregate value in excess of 5% of the value of the total assets of the Target REIT.

12. For each of its taxable years, the Target REIT distributed to its shareholders at such times and in such manner as required by Code Sections 858, 561 and 563 at least 90% of its ordinary REIT taxable income (as defined in Section 857(b) of the Code, excluding any net capital gain) for such taxable year.

13. The Target REIT does not have and has not had at the close of any taxable year any undistributed "C corporation" earnings and profits.

14. The Target REIT has not made any distributions to its shareholders with respect to its capital stock unless such distribution was pro-rata, with no preference to any stock of a particular class as compared with other

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

stock of the same class, and it has not made any distributions that gave a preference to one class of stock as compared with another class except to the extent that the former is entitled (without reference to waivers of their rights by shareholders) to such preference.

15. Except as set forth on Schedule 1 attached hereto, the Target REIT has never owned any interest in any subsidiary, corporation, partnership, limited liability company or other entity.
16. To the best of the Target REIT's knowledge, as a result of the Merger the Company will not directly or indirectly own 10% or more of any tenant from which the Target REIT collects rent.
17. To the best of the Target REIT's knowledge, as a result of the Merger the Company will not own (i) more than 10% of the voting power of the outstanding securities of any issuer, or (ii) more than 10% of the value of the outstanding securities of any issuer.
18. To the best of the Target REIT's knowledge, any person who performs services for tenants on behalf of the Target REIT and who is an "independent contractor" within the meaning of Section 856(d)(3) of the Code with respect to the Target REIT will be an "independent contractor" with respect to the Company following the Merger.
19. Attached hereto as Schedule 2 is a list of all of the shareholders of the Target REIT.

A-36

20. Attached hereto as Schedule 3 is a list of all securities held by the Target REIT.
21. The Target REIT is not involved in, nor is it aware of, any proceeding, dispute, audit or other undertaking, the outcome of which could cause any of the foregoing representations to be incorrect in whole or in part, either retroactively or prospectively.

Gentlemen:

You have requested our opinion as to the fairness, from a financial point of view, to the preferred stockholders (the "Target Stockholders") of FSP Montague

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Business Center Corp. (the "Target REIT") of the aggregate consideration the Target Stockholders are to receive from Franklin Street Properties Corp. ("FSP") in exchange for FSP's acquisition of the Target REIT (the "Transaction"). We understand that, pursuant to a Merger Agreement (the "Agreement") to be entered into by and among Franklin Street Properties Corp., Addison Circle Acquisition Corp., Collins Crossing Acquisition Corp., Montague Acquisition Corp., Royal Ridge Acquisition Corp., FSP Addison Circle Corp., FSP Collins Crossing Corp., FSP Montague Business Center Corp. and FSP Royal Ridge Corp., the Transaction will be effected by the merger of Target REIT into a subsidiary of FSP, as a result of which the outstanding shares of preferred stock of the Target REIT held by Target Stockholders will be converted into the right to receive 1,886,791 shares of common stock of FSP and \$3,799.30 in cash (the "Consideration").

A.G. Edwards & Sons, Inc. ("A.G. Edwards"), as part of its investment banking business, is regularly engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for estate, corporate or other purposes. Additionally, from time to time, A.G. Edwards has provided services to FSP, including valuation and investment banking services. A.G. Edwards may in the future provide valuation, investment banking and financial advisory services to FSP and its affiliates for which we would expect to receive compensation. A.G. Edwards is a full-service securities firm engaged, either directly or through its affiliates, in securities trading, investment management, financial planning and benefits counseling, financing and brokerage activities for both companies and individuals. In the ordinary course of business, A.G. Edwards and its affiliates may actively trade the securities of FSP for their own account or for the accounts of their customers and, accordingly, may at any time hold long or short positions of such securities. However, A.G. Edwards is not aware of any present or contemplated relationship between A.G. Edwards and FSP or any of FSP's affiliates, directors, officers or stockholders or between A.G. Edwards and the Target REIT, its affiliates, directors, officers or stockholders, that in our opinion would affect our ability to render a fair and independent opinion in this matter.

C-1-1

Board of Directors
August 11, 2004
Page 2

A.G. Edwards acted as a financial advisor to the Special Committee of the Board of Directors of the Target REIT (the "Special Committee") with respect to the Transaction and has or will receive a fee from the Target REIT for its services, including the delivery of this fairness opinion, pursuant to the terms of its engagement letter with Target REIT dated July 22, 2004. The Target REIT has agreed to indemnify A.G. Edwards for certain liabilities that may arise out of the rendering of this opinion and any related activities as financial advisor to the Target REIT and members of the Target REIT Board of Directors.

In connection with this opinion, A.G. Edwards has reviewed and considered such financial and other matters as we have deemed relevant, including, among other things:

- i.) a review of the draft of the Agreement, dated August 9, 2004 and discussions about the Agreement with the Target REIT's management and Gehrke, Gish & Umana LLP ("Gehrke, Gish & Umana"), legal counsel to the Target REIT and the Target REIT's Board of

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Directors;

- ii.) discussions with the Target REIT's and FSP's managements regarding the past and current business operations, financial condition and future prospects of the Target REITs and FSP, including the impact of the Transaction (if any), as well as information relating to the industries in which the Target REITs and FSP operate;
- iii.) a review of certain audited and unaudited historical and interim financial and operating statements and certain financial analyses and forecasts for FSP prepared by FSP's management and reviewed with the Special Committee, the views of FSP's management regarding the past, current and future business operations of FSP, the historical results thereof and the financial condition and future prospects related to FSP, including the impact of the Transaction (if any);
- iv.) an appraisal of the property of the Target REIT dated July 14, 2004 prepared by a professional real estate valuation firm, which you have advised us has real estate valuation expertise in the local market for such property, which appraisal included, among other things, analyses that valued the Target REIT's business prospects based on a study of the current marketplace and business fundamentals (the "Appraisal") and our discussions with such professional real estate valuation firm;
- v.) a review of certain other data, materials and reports pertaining to FSP provided to us in our due diligence process;
- vi.) a review of certain audited historical financial statements for the Target REIT prepared by the Target REIT's management;
- vii.) a general review of the current market environment as well as information relating to the industries and the segments in which the Target REIT and FSP operate;

- viii.) a review of market data for equity securities of public companies in the same or similar lines of business as those of FSP;
- ix.) a review of the financial terms of certain acquisitions that A.G. Edwards deems relevant for analytical purposes;
- x.) a review of the implied valuation range of FSP's business based on the discounted present values of its projected cash flows both including and excluding expected synergies (as estimated by the FSP's management);
- xi.) conversations with the Special Committee, selected members of the Target REIT's management and attorneys from Gehrke, Gish & Umana regarding the nature and development of the terms of the Transaction;
- xii.) discussions with FSP's management regarding the expected financing

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

structure of the Transaction and FSP's target capital structure;
and

- xiii.) a review of such other information, financial studies, analyses, investigations and financial, economic and market criteria that A.G. Edwards considers necessary or advisable.

In preparing its opinion, A.G. Edwards has assumed and relied upon, without independent verification, the accuracy and completeness of all financial and other information publicly available, furnished to, or otherwise discussed with A.G. Edwards including financial statements and financial projections, as provided by the management and/or representatives of FSP and the Target REIT. With respect to financial information, financial projections and other information provided to or otherwise discussed with A.G. Edwards, A.G. Edwards has assumed and was advised by the management of the FSP and the Target REIT, that such financial information, projections and other information were reasonably prepared on a basis that reflects the best currently available estimates and judgments of the management of FSP and the Target REIT, as to the historical financial performance and the expected future financial performance of FSP and the Target REIT, respectively, on a stand-alone basis and after giving effect to the Transaction. A.G. Edwards was not engaged to, and therefore did not, independently verify the accuracy or completeness of any of such information, nor does it express any opinion with respect thereto. A.G. Edwards has relied upon the assurances of the management of FSP and the Target REIT that they are not aware of any facts that would make such information materially inaccurate or misleading. A.G. Edwards performed no audit of assets or liabilities and no appraisal of assets or liabilities of FSP or the Target REIT, and has assumed the accuracy and completeness of the Appraisal. A.G. Edwards also did not independently attempt to assess or value any of the intangible assets of FSP or the Target REIT (including goodwill) nor did it make any independent assumptions with respect to the application of intangible assets in the Transaction. A.G. Edwards is not expressing any opinion as to what the value of FSP common stock will be when issued to Target Stockholders pursuant to the

C-1-3

Board of Directors
August 11, 2004
Page 4

Transaction or the prices at which shares of FSP common stock will trade at any time. A.G. Edwards has assumed that no legal or regulatory changes that occur after the date hereof will have a material impact on the respective operations, financial condition or future prospects of FSP or the Target REIT.

With your permission, A.G. Edwards has not attempted to value the Target REIT and, instead, has assumed that the value of the Target REIT is equal to the sum of the value of the Target REIT's property, as reflected in the Appraisal, plus the Target REIT's cash reserves. We have made this assumption and not made an independent valuation of the Target REIT because the value of an entity with one asset consisting of real property at a single location, such as the Target REIT, is not determined by standard financial models used to value businesses in general but, instead, determined by the value of the property owned by the entity. The value of that property is, in turn, determined by local real estate, economic and governmental factors such as commercial lease rates in the area of the property, the values of nearby commercial properties, economic prosperity in the area and applicable zoning laws, all of which are more appropriately assessed by a professional real estate appraiser who is an expert in assessing these local factors.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

In performing its analyses, A.G. Edwards made numerous assumptions with respect to the real estate industry and general business and economic conditions that are beyond the control of those managing and operating FSP or the Target REIT. The analyses performed by A.G. Edwards are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than suggested by such analyses.

For the purposes of rendering its opinion, A.G. Edwards has assumed in all respects material to its analyses that the representations and warranties of each party to be contained in the Agreement will be true and correct, that each party will perform all of the covenants and agreements required to be performed by it under the Agreement and that all conditions to the consummation of the Transaction will be satisfied without any modification or waiver thereof. A.G. Edwards has also assumed that all governmental, regulatory and other consents and approvals contemplated by the Agreement will be obtained and that in the course of obtaining any of those consents, no restrictions will be imposed or waivers made that would have an adverse effect on the contemplated Transaction. Additionally, A.G. Edwards assumed that the Transaction will be accounted for in accordance with U.S. Generally Accepted Accounting Principles.

A.G. Edwards was not engaged to and did not review, nor is it expressing any opinion with respect to, any alternative transaction or strategic alternatives that may be available to the Target REITs or the Target Stockholders. A.G. Edwards is not expressing any opinion as to what the value of the Target REIT's preferred stock has been or will be. A.G. Edwards' opinion also does not address the merits of the underlying decision by FSP or the Target REITs to engage in the Transaction. Further, A.G. Edwards was not engaged to, and did not, independently assess the tax and accounting implications to the Target REIT or the Target Stockholders, and A.G. Edwards relied on management's assessment thereof. A.G. Edwards understands that with respect to all legal matters

C-1-4

Board of Directors
August 11, 2004
Page 5

pertaining to the Target REIT and its Board of Directors and their review of the Agreement, you have been advised by legal counsel.

A.G. Edwards' opinion is necessarily based on economic, market, financial and other conditions and circumstances as in effect on, and the information made available to it, as of the date hereof. A.G. Edwards' opinion as expressed herein, in any event, is limited to the fairness, from a financial point of view, as of the date hereof, to the Target Stockholders, of the Consideration they are to receive from FSP pursuant to the Agreement. It should be understood that subsequent developments may affect A.G. Edwards' opinion, and A.G. Edwards does not have any obligation to update, revise or reaffirm its opinion and it expressly disclaims any responsibility to do so.

