## Explanation of Responses:

\* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

\*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

The reporting person has entered into an agreement, dated November 7, 2006 (the "Agreement"), with UnitedHealth Group Incorporated (the "Company") to have the exercise prices of each option with recorded grant dates between 1994 and 2002 (each, a "Subject Option") reset to the highest closing price of the Company's common stock during the recorded grant year for such particular option, except that in

(1) the case of certain options with recorded grant years in or prior to 1999, the exercise prices have been increased to the highest closing share price in 2000. In addition, the exercise prices of certain post-2002 vested options held by the reporting person have been increased to account for the value attributable to the differences between such highest closing share prices and the exercise prices of the previously exercised Subject Options. (Continued to footnote 2).

See the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on November 8, 2006 for additional information. For Section 16 reporting purposes only, the increases in option exercise prices are deemed to be a cancellation of the old options and the grant of replacement options. The other terms of the outstanding options (including the vesting of the options) remain unchanged. For Section 16 reporting purposes only, the increases in option exercise prices are deemed to be a cancellation of the old options and the grant of replacement options. The other terms of the outstanding options (including the vesting of the options) remain unchanged.

(3) The reporting person has acted to relinquish any personal benefit from option grants that were suspended in 1999 and reinstated in August 2000.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
