However, in some cases proxies may be solicited by telephone, telegram or other personal contact. The Company will pay for the cost of the solicitation of proxies, including the cost of preparing, assembling and mailing the proxy material, and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to shareholders.

DIRECTOR INDEPENDENCE CRITERIA AND

CORPORATE GOVERNANCE AND NOMINATING COMMITTEE

Under the Nasdaq Marketplace Rules that are applicable to the Company, a majority of the members of the Board of Directors must meet certain independence criteria. All of the members of the Audit Committee of the Board of Directors (the Audit Committee) must meet certain independence criteria as well. In addition, in accordance with the Nasdaq Marketplace Rules, a Corporate Governance and Nominating Committee of the Board of the Directors (the Corporate Governance and Nominating Committee), consisting in its entirety of directors meeting the independence criteria for directors as defined by Nasdaq, has been created in order, among other functions, to make recommendations to the Board of qualified candidates for election or appointment to the Board of Directors.

ITEM 1 ELECTION OF DIRECTORS

At the Meeting, seven directors who are not External Directors are nominated to be elected: Messrs. Michael Federmann, Moshe Arad, Avraham Asheri, David Federmann, Yigal Neeman and Dov Ninveh and Mrs. Rina Baum. Also, if elected to another term as a director, Michael Federmann will continue to serve as Chairman of the Board of Directors. Mr. Nathan Sharony, currently an External Director, will continue to serve as External Director until the earlier of March 23, 2011 or the Annual General Shareholders Meeting to be held in 2010. The term of the second External Director, Mr. Yaacov Lifshitz, ends in August 2009. See Item 2 below regarding the election of an External Director to replace Mr. Lifshitz.

The Companies Law requires that a person will not be elected and will not serve as a director in a public company if he or she does not have the required qualifications and the ability to dedicate an appropriate amount of time for the performance of his or her director position in the company, taking into consideration, among other factors, the special needs and size of the company. A general shareholders meeting of a company whose shares are publicly traded, at which the appointment of a director is to be considered, will not be held unless the nominee has declared to the company that he or she complies with the above-mentioned requirements and details of his or her applicable qualifications are provided.

Each of the proposed nominees Messrs. M. Federmann, Arad, Asheri, D. Federmann, Ne'eman and Ninveh and Mrs. Baum, has declared to the Company that he or she complies with the required qualifications under the Companies Law for appointment as a member of the Board of Directors of the Company, detailing his or her applicable qualifications, and that he or she is capable of dedicating the appropriate amount of time for the performance of his or her role as a member of the Board of Directors of the Company.

The Corporate Governance and Nominating Committee has recommended to the Board of Directors that each of the above-mentioned nominees, all of whom currently serve as directors of the Company, be nominated for re-election to the Company's Board of Directors. Three of these nominees (Messrs. Arad, Asheri and Ne'eman) meet the board of directors' independence criteria under the applicable Nasdaq Marketplace Rules, as does the continuing External Director Mr. Sharony.

The Board of Directors has approved the recommendation of the Corporate Governance and Nominating Committee with respect to the list of nominees. Accordingly, the persons named in the proxy card distributed with this Proxy Statement intend to vote for the election of the above-named seven nominees.

Each nominee so elected as a director will hold office until the close of the next Shareholders' Annual General Meeting and until his or her successor is elected and qualified, unless any director's office is vacated earlier in accordance with the provisions of the Companies Law and the Company's Articles of Association.

The Company is not aware of any reason why any of the nominees, if elected, should be unable to serve as a director. Nevertheless, if any of the nominees should be unable to serve, the proxies will be voted for the election of such other person or persons as determined by the persons named in the proxy card in accordance with his or her judgment, provided such other person(s) meet the applicable requirements to be a director of the Company and have been recommended by the Corporate Governance and Nominating Committee for nomination to the Board of Directors.