It is understood that this letter is solely for the confidential use of the Target REIT's Board of Directors and does not constitute a recommendation as to how any director should vote with respect to the Transaction, and such opinion does not represent a recommendation as to how any Target Stockholder should vote with respect to the Transaction. This opinion may not be reproduced, summarized, described, characterized, excerpted from, referred to or given to any other person for any purpose without A.G. Edwards' prior written consent.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Based upon and subject to the foregoing, and based upon such other matters as we consider relevant, it is A.G. Edwards' opinion that, as of the date hereof, the Consideration to be received by the Target Stockholders from FSP pursuant to the Agreement is fair, from a financial point of view, to the Target Stockholders.

Very truly yours,
A.G. EDWARDS & SONS, INC.

Gentlemen:

You have requested our opinion as to the fairness, from a financial point of view, to the preferred stockholders (the "Target Stockholders") of FSP Addison Circle Corp. (the "Target REIT") of the aggregate consideration the Target Stockholders are to receive from Franklin Street Properties Corp. ("FSP") in exchange for FSP's acquisition of the Target REIT (the "Transaction"). We understand that, pursuant to a Merger Agreement (the "Agreement") to be entered into by and among Franklin Street Properties Corp., Addison Circle Acquisition Corp., Collins Crossing Acquisition Corp., Montague Acquisition Corp., Royal Ridge Acquisition Corp., FSP Addison Circle Corp., FSP Collins Crossing Corp., FSP Montague Business Center Corp. and FSP Royal Ridge Corp., the Transaction will be effected by the merger of Target REIT into a subsidiary of FSP, as a result of which the outstanding shares of preferred stock of the Target REIT held by Target Stockholders will be converted into the right to receive 3,783,206 shares of common stock of FSP and \$2,667.80 in cash (the "Consideration").

A.G. Edwards & Sons, Inc. ("A.G. Edwards"), as part of its investment banking business, is regularly engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for estate, corporate or other purposes. Additionally, from time to time, A.G. Edwards has provided services to FSP, including valuation and investment banking services. A.G. A.G. Edwards acted as a financial advisor to the Special Committee of the Board of Directors of the Target REIT (the "Special Committee") with respect to the Transaction and has or will receive a fee from the Target REIT for its services, including the delivery of this fairness opinion, pursuant to the terms of its engagement letter with Target REIT dated July 22, 2004. The Target REIT has agreed to indemnify A.G. Edwards for certain liabilities that may arise out of the rendering of this opinion and any related activities as financial advisor to the Target REIT and members of the Target REIT Board of Directors.

In connection with this opinion, A.G. Edwards has reviewed and considered such financial and other matters as we have deemed relevant, including, among other things:

- i.) a review of the draft of the Agreement, dated August 9, 2004 and discussions about the Agreement with the Target REIT's management and Gehrke, Gish & Umana LLP ("Gehrke, Gish & Umana"), legal counsel to the Target REIT and the Target REIT's Board of Directors;

- viii.) a review of market data for equity securities of public companies in the same or similar lines of business as those of FSP;
- ix.) a review of the financial terms of certain acquisitions that A.G. Edwards deems relevant for analytical purposes;
- x.) a review of the implied valuation range of FSP's business based on the discounted present values of its projected cash flows both including and excluding expected synergies (as estimated by the FSP's management);
- xi.) conversations with the Special Committee, selected members of the Target REIT's management and attorneys from Gehrke, Gish & Umana regarding the nature and development of the terms of the Transaction;
- xii.) discussions with FSP's management regarding the expected financing structure of the Transaction and FSP's target capital structure; and
- xiii.) a review of such other information, financial studies, analyses, investigations and financial, economic and market criteria that A.G. Edwards considers necessary or advisable.

In preparing its opinion, A.G. Edwards has assumed and relied upon, without independent verification, the accuracy and completeness of all financial and other information publicly available, furnished to, or otherwise discussed with A.G. Edwards including financial statements and financial projections, as provided by the management and/or representatives of FSP and the Target REIT. With respect to financial information, financial projections and other information provided to or otherwise discussed with A.G. Edwards, A.G. Edwards has assumed and was advised by the management of the FSP and the Target REIT, that such financial information, projections and other information were reasonably prepared on a basis that reflects the best currently available estimates and judgments of the management of FSP and the Target REIT, as to the historical financial performance and the expected future financial performance of FSP and the Target REIT, respectively, on a stand-alone basis and after giving effect to the Transaction. A.G. Edwards was not engaged to, and therefore did not, independently verify the accuracy or completeness of any of such information, nor does it express any opinion with respect thereto. A.G. Edwards has relied upon the assurances of the management of FSP and the Target REIT that they are not aware of any facts that would make such information materially inaccurate or misleading. A.G. Edwards performed no audit of assets or liabilities and no appraisal of assets or liabilities of FSP or the Target REIT, and has assumed the accuracy and completeness of the Appraisal. A.G. Edwards also did not independently attempt to assess or value any of the intangible assets of FSP or the Target REIT (including goodwill) nor did it make any

independent assumptions with respect to the application of intangible assets in the Transaction. A.G. Edwards is not expressing any opinion as to what the value of FSP common stock will be when issued to Target Stockholders pursuant to the

Transaction or the prices at which shares of FSP common stock will trade at any time. A.G. Edwards has assumed that no legal or regulatory changes that occur after the date hereof will have a material impact on the respective operations, financial condition or future prospects of FSP or the Target REIT.

With your permission, A.G. Edwards has not attempted to value the Target REIT and, instead, has assumed that the value of the Target REIT is equal to the sum of the value of the Target REIT's property, as reflected in the Appraisal, plus the Target REIT's cash reserves. We have made this assumption and not made an independent valuation of the Target REIT because the value of an entity with one asset consisting of real property at a single location, such as the Target REIT, is not determined by standard financial models used to value businesses in general but, instead, determined by the value of the property owned by the entity. The value of that property is, in turn, determined by local real estate, economic and governmental factors such as commercial lease rates in the area of the property, the values of nearby commercial properties, economic prosperity in the area and applicable zoning laws, all of which are more appropriately assessed by a professional real estate appraiser who is an expert in assessing these local factors.

In performing its analyses, A.G. Edwards made numerous assumptions with respect to the real estate industry and general business and economic conditions that are beyond the control of those managing and operating FSP or the Target REIT. The analyses performed by A.G. Edwards are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than suggested by such analyses.

For the purposes of rendering its opinion, A.G. Edwards has assumed in all respects material to its analyses that the representations and warranties of each party to be contained in the Agreement will be true and correct, that each party will perform all of the covenants and agreements required to be performed by it under the Agreement and that all conditions to the consummation of the Transaction will be satisfied without any modification or waiver thereof. A.G. Edwards has also assumed that all governmental, regulatory and other consents and approvals contemplated by the Agreement will be obtained and that in the course of obtaining any of those consents, no restrictions will be imposed or waivers made that would have an adverse effect on the contemplated Transaction. Additionally, A.G. Edwards assumed that the Transaction will be accounted for in accordance with U.S. Generally Accepted Accounting Principles.

A.G. Edwards was not engaged to and did not review, nor is it expressing any opinion with respect to, any alternative transaction or strategic alternatives that may be available to the Target REITs or the Target Stockholders. A.G. Edwards is not expressing any opinion as to what the value of the Target REIT's preferred stock has been or will be. A.G. Edwards' opinion also does not address the merits of the underlying decision by FSP or the Target REITs to engage in the Transaction. Further, A.G. Edwards was not engaged to, and did not, independently assess the tax and accounting implications to the Target REIT or the Target Stockholders, and A.G. Edwards relied on management's assessment

thereof. A.G. Edwards understands that with respect to all legal matters

pertaining to the Target REIT and its Board of Directors and their review of the Agreement, you have been advised by legal counsel.

A.G. Edwards' opinion is necessarily based on economic, market, financial and other conditions and circumstances as in effect on, and the information made available to it, as of the date hereof. A.G. Edwards' opinion as expressed herein, in any event, is limited to the fairness, from a financial point of view, as of the date hereof, to the Target Stockholders, of the Consideration they are to receive from FSP pursuant to the Agreement. It should be understood that subsequent developments may affect A.G. Edwards' opinion, and A.G. Edwards does not have any obligation to update, revise or reaffirm its opinion and it expressly disclaims any responsibility to do so.

It is understood that this letter is solely for the confidential use of the Target REIT's Board of Directors and does not constitute a recommendation as to how any director should vote with respect to the Transaction, and such opinion does not represent a recommendation as to how any Target Stockholder should vote with respect to the Transaction. This opinion may not be reproduced, summarized, described, characterized, excerpted from, referred to or given to any other person for any purpose without A.G. Edwards' prior written consent.

Based upon and subject to the foregoing, and based upon such other matters as we consider relevant, it is A.G. Edwards' opinion that, as of the date hereof, the Consideration to be received by the Target Stockholders from FSP pursuant to the Agreement is fair, from a financial point of view, to the Target Stockholders.

Gentlemen:

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

You have requested our opinion as to the fairness, from a financial point of view, to the preferred stockholders (the "Target Stockholders") of FSP Royal Ridge Corp. (the "Target REIT") of the aggregate consideration the Target Stockholders are to receive from Franklin Street Properties Corp. ("FSP") in exchange for FSP's acquisition of the Target REIT (the "Transaction"). We understand that, pursuant to a Merger Agreement (the "Agreement") to be entered into by and among Franklin Street Properties Corp., Addison Circle Acquisition Corp., Collins Crossing Acquisition Corp., Montague Business Center Corp., Royal Ridge Acquisition Corp., FSP Addison Circle Corp., FSP Collins Crossing Corp., FSP Montague Acquisition Corp. and FSP Royal Ridge Corp., the Transaction will be effected by the merger of Target REIT into a subsidiary of FSP, as a result of which the outstanding shares of preferred stock of the Target REIT held by Target Stockholders will be converted into the right to receive 1,801,389 shares of common stock of FSP and \$3,707.70 in cash (the "Consideration").

A.G. Edwards & Sons, Inc. ("A.G. Edwards"), as part of its investment banking business, is regularly engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for estate, corporate or other purposes. Additionally, from time to time, A.G. Edwards has provided services to FSP, including valuation and investment banking services. A.G. Edwards may in the future provide valuation, investment banking and financial advisory services to FSP and its affiliates for which we would expect to receive compensation. A.G. Edwards is a full-service securities firm engaged, either directly or through its affiliates, in securities trading, investment management, financial planning and benefits counseling, financing and brokerage activities for both companies and individuals. In the ordinary course of business, A.G. Edwards and its affiliates may actively trade the securities of FSP for their own account or for the accounts of their customers and, accordingly, may at any time hold long or short positions of such securities. However, A.G. Edwards is not aware of any present or contemplated relationship between A.G. Edwards and FSP or any of FSP's affiliates, directors, officers or stockholders or between A.G. Edwards and the Target REIT, its affiliates, directors, officers or stockholders, that in our opinion would affect our ability to render a fair and independent opinion in this matter.

A.G. Edwards acted as a financial advisor to the Special Committee of the Board of Directors of the Target REIT (the "Special Committee") with respect to the Transaction and has or will receive a fee from the Target REIT for its services, including the delivery of this fairness opinion, pursuant to the terms of its engagement letter with Target REIT dated July 22, 2004. The Target REIT has agreed to indemnify A.G. Edwards for certain liabilities that may arise out of the rendering of this opinion and any related activities as financial advisor to the Target REIT and members of the Target REIT Board of Directors.

