**Item 1.01. Entry into a Material Definitive Agreement.**

On April 16, 2008, we entered into an Amended and Restated Credit Agreement with The Bank of Nova Scotia (the Credit Agreement ) for a \$380 million debt facility, consisting of a \$140 million three year amortizing term facility maturing on March 31, 2011, and a \$240 million bridge facility originally maturing today on October 16, 2008. Funds from the Credit Agreement, together with internal cash sources, were used to fund the cash portion of our purchase of the remaining 70.27% interest of the Greens Creek joint venture in April 2008. The Credit Agreement is incorporated herein by reference hereto from Exhibit 10.1.

On October 16, 2008, we announced that in the past six months we repaid \$200 million of the \$240 million bridge facility and extended the maturity date for the remaining \$40 million of the bridge facility pursuant to the First Amendment to Amended and Restated Credit Agreement with The Bank of Nova Scotia (the First Amendment ), which is incorporated by reference hereto from Exhibit 10.2. The First Amendment extends the maturity date of the remaining portion of the bridge facility to February 16, 2009; provided, however, that we furnish our lenders with a life of mine plan for each of the Greens Creek Mine and the Lucky Friday Mine by November 14, 2008 ( First Amendment Hecla Mine Plan ), and our lenders do not notify us that such First Amendment Hecla Mine Plan is unsatisfactory by December 10, 2008. If we receive such notice of dissatisfaction from any one of our lenders by December 10, 2008, the maturity date of the bridge loan is accelerated to December 19, 2008. We must also furnish our lenders with a detailed budget for our immediately succeeding three month period within five business days prior to the beginning of each month. The First Amendment also affected the applicable margins to our term facility and bridge facility, increasing the LIBOR and base rates by 1% on our term facility and by 3% on our bridge facility, and it sets a floor with respect to our base rate loans equal to the one month LIBOR plus the applicable margin. The First Amendment also requires us to pay any dividends on our 6.5% Mandatory Convertible Preferred Stock in common stock until the earlier of the date on which bridge facility is repaid in full and February 16, 2009 to the extent payment of such dividends in common stock is permitted thereby and under applicable law. We currently have \$40 million outstanding on our bridge facility.

The First Amendment has been included to provide you with information regarding its terms. It is not intended to provide any other factual information about us. Such information can be found elsewhere in other public filings we have made with the Securities and Exchange Commission, which are available without charge at [www.sec.gov](http://www.sec.gov).

The Credit Agreement, as amended, contains representations and warranties we made. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules that we have exchanged in connection with signing the Credit Agreement and the First Amendment. While we do not believe that they contain information securities laws require us to publicly disclose other than information that has already been so disclosed, the disclosure schedules do contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Credit Agreement, as amended. Accordingly you should not rely on the representations and warranties as characterizations of the actual state of facts, since they are modified in important part by the underlying disclosure schedules. The Credit Agreement and the First Amendment have been incorporated by reference herein to provide you with information regarding its terms. They are not intended to provide any other factual information about us and are subject to change as described above in connection with the syndication of the credit facilities. Such information about us can be found elsewhere in other public filings we have made with the Securities and Exchange Commission, which are available without charge at [www.sec.gov](http://www.sec.gov).

The disclosure schedules contain information that has been included in our general prior public disclosures, as well as potential additional non-public information. Moreover, information concerning the subject matter of the representations and warranties may have changed since the date of the Credit Agreement, as amended, which subsequent information may or may not be fully reflected in public disclosures.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The information disclosed under Item 1.01 above and in Exhibit 10.2 is incorporated herein by reference.

**Item 8.01. Other Events.**

As described above in Item 1.01, we announced the payment of a portion of our bridge facility and the extension of the maturity date for the remaining portion of the bridge facility. A copy of the press release making the announcement is filed herewith as Exhibit 99.1 and incorporated into this Item 8.01 by reference.
