**PROXY STATEMENT**

**FOR**

**ANNUAL MEETING OF STOCKHOLDERS**

**To Be Held On February 26, 2008**

We are sending you our proxy materials in connection with the solicitation of the enclosed proxy by the Board of Directors of Sirona Dental Systems, Inc. (the "Company") for use at the 2007 Annual Meeting of Stockholders, and at any adjournments thereof.

**Attending the Annual Meeting**

The Annual Meeting will be held on February 26, 2008, at 11:00 a.m., New York time, at NASDAQ MarketSite, 4 Times Square, New York, NY 10036 to consider the matters set forth in the Notice of Annual Meeting of Stockholders. This Proxy Statement and the form of proxy enclosed are being mailed to stockholders with the Company's Annual Report to Stockholders commencing on or about January 24, 2008.

**Stockholders Entitled to Vote**

Only stockholders of record of the Common Stock, par value \$0.01 per share, of the Company (the "Common Stock") at the close of business on January 7, 2008 will be entitled to vote at the Annual Meeting. As of that date, a total of 54,778,084 shares of Common Stock were outstanding, each share being entitled to one vote. There is no cumulative voting.

**Quorum**

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock will constitute a quorum for the transaction of business at the Annual Meeting. If, however, a quorum is not present or represented at the Annual Meeting, the stockholders entitled to vote thereat, present in person or represented by proxy, will have the power to adjourn the Annual Meeting, without notice other than announcement at the Annual Meeting, until a quorum shall be present or represented.

Shares owned by the Company are not voted and do not count for quorum purposes. In order to assure the presence of a quorum at the Annual Meeting, please vote your shares in accordance with the instructions described above, even if you plan to attend the Annual Meeting. Abstentions and broker non-votes are counted as present for purposes of establishing a quorum. A broker non-vote occurs when a broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power and has not received instructions from the beneficial owner.

**Street Name Holders and Record Holders**

If you own shares through a broker, the registered holder of those shares is the broker or its nominee. Such shares are often referred to as held in "street name", and you, as the beneficial owner of those shares, do not appear in our stock register. For street name shares, there is a two-step process for distributing our proxy materials and tabulating

## **Table of Contents**

votes. Brokers inform us how many of their clients own Common Stock in street name, and the broker forwards our proxy materials to those beneficial owners. If you receive our proxy materials, including a voting instruction card, from your broker, you should vote your shares by following the procedures specified on the voting instruction card. Shortly before the Annual Meeting, your broker will tabulate the votes it has received and submit a proxy card to us reflecting the aggregate votes of the street name holders. If you plan to attend the Annual Meeting and vote your street name shares in person, you should contact your broker to obtain a broker's proxy card and bring it to the Annual Meeting.

If you are the registered holder of shares, you are the record holder of those shares, and you should vote your shares as described below under How Record Holders Vote.

### **How Record Holders Vote**

You can vote at the Annual Meeting in person or by proxy. We recommend that you vote by proxy even if you plan to attend the Annual Meeting. You can always attend the Annual Meeting and revoke your proxy by voting in person.

There are three ways to vote by proxy:

By telephone You can vote by touch tone telephone by calling toll-free 1-800-PROXIES (1-800-776-9437), 24 hours a day, 7 days a week, and following the instructions on our proxy card;

By Internet You can vote by Internet by going to the website [www.voteproxy.com](http://www.voteproxy.com) and following the instructions on our proxy card; or

By mail You can vote by mail by completing, signing, dating and mailing our enclosed proxy card.

By giving us your proxy, you are authorizing the individuals named on our proxy card, the proxies, to vote your shares in the manner you indicate. You may (i) vote for the election of all of our director nominees, (ii) withhold authority to vote for all of our director nominees, or (iii) vote for the election of one or more of our director nominees and withhold authority to vote for the other nominee(s), by so indicating on the proxy card. You may vote FOR or AGAINST or ABSTAIN from voting on the ratification of the appointment of KPMG as the Company's independent auditor.

If you vote by proxy without indicating your instructions, your shares will be voted FOR:

The election of our three director nominees; and

The ratification of the appointment of KPMG as the Company's independent auditor.

### **Revocation of Proxies**

A stockholder may revoke a proxy at any time prior to its exercise (i) by giving to the Company's Corporate Secretary a written notice of revocation of the proxy's authority, (ii) by submitting a duly elected proxy bearing a later date, or (iii) by attending the Annual Meeting and voting in person.

### **The Vote Necessary for Action to be Taken**

The nominees for director for three-year terms will be elected, provided that they receive the affirmative vote of a plurality of the shares present at the Annual Meeting, whether in person or by proxy. This means that, if a quorum is present, the three persons receiving the greatest number of votes will be elected to serve as directors. As a result, withholding authority to vote for a director nominee, or abstentions, and broker non-votes with respect to the election of directors will not affect the outcome of the election of directors.