In connection with this opinion, A.G. Edwards has reviewed and considered such financial and other matters as we have deemed relevant, including, among other things:

- i.) a review of the draft of the Agreement, dated August 9, 2004 and discussions about the Agreement with the Target REIT's management

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

and Gehrke, Gish & Umana LLP ("Gehrke, Gish & Umana"), legal counsel to the Target REIT and the Target REIT's Board of Directors;

- ii.) discussions with the Target REIT's and FSP's managements regarding the past and current business operations, financial condition and future prospects of the Target REITs and FSP, including the impact of the Transaction (if any), as well as information relating to the industries in which the Target REITs and FSP operate;
- iii.) a review of certain audited and unaudited historical and interim financial and operating statements and certain financial analyses and forecasts for FSP prepared by FSP's management and reviewed with the Special Committee, the views of FSP's management regarding the past, current and future business operations of FSP, the historical results thereof and the financial condition and future prospects related to FSP, including the impact of the Transaction (if any);
- iv.) an appraisal of the property of the Target REIT dated July 13, 2004 prepared by a professional real estate valuation firm, which you have advised us has real estate valuation expertise in the local market for such property, which appraisal included, among other things, analyses that valued the Target REIT's business prospects based on a study of the current marketplace and business fundamentals (the "Appraisal") and our discussions with such professional real estate valuation firm;
- v.) a review of certain other data, materials and reports pertaining to FSP provided to us in our due diligence process;
- vi.) a review of certain audited historical financial statements for the Target REIT prepared by the Target REIT's management;
- vii.) a general review of the current market environment as well as information relating to the industries and the segments in which the Target REIT and FSP operate;

- viii.) a review of market data for equity securities of public companies in the same or similar lines of business as those of FSP;
- ix.) a review of the financial terms of certain acquisitions that A.G. Edwards deems relevant for analytical purposes;
- x.) a review of the implied valuation range of FSP's business based on the discounted present values of its projected cash flows both including and excluding expected synergies (as estimated by the FSP's management);
- xi.) conversations with the Special Committee, selected members of the Target REIT's management and attorneys from Gehrke, Gish & Umana regarding the nature and development of the terms of the Transaction;

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

- xii.) discussions with FSP's management regarding the expected financing structure of the Transaction and FSP's target capital structure; and
- xiii.) a review of such other information, financial studies, analyses, investigations and financial, economic and market criteria that A.G. Edwards considers necessary or advisable.

In preparing its opinion, A.G. Edwards has assumed and relied upon, without independent verification, the accuracy and completeness of all financial and other information publicly available, furnished to, or otherwise discussed with A.G. Edwards including financial statements and financial projections, as provided by the management and/or representatives of FSP and the Target REIT. With respect to financial information, financial projections and other information provided to or otherwise discussed with A.G. Edwards, A.G. Edwards has assumed and was advised by the management of the FSP and the Target REIT, that such financial information, projections and other information were reasonably prepared on a basis that reflects the best currently available estimates and judgments of the management of FSP and the Target REIT, as to the historical financial performance and the expected future financial performance of FSP and the Target REIT, respectively, on a stand-alone basis and after giving effect to the Transaction. A.G. Edwards was not engaged to, and therefore did not, independently verify the accuracy or completeness of any of such information, nor does it express any opinion with respect thereto. A.G. Edwards has relied upon the assurances of the management of FSP and the Target REIT that they are not aware of any facts that would make such information materially inaccurate or misleading. A.G. Edwards performed no audit of assets or liabilities and no appraisal of assets or liabilities of FSP or the Target REIT, and has assumed the accuracy and completeness of the Appraisal. A.G. Edwards also did not independently attempt to assess or value any of the intangible assets of FSP or the Target REIT (including goodwill) nor did it make any independent assumptions with respect to the application of intangible assets in the Transaction. A.G. Edwards is not expressing any opinion as to what the value of FSP common stock will be when issued to Target Stockholders pursuant to the

Transaction or the prices at which shares of FSP common stock will trade at any time. A.G. Edwards has assumed that no legal or regulatory changes that occur after the date hereof will have a material impact on the respective operations, financial condition or future prospects of FSP or the Target REIT.

With your permission, A.G. Edwards has not attempted to value the Target REIT and, instead, has assumed that the value of the Target REIT is equal to the sum of the value of the Target REIT's property, as reflected in the Appraisal, plus the Target REIT's cash reserves. We have made this assumption and not made an independent valuation of the Target REIT because the value of an entity with one asset consisting of real property at a single location, such as the Target REIT, is not determined by standard financial models used to value businesses in general but, instead, determined by the value of the property owned by the entity. The value of that property is, in turn, determined by local real estate, economic and governmental factors such as commercial lease rates in the area of the property, the values of nearby commercial properties, economic prosperity in the area and applicable zoning laws, all of which are more appropriately

assessed by a professional real estate appraiser who is an expert in assessing these local factors.

In performing its analyses, A.G. Edwards made numerous assumptions with respect to the real estate industry and general business and economic conditions that are beyond the control of those managing and operating FSP or the Target REIT. The analyses performed by A.G. Edwards are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than suggested by such analyses.

For the purposes of rendering its opinion, A.G. Edwards has assumed in all respects material to its analyses that the representations and warranties of each party to be contained in the Agreement will be true and correct, that each party will perform all of the covenants and agreements required to be performed by it under the Agreement and that all conditions to the consummation of the Transaction will be satisfied without any modification or waiver thereof. A.G. Edwards has also assumed that all governmental, regulatory and other consents and approvals contemplated by the Agreement will be obtained and that in the course of obtaining any of those consents, no restrictions will be imposed or waivers made that would have an adverse effect on the contemplated Transaction. Additionally, A.G. Edwards assumed that the Transaction will be accounted for in accordance with U.S. Generally Accepted Accounting Principles.

A.G. Edwards was not engaged to and did not review, nor is it expressing any opinion with respect to, any alternative transaction or strategic alternatives that may be available to the Target REITs or the Target Stockholders. A.G. Edwards is not expressing any opinion as to what the value of the Target REIT's preferred stock has been or will be. A.G. Edwards' opinion also does not address the merits of the underlying decision by FSP or the Target REITs to engage in the Transaction. Further, A.G. Edwards was not engaged to, and did not, independently assess the tax and accounting implications to the Target REIT or the Target Stockholders, and A.G. Edwards relied on management's assessment thereof. A.G. Edwards understands that with respect to all legal matters

pertaining to the Target REIT and its Board of Directors and their review of the Agreement, you have been advised by legal counsel.

A.G. Edwards' opinion is necessarily based on economic, market, financial and other conditions and circumstances as in effect on, and the information made available to it, as of the date hereof. A.G. Edwards' opinion as expressed herein, in any event, is limited to the fairness, from a financial point of view, as of the date hereof, to the Target Stockholders, of the Consideration they are to receive from FSP pursuant to the Agreement. It should be understood that subsequent developments may affect A.G. Edwards' opinion, and A.G. Edwards does not have any obligation to update, revise or reaffirm its opinion and it expressly disclaims any responsibility to do so.

It is understood that this letter is solely for the confidential use of the Target REIT's Board of Directors and does not constitute a recommendation as to how any director should vote with respect to the Transaction, and such opinion does not represent a recommendation as to how any Target Stockholder should vote with respect to the Transaction. This opinion may not be reproduced, summarized, described, characterized, excerpted from, referred to or given to any other

person for any purpose without A.G. Edwards' prior written consent.

Based upon and subject to the foregoing, and based upon such other matters as we consider relevant, it is A.G. Edwards' opinion that, as of the date hereof, the Consideration to be received by the Target Stockholders from FSP pursuant to the Agreement is fair, from a financial point of view, to the Target Stockholders.

Very truly yours,

voted in favor of the merger or consolidation nor consented thereto in writing pursuant to ss. 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a stock corporation and also a member of record of a nonstock corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words and also membership or membership interest of a member of a nonstock corporation; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to ss. 251 (other than a merger effected pursuant to ss. 251(g) of this title), ss. 252, ss. 254, ss. 257, ss. 258, ss. 263 or ss. 264 of this title:

(1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of and to vote at the meeting of stockholders to act upon the agreement of merger or consolidation, were either (i) listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in subsection (f) of ss. 251 of this title.

(2) Notwithstanding paragraph (1) of this subsection, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to ss. 251, 252, 254, 257, 258, 263 and 264 of this title to accept for such stock anything except:

D-1

- a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;
- b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or held of record by more than 2,000 holders;
- c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a. and b. of this paragraph; or

- d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a., b. and c. of this paragraph.
- (3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under ss. 253 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.
- (c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.
- (d) Appraisal rights shall be perfected as follows:
- (1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for such meeting with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) hereof that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or

D-2

consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

- (2) If the merger or consolidation was approved pursuant to ss. 228 or ss. 253 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such

constituent corporation, and shall include in such notice a copy of this section. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

- (e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) hereof and who is otherwise entitled to

D-3

appraisal rights, may file a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

subsection (d) hereof, whichever is later.

- (f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.
- (g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.
- (h) After determining the stockholders entitled to an appraisal, the Court shall appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. In determining the fair rate of interest, the Court may consider all relevant factors, including the rate of interest which the surviving or

D-4

resulting corporation would have had to pay to borrow money during the pendency of the proceeding. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, permit discovery or other pretrial proceedings and may proceed to trial upon the appraisal prior to the final determination of the stockholder entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

- (i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Interest may be simple or compound, as the Court may direct. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

- (j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.
- (k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just.
- (l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.

FRANKLIN STREET PROPERTIES CORP.
ARTICLES OF INCORPORATION

ARTICLE I
INCORPORATOR

The undersigned, Kenneth A. Hoxsie, whose address is c/o Hale and Dorr LLP, 60 State Street, Boston, Massachusetts 02109, being at least eighteen years of age, acting as incorporator, does hereby form a corporation under the General Laws of the State of Maryland.

ARTICLE II
NAME

The name of the corporation (hereinafter, the "Corporation") is

FRANKLIN STREET PROPERTIES CORP.

ARTICLE III
PURPOSES

The purposes for which and any of which the Corporation is formed and the business and objects to be carried on and promoted by it are:

(1) To engage in business as a real estate investment trust, qualifying as such under Sections 856 through 860 of the Internal Revenue Code of 1986, as amended, or any successor statute (the "Code" and any references herein to provisions of the Code shall include the successors to such provisions) and to perform any and all activities and functions in connection therewith or related thereto.

(2) To engage in and perform any other activities or functions which may lawfully be performed by a business corporation organized under the General Laws of the State of Maryland.

The foregoing enumerated purposes and objects shall be in no way limited or restricted by reference to, or inference from, the terms of any other clause of this or any other Article of the Charter of the Corporation, and each shall be regarded as independent; and they are intended to be and shall be construed as powers as well as purposes and objects of the Corporation and shall be in addition to and not in limitation of the general powers of corporations under the General Laws of the State of Maryland.

ARTICLE IV
PRINCIPAL OFFICE IN MARYLAND

The present address of the principal office of the Corporation in the State of Maryland is c/o The Corporation Trust Incorporated, 32 South Street, Baltimore, Maryland 21202. The Corporation may have such other offices or places

E-1

of business within or without the State of Maryland as the Board of Directors of the Corporation may determine.

ARTICLE V
RESIDENT AGENT

The name and address of the resident agent of the Corporation is The Corporation Trust Incorporated, 32 South Street, Baltimore, Maryland 21201. Said resident agent is a Maryland corporation.

ARTICLE VI
SHARES OF CAPITAL STOCK

Section 1. Authorized Shares of Capital Stock

(a) Authorized Shares. The total number of shares of capital stock of all classes that the Corporation has authority to issue is 200,000,000 shares, consisting of

(i) 20,000,000 shares of Preferred Stock, par value \$.0001 per share (the "Preferred Shares"), which may be issued in one or more classes as described in Section 3 of this Article VI; and

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

(ii) 80,000,000 shares of Common Stock, par value \$.0001 per share (the "Common Shares").

Each class of the Preferred Shares and the Common Shares shall each constitute a separate class of capital stock of the Corporation.

(b) Terminology and Aggregate Par Value. The Common Shares and the Preferred Shares are collectively referred to herein as the "Equity Shares." The aggregate par value of all of the Corporation's authorized shares having par value is \$20,000.

