Meetings and Committees of the Board

The business and affairs of the Company are managed under the direction of the Board of Directors. Members of the Board keep informed of the Company's business and activities by reports and proposals sent to them periodically and in advance of each Board meeting and reports made to them during these meetings by the President and other Company officers. The Board is regularly advised of actions taken by the Executive Committee and other committees of the Board, as well as significant actions taken by management. Members of management are available at Board meetings and other times to answer questions and discuss issues. During the Company's fiscal year ended April 30, 2004, the Board of Directors held nine meetings.

Currently, the standing committees of the Board of Directors of the Company are the Executive Committee, Audit Committee, Compensation Committee, Financial/Planning Committee, and Nominating Committee. The functions and membership of the committees are described below.

The Executive Committee, consisting of Messrs. Rhind (Chairman), Campbell, Manchester and Shumaker and Ms. Bruemmer, exercises the authority of the Board between meetings of the full Board, subject to the limitations of the Delaware General Corporation Law. The Executive Committee met two times during the Company's last fiscal year.

The Audit Committee, consisting of Messrs. Keehn (Chairman), Campbell and Rhind, each an independent director, performs the responsibilities and duties described in the Company's Audit Committee Charter included as Appendix A to this Proxy Statement and is responsible for annually appointing the independent auditor for the Company, approving services to be performed by the independent auditor, reviewing the independent auditor's reports, and reviewing the Company's quarterly and annual financial statements before release to the public. The Audit Committee met seven times during the Company's last fiscal year. In addition, the Board of Directors has determined that Mr. Keehn, the current Chairman of the Audit Committee, is a financial expert within the meaning of the current rules of the Securities and Exchange Commission.

The Compensation Committee, consisting of Messrs. Caldwell (Chairman), Keehn and Rhind and Ms. Bruemmer, each an independent director, considers and provides recommendations to the Board of Directors with respect to the compensation (salaries and bonuses) of officers of the Company; short- and long-range compensation programs for officers and other key employees of the Company; benefit programs for all employees of the Company; and stock option grants to key employees. The Compensation Committee also acts as the Stock Option Committee, administering and interpreting the stock option plans for officers and other key employees. The Compensation Committee met three times during the Company's last fiscal year.

The Financial/Planning Committee, consisting of Messrs. Manchester (Chairman), Caldwell, Keehn and Shumaker and Ms. Bruemmer, reviews and provides recommendations to the Board of Directors with respect to the annual budget for the Company, the Company's strategic plan and the annual budget for capital expenditures. The Financial/Planning Committee also reviews the investment results of the assets of the Company's retirement plans. The Financial/Planning Committee met three times during the Company's last fiscal year.

The Nominating Committee consisting of Messrs. Rhind (Chairman), Campbell and Ms. Bruemmer, each an independent director, makes recommendations to the full Board with respect to candidates for Board membership, officers of the Company, and Board committee membership. The Nominating Committee does not have a charter. Generally, a diversity of factors such as general business experience, leadership and understanding and achievement in manufacturing, finance or marketing are considered in the nomination process for candidates for Board membership, although neither the Board of

Directors nor the Nominating Committee has established any specific minimum criteria or qualifications that a nominee must possess. The Nominating Committee will consider as prospective Board nominees persons brought to its attention by officers, directors and stockholders. Proposals may be addressed to the Nominating Committee at the address shown on the cover of this Proxy Statement, attention of the Corporate Secretary. The Nominating Committee will consider candidates proposed by stockholders using the same evaluation criteria as for other candidates. The Nominating Committee met one time during the Company's last fiscal year.

In the Company's last fiscal year, no director attended less than 75% of the aggregate of all meetings of the Board and all meetings held by committees of the Board on which such director served.

The Company does not have a formal policy regarding attendance by members of the Board of Directors at the Annual Meeting of Stockholders, although all directors are encouraged to attend. All members of the Board of Directors attended the Company's 2003 Annual Meeting of stockholders.

