PROXY STATEMENT FOR
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 25, 2012

GENERAL

This proxy statement is being furnished in connection with the solicitation of proxies by the Board of Directors of Miller Industries, Inc. (the “Company” or “Miller Industries”) for use at the Company’s 2012 annual meeting of shareholders (the “Annual Meeting”) to be held at 879 College Drive, Dalton, Georgia 30720, on Friday, May 25, 2012, at 9:00 a.m. (Eastern time), and any adjournments or postponements thereof. It is anticipated that this proxy statement and the accompanying proxy card will first be mailed to shareholders on or about April 23, 2012.

Only holders of the Company’s common stock, \$0.01 par value per share (the “Common Stock”), at the close of business on April 5, 2012 are entitled to notice of and to vote at the Annual Meeting. On such date, the Company had issued and outstanding 11,058,281 shares of Common Stock. A list of all shareholders entitled to vote will be available for inspection at the Annual Meeting.

VOTING PROCEDURES

A majority of shares entitled to vote and represented in person or by proxy at the Annual Meeting will constitute a quorum. Abstentions and broker non-votes will be counted for the purpose of determining a quorum. Each outstanding share of Common Stock is entitled to one vote.

The election of a nominee to the Board of Directors requires a plurality of the votes cast by holders of shares of Common Stock present in person or represented by proxy at the Annual Meeting. Therefore, those nominees receiving the greatest number of votes at the Annual Meeting shall be elected, even though such nominees may not receive a majority of the votes cast. The proposal to approve the non-binding resolution to approve the compensation of the Company’s named executive officers will be approved if the number of votes cast in favor of approving the non-binding resolution exceeds those cast against it.

Abstentions and broker non-votes will be included in determining whether a quorum is present at the Annual Meeting, but will otherwise have no effect on any other matter. A broker non-vote occurs when a proxy received from a broker or other nominee holding shares on behalf of a client does not contain voting instructions on a “non-routine” matter because the broker or nominee has not received specific voting instructions from the client with respect to such non-routine matter. The proposals in this proxy statement are non-routine matters and accordingly the brokerage firm cannot vote your shares on those proposals without your instructions.

If you hold shares of Common Stock in your own name as holder of record, you may give a proxy to be voted at the Annual Meeting in any of the following ways: (i) over the telephone by calling a toll-free number; (ii) electronically, using the Internet; or (iii) by completing, signing and mailing the enclosed printed proxy card. If you are a shareholder of record and would like to submit your proxy vote by telephone or Internet, you should refer to the specific instructions provided on the enclosed proxy card. If you are a shareholder of record and wish to submit your

proxy by mail, you should sign and return the proxy card in accordance with the instructions thereon prior to the Annual Meeting. Additionally, a holder of record may vote in person by completing a ballot at the Annual Meeting. Even if you currently plan to attend the Annual Meeting, the Company recommends that you also submit your proxy as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

If you hold shares of Common Stock through a broker or other nominee (i.e., in “street name”), the broker or nominee should provide instructions on how you may instruct the broker or other nominee to vote those shares on your behalf.

A shareholder of record who votes over the Internet or by telephone may revoke the proxy by: (i) attending the Annual Meeting, notifying the Secretary of the Company (or his delegate), and voting in person; or (ii) voting again over the Internet or by telephone by no later than 1:00 a.m. (Central time) on May 25, 2012. A shareholder of record who signs and returns a proxy may revoke such shareholder’s proxy at any time before it has been exercised by: (i) attending the Annual Meeting, notifying the Secretary of the Company (or his delegate), and voting in person; (ii) filing with the Secretary of the Company a written revocation; or (iii) executing and delivering a timely and valid proxy bearing a later date. Unless revoked, where a choice is specified on the proxy, the shares represented thereby will be voted in accordance with such choice. If no choice is specified, such shares will be voted FOR the election of each of the five director nominees, and in the discretion of the proxy holders on any other matter that may properly come before the meeting. If you hold shares of Common Stock in street name you must follow the instructions given by your broker or nominee to change your voting instructions.

The Board of Directors has designated William G. Miller, Jeffrey Badgley and Frank Madonia, and each or any of them, to vote on its behalf the proxies being solicited hereby. The Board of Directors knows of no matters which are to be brought to a vote at the Annual Meeting other than those set forth in the accompanying Notice of Annual Meeting. However, if any other matter properly does come before the Annual Meeting, the persons appointed in the proxy, or their substitutes, will vote in accordance with their best judgment on such matters.

NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS

The Company posted materials related to the Annual Meeting on the Internet. The following materials are available on the Internet at www.shareholdermaterial.com/MillerIndustries:

- this proxy statement for the Annual Meeting; and
- the Company’s 2011 Annual Report to Shareholders (which includes the Company’s Annual Report on Form 10-K for the year ended December 31, 2011, other than the exhibits thereto).

PROPOSAL 1 ELECTION OF DIRECTORS

Introduction

Pursuant to the Company’s Charter and Bylaws, the Board of Directors has fixed the number of directors at five. The members of the Board of Directors comprise a single class, and at each annual meeting of shareholders all directors are elected. The directors elected at the Annual Meeting will serve until the annual meeting of shareholders in 2013, or until their successors are duly elected and qualified. The Board of Directors may fill directorships resulting from vacancies, and may increase or decrease the number of directors to as many as fifteen or as few as three. In March 2011, the Board of Directors decreased the size of the Board, prior to the Annual Meeting, from six to five members. Executive officers are appointed annually and serve at the discretion of the Board of Directors.

Upon the recommendation of the Nominating Committee, the Board of Directors has nominated Theodore H. Ashford, III, Jeffrey I. Badgley, A. Russell Chandler, III, William G. Miller and Richard H. Roberts, all five of the current members of the Board, for re-election as directors. Each such nominee has consented to be named herein and

to serve as a director, if elected.