(c) Increase or Decrease in Authorized Shares. The Board of Directors of the Corporation may amend these Articles of Incorporation, without any vote or consent of the stockholders, to increase or decrease the aggregate number of Equity Shares or the number of Equity Shares of any class that the Corporation has authority to issue.

Section 2. REIT-Related Restrictions and Limitations on the Equity Shares.

(a) Definitions. As used in this Article VI, the following terms shall have the indicated meanings:

"Acquire" shall mean the acquisition of Beneficial Ownership or Constructive Ownership of Equity Shares by any means, including without limitation a Transfer or the exercise of or right to exercise any rights under any option, warrant, convertible security, pledge or other security interest or similar right to acquire Equity Shares, but shall not include the acquisition of any such rights unless, as a result, the acquiror would be considered a

E-2

Beneficial Owner or Constructive Owner, as defined below. The term "Acquisition" shall have the correlative meaning.

"Beneficial Ownership" shall mean ownership of Equity Shares by a Person who is or would be treated as an owner of such Equity Shares under Section 542(a)(2) of the Code either actually or constructively through the application of Section 544 of the Code, as modified by Section 856(h)(1)(B) of the Code. The terms "Beneficially Own," "Beneficially Owned" and "Beneficial Owner" shall have the correlative meanings.

"Board" shall mean the Board of Directors of the Corporation.

"Business Day" shall mean any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which banking institutions in Boston, Massachusetts are authorized or required by law, regulation or executive order to close.

"Charitable Beneficiary" shall mean one or more beneficiaries of the Trust as determined pursuant to Section 2(e)(vi) of this Article VI.

"Constructive Ownership" shall mean ownership of Equity Shares or any other interest in an entity by a Person who is or would be treated as an owner thereof either actually or constructively through the application of Section 318 of the Code, as modified by Section 856(d)(5) of the Code. The terms "Constructively Own," "Constructively Owned" and "Constructive Owner" shall have the correlative meanings.

"Market Price" shall mean the last reported sales price of the

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Common Shares or Preferred Shares, as the case may be, on the trading day immediately preceding the relevant date as reported on the principal exchange or quotation system over or through which the Common Shares or Preferred Shares, as the case may be, may be traded, or if not then traded over or through any exchange or quotation system, then the fair market value of the Common Shares or Preferred Shares, as the case may be, on the relevant date as determined in good faith by the Board.

"Merger Date" shall mean the effective date of the merger of Franklin Street Partners Limited Partnership with and into the Corporation.

"Ownership Limit" shall mean 9.8% of the number of shares or value (whichever is more restrictive) of the outstanding Equity Shares. The number and value of Equity Shares of the Corporation shall be determined by the Board in good faith, which determination shall be conclusive for all purposes hereof.

"Person" shall mean an individual, corporation, partnership, limited liability company, association, estate, trust (including a trust qualified under Section 401(a) or 501(c)(17) of the Code), a portion of a trust permanently set aside for or to be used exclusively for the purposes described in Section 642(c) of the Code, association, private foundation within the meaning of Section 509(a) of the Code, joint stock company or other entity.

"Purported Beneficial Owner" shall mean, with respect to any Acquisition or Transfer, the Person who would Beneficially Own or Constructively

E-3

Own Equity Shares but for the limitations set forth in Section 2(b)(i) of this Article VI applicable to such Acquisition or Transfer. The Purported Beneficial Owner and the Purported Record Owner may be the same Person.

"Purported Record Owner" shall mean, with respect to any Acquisition or Transfer, the Person who would have been the record holder of the Equity Shares if such Acquisition or Transfer had not violated the provisions of Section 2(b)(i) of this Article VI. The Purported Beneficial Owner and the Purported Record Owner may be the same Person.

"Restriction Termination Date" shall mean the effective date, as specified in a resolution of the Board, that it is no longer in the best interests of the Corporation to attempt to, or continue to, qualify as a REIT or that the restrictions and limitations on Beneficial Ownership, Constructive Ownership or Transfer of Equity Shares set forth in this Section 2 are no longer required in order for the Corporation to qualify as a REIT. If no such effective date is specified in such resolution, the Restriction Termination Date shall be the date on which such resolution is adopted by the Board.

"Transfer" shall mean any issuance, sale, transfer, gift, assignment, devise or other disposition of, or any other event that would cause a Person to Acquire Equity Shares or the right to vote or receive dividends on Equity Shares, including (i) the granting of any option or entering into any agreement for the sale, transfer or other disposition of Equity Shares or the right to vote or receive dividends on Equity Shares, or (ii) the sale, transfer, assignment or other disposition of any securities or rights convertible into or exchangeable for Equity Shares, in each case whether voluntary or involuntary, whether of record or Beneficially Owned or Constructively Owned, and whether by operation of law or otherwise. A Transfer also includes any transfer of interests in other entities, any change in the capital structure of the Corporation and any change in the relationship between two or more Persons, that

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

results in a change in Beneficial Ownership or Constructive Ownership of Equity Shares, whether by operation of law or otherwise. The terms "Transfers" and "Transferred" shall have the correlative meanings.

"Trust" shall mean the trust created pursuant to Section 2(e) (i) of this Article VI.

"Trustee" shall mean the Person that is appointed by the Corporation pursuant to Section 2(e) (i) of this Article VI to serve as trustee of the Trust, and any successor thereto.

(b) Ownership Limitation and Transfer Restrictions with Respect to Equity Shares.

(i) Merger Date and prior to the Restriction Termination Date:

(A) no Person shall Beneficially Own or Constructively Own Equity Shares in excess of the Ownership Limit;

(B) no Person shall Acquire or Transfer Equity Shares to the extent that such Acquisition or Transfer, if effective, would result in the

E-4

outstanding Equity Shares being beneficially owned by fewer than 100 Persons (determined without reference to any rules of attribution); and

(C) no Person shall Acquire or Beneficially Own or constructively Own Equity Shares to the extent such Acquisition, Beneficial Ownership or Constructive Ownership, if effective, would result in the Corporation being "closely held" within the meaning of Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year), or would otherwise result in the Corporation failing to qualify as a REIT (including without limitation Constructive Ownership that would result in the Corporation owning, actually or constructively, an interest in a tenant that is described in Section 856(d) (2) (B) of the Code if the income derived by the Corporation from such tenant would cause the Corporation to fail to satisfy any of the gross income requirements of Section 856(c) of the Code, but not including beneficial ownership of Equity Shares by fewer than 100 Persons, which shall be governed by Section 2(b) (i) (B) above).

(ii) If, after the Merger Date and prior to the Restriction Termination Date:

(A) any Transfer or Acquisition (other than an event described in Section 2(b) (ii) (B) of this Article VI) (whether or not such Transfer or Acquisition is the result of a transaction entered into through the facilities of any national securities exchange or automated inter-dealer quotation system) occurs which, if effective, would result in any Person Beneficially Owning or Constructively Owning Equity Shares in violation of Sections 2(b) (i) (A) or 2(b) (i) (C) of this Article VI, then (1) that number of Equity Shares being Transferred or Acquired that otherwise would cause such Person to violate Sections 2(b) (i) (A) or 2(b) (i) (C) of this Article VI (rounded up to the nearest whole share) shall be automatically transferred to a Trust for the benefit of a Charitable Beneficiary, as described in Section 2(e) (i) of this Article VI, effective as of the close of business on the Business Day prior to the date of such Transfer or Acquisition, and the Purported Beneficial Owner and Purported Record Owner of such Equity Shares shall acquire no rights in such Equity Shares, or (2) if the transfer to the Trust described in clause (1) of this sentence would not be effective for any reason to prevent such Person from

Beneficially Owning or Constructively Owning Equity Shares in violation of Sections 2(b)(i)(A) or 2(b)(i)(C) of this Article VI, then the Acquisition or Transfer of that number of Equity Shares that otherwise would cause such Person to violate Sections 2(b)(i)(A) or 2(b)(i)(C) of this Article VI (rounded up to the nearest whole share) shall be void ab initio and the Purported Beneficial Owner and Purported Record Owner shall acquire no rights in such Equity Shares. The transfer of Equity Shares to the Trust pursuant to clause (1) of the preceding sentence shall occur automatically and without further action of the Corporation, the Trustee or any other Person; or

(B) any Transfer or Acquisition (whether or not such Transfer or Acquisition is the result of a transaction entered into through the facilities of any national securities exchange or automated inter-dealer quotation system) occurs which, if effective, would result in any Person beneficially owning Equity Shares in violation of Section 2(b)(i)(B) of this Article VI, then such Transfer or Acquisition shall be void ab initio, and the Purported Beneficial Owner and the Purported Record Owner of the Equity Shares purportedly subject to such Acquisition or Transfer shall acquire no rights in such Equity Shares.

E-5

(c) The Corporation's Right to Redeem Shares. Except with respect to Equity Shares whose transfer to a Trust has been effected in accordance with Section 2(b)(ii)(A) of this Article VI (which Equity Shares shall be subject to Section 2(e) of this Article VI following such transfer), the Corporation shall have the right, but not the obligation, to redeem any Equity Shares that are Acquired or Transferred, or are attempted to be Acquired or Transferred, in violation of Section 2(b) of this Article VI, at a price per share equal to the lesser of (i) the Market Price per share of the class of Equity Shares that created such violation or attempted violation on the date of such violation or attempted violation (or, in the case of a devise or gift, the Market Price at the time of such devise or gift) and (ii) the Market Price per share of the class of Equity Shares to which such Equity Shares relate on the date the Corporation, or its designee, gives notice of such redemption. The Corporation shall have the right to redeem any Equity Shares described in this Section 2(c) for a period of 90 days after the later of (i) the date of the Acquisition or Transfer or attempted Acquisition or Transfer and (ii) the date the Board determines in good faith that an Acquisition or Transfer or attempted Acquisition or Transfer has occurred, if the Corporation does not receive a notice of such Transfer pursuant to Section 2(d) of this Article VI.

(d) Notice Requirements and General Authority of the Board of Directors to Implement REIT-Related Restrictions and Limitations.

(i) Notice Requirements. After the Merger Date and prior to the Restriction Termination Date:

(A) Any Person who Acquires or Transfers, or attempts or intends to Acquire or Transfer, Equity Shares in violation of Section 2(b)(i) of this Article VI, and any Person who is a Purported Record Owner or a Purported Beneficial Owner of Equity Shares, shall immediately give written notice or, in the event of a proposed, intended or attempted Acquisition or Transfer or other event that would give rise to Beneficial Ownership or Constructive Ownership in violation of Section 2(b)(i) of this Article VI, give at least 15 days' prior written notice to the Corporation of such event, and shall provide to the Corporation such other information as the Corporation may request in order to determine the effect, if any, of such Acquisition or Transfer on the Corporation's status as a REIT;

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

(B) Every Beneficial Owner or Constructive Owner of Equity Shares and each Person (including the stockholder of record) who is holding Equity Shares for a Beneficial Owner or Constructive Owner shall, on demand, provide the Corporation in writing the information regarding their ownership of such Equity Shares that the Corporation may be required to obtain pursuant to regulations (as in effect from time to time) issued by the United States Department of the Treasury under the Code. Each Beneficial Owner or Constructive Owner of Equity Shares and each Person (including the stockholder of record) who is holding Equity Shares for a Beneficial Owner or Constructive Owner shall provide to the Corporation such additional information that the Corporation may request in order to determine the effect, if any, of such Beneficial Ownership or Constructive Ownership on the Corporation's status as a REIT, including compliance with the Ownership Limit; and

(C) Each Person who is a Beneficial Owner or Constructive Owner of Equity Shares and each Person (including the shareholder of record) who is holding Equity Shares for a Beneficial Owner or Constructive

E-6

Owner shall, on demand, provide the Corporation in writing such information that the Corporation may request in order to determine the Corporation's status as a REIT, to comply with the requirements of any taxing authority or governmental agency, or to determine any such compliance.

