Item 7.01. Regulation FD Disclosure

On May 14, 2010, Casey's General Stores, Inc. (the "Company") reported April 2010 same-store sales results for stores open for one full year. Same-store sales across the business increased substantially in April 2010 compared to April 2009. Same-store sales for prepared food and fountain increased 9.0%, with grocery and other merchandise increasing 7.8%, in April 2010 compared to April 2009.

In addition, same-store gasoline gallons sold increased 2.5% in April 2010 compared to April 2009. The gasoline margin was above the Company's fiscal 2010 goal of 11.0 cents per gallon. The average retail price of gasoline sold during April 2010 was \$2.73 per gallon.

The positive results in April were driven in part by increased customer traffic, favorable weather and strategic price increases in the prepared food and fountain category.