### **Other Matters**

## Edgar Filing: SIRONA DENTAL SYSTEMS, INC. - Form DEF 14A

As of the date of this Proxy Statement, the Board of Directors of the Company does not know of any business that will be presented for consideration at the Annual Meeting other than the matters described in this Proxy Statement. If any other matters are properly brought before the Annual Meeting, the persons named in the enclosed form of proxy will vote the proxies in accordance with their best judgment.

\* Committee Chairperson

Below is a description of each committee of our Board and information regarding committee meetings held in fiscal 2007.

*Audit Committee.* Our Audit Committee is currently composed of three directors, Messrs. Beecken (who serves as Chairman), Hood and Kowaloff, all of whom are independent directors as such term is defined in Rule 4200(a)(15) of the NASDAQ Marketplace Rules, and as required by our Audit Committee Charter. In addition, our Board has determined that each of Messrs. Hood and Kowaloff is an audit committee financial expert, as defined by the SEC.

The primary function of the Audit Committee is to serve as an independent and objective party to oversee our accounting and financial reporting processes and internal control system; to pre-approve all auditing and non-auditing services to be provided by our independent auditor; to review and oversee the audit efforts of our independent auditor; and to provide an open avenue of communication among the independent auditor, financial and senior management and our Board. The Audit Committee has responsibility and authority, among other matters, to review with our management any financial information filed with the SEC or disseminated to the public; to establish and maintain procedures for receiving and treating complaints regarding accounting, internal accounting controls and auditing matters, and for the confidential anonymous submission by employees of concerns regarding these matters; to appoint, determine funding for and oversee our independent auditor; to review, in consultation with the independent auditor and our accounting personnel, the integrity of our financial reporting processes; and to review in advance any proposed transaction between us and any related party. A copy of our Audit Committee Charter can be found on our corporate website at [www.sirona.com](http://www.sirona.com). The Audit Committee met seven times during the fiscal year ended September 30, 2007.

*Executive Compensation Committee.* The Executive Compensation Committee has oversight responsibility relating to the compensation of our executive officers and directors and the administration of awards under our Equity Incentive Plan. Because the Company is a controlled company within the meaning of the NASDAQ Marketplace Rules, we are not required to have an executive compensation committee that is

comprised solely of independent directors. The Executive Compensation Committee met twice during the fiscal year ended September 30, 2007. A copy of our Executive Compensation Committee Charter can be found on our corporate website at [www.sirona.com](http://www.sirona.com).

*Compensation Committee Interlocks and Insider Participation.* None of the members of the Executive Compensation Committee is an officer or employee, or former officer or employee, of the Company or any of its subsidiaries. No interlocking relationship existed during the fiscal year ended September 30, 2007 between the members of our Board of Directors or Executive Compensation Committee and the board of directors or compensation committee of any other company, nor had any such interlocking relationship existed in the past.

*Nominating Committee.* The Nominating Committee was established by resolution of our Board on August 3, 2004. The function of the Nominating Committee is to establish criteria for selecting candidates for nomination to our Board, actively seek candidates who meet those criteria, and to recommend nominees to our Board. The Nominating Committee will consider director candidates who have relevant business experience, are accomplished in their respective fields and who possess the skills and expertise to make a significant contribution to our Board, us and our stockholders. Director nominees should have relevant business or other experience, knowledge about issues affecting us and the ability and willingness to apply sound and independent business judgment. Because the Company is a controlled company within the meaning of the NASDAQ Marketplace Rules, we are not required to have a nominating committee that is comprised solely of independent directors. The Nominating Committee will consider nominees for election or appointment to our Board that are recommended by stockholders, provided that a complete description of the nominees' qualifications, experience and background, together with a statement signed by each nominee in which he or she consents to act as such, accompanies the recommendations. Such recommendations should be submitted in writing to the attention of the Nominating Committee, c/o Corporate Secretary, Sirona Dental Systems, Inc., 30-30 47<sup>th</sup> Avenue, Suite 500 Long Island City, NY 11101 and should not include self-nominations. The full Board, which includes the members of the Nominating Committee, unanimously nominated the directors who were re-elected at the 2006 Annual Meeting. A copy of our Nominating Committee Charter can be found on our corporate website at [www.sirona.com](http://www.sirona.com).

*Attendance at Board and Committee Meetings.* Each of our directors attended or participated in 75% or more of the aggregate of (i) the total number of meetings of the Board and (ii) the total number of meetings held by all committees of the Board on which such director served during the fiscal year.

## **Code of Ethics**

On June 2, 2004, by resolution of our Board, we adopted a code of ethics governing the conduct of our personnel, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of the current code of ethics is available on our website at [www.sirona.com](http://www.sirona.com). In addition, a free copy of the code may be obtained by stockholders upon request by contacting Jonathan Friedman, General Counsel of the Company, at (718) 482-2011.

