REPURCHASE OFFER NOTICE

To All Stockholders of The Mexico Fund, Inc.:

The Mexico Fund, Inc. (the **Fund**) is offering to repurchase its shares (the **Repurchase Offer**) in an amount up to five percent (5%) of the Fund's issued and outstanding shares of common stock, par value \$1.00 per share, in exchange for a *pro-rata* portion of each of the securities (other than fixed income securities with maturities of less than one year, securities with transfer restrictions and certain illiquid securities) (**Portfolio Securities**) held in the Fund's investment portfolio, subject to adjustment for fractional shares and odd lots, at a price equal to the per share net asset value in U.S. Dollars as of the close of regular trading on the New York Stock Exchange on **January 20, 2004** (the **Repurchase Pricing Date**), reduced by a 2% repurchase price adjustment (the **Repurchase Price Adjustment**), for a repurchase price equal to 98% of the per share net asset value (the **Repurchase Price**). The Repurchase Offer is subject to the terms and conditions set forth in this Repurchase Offer Notice dated **December 19, 2003** and the related Repurchase Request Form. The Fund will offer to repurchase no less than five percent (5%) of its outstanding shares during each fiscal year. Periodic repurchases will occur at three, six, or 12 month intervals as determined by the Board of Directors (the **Board**) in its discretion. The Board of Directors anticipates that the Fund's next repurchase offer will occur towards the end of July 2004 for an amount yet to be determined.

If stockholders tender for repurchase more Fund shares than the number of shares that the Fund is offering to repurchase, the Fund may (but is not obligated to) increase the number of shares that the Fund is offering to purchase by up to two percent (2%) of the number of shares outstanding on the Repurchase Request Deadline. If the number of shares tendered for repurchase exceeds the number of shares which the Fund is offering to repurchase, the Fund will repurchase tendered shares on a *pro-rata* basis. The Fund may, in its discretion, accept all shares tendered by stockholders who own fewer than 100 shares and tender all their shares for repurchase in this Repurchase Offer, before *pro-rating* the shares tendered by other stockholders. There can be no assurance that the Fund will be able to repurchase all the shares that you tender even if you tender all the shares that you own. **In the event of an oversubscribed Repurchase Offer, the Fund may be unable to repurchase all of the Shares submitted at the Repurchase Price. You may have to wait until a subsequent repurchase offer to tender shares that the Fund was unable to repurchase, and you would be subject to the risk of net asset value fluctuations during that time.**

IF YOU ARE NOT INTERESTED IN SELLING ANY OF YOUR SHARES AT THIS TIME, YOU DO NOT NEED TO DO ANYTHING. THIS REPURCHASE OFFER IS NOT PART OF A PLAN TO LIQUIDATE THE FUND. STOCKHOLDERS ARE NOT REQUIRED TO PARTICIPATE IN THE REPURCHASE OFFER.

The purpose of the Repurchase Offer is to provide stockholders an alternative source of liquidity for their Fund shares in addition to cash sales of Fund shares on the New York Stock Exchange and to enhance stockholder value. The Repurchase Offer provides stockholders with the opportunity to redeem their shares in-kind (*i.e.*, in exchange for Portfolio Securities and cash held by the Fund) in order to realize close to net asset value for their shares. The Repurchase Offer also is intended to insulate stockholders who choose not to participate from bearing any portion of the unrealized capital gains of the Fund which would be realized if the Fund sold the Portfolio Securities in order to satisfy repurchase requests in cash.

PARTICIPATION IN THE REPURCHASE OFFER WILL RESULT IN THE RECEIPT OF MEXICAN SECURITIES IN EXCHANGE FOR SHARES OF THE FUND. IF YOU DO NOT WISH TO RECEIVE MEXICAN SECURITIES YOU SHOULD NOT PARTICIPATE IN THE REPURCHASE

OFFER. YOU MAY SELL YOUR SHARES ON THE NEW YORK STOCK EXCHANGE AT THE CURRENT MARKET PRICE AT ANY TIME.

THE REPURCHASE OFFER EXPIRES AT 5:00 P.M., NEW YORK CITY TIME, ON **JANUARY 13, 2004**, UNLESS EXTENDED (THE **REPURCHASE REQUEST DEADLINE**). The Fund is mailing materials for the Repurchase Offer to record holders as of December 15, 2003, on or about December 22, 2003. The depositary for the Repurchase Offer is American Stock Transfer & Trust Co. (the **Depositary**) and the Information Agent for the Repurchase Offer is Georgeson Shareholder Communications Inc. (the **Information Agent**).

The Fund normally publishes its net asset value per share on each business day after the close of regular trading on the New York Stock Exchange. The Fund's shares are listed for trading under the symbol **MXF** on the New York Stock Exchange. As of December 17, 2003, there were 15,540,035 Fund shares issued and outstanding, the net asset value per share was \$17.37, and the market price per share was \$15.65, representing a 9.90% discount from the net asset value per share. The Fund does not expect that the number of Fund shares issued and outstanding will be materially different on the Repurchase Request Deadline. The Repurchase Offer is an alternative means to permit you to sell your shares to the Fund in exchange primarily for Portfolio Securities. **You may continue to purchase and sell Fund shares in cash transactions over the New York Stock Exchange.**

You can obtain the current net asset value and market price per share as of the close of business on the previous business day during the period of the Repurchase Offer by calling the Information Agent, at 1-800-965-5216, between the hours of 9:00 a.m. and 5:00 p.m., New York City time, Monday-Friday (except holidays). You can also access the Fund's web site, www.themexicofund.com, for this information, which is typically updated on a daily basis at around 6:30 p.m., New York City time.

If you desire to participate in the Repurchase Offer, you should either (1) complete and sign the Repurchase Request Form and mail or deliver it to the Depositary together with the Fund shares (in proper certificated or uncertificated form), and any other documents required by the Repurchase Request Form; or (2) request your broker, dealer, commercial bank, trust company or other nominee to effect the transaction for you. ***If your Fund shares are registered in the name of a broker, dealer, commercial bank, trust company or other nominee, you must contact that firm if you desire to participate in the Repurchase Offer.*** Stockholders whose shares are not registered in the name of a broker, dealer, commercial bank, trust company or other nominee may wish to consult with such an entity to facilitate their participation in the Repurchase Offer and fulfill the requirements for participation. In addition to the two percent (2%) Repurchase Price Adjustment, stockholders may be charged a fee by a broker, dealer or other institution for processing the documentation required to participate in the Repurchase Offer and may incur other expenses as described in this Repurchase Offer Notice, including expenses associated with the establishment of a Mexican brokerage or custodial account.

All stockholders are advised that certain brokers, dealers or other parties may require additional instructions and information, than are currently required by the Fund pursuant to this Repurchase Offer Notice, in order for such firms to facilitate the stockholder's participation in the Repurchase Offer. Stockholders who wish to participate in the Repurchase Offer are advised to consult their broker, dealer, commercial bank, trust company or other nominee well in advance of the Repurchase Request Deadline to ensure compliance with any additional informational requirements imposed by such firms.

You may, of course, elect to keep your shares of the Fund at this time, in which case you may disregard this notice and the attached forms. **PLEASE REMEMBER THAT YOU ARE NOT OBLIGATED TO DO ANYTHING WITH YOUR SHARES OF THE FUND AT THIS TIME.**

1. Terms of the Repurchase Offer; Repurchase Request Deadline.

Upon the terms and conditions set forth herein, the Fund will accept for payment, and repurchase, up to five percent (5%) of the Fund's issued and outstanding shares of common stock, or 777,002 shares in the aggregate, validly submitted for repurchase on or prior to 5:00 p.m., New York City time, on the Repurchase Request Deadline and not withdrawn as permitted by Section 4. A stockholder may submit for repurchase some or all of the Fund shares owned by the stockholder.

If stockholders tender for repurchase more Fund shares than the number of shares that the Fund is offering to repurchase, the Fund may (but is not obligated to) increase the number of shares that the Fund is offering to purchase by up to two percent (2%) of the number of shares outstanding on the Repurchase Request Deadline. If the number of shares tendered for repurchase exceeds the number of shares which the Fund is offering to repurchase, the Fund will repurchase tendered shares on a *pro-rata* basis. The Fund may, in its discretion, accept all shares tendered by stockholders who own fewer than 100 shares and tender all their shares for repurchase in this Repurchase Offer, before *pro-rating* the shares tendered by other stockholders. There can be no assurance that the Fund will be able to repurchase all the shares that you tender even if you tender all the shares that you own. In the event of an oversubscribed Repurchase Offer, the Fund may be unable to repurchase all of the Shares you submitted at the Repurchase Price. **You may have to wait until a subsequent repurchase offer to tender shares that the Fund was unable to repurchase, and you would be subject to the risk of net asset value fluctuations during that time.**

If a stockholder decides against continuing to own shares of the Fund, consideration should be given to the relative benefits and costs of participating in the Repurchase Offer, including, but not limited to, the requirement of establishing a Mexican brokerage or custodial account (the **Mexican Account**), the risks of receiving the Portfolio Securities for which there may be less information available, and the costs and risks of disposing of the Portfolio Securities or retaining them, versus selling the Fund shares on the open market, such as a transaction on the New York Stock Exchange, at the prevailing market price with the associated transaction costs, and receiving cash payment in U.S. Dollars. *See* Section 6 of this Repurchase Offer Notice.

Repurchase proceeds will be paid on or before **January 27, 2004**, or within seven days after the Repurchase Pricing Date, determined in accordance with Rule 23c-3(a)(4) under the Investment Company Act of 1940, as amended (the **Investment Company Act**) (the **Repurchase Payment Deadline**). The Portfolio Securities may increase or decrease in value between the Repurchase Pricing Date and the Repurchase Payment Deadline, as well as during the period you hold your Portfolio Securities. The Board may only suspend or postpone the Repurchase Offer in accordance with the circumstances outlined in Section 8 of this Repurchase Offer Notice.

2. Acceptance for Payment and Payment for Shares.

Upon the terms and subject to the conditions of the Repurchase Offer, the Fund will accept for payment, and will pay for, Fund shares validly submitted for repurchase on or before the Repurchase Request Deadline and not properly withdrawn in accordance with Section 4 of this Repurchase Offer Notice, within seven days of the Repurchase Pricing Date. In all cases, payment for Fund shares submitted for repurchase and accepted for payment pursuant to the Repurchase Offer will be made only after timely receipt by the Depository of certificates for such Fund shares (unless such Fund shares are held in uncertificated form), a properly completed and duly executed Repurchase Request Form (or facsimile thereof), and any other documents required by the Repurchase Request Form.

The net asset value of Fund shares for repurchases must be determined no later than 14 days after the Repurchase Request Deadline pursuant to Rule 23c-3(a)(5) under the Investment Company Act. Payment for the shares will be based on the Fund's net asset value per share calculated at the Repurchase Pricing Date. **The net asset value of the shares may fluctuate between the Repurchase Request Deadline and the Repurchase**

Pricing Date, and there can be no assurance that the net asset value of the shares on the Repurchase Pricing Date will be as high as the net asset value of the shares on the Repurchase Request Deadline.

Pursuant to Rule 23c-3(a)(5)(iii) under the Investment Company Act, the Fund, in its discretion, reserves the right to use an earlier repurchase pricing date if, on or immediately following the Repurchase Request Deadline, it appears that the earlier date is unlikely to create a significant dilution in either shares that are tendered or those that are not tendered for repurchase. The Fund expressly reserves the right, in its sole discretion, to delay the acceptance for payment of, or payment for, Fund shares, in order to comply, in whole or in part, with any applicable law.

The sale proceeds of the Repurchase Offer will be paid in a *pro-rata* portion of the Portfolio Securities except for (a) securities which, if distributed, would be required to be registered under the Securities Act of 1933, as amended (the Securities Act); (b) securities issued by entities in countries which restrict or prohibit the holding of securities by non-nationals other than through qualified investment vehicles; and (c) certain portfolio assets (such as forward currency exchange contracts, futures and options contracts, and repurchase agreements) that, although they may be liquid and marketable, involve the assumption of contractual obligations, require special trading facilities or can only be traded with the counterparty to the transaction in order to effect a change in beneficial ownership. With respect to the Portfolio Securities, as to fractional shares and/or odd lots of securities and/or amounts attributable to any cash position (including short-term non-equity securities) for stockholders of record, the Fund will (a) pay cash (in Mexican pesos) for fractional shares and/or odd lots of securities and/or amounts attributable to any cash position (including short-term non-equity securities); (b) round off (up or down) odd lots or fractional shares so as to eliminate them prior to distribution; or (c) pay a higher *pro-rata* percentage of equity securities to represent such items. The choice of option (a), (b), or (c) with respect to the treatment of fractional shares and/or odd lots of securities is at the discretion of the Fund.