Unless contrary instructions are received, shares of Common Stock represented by duly executed proxies will be voted in favor of the election of each of the five nominees named above to constitute the entire Board of Directors. The Board of Directors has no reason to expect that any nominee will be unable to serve and, therefore, at this time it does not have any substitute nominees under consideration.

Directors are elected by a plurality of the votes cast by holders of the shares of Common Stock entitled to vote at the Annual Meeting. Shareholders have no right to vote cumulatively for directors. Each shareholder shall have one vote for each director for each share of Common Stock held by such shareholder.

Information concerning the nominees for election, based on data furnished by them, is set forth below. The Board of Directors has determined that Messrs. Ashford, Chandler and Roberts are independent directors under the listing standards of the New York Stock Exchange (“NYSE”).

THE BOARD UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE “FOR” THE ELECTION OF EACH OF THE FIVE DIRECTOR NOMINEES.

CORPORATE GOVERNANCE

Independence, Board Meetings and Related Information

Independence

The Board of Directors has determined that a majority of the members of the Board of Directors are "independent," as "independent" is defined under applicable federal securities laws and the listing standards of the NYSE. The independent directors are Messrs. Ashford, Chandler and Roberts.

Meetings

The Board of Directors held seven meetings during 2011. All directors attended more than 75% of the meetings of the Board of Directors and the respective committees of which they are members. The non-management directors meet in executive session as a part of the meetings of the Audit Committee. The presiding director at those sessions is selected by the non-management directors on a meeting-by-meeting basis. The Company does not require its directors to attend its annual meeting of shareholders. In 2011, four of the Company's directors participated in the annual meeting by telephone and one director attended in person.

Communication with Directors

Interested parties may communicate with any non-management director by mailing a communication to the attention of that director at 8503 Hilltop Drive, Ooltewah, Tennessee 37363.

Committees of the Board of Directors

The Board of Directors has standing Audit, Compensation and Nominating Committees. Generally, members of these committees are elected annually by the Board of Directors, but changes to the committees may be made at the Board of Directors' discretion at any time. These committees operate pursuant to separate written charters adopted by the Board of Directors. These charters, along with the Company's Corporate Governance Guidelines, are available on the Company's website at www.millerind.com through the "Investor Relations" link. In addition, copies of these charters and guidelines can be obtained upon request from the Company's Corporate Secretary.

Audit Committee

The Audit Committee is comprised of Messrs. Ashford, Chandler and Roberts, with Mr. Roberts serving as Chairman. The Board of Directors has determined that each of the members of the audit committee is “financially literate” within the meaning of the listing standards of the NYSE, and qualifies as an “audit committee financial expert” as defined by applicable Securities Exchange Commission (“SEC”) rules.

The Audit Committee, among other things, recommends the appointment of the Company’s independent public accountants, reviews the scope of audits proposed by the Company’s independent public accountants, reviews audit reports on various aspects of corporate operations, and periodically consults with the Company’s independent public accountants on matters relating to internal financial controls and procedures. The Audit Committee held four meetings during 2011. The report of the Audit Committee is included in this proxy statement beginning on page 20.

Compensation Committee

The Compensation Committee is comprised of Messrs. Ashford, Chandler and Roberts, with Mr. Chandler serving as Chairman. The Compensation Committee establishes, among other things, salaries, bonuses and other compensation for the Company’s officers, and administers the Company’s stock option and other employee benefit plans. The Compensation Committee held three meetings during 2011. The report of the Compensation Committee is included in this proxy statement beginning on page 12.

Nominating Committee

The Nominating Committee is comprised of Messrs. Ashford, Chandler and Roberts, with Mr. Ashford serving as Chairman. The Nominating Committee was established to evaluate candidates for service as directors of the Company and to conduct the Board’s annual self-assessment process. The Nominating Committee will consider candidates recommended by shareholders. Shareholder recommendations must comply with the procedures for director nominations set forth in Article I, Section 1.2, of the Company’s Bylaws and applicable law. The Nominating Committee held one meeting during 2011.

Board Leadership Structure

The Board of Directors is responsible for overseeing and directing the management of the Company. Previously, our Board of Directors had chosen to have Co-Chief Executive Officers one of whom also served as Chairman of the Board. In March 2011, the Board of Directors chose to separate the positions of Chairman of the Board and Chief Executive Officer. Effective March 2011, Mr. William G. Miller began serving as the executive Chairman of the Board and as a full-time employee of the Company and Mr. Jeffrey I. Badgley began serving as the sole Chief Executive Officer of the Company and Vice Chairman of the Board. Each of the standing committees of the Board of Directors, the Audit, Compensation and Nominating Committees, is chaired by an independent director and is comprised entirely of independent directors.

The Board of Directors believes that separating the positions of Chairman of the Board and Chief Executive Officer allows our Chief Executive Officer to focus on our day-to-day business, while allowing the Chairman of the Board to lead our Board of Directors in its fundamental role of providing advice to and oversight of management. Our Board of Directors recognizes the time, effort and energy that the Chief Executive Officer is required to devote to his position in the current business environment, as well as the commitment required to serve as our Chairman, particularly as our Board of Director’s oversight responsibilities continue to grow. Although we do not have a policy mandating the separation of the roles of Chairman and Chief Executive Officer, our Board of Directors believes that having separate positions is the appropriate leadership structure for the Company at this time.

