PROXY STATEMENT

Why did you send me this proxy statement?

TransDigm Group Incorporated (TD Group) sent you this proxy statement and the enclosed proxy form because TD Group s Board of Directors is soliciting your proxy to vote at the 2007 Annual Meeting of Stockholders. This proxy statement summarizes information you need to know to vote at its Annual Meeting. The Annual Meeting will be held at 1301 East Ninth Street, 4th Floor, Cleveland, Ohio 44114, on Wednesday, February 21, 2007, at 10:00 a.m., local time. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, date, sign and return the enclosed proxy form.

TD Group will begin sending this proxy statement, the attached Notice of Annual Meeting, and the enclosed proxy form on or about January 22, 2007 to all stockholders entitled to vote. Stockholders who owned TD Group s common stock at the close of business on January 16, 2007, the record date for the Annual Meeting, are entitled to vote. On that record date, there were 44,910,397 shares of common stock outstanding. TD Group has enclosed its 2006 annual report to stockholders, which includes the Company s financial statements, with this proxy statement.

Who is soliciting my proxy?

This solicitation of proxies is made by and on behalf of TD Group s Board of Directors. TD Group will bear the cost of the solicitation of proxies. In addition to the solicitation of proxies by mail, regular employees of TD Group and its subsidiaries may solicit proxies by telephone or facsimile. Those employees will not receive any additional compensation for their participation in the solicitation.

How many votes do I have?

Each share of TD Group s common stock entitles you to one vote. The proxy form indicates the number of shares that you owned on the record date.

How do I vote by proxy?

Whether or not you plan to attend the Annual Meeting, TD Group urges you to complete, sign and date the enclosed proxy form and to return it in the envelope provided. Returning the proxy form will not affect your right to attend the Annual Meeting.

If you properly complete your proxy form and send it to TD Group in time to vote, your proxy (one of the individuals named in the proxy form) will vote your shares as you have directed. If you sign the proxy form but do not make specific choices, your proxy will vote your shares as recommended by the Board of Directors to elect the director nominees listed in Election of Directors .

If any other matter is presented, your proxy will vote in accordance with his best judgment. As of the date of this proxy statement, TD Group is not aware of other matters to be acted on at the Annual Meeting other than those matters described in this proxy statement.

May I revoke my proxy?

If you give a proxy, you may revoke it at any time before it is exercised by giving written notice to TD Group at its principal executive offices located at 1301 East Ninth Street, Suite 3710, Cleveland, Ohio 44114, or by giving notice to TD Group in open meeting. It is important to note that your presence at the Annual Meeting, without any further action on your part, will not revoke your previously granted proxy.

What constitutes a quorum?

The presence at the Annual Meeting, either in person or by proxy, of the holders of a majority of the aggregate number of shares of common stock outstanding on the record date will represent a quorum permitting the conduct of business at the meeting. Proxies received by TD Group marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What vote is required to approve each proposal assuming that a quorum is present at the Annual Meeting?

The two nominees receiving the greatest number of votes FOR election will be elected as directors. If you do not vote for a particular nominee, or if you indicate Withhold Authority for a particular nominee on your proxy form, your vote will not count either for or against the nominee.

CORPORATE GOVERNANCE

Board Composition

The Board of Directors of TD Group is divided into three staggered classes of directors of the same or nearly the same number. At each annual meeting of stockholders, a class of directors will be elected for a three-year term to succeed the directors of the same class whose terms are then expiring. The terms of the directors will expire upon election and qualification of successor directors at the Annual Meeting of Stockholders to be held during the years 2007 for the Class I directors, 2008 for the Class II directors and 2009 for the Class III directors.

Our Class I directors are Messrs. Graff and Lee;

Our Class II directors are Messrs. Kruse, Hennessy and Peacock; and

Our Class III directors are Messrs. Barr and Howley.

TD Group's amended and restated certificate of incorporation and bylaws provide that the number of directors shall be fixed from time to time by a resolution of the majority of its Board of Directors. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class shall consist of one-third of the directors. The division of TD Group's Board of Directors into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control.

In addition, under the terms of the stockholders' agreement, for so long as Warburg Pincus and its affiliates beneficially own at least 25% of our outstanding shares of common stock, TD Group is required to nominate and use its best efforts to have elected to its Board of Directors a number of individuals designated by Warburg Pincus that is equal to the greater of (i) three and (ii) a number of directors (rounded up to the nearest whole number) equal to the number of members of our Board of Directors multiplied by the percentage of the outstanding shares of our common stock that Warburg Pincus and its affiliates beneficially own as of the date of nomination of directors to its Board of Directors, or the Warburg Percentage. In addition, under the terms of the stockholders' agreement, for so long as Warburg Pincus and its affiliates beneficially own at least ten percent but less than 25% of our outstanding shares of common stock, TD Group is required to nominate and use its best efforts to have elected to its Board of Directors a number of individuals designated by Warburg Pincus that is equal to the greater of (i) two and (ii) a number of directors (rounded up to the nearest whole number) equal to the number of members of our Board of Directors multiplied by the Warburg Percentage as of the date of nomination of directors to its Board of Directors. Finally, under the terms of the stockholders' agreement, for so long as Warburg Pincus and its affiliates beneficially own at least five percent but less than ten percent of our outstanding shares of common stock, TD Group is required to nominate and use its best efforts to have elected to its Board of Directors a number of individuals designated by Warburg Pincus that is equal to the greater of (i) one and (ii) a number of directors (rounded up to the nearest whole number) equal to the number of members of its Board of Directors multiplied by the Warburg Percentage as of the date of nomination of directors to its Board of Directors.

