PROXY STATEMENT

February 27, 2007

Proxies in the form enclosed with this proxy statement are solicited by our Board of Directors (the "Board of Directors") at our expense for use at the Annual Meeting of Stockholders (the "Meeting") to be held at 11:00 AM on March 29, 2007 at the Fairfield Inn, 14350 Nicollet Court, Burnsville, Minnesota, 55306.

Only stockholders of record as of February 9, 2007 will be entitled to vote at the Meeting and any adjournments thereof. As of that date, 21,525,680 shares of our Common Stock, par value \$.01 per share, were issued and outstanding. The holders of our common stock are entitled to one vote per share on any proposal presented at the Meeting. Stockholders may vote in person or by proxy.

Execution of a proxy will not in any way affect a stockholders' right to attend the Meeting and vote in person. Any stockholder giving a proxy has the right to revoke it at any time before it is exercised by attending the Meeting and voting in person or filing with our Secretary either a written instrument revoking the proxy or another executed proxy bearing a later date.

All properly executed proxies returned in time to be counted at the Meeting will be voted. With respect to the election of our Board of Directors, shares represented by proxies will be voted as stated below under "Election of Directors." Any stockholder submitting a proxy has the right to withhold authority to vote for any individual nominee to the Board of Directors by writing that nominee's name on the space provided on the proxy. In addition, the stockholders will consider and vote upon a proposal to ratify the selection of Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. as our independent auditors, as further described in this proxy statement. Where a choice has been specified on the proxy with respect to such matter, the shares represented by the proxy will be voted in accordance with the specification and will be voted FOR if no specification is made.

The representation in person or by proxy of a majority of the outstanding shares of our common stock entitled to vote at the Meeting is necessary to establish a quorum for the transaction of business. Votes withheld from any nominee, abstentions and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum. A "non-vote" occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the broker does not have discretionary voting power and has not received instructions from the beneficial owner. Directors are elected by a plurality of the votes cast by stockholders entitled to vote at the Meeting. The proposal to ratify the selection of Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. as our independent auditors requires the affirmative vote of the majority of shares present in person or represented by proxy at the Meeting. An automated system administered by our transfer agent tabulates the votes. The vote on each matter submitted to stockholders is tabulated separately. Abstentions are included in the number of shares present or represented and voting on each matter.

The Board of Directors knows of no other matter to be presented at the Meeting. If any other matter should be presented at the Meeting upon which a vote properly may be taken, shares represented by all proxies received by us will be voted with respect thereto in accordance with the judgment of the persons named as attorneys in the proxies.

Edgar Filing: GREENMAN TECHNOLOGIES INC - Form DEF 14A

Our Annual Report, containing financial statements for fiscal year ended September 30, 2006 is being mailed contemporaneously with this proxy statement to all stockholders entitled to vote. This proxy statement and the form of proxy were first mailed to stockholders on or about February 27, 2007.

Stock Option Plans

Our 1993 Stock Option Plan (the "2003 Plan") was established to provide options to purchase shares of common stock to our employees, officers, directors and consultants. In March 2001, our stockholders approved an increase to the number of shares authorized under the 1993 Plan to 3,000,000 shares. The 1993 Plan expired on June 10, 2004.

On March 18, 2005, our Board of Directors adopted the 2005 Stock Option Plan (the "2005 Plan"), which was subsequently approved by our stockholders on June 16, 2005. The 2005 Plan replaced the 1993 Plan. In April 2004, our Board adopted a replacement stock option plan (the "2004 Plan") but did not submit it for ratification by our stockholders. The 2004 Plan was terminated by our Board on March 18, 2005, and all options granted under that plan have been terminated. Options granted under the 2005 Plan may be either options intended to qualify as "incentive stock options" under Section 422 of the Internal Revenue Code of 1986, as amended; or non-qualified stock options.

Incentive stock options may be granted under the 2005 Plan to employees, including officers and directors who are employees. Non-qualified options may be granted to our employees, directors and consultants. The 2005 Plan is administered by our Board of Directors, which has the authority to determine:

- o the persons to whom options will be granted;
- o the number of shares to be covered by each option;
- o whether the options granted are intended to be incentive stock options;
- o the manner of exercise; and
- o the time, manner and form of payment upon exercise of an option.

