4. CONSIDERATION

For the two financial years ended 31 December 2005 and 2006, the Company did not earn any dividends on the Shares. In addition, the Company did not record any other profit attributable to the Shares in its financial statements (whether prepared under PRC Accounting Rules and Regulations or IFRS) for the years ended 31 December 2005 and 2006 either, being the two financial years of the Company immediately prior to the Transaction. In accordance with the PRC Accounting Rules and Regulations, the Company recorded the Shares as long-term investment assets at the cost of acquisition as the initial cost of investment. Any dividends earned on the Shares, would be recorded as investment income of the financial year and would not affect the value of the investment assets. As at 31 December 2006, the audited book value of the Guotai Junan Shares and the Guotai Management Shares was RMB7,084,300 and RMB575,700 respectively, giving a total value of RMB 7,660,000.

Based on the asset appraisal reports, Zhong Feng Ping Bao Zi (2007) No. 050 and Zhong Feng Ping Bao Zi (2007) No. 051, which were prepared by Beijing Zhong Feng Asset Appraisal Co., Ltd, a company qualified to carry on securities business, (the Valuer) the Guotai Junan Shares and the Guotai Management Shares were valued as RMB65,547,700 and RMB1,186,400 respectively as at 31 December, 2006. The total value of the Shares was valued as RMB66,734,100.

By reference to the valuation results and to avoid transferring the Shares at a consideration lower than the value appraised by the Valuer, the Company set the base price for the auction process of the Shares at RMB75,000,000. Interested purchasers are free to bid for the Shares through the electronic bidding platform provided by the Shanghai Equity Exchange. The winning bidder must purchase both the Guotai Junan Shares and the Guotai Management Shares together. On 12 December 2007, the bidding

process ended and Ping An Trust, the ultimate winning bidder, was transferred the Shares for RMB175,000,000, of which the winning price for the Guotai Junan Shares and the Guotai Management Shares was RMB173,813,600 and RMB1,186,400 respectively, giving an aggregate value of RMB175,000,000.

Pursuant to the Equity Transaction Contracts, the operating profit/loss from 31 December 2006 (the appraisal base day) to the transaction date of the asset and equity attributable to the Shares shall be attributed to or borne by the Company. Ping An Trust shall satisfy the aforementioned consideration for the Shares in a lump-sum payment to a bank account designated by the Company within 5 days upon issuance of the relevant asset and equity transaction certificates by the Shanghai United Assets and Equity Exchange.

As a result of the completion of the Transaction, the Company recorded a net income of approximately RMB165.56 million (before taxation) for the sale of the Shares to Ping An Trust, being the difference between the final consideration of RMB175,000,000 and the value of its initial investments in the Shares of RMB7,660,000 and the agency fees of approximately RMB1.78million. The Company is therefore pleased to announce that it has realized a relatively substantial investment gain through the Transaction. The Company intends to apply the sales proceeds as general working capital in its daily operations.

5. REASONS FOR THE TRANSACTION

Investment is not the Company's core business at all times. Through this transaction, the Company has, on the one hand, disposed of certain non-core business assets, and on the other hand, the Company will realize a relatively substantial investment gain that will positively impact the Company's profit and loss accounts. To enhance the effectiveness of the Company's operational strategy, selling the Shares will be a benefit to the Company, which will bring in funding for the development of the Company's core business. Upon completion of the Transaction, the Company has no plan to make any new investments in the financial industry.

The Board of the Company believes that the terms of the Transaction are of normal commercial terms and are fair and reasonable and in the interests of the Company and the Shareholders as a whole.