In the event that any amendment is made to the code of ethics, and such amendment is applicable to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, we shall disclose the nature of any such amendment on our website within four business days following the date of the amendment. In the event that we grant a waiver, including an implicit waiver, from a provision of the code of ethics, to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, we shall disclose the nature of any such waiver, including the name of the person to whom the waiver is granted and the date of such waiver, on our website within four business days following the date of the waiver. ## **Stockholder Communications with the Board of Directors**

Historically, we have not adopted a formal process for stockholder communications with our Board. Nevertheless, every effort has been made to ensure that the views of stockholders are heard by our Board or

individual directors, as applicable, and that appropriate responses are provided to stockholders in a timely manner. We believe our responsiveness to stockholder communications to our Board has been excellent, and to date, we have not considered it necessary to adopt a formal process. Nevertheless, during the upcoming year the Board will continue to monitor whether it would be appropriate to adopt a formal process for stockholder communications with the Board.

**Report of the Audit Committee of the Board of Directors**

In executing its responsibilities, the Audit Committee has reviewed and discussed our audited financial statements with our management. The Audit Committee has also discussed with the Company's independent auditor the overall scope and plans for their audits of the Company. Furthermore, the Audit Committee has discussed with our independent auditor the matters required to be discussed by SAS 61, as amended. In addition, the Audit Committee has received written disclosures and a letter from our independent auditor delineating all relationships between them and us, consistent with Independence Standards Board Standard No. 1 ( Independence Discussions with Audit Committee ), and has discussed with them matters pertaining to their independence. The Audit Committee also considered whether the additional services unrelated to audit services performed by KPMG during the fiscal year ended September 30, 2007 were compatible with maintaining their independence in performing their audit services. In addition, the Audit Committee met with the independent auditor, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control, and the overall quality of the Company's financial reporting.

Based upon the reviews and discussions referred to above, the Audit Committee recommended to our Board that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2007 for filing with the SEC. The Audit Committee and Board of Directors have also recommended the selection of KPMG as our independent auditor for the fiscal year ending September 30, 2008.

**Table of Contents****PROPOSAL 2 RATIFICATION OF THE SELECTION OF INDEPENDENT AUDITOR**

The Audit Committee of our Board has selected KPMG as independent auditor for the fiscal year ending September 30, 2008 and has further directed that management submit the selection of independent auditor for ratification by the stockholders at the Annual Meeting. A proposal to ratify the appointment of KPMG will be presented at the Annual Meeting. Representatives of KPMG are expected to be present at the Annual Meeting, and will have an opportunity to make a statement if they desire to do so and will be available to answer questions from stockholders. KPMG was the Company's independent auditor during the fiscal year ended September 30, 2007.

Neither our By-laws nor other governing documents or law require stockholder ratification of the selection of KPMG as our independent auditor. However, the Board is submitting the selection of KPMG to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent auditor at any time during the year if they determine that such a change would be in the best interests of us and our stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of KPMG.

**Compensation of Executive Officers***Compensation Discussion and Analysis*

*Compensation Philosophy:* We do business in a competitive and dynamic industry. Our continued success in such an environment depends, in part, on our ability to attract and retain talented senior executives. We must provide executives with long- and short-term incentives to maximize corporate performance, and reward successful efforts to do so. As a result, the Executive Compensation Committee's compensation policies are designed to:

- (i) Provide a competitive level of compensation to attract and retain talented management;
- (ii) Reward senior executives for corporate performance;
- (iii) Align the interests of senior executives with our stockholders in order to maximize stockholder value;
- (iv) Motivate executive officers to achieve our business objectives; and
- (v) Reward individual performance.

To achieve these compensation objectives, the Executive Compensation Committee has developed compensation packages for senior executive officers generally consisting of base salary and non-equity bonus arrangements tied to performance measures and, for certain of our officers, stock options or restricted shares.

*Setting Executive Compensation.* We seek to pay competitive salaries to executive officers commensurate with their qualifications, duties and responsibilities. In conducting salary reviews, the Executive Compensation Committee considers each individual executive officer's achievements during the prior fiscal year in meeting our financial and business objectives, as well as the executive officer's performance of individual responsibilities and our financial position and overall performance.

Based on the philosophy and objectives outlined above, the Executive Compensation Committee has structured the Company's annual and long-term incentive-based cash and non-cash executive compensation to motivate executives to achieve the financial and operational goals set by the Company and to reward the executives for achieving such goals. The Executive Compensation Committee has not historically retained a compensation consultant to review its policies and procedures with respect to executive compensation. In

## Table of Contents

determining the appropriate compensation packages for the Company's named executive officers, the Executive Compensation Committee reviews, on an annual basis, tally sheets which summarize each executive's past and present compensation, including equity and non-equity based compensation, and potential accumulation of wealth pursuant to the Company's compensation and benefit plans. Other internal and external factors, such as internal pay equity within the Company, are also reviewed and considered by the Committee when establishing the named executive officers' annual compensation packages.