Incentive stock options granted under the 2005 Plan may not be granted at a price less than the fair market value of our common stock on the date of grant (or less than 110% of fair market value in the case of persons holding 10% or more of our voting stock). Non-qualified stock options may be granted at an exercise price established by our Board which may not be less than 85% of fair market value of our shares on the date of grant. Current tax laws adversely

impact recipients of non-qualified stock options granted at less than fair market value, however, we do not expect to make such grants. Incentive stock options granted under the 2005 Plan must expire no more than ten years from the date of grant, and no more than five years from the date of grant in the case of incentive stock options granted to an employee holding 10% or more of our voting stock.

As of September 30, 2006, there were 1,032,356 options granted and outstanding under the 1993 Plan of which 1,022,356 options were exercisable at prices ranging from \$0.38 to \$1.80. During the year ended September 30, 2006, 929,000 options were granted under the 2005 Plan at prices ranging from \$.28 to \$.36. No options were granted under the 2005 Plan during the fiscal year ended September 30, 2005.

Non-Employee Director Stock Option Plan

Our 1996 Non-Employee Director Stock Option Plan is intended to promote our interests by providing an inducement to obtain and retain the services of qualified persons who are not officers or employees to serve as members of our Board of Directors. The Board of Directors has reserved 60,000 shares of common stock for issuance under Non-Employee Director Stock Option Plan.

Each person who was a member of the Board of Directors on January 24, 1996, and who was not an officer or employee, was automatically granted an option to purchase 2,000 shares of common stock. In addition, after an individual's initial election to the Board of Directors, any director who is not an officer or employee and who continues to serve as a director will automatically be granted on the date of the Annual Meeting of Stockholders an additional option to purchase 2,000 shares of common stock. The exercise price per share of options granted under the Non-Employee Director Stock Option Plan is 100% of the fair-market value of the common stock on the business day immediately prior to the date of the grant and each option is immediately exercisable for a period of ten years from the date of the grant. During fiscal 2006, the Compensation Committee agreed to discontinue future option grants made under the Non-Employee Director Stock Option Plan.

As of September 30, 2006, options to purchase 38,000 shares of our common stock have been granted under the 1996 Non-Employee Director Stock Option Plan, of which 28,000 are outstanding and exercisable at prices ranging from \$0.38 to \$1.95.

Employee Benefit Plan

In August 1999, we implemented a Section 401(k) plan for all eligible employees. Employees are permitted to make elective deferrals of up to 15% of employee compensation and employee contributions to the 401(k) plan are fully vested at all times. We may make discretionary contributions to the 401(k) plan which become vested over a period of five years. We did not make any discretionary contributions to the 401(k) plan during the fiscal years ended September 30, 2006 and 2005.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of our common stock, to file with the Securities and Exchange Commission initial reports of ownership of our common stock and other equity securities on Form 3 and reports of changes in such ownership on Form 4 and Form 5. Officers, directors and 10% stockholders

Edgar Filing: GREENMAN TECHNOLOGIES INC - Form DEF 14A

are required by the Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) forms they file.

To the best of management's knowledge, based solely on review of the copies of such reports furnished to us during and with respect to, our most recent fiscal year, and written representation that no other reports were required, all Section 16(a) filing requirements applicable to our officers and directors have been complied with.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF AUDITORS

Effective February 12, 2007, our Board of Directors has selected the firm of Schechter, Dokken, Kanter, Andrews & Selcer, Ltd independent certified public accountants, to serve as auditors for the fiscal year ending September 30, 2007. Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. based in Minneapolis, Minnesota has assisted our former auditor, Wolf & Company, P.C. in our annual audit during the past eight years. Given the relocation of corporate headquarters from Massachusetts to Minnesota during fiscal 2006, our Board deemed it appropriate to select a local firm to serve as our auditor commencing fiscal 2007.

