Item 4. PURPOSE OF TRANSACTION.

The Reporting Persons purchased the Shares based on the Reporting Persons' belief that the Shares, when purchased, were undervalued and represented an attractive investment opportunity. Depending upon overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of Shares at prices that would make the purchase of additional Shares desirable, the Reporting Persons may endeavor to increase their position in the Issuer through, among other things, the purchase of Shares on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable. The Reporting Persons reserve the right to dispose of any or all of their Shares in the open market or otherwise, at any time and from time to time and to engage in any hedging or similar transactions.

On May 30, 2007, David W. Brandenburg issued a press release and delivered notice to the Issuer of his intent to nominate a slate of directors for election and to propose amendments to certain provisions of the Issuer's Third Restated Bylaws (the "Bylaws") as described below, at the Issuer's 2007 Annual Meeting of Shareholders, or any other meeting of shareholders held in lieu thereof, and any adjournments, postponements, reschedulings or continuations thereof (the "Annual Meeting"), and of his intention to solicit proxies from the Issuer's shareholders in connection therewith. A copy of the press release dated May 30, 2007 and the notification letter are attached hereto as Exhibits B and C, respectively, to this Schedule 13D and incorporated by reference herein. Any descriptions herein of the press release and letter are qualified in their entirety by reference to the press release and letter.

On May 30, 2007, Mr. Brandenburg made his demand to inspect shareholder records of the Issuer pursuant to Article 2.44 of the Texas Business Corporation Act. On May 31, 2007, Mr. Brandenburg made a revised demand to inspect shareholder records of the Issuer. A copy of each of the demand letter and revised demand letter is attached as Exhibit D and E, respectively, to this Schedule 13D and incorporated by reference herein, and any descriptions herein of the demand letter or the revised demand letter are qualified in their entirety by reference to such letters.

On June 1, 2007, David W. Brandenburg filed a preliminary proxy statement with the Securities and Exchange Commission in connection with the Annual Meeting, related to the solicitation of proxies from the Issuer's shareholders for the following Proposals:

1. To elect a slate of seven director nominees, David W. Brandenburg, Wilson David Bill Fargo, Mark A. Weinzierl, Daniel D. Hammond, Stuart Barab, Timothy W. Harris and Michael J. Willner (the "Nominees"), to serve as directors of the Issuer for a term that expires at the annual meeting of shareholders to be held in the year 2008 ("Proposal 1 ");
2. To amend Section 3.02 of the Bylaws to set the size of the Board at seven (7) directors and eliminate the ability of the Issuer's Board of Directors (the "Issuer's Board") to increase its size without the unanimous consent of the Issuer's Board ("Proposal 2 ");
3. To amend Article IX of the Bylaws to require the unanimous vote of all directors in order to further amend Section 3.02 of the Bylaws, which fixes the number of directors constituting the Issuer's Board ("Proposal 3 "); and
4. To repeal each provision of the Issuer's Bylaws and any and all amendments to the Bylaws (whether effected by supplement to, deletion from or revision of the Bylaws) since July 21, 2004 (the last date of reported changes) and before the effectiveness of the foregoing Proposals and the seating of the Nominees on the Board, other than those provisions which were duly adopted by the shareholders of the Issuer and those

provisions which under Texas law cannot be repealed by the shareholders of the Issuer, and to provide that, without the affirmative vote of the holders of a majority of the stock of the Issuer having voting power, the Issuer's Board may not thereafter amend any section of the Bylaws affected by such repeal or adopt any new Bylaw provision in a manner which serves to reinstate any repealed provision or adopt any provision having a similar effect as the repealed provision (Proposal 4, and collectively with Proposal 1, Proposal 2 and Proposal 3, the Proposals).

On June 1, 2007, Mr. Brandenburg issued a press release announcing the filing of his preliminary proxy materials with the SEC. A copy of the press release issued by Mr. Brandenburg announcing the filing of his preliminary proxy materials with the SEC is attached hereto as Exhibit F to this Schedule 13D and incorporated by reference herein and any description of the press release contained herein is qualified in its entirety by reference to the press release.

Upon finalization of his proxy materials, Mr. Brandenburg intends to solicit proxies from the shareholders of the Issuer in order to have the foregoing Proposals approved, including the election of the Nominees. Each of the Reporting Persons intends to review his/its investment in the Issuer on a continuing basis and engage in discussions with management and the Board of the Issuer concerning the business, operations and future plans of the Issuer. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, each of the Reporting Persons may in the future take such actions with respect to his/its investment in the Issuer as he/it deems appropriate including, without limitation, making other proposals to the Issuer concerning changes to the capitalization, ownership structure or operations of the Issuer, purchasing additional Shares, selling some or all of his/its Shares, engaging in short selling of or any hedging or similar transaction with respect to the Shares or changing his/its intention with respect to any and all matters referred to in Item 4.