Additionally, the Board has not appointed a lead independent director. Currently, the Board consists of five directors, three of whom are independent. Due to the small size of the Board and the fact that all independent directors serve on all committees of the Board, all of the independent directors are able to closely monitor the activities of the Company and meet regularly in executive sessions without management to discuss the development and strategy of the Company. These executive sessions allow the independent directors to review key decisions and discuss matters in a manner that is independent of our Chairman and our Chief Executive Officer. Therefore, the Board has determined that a lead independent director is not necessary at this time. As the composition of the Board changes and/or grows in the future, the Board of Directors intends to reevaluate the need for a lead independent director.

Risk Management

Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. The Board believes that full and open communication between management and the Board of Directors is essential for effective risk management and oversight. The Board receives regular reports from members of senior management on areas of material risk to the Company, including operational, financial, legal and regulatory, strategic, competitive and reputational risks. Additionally, senior management is available to address any questions or concerns raised by the Board on risk management-related and any other matters.

While the Board is ultimately responsible for risk oversight at the Company, our three Board committees assist the Board in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements, and, in accordance with the NYSE rules, discusses policies with respect to risk assessment and risk management. The Compensation Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs. The Nominating and Governance Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks associated with board organization, membership and structure, succession planning for our directors and executive officers, and corporate governance.

Director Nominations

The Nominating Committee considers qualifications and characteristics that it, from time to time, deems appropriate when it selects individuals to be nominated for election to the Board of Directors. These qualifications and characteristics may include, without limitation, independence, integrity, business experience, education, accounting and financial expertise, age, diversity (including diversity of skills, background and experience), reputation, civic and community relationships and industry knowledge and experience. In addition, prior to nominating an existing director for re-election to the Board of Directors, the Nominating Committee will consider and review the existing director's Board and committee attendance, performance and length of Board service. The composition of the current Board of Directors reflects diversity in business and professional experience and skills.

Related Transactions and Business Relationships

Policy on Related Party Transactions

The Company recognizes that transactions between the Company or its subsidiaries and any of its directors or executive officers can present potential or actual conflicts of interest. Accordingly, as a general matter it is the Company's preference to avoid such transactions. Nevertheless, the Company recognizes that there are circumstances where such transactions may be in, or not inconsistent with, the best interests of the Company. Therefore, the Company has adopted a formal policy that requires the Company's Audit Committee to review and, if appropriate, approve or ratify any such transactions. Pursuant to the policy, the Committee will review any transaction in which the Company is or will be a participant and the amount involved exceeds \$120,000, and in which any of the Company's directors, executive officers or 5% shareholders had, has or will have a direct or indirect material interest. After its review, the Committee will only approve or ratify those transactions that are in, or are not inconsistent with, the best interests of the Company and its shareholders.

Certain Related Transactions and Business Relationships

On August 15, 2011, the Company purchased 499,400 shares of Common Stock at a price of \$17.00 per share from Hotchkis and Wiley Capital Management, LLC, a greater than 5% shareholder, in a transaction that was negotiated on an arms length basis. COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Compensation Discussion and Analysis

In 2011, the Company held a shareholder advisory vote on the compensation of its named executive officers, commonly referred to as a say-on-pay vote. The Company's shareholders overwhelmingly approved the compensation of the named executive officers with 93% of shareholder votes cast in favor of the say-on-pay resolution. As the Compensation Committee evaluated its compensation policies and overall objectives for 2012, it took into consideration this strong support of the shareholders. As a result, the Compensation Committee decided to retain the general approach and structure of the Company's executive compensation program, with an emphasis on the objectives described below. In the future, the Compensation Committee intends to continue to take the results of the annual say-on-pay vote into account.

Overview

This discussion and analysis addresses the material elements of the Company's compensation program for named executive officers, including the Company's compensation objectives and overall compensation philosophy, the compensation process and the administration of the compensation program. It is intended to complement and enhance an understanding of the compensation information presented in the "Summary Compensation Table" and other accompanying tables in this proxy statement.

As used in this proxy statement, the term "named executive officers" means, the Company's Chairman; Chief Executive Officer; Executive Vice President and Chief Financial Officer; President; Vice President of Sales - North America, and Executive Vice President, Secretary and General Counsel as of December 31, 2011. In this "Compensation Discussion and Analysis" section, the terms "we," "our," "us" and the "Committee" refer to the Compensation Committee of the Company's Board of Directors.

Compensation Objectives and Overall Compensation Philosophy

The Company's executive compensation program is designed to enhance Company profitability, and thus shareholder value, by aligning executive compensation with the Company's expectations and performance, and by establishing a system that can retain and reward executive officers who contribute to the long-term success of the Company. More specifically, the overall goals of the executive compensation program include:

- offering competitive total compensation opportunities to retain talented executives;
- providing strong links between Company performance and total compensation earned – i.e., paying for performance;
- emphasizing the long-term performance of the Company, thus enhancing shareholder value; and
- promoting and facilitating stock ownership by executive officers.

We believe that it is in the best interests of the Company's shareholders and its named executive officers that the Company's executive compensation program, and each of its elements, remain simple and straightforward. This approach should reduce the time and cost involved in setting the Company's executive compensation policies and calculating the payments under such policies, and should enhance the transparency of, and the ability to comprehend, these policies.

The Board of Directors has reviewed our compensation policies and practices as generally applicable to our employees and determined that they do not encourage excessive risk or unnecessary risk taking and do not otherwise create risks that are reasonably likely to have a material adverse effect on the Company.

Administration

The Committee has overall responsibility with respect to approving and monitoring the Company's executive compensation program, and operates under a Charter that was approved by the Company's Board of Directors in 2004. None of the members of the Committee has been an officer or employee of the Company, and the Board of Directors has considered and determined that all of the members are "independent," as that term is defined under NYSE and SEC rules, and otherwise meet the criteria set forth in the Committee's Charter.