Portfolio Securities distributed as proceeds for participation in the Repurchase Offer will be valued in the same manner as they would be valued for the purposes of computing the Fund's net asset value on the Repurchase Pricing Date. In the case of Portfolio Securities traded on a public securities market for which quotations are available, this means their last reported sales price on the exchange on which the securities are primarily traded (with respect to Portfolio Securities traded on the Mexican Stock Exchange, the last reported closing price), or, if the securities are not listed on an exchange or the national securities market, or if there is no such reported price, the average of the most recent bid and asked price (or, if no such asked price is available, the last quoted bid prices). The Portfolio Securities distributed to stockholders pursuant to the Repurchase Offer will be limited to securities that are traded on a public securities market or for which quoted bid and asked prices are available.

For purposes of the Repurchase Offer, the Fund will be deemed to have accepted for payment Fund shares validly submitted for repurchase and not withdrawn as if and when the Fund gives oral or written notice to the Depositary of its acceptance for payment of such Fund shares pursuant to the Repurchase Offer. The Depositary will cancel shares submitted in the Repurchase Offer and the Fund's custodian will transfer the Portfolio Securities to the Mexican Accounts within seven days of the Repurchase Pricing Date. By participating in this Repurchase Offer, you assume these market risks. If any Fund shares submitted for repurchase are not accepted for payment pursuant to the terms and conditions of the Repurchase Offer for any reason, or are not paid because of an invalid submission, (i) certificates for such unpurchased Fund shares will be returned, without expense to the participating stockholder, as soon as practicable following expiration or termination of the Repurchase Offer, (ii) Fund shares delivered pursuant to the Book-Entry Delivery Procedure (as defined in Section 3 below) will be credited to the appropriate account maintained with the appropriate Book-Entry Transfer Facility (as defined in Section 3 below), and (iii) uncertificated Fund shares held by the Fund's transfer agent pursuant to the Fund's dividend reinvestment plan will be returned to the dividend reinvestment plan account maintained by the transfer agent.

If the Fund is delayed in payment for, or is unable to accept for payment or pay for, Fund shares pursuant to the Repurchase Offer for any reason, then, without prejudice to the Fund's rights under the Repurchase Offer, the

Depository may, on behalf of the Fund, retain Fund shares submitted for repurchase, and such Fund shares may not be withdrawn.

Participating stockholders may be required to pay brokerage fees to a U.S. broker, dealer, commercial bank, trust company or other nominee in order to participate in the Repurchase Offer. Participating stockholders may also be subject to certain tax consequences as discussed in Section 7 of this Repurchase Offer Notice.

Stockholders submitting shares in the Repurchase Offer must ensure that all required information has been provided and is accurate. The Fund is not responsible for notifying stockholders of any inaccuracies or deficiencies in their submission and an invalid submission will result in the return of Fund shares submitted for repurchase by a stockholder.

All stockholders are also advised that certain brokers, dealers or other parties may require additional instructions and information, than are currently required by the Fund pursuant to this Repurchase Offer Notice, in order for such firms to facilitate the stockholder's participation in the Repurchase Offer. Stockholders who wish to participate in the Repurchase Offer are advised to consult their broker, dealer, commercial bank, trust company or other nominee well in advance of the Repurchase Request Deadline to ensure compliance with any additional informational requirements imposed by such firms.

3. Procedure for Participating in the Repurchase Offer.

A. Proper Presentation of Shares for Repurchase.

Stockholders having Fund shares that are registered in the name of a broker, dealer, commercial bank, trust company or other nominee should contact such firm if they desire to participate in the Repurchase Offer. For a stockholder to properly submit Fund shares pursuant to the Repurchase Offer, (a) the Depository must receive, prior to the Repurchase Request Deadline, at the address set forth on the last page of this Repurchase Offer Notice, either (i) a properly completed and duly executed Repurchase Request Form, together with any required signature guarantees, and any other documents required by the Repurchase Request Form including any required tax information, or (ii) in the case of a book-entry transfer, an Agent's Message (as defined below) and DTC Election Form, and either the certificate for Fund shares must be transmitted to and received by the Depository at its address set forth on the last page of this Repurchase Offer Notice or the participating stockholder must comply with the Book-Entry Delivery Procedure set forth in this Section 3, or (b) participating stockholders must comply with the Guaranteed Delivery Procedures set forth in this Section 3, in all cases prior to the Repurchase Request Deadline.

Repurchase Request Forms and certificates representing Fund shares presented for repurchase should NOT be sent or delivered to the Fund. Stockholders who do not have Fund shares registered in the name of a broker, dealer, commercial bank, trust company or other nominee may wish to contact one of these entities and deposit their shares with it and seek its assistance in submitting the documents (including the Mexican Account information) for participation in the Repurchase Offer.

Participating stockholders must submit instructions as to brokerage or custodial arrangements entered into with appropriate Mexican stock brokers or Mexican banks, i.e., the Mexican Account, required in the repurchase request documents in order to have validly presented Fund shares for participation in the Repurchase Offer. The forms for these instructions appear in the Repurchase Request Form and, in the case of brokers, dealers, commercial banks, trust companies or other nominees submitting shares on behalf of clients, on the DTC Delivery Election Form. *Certain brokers, dealers or other parties may require additional instructions and information regarding the Mexican Account, than are currently required by the Fund pursuant to this Repurchase Offer Notice, in order for such firm to facilitate the stockholder's participation in the Repurchase Offer. Stockholders who wish to participate in the*

Repurchase Offer are advised to consult their broker, dealer, commercial bank, trust company or other nominee well in advance of the Repurchase Request Deadline to ensure compliance with any additional informational requirements imposed by such firms.

The Fund's transfer agent holds Fund shares in uncertificated form for certain Fund stockholders pursuant to the Fund's dividend reinvestment plan. Stockholders may submit such Fund shares for repurchase by completing the appropriate section of the Repurchase Request Form or Notice of Guaranteed Delivery.

The term *Agent's Message* means a message transmitted by a Book-Entry Transfer Facility (as defined in Part C below) to, and received by, the Depository and forming a part of a Book-Entry Delivery Procedure (as defined in Part C below), which states that such Book-Entry Transfer Facility has received an express acknowledgement from the participant in such Book-Entry Transfer Facility who submitted the shares for repurchase that such participant has received and agrees to be bound by the terms of the Repurchase Request Form and that the Fund may enforce such agreement against such participant.

B. Signature Guarantees and Method of Delivery.

No signature guarantee is required on the Repurchase Request Form if (a) the Repurchase Request Form is signed by the registered holder(s) (which includes any participant in the Depository Trust Company (**DTC**) book-entry transfer facility whose name appears on DTC's security position listing as the owner of Fund shares) of Fund shares presented for repurchase, or (b) Fund shares are presented for repurchase for the account of a firm (an **Eligible Institution**) which is a bank, broker, dealer, credit union, savings association or other entity which is a member in good standing of a Stock Transfer Association approved medallion program (such as STAMP, SEMP or MSP). In all other cases, all signatures on the Repurchase Request Form must be guaranteed by an Eligible Institution. *See* Instruction 5 of the Repurchase Request Form.

If the Repurchase Request Form is signed by the registered holder(s) of the Fund shares submitted for repurchase, the signature(s) must correspond with the name(s) as written on the face of the certificate(s) without alteration, enlargement or any change whatsoever.

If any of the Fund shares presented for repurchase are owned of record by two or more joint owners, all such owners must sign the Repurchase Request Form.

If any of the Fund shares presented for repurchase are registered in different names on several certificates, it will be necessary to complete, sign and submit as many separate Repurchase Request Forms as there are different registrations of certificates.

If the Repurchase Request Form or any certificates or stock powers are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, they should so indicate when signing, and proper evidence satisfactory to the Fund of their authority to act must be submitted. Satisfactory evidence is in the sole discretion of the Fund.

If the Repurchase Request Form is signed by the registered holder(s) of the Fund shares transmitted, no endorsements of certificates or separate stock powers are required unless proceeds from the Repurchase Offer are to be sent to, or certificates for Fund shares which are not purchased are to be issued in the name of, a person other than the registered holder(s). Signatures on the certificates or stock powers must be guaranteed by an Eligible Institution.

Edgar Filing: MEXICO FUND INC - Form N-23C3A

If the Repurchase Request Form is signed by a person other than the registered holder(s) of the certificate(s) listed, the certificate(s) must be endorsed or accompanied by appropriate stock powers, in either case signed exactly as the name(s) of the registered holder(s) appears on the certificate(s) for such Fund shares. Signatures on the certificates or stock powers must be guaranteed by an Eligible Institution.

C. Book-Entry Delivery Procedure.

The Depository will establish an account with respect to the Fund shares at DTC for purposes of the Repurchase Offer within two business days after the date of this Repurchase Offer Notice (the **Book-Entry Transfer Facility**). Any financial institution that is a participant in the Book-Entry Transfer Facility's systems may make delivery of Fund shares submitted for repurchase by causing (i) such Book-Entry Transfer Facility to transfer such Fund shares into the Depository's account in accordance with such Book-Entry Transfer Facility's procedure for such transfer and (ii) a confirmation of receipt of such delivery to be received by the Depository (the **Book-Entry Delivery Procedure**). The Book-Entry Transfer Facility may charge the account of such financial institution for submitted Fund shares on behalf of stockholders. Notwithstanding that delivery of Fund shares may be effected in accordance with this Book-Entry Delivery Procedure, the DTC Delivery Election Form and the Authorization Instructions Form must be transmitted to and received by the Depository at the address set forth on the last page of this Repurchase Offer Notice before the Repurchase Request Deadline or the participating stockholder must comply with the Guaranteed Delivery Procedure set forth below (which requires submission of the Authorization Instructions Form).

Delivery of documents to a Book-Entry Transfer Facility in accordance with such Book-Entry Transfer Facility's procedures does not constitute delivery to the Depository for purposes of this Repurchase Offer.

D. Guaranteed Delivery Procedure.

If certificates for Fund shares are not immediately available or time will not permit the Repurchase Request Form and other required documents to reach the Depository prior to the Repurchase Request Deadline, Fund shares may be properly submitted for repurchase provided that:

- (i) the submission is made by or through an Eligible Institution, as defined above;
- (ii) a properly completed and executed Notice of Guaranteed Delivery, DTC Delivery Election Form and the Authorization Instructions Form, substantially in the form provided by the Fund, is received by the Depository by the Repurchase Request Deadline; and
- (iii) the Fund share certificates evidencing all Fund shares, in proper form for transfer, or a Book-Entry confirmation, together with the Repurchase Request Form properly completed and executed with any required signature guarantees (or, in the case of a book-entry transfer, an Agent's Message) and any other documents required by the Repurchase Request Form, are received by the Depository within three New York Stock Exchange trading days after the date of execution of the Notice of Guaranteed Delivery.

The Notice of Guaranteed Delivery may be delivered by hand to the Depository or transmitted by telegram, facsimile transmission or mailed to the Depository and must include a guarantee by an Eligible Institution in the form set forth in such Notice of Guaranteed Delivery.

Notwithstanding any other provision hereof, repurchase of Fund shares accepted for repurchase pursuant to the Repurchase Offer will in all cases be made only after timely receipt by the Depository of (a) certificates for (or a timely receipt of confirmation with respect to) such Fund shares, (b) a Repurchase Request Form (or a facsimile thereof), properly completed and duly executed, with any required signature guarantees, or, in the case of a book-entry transfer, an Agent's Message, and (c) any other documents required by the Repurchase Request Form. Accordingly, participating stockholders may be paid at different times depending upon when certificates for shares or confirmations of receipt for such shares are actually received by the Depository.

E. Determination of Validity.

All questions as to the validity, form, eligibility (including time of receipt) and acceptance of Fund shares presented for repurchase will be determined by the Fund, in its sole discretion, and the determination shall be

final and binding. The Fund reserves the absolute right to reject any or all presentations for repurchase determined not to be in appropriate form or to refuse to accept for payment, repurchase or pay for any Fund shares if, in the opinion of the Fund's counsel, accepting, repurchasing or paying for the Fund shares would be unlawful. The Fund also reserves the absolute right to waive any of the conditions of the Repurchase Offer or any defect in any repurchase, whether generally or with respect to any particular Fund share(s) or stockholder(s). The Fund's interpretations of the terms and conditions of the Repurchase Offer shall be final and binding.

