Independent Auditors' Report

The Board of Directors

Digital Realty Trust, Inc.:

We have audited the accompanying statement of revenue and certain expenses of 833 Chestnut Street (the Property) for the year ended December 31, 2003. This statement is the responsibility of the Property's management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenue and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, as described in note 1 to the statement of revenue and certain expenses. It is not intended to be a complete presentation of the Property's revenue and expenses.

In our opinion, the statement referred to above presents fairly, in all material respects, the revenue and certain expenses, as described in note 1, of 833 Chestnut Street for the year ended December 31, 2003 in conformity with accounting principles generally accepted in the United States of America.

Notes to Statements of Revenue and Certain Expenses

Nine months ended September 30, 2004 (unaudited)

and year ended December 31, 2003

(1) Basis of Presentation

The accompanying statements of revenue and certain expenses relate to the operations of the property known as 833 Chestnut Street (the Property). The Property is a data center located in Philadelphia, Pennsylvania.

The Property is owned by LB 833 Chestnut, LLC (the Owner). A wholly owned subsidiary of Digital Realty Trust, Inc. (the Buyer) entered into an agreement with the Owner to purchase the Property for \$59.5 million. The purchase is expected to be consummated during the first quarter of 2005.

The accompanying statements of revenue and certain expenses have been prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and, accordingly, are not representative of the actual results of operations of the Property for the year ended December 31, 2003 or the nine months ended September 30, 2004 due to the exclusion of the following expenses, which may not be comparable to the proposed future operations of the Property:

Depreciation and amortization

Interest

Federal and state income taxes

Other costs not directly related to the proposed future operations of the Property

Management is not aware of any material factors relating to the Property other than those already described above that would cause the reported financial information not to be necessarily indicative of future operating results.

(2) Summary of Significant Accounting Policies and Practices

(a) Revenue Recognition

Rental revenue is recognized on a straight line basis over the term of the respective leases.

(b) Use of Estimates

Management has made a number of estimates and assumptions relating to the reporting and disclosure of revenue and certain expenses during the reporting period to prepare the statements of revenue and certain expenses in conformity with accounting principles generally accepted in the United States of America. Actual results could differ from those estimates.

(c) Unaudited Interim Information

The statement of revenue and certain expenses for the nine months ended September 30, 2004 is unaudited. In the opinion of management, such statement reflects all adjustments necessary for a fair presentation of the results of this interim period. All such adjustments are of a normal recurring nature.

and year ended December 31, 2003

(3) Minimum Future Lease Rentals

The Property's leases are non-cancelable operating leases and generally provide for minimum rent and reimbursement of a portion of Property expenses, including property taxes, insurance and operating and maintenance expenses. Future minimum rentals to be received under the leases in effect as of December 31, 2003 are as follows (in thousands):

Year ending December 31:

2004	\$ 6,964

Pro Forma Condensed Consolidated Financial Statements

(unaudited)

The unaudited pro forma condensed consolidated financial statements as of September 30, 2004 and for the nine months ended September 30, 2004 and the year ended December 31, 2003 are presented as if our initial public offering and the related formation and financing transactions, the acquisitions of the properties acquired during 2004 and the properties expected to be acquired in 2005, including the remaining 25% interest in eBay Data Center, along with related financing transactions had occurred on September 30, 2004 or in the case of the properties acquired through September 30, 2004, as of the actual acquisition date, for the pro forma condensed consolidated balance sheet and on the first day of the periods presented for the pro forma condensed consolidated statements of operations.

The pro forma condensed consolidated financial statements should be read in conjunction with the combined historical financial statements of the Digital Realty Predecessor, included in the Company's registration statement for the initial public offering. The pro forma condensed consolidated financial statements do not purport to represent our financial position or the results of operations that would actually have occurred assuming the completion of the initial public offering and the related formation transactions and the acquisitions of additional properties along with the related financing transactions all had occurred by September 30, 2004 or on the first day of the periods presented, nor do they purport to project our financial position or results of operations as of any future date or for any future period.

1. Adjustments to the Pro Forma Condensed Consolidated Balance Sheet

The adjustments to the pro forma condensed consolidated balance sheet as of September 30, 2004 are as follows:

- (A) Reflects the Digital Realty Trust, Inc. Predecessor (the Predecessor) historical condensed combined balance sheet as of September 30, 2004. Pursuant to the contribution agreement between the owner of the Predecessor and the Operating Partnership, which was executed in July 2004, the Operating Partnership received a contribution of direct and indirect interests in the properties in our portfolio in exchange for limited partnership interests in the Operating Partnership. The contribution was made in anticipation of the Company's initial public offering.

As of September 30, 2004, Global Innovation Partners, LLC (GI Partners) was the ultimate owner of 100% of the Company and the Predecessor. Upon completion of our initial public offering, GI Partners owns 44.76% of the common units of the Operating Partnership, as a limited partner, and no shares of the Company's common stock. The exchange of the interests contributed by GI Partners was accounted for as a reorganization of entities under common control; accordingly, the contributed assets and assumed liabilities were recorded at the Predecessor's historical cost basis.

