Amendment to the Certificate of Designation for the Series A Preferred Stock

As previously reported by the Company in its Definitive Proxy Statement for the Company's 2005 Annual Meeting of Stockholders on Schedule 14A, filed with the Securities and Exchange Commission (SEC) on September 15, 2005, the Company proposed to amend and restate the Certificate of Designation, Powers, Preferences and Rights (the Certificate of Designation) for the Series A Cumulative Mandatory Convertible Preferred Stock (the Series A Preferred Stock). This proposal was voted on and approved at the 2005 Annual Meeting of Stockholders held on October 26, 2005 (the Annual Meeting). The amendment to the Certificate of Designation is effective once the Certificate of Amendment to the Certificate of Designation is filed with the Delaware Division of Corporations.

On June 17, 2004, the Company issued four million shares of Series A Preferred Stock in a private, unregistered offering to qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933. The Certificate of Designation previously provided that a holder of Series A Preferred Stock had the right to convert its shares into shares of common stock on or before May 31, 2007. Under the terms of the original Certificate of Designation, a holder of Series A Preferred Stock essentially forfeited its right to convert its shares of Series A Preferred Stock into common stock if it did not exercise that right on or before May 31, 2007, although the Company had the right, under certain conditions, to cause the conversion of shares of the Series A Preferred Stock on or after May 31, 2007.

At the Annual Meeting, the shareholders approved the amendment and restatement of the Certificate of Designation to:

Permit the conversion of shares of Series A Preferred Stock by holders at any time rather than limiting the exercise of the right to a time on or before May 31, 2007, and

Clarify that holders of Series A Preferred Stock will be entitled to receive the Discounted Dividend Payment (as defined in the Certificate of Designation) only upon a conversion of shares of Series A Preferred Stock occurring on or before June 1, 2007.

In all other respects, the existing terms of the Series A Preferred Stock, including the Company's right to require mandatory conversion of shares of Series A Preferred Stock on or after May 31, 2007, remain unchanged. Other than expanding the period during which holders of Series A Preferred Stock may exercise their conversion rights, the amendments have no effect on the holders of common stock or on the relative rights of any holders of the Company's securities.

The full text of the Certificate of Amendment to the Certificate of Designation is attached hereto as Exhibit 3.1, and is incorporated herein by reference in response to this Item 3.03.