(ii) Board Authority to Prevent Violation of Section 2(b)(i). If the Board or any duly authorized committee thereof shall at any time determine in good faith that a Transfer or other event has taken place that results in a violation of Section 2(b)(i) of this Article VI or that a Person intends to Acquire, has attempted to Acquire or may Acquire Beneficial Ownership or Constructive Ownership of any Equity Shares in violation of Section 2(b)(i) of this Article VI (whether or not such violation is intended), the Board or a committee thereof shall take such action as it deems advisable to refuse to give effect to or to prevent such Acquisition, Transfer or other event, including, but not limited to, causing the Corporation to redeem Equity Shares, refusing to give effect to such Acquisition, Transfer or other event on the books of the Corporation, or instituting proceedings to enjoin such Acquisition, Transfer or other event; provided, however, that any Transfers or attempted Transfers (or, in the case of an event other than a Transfer, Beneficial Ownership or Constructive Ownership) in violation of Section 2(b)(i) of this Article VI shall automatically result in the transfer to the Trust described above where the conditions to such transfer have been satisfied, and, where applicable, such Transfer (or other event) shall be void ab initio as provided above in Sections 2(b)(ii)(A) and 2(b)(ii)(B) irrespective of any action (or nonaction) by the Board or a committee thereof.

(iii) Each certificate for Equity Shares shall bear substantially the following legends:

"The Corporation is authorized to issue capital stock of more than one class, consisting of Common Shares and one or more classes of Preferred Shares. The Board of Directors is authorized to determine the preferences, limitations and relative rights of any class of Preferred Shares before the issuance of any such Preferred Shares, or any class thereof. The Corporation will furnish, without charge, to any shareholder making a written request therefor, a written statement of the designations, relative rights, preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends, qualifications and terms and conditions of redemption applicable to each class of shares. Requests for such written statement may be directed to the Secretary of

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

the Corporation at the principal office of the Corporation."

"The shares represented by this certificate are subject to restrictions on Beneficial Ownership, Constructive Ownership and Transfer for the purpose of the Corporation's maintenance of its status as a "real estate investment trust" (a "REIT") under the Internal Revenue Code of 1986, as amended, or any successor statute (the "Code"). Subject to certain further restrictions, and except as expressly provided in the Corporation's Charter, (i) no Person may Beneficially Own or Constructively Own shares of the Corporation's Common Shares or Preferred Shares in excess of 9.8% in value or number of shares (whichever is more restrictive) of the outstanding Common Shares or Preferred Shares, respectively, of the Corporation, (ii) no Person may Transfer or Acquire Equity Shares if such Transfer or Acquisition would result in the Corporation being owned by fewer than 100 Persons and (iii) no Person may Beneficially Own or Constructively Own Equity Shares that would result in

E-7

the Corporation being "closely held" under Section 856(h) of the Code or otherwise cause the Corporation to fail to qualify as a REIT. Any Person who Beneficially Owns or Constructively Owns or attempts to Beneficially or Constructively Own Equity Shares which causes or will cause a Person to Beneficially Own or Constructively Own Equity Shares in violation of the above restrictions must immediately notify the Corporation. If some or all of the restrictions on transfer or ownership set forth in clauses (i) or (iii) are violated by a purported Transfer of the Equity Shares represented hereby, the Equity Shares represented hereby will be automatically transferred to a Trustee of a Trust for the benefit of one or more Charitable Beneficiaries. In addition, the Corporation may redeem Equity Shares represented hereby if a purported Transfer violates the restrictions described above. Furthermore, attempted Transfers in violation of the restrictions described above may be void ab initio. A Person who attempts to Beneficially or Constructively Own Equity Shares in violation of the restrictions described above shall have no claim, cause of action or any recourse whatsoever against a transferor of such Equity Shares. All capitalized terms in this legend have the meanings defined in the Charter of the Corporation, as the same may be amended from time to time, a copy of which, including the restrictions on transfer and ownership, will be furnished, without charge, to each holder of Equity Shares who directs a request to the Secretary of the Corporation at the principal office of the Corporation."

(iv) Absent a decision to the contrary by the Board (which the Board may make in its sole and absolute discretion), the Equity Shares to be affected by the remedies set forth in Sections 2(b)(ii) and 2(c) shall be as follows: (1) if a Purported Beneficial Owner would have (but for the remedies set forth in Sections 2(b)(ii) or 2(c), as applicable) Beneficially Owned or Constructively Owned Equity Shares in violation of Section 2(b)(i) as a result of an Acquisition of Equity Shares by such Purported Beneficial Owner, such remedies (as applicable) shall apply first to the Equity Shares that, but for such remedies, would have caused such violation and would have been directly owned by such Purported Beneficial Owner, second to Equity Shares that, but for such remedies, would have caused such violation but which would not have been directly owned by such Purported Beneficial Owner, pro rata among the Persons who actually attempted to Acquire such Equity Shares based upon the relative value of what would have been the Purported Beneficial Owner's Beneficial Ownership or Constructive Ownership interest in the Equity Shares such Person attempted to acquire, third to other Equity Shares that are directly owned by such Purported Beneficial Owner, and fourth to other Equity Shares that are

actually owned by such other Persons whose ownership of shares is attributed to the Purported Beneficial Owner, pro rata among such Persons based upon the relative value of the Purported Beneficial Owner's Beneficial Ownership or Constructive Ownership interest in the Equity Shares so owned; and (2) if a Purported Beneficial Owner would be in violation of Section 2(b)(i) as a result of an event other than an Acquisition of Equity Shares by such Purported Beneficial Owner, the remedies set forth in Sections 2(b)(ii) and 2(c) (as applicable) shall apply first to Equity Shares that are directly owned by such Purported Beneficial Owner and second to Equity Shares that are Beneficially or Constructively Owned (but not directly owned) by such Person, pro rata among the Persons who actually own such Equity Shares based upon the relative value of the Purported Beneficial Owner's Beneficial Ownership or Constructive Ownership interest in the Equity Shares so owned.

E-8

(v) Subject to subparagraph f(iii) below, nothing contained in this Article VI shall limit the authority of the Board to take such other action as it deems necessary or advisable to protect the Corporation and the interests of its stockholders by preserving the Corporation's status as a RETT.

(e) Transfers of Equity Shares in Trust

(i) Ownership in Trust. Upon any purported Transfer or Acquisition described in Section 2(b)(ii) of this Article VI that causes Equity Shares to be transferred to a Trust, such Equity Shares shall be deemed to have been transferred to the Trustee in his or her capacity as trustee of a Trust for the exclusive benefit of one or more Charitable Beneficiaries. Such transfer to the Trustee shall be deemed to be effective as of the close of business on the Business Day prior to the purported Transfer or Acquisition that results in a transfer to the Trust pursuant to Section 2(b)(ii) of this Article VI. The Trustee shall be appointed by the Corporation, and shall be a Person unaffiliated with the Corporation, any Purported Beneficial Owner or any Purported Record Owner. Each Charitable Beneficiary shall be designated by the Corporation as provided in Section 2(e)(vi) of this Article VI. The Corporation shall notify the Trustee of a transfer of Equity Shares to the Trust as soon as practicable following discovery by the Corporation of such transfer.

(ii) Status of Equity Shares Held by the Trustee. Equity Shares held by the Trustee shall be issued and outstanding shares of capital stock of the Corporation. The Purported Beneficial Owner and Purported Record Owner shall have no rights in the Equity Shares held by the Trustee. The Purported Beneficial Owner and Purported Record Owner shall not benefit economically from ownership of any Equity Shares held in trust by the Trust, shall have no rights to dividends or other distributions and shall not possess any rights to vote or other rights attributable to the Equity Shares held in the Trust. The Purported Record Owner and the Purported Beneficial Owner shall surrender to the Trustee any and all certificates representing Equity Shares that have been transferred to the Trust, duly endorsed for transfer to the Trustee.

(iii) Dividend and Voting Rights. The Trustee shall have all voting rights and rights to dividends with respect to Equity Shares held in the Trust, which rights shall be exercised for the exclusive benefit of the Charitable Beneficiary. Any dividend or distribution with respect to such Equity Shares paid to a Purported Beneficial Owner or Purported Record Owner prior to the discovery by the Corporation that the Equity Shares have been transferred to the Trustee shall be deemed to be held by the recipient thereof as agent for the Trustee, and shall be paid to the Trustee upon demand, and any dividend or distribution declared after the date of transfer to the Trustee but unpaid shall

be paid when due to the Trustee. Any dividends or distributions so paid to the Trustee shall be held in trust for the Charitable Beneficiary. The Purported Record Owner and Purported Beneficial Owner shall have no voting rights with respect to Equity Shares held in the Trust and, subject to Maryland law, effective as of the date the Equity Shares have been transferred to the Trustee, the Trustee shall have the authority (at the Trustee's sole discretion) (1) to rescind as void any vote cast by a Purported Record Owner or Purported Beneficial Owner with respect to such Equity Shares prior to the discovery by the Corporation that the Equity Shares have been transferred to the Trustee and (2) to recast such vote in accordance with the desires of the Trustee acting for the benefit of the Charitable Beneficiary; provided, however, that if the Corporation has already taken irreversible corporate action, then the Trustee

E-9

shall not have the authority to rescind and recast such vote. Notwithstanding the provisions of this Article VI, until the Corporation has received notification that Equity Shares have been transferred into a Trust, the Corporation shall be entitled to rely on its share transfer and other stockholder records for purposes of preparing lists of stockholders entitled to vote at meetings, determining the validity and authority of proxies and otherwise conducting votes of stockholders.

(iv) Sale of Shares by Trustee. Within 20 days of receiving notice from the Corporation that Equity Shares have been transferred to the Trust, the Trustee of the Trust shall use best efforts to sell the Equity Shares held in the Trust to a person, designated by the Trustee, whose ownership of the Equity Shares will not violate the ownership limitations set forth in Section 2(b)(i) of this Article VI. Upon such sale, the interest of the Charitable Beneficiary in the Equity Shares sold shall terminate and the Trustee shall distribute the net proceeds of the sale to the Purported Record Owner and to the Charitable Beneficiary as provided in this Section 2(e)(iv). The Purported Record Owner shall receive the lesser of (1) the price paid by the Purported Record Owner for the Equity Shares or, if the Purported Record Owner did not give value for the Equity Shares (through a gift, devise or other transaction), the Market Price of the Equity Shares on the day of the event causing the Equity Shares to be held in the Trust and (2) the price per share received by the Trustee from the sale or other disposition of the Equity Shares held in the Trust (net of any commissions and other expenses of sale). Any net sales proceeds in excess of the amount payable to the Purported Record Owner shall be immediately paid to the Charitable Beneficiary, together with any dividends or other distributions thereon. If, prior to the discovery by the Corporation that Equity Shares have been transferred to the Trustee, such Equity Shares are sold by a Purported Record Owner then (X) such Equity Shares shall be deemed to have been sold on behalf of the Trust, (Y) the proceeds of such sale shall be deemed to be held by such Purported Record Owner or Purported Beneficial Owner as a agent for the Trustee and (Z) to the extent that the Purported Record Owner received an amount for such Equity Shares that exceeds the amount that such Purported Record Owner was entitled to receive pursuant to this Section 2(e)(iv), such excess shall be paid to the Trustee upon demand.