We do not have any pre-established policy for the allocation between annual executive compensation, on the one hand, and long-term incentive-based executive compensation, on the other hand. Similarly, we do not have any pre-established policy for the allocation between cash and non-cash, or short-term and long-term, incentive compensation. Rather, the Executive Compensation Committee reviews compensation survey data and general market trends to determine the appropriate level and mix of annual and incentive-based compensation to be paid to each named executive officer in any given year. In December 2007, the Committee retained compensation consultant Pearl Meyer & Associates to provide advice with respect to competitive benchmarking of its compensation system within its peer group.

In connection with the Exchange, Sirona's operations were combined with those of Schick. For 2007, those of our executive offices historically employed by Sirona continued to receive non-equity bonuses under Sirona's historical EVA (economic value added) Plan and those of our executive officers historically employed by Schick continued to receive non-equity bonuses under Schick's historical bonus plan based upon year over year growth in modified income before taxes for the Schick business. These bonuses are further described below under "Non-Equity Performance Compensation." In December 2007, the Committee retained Pearl Meyer & Associates to provide advice with respect to review the compensation policies of the new combined company with the goal of developing a unified compensation plan for fiscal 2008.

*Equity Awards.* The Executive Compensation Committee believes that equity ownership by executive officers provides incentive to build stockholder value and aligns the interests of our officers with our stockholders. The Executive Compensation Committee typically recommends or awards an option or restricted share grant upon hiring an executive officer or within one year of their date of hire, subject to a maximum four-year vesting schedule. After the initial stock option or restricted share grant, the Executive Compensation Committee periodically considers additional grants. The size of the initial grant is usually determined with reference to the seniority of the officer, his or her level of cash compensation, the contribution the officer is expected to make to us and comparable equity compensation offered by others in the industry. In determining the size of the periodic grants, the Executive Compensation Committee considers prior option or restricted share grants to the officer, independent of whether the options have been exercised, the executive's performance during the year and his or her expected contributions in the succeeding year. The Executive Compensation Committee also believes that periodic option or restricted share grants provide incentives for executive officers to remain with us.

Options are generally granted at the then-current market price for our Common Stock and, consequently, have value only if the price of the Common Stock increases over the exercise price during the period in which the option is exercisable. In connection with the December 2006 awards, the Executive Compensation Committee granted such options at the closing market price of our Common Stock as of December 13, 2006, which date was two business days following the announcement of the Company's earnings for the fourth quarter and fiscal year ended September 30, 2006.

In December 2006, the Board of Directors adopted the Equity Incentive Plan, which was approved by stockholders at the Annual Meeting of Stockholders held on February 27, 2007. The Executive Compensation Committee did not make equity awards to our Chief Executive Officer, Chief Financial Officer or our two other most highly compensated executive officers who served in such capacities at September 30, 2007 (collectively, the named executive officers, or the "NEOs"). In determining not to grant equity awards to our NEOs, the Executive Compensation Committee considered the suggestion of the NEOs to grant all equity awards in the fiscal year to other employees of the Company.

## Table of Contents

Jost Fischer, our CEO, Simone Blank, our CFO, and Theo Haar, our Executive Vice President, retain substantial ownership interests in Sirona's parent company, Luxco. On June 30, 2005, Luxco, a Luxembourg-based holding entity owned by funds managed by MDP, Beecken Petty O'Keefe and management and employees of Sirona purchased Sirona in a leveraged buyout transaction (the "MDP Transaction"). In connection with the MDP Transaction, Mr. Fischer, Ms. Blank, Mr. Haar and other managers of Sirona purchased, either directly or indirectly, a combination of (i) 8% yield preferred equity securities and (ii) Class A Common equity securities of Luxco that participate in distributions by Luxco once holders of the preferred equity securities have received distributions equal to 100% of the original cost and accumulated yield of the preferred equity securities. Mr. Fischer, Ms. Blank, Mr. Haar and other managers of Sirona also acquired, either directly or indirectly, additional Class B Common equity securities of Luxco. The holders of Class B Common participate in distributions by Luxco with the Class A Common once MDP has received aggregate distributions equal to 100% of the original cost of its preferred equity securities and Class A Common and the accumulated yield of the preferred equity securities. Moreover, Mr. Fischer, Ms. Blank, Mr. Haar and other managers of Sirona acquired, either directly or indirectly, Class C Common equity securities of Luxco. The holders of Class C Common participate in distributions by Luxco with the Class A Common and Class B Common once MDP has received aggregate distributions equal to 200% of the original cost of its preferred equity securities and Class A Common and the accumulated yield of the preferred equity securities. The Class B Common and Class C Common are subject to vesting on a daily basis over four years. Therefore, although the various Luxco securities held either directly or indirectly by management do not directly translate to an indirect percentage ownership interest of the Company, Luxco estimates that Mr. Fischer, Ms. Blank and Mr. Haar would be entitled to approximately 8.1%, 5.4% and 1.3%, respectively, of distributions of Luxco based upon the assumed value of the investment as of September 30, 2007.