TD Group is also party to an employment agreement with W. Nicholas Howley, its Chairman and Chief Executive Officer, pursuant to which TD Group has agreed to nominate Mr. Howley for re-election to its Board of Directors. Under the terms of this agreement, Warburg Pincus has agreed to vote all of the shares it controls in favor of Mr. Howley's re-election.

Independence of Directors

Messrs. Howley, Graff, Lee, and Kruse are not considered independent directors within the meaning of the New York Stock Exchange's listing standards. TD Group Holdings, LLC, an entity controlled by Warburg Pincus, owns more than 50% of the voting power of TD Group, and TD Group is therefore considered to be a controlled company for the purposes of the NYSE listing requirements. As such, TD Group is permitted, and has elected, to opt out of the NYSE listing requirements that would otherwise require its Board of Directors to be comprised of a majority of independent directors.

Notwithstanding the foregoing, the Board of Directors reviews periodically the relationships that each director or nominee has with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company). Those directors or nominees whom the Board affirmatively determines have no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) as specified in the listing standards of the NYSE will be considered independent.

Controlled Company Election

TD Group Holdings, LLC, an entity controlled by Warburg Pincus, owns more than 50% of the voting power of TD Group, and TD Group is therefore considered to be a controlled company for the purposes of the

NYSE listing requirements. As such, TD Group is permitted, and has elected, to opt out of the NYSE listing requirements that would otherwise require its Board of Directors to be comprised of a majority of independent directors.

Corporate Governance Guidelines

The Board of Directors has adopted Corporate Governance Guidelines, which guide the Board of Directors in the performance of its responsibilities to serve the best interests of the Company and its stockholders. A copy of the Company's Corporate Governance Guidelines is posted on the Company's website, www.transdigm.com, under Investor Relations Corporate Governance. The Board of Directors reviews the Corporate Governance Guidelines periodically.

Codes of Ethics

Code of Ethics for Senior Financial Officers. The Company has a Code of Ethics for Senior Financial Officers that applies to the chief executive officer, chief operating officer, chief financial officer and other designated senior financial officers (collectively, Senior Financial Officers) of the Company. This code requires Senior Financial Officers to act with honesty and integrity; to endeavor to provide information that is full, fair, accurate, timely and understandable in all reports and documents that the Company files with, or submits to, the Securities and Exchange Commission and other public filings or communications made by the Company; to endeavor to comply faithfully with all laws, rules and regulations of federal, state and local governments and all applicable private or public regulatory agencies as well as all applicable professional codes of conduct; to not knowingly or recklessly misrepresent material facts or allow their independent judgment to be compromised; to not use for personal advantage confidential information acquired in the course of their employment; to proactively promote ethical behavior among peers and subordinates in the work place; and to promptly report any violation or suspected violation of this code in accordance with the Company's Whistleblower Policy and, if appropriate, directly to the Audit Committee. Only the Audit Committee or the Board of Directors, including a majority of the independent directors, may waive any provision of the code with respect to a Senior Financial Officer. Any such waiver, or any amendment to the code, will be promptly disclosed on the Company's website and as otherwise required by rule or regulation. This code is posted on the Company's website, www.transdigm.com, under Investor Relations Corporate Governance.

Code of Business Conduct and Ethics. The Company also has a Code of Business Conduct and Ethics that addresses the Company's commitment to honesty, integrity and the ethical behavior of the Company's employees, officers and directors. This code governs the actions and working relationships of the Company's employees, officers and directors with current and potential tenants, fellow employees, competitors, government and self-regulatory agencies, investors, the public, the media, and anyone else with whom the Company has or may have contact. Only the Board of Directors or the Nominating and Corporate Governance Committee may waive any provision of the code with respect to an executive officer or director. Any such waiver will be promptly disclosed on the Company's website and as otherwise may be required by rule or regulation. This code is posted on the Company's website, www.transdigm.com, under Investor Relations Corporate Governance.

Whistleblower Policy

The Company is committed to integrity and ethical behavior and has adopted a Whistleblower Policy (the Whistleblower Policy). The purpose of the policy is to encourage all employees to disclose any alleged wrongdoing that may adversely impact the Company, the Company's tenants, shareholders, fellow employees, investors or the public at large without fear of retaliation. The policy sets forth procedures for the reporting of alleged financial (including auditing, accounting and internal control matters) and non-financial wrongdoing by employees on a confidential and anonymous basis and by other interested third parties, and a process for investigating such reported acts of alleged wrongdoing and retaliation. Reports may be made directly to the Corporate Compliance Officer, the Audit Committee or to Global Compliance Services, a third party service

retained on behalf of the Audit Committee. The Audit Committee receives notices of complaints reported under the policy and oversees the investigation of such complaints. The Whistleblower Policy is posted on the Company's website, www.transdigm.com, under Investor Relations Corporate Governance .

Board of Directors

After each meeting of the Board of Directors, non-management directors meet independently of the Chairman of the Board. In 2006, the non-management directors met after each regularly scheduled Board meeting. In addition, as required by the Company's Corporate Governance Guidelines, the independent directors meet at least once a year.