In fulfilling its responsibilities, the Committee, among other things, establishes and approves the compensation level of each of the named executive officers, reviews and approves corporate goals and objectives relevant to the compensation of the named executive officers, evaluates the performance of the named executive officers in light of these goals and objectives, determines and approves compensation based on these objectives and its evaluations, establishes criteria for granting stock options to the named executive officers and the Company's other employees, considering the recommendations of senior management, and approves such stock option grants.

We regularly review and discuss the compensation of the named executive officers with William G. Miller and Jeffrey I. Badgley, the Company's Chairman and Chief Executive Officer, respectively, and consult with Messrs. Miller and Badgley in evaluating the performance of the named executive officers. In addition, Mr. Miller may make recommendations to us regarding compensation for all of the named executive officers, other than for himself, and Mr. Badgley may make recommendations to us regarding compensation for all of the named executive officers, other than himself and Mr. Miller.

As discussed in greater detail below, the levels of each element of compensation for the named executive officers are determined based on several factors, which may include the Company's historical performance and relative shareholder return, our informal assessment of compensation paid to executives in comparable industries, the amount and the elements of compensation provided in previous years, the terms of each named executive officer's employment agreement with the Company, our expectations for the Company's future financial performance and other matters that we deem relevant. In setting the compensation for our Chief Executive Officer, we also reviewed and considered 2010 compensation information for chief executive officers of public companies in (i) the industrial, machinery and metal products sector as defined by Standard & Poor's with annual sales between \$200 million and \$600 million, and (ii) the transportation sector as defined by Salary.com with annual sales between \$200 million and \$1.5 billion. In addition, we consider the level of experience and the responsibilities of each named executive officer, his performance and the personal contributions he makes to the success of the Company. Leadership skills, analytical skills, organization development, public affairs and civic involvement have been and will continue to be deemed to be important qualitative factors to take into account in considering elements and levels of compensation. We have not adopted any formal or informal policy for allocating compensation between long-term and short-term elements, between cash and non-cash or among the different possible forms of non-cash compensation.

In 2011, the Company's executive compensation program consisted primarily of base salary and cash bonuses. In addition, while the Company did not grant any stock option awards in 2011, annual discretionary cash performance bonuses and stock options have historically been elements of the Company's executive compensation program, and may again be elements of the Company's executive compensation program in the future. In addition to base salary and cash bonuses, the Company has provided, and will continue to provide, its named executive officers with certain benefits, such as healthcare plans, that are available to all employees.

Elements of Compensation

Base Salary. We determine the base salary for each of the named executive officers annually based on, among other things, his experience and the scope of his responsibilities, his performance and the performance of the

Company, our expectations for the Company's future financial performance and our informal assessment of salaries paid to executives in comparable industries. The minimum levels of some of these base salaries are mandated by employment agreements with certain of the named executive officers (which are described in more detail below under the heading "Additional Discussion of Material Items in Summary Compensation Table Employment Agreements with Named Executive Officers"). We believe that base salaries are an important part of the Company's executive compensation program because they provide the named executive officers with a steady income stream that is not contingent upon the Company's overall performance.

Beginning in November 2009 and continuing through 2011, based on the improvement in economic conditions and our expectations for the Company's financial performance and in connection with the increase in base salaries for domestic salaried employees, the base salary for each named executive officer was restored to the level of base salary that such named executive officer was paid prior to the voluntary salary reductions implemented in 2008 plus 1.5%. Under William G. Miller's employment agreement with the Company, Mr. Miller is entitled to receive a base salary that is substantially the same as the Company's Chief Executive Officer; however, from 1999 through 2006 he declined increases to which he was entitled under his agreement. Effective July 2007, the Compensation Committee increased Mr. Miller's salary to match the salary of the Chief Executive Officer in accordance with his employment agreement. For 2010, Mr. Miller's base salary was adjusted accordingly to match Mr. Badgley's 2010 base salary, however, Mr. Miller declined to increase his salary to that of Mr. Badgley in 2011.

In March 2011, when Mr. Badgley became the sole Chief Executive Officer and Vice Chairman, the Compensation Committee approved an increase in base salary for Mr. Badgley to \$450,000 effective March 1, 2011.

Annual Cash Bonuses. We utilize annual discretionary cash bonuses to provide additional compensation to the named executive officers, and to reward them for their performance. We have not adopted any formal or informal performance or other objectives for the calculation or payment of these discretionary bonuses. Instead, in determining an annual discretionary bonus, we consider, among other things, the Company's performance for the previous year and relative shareholder value, discretionary bonuses awarded in previous years, the performance of the named executive officer and his personal contributions to the success of the Company.

Annual discretionary cash bonuses, as opposed to grants of stock options or other equity-based awards, are designed to provide additional compensation to the named executive officers, and to more immediately reward them for their performance. The immediacy of these bonuses provides an incentive to the named executive officers to raise their level of performance, and thus the Company's overall level of performance. Thus, we believe that discretionary cash bonuses are an important motivating factor for the named executive officers.

In 2011, based primarily on the Company's performance in 2010, we determined to pay annual discretionary cash bonuses to the named executive officers. Cash bonuses were determined based upon the Company's performance. The amounts of such cash bonuses paid to the named executive officers are set forth in the "Summary Compensation Table."