(v) Purchase Right in Stock Transferred to the Trustee. Equity Shares transferred to the Trustee shall be deemed to have been offered for sale to the Corporation, or its designee, at a price per share equal to the lesser of (1) the price paid by the Purported Record Owner for the Equity Shares in the transaction that resulted in such transfer to the Trust (or, if the event which resulted in the transfer to the Trust did not involve a purchase of such Equity Shares, the Market Price of such Equity Shares on the day of the event which resulted in the transfer of such Equity Shares to the Trust) and (2) the Market Price on the date the Corporation, or its designee, accepts such offer. The

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Corporation shall have the right to accept such offer until the Trustee has sold the Equity Shares held in the Trust pursuant to Section 2(e)(iv) of this Article VI. Upon such a sale to the Corporation, the interest of the Charitable Beneficiary in the Equity Shares sold shall terminate and the Trustee shall distribute the net proceeds of the sale to the Purported Record Owner (minus any dividend or distribution paid to the Purported Record Owner that the Purported Record Owner was obligated to pay to the Trustee but has not paid to the Trustee at the time of the distribution of the proceeds) and any dividends or other distributions held by the Trustee with respect to such Equity Shares, together with any amounts described in the preceding parenthetical of this sentence, to the Charitable Beneficiary.

E-10

(vi) Designation of Charitable Beneficiaries. By written notice to the Trustee, the Corporation shall designate one or more nonprofit organizations to be the Charitable Beneficiary(ies) of the interest in the Trust such that (1) the Equity Shares held in the Trust would not violate the restrictions set forth in Section 2(b)(i) of this Article VI in the hands of such Charitable Beneficiary and (2) each Charitable Beneficiary is an organization described in Sections 170(b)(1)(A), 170(c)(2) and 501(c)(3) of the Code.

(f) Exemptions.

(i) The Board, in its sole and absolute discretion, may exempt a Person from the limit set forth in Section 2(b)(i)(A) (but not from Sections 2(b)(i)(B) or (C)) of this Article VI, if the Board obtains such representations and undertakings from such Person and any other Person as the Board may deem appropriate; and such Person agrees in writing that any violation or attempted violation of such representations or undertakings (or other action which is contrary to the restrictions contained in Section 2(b) of this Article VI) will result in the application of the remedies set forth in Sections 2(b)(ii) and 2(c) of this Article VI, to the extent necessary to prevent or cure such violation or action, to the Equity Shares Beneficially or Constructively Owned by such Person.

(ii) Nothing in Section 2(f)(i) of this Article VI shall be deemed to require the Board to consider a request for exemption from the restrictions in Section 2(b)(i)(A) of this Article VI. Prior to granting any exemption pursuant to Section 2(f)(i) of this Article VI, the Board may require a ruling from the Internal Revenue Service, an opinion of counsel, or both, in any case in form and substance satisfactory to the Board in its sole and absolute discretion, as it may deem necessary or advisable in order to determine or ensure the Corporation's status as a REIT. Notwithstanding the receipt of any ruling or opinion, the Board may impose such conditions or restrictions as it deems appropriate in connection with granting such exemption. If a member of the Board requests that the Board grant an exemption pursuant to Section 2(f)(i) of this Article VI with respect to such member or to any other Person if such Board member would be considered to be the Beneficial or Constructive Owner of Equity Shares owned by such Person, such member of the Board shall not participate in the decision of the Board as to whether to grant such exemption.

(iii) Nothing in this Article VI shall preclude the settlement of a transaction entered into through the facilities of any stock exchange on which Equity Shares are listed for trading. The fact that the settlement of any transaction is permitted shall not negate the effect of any other provision of this Article VI, and any transferee in such a transaction shall be subject to all of the provisions and limitations set forth in this Article VI.

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

(iv) Section 2(b)(i)(A) of this Article VI shall not apply to the Acquisition of Equity Shares or rights, options or warrants for, or securities convertible into, Equity Shares by an underwriter in a public offering, provided that such underwriter makes a timely distribution of such Equity Shares or rights, options or warrants for, or securities convertible into, Equity Shares.

E-11

Section 3. Preferred Shares.

(a) Authority to Designate and Fix Rights and Restrictions of Preferred Shares. The Board of Directors may authorize the issuance from time to time of the Preferred Shares in one or more separately designated classes (hereinafter a "class"). Prior to issuance of any shares of a class of Preferred Shares, by resolution the Board of Directors shall

(i) designate such class in order to distinguish it from all other then outstanding classes of Preferred Shares;

(ii) set the number of Preferred Shares to be included in such class; and

(iii) subject to the provisions of Sections 2 and 5 of this Article VI, and to the express limitations, if any, of any other classes of which shares are outstanding at the time, set the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications and terms and conditions of the redemption of the shares of such class, provided that all shares of any class shall be alike in every particular, except that shares of such class issued at different times may accumulate dividends from different dates.

(b) Amendment of Terms. Subject to the provisions of Sections 2 and 5 of this Article VI and to the express limitations, if any, of any class of Preferred Shares of which shares are outstanding at the time, by resolution the Board of Directors may (i) increase or decrease (but not below the number of Preferred Shares of such class then outstanding) the number of Preferred Shares of any class; and (ii) alter the designation of, or classify or reclassify, any unissued Preferred Shares of any class from time to time by setting or changing the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications or terms or conditions of redemption of such class.

Section 4. Common Shares.

Subject to the provisions of Sections 2 and 5 of this Article VI, the Common Shares shall have the following preferences, rights, powers, restrictions, limitations and qualifications and such others as may be afforded by law:

(a) Voting Rights. Except as may otherwise be required by law, and subject to action, if any, by the Board of Directors, pursuant to Section 3 of this Article VI, granting to the holders of one or more classes of Preferred Shares exclusive voting powers with respect to specified matters, each holder of Common Shares shall have one vote in respect of each Common Share held of record on all matters to be voted upon by the stockholders.

(b) Dividend Rights. After provision(s) with respect to preferential dividends on any then outstanding classes of Preferred Shares, if any, fixed by the Board of Directors pursuant to Section 3 of this Article VI, shall have been

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

satisfied, and after satisfaction of any other requirements, if any, including with respect to redemption rights and preferences, in any such classes of Preferred Shares, then and thereafter the holders of Common Shares shall be entitled to receive, ratably in proportion to the number of Common Shares held by them, such dividends as may be declared from time to time by the Board of

E-12

Directors out of funds legally available therefor. All distributions paid with respect to the Common Shares shall be paid pro rata, with no preference to any Common Share as compared with other Common Shares.

(c) Liquidation Rights. In the event of the voluntary or involuntary liquidation, dissolution or winding-up of the Corporation, after distribution in full of the preferential amounts, if any, fixed pursuant to Section 3 of this Article VI, to be distributed to the holders of any then outstanding Preferred Shares, and subject to the right, if any, of the holders of any outstanding Preferred Shares to participate further in any liquidating distributions, all of the assets of the Corporation, if any, remaining, of whatever kind available for distribution to stockholders after the foregoing distributions have been made shall be distributed to the holders of the Common Shares, ratably in proportion to the number of Common Shares held by them.

(d) Purchase of Interests of Common Shares.

(i) The Corporation shall use its best efforts to redeem Common Shares on an annual basis from holders of Common Shares desiring to have such Common Shares redeemed upon the terms and conditions set forth below.

(ii) A holder of Common Shares wishing to have some or all of his or her Common Shares redeemed by the Corporation must mail or deliver a written request to the Corporation indicating his or her desire to have such Common Shares redeemed for cash. Any such request must be received by the Corporation on or before July 1 immediately preceding the January 1 date on which the redemption is to be effective. The Corporation shall send the purchase price for any Common Shares redeemed to the holder thereof no later than two Business Days following such effective date. Any such request to have Common Shares redeemed shall constitute an offer by the holder thereof to sell such Common Shares and shall be irrevocable. If the Corporation does not have sufficient funds to purchase all of the Common Shares so offered or is otherwise prohibited from purchasing all of the Common Shares so offered, the Corporation will redeem Common Shares in the order in which effective offers are received from offerors to the extent that the Corporation has funds available therefor and is not prohibited from redeeming Common Shares.

(iii) The purchase price for any Common Shares redeemed by the Corporation will equal 90% of the Fair Market Value of the Common Shares. "Fair Market Value" of a Common Share shall mean the fair market value as determined by the Board of Directors in its sole and absolute discretion, after consultation with an adviser selected by the Board of Directors. Any redemption of Common Shares by the Corporation shall be effective as of January 1 of the year following the year in which the corresponding offer was timely made pursuant to Section 3(d)(ii). Any holder whose Common Shares are to be redeemed shall execute and deliver such transfer and other documents and instruments as the Corporation may reasonably request. Any Common Shares redeemed by the Corporation shall be cancelled and shall be held in the treasury of the Corporation.

(iv) In fulfilling the Corporation's obligation to use best efforts to redeem Common Shares for which offers have been timely made pursuant

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

to Section 3(d)(ii), the Board of Directors shall be authorized to take such

E-13

steps as it deems appropriate, in its sole discretion, including without limitation the disposition of assets of the Corporation and incurring indebtedness on behalf of the Corporation.

(v) Notwithstanding anything herein to the contrary, no Common Shares shall be redeemed by the Corporation pursuant to this Section 3(d) if:

(A) The Corporation is insolvent or such redemption would render the Corporation insolvent;

(B) Such redemption would impair the capital or operations of the Corporation;

(C) Such redemption would contravene any provision of federal or state securities laws;

(D) Such redemption would result in the Corporation's failing to qualify as a REIT; or

(E) The Board of Directors determines such redemption would otherwise not be in the best interests of the Corporation.

(vi) If the Corporation is unable to redeem some or all of the Common Shares offered for redemption, the Corporation shall use its best efforts to arrange for a purchase of such Common Shares by a third party or parties, each of whom shall be an "accredited investor" within the meaning of Rule 501(a) of Regulation D promulgated under the Securities Act of 1933, as amended, and shall have a pre-existing relationship with the Corporation (an "Accredited Investor"); provided, however, that no such purchase shall be effected if it would not be permitted under the terms of Section 3(d)(v). In addition, the Corporation shall have the right to satisfy its obligations under Section 3(d)(i) by arranging for the purchase of Common Shares by any such Accredited Investor or Investors for the price set forth in Section 3(d)(iii).

(vii) Any request for redemption of Common Shares by a holder thereof pursuant to Section 3(d)(ii) shall be binding on such holder's successors, heirs and assigns.

(viii) The Corporation shall not be obligated to effect any redemptions pursuant to this Section 3(d) during any period that the Common Shares are listed for trading on a national securities exchange or the NASDAQ National Market System.

Section 5. General Provisions.

(a) Interpretation and Ambiguities. In addition to the other powers set forth in this Article VI, the Board shall have the power to interpret and to construe the provisions of this Article VI, and in the case of an ambiguity in the application of any of the provisions of this Article VI, including any definition contained in Section 1, the Board shall have the power to determine the application of the provisions of this Article VI with respect to any situation based on the facts known to it, and any such interpretation, construction and determination shall be final and binding on all interested parties, including the stockholders.

(b) Severability. If any provision of this Article VI or any application of any such provision is determined to be void, invalid or unenforceable by any court having jurisdiction over the issue, the validity and enforceability of the remaining provisions shall not be affected and other applications of such provision shall be affected only to the extent necessary to comply with the determination of such court.

ARTICLE VII
BOARD OF DIRECTORS

The business and affairs of the Corporation shall be managed by a Board of Directors which may exercise all of the powers of the Corporation except those conferred on, or reserved to, the stockholders by law.

Section 1. Authorized Number and Initial Directors.

The number of directors of the Corporation initially shall be six (6), which number may be increased or decreased pursuant to the By-Laws of the Corporation but in no event shall be less than the minimum number required by the General Laws of the State of Maryland. Each director shall hold office until the next annual meeting of the stockholders of the Corporation and until his or her successor shall have been elected and qualified or until his or her earlier death, resignation, retirement or removal. The names and the respective Classes (as defined in Section 2 below) of the directors who will serve until the first annual meeting of stockholders of the Corporation and until their successors are elected and qualified are as follows:

Janet P. Notopoulos	Class I
R. Scott MacPhee	Class I
Barbara J. Corinha	Class II
William W. Gribbell	Class II
George J. Carter	Class III
Richard R. Norris	Class III

Section 2. Classified Board.