During the fiscal year ended September 30, 2006, the Board of Directors held five meetings. Each director attended more than 75% of the aggregate number of meetings of the Board of Directors and committees on which he served in 2006. The Company has not established a formal policy regarding director attendance at the Company's annual meeting of shareholders. However, the Company expects that directors will use their best efforts to attend if possible.

During fiscal 2006, the Board of Directors had an Executive Committee, a Compensation Committee, a Nominating and Corporate Governance Committee and an Audit Committee. The Board of Directors has approved the written charters of the Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee, which can be found under the Investor Relations Corporate Governance section of the Company's website at www.transdigm.com. Each of the Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee conducts a self evaluation and review of its charter annually.

Compensation Committee

TD Group's compensation committee reviews and recommends policy relating to compensation and benefits of our officers and employees, including reviewing and approving corporate goals relevant to the compensation of our Chief Executive Officer and other senior officers, evaluating the performance of these officers in light of those goals and objectives and setting compensation of these officers based on such evaluations. Our compensation committee has sole discretion concerning administration of our stock option plans, including selection of individuals to receive awards, types of awards, the terms and conditions of the awards and the time at which awards will be granted, other than awards to directors, which are approved by the full Board. The compensation committee reviews and evaluates, at least annually, the performance of the compensation committee and its members, including compliance of the compensation committee with its charter. Our Board of Directors has adopted a written charter for the compensation committee, which is available on our website. The compensation committee held six meetings during fiscal year 2006.

The members of TD Group's compensation committee are Messrs. Barr and Kruse. Neither Mr. Kruse nor Mr. Barr is independent under the rules of the NYSE, but are non-employee directors pursuant to Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended. Because TD Group Holdings, LLC owns more than 50% of the voting power of TD Group's common stock, TD Group is considered to be a controlled company for the purposes of the NYSE listing requirements. As such, we are permitted, and have elected, to opt out of the NYSE listing requirements that would otherwise require our compensation committee to be comprised entirely of independent directors.

Nominating and Corporate Governance Committee

The nominating and corporate governance committee oversees and assists our Board of Directors in identifying, reviewing and recommending nominees for election as directors; evaluates our Board of Directors and our management; develops, reviews and recommends corporate governance guidelines and a corporate code of business conduct and ethics; and generally advises our Board of Directors on corporate governance and related

matters. Our Board of Directors has adopted a written charter for the nominating and corporate governance committee, which is available on our website. The nominating and corporate governance committee held one meeting during fiscal year 2006.

TD Group's nominating and corporate governance committee is comprised of Messrs. Graff, Barr and Lee, none of whom are independent under the rules of the NYSE. Because TD Group Holdings, LLC owns more than 50% of the voting power of TD Group's common stock, TD Group is considered to be a controlled company for the purposes of the NYSE listing requirements. As such, we are permitted, and have elected, to opt out of the NYSE listing requirements that would otherwise require our nominating and corporate governance committee to be comprised entirely of independent directors.

The nominating and corporate governance committee will consider suggestions forwarded by stockholders to the Secretary of the Company concerning qualified candidates for election as directors. To recommend a prospective nominee for the nominating and corporate governance committee's consideration, a stockholder may submit the candidate's name and qualifications to the Company's Secretary, Gregory Rufus, at the following address: TransDigm Group Incorporated, 1301 East Ninth Street, Suite 3710, Cleveland, Ohio 44114 not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting. The nominating and corporate governance committee has not established specific minimum qualifications a candidate must have in order to be recommended to the Board of Directors. However, in determining qualifications for new directors, the committee will consider potential members' qualifications as independent under the NYSE's listing standards, as well as diversity, age, skill and experience in the context of the needs of the Board of Directors. The nominating and corporate governance committee will consider a pool of potential Board candidates established from recommendations from shareholders and third parties, including management and current directors. Although the nominating and corporate governance committee may retain a Board search consultant to supplement the pool of potential Board candidates, it has not engaged a consultant at this time.

Audit Committee

TD Group's audit committee oversees a broad range of issues surrounding our accounting and financial reporting processes and audits of our financial statements. TD Group's audit committee (i) assists our Board of Directors in monitoring the integrity of our financial statements, our compliance with legal and regulatory requirements, our independent auditor's qualifications and independence, and the performance of our internal audit function and independent auditors, (ii) assumes direct responsibility for the appointment, compensation, retention and oversight of the work of any independent registered public accounting firm engaged for the purpose of performing any audit, review or attest services and for dealing directly with any such accounting firm, (iii) provides a medium for consideration of matters relating to any audit issues and (iv) prepares the audit committee report that the SEC rules require be included in our annual proxy statement and annual report on Form 10-K. Our Board of Directors has adopted a written charter for the audit committee, which is available on our website. The audit committee held seven meetings during fiscal year 2006.

The members of TD Group's audit committee are Messrs. Hennessy, Kruse and Peacock. Mr. Hennessy is the Chairman of the audit committee and the composition of TD Group's audit committee complies with all applicable NYSE rules, including the requirement that at least one member of the audit committee have accounting or related financial management expertise. Messrs. Hennessy and Peacock are independent as such term is defined in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended, and the rules of the NYSE, although Mr. Kruse is not independent. In accordance with NYSE rules, we plan to appoint a third independent member to our Board of Directors within 12 months after the consummation of our initial public offering who will replace Mr. Kruse as a member of the audit committee so that all of TD Group's audit committee members will be independent as such term is defined in Rule 10A-3(b)(1) under the Exchange Act and applicable NYSE rules.