NONE OF THE FUND, THE INVESTMENT ADVISER, THE DEPOSITARY, THE INFORMATION AGENT, THE CUSTODIAN OR ANY OTHER PERSON IS OR WILL BE OBLIGATED TO GIVE ANY NOTICE OF DEFECTS OR IRREGULARITIES, OR WAIVERS OF DEFECTS OR IRREGULARITIES IN A REPURCHASE REQUEST, AND NONE OF THEM WILL INCUR ANY LIABILITY FOR FAILURE TO DO SO.

The method of delivery of Fund shares, the Repurchase Request Form, and any other required documents, including delivery through the Book-Entry Transfer Facility, is at the election and risk of the participating stockholder. Shares will be deemed delivered only when actually received by the Depositary (including, in the case of a Book-Entry Transfer, by confirmation of receipt of delivery received by the Depositary). If delivery is by mail, registered mail with return receipt requested, properly insured, is recommended. In all cases, sufficient time should be allowed to ensure timely delivery.

F. Federal Income Tax Withholding.

To prevent U.S. federal income tax backup withholding at a rate generally equal to 28% of the gross payments made pursuant to the Repurchase Offer, each U.S. stockholder who has not previously submitted a correct, completed and signed Form W-9 to the Fund or does not otherwise establish an exemption from withholding must notify the Depositary of the stockholder's correct taxpayer identification number (or certify that the taxpayer is awaiting a taxpayer identification number) and provide certain other information by completing the Substitute Form W-9 included in the Repurchase Request Form. Certain U.S. stockholders (including, among others, all corporations) are not subject to these backup withholding requirements.

Non-U.S. stockholders who have not previously submitted a correct, completed and signed Form W-8 to the Fund must submit a form to the Depositary in order to avoid backup withholding. For those stockholders, a copy of Form W-8 is included with the Repurchase Request Form.

Failure to submit the documentation described above or establish an exemption necessary to prevent backup withholding will result in an invalid submission of shares for participation in the Repurchase Offer and, accordingly, the stockholder's submitted shares will not be accepted for repurchase.

For a discussion of certain other U.S. federal income tax consequences to participating stockholders, *see* Section 7 of this Repurchase Offer Notice.

4. Withdrawal Rights.

A request for repurchase of Fund shares made pursuant to the Repurchase Offer may be withdrawn at any time prior to the Repurchase Request Deadline. Additionally, the amount of shares offered for repurchase may be increased or decreased by the stockholder prior to the Repurchase

Edgar Filing: MEXICO FUND INC - Form N-23C3A

Request Deadline. After the Repurchase Request Deadline (including any date to which the Repurchase Offer is extended) all repurchase requests made pursuant to the Repurchase Offer are irrevocable. **The net asset value of the Fund may increase or decrease between the Repurchase Request Deadline and the Repurchase Pricing Date, and between the Repurchase Pricing Date and the Repurchase Payment Deadline.**

To be effective, a written, telegraphic or facsimile transmission notice of withdrawal must be timely received by the Depositary at the address set forth on the last page of this Repurchase Offer Notice. Any notice of withdrawal must specify the name of the person who executed the particular Repurchase Request Form or Notice of Guaranteed Delivery, the number of Fund shares to be withdrawn, and the names in which the Fund shares to be withdrawn are registered. Any signature on the notice of withdrawal must be guaranteed by an Eligible Institution. If certificates have been delivered to the Depositary, the name of the registered holder and the serial numbers of the particular certificates evidencing the Fund shares withdrawn must also be furnished to the Depositary. If Fund shares have been delivered pursuant to the Book-Entry Delivery Procedure set forth in Section 3 of this Repurchase Offer Notice, any notice of withdrawal must specify the name and number of the account at the Book-Entry Transfer Facility to be credited with the withdrawn Fund shares (which must be the same name, number and Book-Entry Transfer Facility from which the Fund shares were submitted for repurchase, and must comply with the procedures of the Book-Entry Transfer Facility).

Shares may be submitted again after a withdrawal has been made if the necessary documents and procedures for the submission of shares for participation in the Repurchase Offer are followed as described in this Repurchase Offer Notice.

5. Effect of the Repurchase Offer.

The actual cost of the Repurchase Offer cannot be determined at this time because the number of Fund shares to be repurchased will depend on the number of Fund shares submitted for repurchase, and the Repurchase Price will be determined on the Repurchase Pricing Date. The Fund will value the Portfolio Securities to be distributed to stockholders in the same manner the Fund uses to compute its net asset value. The Fund has the resources necessary to make payment for Fund shares submitted for repurchase in the Repurchase Offer since the Fund will distribute Portfolio Securities to stockholders participating in the Repurchase Offer. For amounts that are expected to be distributed in cash (in Mexican pesos), the Fund will maintain an equal amount of securities that can be readily converted to cash, for approximately the price at which the Fund has valued the investment within a period between the Repurchase Request Deadline and the Repurchase Payment Deadline, from the time of the Repurchase Offer Notice until the Repurchase Pricing Date.

Participating stockholders may experience a delay in the re-registration of the Portfolio Securities received as proceeds from the Repurchase Offer due to the process of transferring title and verification of Mexican Account information. Participating stockholders who are not Fund stockholders of record, but instead hold and present their Fund shares in the name of a broker, dealer, financial institution or other nominee, will receive the Portfolio Securities to which they are entitled in the name of their broker, dealer, financial institution or other nominee. It will be the responsibility of such brokers, dealers, financial institutions or other nominees to calculate and distribute or credit either fractional shares or cash in respect of fractional shares, at their election, to their clients' accounts. Participating stockholders will have to confirm that the correct number of Portfolio Securities has been credited to the participating stockholders by the participating stockholder's broker or agent. The Fund anticipates publishing the identity of the Portfolio Securities via press release and the Fund's web site on or about the Repurchase Pricing Date.

In addition to the two percent (2%) Repurchase Price Adjustment, a participating stockholder's broker may charge a processing fee for assistance in transmitting the required documentation for participation in the Repurchase Offer to the Depositary and a participating stockholder may incur expenses associated with establishment of the Mexican Account to receive the Portfolio Securities plus fees, expenses and brokerage commissions associated with the disposal or retention of such Portfolio Securities.

Under no circumstances will the Fund pay interest to participating stockholders for Fund shares repurchased regardless of any delay in making payment therefor. Participating stockholders will not be obligated to pay the Fund brokerage commissions or fees in connection with their demand to repurchase Fund shares, although a

participating stockholder's broker may charge a processing fee for assistance in transmitting the required documentation for participation in the Repurchase Offer to the Depositary and a participating stockholder may incur expenses associated with establishment of the Mexican Account to receive the Portfolio Securities plus fees, expenses and brokerage commissions associated with the disposal or retention of such Portfolio Securities.

The repurchase of Fund shares pursuant to the Repurchase Offer will have the effect of increasing the proportionate interest in the Fund of non-participating stockholders and reducing the net assets of the Fund. The reduced net assets of the Fund as a result of the Repurchase Offer will result in a higher expense ratio for the Fund. Additionally, a reduction in the number of Fund shares issued and outstanding may reduce the liquidity and the depth of the trading market for the Fund shares. All Fund shares repurchased by the Fund pursuant to the Repurchase Offer will be cancelled.

In addition, there is a risk that the Fund's investments and the Portfolio Securities may experience a decrease in value following the Repurchase Offer depending on the level of participation in the Repurchase Offer and whether participating stockholders choose to dispose of the Portfolio Securities shortly after the Repurchase Offer. Because of the size of the Fund and the characteristics of the Mexican securities market, if stockholders participate in the Repurchase Offer and choose to liquidate the Portfolio Securities shortly after they receive them, there could be an adverse impact on the Mexican securities market and the market prices of the Portfolio Securities and the Fund's other investments, which risk affects both participating and non-participating stockholders.

Because the proceeds of the Repurchase Offer are Portfolio Securities, the Fund will not experience the typical effects associated with a cash repurchase offer including the attendant risks of declining net asset value because of significant market pressure to dispose of securities, increased Fund brokerage and related transaction expenses, and the realization of capital gains by the Fund accompanying the liquidation of portfolio securities for cash.

Participation in the Repurchase Offer will, however, have certain tax consequences, risks and expenses as further discussed below.

6. Factors to Consider Regarding the Decision to Participate in the Repurchase Offer.

The decision whether a Fund stockholder should participate in the Repurchase Offer depends on the facts and circumstances of each Fund stockholder. The Fund suggests that stockholders consider the expenses associated with participation in the Repurchase Offer, including establishment of the Mexican Account and other related paperwork as well as the implications of owning Portfolio Securities.

Without consideration of any potential tax consequences to a stockholder of participation in the Repurchase Offer, the actual per share expense to a stockholder of participation depends on a number of factors, including the number of shares submitted for repurchase, the varying expenses associated with establishing the Mexican Account and/or enlisting the assistance of a U.S. bank or broker which may charge clients a fee for submitting the documentation necessary for participation. Moreover, participating stockholders may incur additional expenses following their participation in the Repurchase Offer depending on whether they sell or retain the Portfolio Securities.

Participating stockholders may wish to retain the Portfolio Securities as an investment for the long-term. The Fund is not providing stockholders with specific information regarding each of the Portfolio Securities. Participating stockholders may not have the means to effectively monitor, or monitor as efficiently as with a managed investment vehicle, the performance of the Portfolio Securities, and the Portfolio Securities would be subject to the typical investment risks associated with foreign investments in developing markets. In addition, information regarding the Mexican companies that comprise the Portfolio Securities may not be as current as

information provided by U.S. public companies and is likely to be available only in Spanish. Mexican public companies are subject to less stringent disclosure standards and regulatory oversight than U.S. companies. There also may be additional future expenses participating stockholders incur in retaining the Portfolio Securities. If participating stockholders receive Portfolio Securities and then determine to liquidate the Portfolio Securities, participating stockholders would be subject to investment and currency risks as well as additional expenses and tax consequences associated with liquidation of the Portfolio Securities. Stockholders are encouraged to consult with their financial and tax advisors regarding these issues.

The value of the Portfolio Securities may decrease or increase between the Repurchase Request Deadline and the Repurchase Pricing Date, and between the Repurchase Pricing Date and the actual receipt of Portfolio Securities in the Mexican Account. By participating in this Repurchase Offer, you assume these market risks.

The Mexican Account

Participating stockholders must provide information regarding the Mexican Account where Portfolio Securities may be transferred. Establishing and maintaining the Mexican Account may entail additional expenses that should be considered when determining whether participation in the Repurchase Offer represents the best method to realize the value of the stockholder's investment in the Fund. Furthermore, the Mexican Account may be subject to different procedures, laws and risks than a U.S. brokerage account. *All stockholders are advised that certain brokers, dealers or other parties may require additional instructions and information, than are currently required by the Fund pursuant to this Repurchase Offer Notice for the Mexican Account, in order for such firm to facilitate the stockholder's participation in the Repurchase Offer. Stockholders who wish to participate in the Repurchase Offer are advised to consult their broker, dealer, commercial bank, trust company or other nominee well in advance of the Repurchase Request Deadline to ensure compliance with any additional informational requirements imposed by such firms.*

Investing in Foreign Securities

The decision to participate in the Repurchase Offer and retain the Portfolio Securities represents a direct investment in the securities of Mexican issuers.

Participating stockholders should be aware of the risks of such a direct investment and the potential difficulties of managing a portfolio of foreign securities.

Investment in Mexican securities involves special considerations and risks that are not normally associated with investments in U.S. securities, including (1) lesser liquidity and smaller market capitalization of the Mexican securities markets; (2) currency fluctuations; (3) higher rates of inflation and domestic interest rates; and (4) less stringent disclosure requirements, less available information regarding Mexican public companies and less active regulatory oversight of Mexican public companies.

Market Illiquidity; Volatility. The Mexican securities market is substantially smaller, less liquid and more volatile than the major securities markets in the United States. Although the Mexican Stock Exchange is one of Latin America's largest exchanges by market capitalization, it remains relatively small and illiquid compared to major world markets. In fact, in recent years trading activity has contracted and market capitalization has decreased. The market capitalization of the Mexican Stock Exchange as of October 31, 2003 amounted to approximately 114 billion U.S. Dollars, compared to 220 billion U.S. Dollars in February 1994, and the dollar value of daily trading activity averaged 98.4 million U.S. Dollars from December 2002 to November 2003 compared to 317.1 million U.S. Dollars in 1994. In addition, trading on the Mexican Stock

Edgar Filing: MEXICO FUND INC - Form N-23C3A

Exchange is concentrated. Approximately 80% of the total traded volume of the Mexican Stock Exchange during May 2003 was produced by 15 issuers. Finally, prices of equity securities traded on the Mexican Stock Exchange are generally more volatile than prices of equity securities traded on the New York Stock Exchange. The

combination of price volatility and the relatively limited liquidity of the Mexican Stock Exchange may have an adverse impact on the investment performance of the Portfolio Securities.