Stockholder Communications with the Board of Directors

The Board of Directors recommends that any communications from stockholders be in writing and addressed to the Board in care of the Corporate Secretary, 2700 West Front Street, Statesville, North Carolina 28677-2927. The name of any specific intended Board member should be noted in the communication. The Corporate Secretary will forward such correspondence only to the intended recipient if one is noted; however, the Corporate Secretary, prior to forwarding any correspondence, will review the correspondence, and in his discretion, will not forward certain items if they are deemed frivolous, of inconsequential commercial value or otherwise inappropriate for Board consideration.

Compensation Committee Interlocks and Insider Participation

As noted above, the Compensation Committee consists of Messrs. Caldwell, Keehn and Rhind and Ms. Bruemmer. No executive officer of the Company served as a member of the Compensation Committee or as a director of any other entity, one of whose executive officers serves on the Compensation Committee or is a director of the Company. Mr. Rhind is of counsel to the law firm of Bell, Boyd & Lloyd LLC, which serves as counsel to the Company.

Director Compensation

Each director who is not an employee of the Company receives for his services as such an annual retainer of \$18,000 plus a fee of \$1,000 for each day of Board and/or committee meetings attended, a multiple-meeting fee of \$1,250 and a \$500 fee for telephone meetings. In addition, the Chairmen of the Executive and Compensation Committees receive an annual fee of \$2,000, and the Chairman of the Audit Committee receives an annual fee of \$3,000. Payment of such fees may be deferred at the request of a director. All directors are reimbursed for their expenses for each Board and committee meeting attended. Under the Company's 1993 Stock Option Plan for Directors, each of the Company's non-employee directors was granted a one-time option to purchase at fair market value on the date of the grant, 5,000 shares of the Company's common stock. These options are exercisable in 25% increments on August 1 of each of the next four years after the date of grant and have since been exercised in full by each director, with the exception of Mr. Keehn, who was granted his option in May 2001.

Edgar Filing: KEWAUNEE SCIENTIFIC CORP /DE/ - Form DEF 14A

Retirement Plan

The named executive officers of the Company participate in the Company's Retirement Plan. The Retirement Plan provides retirement benefits for participating employees which are calculated with reference to years of service and final average monthly compensation (salary and bonus). The annual benefit amount is calculated as 40% of the 10-year final average annual compensation minus 50% of the Primary Social Security Benefit, all multiplied by a fraction, the numerator of which is the number of years of credited service up to 30 years, and the denominator of which is 30. Participants in the Retirement Plan may elect among several payment alternatives.

The following table shows estimated annual benefits payable to employees with the indicated years of service and final average annual compensation. The estimated annual benefits are based upon the assumption that the Retirement Plan will continue in effect, without change, that the participant retires at age 65, and that the participant does not elect any alternate payment option under the Retirement Plan. To the extent ERISA rules restrict the amount otherwise payable under the Plan, the amount in excess of the restrictions will be paid by the Company under the provisions of the Company's Pension Equalization Plan. At April 30, 2004, the credited years of service under the Retirement Plan for Messrs. Shumaker, Parker, Rindoks, Rossi, and Sparks were 10.6, 13.7, 19.5, 20.5, and 6.6, respectively.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board, which is composed of four independent directors, considers and provides recommendations to the full Board of Directors with respect to salaries and other compensation programs for executive officers of the Company.

The objective of the Company's executive compensation program is to attract, motivate, reward and retain management talent critical to the Company's achievement of its objectives. Salaries and other compensation for the Company's executive officers are based on each executive officer's responsibilities, level of experience, and performance over time, as well as on the recommendation of the Chief Executive Officer. In order to assure that salaries and compensation remain competitive, the Company subscribes to and consults various published surveys on executive compensation.

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits the deduction for federal income tax purposes of certain compensation paid by any publicly-held corporation to its chief executive officer and its four other most highly compensated officers to \$1 million per year for each such executive. This deduction limit is not relevant to the Company at the current levels of compensation of its executive officers.

Executive Officer Compensation

The Company's compensation program for executive officers has four principal components which are discussed below.