Compensation of Directors

TD Group pays its non-employee directors an annual retainer fee of \$30,000, with such fee being paid, at the option of each director, either in cash or shares of our common stock, and each such director will also receive a \$10,000 annual stock grant in the form of stock options or restricted stock as determined by the Board of Directors, which shall vest evenly over a three-year period from the date of grant. Each non-employee member of TD Group's Board of Directors is also paid a fee of \$2,500 for each meeting of the Board of Directors attended, and a fee of \$1,000 for each meeting of any committee of the Board of Directors attended. The chairman of the audit committee of TD Group's Board of Directors is paid an annual fee of \$15,000, and the chairman of each of the other committees of TD Group's Board of Directors is paid an annual fee of \$5,000. Other than non-employee directors, TD Group does not compensate directors for serving on its Board of Directors or any of its committees. TD Group does, however, reimburse each member of its Board of Directors for out-of-pocket expenses incurred by them in connection with attending meetings of the Board of Directors and its committees.

In addition, pursuant to an agreement entered into in 1999 between TransDigm Inc. and Mr. Peacock, the Company provided health insurance coverage to Mr. Peacock and his wife during the fiscal year ended September 30, 2006. The cost of coverage was \$9,554.

On November 10, 2005, the Company prepaid the entire principal amount and all accrued and unpaid interest in respect of the Company's senior unsecured promissory notes payable to the Company's original investors. As a consequence, all participant deferred compensation account balances under the Company's Rollover Deferred Compensation Plan became payable. As the former chief executive of the Company, Mr. Peacock was a participant in the plan and was paid \$268,093 in the distribution.

Additionally, also on November 10, 2005 in connection with the repayment, the Company paid, in the aggregate, \$6.2 million in bonuses to employees who were participants in the Company's deferred compensation plans. In connection therewith, Mr. Peacock received a bonus of \$50,898.

Shareholder Communication with Board of Directors

Any stockholder or other interested party who desires to communicate with any of the members of the Company's Board of Directors may do so electronically by sending an email to ir@transdigm.com. Alternatively, an individual may communicate with the members of the Board by writing to the Company, c/o Investor Relations, TransDigm Group Incorporated, 1301 East Ninth Street, Suite 3710, Cleveland, Ohio 44114. Communications may be addressed to an individual director, a Board committee, the non-management directors or the full Board of Directors. Communications received by Investor Relations will be distributed to the appropriate directors. Solicitations for the sale of merchandise, publications or services of any kind will not be forwarded to the directors.

AUDIT COMMITTEE REPORT

In accordance with its written charter adopted by the Board of Directors, the audit committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. The audit committee meets at least quarterly to review quarterly or annual financial information prior to its release and inclusion in SEC filings. As part of each meeting, the audit committee has the opportunity to meet independently with management and the Company's independent registered public accounting firm.

In discharging its oversight responsibility as to the audit process, the audit committee obtained a formal written statement from the independent registered public accounting firm describing all relationships between the independent registered public accounting firm and the Company that might bear on the independent registered public accounting firm's independence consistent with Independence Standards Board Standard No. 1,

Independence Discussions with Audit Committees, discussed with the independent registered public accounting firm any relationships that may impact its objectivity and independence, and satisfied itself as to the independent registered public accounting firm's independence.

The audit committee reviewed and discussed with the independent registered public accounting firm all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees, and reviewed and discussed the results of the independent registered public accounting firm's examination of the financial statements.

The audit committee reviewed and discussed the audited financial statements of the Company for the year ended September 30, 2006 with management and the independent registered public accounting firm. Management has the responsibility for the preparation of the Company's financial statements, and the independent registered public accounting firm has the responsibility for the examination of those statements.

Based on the above-described review and discussions with management and the independent registered public accounting firm, the audit committee recommended to the Board of Directors that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended September 30, 2006 for filing with the Securities and Exchange Commission.

Mr. Howley's employment agreement provides that if he is terminated for any reason, he will be entitled to payment of any accrued but unpaid base salary through the termination date, any unreimbursed expenses, an amount for accrued but unused sick and vacation days, and benefits owing to him under the benefit plans and programs sponsored by us. During the term of Mr. Howley's employment and following any termination of his employment, for a period of 18 months in the case of a termination without cause or for enumerated good reasons, or 24 months in the event of his voluntary termination without enumerated good reasons or termination for cause, Mr. Howley will be prohibited from engaging in any business that competes with any business of TransDigm Inc. or any entity owned by TransDigm Inc. In addition, during the term of his employment and for the two-year period following the termination of Mr. Howley's employment for any reason, he will be prohibited from soliciting or inducing any person who is or was employed by, or providing consulting services to, us during the 12-month period prior to the date of the termination of his employment, to terminate their employment or consulting relationship with us. Under the terms of his employment agreement, Mr. Howley is also subject to certain confidentiality and non-disclosure obligations, and we have agreed, so long as Mr. Howley is not in breach of certain of his obligations under his employment agreement, to, among other things, indemnify him to the fullest extent permitted by Delaware law against all costs, charges and expenses incurred or sustained by him in connection with any action, suit or proceeding to which he may be made a party by reason of his being or having been a director, officer or employee of ours or his serving or having served any other enterprise as a director, officer or employee at our request.