There is a risk that the Fund's investments and the Portfolio Securities may experience a decrease in value following the Repurchase Offer depending on stockholder participation in the Repurchase Offer and whether participating stockholders choose to dispose of the Portfolio Securities shortly after the Repurchase Offer. Because of the size of the Fund and the characteristics of the Mexican securities market, if stockholders participate in the Repurchase Offer and choose to liquidate the Portfolio Securities shortly after they receive them, there could be an adverse impact on the Mexican securities market and the market prices of the Portfolio Securities and the Fund's other investments, which risk affects both participating and non-participating stockholders.

Mexican Economic and Political Factors. Although Mexico's economy has strengthened in recent years and Mexico's sovereign debt has received an investment-grade rating by the three most prominent rating agencies, including Standard and Poor's Rating Group, Mexico continues to be characterized as a developing economy and investments in developing countries are subject to certain economic risks. Mexico has experienced widespread bank failures, currency devaluations, and high levels of inflation and interest rates. Mexico is also dependent on certain industries and exports for the health of its economy. The Portfolio Securities are denominated in Mexican pesos. As a result, the Portfolio Securities must increase in market value at a rate in excess of the rate of any decline in the value of the peso against the U.S. dollar in order to avoid a decline in their equivalent U.S. dollar value.

Mexico's political system has reformed substantially in recent years, resulting in the peaceful democratic election of the non-dominant political party's candidate as president in 2000 (the first time the Partido Revolucionario Institucional's candidate has not held that office in 70 years). However, Mexico's political past has been characterized by considerable political uncertainty and instability and there is no guarantee that Mexico will not experience political unrest in the future which could affect the value of the Portfolio Securities. As with any foreign investment, there also exists the risk of expropriation and restrictions on foreign investment.

Mexican Securities Laws and Accounting Rules. There is less publicly available information about the issuers of Mexican securities such as the Portfolio Securities than is regularly published by issuers in the United States. Information provided by Mexican public companies may not be current, accurate or easily obtainable and, to the extent available, is likely to be in Spanish. Also, there is generally less governmental supervision and regulation of exchanges, brokers and issuers in Mexico than there is in the United States. U.S. holders of Portfolio Securities may also experience difficulties enforcing U.S. laws or obtaining service of process against the issuers of the Portfolio Securities.

Managing and Retaining the Portfolio Securities as an Investment. In addition to the risk factors discussed above, participating stockholders who desire to retain the Portfolio Securities as part of their investment portfolio should consider whether they have the ability to actively manage a portfolio of foreign securities. Stockholders may have invested in the Fund for exposure to the Mexican securities market with the assistance of a professional portfolio manager familiar with that market. Stockholders may not have access to the information and experience necessary to effectively manage the Portfolio Securities and may incur losses from holding the Portfolio Securities as an investment.

Entitlement to Dividends. Stockholders participating in the Repurchase Offer will receive any dividends declared by any of the Fund's portfolio companies between the Repurchase Pricing Date and the Repurchase Payment Deadline.

Tax Consequences of Participating and Retaining or Disposing of Portfolio Securities. Participation in the Repurchase Offer is a taxable event and participating stockholders will recognize a gain or loss upon receipt of

the Portfolio Securities. Additionally, the disposition of the Portfolio Securities represents a separate taxable event and stockholders will recognize a taxable gain or loss at the time of sale based upon the difference in the value of the Portfolio Securities received and the value of the Portfolio Securities at their time of sale.

Depending on the level of participation in the Repurchase Offer, the liquidity of Fund shares is likely to decrease and Fund expense ratio increase because there will be fewer Fund shares issued and outstanding as a result of the repurchases. The Fund has been advised that the Fund's investment adviser does not anticipate that its investment strategy and the Fund's investment objective will be materially affected by the Repurchase Offer.

Fund stockholders who desire to sell their Fund shares should evaluate these factors and their own particular situation to determine if it is administratively easier and less costly to sell their shares on the New York Stock Exchange.

NONE OF THE FUND, ITS BOARD OF DIRECTORS, NOR ITS INVESTMENT ADVISER MAKES ANY RECOMMENDATION TO ANY STOCKHOLDER WHETHER TO PARTICIPATE IN THE REPURCHASE OFFER, AND NONE OF SUCH PERSONS HAS AUTHORIZED ANY PERSON TO MAKE ANY SUCH RECOMMENDATION. STOCKHOLDERS ARE URGED TO EVALUATE CAREFULLY ALL INFORMATION IN THE REPURCHASE OFFER, CONSULT THEIR OWN FINANCIAL AND TAX ADVISORS AND MAKE THEIR OWN DECISIONS WHETHER OR NOT TO PARTICIPATE.

THE FUND HAS BEEN ADVISED THAT NO DIRECTOR OR OFFICER OF THE FUND NOR THE FUND'S INVESTMENT ADVISER INTENDS TO PARTICIPATE IN THE REPURCHASE OFFER.

7. Federal Income Tax Consequences of the Repurchase Offer.

The following discussion is a general summary of the U.S. federal income tax consequences of the Repurchase Offer. The discussion is for general information purposes only and does not purport to consider all aspects of U.S. federal income taxation that might be relevant to stockholders. The discussion is based upon current provisions of the Internal Revenue Code of 1986, as amended (the **Code**), existing regulations promulgated thereunder, and administrative and judicial interpretations thereof, all of which are subject to change, which change could be retroactive. The discussion applies only to shareholders in whose possession shares are capital assets within the meaning of Section 1221 of the Code, and may not apply to certain types of shareholders (such as insurance companies, tax-exempt organizations, and broker-dealers) who may be subject to special rules. Persons who may be subject to tax in more than one country should consult the provisions of any applicable tax treaty to determine the potential tax consequences to them.

You should consult your own tax advisor for a complete description of the tax consequences to you of a repurchase of shares pursuant to the Repurchase Offer, including potential state, local and non-U.S. taxation by taxing jurisdictions of which you are a resident or domiciliary.

U.S. SHAREHOLDERS. This subsection will be relevant to individuals who are citizens of the United States or resident aliens of the United States, domestic corporations, domestic partnerships, and certain estates and trusts treated as U.S. persons under the U.S. federal tax law. **Under current federal income tax law, the receipt of Portfolio Securities for Fund shares pursuant to the Repurchase Offer will generally be a taxable transaction.** Shareholders who redeem their shares receive either exchange treatment or dividend treatment with respect to their repurchase proceeds (*i.e.*, the Portfolio Securities).

If a repurchase satisfies any of paragraphs (1), (2), (3), or (4) of Code Section 302(b), the repurchase proceeds shall be treated as payment for the stock that is redeemed, *i.e.*, the repurchase will be accorded exchange treatment. If a redeeming shareholder is entitled to exchange treatment, such shareholder would recognize gain or loss for U.S. federal income tax purposes equal to the difference between: (i) the fair market value of the Portfolio Securities he or she receives, and (ii) the shareholder's adjusted tax basis in the shares

redeemed. Such gain or loss would be capital gain or loss if the shares were a capital asset in the hands of the shareholder. Under current law, the maximum federal income tax rate applicable to most non-corporate taxpayers on capital gain for assets held more than one year is 15%. Gain, or loss, must be determined separately for each block of shares (*i.e.*, shares acquired at the same cost in a single transaction) redeemed pursuant to the Repurchase Offer.

On the other hand, if none of paragraphs (1), (2), (3), or (4) of Code Section 302(b) applies, such repurchase may be accorded dividend treatment. If so, Code Section 301 provides that redeeming shareholders shall include the amount of that distribution (*i.e.*, the fair market value of the Portfolio Securities received) as ordinary income to the extent of the Fund's earnings and profits. In addition, if certain shareholders receive dividend treatment (and not exchange treatment) under Code Section 302(b), there may be a constructive dividend under Section 305(c) of the Code to shareholders who do not participate in the Repurchase Offer whose proportionate interest in the earnings and assets of the Fund has been increased.

Code Section 302(b) provides, in pertinent part, that a repurchase shall be accorded exchange treatment if the repurchase:

(1) is not essentially equivalent to a dividend;

(2) is substantially disproportionate with respect to the shareholder;

(3) is in complete repurchase of all of the stock of the corporation owned by the shareholder; or

(4) in the case of a non-corporate shareholder, is in partial liquidation of the distributing corporation.

In all cases, a shareholder offering shares for repurchase would take a tax basis in the Portfolio Securities he or she receives that is equal to the fair market value of those Portfolio Securities on the date of the exchange.

Under the wash sale rules, recognition of a loss on shares sold pursuant to the Repurchase Offer will ordinarily be disallowed to the extent a shareholder acquires shares within 30 days before or after the date shares are repurchased pursuant to the Repurchase Offer and, in that event, the basis and holding period of the shares acquired will be adjusted to reflect the disallowed loss.

Because the Depository may be required to withhold 28% of the gross proceeds paid to a shareholder pursuant to the Repurchase Offer unless either: (a) the shareholder has completed and submitted to the Depository the Substitute Form W-9 included with the Repurchase Request Form, providing the shareholder's taxpayer identification number/social security number and certifying under penalties of perjury: (i) that the number is correct, and (ii) either that (A) the shareholder is exempt from backup withholding, (B) the shareholder has not been notified by the Internal Revenue Service (the **IRS**) that the shareholder is subject to backup withholding as a result of an underreporting interest or dividends, or (C) the IRS has notified the shareholder that the shareholder is no longer subject to backup withholding; (b) the shareholder is a corporation; or (c) an exception applies under applicable law and Treasury regulations to such shareholders, **failure to have provided the information mentioned in this paragraph will result in a defective submission and the Fund will be unable to repurchase the participating shareholder's shares.** A beneficial owner who does not provide a correct taxpayer identification number (**TIN**) may be subject to penalties imposed by the IRS. Any amount paid as backup withholding does not constitute an additional tax and will be creditable against the beneficial owner's federal income tax liability. Each beneficial owner of shares should consult with his or her own tax advisor as to his or her qualification for exemption from backup

withholding and the procedure for obtaining such exemption.

NON-U.S. SHAREHOLDERS. In general, a Non-U.S. Shareholder is any person other than (1) a citizen or resident of the United States, (2) a corporation or partnership created or organized in the United States

under the laws of the United States or any state, (3) an estate or trust that is subject or potentially subject to U.S. federal income tax on its worldwide income on a net basis, or (4) a trust, the administration of which is subject to the primary supervision of a U.S. court and the substantial decisions of which may be made by U.S. persons. U.S. taxation of a Non-U.S. Shareholder depends on whether the income from the Fund is effectively connected with a U.S. trade or business carried on by the Non-U.S. Shareholder. Ordinarily, income from the Fund will not be treated as effectively connected and, if that is the case, any gain realized upon the repurchase of shares pursuant to the terms of the Repurchase Offer will not ordinarily be subject to U.S. taxation. If, however, the Non-U.S. Shareholder is treated as a non-resident alien individual but is physically present in the United States for more than 182 days during the taxable year, then, in certain circumstances, gain from the repurchase of shares pursuant to the terms of the Repurchase Offer and gain from a liquidation of Portfolio Securities will be subject to U.S. tax of 30% (or lower treaty rate).

If the income from the Fund is effectively connected with a U.S. trade or business carried on by a Non-U.S. Shareholder, then any gain (or dividend income) realized upon the sale of shares of the Fund pursuant to the terms of the Repurchase Offer will be subject to U.S. federal income tax at the graduated rates applicable to U.S. taxpayers.

Non-U.S. Shareholders will be subject to dividend tax withholding at a 30% rate or a lower applicable tax treaty rate on the gross proceeds of the repurchase received by such shareholder, if the proceeds are treated as a dividend under the rules described above. Since the tax status of the Repurchase Offer as a dividend is not certain to the Fund at the time of payment, the Fund intends to withhold a portion of the proceeds as if the proceeds constitute a dividend. In that case, the shareholder offering shares for repurchase may be eligible to claim a refund of the withheld tax by filing a U.S. tax return if the shareholder can demonstrate that the proceeds were not dividends. Non-U.S. Shareholders should consult their tax advisors regarding application of these withholding rules.

