ITEM 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION.

On March 13, 2008, QuadraMed Corporation (the Company) issued a press release announcing earnings and other financial results for its fiscal year ended December 31, 2007 (the Initial Press Release). In addition, the Initial Press Release announced that management would review these results in an investment community conference call at 4:00 PM Eastern (1:00 PM Pacific) on Thursday, March 13, 2008.

Following the distribution of the Initial Press Release (in which the Company indicated it was continuing to review its deferred tax assets related to its research credits), the Company completed its review, recorded additional deferred tax assets of \$3.1 million as of December 31, 2007, and recognized additional income tax benefit of \$3.1 million for the three month and twelve month periods ended December 31, 2007 (together the Additional Income Tax Benefits); these amounts were not included in the unaudited results announced in the Initial Press Release. In connection with the completion of these actions, the Company issued a press release on March 14, 2008 (the Updated Press Release) containing all of the same financial information as was included in the Initial Press Release, but the Updated Press Release was updated throughout to reflect the effects of the Additional Income Tax Benefits; all other information reported in the Initial Press Release remained unchanged. This updated information has also already been reflected in the Company's Annual Report on Form 10-K, which was filed with the Securities and Exchange Commission on March 14, 2008.

A copy of the Updated Press Release is furnished as Exhibit 99.1 and is incorporated herein by reference in response to this Item 2.02.