In April 2011, in connection with Mr. Badgley becoming the sole Chief Executive Officer and Vice Chairman, the Compensation Committee approved a new cash bonus plan for Mr. Badgley that was designed to emphasize the objective of maintaining profitability during every part of the business cycle. The plan provides Mr. Badgley an annual bonus equal to 1.0% of the first \$20 million of the Company's pretax net income, and 0.5% of pretax net income in excess of \$20 million, subject to Compensation Committee discretion to decrease such amount as it deems appropriate. In the event that the Company incurs an annual pretax net loss at any time that Mr. Badgley remains the CEO of the Company, then bonus amounts previously paid on equivalent pretax profit would be recovered from Mr. Badgley. These amounts may be recovered by offsetting future bonuses or salary or by direct repayment from Mr. Badgley or, in the event of Mr. Badgley's termination from employment with the Company, payments otherwise due under his employment agreement. Mr. Badgley's total salary and bonus compensation may not exceed \$975,000 annually. Mr. Badgley's bonus paid in 2012 under this plan based on performance in 2011 was \$289,840.

In 2012, based primarily on the Company's performance in 2011, we determined to pay annual discretionary cash bonuses to the named executive officers, other than Mr. Badgley, who received a bonus as described above, and Mr. William G. Miller, who declined a bonus in 2012 as in past years, as follows:

Frank Madonia: \$51,000

J. Vincent Mish: \$51,000

Vincent J. Tiano: \$55,000

William G. Miller, \$55,000

II:

Equity Awards. Although we did not award stock options to the named executive officers in 2010 or 2011, we consider equity-based awards to be an important part of the Company's overall executive compensation philosophy. Historically, Mr. Miller has declined grants of equity awards from the Company.

Stock options and other equity-based awards provide the named executive officers with a strong link to the Company's long-term performance, promote an ownership culture and more closely align the interests of the named executive officers and the Company's shareholders. Equity incentive awards are granted under the Company's 2005 Equity Incentive Plan. This plan provides us with broad discretion to fashion the terms of awards to provide eligible participants with such stock-based incentives as we deem appropriate. It permits the issuance of awards in a variety of forms, including non-qualified stock options and incentive stock options, stock appreciation rights, restricted stock awards and performance shares.

In general, options for the purchase of 500 or more shares vest in four equal annual installments, and all options for the purchase of fewer than 500 shares vest in two equal annual installments. All stock options are exercisable until the tenth anniversary of the grant date unless otherwise earlier terminated pursuant to the terms of the individual option agreement.

Severance and Change of Control Arrangements. As discussed in more detail in the "Additional Discussion of Material Items in Summary Compensation Table Employment Agreements with Named Executive Officers" and "Potential Payments Upon Termination or Change in Control" sections below, the named executive officers may be entitled to certain benefits upon the termination of their respective employment or change in control agreements.

Other Compensation. The named executive officers currently are entitled to participate in the Company's health, life and disability insurance plans and in our 401(k) plan to the same extent that the Company's employees are entitled to participate.

Policy with Respect to Qualifying Compensation for Deductibility

Section 162(m) of the Internal Revenue Code imposes a limit on tax deductions for annual compensation (other than performance-based compensation) in excess of one million dollars paid by a corporation to its Chief Executive Officer and its other three most highly compensated executive officers. The Compensation Committee does not believe that the Company's compensation policies would result in compensation in excess of these limits but reserves the right to award nondeductible compensation when appropriate to accomplish other compensation objectives. The Committee will continue to assess the impact of Section 162(m) on its compensation practices and determine what further action, if any, is appropriate.

Report of the Compensation Committee

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis contained under that heading in this proxy statement. On the basis of its reviews and discussions, the Committee has recommended that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2011, and this proxy statement.

Additional Discussion of Material Items in Summary Compensation Table

The Company's executive compensation policies and practices, pursuant to which the compensation set forth in the Summary Compensation Table was paid or awarded, are described above under "Compensation Discussion and Analysis." A summary of certain material terms of the Company's compensation plans and arrangements is set forth below.

Employment Agreements with Named Executive Officers

William G. Miller. In July 1997, the Company entered into an employment agreement with Mr. Miller which was amended and restated in December 2008. The employment agreement provides for a base salary as agreed to by the Company and Mr. Miller from time to time, but which shall in any event be substantially the same as the base salary of the Chief Executive Officer of the Company. Mr. Miller also receives certain insurance and other benefits as are generally provided by the Company to its executive employees. Mr. Miller's employment agreement is for an indeterminate term and allows Mr. Miller to pursue other business related interests as long as they do not interfere with his duties for the Company. Employment may be terminated by either party upon three years' written notice or for "cause," as defined in the employment agreement.

Jeffrey I. Badgley. In September 1998, the Company entered into an employment agreement with Mr. Badgley which was amended and restated in December 2008, and which was further amended in April 2011. The employment agreement provides for a rolling three-year term, extended automatically each day for an additional day such that the remaining term of the employment agreement is three years. However, on Mr. Badgley's 62nd birthday, the employment agreement ceases to extend automatically, and instead terminates three years from that date. The employment agreement provides for a base salary that is subject to annual review and adjustment by the Board of Directors. Additionally, the employment agreement provides that Mr. Badgley will participate in the annual bonus plan discussed above under the heading "Annual Cash Bonuses" and in other benefit plans generally available to executive officers of the Company. The Company may terminate Mr. Badgley pursuant to the employment agreement for any reason upon written notice. However, if termination is for other than "just cause" (as defined in the employment agreement), Mr. Badgley is entitled to certain benefits described under the heading "Potential Payments Upon Termination or Change in Control" below.

Frank Madonia. In September 1998, the Company entered into an employment agreement with Mr. Madonia which was amended and restated in December 2008. The employment agreement provides for a rolling three-year term, extended automatically each day for an additional day such that the remaining term of the employment agreement is three years. However, on Mr. Madonia's 62nd birthday, the employment agreement ceases to extend automatically, and instead terminates three years from that date. The employment agreement provides for a base salary that is subject to annual review and adjustment by the Board of Directors. Additionally, Mr. Madonia may participate in any bonus plans or other benefits generally available to executive officers of the Company. The Company may terminate Mr. Madonia pursuant to the employment agreement for any reason upon written notice. However, if termination is for other than "just cause" (as defined in the employment agreement), Mr. Madonia is entitled to certain benefits described under the heading "Potential Payments Upon Termination or Change in Control" below.