Non-U.S. Shareholders should provide the Depositary with a completed Form W-8. A copy of Form W-8 is provided with the Repurchase Request Form for such shareholder. **Failure to provide a completed Form W-8 will result in a defective submission and the Fund will be unable to repurchase the shares submitted.**

Non-U.S. Shareholders are advised to consult their own tax advisors with respect to the particular consequences to them of a repurchase of shares pursuant to the Repurchase Offer.

8. Suspension or Postponement of Repurchase Offer.

Notwithstanding any other provision of the Repurchase Offer, the Board of Directors of the Fund may suspend or postpone this Repurchase Offer only by a majority vote of the Directors (including a majority of the disinterested Directors) and only: (1) if such transactions, if consummated, would impair the Fund's status as a regulated investment company under the Subchapter M of the Code; (2) if the repurchase would cause the shares to be neither listed on any national securities exchange nor quoted on any inter-dealer quotation system of a national securities association; (3) for any period during which the Bolsa Mexicana de Valores, S.A. de C.V., the New York Stock Exchange, or any other market where the Fund's Portfolio Securities are principally traded is closed (other than customary weekend and holiday closings), or during periods which trading in such markets is restricted; (4) for any period during which an emergency exists as a result of which disposal by the Fund of its Portfolio Securities is not reasonably practicable, or during which it is not reasonably practicable for the Fund to determine net asset value; (5) if consummation of the Repurchase Offer, as determined by the Board of Directors in its reasonable discretion, would be deemed a Rule 13e-3 transaction (as defined by Rule 13e-3 under the Securities Exchange Act of 1934, as amended); or (6) for such other periods as the United States Securities and Exchange Commission may by order permit for the protection of shareholders of the Fund.

If the Repurchase Offer is suspended or postponed, the Fund will provide notice to shareholders of such suspension or postponement. If the Fund renews the Repurchase Offer, the Fund will send a new notification to each shareholder with details concerning the terms and conditions of the renewed Repurchase Offer.

9. Fees and Expenses of the Fund.

The Fund will not pay to any broker or dealer, commercial bank, trust company or other person any solicitation fee for any Fund shares repurchased pursuant to this Repurchase Offer. The Fund will reimburse such persons for customary handling and mailing expenses incurred in forwarding the Repurchase Offer. No such broker, dealer, commercial bank, trust company or other person has been authorized to act as agent of the Fund or the Depositary for purposes of the Repurchase Offer.

The Fund has retained American Stock Transfer & Trust Co. to act as Depositary and Georgeson Shareholder Communications Inc. to act as Information Agent. The Depositary and the Information Agent will each receive reasonable and customary compensation for their services and will also be reimbursed for certain out-of-pocket expenses, and the Information Agent will be indemnified against certain liabilities by the Fund. Additionally, Impulsora del Fondo México, S.A. de C.V., the Fund's investment adviser, and Bancomer, S.A., the Fund's custodian, will receive fees for services rendered in connection with the Repurchase Offer.

10. Miscellaneous.

The Repurchase Offer is not being extended to (nor will repurchase requests be accepted from or on behalf of) holders of Fund shares in any jurisdiction in which the offering of the Repurchase Offer or the acceptance thereof would not be in compliance with the laws of such jurisdiction. The Fund may, in its sole discretion, take such action as it may deem necessary to make the Repurchase Offer in any such jurisdiction.

11. Contacting the Depositary and the Information Agent.

The Board of Directors anticipates that the Fund's next repurchase offer will occur towards the end of July 2004 for an amount not yet determined. Subsequent intervals and repurchase offer amounts will be determined by the Board of Directors in its discretion.

We would like to take this opportunity to answer in this term sheet some questions you may have regarding aspects of the Repurchase Offer and the forms you will need to submit if you decide to redeem your shares in the Repurchase Offer.

This is only a summary overview of information relating to the Repurchase Offer. Please read and carefully review the Repurchase Offer Notice dated December 19, 2003 and related documents which accompany this summary prior to making a decision regarding the Repurchase Offer. You may also want to consult with your financial and tax advisors when considering the Repurchase Offer.

The Repurchase Offer expires at 5:00 p.m., New York City time, on January 13, 2004, unless extended (the **Repurchase Request Deadline**). The Repurchase Pricing Date is the close of regular trading on the New York Stock Exchange on January 20, 2004 (the **Repurchase Pricing Date**).

The **Depository** for the Repurchase Offer is American Stock Transfer & Trust Co. (telephone: 877-248-6417) and the **Information Agent** for the Repurchase Offer is Georgeson Shareholder Communications Inc. (telephone: 1-800-965-5216).

THIS REPURCHASE OFFER IS NOT PART OF A PLAN TO LIQUIDATE THE FUND. YOU ARE

NOT OBLIGATED TO DO ANYTHING WITH YOUR FUND SHARES AT THIS TIME.

What is the Repurchase Offer?

The Repurchase Offer is an opportunity to redeem your Fund shares. The Fund will offer to repurchase up to five percent (5%) of its outstanding shares at the Fund's net asset value, reduced by the Repurchase Price Adjustment of 2%, for a Repurchase Price of 98% of net asset value. You receive Mexican portfolio securities held by the Fund in exchange for your shares.

The main components of the Repurchase Offer include:

a) the repurchase of Fund shares at the Fund's net asset value per share, reduced by the Repurchase Price Adjustment of 2%, for a Repurchase Price of 98% of net asset value, determined on the Repurchase Pricing Date; and

b) the transfer of Portfolio Securities (as defined below) to an account established by you with a Mexican bank or a Mexican securities broker in exchange for the repurchase by the Fund of your Fund shares.

Is the Repurchase Offer the only way I can sell my Fund shares?

No. You will continue to be able to sell your shares, or purchase additional shares, at the current market share price, in cash transactions on the New York Stock Exchange. In addition, the Fund will conduct repurchases at periodic intervals as determined in the sole discretion of the Board of Directors.

What action do I need to take if I decide not to submit my shares for repurchase in the Repurchase Offer?

None. You are not obligated to do anything with your Fund shares at this time. This Repurchase Offer is not part of a plan to liquidate the Fund.

What is the purchase price for Fund shares in the Repurchase Offer and how is it calculated?

The purchase price is the Fund's net asset value per share as determined at the close of trading on the New York Stock Exchange on the Repurchase Pricing Date, reduced by the 2% Repurchase Price Adjustment, for a Repurchase Price of 98% of the per share net asset value.

What does the Fund's net asset value per share mean?

The Fund's net asset value per share is based on the market value of the Fund's investments (its total assets) minus its total liabilities divided by the number of Fund shares outstanding.

The net asset value per share of the Fund's shares may be more or less than the market price at which Fund shares trade on the New York Stock Exchange.

On December 17, 2003, the net asset value per share was \$17.37 and the last reported sales price of a Fund share on the New York Stock Exchange was \$15.65.

No one can accurately predict the net asset value per share on a future date. **The net asset value may increase or decrease between the Repurchase Request Deadline and the Repurchase Pricing Date, and between the Repurchase Pricing Date and the receipt of Portfolio Securities in the Mexican Account (as defined below). By participating in this Repurchase Offer, you assume these market risks.**

You can obtain the Fund's current net asset value and market price per share as of the close of business on the previous business day during the period of the Repurchase Offer by calling the Information Agent, at 1-800-965-5216, between the hours of 9:00 a.m. and 5:00 p.m., New York City time, Monday-Friday (except holidays). You can also access the Fund's web site, www.themexicofund.com for this information, which is typically updated on a daily basis at around 6:30 p.m., New York City time.

What does it mean to receive portfolio securities of the Fund?

Instead of receiving cash (in U.S. Dollars) for Fund shares submitted in the Repurchase Offer, participating stockholders would receive a *pro-rata* portion of shares of Mexican companies in which the Fund has invested (other than short-term fixed income securities, securities with transfer restrictions and certain illiquid securities)

(**Portfolio Securities**), subject to adjustment for fractional shares and odd lots, and any cash held by the Fund, equal to the number of shares of the Fund submitted. The value of the Portfolio Securities may decrease or increase between the Repurchase Request Deadline and the Repurchase Pricing Date, and between the Repurchase Pricing Date and the actual receipt of the Portfolio Securities in the Mexican Account (see below).

How do I submit shares for repurchase if I want to participate in the Repurchase Offer?

You should review the Repurchase Offer Notice before making your decision. **In order to participate, you will be required to submit information regarding a securities account with a Mexican securities broker or custodial account with a Mexican bank which you have established (the Mexican Account) where the Portfolio Securities can be transferred. You should note that certain Mexican securities brokers or custodians may require additional instructions and information, than are currently required by the Fund pursuant to its Repurchase Offer Notice regarding the establishment of the Mexican Account, in order for such firm to facilitate your participation in the Repurchase Offer. Accordingly, if you wish to participate in the Repurchase Offer you are advised to consult with a Mexican bank or Mexican securities broker well in advance of the Repurchase Request Deadline to ensure compliance with any additional informational requirements imposed by such firms.**

If your shares are registered in your name, you should obtain and read the related Repurchase Request Form, complete it and submit any other documents required by the Repurchase Request Form. These materials must be received by the Depository, in proper form, by the Repurchase Request Deadline. Alternatively, you could contact a U.S. broker or dealer and deposit your shares in an account with it and seek its assistance in submitting the documents necessary (including the Mexican Account information) for participation in the Repurchase Offer. This may be less complicated than independently establishing the Mexican Account. If your shares are held by a broker, dealer, commercial bank, trust company or other nominee (e.g., in street name), you should contact that firm to obtain the package of information necessary to make your decision, and you can only redeem your shares by directing that firm to complete, compile and deliver the necessary documents for submission to the Depository by the Repurchase Request Deadline. *See* Section 3 of the Repurchase Offer Notice.

Participating stockholders should carefully ensure all information required in order to participate in the Repurchase Offer, including information regarding the Mexican Account, has been provided and is accurate. The Fund is under no obligation to notify stockholders of any errors or incomplete information with their submission. Any deficiencies in a stockholder's submission will result in the return of the stockholder's Fund shares following the Repurchase Request Deadline.

The Repurchase Offer is for up to five percent (5%) of the Fund's issued and outstanding shares of common stock. If stockholders tender for repurchase more Fund shares than the number of shares that the Fund is offering to repurchase, the Fund may (but is not obligated to) increase the number of shares that the Fund is offering to purchase by up to two percent (2%) of the number of shares outstanding on the Repurchase Request Deadline. If the number of shares tendered for repurchase exceeds the number of shares which the Fund is offering to repurchase, the Fund will repurchase tendered shares on a *pro-rata* basis.

Will I know the identity of the Portfolio Securities I will be receiving if I participate in the Repurchase Offer?

On or about the Repurchase Pricing Date, the Fund anticipates publishing on its web site, www.themexicofund.com, and via press release, the composition of the Fund's investment portfolio. The Portfolio Securities to be received by participating stockholders will be a *pro-rata* portion of the Fund's investment portfolio subject to certain adjustments.

Why is the Fund making the Repurchase Offer?

The Fund is making the Repurchase Offer to provide stockholders with an alternative source of liquidity for their investment in Fund shares and as part of the Fund's efforts to provide additional value to stockholders.

Stockholders can continue to sell their shares for cash through their brokers in market transactions on the New York Stock Exchange. The Repurchase Price may represent greater value (before related expenses) than stockholders would receive by selling Fund shares on the New York Stock Exchange, depending on certain factors. The Repurchase Offer provides a means for stockholders who want to redeem their shares in the Fund to do so at net asset value per share, reduced by the 2% Repurchase Price Adjustment, for the Repurchase Price of 98% of net asset value. In addition, by giving participating stockholders Portfolio Securities, it is anticipated that the Fund and those stockholders who do not participate in the Repurchase Offer will avoid recognition of capital gains which could be incurred by the Fund in liquidating the Portfolio Securities if the participating stockholders were to receive cash for their shares of the Fund.

Does management encourage stockholders to participate in the Repurchase Offer, and will management participate in the Repurchase Offer?

Neither the Fund, its Board of Directors, nor the Fund's investment adviser, is making any recommendation to participate or not participate in the Repurchase Offer. The Fund has been advised that no Director or Officer of the Fund, nor the Fund's investment adviser, intends to participate. See Section 6 of the Repurchase Offer Notice.

What should I consider in making a decision to participate in the Repurchase Offer?