The directors of the Corporation shall be and are hereby divided into three Classes, designated "Class I," "Class II" and "Class III," respectively. The number of directors in each Class shall be as nearly equal in number as possible. Each director shall be elected by the stockholders and shall serve for a term ending on the date of the third Annual Meeting of Stockholders following the Annual Meeting at which such director was elected; provided, however, that each initial director in Class I shall serve for a term ending on the date of the Annual Meeting held in 2004; each initial director in Class II shall serve for a term ending on the date of the Annual Meeting held in 2003; and each initial director in Class III shall serve for a term ending on the date of the Annual Meeting held in 2002.

Section 3. Effect of Increases and Decreases in the Authorized Number of Directors.

In the event of any increase or decrease in the authorized number of directors:

(a) Each director then serving shall nevertheless continue as a

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

director of the Class of which such director is a member until the expiration of such director's term or such director's prior death, retirement, resignation or removal; and

(b) The newly created or eliminated directorships resulting from any increase or decrease shall be apportioned by the Board of Directors among the three Classes so as to keep the number of directors in each Class as nearly equal as possible.

Section 4. Removal of Directors.

A director may be removed from office only for cause based on a material breach of his duties or obligations to the Corporation, and then only by the affirmative vote of the holders of at least two-thirds of the votes entitled to be cast in the election of directors.

Section 5. Filling Vacancies.

Should a vacancy on the Board of Directors occur or be created (whether arising through death, retirement, resignation or removal) other than through an increase in the number of authorized directors, such vacancy shall be filled by the affirmative vote of a majority of the remaining directors, even though less than a quorum of the Board of Directors. A vacancy on the Board of Directors resulting from an increase in the number of directors shall be filled by the affirmative vote of a majority of the entire Board of Directors. A director so elected to fill a vacancy shall serve for the remainder of the term of the Class to which such director was elected.

ARTICLE VIII PROVISIONS FOR DEFINING, LIMITING AND REGULATING CERTAIN POWERS OF THE CORPORATION AND OF THE SHAREHOLDERS AND DIRECTORS

The following provisions are hereby adopted for the purposes of defining, limiting and regulating the powers of the Corporation and of the directors and stockholders:

Section 1. Powers of Board of Directors.

The Board of Directors shall have the power from time to time and in its sole discretion (a) to determine in accordance with sound accounting practice what constitutes annual or other net profits, earnings, surplus or net assets in excess of capital; (b) to fix and vary from time to time the amount to be reserved as working capital, or determine that retained earnings or surplus shall remain in the hands of the Corporation; (c) to set apart out of any funds of the Corporation such reserve or reserves in such amount or amounts and for such proper purposes as it shall determine and to abolish or redesignate any such reserve or any part thereof; (d) to borrow or raise money upon any terms for any corporate purposes; (e) to distribute and pay distributions or dividends in stock, cash or other securities or property, out of surplus or any other funds or amounts legally available therefor, at such times and to the stockholders of record on such dates as it may, from time to time, determine; and (f) to determine whether and to what extent and at what times and places and under what conditions and regulations the books, accounts and documents of the Corporation shall be open to the inspection of stockholders, except as otherwise provided by statute or by the By-Laws of the Corporation, and, except as so

provided, no stockholder shall have the right to inspect any book, account or

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

document of the Corporation unless authorized so to do by resolution of the Board of Directors.

Section 2. Limitation of Liability.

The liability of the directors and officers of the Corporation to the Corporation or its stockholders for money damages shall be limited to the fullest extent permitted under the General Laws of the State of Maryland now or hereafter in force, including, but not limited to, Section 5-349 of the Courts and Judicial Proceedings Article of the Annotated Code of Maryland, or any successor provision of law of similar import, and the directors and officers of the Corporation shall have no liability whatsoever to the Corporation or its stockholders for money damages except to the extent which such liability cannot be limited or restricted under the General Laws of the State of Maryland now or hereafter in force. Neither the amendment nor repeal of the foregoing sentence of this Section 2 of Article VIII nor the adoption nor amendment of any other provision of the Charter or By-Laws of the Corporation inconsistent with the foregoing sentence shall apply to or affect in any manner the applicability of the foregoing sentence with respect to any act or omission of any director or officer occurring prior to any such amendment, repeal or adoption.

Section 3. Indemnification.

(A) Actions, Suits and Proceedings. The Corporation shall indemnify each person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, investigative or otherwise, whether or not by or in the right of the Corporation, by reason of the fact that he is or was, or has agreed to become, a director or officer of the Corporation, or is or was serving, or has agreed to serve, at the request of the Corporation, as a director, officer, partner, trustee, employee or agent of, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise (including any employee benefit plan) (all such persons being referred to hereafter as an "Indemnitee"), or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys' fees), judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him or on his behalf in connection with such action, suit or proceeding and any appeal therefrom, unless (I) (a) the act or omission of the Indemnitee was material to the matter giving rise to the proceeding and (b) (i) was committed in bad faith or (ii) was the result of active and deliberate dishonesty or (II) the Indemnitee actually received an improper personal benefit in money, property or services or (III) with respect to any criminal proceeding, the Indemnitee had reasonable cause to believe that the act or omission was unlawful; provided, however, that if the action, suit or proceeding was one by or in the right of the Corporation, no indemnification shall be made in respect of any such action, suit or proceeding in which the Indemnitee shall have been adjudged liable to the Corporation. The termination of any action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that the person did not meet the requisite standard of conduct set forth in this Subsection A. The termination of any proceeding by conviction, or a plea of nolo contendere or its equivalent, or an entry of an order of probation prior to judgment creates a rebuttable presumption that the Indemnitee did not meet the requisite standard of conduct. Notwithstanding the foregoing, the Corporation shall not indemnify an Indemnitee in respect of any action, suit or proceeding charging improper personal benefit to the Indemnitee,

E-17

whether or not involving action in the Indemnitee's official capacity, in which the Indemnitee was adjudged to be liable on the basis that personal benefit was

improperly received. Notwithstanding anything to the contrary in this Section, except as set forth in Subsection F below, the Corporation shall not indemnify an Indemnitee seeking indemnification in connection with a proceeding (or part thereof) initiated by the Indemnitee unless the initiation thereof was approved by the Board of Directors of the Corporation. Notwithstanding anything to the contrary in this Section, the Corporation shall not indemnify an Indemnitee to the extent such Indemnitee is reimbursed from the proceeds of insurance, and in the event the Corporation makes any indemnification payments to an Indemnitee and such Indemnitee is subsequently reimbursed from the proceeds of insurance, such Indemnitee shall promptly refund such indemnification payments to the Corporation to the extent of such insurance reimbursement.

(B) Indemnification for Expenses of Successful Party.

Notwithstanding the other provisions of this Section, to the extent that an Indemnitee has been successful, on the merits or otherwise, in defense of any action, suit or proceeding referred to in Subsection A of this Section, or in defense of any claim, issue or matter therein, or on appeal from any such action, suit or proceeding, he shall be indemnified against all expenses (including attorneys' fees) actually and reasonably incurred by him or on his behalf in connection therewith. Without limiting the foregoing, if any action, suit or proceeding is disposed of, on the merits or otherwise (including a disposition without prejudice), without (i) the disposition being adverse to the Indemnitee, (ii) an adjudication that the Indemnitee was liable to the Corporation, (iii) a plea of guilty or nolo contendere by, or the entry of an order of probation prior to judgment with respect to, the Indemnitee, (iv) an adjudication that the Indemnitee acted in bad faith or that his action was the result of active and deliberate dishonesty, an adjudication that the Indemnitee received an improper personal benefit in money, property or services, and (v) with respect to any criminal proceeding, an adjudication that the Indemnitee had reasonable cause to believe his conduct was unlawful, the Indemnitee shall be considered for the purposes hereof to have been wholly successful with respect thereto.

(C) Notification and Defense of Claim. As a condition precedent to his right to be indemnified, the Indemnitee must notify the Corporation in writing as soon as practicable of any action, suit, proceeding or investigation involving him for which indemnity will or could be sought. With respect to any action, suit, proceeding or investigation of which the Corporation is so notified, the Corporation will be entitled to participate therein at its own expense and/or to assume the defense thereof at its own expense, with legal counsel reasonably acceptable to the Indemnitee. After notice from the Corporation to the Indemnitee of its election so to assume such defense, the Corporation shall not be liable to the Indemnitee for any legal or other expenses subsequently incurred by the Indemnitee in connection with such claim, other than as provided below in this Subsection C. The Indemnitee shall have the right to employ his own counsel in connection with such claim, but the fees and expenses of such counsel incurred after notice from the Corporation of its assumption of the defense thereof shall be at the expense of the Indemnitee unless (i) the employment of counsel by the Indemnitee has been authorized by the Corporation, (ii) counsel to the Indemnitee shall have reasonably concluded that there may be a conflict of interest or position on any significant issue between the Corporation and the Indemnitee in the conduct of the defense of such action or (iii) the Corporation shall not in fact have employed counsel to assume the defense of such action, in each of which cases the fees and expenses of counsel for the Indemnitee shall be at the expense of the Corporation, except

as otherwise expressly provided by this Section 3. The Corporation shall not be entitled, without the consent of the Indemnitee, to assume the defense of any

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

claim brought by or in the right of the Corporation or as to which counsel for the Indemnitee shall have reasonably made the conclusion provided for in clause (ii) above.

(D) Advance of Expenses. Subject to the provisions of Subsection E below, in the event that the Corporation does not assume the defense pursuant to Subsection C of this Section of any action, suit, proceeding or investigation of which the Corporation receives notice under this Section, any expenses (including attorneys' fees) incurred by an Indemnitee in defending a civil or criminal action, suit, proceeding or investigation or any appeal therefrom shall be paid by the Corporation in advance of the final disposition of such matter; provided, however, that the payment of such expenses incurred by an Indemnitee in advance of the final disposition of such matter shall be made only upon receipt of (i) a written affirmation by the Indemnitee of the Indemnitee's good faith belief that the standard of conduct necessary for indemnification has been met and (ii) an undertaking by or on behalf of the Indemnitee to repay all amounts so advanced in the event that it shall ultimately be determined that the Indemnitee is not entitled to be indemnified by the Corporation as authorized in this Section. Such undertaking need not be secured and shall be accepted without reference to the financial ability of the Indemnitee to make such repayment.

(E) Procedure for Indemnification. In order to obtain indemnification or advancement of expenses pursuant to Subsections A, B or D of this Section, the Indemnitee shall submit to the Corporation a written request, including in such request such documentation and information as is reasonably available to the Indemnitee and is reasonably necessary to determine whether and to what extent the Indemnitee is entitled to indemnification or advancement of expenses. Any such indemnification or advancement of expenses shall be made promptly, and in any event within 60 days after receipt by the Corporation of the written request of the Indemnitee, unless with respect to requests under Subsections A or D the Corporation determines within such 60-day period that the Indemnitee did not meet the applicable standard of conduct set forth in Subsection A. Such determination shall be made in each instance by (a) a majority vote of a quorum of the Board of Directors of the Corporation, consisting of directors, not, at the time, parties to the proceeding ("disinterested directors"), or, if such a quorum cannot be obtained, then by a majority vote of a committee of the directors, consisting solely of two or more disinterested directors, who are duly designated to act in the matter by a majority vote of the full Board of Directors, in which the directors who are parties may participate, (b) a majority vote of a quorum of the outstanding shares of stock of all classes entitled to vote for directors, voting as a single class, which quorum shall consist of stockholders who are not at that time parties to the action, suit or proceeding in question, (c) special legal counsel (who may, to the extent permitted by law, be regular legal counsel to the Corporation) selected by a majority vote of a quorum of the directors consisting of disinterested directors, or by a majority vote of a committee consisting of two or more disinterested directors, who are duly designated to act in the matter by a majority vote of the full Board of Directors, in which the directors who are parties may participate, or, if the requisite quorum of the full Board of Directors cannot be obtained therefor and the committee cannot be established, by a majority vote of the full Board of Directors, in which directors who are parties may participate, or (d) a court of competent jurisdiction.

