This Report of Foreign Private Issuer on Form 6-K is deemed filed for all purposes under the Securities Act of 1933, as amended, and the Securities Exchange Act of 1934, as amended, including by reference in the Registration Statement on Form F-3 (Registration No. 33-99550) and the Registration Statement on Form F-3 (Registration No. 333-9180).

On October 11, 2007, a consortium consisting of four Korean companies, Korea Electric Power Corporation (KEPCO), Korea Resources Corporation, Hanwha Corporation and SK Energy Co., Ltd. (the Korean Consortium), entered into an agreement (the Agreement) with CanAlaska Uranium, Ltd., a uranium exploration company located in Canada (CanAlaska), to carry out a joint uranium exploration project to search for uranium deposits across mines in the Cree East area in Canada (the Project). Under the terms of the Agreement, each of the Korean Consortium and CanAlaska will hold a 50% equity interest in the Project and the term of the Project would be for four (4) years. The estimated capital expenditure for the Project is C\$19 million, all of which will be borne by the Korean Consortium (and equally by the consortium member companies, including KEPCO) through cash contributions over the life of the Project. KEPCO 's share of the estimated cash contribution is C\$1.662 million for which KEPCO will receive a 12.5% equity interest in the Project. If additional capital expenditure is required, the amount in excess of C\$19 million will be shared equally between CanAlaska and the Korean Consortium. The Agreement remains subject to the approval by the board of directors of KEPCO scheduled for October 2007.