J. Vincent Mish. In December 2002, the Company entered into an employment agreement with Mr. Mish which was amended and restated in December 2008. The employment agreement provides for a rolling three-year term, extended automatically as of each annual shareholders' meeting such that the remaining term of the employment agreement is three years as of that date. Notwithstanding the foregoing, the term of the agreement ends on Mr. Mish's 65th birthday. The employment agreement provides for base salary that is subject to annual review and adjustment by the Board of Directors. Additionally, Mr. Mish may participate in any bonus plans or other benefits generally available to executive officers of the Company. The Company may terminate Mr. Mish pursuant to this employment agreement for any reason upon written notice. However, if termination is for other than "just cause" (as defined in the employment agreement), Mr. Mish is entitled to certain benefits described under the heading "Potential Payments Upon Termination or Change in Control" below.

2005 Equity Incentive Plan

The Company's shareholder-approved 2005 Equity Incentive Plan is a flexible plan that provides the Compensation Committee with broad discretion to fashion the terms of awards to provide eligible participants with such equity-based incentives as the Committee deems appropriate. It permits the issuance of awards in a variety of forms, including non-qualified stock options and incentive stock options, stock appreciation rights, restricted stock awards and performance shares. During 2011, no awards were granted to the Company's named executive officers under the 2005 Equity Incentive Plan.

Contributory Retirement Plan

The Company maintains a contributory retirement plan for all full-time employees with at least 90 days of service. The plan is designed to provide tax-deferred income to the Company's employees in accordance with the provisions of Section 401(k) of the Internal Revenue Code. The plan provides that each participant may contribute up

to 15% of his or her salary. For 2011, the Company matched 50% of the first 5% of participant contributions. Matching contributions vest over the first five years of employment.

Potential Payments Upon Termination or Change in Control

The Company is party to employment agreements with each of its named executive officers other than Vincent J. Tiano and William G. Miller II, and has entered into change in control agreements with three of its named executive officers. Each of these employment and change in control agreements address, among other things, compensation and benefits that would be paid to the applicable named executive officer in the event that his employment is terminated for different reasons, including termination for cause or without cause, and termination in connection with a change in

control.

Employment Agreements

William G. Miller. The Company's employment agreement with Mr. Miller provides that either the Company or Mr. Miller may terminate the agreement for any reason upon three years' prior notice, that Mr. Miller may terminate the agreement upon 60 days' notice in the event of a change in control of the Company, and that the Company may terminate the agreement at any time for "cause," or if Mr. Miller dies or becomes disabled. Under the employment agreement:

- Upon any termination of Mr. Miller's employment for "cause," Mr. Miller will be entitled to receive all compensation due to him through his last day of employment.
- If Mr. Miller's employment is terminated due to death or disability, the Company will have no further liability under the employment agreement.
- If Mr. Miller's employment is terminated by the Company without "cause" without the required three year's prior notice or, if such notice has been given, prior to the end of the three-year notice period, Mr. Miller will be entitled to receive a lump sum pro-rated bonus (based on the average monthly bonus earned by him for the three calendar years immediately preceding the year in which his employment is terminated) for the number of days he worked during the year in which his employment is terminated, and Mr. Miller will be entitled to receive, monthly over the shorter of a 36-month period or the remaining portion of the three-year notice period: (i) his then-current base salary; (ii) the average monthly bonus earned by him for the three calendar years immediately preceding the year in which his employment is terminated; and (iii) continued health and life insurance coverage.

Under the employment agreements, “cause” means: (i) willful malfeasance or gross negligence; or (ii) knowingly engaging in wrongful conduct resulting in detriment to the goodwill of the Company or damage to the Company’s relationships with its customers, suppliers or employees. The employment agreement also provides for confidentiality during employment, and for non-competition during employment and for a three-year period from termination if the Company terminates the agreement for cause or Mr. Miller terminates his employment in breach of the agreement.

Jeffrey I. Badgley, Frank Madonia and J. Vincent Mish. The Company’s employment agreements with Messrs. Badgley, Madonia and Mish address the rights and obligations of the Company in connection with the termination of the executive’s employment in different situations including in connection with a change in control of the Company. Under each agreement:

- Upon any termination of the executive’s employment, including if the executive terminates his employment voluntarily, or if the Company terminates the executive’s employment for “just cause,” the executive will be entitled to receive all compensation due to him through his last day of employment.
- If the executive’s employment is terminated due to death, the executive’s beneficiary will be entitled to receive, in one lump sum, an amount equal to: (i) 12 months of his then-current base salary; (ii) 12 months of the average monthly bonus earned by him for the three calendar years immediately preceding the year in which his employment is terminated; and (iii) a pro-rated bonus, based on the average monthly bonus earned by him for the three calendar years immediately preceding the year in which his employment is terminated, for the number of days he worked during the year in which his employment is terminated.
- If the executive’s employment is terminated due to disability, all of the executive’s outstanding stock options will vest and become exercisable, the executive (or his beneficiary) will be entitled to receive a lump sum pro-rated bonus (based on the average monthly bonus earned by him for the three calendar years immediately preceding the year in which his employment is terminated) for the number of days he worked during the year in which his employment is terminated, and the executive (or his beneficiary) will be entitled to receive, monthly over a period of 24 months from the last day of employment: (i) his then-current base salary; (ii) the average monthly bonus earned by him for the three calendar years immediately preceding the year in which his employment is terminated; and (iii) continued health and life insurance coverage.
- If the executive’s employment is terminated by the Company without “just cause,” or if the executive’s employment is terminated under circumstances that would entitle him to receive benefits under his change in control agreement (i.e., in connection with a change in control of the Company) with the Company, if any, all of the executive’s outstanding stock options will vest and become exercisable, the executive will be entitled to receive a lump sum pro-rated bonus (based on the average monthly bonus earned by him for the three calendar years immediately preceding the year in which his employment is terminated) for the number of days he worked during the year in which his employment is terminated, and the executive will be entitled to receive, monthly over the shorter of a 36-month period or the remaining term of the employment agreement: (i) his then-current base salary; (ii) the average monthly bonus earned by him for the three calendar years immediately preceding the year in which his employment is terminated; and (iii) continued health and life insurance coverage; provided, that if the executive dies during the post-termination period in which these benefits are being paid, the monthly base salary and bonus payments will continue for the shorter of 12 months after his death or the remaining term of the employment agreement.

