Items to be Included in this Report

**Item 1.01. Entry into a Material Definitive Agreement**

At a meeting held on June 28, 2005, the Compensation Committee (the "Committee") of the Board of Directors of Century Aluminum Company (the "Company") approved an amendment to the Company's Supplemental Retirement Income Benefit Plan (the "SRP"). The SRP provides supplemental retirement benefits for selected senior executives, including benefits which provide the selected senior executives with total annual retirement benefits estimated at a percentage of the executives' final annual compensation. The amendment changed the calculation of estimated final compensation from a participant's projected final annual compensation, assuming specified annual increases until retirement age, to the greater of (i) projected final annual compensation, assuming specified annual increases until retirement age or (ii) the average of the highest three years' annual compensation over the last 10 years of employment. The amendment also provides the Board further discretion in adjusting the determination of a participant's final annual compensation. As a result of the amendment, the following senior executives will be entitled to receive estimated annual retirement benefits under the Company's qualified and nonqualified defined benefit pension plans (including the SRP) in the following amounts: Craig A. Davis, President and Chief Executive Officer, \$930,000; Gerald J. Kitchen, Executive Vice President, General Counsel, Chief Administrative Officer and Secretary, \$293,000; and David W. Beckley, Executive Vice President and Chief Financial Officer, \$258,000. The Committee also approved amendments to the employment agreements of the foregoing executives to conform those agreements to reflect the terms of the SRP, as amended.