Equity Compensation Plan Information

2003 Stock Option Plan

In connection with the consummation of the acquisition of the Company by Warburg Pincus, TD Group adopted a stock option plan for the benefit of our employees. The stock option plan has been amended and restated on several occasions, most recently effective as of November 2, 2006, and we refer to such stock option plan as it is currently in effect as the 2003 stock option plan.

Upon the closing of the acquisition of the Company by Warburg Pincus, certain employees rolled over certain then-existing options to purchase shares of common stock of TransDigm Holdings with an aggregate intrinsic value of approximately \$35.7 million into a combination of options to purchase shares of common stock of TD Group, or rollover options, and interests in the Rollover Deferred Compensation Plan and the Management Deferred Compensation Plan, which are described in more detail below. These employees were granted rollover options to purchase an aggregate of 3,870,152 shares of TD Group common stock, which gives effect to the 149.60 for 1.00 stock split that we effected on March 14, 2006 in connection with our initial public offering. All rollover options granted in connection with the closing of the acquisition of the Company by Warburg Pincus were fully vested on the date of grant. As of September 30, 2006, there were rollover options to purchase 2,788,321 shares of TD Group common stock issued and outstanding (after giving effect to the stock split).

In addition to the shares of TD Group common stock reserved for issuance upon exercise of rollover options, under the terms of the 2003 stock option plan, an aggregate of 5,469,301 shares of TD Group common stock are reserved for issuance upon exercise of new management options (after giving effect to the stock split).

As of September 30, 2006, there were new management options to purchase 5,178,778 shares of TD Group common stock issued and outstanding (after giving effect to the stock split).

2006 Stock Incentive Plan

Prior to the consummation of our initial public offering, TD Group adopted a new stock incentive plan, which was amended on October 20, 2006, or the 2006 stock incentive plan, designed to assist us in attracting, retaining, motivating and rewarding key employees, directors or consultants, and promoting the creation of long-term value for stockholders of TD Group by closely aligning the interests of these individuals with those of our stockholders. The 2006 stock incentive plan permits TD Group to award our key employees, directors or consultants stock options, restricted stock and other stock-based incentives. The total number of shares of TD Group common stock available for issuance or delivery under the 2006 stock incentive plan is 2,619,668, subject to adjustment in the event of any stock dividend or split, reorganization, recapitalization, merger, share exchange or any other similar corporate transaction or event. As of September 30, 2006, there were 2,370 restricted shares issued and outstanding under the 2006 stock incentive plan.

Other Compensation Plan Information

Rollover Deferred Compensation Plan

In connection with the consummation of the acquisition of the Company by Warburg Pincus, TD Group adopted the Rollover Deferred Compensation Plan for the benefit of our employees who were granted rollover options in connection with such acquisition. The plan provided that each person who was granted a rollover option converted an initial amount to his or her deferred compensation account. For so long as the senior unsecured promissory notes issued to our initial investors in connection with the acquisition by Warburg Pincus remained outstanding, each participant's deferred compensation account was credited with interest at the same rate as interest accrued on our senior unsecured promissory notes. The Rollover Deferred Compensation Plan required that upon retirement of all or a portion of the indebtedness outstanding under the senior unsecured promissory notes, TD Group would pay each participant a percentage of the amount credited to his or her deferred compensation account equal to the percentage of such indebtedness so retired. On November 10, 2005, TD Group prepaid the entire principal amount and all accrued and unpaid interest in respect of the senior unsecured promissory notes and, consequently, all participant deferred compensation account balances under the Rollover Deferred Compensation Plan became payable. The account balances, totaling approximately \$23.0 million in the aggregate, were distributed to participants on November 10, 2005, and the Rollover Deferred Compensation Plan was terminated effective as of such date.

Management Deferred Compensation Plan

In connection with the consummation of the acquisition of the Company by Warburg Pincus, TD Group also adopted the Management Deferred Compensation Plan for the benefit of our employees who were granted new management options upon the closing of the acquisition. The plan provided that a participant's deferred compensation account would have a value equal to the participant's percentage of option holdings as compared to all new management options issued under the 2003 stock option plan multiplied by an amount based on the interest accrued on the senior unsecured promissory notes issued to our initial investors in connection with the acquisition by Warburg Pincus and the notional interest credited to participant accounts under the Rollover Deferred Compensation Plan. The deferred compensation accounts were vested to the same extent that the new management options granted under the 2003 stock option plan were vested. Upon retirement of all or a portion of the indebtedness outstanding under the senior unsecured promissory notes, TD Group was required to pay each participant a percentage of the amount credited to his or her vested deferred compensation account balance equal to the percentage of the debt so retired. On November 10, 2005, TD Group Holding prepaid the entire principal amount and all accrued and unpaid interest in respect of the senior unsecured promissory notes and, consequently, the vested portion of all participant deferred compensation account balances under the Management Deferred Compensation Plan became due. The vested account balances, totaling approximately \$1.8 million in the aggregate, were distributed to participants on November 10, 2005. In addition, in connection

with the closing of the TD Group's loan facility in November 2005 (which has since been refinanced), the compensation committee of TD Group's Board of Directors approved a distribution to participants of a portion of their unvested account balances equal to approximately \$1.2 million in the aggregate and such distribution was made on November 10, 2005. The remaining unvested account balances were forfeited by participants under the Management Deferred Compensation Plan in connection with the adoption of the TD Holding Corporation 2005 New Management Deferred Compensation Plan, or the New Management Deferred Compensation Plan, which was adopted by TD Group on December 16, 2005. In addition, in connection with the adoption of the New Management Deferred Compensation, the Management Deferred Compensation Plan was terminated effective as of December 16, 2005.