Under the employment agreements, “just cause” means: (i) executive’s material fraud, malfeasance, gross negligence or willful misconduct with respect to the business affairs of the Company which is directly or materially harmful to the business or reputation of the Company or its subsidiaries, and which is incapable of being remedied or not remedied within 30 days of notice from the Company; (ii) executive’s conviction of or failure to contest prosecution for a felony or a crime involving moral turpitude; or (iii) executive’s material breach of the employment agreement which is incapable of being remedied or not remedied within 30 days of notice from the Company.

Each employment agreement also provides for non-competition and confidentiality during employment and for a period ending two years from termination or expiration of the employment agreement (or one year if termination occurs pursuant to a change in control).

Change in Control Agreements

In September 1998, the Company entered into change in control agreements with Messrs. Badgley and Madonia, and in December 2002, the Company entered into a change in control agreement with Mr. Mish. The change in control agreements with Messrs. Badgley, Madonia and Mish were amended and restated in December 2008. Under each agreement, if the executive’s employment is terminated within six months before, or 24 months after, a “change in control” of the Company, and the termination was either by the Company (other than for cause, disability or death), or “voluntary” on the part of the executive, then all of the executive’s outstanding stock options will vest and become exercisable, and the executive will be entitled to receive:

- a lump sum payment (or, in certain circumstances, payment over 36 months) equal to the present value of 36 months of:
 - his then-current base salary; and
 - the average monthly bonus earned by him for the three calendar years immediately preceding the year in which his employment is terminated;
- a lump sum pro-rated bonus, based on the average monthly bonus earned by him for the three calendar years immediately preceding the year in which his employment is terminated, for the number of days he worked during the year in which his employment is terminated, discounted to present value; and
- health and life insurance benefits over the shorter of a 36-month period or the remaining term of the employment agreement.

However, any amounts paid under the change in control agreements will be reduced to the extent that the executive receives or is entitled to receive payments in respect of the change in control under the executive’s employment agreement. If the executive does not actually receive payments under the employment agreement, or the employment agreement is breached by the Company, payments will be made under the change in control agreement. Additionally, under the change in control agreements, the Company has agreed to provide the executive with a gross-up payment for federal and state income taxes and federal excise taxes imposed on any “excess parachute payment.”

Under the change in control agreements, “voluntary” termination by the executive means termination of employment that is voluntary on the part of the executive, and, in the judgment of the executive, is due to: (i) a material reduction of the executive’s authorities, duties or responsibilities resulting from a formal change in title or status, or from the assignment to the executive of any duties inconsistent with his authorities, duties or responsibilities in effect within the year prior to the change in control, (ii) a material reduction in the executive’s base compensation, or (iii) a Company-required involuntary relocation of the executive’s place of residence.

Potential Payments

Assuming that a termination event or change in control occurred on December 31, 2011, the value of potential payments and benefits payable to each named executive officer who was employed by the Company on such date is summarized in the following table. Mr. Tiano and Mr. William G. Miller II are not entitled to any payments or benefits that are not generally available to other U.S. salaried employees, and, thus, are not included in the table. The price per share of Common Stock used for purposes of the following calculation is the closing market price on the NYSE as of December 30, 2011, the last trading day in 2011, which was \$15.73. The table excludes (i) amounts accrued through December 31, 2011 that would be paid in the normal course of continued employment, such as accrued but unpaid salary, (ii) vested account balances in the Company's contributory retirement plan that are generally available to all of the Company's U.S. salaried employees, and (iii) any amounts to be provided under any arrangement that does not discriminate in scope, terms or operation in favor of named executive officers and that is available generally to all salaried employees. Actual amounts to be paid can only be determined at the time of such executive's termination.

Non-Employee Director Compensation for 2011

The current compensation program for the Company's non-employee directors is designed to pay directors for work required for a company of Miller Industries' size and scope and to align the director's interests with the long-term interests of Company shareholders.

Non-employee directors receive annual compensation comprised of a cash component and an equity component. Under the cash component, each non-employee director receives an annual cash payment of \$25,000 as compensation for service on the Board of Directors. Additionally, each non-employee director receives a cash payment of \$3,000 for each Board of Directors meeting that he attends and a cash payment of \$1,000 for each committee meeting that he attends.

Under the equity component, each non-employee director is entitled to an annual award under the Company's Non-Employee Director Stock Plan, to be paid in fully-vested shares of Common Stock, equal to \$25,000 divided by the closing price of the Common Stock on the first trading day of such year. On January 3, 2011, each of Messrs. Chandler, Ashford, Roberts and Drack was granted 1,710 shares of Common Stock, which number of shares was determined by dividing \$25,000 by \$14.62, the closing price per share of Common Stock as reported on the NYSE on January 1, 2011, the first trading day in 2011. Mr. Drack resigned from the Board of Directors effective May 27, 2011. Each of Messrs. Chandler, Roberts and Drack has been granted an aggregate of 26,316 shares of Common Stock and Mr. Ashford has been granted 3,254 shares of Common Stock under the terms of the Company's Non-Employee Director Stock Plan through the end of 2011.