With respect to Mr. Slovin, the Executive Compensation Committee considered that Mr. Slovin received an equity award in connection with the closing of the Exchange in determining not to grant an additional award for fiscal 2007. See "Employment Agreements" below for a discussion of this award.

*Non-Equity Performance Compensation.* The Executive Compensation Committee believes that performance bonuses can serve an important function by adding a performance-based incentive to an executive's compensation package.

As discussed above, the Executive Compensation Committee is exploring the implementation of a unified incentive bonus plan beginning in fiscal 2008. For fiscal 2007, Mr. Fischer, Ms. Blank and Mr. Haar were eligible to receive a bonus under our EVA Plan. Mr. Slovin was eligible for a bonus based on our modified income before taxes for Schick Technologies Inc.

The purpose of the EVA Plan is to provide a meaningful definition of the operating results of the Company that takes into consideration the cost of capital and to encourage decisions by officers and management of the Company to achieve increases in the EVA of the Company. High EVA correlates with high returns on invested capital. In its simplest definition, EVA is equivalent to modified earnings before interest expenses and taxes ("EBIT"), with Capital Costs (as defined) subtracted from the adjusted result. Modifications of EBIT *inter alia* relate to restructuring, amortization and extraordinary costs. In addition, research and development expenses are capitalized and amortized over a defined period. Capital Costs are calculated by multiplying invested capital at the end of the fiscal year by an average cost of capital, (currently 12%). EVA is calculated at different levels, depending on the responsibility of the NEOs. There are no components of individual performance in the EVA Plan.

EVA = EBIT result (as defined in the Plan and subject to adjustments) - Capital Costs.

Pursuant to the EVA Plan, a year over year incremental improvement in EVA growth of \$3.4 million (\$4.5 million at an average exchange rate of 1.33 for the fiscal year ended September 30, 2007) represents 100% EVA, and an achievement of prior year EVA represents 75% EVA. Every further increase or decrease in EVA of

## **Table of Contents**

3.4 million translates into a 25% variation in the EVA percentage, with no threshold or cap, i.e. the EVA percentage could be negative. The benchmarks and targets of the system have been established on the basis of the Company's strategic plan adopted in 2003, covering a five year period. The actual bonus earned by the participating NEO's in any given fiscal year is the percentage EVA achievement multiplied by a base bonus amount set forth in each of Mr. Fischer's, Ms. Blank's and Mr. Haar's employment agreements. The actual bonus paid in any given fiscal year is subject to a pay-out plan described below.

The EVA Plan includes a non-discretionary, unfunded deferred compensation mechanism (the Bonus Bank), the purpose of which is to balance or even out potentially material fluctuations in earned bonuses over the years. In its simplest case, two-thirds of the EVA percentage that is above 100% in a particular fiscal year will be credited to the Bonus Bank. Each participant receives annually one third of any positive balance in his or her Bonus Bank account in the first quarter after the end of the fiscal year. In the case EVA is less than 100% in any given fiscal year, there is a withdrawal from the Bonus Bank balance. No interest is paid on Bonus Bank balances. If a NEO or any participant in the EVA Plan terminates their employment for any reason, their Bonus Bank balance is paid upon their termination.

The EVA percentage achieved for the Company for the fiscal year ended September 30, 2007 was 59%, and the EVA percentage for Sirona Group not including the Schick Technologies business was 29%. Based on the responsibilities of the NEO's the earned bonuses for fiscal year were calculated by using the 29% EVA achievement for Mr. Haar and the 59% EVA achievement for Mr. Fischer and Ms. Blank and multiplying these percentages by the base bonus amount set forth in each of Mr. Fischer's, Ms. Blank's and Mr. Haar's employment agreements.

Mr. Slovin was eligible for a bonus based on Schick Technologies Inc.'s pre-tax income adjusted for extraordinary items (as such term is defined by GAAP, as reasonably determined by the Audit Committee) and non-operating items.

*Discretionary Bonuses.* In addition to the foregoing bonuses paid pursuant to a plan, the Executive Compensation Committee determined for fiscal 2007 to pay cash bonuses as described in the Summary Compensation Table. Additional bonuses were paid to Mr. Fischer, Ms. Blank, Mr. Slovin and Mr. Haar to compensate them for the additional duties and responsibilities associated with running Sirona Dental Systems, Inc. and integrating of Schick Technologies as a public company following the Exchange.