Base Salary

The Compensation Committee annually reviews the base salaries of executive officers. Prior to the meeting at which the annual review occurs, the Committee is furnished with historical data on the total compensation for each executive, marketplace data for comparable positions at other manufacturing and service companies with generally similar annual sales volume, individual performance appraisals and recommended adjustments by the Chief Executive Officer for each executive officer except himself. The Committee further considers the executive officer's particular qualifications, level of experience, sustained performance over time, and pay position within his or her established base salary range. These factors are also considered in determining an adjustment to the salary of the Chief Executive Officer. Base salaries are traditionally adjusted as of July 1 of each year.

Annual Incentive Compensation

All of the Company's executive officers are eligible to participate in an annual incentive bonus plan, pursuant to which each executive officer is eligible to earn a cash bonus for each fiscal year of the Company, based primarily on the attainment of earnings goals established in the incentive bonus plan and, to a lesser extent, on the executive officer's achievement of established personal goals to the degree determined by the Board of Directors upon the recommendation of the Chief Executive Officer.

Edgar Filing: KEWAUNEE SCIENTIFIC CORP /DE/ - Form DEF 14A

At the beginning of each fiscal year, the Board of Directors approves earnings goals for the Company for such year and, upon recommendation of the Compensation Committee, establishes specified percentages of each executive officer's beginning-of-the-year base salary that will be available for bonuses if the Company and/or its operating businesses achieves specified earnings goals and the executive officer achieves his or her personal goals. The percentages increase as the earnings reach various established levels. No executive officers qualified for cash bonuses under the incentive bonus plan for fiscal year 2004.

Long-Term Incentive Plans

In recent fiscal years, through fiscal year 2003, the Company used stock options as its primary long-term incentive plan for executive officers. Stock option awards were normally made annually in August by the Board of Directors, based on the recommendations of the Chief Executive Officer, with respect to all stock options other than his own, and the Compensation Committee. The exercise price of the granted stock options was the fair market value of the Company's common stock on the date of the grant. Individual awards were based on an individual's performance, his or her comparative base salary level and the number of stock option grants previously made.

Beginning with fiscal year 2004, the Company has used a performance-based long-term incentive plan, instead of stock options, as its primary long-term incentive plan for its executive officers. This plan provides executive officers an opportunity to receive awards in the form of cash payments at the end of a three-year performance period based upon the occurrence of both (i) the Company's attainment of specified annual financial goals established by the Board of Directors and (ii) an increase in the market price of the Company's stock from the beginning to the end of the three-year period.

Other Compensation Plans

Each of the Company's executive officers is entitled to receive additional compensation in the form of payments, allocations, or accruals under various group compensation and benefit plans. Benefits under these plans are not directly, or indirectly, tied to employee or Company performance.

Chief Executive Officer Compensation

The Compensation Committee considers the Chief Executive Officer's leadership an important factor in the future success of the Company. The compensation of the CEO has traditionally included base salary, annual incentive compensation, long-term incentive compensation, and benefits under various group plans. In establishing Mr. Shumaker's base salary for each fiscal year, the Compensation Committee considers operating results for the prior year and the outlook for the current year, continued development of the management team, operational improvements, compensation of chief executive officers of other companies with comparable sales, and the price of the Company's common stock. At Mr. Shumaker's request, his base salary remained unchanged for fiscal year 2004. The CEO's annual incentive compensation and long-term incentive compensation are determined pursuant to the Company's incentive plans for executive officers. Mr. Shumaker did not earn a cash bonus under the annual incentive bonus plan for fiscal year 2004, as the Company did not meet its established earnings goals.

AUDIT COMMITTEE REPORT

The Audit Committee is composed of three independent directors and is responsible for overseeing the Company's financial reporting process and other duties as described in the Audit Committee Charter attached as Appendix A to this Proxy Statement.

In fulfilling its oversight responsibilities, the Committee has reviewed and discussed the Company's audited financial statements for the fiscal year ended April 30, 2004 with management and the Company's independent auditors. Management of the Company is responsible for those financial statements and the Company's financial reporting process, including the Company's system of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States. The Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit. The Committee has received the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with PricewaterhouseCoopers LLP their independence. The Audit Committee also considered whether the provision of non-audit services by PricewaterhouseCoopers LLP was compatible with maintaining its independence. Based on the Committee's review of the audited financial statements and the review and discussions described in this paragraph, the Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended April 30, 2004 be included in the Company's Annual Report on Form 10-K for the fiscal year ended April 30, 2004 for filing with the Securities and Exchange Commission. All members of the Committee meet the independence requirements established by The Nasdaq Stock Market, Inc.

