### EXPLANATORY NOTE:

This report on Form 6-K shall be deemed to be incorporated by reference in the prospectus, dated April 19, 2000, of G. Willi-Food International Ltd. ("Registrant") included in Registrant's Registration Statement on Form F-3 (File No. 333-11848), and to be a part thereof from the date on which this report is filed, to the extent not superceded by documents or reports subsequently filed with the Securities and Exchange Commission.

### EXECUTION OF DEFINITIVE AGREEMENTS TO ACQUIRE ASSETS

On June 20, 2005, a wholly-owned subsidiary of the Registrant (the "Acquiror") executed definitive agreements regarding the acquisition of Vitarroz Corp., a New Jersey-based distributor of food products for the Hispanic market in the United States ("Vitarroz").

The definitive agreements provide that the Acquiror may elect to acquire either a fifty percent interest in the business of Vitarroz (the "Business") or a fifty-five percent interest in the Business. If the Acquiror elects to acquire a fifty percent interest in the Business, the Acquiror will at closing invest US\$1,000,000 in the Business for use as working capital. If the Acquiror elects to acquire a fifty-five percent interest in the Business, the Acquiror will (i) invest at closing US\$1,000,000 in the Business for use as working capital and (ii) make a loan at closing of US\$1,200,000 to the Business. The definitive agreements also provide that the Registrant will guarantee the payment of up to \$2,250,000 in outstanding commercial bank indebtedness of the Business. The repayment of the commercial bank indebtedness of the Business will also be secured by the receivables and the inventory of the Business. If the Acquiror elects to acquire a fifty percent interest in the Business, the definitive agreements provide that within eighteen months of the closing of the transaction, the Acquiror shall have the option either to (i) acquire for a nominal price an additional one percent interest in the Business in consideration of making a loan of US\$1,200,000 to the Business or (ii) require that its fifty percent interest in the Business be reacquired by Vitarroz for US\$1,000,000. If the Acquiror elects to acquire a fifty-five percent interest in the Business, the definitive agreements provide that within twelve months of the closing of the transaction the Acquiror shall have the option to require that its fifty-five percent interest in the Business be reacquired by Vitarroz for US\$2,200,000.

Consummation of the Vitarroz transaction is contingent upon the completion of final due diligence, Board of Director approval of the transaction, approval of regulatory bodies (if necessary) and the satisfaction of other customary closing conditions, as well as the satisfactory resolution of any issues that arise during the acquisition process. As a result there can be no assurance that the Vitarroz transaction will be consummated.