*Modification of Compensation Policies.* The Omnibus Budget Reconciliation Act of 1993 includes potential limitations on tax deductions for compensation in excess of \$1,000,000 paid to our executive officers. The Executive Compensation Committee has analyzed the impact of this provision of the tax law on our compensation policies, has determined that historically the effect of this provision on the taxes paid by us has not and would not have been significant and has decided for the present not to modify our compensation policies based on such provision. In the event that a material amount of compensation might potentially not be deductible, it will consider what actions, if any, should be taken to seek to make such compensation deductible without compromising its ability to motivate and reward excellent performance.

### *Report of the Executive Compensation Committee of the Board of Directors*

The Executive Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis provided above. Based on its review and discussions, the Executive Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

### *Employment Agreements*

In April 2002, the Company entered into an employment agreement with Jost C. Fischer for an indefinite term. Under the terms of this agreement, Mr. Fischer is employed as the Company's Chief Executive Officer and President. Mr. Fischer's annual base salary for fiscal 2007 was 410,000 (€545,300 at an average exchange rate

---

**Table of Contents**

of 1.33 for the fiscal year ended September 30, 2007). In addition to his base salary, Mr. Fischer is eligible to receive an annual bonus based on the Company's year-over-year EVA (earned value added) growth, as defined in the agreement. If the Company achieves 100% EVA, the earned bonus is \$310,000 (\$412,300 at an average exchange rate of 1.33 for the fiscal year ended September 30, 2007). A portion of the bonus is paid within 60 days of the Company's fiscal year end and any amount earned in excess of what is paid is deferred as discussed under EVA Plan and Bonus Bank. If Mr. Fischer's employment is terminated due to death, the Company will continue to pay his contractual compensation for a period of up to six months. Mr. Fischer's employment agreement provides that he is restricted from acting as a member of supervisory, advisory or similar boards of companies which are not affiliated with the Company without prior written consent of the Board of Directors and will not, during the course of his employment, directly or indirectly be employed by, engaged in or participate in the ownership, management, operation or control of, or act in any advisory or other capacity for, any competing entity. The employment agreement may be terminated by the Company or Mr. Fischer upon one year's notice, and each party may terminate the employment agreement for cause.

In July 1999, the Company entered an employment agreement, as amended in June 2001, with Simone Blank for an indefinite term. Under the terms of this agreement, Ms. Blank is employed as the Company's executive vice president and chief financial officer. Ms. Blank's annual base salary for fiscal 2007 was \$260,000 (\$345,800 at an average exchange rate of 1.33 for the fiscal year ended September 30, 2007). In addition to her base salary, Ms. Blank is eligible to receive an annual bonus based on the Company's year-over-year EVA (earned value added) growth, as defined in the agreement. If the Company achieves 100% EVA, the earned bonus is \$175,000 (\$232,750 at an average exchange rate of 1.33 for the fiscal year ended September 30, 2007). A portion of the bonus is paid within 60 days of the Company's fiscal year end and any amount earned in excess of what is paid is deferred as discussed under EVA Plan and Bonus Bank. Ms. Blank's employment agreement provides that she is restricted from acting as a member of supervisory, advisory or similar boards of companies which are not affiliated with the Company without prior written consent of the Board of Directors and will not, during the course of her employment, directly or indirectly be employed by, engaged in or participate in the ownership, management, operation or control of, or act in any advisory or other capacity for, any competing entity. The employment agreement may be terminated by the Company or Ms. Blank upon 24 months' notice, and each party may terminate the employment agreement for cause.

In June 2006, the Company entered into an employment agreement with Jeffrey T. Slovin that superseded his prior employment and other compensatory arrangements. Pursuant to the employment agreement, Mr. Slovin serves as Executive Vice President of the Company and Chief Operating Officer of U.S. Operations. Throughout his employment, he will serve as a Director of the Company, subject to election by the stockholders. Mr. Slovin received an annual base salary of \$337,000 until June 15, 2006 and \$350,000 between June 16, 2006 and June 15, 2007. The employment agreement provided that Mr. Slovin was entitled to a bonus for fiscal 2006 calculated as set forth in his prior employment agreement dated June 20, 2004 and beginning in fiscal 2007, Mr. Slovin would be eligible to participate in a bonus plan to be developed for senior executives of the Company. Because the bonus in Mr. Slovin's prior employment agreement was based on earnings per share of Schick Technologies, Inc., the Compensation Committee subsequently made the decision to use operating income (subject to certain modifications) of Schick Technologies, Inc. in lieu of earnings per share of the Company as the relevant measure for Mr. Slovin's bonus. For fiscal 2007, Mr. Slovin continued to receive a bonus calculated in accordance with his employment agreement because the Company's new bonus plan had not been finalized. See footnote (3) to the Grants of Plan-Based Awards for fiscal year ended September 30, 2007 table. Options granted to Mr. Slovin under previous employment agreements vested immediately upon the closing of the Exchange. Upon the closing of the Exchange, Mr. Slovin received options to purchase 1,130,000 shares of the Company's Common Stock granted under a stock option agreement dated on or about September 25, 2005 that vest immediately upon a change in control. The employment agreement continued until June 15, 2007, and was automatically renewed for a period of one year. The employment agreement will automatically be renewed thereafter for successive periods of one year until terminated by the Company or Mr. Slovin by written notice to the other party at least 90 days prior to the end of the then current term. In the event that the Company terminates Mr. Slovin's employment agreement without cause (as defined in the agreement), or Mr. Slovin terminates his employment with good reason (as defined in the