The report of Wolf & Company, P.C. on our financial statements for the fiscal year ended September 30, 2005 (but not the fiscal year ended September 30, 2006) indicated a substantial doubt about our ability to continue as a going concern. Except for this "going concern" qualification, Wolf & Company, P.C.'s reports with respect to our last two fiscal years did not contain any adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the two most recent

10

fiscal years and the subsequent interim period we had no disagreements with Wolf & Company, P.C. on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of Wolf & Company, P.C. would have caused Wolf & Company, P.C. to make reference to the matter in its report.

As indicated, Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. has assisted Wolf & Company, P.C. in our annual audits during the past eight years. During the two most recent fiscal years, and any subsequent interim period prior to engaging Schechter, Dokken, Kanter, Andrews & Selcer, Ltd., however, neither we (nor anyone on our behalf) consulted Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. regarding (i) either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements; or (ii) any matter that was either the subject of a disagreement or a reportable event.

We have furnished the disclosure set forth above to Wolf & Company, P.C.. Wolf & Company, P.C. has indicated that it believes such disclosure to be correct and complete.

Stockholder ratification of our independent auditors is not required under Delaware law or under our Restated Certificate of Incorporation or By-Laws. A representative of Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. is expected to be present at the Meeting, with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions. It is not currently expected that any representative Wolf & Company, P.C. will be present at the Meeting. If the stockholders do not

Edgar Filing: GREENMAN TECHNOLOGIES INC - Form DEF 14A

ratify the selection of Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. as our independent auditors for the fiscal year ending September 30, 2007, our Board of Directors will evaluate what would be in the best interests of our company and our stockholders and consider whether to select new independent auditors for the current fiscal year or whether to wait until the completion of the audit for the current fiscal year before changing independent auditors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF ITS SELECTION OF SCHECHTER, DOKKEN, KANTER, ANDREWS & SELCER, LTD. AS INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2007.

INDEPENDENT PUBLIC ACCOUNTANTS

The aggregate fees billed for professional services rendered by Wolf & Company, P.C. for (1) the audit of our financial statements as of and for the fiscal year ended September 30, 2006 and (2) the review of the financial statements included our company's Form 10-QSB filings for fiscal 2006 were \$204,820. The aggregate fees billed for professional services rendered by Wolf & Company, P.C. for (1) the audit of our financial statements as of and for the fiscal year ended September 30, 2005 and (2) the review of the financial statements included in our Form 10-QSB filings for fiscal 2005 were \$220,000.

Audit-Related Fees. The aggregate fees billed in fiscal 2006 and 2005 for assurance and related services rendered by Wolf & Company, P.C. that are reasonably related to the performance of the audit or review of our financial statements, were \$4,300 and \$6,600, respectively. Services rendered in this category consisted of (i) financial accounting and reporting consultations, and (ii) participation in board and audit committee meetings and (iii) assurance services on specific transactions.

Tax Fees. The aggregate fees billed in fiscal 2006 and 2005 for professional services rendered by Wolf & Company, P.C. for tax compliance, tax advice and tax planning were \$26,975 and \$27,750, respectively.

Pre-Approval Policies and Procedures. The Audit Committee has adopted policies which provide that our independent auditors may only provide those audit and non-audit services that have been pre-approved by the Audit Committee, subject, with respect to non-audit services, to a de minimis exception (discussed below) and to the following additional requirements: (1) such services must not be prohibited under applicable federal securities rules and regulations, and (2) the Audit Committee must make a determination that such services would be consistent with the principles that the independent auditor should not audit its own work, function as part of management, act as an advocate of our company, or be a promoter of our company's stock or other financial interests. The chairman of the Audit Committee has the authority to grant pre-approvals of permitted non-audit services between meetings, provided that any such pre-approval must be presented to the full Audit Committee at its next scheduled meeting.

During fiscal 2006, all of the non-audit services provided by Wolf & Company, P.C. were pre-approved by the Audit Committee. Accordingly, the Audit Committee did not rely on the de minimis exception noted above. This exception waives the pre-approval requirements for non-audit services if certain conditions are satisfied, including, among others, that such services are

promptly brought to the attention of and approved by the Audit Committee prior to the completion of the audit.