The following discussion does not incorporate all factors that could impact your decision and is general in nature.

In determining whether or not to participate, you should keep in mind that you can always sell your Fund shares in cash transactions on the New York Stock Exchange. Depending on the costs involved in participating in the Repurchase Offer and whether or not you desire to receive Portfolio Securities, it may be easier and less costly for you to sell your shares, if you so desire, on the New York Stock Exchange than to participate in the Repurchase Offer. See Section 6 of Repurchase Offer Notice.

Before making a decision, you should weigh the advantages and disadvantages of receiving the Repurchase Price in the form of Portfolio Securities and the consequences of holding the Portfolio Securities or deciding to sell them after you receive them. To participate you will need to establish the Mexican Account (unless you already have such an account) which is likely to be subject to different procedures and costs than are typically associated with a U.S. brokerage account. You should also consider that the Fund intends to make future in-kind repurchase offers on a periodic basis so there would be additional opportunities besides this Repurchase Offer.

You also would be investing directly in Mexican securities rather than holding them indirectly through a U.S. mutual fund structure which may aggravate the risks typically associated with a foreign investment. These risks include: (1) lesser liquidity and smaller market capitalization of the Mexican securities markets; (2) currency fluctuations; (3) higher rates of inflation and domestic interest rates; and (4) less stringent disclosure requirements, less available information regarding Mexican public companies and less active regulatory oversight of Mexican public companies. **The Fund is not providing you with specific information regarding each of the Portfolio Securities, but encourages you to make your own investigation and consult with your financial advisor if you are contemplating participation in the Repurchase Offer.** The Portfolio Securities may increase or decrease in value between the Repurchase Request Deadline and Repurchase Pricing Date, and between the Repurchase Pricing Date and your receipt of the Portfolio Securities in the Mexican Account as well as during the period you hold the Portfolio Securities. In addition, Mexican public companies are subject to less stringent disclosure standards and regulatory oversight than U.S. companies. Information available regarding the companies representing the Portfolio Securities is likely to be in Spanish, less extensive than that of U.S. public companies, and may not be accurate or current. Stockholders who retain the Portfolio Securities for investment purposes will need to conduct their own continuing investment research regarding the Mexican companies comprising the Portfolio Securities and/or seek assistance from their financial advisors. See Section 6 of the Repurchase Offer Notice.

Whether you immediately dispose of the Portfolio Securities you receive or whether you decide to retain them, there will be additional costs beyond those of participating in the Repurchase Offer that could impact the overall return you receive for participation in the Repurchase Offer, including additional brokerage commissions and expenses. You should also consider the tax consequences of participation in the Repurchase Offer and the disposition or retention of the Portfolio Securities received. **The receipt of the Portfolio Securities generally is a taxable transaction even though you are not receiving cash. Subsequently, the sale of the Portfolio Securities will also generally be a separate taxable transaction.** See Section 7 of the Repurchase Offer Notice.

In addition, whether or not you participate in the Repurchase Offer, there is a risk that the Fund's investments and the Portfolio Securities may experience a decrease in value following the Repurchase Offer depending on the level of participation in the Repurchase Offer and whether participating stockholders choose to dispose of the Portfolio Securities shortly after the Repurchase Offer. Because of the size of the Fund and the characteristics of the Mexican securities market, if stockholders participate in the Repurchase Offer and choose to liquidate the Portfolio Securities shortly after they receive them, there could be an adverse impact on the Mexican securities market and the market prices of the Portfolio Securities and the Fund's other investments, which risk affects both participating and non-participating stockholders.

The Fund recommends that you consult your financial and tax advisors prior to making a decision to participate in the Repurchase Offer. **The Fund cannot provide any advice or assistance to stockholders regarding the Repurchase Offer or the establishment of the Mexican Account necessary for participation in the Repurchase Offer.**

If I decide not to participate in the Repurchase Offer, how will that affect the Fund shares that I own?

Your percentage ownership interest in the Fund may increase after completion of the Repurchase Offer, assuming the participation of some stockholders in the Repurchase Offer. Because the asset size of the Fund may decrease as a result of the Repurchase Offer, per share expenses of the Fund may increase. Additionally, a reduced number of Fund shares available for trading may affect the liquidity of Fund shares and the ability of a holder to obtain accurate market quotations for Fund shares from the New York Stock Exchange.

Will I have to pay anything to participate in the Repurchase Offer?

The Repurchase Offer is subject to the two percent (2%) Repurchase Price Adjustment that reduces the net proceeds payable under the Repurchase Offer. Also, you may incur costs in establishing the Mexican Account and costs associated with either the retention or liquidation of the Portfolio Securities. Additionally, your U.S. broker, dealer or other institution may charge you a fee for processing your paperwork to participate in the Repurchase Offer and sending it to the Depositary.

May I withdraw my shares after I have submitted them for repurchase and, if so, by when?

Yes, you may withdraw your shares at any time prior to 5:00 p.m., New York City time, on the Repurchase Request Deadline. A notice of withdrawal of shares submitted in the Repurchase Offer must be timely received by the Depositary and the notice must specify the name of the stockholder who submitted the shares in the Repurchase Offer, the number of shares being withdrawn and, with respect to share certificates representing shares submitted in the Repurchase Offer that have been delivered or otherwise identified to the Depositary, the name of the registered owner if different from the person who submitted the shares in the Repurchase Offer. Withdrawn shares can be again submitted in the Repurchase Offer by following the procedures of the Repurchase Offer before the Repurchase Request Deadline (including any extension period). See Section 4 of the Repurchase Offer Notice.

May I place conditions on my participation in the Repurchase Offer?

No.

Is there a limit on the number of shares I submit in the Repurchase Offer?

Yes. If stockholders tender for repurchase more Fund shares than the number of shares that the Fund is offering to repurchase, the Fund may (but is not obligated to) increase the number of shares that the Fund is offering to purchase by up to two percent (2%) of the number of shares outstanding on the Repurchase Request Deadline. If the number of shares tendered for repurchase exceeds the number of shares which the Fund is offering to repurchase, the Fund will repurchase tendered shares on a *pro-rata* basis. The Fund may, in its discretion, accept all shares tendered by stockholders who own fewer than 100 shares and tender all their shares for repurchase in this Repurchase Offer, before *pro-rating* the shares tendered by other stockholders. There can be no assurance that the Fund will be able to repurchase all the shares that you tender even if you tender all the shares that you own. In the event of an oversubscribed Repurchase Offer, the Fund may be unable to repurchase all of the Shares you submitted for repurchase at the Repurchase Price. You may have to wait until a subsequent repurchase offer to tender shares that the Fund was unable to repurchase, and you would be subject to the risk of net asset value fluctuations during that time.

When will the Portfolio Securities be transferred in exchange for shares submitted in the Repurchase Offer?

Assuming compliance with all applicable procedures of the Repurchase Offer including establishment of the Mexican Account, the Portfolio Securities will be transferred to participating stockholders Mexican Accounts on or before January 27, 2004, or within seven days after the Repurchase Pricing Date. **The value of the Portfolio Securities may decrease or increase between the Repurchase Request Deadline and the Repurchase Pricing Date, and between the Repurchase Pricing Date and the actual receipt of the Portfolio Securities in the Mexican Account. By participating in the Repurchase Offer, you assume these market risks.** See Section 1 of the Repurchase Offer Notice.

Is my participation in the Repurchase Offer a taxable transaction for U.S. federal income tax purposes?

For most stockholders, yes. The participation in the Repurchase Offer by U.S. stockholders, other than those who are tax-exempt, will be a taxable transaction for U.S. federal income tax purposes, either as a sale or exchange, or, under certain circumstances, as a dividend. There may also be federal tax withholding. See Section 7 of the Repurchase Offer Notice for details, including the nature of any income or loss and the differing rules for U.S. and non-U.S. stockholders. Please consult your tax advisor as well.

May the Repurchase Offer be extended?

The Repurchase Request Deadline is at 5:00 p.m., New York City time, on January 13, 2004, unless extended. The Fund's Board of Directors may extend the period of time the Repurchase Offer is open only: (1) in accordance with the circumstances outlined in Rule 23c-3(b)(3) of the Investment Company Act of 1940, as amended; or (2) if during the course of the Repurchase Offer the Board of Directors, in its reasonable discretion, determines that consummation of the Repurchase Offer would be deemed a Rule 13e-3 transaction (as defined by such rule under the Securities Exchange Act of 1934, as amended). See Section 8 of the Repurchase Offer Notice.

Is there any reason shares submitted in the Repurchase Offer would not be accepted?

The Fund has reserved the right to reject any and all requests to participate in the Repurchase Offer determined by it not to be in appropriate form. The Repurchase Offer is not conditioned upon submission of a minimum number of Fund shares.

How will shares submitted in the Repurchase Offer be accepted for repurchase?

Shares properly submitted in the Repurchase Offer will be accepted for repurchase by the determination of the Fund, which will thereafter transfer the shares submitted to the Fund's custodian. The Fund's custodian will

transfer the Portfolio Securities to the Mexican Accounts on or before January 27, 2004 or within seven days of the Repurchase Pricing Date.

Ladies and Gentlemen:

The person(s) signing this Repurchase Request Form (the Signor or Stockholder) hereby expresses a desire to participate in the Repurchase Offer and hereby requests the repurchase by The Mexico Fund, Inc. (the Fund) of the shares of common stock described in Description of Shares Presented for Repurchase, par value \$1.00 per share (the Shares) of the Fund, in exchange for a *pro-rata* portion of each of the securities (other than short-term fixed income securities with maturities of less than one year, securities with transfer restrictions and certain illiquid securities), subject to adjustments for fractional shares and odd lots (Portfolio Securities), and cash held in the Fund's investment portfolio on the Repurchase Pricing Date. The consideration to be paid for each Share of the Fund presented for repurchase will be equal to the net asset value (NAV) per Share determined as of the close of the regular trading session of the New York Stock Exchange on the Repurchase Pricing Date, reduced by a 2% repurchase price adjustment (Repurchase Price Adjustment) for a repurchase price of 98% of NAV (Repurchase Price). This Repurchase Request Form is subject to the terms and conditions described in the Repurchase Offer Notice dated December 19, 2003 (which Repurchase Offer Notice and Repurchase Request Form together are referred to in these documents as the Offer Documents). Receipt of the Offer Documents is acknowledged by the Signor.

The Signor should recognize that there are expenses associated with participation in the Repurchase Offer. Without consideration of any potential tax consequences to a stockholder of participation in the Repurchase Offer, the actual per Share expenses for the Signor of participation in the Repurchase Offer will depend on a number of factors, including the number of Shares repurchased, the Fund's portfolio composition at the time, market conditions prevailing during the process, and the varying expenses associated with establishing the necessary Mexican accounts described below, and/or enlisting the assistance of a U.S. bank or broker, which may charge a fee for submitting the documentation necessary for participation. The Repurchase Offer will generally be a taxable transaction.

Subject to, and effective upon, acceptance for payment of, or payment for, Shares presented for repurchase by the Signor in accordance with the terms and subject to the conditions of the Repurchase Offer (including, if the Repurchase Offer is extended or amended, the terms or conditions of any extension or amendment), the Signor hereby sells, assigns and transfers to, or upon the order of, the Fund all right, title and interest in and to all of the Shares that are being presented for repurchase as described in Description of Shares Presented for Repurchase that may be purchased by the Fund pursuant to the Repurchase Offer (and any and all dividends, distributions, other Shares or securities or rights issued or issuable in respect of such Shares on or after the Repurchase Request Deadline) and the Signor irrevocably constitutes and appoints American Stock Transfer & Trust Co. (the Depository) as the true and lawful agent and attorney-in-fact of the Signor with respect to such Shares (and any such dividends, distributions, other Shares, or securities or rights issued or issuable in respect of such Shares on or after the Repurchase Request Deadline), with full power of substitution (such power of attorney being deemed to be an irrevocable power coupled with an interest), to: (a) present certificate(s) for such Shares (and any such dividends, distributions, other Shares, or securities or rights issued or issuable in respect of such Shares on or after the Repurchase Request Deadline), or transfer ownership of such Shares, together, in either such case, with all accompanying evidence of transfer and authenticity to or upon the order of the Fund; (b) present such Shares (and any such other dividends, distributions, other Shares or securities or rights issued or issuable in respect of such Shares on or after the Repurchase Request Deadline), for transfer on the books of the Fund; and (c) receive all benefits and otherwise exercise all rights of beneficial ownership of such Shares, subject to the succeeding paragraph, all in accordance with the terms and conditions set forth in the Repurchase Offer.