PERFORMANCE GRAPH

The graph below sets forth a comparison of the Company's annual stockholder return with the annual stockholder return of (i) the Nasdaq Market Index, and (ii) an index of Nasdaq, non-financial companies with similar market capitalizations to the Company^{1/}. The graph is based on an investment of \$100 on May 1, 1999 (the first trading day of the Company's fiscal year beginning on that date) in the Company's common stock, assuming dividend reinvestment. The graph is not an indicator of the future performance of the Company. Thus, it should not be used to predict the future performance of the Company's stock. The graph and related data were furnished by CoreData, Richmond, Virginia.

Comparison of 5-Year Cumulative Total Return

Kewaunee Scientific Corporation, Nasdaq Market Index

and Similar Market Capitalization Index

^{1/} In addition to the Company, the Similar Market Capitalization Index is comprised of the following companies: Amcor Limited; Canterbury Park Holding Corporation; HMG/Courtland Properties Inc.; North Coast Energy, Inc.; P & F Industries, Inc.; TAT Technologies Ltd.; TBA Entertainment Corporation; and VPGI Corp. (formerly Uniview Technologies Corporation). Consistent with the prior year, the Company used for an index companies with a market capitalization similar to that of the Company. The Peer Group index was used because there exists no applicable published industry index or line-of-business index, and the Company does not believe it can reasonably identify a peer group of companies in its industry because the Company's primary competitors are either divisions of larger corporations or are privately owned.

AGREEMENTS WITH CERTAIN EXECUTIVES

The Company entered into agreements with Messrs. Shumaker, Parker, Rindoks, and Rossi in fiscal year 2000 that provide for the payment of compensation and benefits in the event of termination of their employment within three years following a Change of Control of the Company, as defined in the agreements. Each executive whose employment is so terminated will receive compensation if the termination of his employment was by the Company or its successor without cause, or by the executive for good reason, as defined in the agreements. Rindoks and Rossi and two (2) times the executive's annual compensation with respect to Messrs. Shumaker and Parker. Upon a termination of employment occurring after the first anniversary, but within three years, of the date of the Change of Control, in addition to unpaid ordinary compensation and a lump-sum cash payment for certain benefits, Messrs. Rindoks and Rossi will be entitled to a lump-sum payment equal to one-half (1/2) of their annual compensation and Messrs. Shumaker and Parker will be entitled to a lump-sum payment equal to their annual compensation.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers, directors and 10% stockholders to file reports of ownership with the Securities and Exchange Commission. Such persons also are required to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of copies of such forms received by it and inquiries of such persons, other than with respect to one late report filed by James Rossi regarding the sale of 1,077 shares of the Company's common stock, the Company believes that all such filing requirements applicable to its executive officers, directors and 10% stockholders were complied with.

INDEPENDENT AUDITORS

PricewaterhouseCoopers LLP has been selected by the Audit Committee of the Board of Directors to act as the Company's independent auditors for the fiscal year ending April 30, 2005. PricewaterhouseCoopers LLP served as independent auditors for the Company for the fiscal year ended April 30, 2004. A representative of PricewaterhouseCoopers LLP is expected to attend the annual meeting and will be afforded an opportunity to make a statement if he desires to do so and to respond to questions by stockholders.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services

The Audit Committee's policy is to pre-approve all audit and non-audit services to be provided by the Company's independent auditors on a case-by-case basis. In making such determinations, the Audit Committee considers whether the provision of non-audit services is compatible with maintaining the auditor's independence. All of the audit and non-audit services provided by the Company's independent auditors on behalf of the Company in 2004 and 2003 were pre-approved in accordance with this policy.

Audit Fees and Non-Audit Fees

The following fees were paid or will be paid to PricewaterhouseCoopers LLP for professional services rendered on behalf of the Company related to the past two fiscal years:

	2004	2003
Audit Fees	79,500	74,000
Audit-Related Fees	12,500	12,500
Tax Fees	34,978	26,000
Total	\$ 126,978	\$ 112,500

For each of 2004 and 2003, audit services consisted of the audit of the Company's annual consolidated financial statements and the review of the Company's quarterly financial statements. Audit-related services included benefit plan audits. Tax services included federal and state tax compliance and research.

