Item 12. Results of Operations and Financial Condition.

On October 27, 2003, the Registrant issued a press release announcing its results for the third quarter period ended September 27, 2003. A copy of such press release is furnished as Exhibit 99.1 hereto.

On October 28, 2003, the Registrant participated in a telephone conference call relating to its earnings release for the third quarter period ended September 27, 2003. The transcript of the conference call and a copy of the accompanying slide show presentation are furnished as Exhibits 99.2 and 99.3 hereto, respectively.

The information being furnished hereunder discloses EBITDA, a non-GAAP financial measure within the meaning of Regulation G promulgated by the Securities and Exchange Commission. The Registrant believes that EBITDA is a useful measure of evaluating its financial performance because of its focus on the Registrant's results from operations before interest, income taxes, depreciation and amortization. EBITDA is utilized for internal analysis of the Registrant and its operating subsidiaries. EBITDA is not a measure of financial performance under generally accepted accounting principles (GAAP) and should not be considered in isolation or as an alternative to other financial measures determined under GAAP. However, EBITDA is widely used by investors, financial analysts and rating agencies as an alternative measure of evaluating, comparing and rating operating performance. EBITDA presented by the Registrant may not be comparable to similarly titled measures reported by other companies.

The information in this Form 8-K, including exhibits, is being furnished pursuant to Item 12 of this report and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be incorporated by reference into any registration statement filed by the Registrant under the Securities Act of 1933, as amended, unless specifically identified therein as being incorporated therein by reference.