Upon completion of our initial public offering and the formation transactions, the Company, as general partner, owns 40.46% of the common units of the Operating Partnership and has control over major decisions of the Operating Partnership. Additionally, the limited partners do not have rights to replace the general partner, approve the sale or refinancing of the Operating Partnership's assets or approve the acquisition of Operating Partnership assets, although they do have certain protective rights. Accordingly, the Company consolidated the assets and liabilities of the Operating Partnership in accordance with AICPA Statement of Position 78-9, *Accounting for Investments in Real Estate Ventures* (SOP 78-9).

There are also third parties that contributed their ownership interests in two properties, 200 Paul Avenue and 1100 Space Park Drive, to the Operating Partnership pursuant to the contribution agreements executed in July 2004. These contributors own common units in the Operating Partnership and no shares of the Company's common stock upon completion of our initial public offering. These two properties are not included in the Predecessor's combined financial statements. The exchanges of these ownership interests were accounted for as a purchase by the Company and were recorded at fair value, which is equal to the sum of the cash, debt assumed and units exchanged. See pro forma adjustment (B).

(unaudited)

(Dollar amounts in thousands, except per share amounts)

- (B) Reflects the acquisition of eBay Data Center, the purchase of 75% of which was consummated on October 14, 2004 and 25% of which was acquired on January 21, 2005, the acquisition of 200 Paul Avenue and 1100 Space Park Drive from third parties in exchange for cash, debt assumed and Operating Partnership common units and the acquisition of our joint venture partner's 10% interest in Univision Tower in exchange for Operating Partnership common units, all consummated upon completion of our initial public offering. These exchanges were accounted for as purchases based on the sum of cash paid and the fair value of the 6,331,511 Operating Partnership common units issued valued at the public offering price of our common stock. Also reflects the acquisition of Burbank Data Center, consummated on December 21, 2004, and the acquisitions of 833 Chestnut Street and MAPP Building, both of which are currently under purchase contracts. Also reflects a distribution to GI Partners upon completion of our initial public offering intended to approximate a normal real estate proration related to the properties that GI Partners contributed to the Operating Partnership.

The pro forma adjustments are comprised of the following:

2. Adjustments to Pro Forma Condensed Consolidated Statements of Operations

The adjustments to the pro forma condensed consolidated statements of operations for the nine months ended September 30, 2004, and the year ended December 31, 2003 are as follows:

- (AA) Reflects the Predecessor's historical condensed combined statements of operations for the nine months ended September 30, 2004 and the year ended December 31, 2003. As discussed in note (A), the real estate properties and interests therein contributed by the owner of the Predecessor to the Operating Partnership in exchange for common units in the Operating Partnership were recorded at the Predecessor's historical cost. Expenses such as depreciation and amortization to be recognized by the Operating Partnership related to the contributed interests are based on the Predecessor's historical cost of related assets.

DIGITAL REALTY TRUST, INC.

Notes to Pro Forma Condensed Consolidated Financial Statements (Continued)

(unaudited)

(Dollar amounts in thousands, except per share amounts)

As discussed in note (A), upon completion of the initial public offering and the formation transactions, the Company, as general partner, owns 40.46% of the common units of the Operating Partnership; however the Company has control over all major decisions of the Operating Partnership. Accordingly, the Company consolidates the revenues and expenses of the Operating Partnership. See note (HH) for the pro forma adjustment to allocate 59.54% of the income (loss) of the Operating Partnership to the limited partners of the Operating Partnership.

- (BB) Reflects the acquisition of eBay Data Center, 75% of which was acquired on October 14, 2004 and the remaining 25% of which was acquired on January 21, 2005. Reflects the Company's acquisitions of 200 Paul Avenue and 1100 Space Park Drive from third parties in exchange for cash, debt assumed and Operating Partnership common units and our joint venture partner's 10% interest in Univision Tower in exchange for Operating Partnership common units, all upon completion of our initial public offering. Also reflects the acquisition of Burbank Data Center consummated on December 21, 2004, and the acquisition of 833 Chestnut Street and MAPP Building, both of which are under purchase contracts.

The purchase method of accounting is used to reflect the acquisition of these properties and the 10% interest. For the pro forma condensed consolidated income statement for the year ended December 31, 2003, also reflects the Predecessor's acquisition of 100 Technology Center Drive, consummated on February 17, 2004, Siemens Building, consummated on April 23, 2004, Savvis Data Center, consummated on May 24, 2004, Carrier Center, consummated on May 25, 2004, Comverse Technology Building, consummated on June 16, 2004, Webb at LBJ consummated on August 25, 2004, and Abovenet consummated on September 17, 2004. The pro forma adjustments are comprised of the following:

- (1) We calculated pro forma interest expense for loans with variable interest rates using current LIBOR rates (2.43% for one-month LIBOR to 2.84% for six-month LIBOR as of January 7, 2005).
- (2) The Camperdown House mortgage is denominated in pounds sterling. The loan payable has been converted to U.S. dollars using the exchange rates of our foreign currency forward contract whereas current exchange rate has been used for the interest expense.
- (3) The interest rate on the Carrier Center mortgage loan is subject to a 2.50% LIBOR floor.
- (4) We entered into swap agreements to swap variable interest rates for fixed rates for a notional amount of principal totaling approximately \$140.3 million. The strike rates on the swap agreements range from 3.18% to 3.82%.
- (5) Represents principal balance or premium, as applicable, pertaining to debt that we plan to assume in connection with the acquisition of the MAPP Building, which is currently under purchase contract.
