2008 Executive Officer Bonus Plan

Approved the 2008 Executive Officer Bonus Plan as follows:

Each Officer, as described below, was assigned a target bonus applicable to service in 2008. Bonuses will be earned based on Company performance as against the 2008 Executive Officer Bonus Plan's established revenue targets and non-GAAP operating income targets. The non-GAAP operating income targets were based on non-GAAP operating income, which excluded certain expenses, including (a) SFAS 123(R) charges, (b) specified legal fees and settlements, and (c) any settlements with the Internal Revenue Service. Weighting of the target components was as follows:

Revenue	25%
Non-GAAP Operating Income	75%
Total	100%

Revenue Component of Executive's Bonus:

No pay out will be made under the plan if the Company's 2008 actual revenue does not exceed at least an established minimum amount of revenue as set forth in the 2008 Executive Officer Bonus Plan. To the extent 2008 actual revenue increases above the minimum amount of revenue, the actual bonus increases, up to 100% of the revenue component of the target bonus when actual revenue equals target revenue in the 2008 Executive Officer Bonus Plan, and continues increasing thereafter as actual revenue increases, up to a maximum of 200% of the revenue component of the target bonus.

Non-GAAP Operating Income Component of Executive's Bonus:

No pay out will be made under the plan if the Company's 2008 actual non-GAAP operating income does not exceed at least an established minimum amount of non-GAAP operating income as set forth in the 2008 Executive Officer Bonus Plan. To the extent 2008 actual non-GAAP operating income increases above the minimum amount of non-GAAP operating income, the actual bonus increases, up to 100% of the non-GAAP operating income component of the target bonus when actual non-GAAP operating income equals target non-GAAP operating income in the 2008 Executive Officer Bonus Plan, and continues increasing thereafter as actual non-GAAP operating income increases, up to a maximum of 200% of the non-GAAP operating income component of the target bonus.