PROXIES AND VOTING AT THE MEETING

The expense of solicitation of proxies is to be paid by the Company. The Company will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in sending proxies and proxy material to the beneficial owners of the Company's common stock.

Edgar Filing: KEWAUNEE SCIENTIFIC CORP /DE/ - Form DEF 14A

At the close of business on July 6, 2004, the record date for determination of stockholders entitled to vote at the annual meeting, there were 2,490,270 shares of common stock of the Company outstanding and entitled to vote.

Each share of common stock is entitled to one vote. Any stockholder giving a proxy has the power to revoke it at any time before it is voted, by written notice to the Secretary, by delivery of a later-dated proxy or in person at the meeting.

The holders of a majority of the total shares of common stock issued and outstanding, whether present in person or represented by proxy, will constitute a quorum for the transaction of business at the

meeting. The vote of a plurality of the shares represented at the meeting, in person or by proxy, is required to elect the two nominees for director. Approval of any other matter submitted to the stockholders for their consideration at the meeting requires the affirmative vote of the holders of a majority of the shares of common stock represented at the meeting, in person or by proxy, and entitled to vote. Abstentions, directions to withhold authority, and broker non-votes are counted as shares present in the determination of whether the shares of stock represented at the meeting constitute a quorum. Abstentions, directions to withhold authority, and broker non-votes are not counted in tabulations of the votes cast on proposals presented to stockholders. Thus, an abstention, direction to withhold authority, or broker non-vote with respect to a matter other than the election of directors, may have the same legal effect as a vote against the matter. With respect to the election of directors, an abstention, direction to withhold authority or broker non-vote will have no effect. An automated system administered by the Company's transfer agent will be used to tabulate votes.

A stockholder entitled to vote for the election of directors can withhold authority to vote for either of the nominees.

STOCKHOLDER PROPOSALS

The deadline for receipt of stockholder proposals for inclusion in the Company's 2005 proxy material is March 18, 2005. Any stockholder proposal should be submitted in writing to the Secretary of the Company at its principal executive offices. The stockholder proposal must include the stockholder's name and address as it appears on the Company's records and the number of shares of the Company's common stock beneficially owned by such stockholder. In addition, (i) for proposals other than nominations for the election of directors, such notice must include a description of the business desired to be brought before the meeting, the reasons for presenting such business at the meeting, and any material interest of the stockholder in such business, and (ii) for proposals relating to stockholder nominations for the election of directors, such notice must also include, with respect to each person nominated, the information required by Regulation 14A under the Exchange Act. All other proposals to be presented at the meeting must be delivered to the Secretary of the Company, in writing, by June 3, 2005.

The Company has enclosed its Annual Report to Stockholders for the fiscal year ended April 30, 2004 with this Proxy Statement. Stockholders are referred to the report for financial and other information about the Company, but such report is not incorporated in this Proxy Statement and is not a part of the proxy soliciting material.

OTHER MATTERS

Management of the Company knows of no other matters which are likely to be brought before the annual meeting. If any such matters are brought before the meeting, the persons named in the enclosed proxy will vote thereon according to their judgment.

5. Review the independent auditor's report on all relationships between the independent auditor and the Company to assess the auditor's independence and consider whether there should be a regular rotation of the independent auditor to assure continuing auditor independence.
6. Discuss with management and the independent auditor the Company's annual and quarterly financial statements and any reports, earnings press releases or other financial information submitted to a governmental body or the public.
7. Review the independent auditor's reports describing (i) the Company's critical accounting policies and practices to be used in the audit, (ii) the details of all alternative treatments of financial information within generally accepted accounting principles discussed with management, and (iii) all material written communications between the independent auditor and management.
8. 7. Establish procedures for the receipt and treatment of complaints regarding accounting, internal accounting controls or audit matters and for confidential submissions by associates of concerns regarding questionable accounting or auditing matters.

While the Audit Committee has the responsibilities and duties set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles.