FOR IMMEDIATE RELEASE

FORMER CHAIRMAN AND CEO OF INTERVOICE (NASDAQ: INTV)

DAVID W. BRANDENBURG DISCLOSES HIS NOMINATION OF

SEVEN DIRECTOR CANDIDATES FOR INTERVOICE S BOARD

Proposes Slate of Highly Qualified and Experienced Nominees

OSPREY, FLORIDA May 30, 2007 David W. Brandenburg today announced that he intends to solicit proxies relating to the 2007 annual meeting of shareholders of Intervoice, Inc. (Nasdaq: INTV) to elect seven highly qualified and experienced individuals, including himself and Daniel D. Hammond, a co-founder of Intervoice, to replace the existing Board of Directors of Intervoice. Mr. Brandenburg has detailed his intention in a written notice that is being delivered to Intervoice today and which will be made publicly available when it is filed with the Securities and Exchange Commission. Mr. Brandenburg owns 1,429,162 shares of Intervoice s common stock representing approximately 3.5% percent of Intervoice s issued and outstanding shares, based upon the amount of shares reported to be issued and outstanding in Intervoice s Annual Report on Form 10-K for the fiscal year ended February 28, 2007. In addition to being a major shareholder, Mr. Brandenburg is a former Chairman, CEO and director of Intervoice.

As a major shareholder focused on creating greater value for all Intervoice shareholders, I believe that it is time for a change in Intervoice s direction and in its governance, said David W. Brandenburg. In recent months, I have made recommendations to the company in an attempt to assist it in growing its revenues and enhancing its profitability. While I believe that Intervoice has adopted a few of my recommendations and ideas for positioning the company for future growth and profitability, much more remains to be done if Intervoice is going to be able to return greater value to its shareholders. As directors of a reconstituted Board, my nominees will press Intervoice to focus urgently on growing revenues and increasing returns for investors. My nominees will provide fresh thinking, fresh perspectives and fresh ideas. My fellow Intervoice shareholders should be entitled to the opportunity to vote for an alternative slate of director nominees that is the opportunity to replace the entire incumbent board with new members with a different base of experience and expertise. Alternatively, if shareholders wish to maintain the status quo, they can vote to re-elect the incumbent directors. I believe that just the presence of an alternative slate of

director nominees will benefit all shareholders and will increase the likelihood that meaningful actions will be taken to benefit Intervoice and its shareholders.

David W. Brandenburg's seven director nominees, including himself, together form a highly qualified, experienced and dedicated team that is committed to positioning the company for long-term growth and profitability and delivering value for shareholders. If elected, they will be actively engaged in guiding Intervoice's senior management, and holding them accountable for delivering consistent revenue growth and profitability.

In addition to the election of his nominees, David W. Brandenburg is also notifying Intervoice that he will also be soliciting proxies in support of shareholder proposals intended to prevent the current Board members from seeking to entrench themselves and frustrate the will of the shareholders by, among other things, expanding the size of the current Board or otherwise creating obstacles to providing Intervoice shareholders with the choice and opportunity to vote on Mr. Brandenburg's nominees.

David W. Brandenburg also announced today that, in connection with his intended solicitation of proxies to be used at the 2007 annual meeting of shareholders, he has retained the law firms of Blank Rome LLP and Akin Gump Strauss Hauer & Feld LLP as his legal advisors and Innisfree M&A Incorporated as his proxy solicitor.

Nominees Fully Committed to Driving Shareholder Value

Mr. Brandenburg has assembled the following slate of highly qualified and experienced nominees who, if elected, will provide Intervoice with the strong leadership and strategic direction necessary to drive and enhance shareholder value. They are fully committed to serving in the best interests of all shareholders. The nominees beneficially own, in the aggregate, 3,135,184 shares of Intervoice's common stock, representing approximately 8% of the issued and outstanding shares, based upon the amount of shares reported to be issued and outstanding in Intervoice's Annual Report on Form 10-K for the fiscal year ended February 28, 2007.

Re: Revised Demand to Inspect Shareholder Records
Ladies and Gentlemen:

This letter replaces my letter dated May 30, 2007 with respect to my demand to inspect shareholder records and corrects certain information contained therein with respect to my stock ownership.