The Signor hereby represents and warrants that: (a) the Signor has full power and authority to submit, sell, assign and transfer the Shares submitted for repurchase (and any and all dividends, distributions, other Shares or other securities or rights issued or issuable in respect of such Shares on or after the Repurchase Request Deadline); (b) when and to the extent the Fund accepts the Shares for repurchase, the Fund will acquire good, marketable and unencumbered title thereto, free and clear of all liens, restrictions, charges, proxies, encumbrances, or other obligations relating to their sale or transfer, and not subject to any adverse claim; (c) on

request, the Signor will execute and deliver any additional documents deemed by the Depositary or the Fund to be necessary or desirable to complete the sale, assignment and transfer of the submitted Shares (and any and all dividends, distributions, other Shares or securities or rights issued or issuable in respect of such Shares on or after the Repurchase Request Deadline); and (d) the Signor has read and agreed to all of the terms of the Repurchase Offer.

The name(s) and address(es) of the registered owner(s) should be printed as they appear on the registration of the Shares. If the Shares presented for repurchase are in certificate form, the certificate(s) representing such Shares must be returned together with this Repurchase Request Form.

The Signor recognizes that the Fund is offering to repurchase up to five percent (5%) of its issued and outstanding shares of common stock. The Signor further recognizes that if the number of shares tendered for repurchase exceeds the number of Shares which the Fund is offering to repurchase, the Fund will repurchase tendered shares on a *pro-rata* basis.

The Signor recognizes that the Fund may, in its discretion, accept all shares tendered by stockholders who own fewer than 100 shares and tender all their shares for repurchase in this Repurchase Offer, before *pro-rating* the shares tendered by other stockholders.

The Signor recognizes that, under certain circumstances set forth in the Repurchase Offer Notice, the Fund may terminate or amend the Repurchase Offer or may not be required to repurchase any of the Shares presented for repurchase. In any such event, the Signor understands that certificate(s) for the Shares not repurchased, if any, will be returned to the Signor at its registered address.

The Signor understands that acceptance of Shares by the Fund for repurchase represents a binding agreement between the Signor and the Fund upon the terms and conditions of the Repurchase Offer.

The Portfolio Securities representing payment for the Shares repurchased will be titled on an interim basis in the name of the Mexican Custodian for the benefit of the redeeming stockholder. The Signor must have established cash and securities accounts with a bank or broker in Mexico and provide this information at the time the Shares are presented for repurchase (the Mexican Account).

The Mexican Account is a condition to participation in the Repurchase Offer. Signor must also complete the Authorization Instructions Form and submit certain tax information as a condition to participation in the Repurchase Offer.

The Fund is not responsible for any errors or deficiencies in a submission and will not be verifying the accuracy of submissions. The Mexican bank or broker designated by Signor will be responsible for reregistration of Portfolio Securities in the Signor's name.

All authority conferred or agreed to be conferred by this Repurchase Request Form shall survive the death or incapacity of the Signor and all obligations of the Signor under this Repurchase Request Form shall be binding upon the heirs, personal representatives, successors and assigns of the Signor. Except as stated in the Repurchase Offer Notice, the Stockholder's presentation of Shares for repurchase is irrevocable.

YOU MUST PROVIDE THE INFORMATION REQUESTED BELOW AS WELL AS IN THE AUTHORIZATION INSTRUCTIONS FORM IN THIS REPURCHASE REQUEST FORM. In all other cases, all signatures on this Repurchase Request Form must be guaranteed by an Eligible Institution. See Instruction 5.

2. *Delivery of Repurchase Request Form and Certificates; Guaranteed Delivery Procedures.* This Repurchase Request Form is to be used only (a) if Shares are to be forwarded with this Repurchase Request Form; (b) if uncertificated Shares held by the Fund 's transfer agent pursuant to the Fund 's dividend reinvestment plan are to be presented for repurchase; or (c) if transfers of Shares presented for repurchase are to be made by book-entry transfer to the account maintained by the Depository according to the procedure set forth in Section 3 of the Repurchase Offer Notice. If transfers of Shares presented for repurchase are to be made by book-entry transfer, the Stockholder must also complete the DTC Delivery Election Form included with the materials.

Certificates for all physically submitted Shares or confirmation of a book-entry transfer in the Depository 's account at DTC of Shares submitted by book-entry transfer, together, in each case, with a properly completed and duly executed Repurchase Request Form or facsimile thereof with any required signature guarantees, and any other documents required by this Repurchase Request Form should be mailed or delivered to the Depository at the appropriate address set forth herein and must be received by the Depository prior to 5:00 p.m., New York City time, on the Repurchase Request Deadline. Stockholders whose certificates are not immediately available or who cannot deliver Shares and all other required documents to the Depository prior to 5:00 p.m., New York City time, on the Repurchase Request Deadline, or whose Shares cannot be delivered on a timely basis pursuant to the procedures for book-entry transfer prior to the Repurchase Request Deadline, may submit their Shares by or through any Eligible Institution by properly completing and duly executing and delivering a Notice of Guaranteed Delivery (or facsimile thereof), which must be received by the Depository prior to the Repurchase Request Deadline, and by otherwise complying with the guaranteed delivery procedures set forth in Section 3, Procedure for Participating in the Repurchase Offer, of the Fund 's Repurchase Offer Notice. Pursuant to such procedures, the certificates for all physically submitted Shares, or confirmation of book-entry transfer, as the case may be, as well as a properly completed and duly executed Repurchase Request Form, and all other documents required by this Repurchase Request Form must be received by the Depository within three business days after receipt by the Depository of such Notice of Guaranteed Delivery, all as provided in Section 3, Procedure for Participating in the Repurchase Offer, of the Fund 's Repurchase Offer Notice.

THE METHOD OF DELIVERY OF SHARE CERTIFICATES, THIS REPURCHASE REQUEST FORM, AND ALL OTHER REQUIRED DOCUMENTS, INCLUDING DELIVERY THROUGH ANY BOOK ENTRY TRANSFER FACILITY, IS AT THE OPTION AND SOLE RISK OF THE STOCKHOLDER PRESENTING SHARES FOR REPURCHASE. IN ALL CASES, SUFFICIENT TIME SHOULD BE ALLOWED TO ENSURE TIMELY DELIVERY.

Delivery will be deemed made only when actually received by the Depository. If delivery is by mail, registered mail with return receipt requested, properly insured, is recommended. Shareholders have the responsibility to cause their Shares (in proper certificated or uncertificated form), this Repurchase Request Form (or a photocopy bearing original signature(s) and any required signature guarantees), and any other

documents required by this Repurchase Request Form to be delivered in accordance with the Repurchase Offer.

The Fund will not accept any alternative, conditional or contingent repurchase requests. All stockholders, brokers, dealers, commercial banks, trust companies and other nominees, by execution of this Repurchase Request Form (or photocopy hereof), waive any right to receive any notice of the acceptance of their request for repurchase.

3. *Lost Certificates.* In the event that any Stockholder is unable to deliver to the Depositary the Fund certificate(s) representing his, her or its Shares due to the loss or destruction of such certificate(s), such fact should be included on the face of this Repurchase Request Form. In such case, the Stockholder should also contact the Depositary at 877-248-6417 to report the lost securities. The Depositary will forward additional documentation which such Stockholder must complete in order to effectively surrender such lost or destroyed certificate(s) (including affidavits of loss and indemnity bonds in lieu thereof). There may be a fee in respect of lost or destroyed certificates, but surrenders hereunder regarding such lost certificates will be processed only after such documentation has been submitted to and approved by the Depositary.

4. *Inadequate Space.* If the space provided in any of the above boxes is inadequate, the necessary information should be listed on a separate schedule signed by all of the required signatories and attached to the Repurchase Request Form.

5. *Signatures on Repurchase Request Form, Authorizations, and Endorsements.* If this Repurchase Request Form is signed by the registered holder(s) of the Shares presented for repurchase, the signature(s) must correspond with the name(s) as written on the face of the certificate(s) without alteration, enlargement or any change whatsoever.

If any of the Shares presented for repurchase are owned of record by two or more joint owners, all of the owners must sign this Repurchase Request Form. If any of the Shares presented for repurchase are registered in different names on several certificates, it will be necessary to complete, sign and submit as many separate Repurchase Request Forms as there are different registrations of certificates.

If this Repurchase Request Form or stock powers are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing, and proper evidence satisfactory to the Fund of their authority to act in such a fiduciary or representative capacity must be submitted.

If the Repurchase Request Form is signed by the registered holder(s) of the Shares listed and transmitted hereby, no endorsements of certificates or separate stock powers are required unless payment is to be made to a person other than the registered holder(s), in which case the endorsements or signatures on the stock powers, as the case may be, must be signed exactly as the name(s) of the registered holder(s) appear(s) on the certificates. Signatures on such certificates must be guaranteed by an Eligible Institution. *See* also Instruction 1.

If this Repurchase Request Form is signed by a person other than the registered holder(s) of the certificate(s) listed, the certificate(s) must be endorsed or accompanied by appropriate stock powers, in either case signed exactly as the name(s) of the registered holder(s) appear(s) on the certificate(s) for such Shares. Signatures on such certificates or stock powers must be guaranteed by an Eligible Institution. *See* also Instruction 1.

Edgar Filing: MEXICO FUND INC - Form N-23C3A

7. *Irregularities.* All questions as to the validity, form, eligibility (including time of receipt) and acceptance of Shares presented for repurchase will be determined by the Fund, in its sole discretion, and the Fund's determination shall be final and binding. The Fund reserves the absolute right to reject any or all Shares presented for repurchase determined not to be in appropriate form or to refuse to accept for payment, repurchase or pay for any Shares if, in the opinion of the Fund's counsel, accepting, repurchasing or paying for the Shares

would be unlawful. The Fund also reserves the absolute right to waive any of the conditions of the Repurchase Offer in whole or in part, or any defect in any repurchase request, whether generally or with respect to any particular Share(s) or Stockholder(s). Unless waived, any defects or irregularities in connection with a repurchase request must be cured within such time as the Fund shall determine. Repurchase requests will not be deemed to have been made until all defects and irregularities have been cured or waived. The Fund's interpretations of the terms and conditions of the Repurchase Offer (including these instructions) shall be final and binding.

NONE OF THE FUND, THE FUND'S INVESTMENT ADVISER, THE DEPOSITARY, THE INFORMATION AGENT, NOR ANY OTHER PERSON IS OR WILL BE OBLIGATED TO GIVE ANY NOTICE OF DEFECTS OR IRREGULARITIES IN REPURCHASE REQUESTS, AND NONE OF THEM SHALL INCUR ANY LIABILITY FOR FAILURE TO GIVE ANY SUCH NOTICE; INCLUDING, WITHOUT LIMITATION, WITH RESPECT TO THE AUTHORIZATION INSTRUCTIONS FORM AND NECESSARY TAX INFORMATION.

8. *Questions and Requests for Assistance and Additional Copies.* Questions and requests for assistance may be directed to the Information Agent, Georgeson Shareholder Communications Inc., by telephoning 1-800-965-5216. Requests for additional copies of the Repurchase Offer Notice and this Repurchase Request Form may also be directed to the Information Agent. Stockholders who do not own Shares directly may also obtain such information and copies from their broker, dealer, commercial bank, trust company or other nominee. Stockholders who do not own Shares directly are required to present their Shares for repurchase through their broker, dealer, commercial bank, trust company or other nominee and should NOT submit this Repurchase Request Form to the Depositary. The Information Agent will also provide Stockholders, upon request, with a Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding (W-8 BEN) or a Certificate of Foreign Person's Claim for Exemption From Withholding on Income Effectively Connected With the Conduct of a Trade or Business in the United States (W-8 ECI).