New Management Deferred Compensation Plan

TD Group adopted the New Management Deferred Compensation Plan in December 2005, in part, in response to certain new requirements under Section 409A under the Internal Revenue Code of 1986. The New Management Deferred Compensation Plan is for the benefit of our employees who were granted new management options under our 2003 stock option plan. The New Management Deferred Compensation Plan is administered by the compensation committee of TD Group's Board of Directors. The plan provides that a participant's deferred compensation account is fully distributable upon the earlier of December 31, 2008 or a Change in Control (as defined in the plan). If a participant's employment terminates by reason of death or disability, by the employee with good reason, or if a participant's employment is terminated by the Company without Cause (as defined in the plan), a pro rata portion of the deferred compensation account, based on a fraction equal to the number of days elapsed between January 1, 2006 and the termination date over 1,096 (representing the number of days during the period from January 1, 2006 through December 31, 2008) will be distributed. If a participant's employment is terminated for Cause or by the participant without good reason, the entire amount of the deferred compensation attributable to such participant will be forfeited. Any amount distributable under the plan will be distributed no later than two and a half months following the end of the year in which the participant became entitled to the distribution. On December 16, 2005, TD Group's Board of Directors approved contributions of \$6.2 million, in the aggregate, to participant account balances under the plan.

Executive Retirement Savings Plan

The TransDigm Inc. Executive Retirement Savings Plan was established by TransDigm Inc. effective January 1, 1997 to permit a group of management or highly compensated employees (as provided for under the Employee Retirement Income Security Act of 1974, as amended, or ERISA) to accumulate additional retirement income through a nonqualified deferred compensation plan. The plan was amended and restated on December 16, 2005 in an attempt to ensure compliance with the requirements of Section 409A under the Internal Revenue Code of 1986 (as amended and restated, such plan is referred to herein as the Savings Plan). TransDigm Inc.'s Board of Directors annually determines the employees who are eligible to participate in the Savings Plan. The Savings Plan is a top hat plan exempt from certain ERISA requirements.

A participant may (i) make elective deferrals in addition to or in lieu of deferrals the participant may have otherwise made under the 401(k) Plan, and (ii) receive an allocation of any discretionary amount contributed to the Savings Plan by TransDigm Inc. Deferrals may be made from a participant's salary, bonus, or a combination thereof. Deferrals may not be made on any other compensation that a participant may earn. Deferrals, which are irrevocable, must be made no later than the last day of the year preceding the one in respect of which the deferrals will be made.

TransDigm Inc. established a trust effective October 10, 1997 into which amounts deferred under the Savings Plan are set aside for participants. MetLife Trust Company, N.A. is the trustee of the trust. The trust was established as a grantor trust, within the meaning of the Internal Revenue Code. Accordingly, participants in the Savings Plan have no preferred claim on, or beneficial ownership interest in, any assets of the trust. Further, any rights created under the Savings Plan or the trust are unsecured contractual rights and all assets held by the trust are subject to the claims of TransDigm Inc.'s general creditors under applicable federal and state law.

Dividend Equivalent Plan

On November 10, 2005, TD Group adopted a dividend equivalent plan that is intended to be compliant with the requirements of Section 409A under the Internal Revenue Code of 1986. The dividend equivalent plan was amended and restated on December 16, 2005 so that TD Group could fully avail itself of certain Section 409A provisions. Under the terms of this plan, in the event that TD Group declares a dividend in connection with a recapitalization or similar corporate event, participants in the dividend equivalent plan who hold vested options will be entitled to receive a cash dividend equivalent payment equal to the amount that such participant would otherwise have been entitled to receive had each vested option that is held by such participant been fully exercised immediately prior to such transaction.

Report of the Executive Compensation Committee of the Board of Directors

Introduction

The compensation of the Company's executive officers is currently determined by the compensation committee of the Company's Board of Directors (the Committee). In 2006, the Committee was comprised of Kevin Kruse and David Barr. For a portion of the year, Mr. Peacock also served on the Committee.

Philosophy

The primary objective of the Committee in determining executive compensation for 2006 was to provide a competitive total compensation package that enables the Company to attract and retain qualified executives and align their compensation with the Company's overall business strategies, while providing incentive to increase the Company's equity value. The Committee determines compensation for those officers considered executive officers under the rules and regulations of the Securities and Exchange Commission. Salary and target bonus amounts, as well as option awards, for all officers other than Mr. Howley are recommended by Mr. Howley to the Committee for its approval. The Committee reviews Mr. Howley's recommendations in light of each operating unit's proposed budget and annual plan and each officer's performance evaluations. The Committee determines Mr. Howley's salary and bonus, and approves option awards for Mr. Howley, without input from Mr. Howley with respect thereto.