The undersigned, David W. Brandenburg (the "Undersigned"), is the record and beneficial holder of 100 shares of the Common Stock, no par value per share (the "Common Stock"), of Intervoice, Inc., a Texas corporation (the "Company"). I have been a beneficial holder of such 100 shares of the Common Stock for a continuous period exceeding six months prior to the date hereof. I beneficially hold 1,429,162 shares of the Common Stock, including the 100 shares of the Common Stock that I hold of record. Except with respect to 50,000 shares of the Common Stock that I have purchased since December 1, 2006, I have been a beneficial holder of all of my shares of Common Stock for a continuous period exceeding six months prior to the date hereof.

The Undersigned, as a holder of record of the Common Stock, hereby demands, pursuant to Article 2.44 of the Texas Business Corporation Act and the common law of the State of Texas, the right, during the Company's regular hours of business, to inspect the following records and documents of the Company and to make copies or extracts therefrom:

(a) A complete record or list of the Company's shareholders, certified by its transfer agent(s) and/or registrar(s), showing the name and address of each shareholder and the number of shares registered in the name of each such shareholder (i) as of May 30, 2007, and (ii) as of any record date for the 2007 Annual Meeting of Shareholders of the Company (including any postponement, rescheduling, adjournment or continuation thereof, the "Annual Meeting") (each record date under the preceding sub-clauses is hereinafter referred to as a "Record Date");

- (b) A magnetic computer tape list of the Company's shareholders showing the name and addresses of each shareholder and number of shares registered in the name of each such shareholder as of May 30, 2007 and as of any Record Date, such computer processing data as is necessary for the Undersigned to make use of such magnetic computer tape, and a printout of such magnetic computer tape for verification purposes;
- (c) A list of all holders of shares of Common Stock of the Company arranged in descending order by number of shares and indicating the names and addresses of all of the Company's shareholders;
- (d) All daily transfer sheets showing changes in the lists of the Company's shareholders referred to in paragraph (a) above which are in or come into the possession of the Company or its transfer agent from the date of such lists to the date of the Annual Meeting;
- (e) All information in or which comes into the Company's possession or control or which can reasonably be obtained from brokers, dealers, banks, clearing agencies, voting trusts or nominees of any central certificate depository system concerning the number and identity of, and the number of shares held by, the actual beneficial owners of the Common Stock, including (1) the Securities Position Listing and omnibus proxy issued by The Depository Trust Company for any Record Date; (2) all Weekly Security Position Listing Daily Closing Balances reports issued by DTC (and authorization for Innisfree M&A Incorporated, the Undersigned's agent, to receive such reports directly); and (3) all lists (and computer tapes, processing data and printouts as described in (b) above) containing the name, address and number of shares of Common Stock attributable to any participant in any employee stock ownership plan, employee stock purchase plan, dividend reinvestment plan or other employee benefit plan of the Company in which the decision whether to vote shares of Common Stock held by such plan is made, directly or indirectly, individually or collectively, by the participants in the plan and the method(s) by which the Undersigned or its agents may communicate with each such participant;
- (f) All information in or which comes into the Company's possession or control or which can reasonably be obtained from brokers, dealers, banks, clearing agencies or voting trustees relating to the names and addresses of, and the number of shares held by, the beneficial owners of the Common Stock, including, but not limited to, any list of non-objecting or consenting beneficial owners (NOBO s or COBO s) in the format of a printout and magnetic computer tape listing in descending order balance (such information with respect to brokers and dealers is readily available to the Company under Rule 14b-1 of the Securities Exchange Act of 1934, as amended (the Exchange Act), from Broadridge Financial Solutions, Inc.);
- (g) A stop list or stop lists relating to any shares of Common Stock as of the dates of the lists referred to in paragraph (a) above;
- (h) A correct and complete copy of the Bylaws of the Company, as amended to date, and any and all changes of any sort to the Bylaws of the Company hereafter made through the date of the Annual Meeting, including, without limitation, any amendment to existing Bylaws, any adoption of new Bylaws or deletions of existing Bylaws;
- (i) All respondent banks lists and omnibus proxies for such lists pursuant to Rule 14b-2 of the Exchange Act; and

(j) The information and records specified in paragraphs (a), (b), (c), (e), (f), (g) and (i) above as of any Record Date for shareholder action set by the Company's Board of Directors, by operation of law or otherwise.

The Undersigned further requests that modifications or additions to or deletions from any and all records referred to in paragraphs (a)-(j) above through the date of the Annual Meeting be immediately furnished to the Undersigned or his agents as such modifications, additions or deletions become available to the Company or its agents or representatives.

