On the record date, there were 9,809,340 shares of our common stock issued and outstanding.

Abstentions and so-called broker non-votes in response to this solicitation will have the same effect as the withholding of consent with respect to the proposal.

NAME CHANGE AMENDMENT PROPOSAL

Introduction

In connection with this consent solicitation, shareholders are being asked to consent to change the name of the Company to Manitex International, Inc., which change would be effected by filing with the Michigan Department of Labor and Economic Growth a Certificate of Amendment to the Company's Articles of Incorporation changing the name of the Company to Manitex International, Inc. The Certificate of Amendment to the Company's Articles of Incorporation, in substantially the form of Appendix A, will be filed with the Michigan Department of Labor and Economic Growth as soon as permissible pursuant to Michigan law.

Purpose of the Name Change

In its 2007 fiscal year, the Company completed the disposition of its remaining testing and assembly equipment assets and has discontinued that business. Therefore, the Company's Board of Directors has determined that it would be in the best interests of the Company and its shareholders to change the Company's name to Manitex International, Inc. to better reflect the Company's business of providing engineered lifting solutions, including boom truck cranes, rough terrain forklifts and special mission oriented vehicles, which is conducted primarily through the Company's Manitex subsidiary.

Effect of the Name Change

The name change will not have any effect on the transferability of outstanding stock certificates. Outstanding stock certificates bearing the name Veri-Tek International, Corp. will continue to be valid and represent shares of Manitex International, Inc. In the future, new stock certificates may be issued bearing the name Manitex International, Inc., but this will in no way affect the validity of your current stock certificates. The name change will be reflected by book-entry. For those shareholders that hold physical certificates, please do not destroy or send to us your common stock certificates. Those certificates should be carefully preserved by you.

The American Stock Exchange lists Company common stock under the symbol VCC. If the name change is approved, we may request a new trading symbol on the American Stock Exchange for the Company's common stock.

Vote Required for the Name Change Proposal

To approve the proposed name change amendment, Michigan law requires the consent of the holders of a majority of the outstanding shares of Company common stock entitled to vote. Abstentions and broker non-votes will have the same effect as the withholding of consent with respect to this proposal (i.e., the effect of votes against this proposal).

Board Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU CONSENT TO THE NAME CHANGE AMENDMENT PROPOSAL.

OTHER MATTERS

Proposals must comply with the proxy rules relating to shareholder proposals in order to be included in our proxy materials. Notice to us of a shareholder proposal submitted otherwise than pursuant to Rule 14a-8 also will be considered untimely if received by us after April 6, 2008 and the proposal will not be brought before the meeting. To ensure prompt receipt by us, proposals should be sent certified mail, return receipt requested. The persons named in the Company's proxies for its annual meeting of shareholders to be held in 2008, may exercise discretionary voting power with respect to any such proposal as to which the Company does not receive timely notice. We reserve the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.
