WASHINGTON REAL ESTATE INVESTMENT TRUST

UNAUDITED PRO FORMA CONDENSED CONSOLIDATED BALANCE SHEET AND

CONDENSED CONSOLIDATED STATEMENTS OF OPERATIONS

The pro forma balance sheet as of September 30, 2007 presents consolidated financial information as if the acquisitions had taken place on September 30, 2007. The pro forma statements of operations for the year ended December 31, 2006, and the nine months ended September 30, 2007, present the pro forma results of operations as if the acquisitions had taken place as of the beginning of the respective reporting periods. Both the balance sheet and statements of operations illustrate the operating results of Woodholme Centre and Woodholme Medical Office Building, Ashburn Farm Park, CentreMed I & II, and 2000 M Street as well as the operating results of a substantial majority of the properties previously acquired during 2007 (the Prior Properties) necessary to develop the pro forma results for the registrant. Explanations or details of the pro forma adjustments are in the notes to each of the financial statements.

WRIT purchased these properties as follows during 2007:

Acquisition	Property

The unaudited consolidated pro forma financial information is not necessarily indicative of what WRIT's actual results of operations or financial position would have been had these transactions been consummated on the dates indicated, nor does it purport to represent WRIT's results of operations or financial position for any future period. The results of operations for the periods ended December 31, 2006 and September 30, 2007 are not necessarily indicative of the operating results for these periods.

The unaudited consolidated pro forma financial information should be read in conjunction with WRIT's Form 8-K filed with the Securities and Exchange Commission (SEC) on December 10, 2007, announcing the acquisitions; the consolidated financial statements and notes thereto included in WRIT's Annual Report on Form 10-K for the year ended December 31, 2006; and the Historical Summary of Gross Income and Direct Operating Expenses and Notes included elsewhere in this Form 8-K/A1. In management's opinion, all adjustments necessary to reflect these acquisitions and related transactions have been made.