In light of the Committee's objectives, the Committee determined executive compensation consistent with a philosophy of compensating executive officers based on their responsibilities, the Company's performance and the achievement of established annual goals. The primary components of the Company's executive compensation program are (i) base salaries and certain other annual compensation, (ii) bonuses and (iii) grants of stock options. Each of these elements is discussed below.

Components of the Compensation Program

Base Salaries and Certain Other Annual Compensation

The Company's philosophy is to pay base salaries at a level somewhat less than similarly situated companies, preferring instead to compensate officers through increased equity value. The base salaries and certain other annual compensation for the Company's executive officers in fiscal 2006 were determined with reference to the experience of the officers, the Company's past practice and the officers' individual performance. Pursuant to their employment agreements, Messrs. Howley, Laubenthal and Rufus receive certain additional benefits described under the heading Executive Compensation Employment Agreements.

The Committee has engaged an outside consultant to assess the competitiveness of the Company's existing compensation plan, and such assessment will be taken into account in determining 2008 compensation. Although the outside consultant's assessment was not complete, the Chief Executive Officer of the Company conferred with the consultant in recommending to the Committee a salary range for Messrs. Laubenthal and Rufus in connection with their 2007 compensation. Fundamental requirements of the program include the establishment of competitive compensation levels and the setting of awards consistent with individual contributions. The Committee believes that these benefits assist the Company by facilitating the development of important relationships between officers and members of the business community.

After analysis, the Committee determined that, for calendar year 2006, the base salary of Mr. Howley should be \$480,000 per year. In addition, pursuant to an amendment to Mr. Howley's employment agreement entered into February 2006, Mr. Howley is entitled to use the Company's airplane for personal use up to 14 times per year, so long as such use does not interfere with Company use. The amendment, which was undertaken as part of Mr. Howley's overall compensation package, increased the number of times that Mr. Howley could use the airplane for personal use from 12 to 14 times per year. Mr. Howley will have imputed income with respect to such use at the Standard Industry Fare Level (SIFL) rate, as published by the Internal Revenue Code.

Bonuses

The Company bases annual performance bonuses upon the participants' levels of responsibility and salary, overall corporate performance, performance of the division or subsidiary with which the officer is associated, and individual qualitative performances. Predetermined bonus targets are subjectively determined based on the individual's performance, overall performance of the Company based on the business environment and market conditions, the financial performance of the operational area over which the executive had supervisory authority and the executive's historical compensation levels. Based on the achievement of the predetermined targets, and based on the executive's significant contributions to the Company's overall performance, the Committee determined that bonuses should be awarded to each executive at the following levels. During the fiscal year ended September 30, 2006, Mr. Howley earned a bonus of \$375,000 and Messrs. Laubenthal, Rufus, Henderson and Rodriguez each earned a bonus of \$145,000, \$120,000, \$110,000 and \$75,000.

Stock Options

All of the Company's executive officers are eligible to receive options to purchase common stock of the Company pursuant to the 2003 Stock Option Plan and the 2006 Stock Option Plan. The Company believes that stock option grants are a valuable motivating tool and provide a long-term incentive to management. Stock option grants reinforce the long-term goal of increasing stockholder value by providing the proper nexus between the interests of management and the interests of the Company's stockholders. For more information regarding the options granted in fiscal 2006 and the aggregate options held by the named executive officers, please refer to the charts on pages 16 and 17.

2005 Deferred Compensation Distributions and Bonuses

In connection with the consummation of the acquisition of the Company by Warburg Pincus, TD Group adopted the Rollover Deferred Compensation Plan for the benefit of our employees who were granted rollover options in connection with the acquisition and the Management Deferred Compensation Plan for the benefit of our employees who were granted new management options upon the closing of the acquisition. Each of the Rollover Deferred Compensation Plan and Management Deferred Compensation Plan required that upon retirement of all or a portion of the indebtedness outstanding under the senior unsecured promissory notes issued to our initial investors in connection with the Warburg Pincus acquisition, TD Group would pay each participant a percentage of the amount credited to his or her deferred compensation account equal to the percentage of such indebtedness so retired. All account balances under the Rollover Deferred Compensation Plan were immediately vested. Deferred compensation accounts under the Management Deferred Compensation Plan were vested to the same extent that the new management options granted under the 2003 stock option plan were vested.

On November 10, 2005, TD Group prepaid the entire principal amount and all accrued and unpaid interest in respect of such senior unsecured promissory notes and, consequently, all participant deferred compensation account balances under the Rollover Deferred Compensation Plan and the vested portion of all deferred compensation account balances under the Management Deferred Compensation Plan became payable. The account balances, totaling approximately \$23.0 million in the aggregate, under the Rollover Deferred Compensation Plan were distributed to participants on November 10, 2005. The vested account balances under the Management Deferred Compensation Plan, totaling approximately \$1.8 million in the aggregate, were distributed to participants on November 10, 2005. In addition, the Committee approved a distribution to

participants of a portion of their unvested account balances equal to approximately \$1.2 million in the aggregate and such distribution was made on November 10, 2005. The remaining unvested account balances were forfeited by participants under the Management Deferred Compensation Plan in connection with the adoption of the TD Holding Corporation 2005 New Management Deferred Compensation Plan, which was adopted by TD Group on December 16, 2005. In connection with the distributions under the Rollover Deferred Compensation Plan and the Management Deferred Compensation Plan, Mr. Howley received \$11,287,068 and Messrs. Laubenthal, Rufus, Henderson and Rodriguez received \$2,249,970, \$1,030,060, \$1,880,003, and 1,933,622, respectively.