9. *Backup Withholding Tax.* Each U.S. Shareholder presenting Shares for repurchase who has not already submitted a correct, completed and signed Form W-9 to the Fund, or does not otherwise establish an exemption from withholding must notify the Depositary of his/her correct taxpayer identification number (TIN) (or certify that he/she/it is awaiting a TIN) and provide certain other information by completing and providing to the Depositary the Substitute Form W-9 provided under Important Tax Information below. **Failure either to provide the information on the form or to check the box in Part 2 of the form will result in a defective submission and the Fund will be unable to repurchase the stockholders' submitted Shares.**

10. *Withholding for Non-U.S. Shareholders.* Each non-U.S. Shareholder presenting Shares for repurchase who has not already submitted a correct, completed and signed Form W-8 to the Fund must complete the Form W-8 included with this Repurchase Request Form and provide it to the Depositary. **Failure to provide the Form W-8 will result in a defective submission and the Fund will be unable to repurchase the Stockholders' submitted shares.**

In order to participate in the Repurchase Offer, a non-U.S. Shareholder must deliver to the Depositary before the transfer of proceeds a properly completed and executed IRS Form W-8 BEN. In order to obtain an exemption from withholding on the grounds that the gross proceeds paid pursuant to the Repurchase Offer are effectively connected with the conduct of a trade or business within the United States, a non-U.S. Shareholder must deliver to the Depositary a properly completed and executed IRS Form W-8 ECI. The Depositary will determine a Shareholder's status as a non-U.S. Shareholder and eligibility for a reduced rate of, or exemption from, withholding by reference to any outstanding certificates or statements concerning eligibility for a reduced rate of, or exemption from, withholding (e.g., IRS Forms W-8 BEN or W-8 ECI) unless facts and circumstances indicate that such reliance is not warranted. The Fund will generally withhold 30% of the proceeds otherwise payable to a non-U.S. Shareholder. A non-U.S. Shareholder may be eligible to obtain a refund from the Internal Revenue Service of all or a portion of any tax withheld if such Shareholder satisfies certain requirements or is

otherwise able to establish that no tax or a reduced amount of tax is due. Non-U.S. Shareholders are urged to consult their own tax advisors regarding the application of federal income tax withholding, including eligibility for a withholding tax reduction or exemption, and the refund procedure.

IMPORTANT: THIS REPURCHASE REQUEST FORM, OR FACSIMILE HEREOF BEARING ORIGINAL SIGNATURE(S), PROPERLY COMPLETED AND DULY EXECUTED, TOGETHER WITH ANY REQUIRED SIGNATURE GUARANTEES, SHARES (IN PROPER CERTIFICATED OR UNCERTIFICATED FORM), AND ALL OTHER REQUIRED DOCUMENTS MUST BE RECEIVED BY THE DEPOSITARY, OR A PROPERLY COMPLETED AND EXECUTED NOTICE OF GUARANTEED DELIVERY MUST BE RECEIVED BY THE DEPOSITARY, ON OR PRIOR TO THE REPURCHASE REQUEST DEADLINE.

The acceptance of Shares by the Fund for payment will constitute a binding agreement between the Stockholder offering Shares for repurchase and the Fund, upon the terms and conditions of the Repurchase Offer.

IMPORTANT TAX INFORMATION

THE FEDERAL INCOME TAX DISCUSSION SET FORTH ABOVE IS INCLUDED FOR GENERAL INFORMATION ONLY. ALL STOCKHOLDERS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS AS TO THE SPECIFIC TAX CONSEQUENCES TO THEM OF THE REPURCHASE OFFER AND ARE ALSO URGED TO REVIEW SECTION 7 OF THE REPURCHASE OFFER NOTICE.

SUBSTITUTE FORM W-9 OR FORM W-8

Under the U.S. federal income tax laws, the Depositary may be required to withhold 28% of the amount of any payment made to certain holders pursuant to the Repurchase Offer. In order to participate in the Repurchase Offer and avoid such backup withholding, each redeeming U.S. Shareholder must provide the Depositary with such Shareholder's correct TIN by completing the Substitute Form W-9 set forth below. In general, if a Shareholder is an individual, the TIN is the Social Security number of such individual. If the Depositary is not provided with the correct TIN, the Shareholder may be subject to a penalty imposed by the Internal Revenue Service. Certain Shareholders (including, among others, most corporations and certain foreign persons) are not subject to these backup withholding and reporting requirements, but should nonetheless complete a Substitute Form W-9 to avoid possible erroneous backup withholding. For further information regarding backup withholding and instructions for completing the Substitute Form W-9 (including how to obtain a TIN if you do not have one and how to complete the Substitute Form W-9 if Shares are held in more than one name), consult the enclosed Guidelines for Certification of Taxpayer Identification Number. **Failure to submit information necessary to avoid the 28% backup withholding will be considered a defective repurchase request and the Fund will be unable to repurchase the submitted Shares.**

In order for a non-U.S. Shareholder to avoid 30% backup withholding and participate in the Repurchase Offer, the Shareholder must submit a statement to the Depositary signed under penalties of perjury attesting that he/she/it is a non-U.S. Shareholder. Form W-8 and instructions for such statement are enclosed for non-U.S. Shareholders. To qualify as an exempt recipient on the basis of foreign status, a Shareholder must submit a properly completed Form W-8 BEN or Form W-8 ECI, signed under penalties of perjury, attesting to that person's exempt status. A Shareholder would use a Form W-8 BEN to certify that it (1) is neither a citizen nor a resident of the United States, (2) has not been and reasonably does not expect to be present in the United States for a period aggregating 183 days or more during the calendar year, and (3) reasonably expects not to be engaged in a trade or business within the United States to which the gain on the sale of the Shares would be effectively connected; and would use a Form W-8 ECI to certify that (1) it is neither a citizen nor resident of the United

States, and (2) the proceeds of the sale of the Shares is effectively connected with a U.S. trade or business. A foreign Shareholder may also use a Form W-8 BEN to certify that it is eligible for benefits under a tax treaty between the United States and such foreign person's country of residence.

A SHAREHOLDER SHOULD CONSULT HIS OR HER TAX ADVISOR AS TO HIS OR HER QUALIFICATION FOR EXEMPTION FROM THE BACKUP WITHHOLDING REQUIREMENTS AND THE PROCEDURE FOR OBTAINING AN EXEMPTION. IT SHOULD BE NOTED THAT EVEN IF A NON-U.S. SHAREHOLDER WOULD BE EXEMPT FROM BACKUP WITHHOLDING, THEY WOULD NEVERTHELESS GENERALLY BE SUBJECT TO WITHHOLDING ON DIVIDENDS. THE FUND INTENDS TO WITHHOLD 30% (OR A LOWER TREATY RATE) OF THE PROCEEDS OTHERWISE PAYABLE TO NON-U.S. SHAREHOLDERS. SUCH SHAREHOLDERS MAY BE ABLE TO OBTAIN A REFUND FROM THE INTERNAL REVENUE SERVICE.

**FAILURE TO COMPLETE SUBSTITUTE FORM W-9 OR FORM W-8 WILL CAUSE THE SHARES
TO BE DEEMED INVALIDLY PRESENTED FOR REPURCHASE.**

REGARDING THE REPURCHASE OFFER BY

THE MEXICO FUND, INC.

To Our Clients:

Enclosed for your consideration are the Repurchase Offer Notice dated December 19, 2003 of The Mexico Fund, Inc. (the Fund), a Maryland corporation registered under the Investment Company Act of 1940, as amended, a closed-end, non-diversified management investment company, and the related Repurchase Request Form by which the Fund is offering to its Stockholders the right to demand the repurchase of their shares in an amount up to five percent (5%) of the Fund's issued and outstanding common stock, par value \$1.00 per share (the Shares) in exchange for a *pro-rata* portion of each of the securities (other than short-term fixed income securities with maturities of less than one year, securities with transfer restrictions and certain illiquid securities), subject to adjustment for fractional shares and odd lots (Portfolio Securities), and cash held in the Fund's investment portfolio, at a price equal to the Shares' net asset value (NAV) determined as of the close of the regular trading session of the New York Stock Exchange (NYSE) on the Repurchase Pricing Date, reduced by a 2% repurchase price adjustment (Repurchase Price Adjustment) for a repurchase price equal to 98% of NAV (Repurchase Price), subject to the terms and conditions set forth in the Repurchase Offer Notice dated December 19, 2003 and the related Repurchase Request Form (which together constitute the Offer Documents) (the Repurchase Offer). THE REPURCHASE OFFER EXPIRES AT 5:00 P.M., NEW YORK CITY TIME, ON JANUARY 13, 2004, UNLESS EXTENDED (THE REPURCHASE REQUEST DEADLINE).

The purpose of the Repurchase Offer is to provide Stockholders a source of liquidity that may allow them to realize the NAV of their Shares. The proceeds of this in-kind repurchase offer will be paid in a *pro-rata* portion of the Fund's Portfolio Securities. The Repurchase Offer also prevents Stockholders who choose not to participate from bearing any portion of the unrealized capital gains which would be realized if the Fund sold its Portfolio Securities in order to satisfy repurchase requests in cash. If the number of shares tendered for repurchase exceeds the number of Shares which the Fund is offering to repurchase, the Fund will repurchase tendered shares on a *pro-rata* basis.

Offer documents are being forwarded to you as the beneficial owner of Shares held by us for your account but not registered in your name. **We are sending you the Repurchase Request Form for your information only; you cannot use it to present Shares we hold for your account for repurchase. A repurchase request regarding your Shares can be made only by us as the holder of your shares as a participant in the Depository Trust Company system and only according to your instructions.**

Your attention is called to the following:

1. The Repurchase Price to be paid for the Shares is an amount per Share, equal to the NAV determined as of the close of the regular trading session of the NYSE on the Repurchase Pricing Date reduced by the 2% Repurchase Price Adjustment for a Repurchase Price equal to 98% of net asset value, subject to the terms and conditions of the Repurchase Offer Notice dated December 19, 2003 and the related Repurchase Request Form. THE REPURCHASE REQUEST DEADLINE IS 5:00 P.M., NEW YORK CITY TIME, ON JANUARY 13, 2004, UNLESS EXTENDED.

Edgar Filing: MEXICO FUND INC - Form N-23C3A

2. The Repurchase Offer is for up to five percent (5%) of the issued and outstanding Shares of the Fund and is not conditioned upon any minimum number of outstanding Shares being presented for repurchase, but is subject to certain conditions set forth in the Repurchase Offer Notice. Under the conditions described in Section 8 of the Repurchase Offer Notice, the Fund can terminate or amend the Repurchase Offer or can postpone the acceptance for payment of, payment for or repurchase of any Shares.

3. Stockholders offering their Shares for repurchase will not be obligated to pay brokerage commissions on the repurchase of Shares by the Fund pursuant to the Repurchase Offer; however, a broker, dealer or other person may charge a fee for processing the transactions on behalf of Stockholders. Stockholders offering their Shares for repurchase will bear any related costs of delivery and transfer. The actual per share expenses for redeeming Stockholders of effecting the repurchase will depend on a number of factors, including the number of Shares repurchased, the Fund's portfolio composition at the time, and market conditions prevailing during the process. The Repurchase Price Adjustment of two percent (2%) is paid to the Fund and is reasonably intended to compensate the Fund for expenses directly related to the Repurchase Offer.

If you wish to have us present your Shares for repurchase, please instruct us by completing, signing and returning to us the instruction form enclosed.

YOUR INSTRUCTIONS SHOULD BE FORWARDED TO US IN AMPLE TIME TO PERMIT US TO PRESENT YOUR SHARES FOR REPURCHASE ON YOUR BEHALF ON OR BEFORE THE EXPIRATION OF THE REPURCHASE OFFER. THE REPURCHASE REQUEST DEADLINE IS 5:00 P.M., NEW YORK CITY TIME, ON JANUARY 13, 2004, UNLESS EXTENDED.

The Repurchase Offer is not being made to (nor will repurchase requests be accepted from or on behalf of) owners of Shares in any jurisdiction in which the Repurchase Offer or its acceptance would violate the laws of that jurisdiction. To the extent that the securities laws of any jurisdiction would require the Repurchase Offer to be made by a licensed broker or dealer, the Repurchase Offer shall be deemed to be made on the Fund's behalf by one or more registered brokers or dealers licensed under the laws of that jurisdiction.

NONE OF THE FUND, THE BOARD OF DIRECTORS NOR THE INVESTMENT ADVISER TO THE FUND IS MAKING ANY RECOMMENDATION TO ANY STOCKHOLDER WHETHER TO SUBMIT FOR REPURCHASE OR TO REFRAIN FROM SUBMITTING FOR REPURCHASE SHARES. THE FUND HAS BEEN ADVISED THAT NO DIRECTOR OR OFFICER OF THE FUND NOR THE FUND'S INVESTMENT ADVISER WILL PARTICIPATE IN THE REPURCHASE OFFER. EACH STOCKHOLDER IS URGED TO READ AND EVALUATE THE REPURCHASE OFFER. EACH STOCKHOLDER IS URGED TO READ AND EVALUATE THE REPURCHASE OFFER NOTICE AND ACCOMPANYING MATERIALS CAREFULLY.

Very truly yours,