**Table of Contents**

agreement), in each case, Mr. Slovin will be entitled to receive severance payments, consisting of his base salary in effect at the time of termination, paid for a period of 24 months and the bonus that he would have otherwise received during the year in which termination occurs. Pursuant to the employment agreement, Mr. Slovin agreed not to compete with the Company or solicit or hire any of its current employees or former employees who left employment within the previous six months, during his employment and for a period of twelve months thereafter.

For purposes of Mr. Slovin's employment agreement, *cause* is defined as any of the following events: (i) a majority, plus at least one, of the members of the Company's board of directors, excluding Mr. Slovin, determines that (a) the employee has committed an act of fraud against the Company, or (b) the employee has committed an act of malfeasance, recklessness or gross negligence against the Company that is materially injurious to the Company or its customers; or (ii) the employee has materially breached the terms of his employment agreement; or (iii) the employee is indicted for, or convicted of, or pleads no contest to, a felony or a crime involving the employee's moral turpitude. For purposes of Mr. Slovin's employment agreement, *good reason* is defined as any of the following events: (i) the Company reduces the amount of the employee's base salary or bonus opportunity; (ii) the Company changes the employee's titles or reduces his responsibilities in a manner that is materially inconsistent with the office he holds; (iii) the failure of employee to be a member of either the Company's board of directors or the Company's Executive Committee, if any; (iv) the employee no longer reports to the Company's President and Chief Executive Officer, or (v) the Company's election to provide notice to employee of its intention not to renew the initial term or any successive renewal term of the employment agreement.

In May 1998, the Company entered into an employment agreement, as amended in June 2001, with Mr. Haar for an indefinite term. Under the terms of this agreement, Mr. Haar is employed as the Company's Executive Vice President human resources and services. Mr. Haar's annual base salary for fiscal 2007 was 230,000 (\$305,900 at an average exchange rate of 1.33 for the fiscal year ended September 30, 2007). In addition to his base salary, Mr. Haar is eligible to receive an annual bonus based on the Company's year-over-year EVA (earned value added) growth, as defined in the agreement. If the Company achieves 100% of the EVA target, the earned bonus is 125,000 (\$166,250 at an average exchange rate of 1.33 for the fiscal year ended September 30, 2007). A portion of the bonus is paid within 60 days of the Company's fiscal year end and any amount earned in excess of what is paid is deferred as discussed under EVA Plan and Bonus Bank. If Mr. Haar's employment is terminated due to death, he will receive his contractual compensation for the month in which he died, plus six months of compensation reduced by amounts of dependents compensation. Mr. Haar's employment agreement provides that he will be restricted from acting as a member of supervisory, advisory or similar boards of companies which are not affiliated with the Company without prior written consent of the Board of Directors and will not, during the course of his employment, directly or indirectly be employed by, engaged in or participate in the ownership, management, operation or control of, or act in any advisory or other capacity for, any competing entity. The employment agreement may be terminated by the Company or Mr. Haar upon twenty four months' notice, and each party may terminate the employment agreement for cause.

*EVA Plan*

The EVA Plan provides for cash bonus awards earned based upon year-over-year incremental improvements in economic value added (EVA) and is payable following completion of the audit for the applicable fiscal year. Under the EVA formula, the earned bonus amount is equal to the percentage EVA achievement (as determined under the EVA Plan as described above under Compensation Discussion and Analysis) multiplied by the base bonus amount set forth in the participant's employment agreement. The base bonus amounts set forth in the employment agreements of NEOs participating in the EVA Plan, are as follows: Jost Fischer 310,000; Simone Blank 175,000; Theo Haar 125,000.

---

**Table of Contents**

*Bonus Bank*

The EVA Plan includes a non-discretionary, unfunded deferred compensation mechanism (the Bonus Bank), the purpose of which is to balance potentially material fluctuations in earned bonuses over the years. In its simplest case, two-thirds the EVA percentage that is above 100% in a particular fiscal year will be credited to the Bonus Bank. Each participant receives annually one-third of any positive balance in his or her Bonus Bank account in the first quarter after the end of the fiscal year. In case EVA is less than 100% in any given fiscal year, there is a withdrawal from the Bonus Bank.