The Undersigned will forego the demand for inspection if the Company will voluntarily furnish to the Undersigned all the information requested above. The Undersigned will also bear the reasonable costs incurred by the Company including those of its transfer agent(s) or registrar(s) in connection with the production of the information demanded.

The purpose of this demand is to enable the Undersigned to communicate with the Company's shareholders with respect to matters relating to the Undersigned's proxy solicitation of the Company's shareholders to have four proposals approved by the shareholders at the Annual Meeting, including the election to the Company's Board of Directors of seven nominees selected by the Undersigned.

Please also be advised that this Demand is not intended to constitute a request under Rule 14a-7 of the Securities Exchange Act of 1934, as amended. The Undersigned expressly reserves the right to make a request pursuant to such Rule as it deems appropriate in the future.

FOR IMMEDIATE RELEASE

FORMER CHAIRMAN AND CEO OF INTERVOICE (NASDAQ: INTV)

DAVID W. BRANDENBURG FILES PRELIMINARY PROXY MATERIALS TO ELECT

SEVEN NOMINEES TO INTERVOICE S BOARD OF DIRECTORS

Proposes Slate of Highly Qualified and Very Experienced Nominees

OSPREY, FLORIDA June 1, 2007 David W. Brandenburg today announced that he has filed with the Securities and Exchange Commission preliminary proxy materials in connection with his nomination of seven highly qualified and very experienced individuals, including himself and Daniel D. Hammond, a co-founder of Intervoice, for election to the Board of Directors of Intervoice, Inc. (NASDAQ: INTV) at Intervoice s 2007 Annual Meeting of Shareholders. Intervoice s current board of directors consists of seven members, all of whose one-year terms end at the 2007 Annual Meeting.

Mr. Brandenburg is the beneficial owner of 1,429,162 shares of Intervoice s common stock which represents approximately 3.7% percent of Intervoice s issued and outstanding common shares, based upon the amount of shares reported to be issued and outstanding in Intervoice s Annual Report on Form 10-K for the fiscal year ended February 28, 2007. In addition to being a significant shareholder, Mr. Brandenburg is a former Chairman, CEO and director of Intervoice.

As a significant shareholder focused on creating greater value for all Intervoice shareholders, I believe that it is time for a change in Intervoice s direction and in its governance, said David W. Brandenburg. In recent months, I have made recommendations to the company in an attempt to assist it in growing its revenues and enhancing its profitability. While I believe that Intervoice has adopted a few of my recommendations and ideas for positioning the company for future growth and profitability, much more remains to be done if Intervoice is going to be able to return greater value to its shareholders. As directors of a reconstituted Board, my nominees will press Intervoice to focus urgently on growing revenues and increasing returns for investors. My nominees will provide fresh thinking, fresh perspectives and fresh ideas. My fellow Intervoice shareholders should be entitled to the opportunity to vote for an alternative slate of director nominees that is the opportunity to replace the entire incumbent board with new members with a different base of experience and expertise. Alternatively, if shareholders wish to maintain the status quo, they can vote to re-elect the incumbent directors who are nominated by Intervoice. I believe that just the presence of an alternative slate of director nominees will benefit all shareholders and will increase the likelihood that meaningful actions will be taken to benefit Intervoice and all of its shareholders.

David W. Brandenburg's seven director nominees, including himself, together form a highly qualified, very experienced and dedicated team that is committed to positioning the company for long-term growth and profitability and delivering enhanced value for shareholders. If elected, they will be actively engaged in guiding Intervoice's senior management, and holding them accountable for delivering consistent revenue growth and profitability.

Copies of the preliminary proxy materials of David W. Brandenburg are available at the Securities and Exchange Commission's website at <http://www.sec.gov>. They can also be obtained by contacting Innisfree M&A Incorporated by telephone at (888) 750-5834.

IMPORTANT INFORMATION

Shareholders are advised to read the proxy statement and other documents related to the solicitation of proxies from shareholders of Intervoice for use at the 2007 annual meeting when they become available because they will contain important information, including information relating to the participants in such proxy solicitation. When completed, a definitive proxy statement and a form of proxy will be mailed to Intervoice's shareholders and will be available, along with other relevant documents, at no charge, at the Securities and Exchange Commission's website at <http://www.sec.gov> or by contacting Innisfree M&A Incorporated by telephone at (888) 750-5834. Information relating to the participants in such proxy solicitation is and will be contained in the proxy statement when it is filed by David W. Brandenburg.