The members of the Board of Directors who are employees of the Company do not receive additional compensation for Board or committee service.

The following table reflects all compensation paid to non-employee directors during 2011.

Name (1)	Fees Earned or Paid in Cash (2)	Stock Awards (3)	Total
Theodore H. Ashford, III (4)	\$ 53,000	\$ 25,000	\$78,000

(2) Reflects annual cash payments plus attendance fees for the various Board and Committee meetings.

(3) Reflects the grant date fair value of annual common stock awards. The fair value of the awards of common stock was determined by reference to the market price of the underlying shares on the grant date and in accordance with FASB ASC Topic 718.

(5) Mr. Drack resigned from the Board of Directors effective May 27, 2011.

PROPOSAL 2
ADVISORY VOTE ON EXECUTIVE COMPENSATION

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables our shareholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC's rules. At last year's annual meeting, our shareholders approved, on an advisory basis, having the advisory vote on executive compensation on an annual basis. The Board of Directors subsequently decided to hold the say-on-pay vote at each annual meeting.

As described in detail under the heading “Compensation of Executive Officers and Directors—Compensation Discussion and Analysis,” the primary objectives of our executive compensation program are to: offer competitive total compensation opportunities to retain talented executives, provide strong links between Company performance and total compensation earned, emphasize the long-term performance of the Company, thus enhancing shareholder value, and promoting and facilitating stock ownership by executive officers.. Please read the “Compensation Discussion and Analysis” beginning on page 9 for additional details about our executive compensation programs, including information about the fiscal year 2011 compensation of our named executive officers.

We are asking our shareholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our shareholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers. Accordingly, we are asking our shareholders to vote “FOR” the following resolution at the annual meeting:

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of the Securities and Exchange Commission’s Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative disclosure, in the Company’s Proxy Statement for its 2012 Annual Meeting is hereby APPROVED.”

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or the Board of Directors. However, the Compensation Committee and the Board of Directors currently intends to take into account the outcome of the most recent advisory vote on named executive officer compensation when considering future executive compensation arrangements for the named executive officers, although it is under no obligation to do so. This proposal will be approved if the number of votes cast in favor of approving the non-binding resolution exceeds those cast against it.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT.

ACCOUNTING MATTERS

Audit Committee Report

The Company’s Audit Committee is comprised of three independent members, as required by applicable listing standards of the NYSE. The Audit Committee acts pursuant to a written Charter, which was amended and restated by the Board of Directors in March 2007. The Company’s management is responsible for its internal accounting controls and the financial reporting process. The Company’s independent accountants, Joseph Decosimo and Company, PLLC, are responsible for performing an audit of the Company’s consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (PCAOB) and for expressing an opinion as to their conformity with generally accepted accounting principles. The Audit Committee’s responsibility is to monitor and oversee these processes.

In keeping with that responsibility, the Audit Committee has reviewed and discussed the Company’s audited consolidated financial statements with management and the independent accountants. In addition, the Audit Committee has discussed with the Company’s independent accountants the matters required to be discussed by Auditing Standards AU Section 380 (Communication with Audit Committees) as adopted by the PCAOB in Rule 3200T. In addition, the Audit Committee has received the written disclosures from the independent accountants

required by applicable requirements of the PCAOB regarding the independent auditor's communications with the Audit Committee concerning independence, and has discussed with the independent accountants their independence. The Audit Committee has also considered whether the provision of non-audit services by the independent accountants is compatible with maintaining such accountants' independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's consolidated financial statements has been carried out in accordance with the standards of the PCAOB, that the consolidated financial statements are presented in accordance with generally accepted accounting principles, or that the Company's auditors are in fact "independent."

Based on the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements of the Company be included in the Annual Report on Form 10-K for the year ended December 31, 2011 for filing with the SEC.

This report is respectfully submitted by the Audit Committee of the Board of Directors.

Audit Committee
Richard H. Roberts, Chairman
Theodore H. Ashford
A. Russell Chandler, III

EQUITY COMPENSATION PLAN INFORMATION

The following table sets forth aggregate information as of December 31, 2011 about all of the Company's compensation plans, including individual compensation arrangements, under which the Company's equity securities are authorized for issuance.

Plan category	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans
Equity compensation plans approved by security holders	160,786 (1)	\$ 5.9780 (1)	See Note (2)
Equity compensation plans not approved by security holders	—	—	—

(1) Includes only options outstanding under the Company's 1994 Stock Option Plan and 2005 Equity Incentive Plan. Does not include shares of common stock issued to non-employee directors under the Company's Non-Employee Director Stock Plan, which shares are fully vested and exercisable upon issuance.

(2) The 1994 Stock Option Plan expired in August 2004, therefore no securities are available for future issuance under this plan. As of December 31, 2011, there were 571,985 securities available for future issuance under the 2005 Equity Incentive Plan. Grants are made annually to non-employee directors under the Non-Employee Director Stock Plan, and the number of shares of common stock to be granted to each non-employee director for a particular year is determined by dividing \$25,000 by the closing price of a share of the Company common stock on the first trading day of such year. Therefore, the number of securities remaining available for future issuance under the Non-Employee Director Stock Plan is not presently determinable.

Based solely on a review of the written statements and copies of such reports furnished to the Company by its executive officers and directors, the Company believes that, during 2011, all Section 16(a) filing requirements were met, with the exception of the following: (i) sales of shares by William G.