In fiscal 2007, the withdrawals for each of Simone Blank's and Theo Haar's Bonus Bank were 175,000 (\$232,750 at an average exchange rate of 1.33 for the fiscal year ended September 30, 2007) and 125,000 (\$166,250 at an average exchange rate of 1.33 for the fiscal year ended September 30, 2007) leaving each with a Bonus Bank balance of 103,250 (\$137,322 at an average exchange rate of 1.33 for the fiscal year ended September 30, 2007) and 73,750 (\$98,088 at an average exchange rate of 1.33 for the fiscal year ended September 30, 2007), respectively.

Upon termination of employment for any reason, or upon a change in control of the Company, each NEO participating in the EVA Plan will receive his or her accrued but unpaid bonus bank balance, if any.

*Schick Technologies, Inc. 1996 Stock Option Plan*

*General.* The 1996 Stock Option Plan provides for the grant to officers, directors and employees of the Company and consultants, advisors and independent contractors of Schick of both incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, and stock options that are non-qualified for federal income tax purposes, sometimes referred to as non-statutory options.

*Administration, Eligibility, and Terms and Conditions of Options.* The 1996 Stock Option Plan must be administered by the Board of Directors and/or by a duly appointed committee of the Board of Directors. The 1996 Stock Option Plan is currently administered by the Executive Compensation Committee. The Executive Compensation Committee determines, among other things, which officers, employees, directors, consultants, advisors and contractors will receive options under the plan, the type of option (incentive stock options or non-qualified stock options, or both) to be granted, vesting, the number of shares subject to each option, and, subject to certain conditions discussed below, the exercise price of the option and duration of the options. Members of the Executive Compensation Committee are not eligible to receive options under the 1996 Stock Option Plan.

The exercise price of incentive stock options is determined by the Executive Compensation Committee, but may not be less than the fair market value of our common stock on the date of grant and the term of any such option may not exceed ten years from the date of grant. With respect to any participant in the 1996 Stock Option Plan who owns stock representing more than 10% of the voting power of our outstanding capital stock, the exercise price of any incentive stock option may not be less than 110% of the fair market value of our common stock on the date of grant and the term of such option may not exceed five years from the date of grant.

The exercise price of non-qualified stock options is determined by the Executive Compensation Committee on the date of grant, but may not be less than 85% of the fair market value of our common stock on the date of grant, and the term of any such option may not exceed ten years from the date of grant.

Payment of the exercise price may be made by cash, check or cash equivalent, by tender of shares of our common stock then owned by the optionee, by a recourse promissory note in a form approved by us, by the assignment of the proceeds of the sale of some or all of the shares of our common stock being acquired upon the exercise of an option or by any combination of the foregoing.

**Table of Contents**

Options may be granted which do not permit all of the foregoing forms of payment. Options granted pursuant to the 1996 Stock Option Plan are not transferable, except by will or the laws of descent and distribution in the event of death. During an optionee's lifetime, the option is exercisable only by the optionee. Options granted under the 1996 Stock Option Plan typically vest at an annual rate of 25%.

As discussed above, pursuant to an amendment to the 1996 Stock Option Plan, in addition to our employees, employees of, or consultants to, any company that the Company has agreed to acquire, will be eligible to receive non-statutory stock options under the 1996 Stock Option Plan. After the amendment to the 1996 Stock Option Plan in 2004, approximately 183 persons were eligible to receive options under the 1996 Stock Option Plan; provided, however, that the expiration date of the 1996 Stock Option Plan, after which no option may be granted thereunder, was April 22, 2006. As of September 30, 2007, 2,620,741 options were outstanding under the 1996 Stock Option Plan.

*Grants of Plan-Based Awards for fiscal year ended September 30, 2007*

- (1) Grant dates are not specified because bonuses for Mr. Fischer, Ms. Blank and Mr. Haar under the EVA Plan are based on year-over-year EVA and targets are not reset annually. In the case of Mr. Slovin, his bonus is based on modified pre-tax income growth results for Schick Technologies, Inc. and his targets are also not reset annually.
- (2) For a discussion of amounts earned by Mr. Fischer, Ms. Blank and Mr. Haar, see Non-Equity Performance Compensation. The Target Amount is that amount payable upon achievement of 100% of the EVA growth goal. The EVA Plan does not provide for a maximum pay-out or a threshold payout.
- (3) This represents a bonus payment for Mr. Slovin, calculated as a percentage of annual base salary as in effect on the last day of the Company's fiscal year to which the bonus relates, using a bonus multiplier formula tied to year-over-year modified pre-tax income growth of Schick Technologies, Inc. The bonus multiplier is equal to 2.5 percentage points for each one percent of modified pre-tax income growth in excess of 10% and 3.0 percentage points for each one percent of modified pre-tax income growth in excess of 25%. For example, modified pre-tax income growth of 15% in a fiscal year will result in a bonus payment equal to 12.5% of the NEO's annual base salary. The maximum bonus payment, set forth in the table above for Mr. Slovin is 75% of annual base salary.