In addition, in connection with the refinancing transactions in November 2005, the Company paid approximately \$6.2 million in aggregate bonuses, allocated to each employee based on the aggregate number of shares of our common stock underlying options granted to each such employee in relation to the aggregate of all such options held by employees receiving bonuses. Of the aggregate bonuses paid, Mr. Howley received \$2,387,723 and Messrs. Laubenthal, Rufus, Henderson and Rodriguez received \$829,512, \$275,060, \$437,239 and \$450,331.

TransDigm Inc. is a guarantor of Skurka's obligations under the lease.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and owners of more than 10% of a registered class of the Company's equity securities, to file with the SEC and the New York Stock Exchange initial reports of ownership and reports of changes in ownership of common shares and other equity securities of the Company. Executive officers, directors and owners of more than 10% of the common shares are required by SEC regulations to furnish the Company with copies of all forms they file pursuant to Section 16(a).

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the fiscal year ended September 30, 2006, all Section 16(a) filing requirements applicable to its executive officers, directors and greater than 10% beneficial owners were complied with, except that the purchase by Mr. Skurka of shares in our initial public offering on March 13, 2006 in connection with our directed share program was not reported until April 20, 2006.

STOCKHOLDER PROPOSALS FOR 2008 ANNUAL MEETING

Any shareholder proposals intended to be presented at the Company's 2008 Annual Meeting of Stockholders must be received by the Secretary of the Company at TransDigm Group Incorporated, 1301 East Ninth Street, Suite 3710, Cleveland, Ohio 44114, on or before September 24, 2007, for inclusion in the Company's proxy statement and form of proxy relating to the 2008 Annual Meeting of Stockholders. As to any proposal that a stockholder intends to present to stockholders other than by inclusion in the Company's proxy statement for the 2008 Annual Meeting of Stockholders, the proxies named in management's proxy for that meeting will be entitled to exercise their discretionary voting authority on that proposal unless the Company receives notice of the matter to be proposed not later than December 8, 2007. Even if proper notice is received on or prior to December 8, 2007, the proxies named in the Company's proxy for that meeting may nevertheless exercise their discretionary authority with respect to such matter by advising shareholders of that proposal and how they intend to exercise their discretion to vote on such matter, unless the shareholder making the proposal solicits proxies with respect to the proposal to the extent required by Rule 14a-4(c)(2) under the Securities Exchange Act of 1934, as amended.

These services may include audit services, audit-related services, tax services and other services. Pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date.

The Audit Committee has selected Ernst & Young as the Company's independent auditors for the fiscal year ending September 30, 2007. Representatives from Ernst & Young are expected to be present at the Annual Meeting and available to answer appropriate questions from stockholders. The representative from Ernst & Young will have an opportunity to make a statement if he or she so desires.

HOUSEHOLDING

The Securities and Exchange Commission permits a single set of annual reports and proxy statements to be sent to any household at which two or more shareholders reside if they appear to be members of the same family. Each shareholder continues to receive a separate proxy form. This procedure, referred to as householding,

reduces the volume of duplicate information shareholders receive and reduces mailing and printing costs. A number of brokerage firms have instituted householding. Only one copy of this proxy statement and the attached annual report will be sent to certain beneficial shareholders who share a single address, unless any shareholder residing at that address gave contrary instructions.

If any beneficiary shareholder residing at such an address desires at this time to receive a separate copy of this proxy statement and the attached annual report or if any such shareholder wishes to receive a separate proxy statement and annual report in the future, the shareholder should provide such instructions to the Company by calling Investor Relations at (216) 706-2945, or by writing to Investor Relations, TransDigm Group Incorporated, 1301 East Ninth Street, Suite 3710, Cleveland, Ohio 44114.

OTHER MATTERS

Stockholders and other interested parties may send written communications to the Board of Directors by mailing them to the Board of Directors, c/o Investor Relations, TransDigm Group Incorporated, 1301 East Ninth Street, Suite 3710, Cleveland, Ohio 44114. All communications will be forwarded to the Board of Directors.

If the enclosed proxy is properly executed and returned to the Company, the persons named in it will vote the shares represented by such proxy at the meeting. A shareholder may specify a vote for the election of directors as set forth under Election of Directors, the withholding of authority to vote in the election of directors, or the withholding of authority to vote for one or more specified nominees.

Where a choice has been specified in the proxy, the shares represented will be voted in accordance with such specification. If no specification is made, such shares will be voted to elect the director nominees listed in Election of Directors. Under Delaware law and the Company's Amended and Restated Certificate of Incorporation, as amended, broker non-votes and abstaining votes will not be counted in favor of or against any nominee for purposes of the election of the director nominees listed in Election of Directors. If any other matters shall properly come before the meeting, the persons named in the proxy will vote thereon in accordance with their judgment. Management does not know of any other matters which will be presented for action at the meeting.

By order of the Board of Directors,

GREGORY RUFUS
Secretary