E-19

(F) Remedies. The right to indemnification or advances as granted by this Section shall be enforceable by the Indemnitee in any court of competent jurisdiction if the Corporation denies such request, in whole or in part, or if no disposition thereof is made within the 60-day period referred to above in

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

Subsection E. Unless otherwise required by law, the burden of proving that the Indemnitee is not entitled to indemnification or advancement of expenses under this Section shall be on the Corporation. Neither the failure of the Corporation to have made a determination prior to the commencement of such action that indemnification is proper in the circumstances because the Indemnitee has met the applicable standard of conduct, nor an actual determination by the Corporation pursuant to Subsection E that the Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the Indemnitee has not met the applicable standard of conduct. The Indemnitee's expenses (including attorneys' fees) incurred in connection with successfully establishing his right to indemnification, in whole or in part, in any such proceeding shall also be indemnified by the Corporation.

(G) Subsequent Amendment. No amendment, termination or repeal of this Section or of the relevant provisions of the General Corporation Law of Maryland or any other applicable laws shall affect or diminish in any way the rights of any Indemnitee to indemnification under the provisions hereof with respect to any action, suit, proceeding or investigation arising out of or relating to any actions, transactions or facts occurring prior to the final adoption of such amendment, termination or repeal.

(H) Other Rights. The indemnification and advancement of expenses provided by this Section shall not be deemed exclusive of any other rights to which an Indemnitee seeking indemnification or advancement of expenses may be entitled under any law (common or statutory), agreement or vote of stockholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in any other capacity while holding office for the Corporation, and shall continue as to an Indemnitee who has ceased to be a director or officer, and shall inure to the benefit of the estate, heirs, executors and administrators of the Indemnitee. Nothing contained in this Section shall be deemed to prohibit, and the Corporation is specifically authorized to enter into, agreements with officers and directors providing indemnification rights and procedures different from those set forth in this Section. In addition, the Corporation may, to the extent authorized from time to time by its Board of Directors, grant indemnification rights to other employees or agents of the Corporation or other persons serving the Corporation and such rights may be equivalent to, or greater or less than, those set forth in this Section.

(I) Partial Indemnification. If an Indemnitee is entitled under any provision of this Section to indemnification by the Corporation for some or a portion of the expenses (including attorneys' fees), judgments, fines or amounts paid in settlement actually and reasonably incurred by him or on his behalf in connection with any action, suit, proceeding or investigation and any appeal therefrom but not, however, for the total amount thereof, the Corporation shall nevertheless indemnify the Indemnitee for the portion of such expenses (including attorneys' fees), judgments, fines or amounts paid in settlement to which the Indemnitee is entitled.

E-20

(J) Insurance. The Corporation may purchase and maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or any such person who, while a director, officer, employee or agent of the Corporation, is or was serving at the request of the Corporation as a director, officer, partner, trustee, employee or agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise (including any employee benefit plan) against any expense, liability or loss asserted against and incurred by him in any such capacity, or arising out of his status as such, whether or not the Corporation would have the power to indemnify

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

such person against such expense, liability or loss under the General Corporation Law of Maryland.

(K) Merger or Consolidation. If the Corporation is merged into or consolidated with another corporation and the Corporation is not the surviving corporation, the surviving corporation shall assume the obligations of the Corporation under this Section with respect to any action, suit, proceeding or investigation arising out of or relating to any actions, transactions or facts occurring prior to the date of such merger or consolidation.

(L) Savings Clause. If this Section or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify each Indemnitee as to any expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with any action, suit, proceeding or investigation, whether civil, criminal or administrative, including an action by or in the right of the Corporation, to the fullest extent permitted by any applicable portion of this Section that shall not have been invalidated and to the fullest extent permitted by applicable law.

(M) Definitions. Terms used herein and defined in Section 2-418(a) of the General Corporation Law of Maryland shall have the respective meanings assigned to such terms in such Section 2-418(a).

(N) Subsequent Legislation. If the General Corporation Law of Maryland is amended after adoption of this Section to expand further the indemnification permitted to Indemnitees, then the Corporation shall indemnify such persons to the fullest extent permitted by the General Corporation Law of Maryland, as so amended.

Section 4. Board Authorization of Share Issuance.

The Board of Directors of the Corporation shall have the power in its sole discretion and without limitation, to authorize the issuance at any time and from time to time of shares of stock of the Corporation, with or without par value, of any class now or hereafter authorized and of securities convertible into or exchangeable for shares of the stock of the Corporation, with or without par value, of any class now or hereafter authorized, for such consideration (irrespective of the value or amount of such consideration) and in such manner and by such means as said Board of Directors may deem advisable.

Section 5. Classification or Reclassification of Shares.

The Board of Directors shall have the power in its sole discretion and without limitation to classify or reclassify, by articles supplementary, any unissued shares of stock, whether now or hereafter authorized, by setting, altering or eliminating in any one or more respects, from time to time before the issuance of such shares, any feature of such shares, including but not limited to the designation, preferences, conversion or other rights, voting powers, qualifications and terms and conditions of redemption of, and limitations as to dividends and any restrictions on, such shares.

E-21

Section 6. Voting Requirements.

Notwithstanding any provision of law to the contrary, except as provided in Article IX, the affirmative vote of the holders of a majority of the shares of capital stock issued and outstanding and entitled to vote on any proposed amendment of the Charter of the Corporation shall be sufficient, valid and

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

effective, after due authorization, approval and advice by the Board of Directors, to approve and authorize such amendment. Notwithstanding any provision of the law to the contrary, the affirmative vote of the holders of a majority of the shares of capital stock issued and outstanding and entitled to vote on any transaction for which approval of the stockholders is required by Section 3-105 of the General Corporation Law of Maryland, or any successor provision of law of similar import, in addition to any vote of the holders of Preferred Shares required by the terms of then outstanding Preferred Shares, shall be sufficient to give the approval required by Section 3-105 or such successor provision.

Section 7. REIT Qualification.

The Board of Directors shall use its reasonable best efforts to cause the Corporation and its shareholders to qualify for U.S. federal income tax treatment in accordance with the provisions of the Code applicable to a REIT. In furtherance of the foregoing, the Board of Directors shall use its reasonable best efforts to take such actions as are necessary, and may take such actions as in its sole judgment and discretion are desirable, to preserve the status of the Corporation as a REIT, provided, however, that if the Board of Directors determines in its discretion that it is no longer in the best interests of the Corporation to continue to have the Corporation qualify as a REIT, the Board of Directors may revoke or otherwise terminate the Corporation's REIT election pursuant to Section 856(g) of the Code.

The enumeration and definition of particular powers of the Board of Directors included in this Article VIII shall in no way be limited or restricted by reference to or inference from the terms of any other clause of this or any other Article of the Charter of the Corporation, or construed as or deemed by inference or otherwise in any manner to exclude or limit any powers conferred upon the Board of Directors under the General Laws of the State of Maryland now or hereafter in force.

ARTICLE IX AMENDMENTS

(a) Right to Amend Articles. Subject to the provisions hereof, the Corporation reserves the right at any time, and from time to time, to amend, alter, repeal, or rescind any provision contained herein, including but not limited to the provisions setting forth the contract and other rights of the issued and outstanding stock of the Corporation of any class, in the manner now or hereafter prescribed by law, and other provisions authorized by the laws of the State of Maryland at the time in force may be added or inserted, in the manner now or hereafter prescribed by law; and all contract or other rights, preferences and privileges of whatsoever nature conferred upon shareholders, directors, officers, employees or any other persons whomsoever by and pursuant to these Articles of Incorporation, in its present form or as hereafter amended, are granted subject to this reservation.

E-22

(b) Certain Amendments Requiring Special Shareholder Vote. Any provision of law, these Articles of Incorporation, including, without limitation, Article VIII, Section 7, or the By-Laws of the Corporation to the contrary notwithstanding:

(i) no term or provision of these Articles of Incorporation may be added, amended or repealed in any respect that would, in the determination of the Board of Directors, cause the Corporation not to qualify as a REIT under the Code unless the Board of Directors shall have determined in

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

accordance with Section 8 of Article VIII that it is no longer in the best interests of the Corporation to continue to have the Corporation qualify as a REIT;

(ii) Article VII, Section 2 (classification of directors) and Section 5 (removal of directors); Article VII, Section 2 (limitation of liability of officers and directors) and Section 3 (indemnification of officers and directors); and this Article IX shall not be amended or repealed nor shall any provision be adopted which is inconsistent with any of the foregoing; and

(iii) no provisions imposing cumulative voting in the election of directors may be added to these Articles of Incorporation; unless in each such case, in addition to any vote of the holders of Preferred Shares required by the terms of then outstanding Preferred Shares, such action is approved by the affirmative vote of the holders of not less than eighty percent (80%) of the shares of capital stock of the Corporation issued and outstanding and entitled to vote on the matter.

IN WITNESS WHEREOF, I have signed these Articles of Incorporation, acknowledging the same to be my act on this 4th day of October, 2001.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers

Our Articles of Incorporation require us to indemnify our directors, officers, employees, agents and other persons acting on behalf of or at our request to the fullest extent permitted from time to time by Maryland law. The General Corporation Law of the State of Maryland permits a corporation to indemnify its directors, officers and certain other parties against judgments, penalties, fines, settlements and reasonable expenses, including attorneys' fees, actually incurred by them in connection with any proceeding to which they may be made a party by reason of their services to or at the request of the corporation, unless it is established that (i) the act or omission of the indemnified party was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, (ii) the indemnified party actually received an improper personal benefit, or (iii) in the case of any criminal proceeding, the indemnified party had reasonable cause to believe that the act or omission was unlawful. Indemnification may be made against judgments, penalties, fines, settlements and reasonable expenses actually incurred by the director or officer in connection with the proceeding; provided, however, that if the proceeding is one by or in the right of the corporation, indemnification may not be made with respect to any proceeding in which the director or officer has been adjudged to be liable to the corporation. In addition, a director or officer may not be indemnified with respect to any proceeding charging improper personal benefit to the director or officer in which the director or officer was adjudged to be liable on the basis that personal benefit was improperly received.

Our Articles of Incorporation contain a provision eliminating the personal liability of a director or officer to us or our stockholders for monetary

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

damages to the fullest extent permitted by Maryland law. The General Corporation Law of the State of Maryland permits the liability of directors and officers to a corporation or its stockholders for money damages to be limited, except (i) to the extent that a judgment or other final adjudication is entered adverse to the director or officer in a proceeding based on a finding that the director's or officer's action, or failure to act, was the result of active and deliberative dishonesty and was material to the cause of action adjudicated in the proceeding or (ii) to the extent it is proved that the director or officer actually received an improper benefit or profit in money, property or services. This provision of the General Corporation Law of the State of Maryland does not limit our ability or our stockholders' ability to obtain other relief, such as an injunction or rescission.

We do not have directors and officers liability insurance for the benefit of our directors and officers.

Item 22. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933.

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar amount of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an

Edgar Filing: FRANKLIN STREET PROPERTIES CORP /MA/ - Form S-4

employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) The undersigned registrant hereby undertakes as follows:

(1) That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such

II-4

reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

(2) The registrant undertakes that every prospectus (i) that is filed pursuant to paragraph (c)(1) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(d) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(e) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of this registration statement through the date of responding to the request.

(f) The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

II-5

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the town of Wakefield, Commonwealth of Massachusetts, on the 1st day of September, 2004.
