BOS Wins New Customers in Europe - Receives \$0.5 Million of Orders for Electronic Components

BOS Plans to Supply the Orders in 2007

Rishon Lezion, Israel (PR News WIRE) April 10, 2007 - **B.O.S. Better Online Solutions Ltd.** (BOS or the Company) (NASDAQ: BOSC; TASE: BOSC), announced today that its subsidiary, Odem Technologies 1992 Ltd. (Odem), has received orders valued at \$0.5 million from new European customers. The orders, which BOS plans to supply during 2007, are for components produced by Sensata Technologies Inc. (STI , previously Texas Instruments Sensors & Control), a worldwide leading designer and manufacturer of sensors and controls.

Shmuel Koren, BOS's President & CEO said: These strategically important new orders are the first that derive from the previously announced expansion of our distribution agreement with STI. BOS is continuing its efforts to further increase and strengthen its European presence, and we believe we will achieve good progress in this respect.

Avidan Zelicovsky, Head of BOS's RFID and Electronic Division commented: We are pleased with the continued momentum we are experiencing in our electronic components business and are focusing on further identifying new non-Israeli opportunities.

About BOS

B.O.S. Better Online Solutions Ltd. (BOS) was established in 1990. Through its wholly owned subsidiaries, BOS's activities are focused on two segments:

Supply-Chain Solutions segment, based on Odem Electronic Technologies 1992 Ltd., providing solutions in the RFID, semiconductors, electronic components, CCD, imaging, networking, telecom and automation fields.

Software Solutions segment, with products marketed under the BOSaNOVA brand name. These products deliver instant and transparent connectivity from IBM iSeries computers to personal computers, thin clients and browsers.

BOS is traded on NASDAQ (BOSC) and on the Tel-Aviv Stock Exchange (BOSC). BOS's website address is www.boscorporate.com.

The forward-looking statements contained herein reflect management's current views with respect to future events and financial performance. These forward-looking statements are subject to certain risks and uncertainties that could cause the actual results to differ materially from those in the forward-looking statements, all of which are difficult to predict and many of which are beyond the control of BOS. These risk factors and uncertainties include, amongst others, the dependency of sales being generated from one or few major customers, the uncertainty of our being able to maintain current gross profit margins, inability to keep up or ahead of technology and to succeed in a highly competitive industry, inability to maintain marketing and distribution arrangements and to expand our overseas markets, uncertainty with respect to the prospects of legal claims against BOS; and additional risks and uncertainties detailed in BOS's periodic reports and registration statements filed with the U.S. Securities and Exchange Commission. BOS undertakes no obligation to publicly update or revise any such forward-looking statements to reflect any change in its expectations or in events, conditions or circumstances on which any such statements may be based, or that may affect the likelihood that actual results will differ from those set forth in the forward-looking statements.