The Company's shareholders, at the Shareholders' Annual General Meeting held in 2004, approved payments to directors thereafter in accordance with maximum regulatory rates payable to External Directors under Israeli law for companies similarly classified based on equity. These rates were linked to the Israeli consumer price index and were updated and paid from time to time by the Company through March 2008. At an Extraordinary General Shareholders Meeting held in March 2008, the Company's shareholders approved increasing compensation, effective April 1, 2008 and thereafter so long as said resolution has not been replaced or revoked by a Shareholders' General Meeting, to the Company's External Directors, who have additional duties under applicable foreign law, and to other directors meeting the director independence criteria of the Nasdaq Marketplace Rules. The increased compensation was consistent with amendments to Israeli law regarding compensation to External Directors who serve on the boards of dual listed companies, such as the Company. As a result, External Directors and other such independent directors are and will be entitled so long as the resolution adopted on March 2008 mentioned above is in effect, to an annual fee of NIS 100,000, equal to approximately \$25,706, and a per meeting fee of 2,200 NIS, equal to approximately \$565. The other directors are paid the following compensation: an annual fee of NIS 50,198, equal to approximately \$12,904, and a per meeting fee of NIS 1,948, equal to approximately \$501, which reflect the fee levels previously approved at the 2004 Shareholders' Annual General Meeting and linked to the Israeli consumer price index. The Company currently intends to maintain such compensation rates to such directors. Compensation payments to directors are made either directly to the director or to his or her employing company.

The nominees and the current continuing External Director, their respective ages as of July 1, 2009, and the year in which they became directors of the Company are as follows:

ITEM 2 ELECTION OF MRS. YAEL EFRON TO SERVE A THREE-YEAR TERM

AS AN EXTERNAL DIRECTOR

Under the Companies Law:

- (1) Each Israeli public company is required to appoint two External Directors. Among other requirements, a person may serve as an External Director if that person and each of that person's Relatives, partners and employers, or any person to whom he or she is subordinated (directly or indirectly), or any entity controlled by that person, did not have, at any time during the two (2) years preceding that person's appointment as an External Director, any affiliation with either the applicable company, the entities

controlling the company, or the entities controlled by the company or by the company's controlling shareholders. In addition, a person may serve as an External Director if and so long as no conflict of interest exists between his or her responsibilities as a member of the board of directors of the respective company and his or her other business activities. External Directors serve for a three-year term following which they may stand for re-election to an additional term of three years. In addition, External Directors in companies such as the Company that are dual listed (for example, traded on stock exchanges both in Israel and the U.S.) may stand for re-election to additional terms of up to three years each beyond the first two terms, provided that the following further conditions are met: (1) the Audit Committee and the Board both determine that based upon the expertise and the unique contribution of the External Director to the work of the Board and its committees, his/her re-election for an additional term is for the benefit of the Company; (2) his/her re-election is approved at a general shareholders meeting by the majority required for nomination of External Directors under the Companies Law; and (3) his/her terms of service as an External Director and the considerations of the Audit Committee and the Board regarding his/her re-election were presented to the general meeting of shareholders prior to the vote on such approval. At an Extraordinary General Meeting of Shareholders held in March 2008, an amendment to the Company's Articles of Association, consistent with such amendment to Israeli law, was approved.

- (2) Any committee of the Board must include at least one External Director, and all External Directors must be members of the Audit Committee.

- (3) In general, at least one External Director must have accounting and financial expertise, and the other External Director(s) must have professional competence. Under the regulations of the Companies Law, a director has financial and accounting expertise if he or she, based on his or her education, experience and qualifications, is highly skilled in respect of, and understands, business and accounting matters and financial statements, in a manner that enables him or her to have an in-depth understanding of the company's financial statements and to stimulate discussion in respect of the manner in which the financial data is presented. The evaluation of the accounting and financial skill of a director is to be made by the board of directors taking into account the parameters specified under the Companies Law. A director has professional competence if he or she has an academic degree in either economics, business administration, accounting, law or public administration or an academic degree in an area relevant to the company's business, or has at least five years experience in a senior position in the business management of a corporation with a substantial scope of business, in a senior position in public service or in the field of the company's business. The evaluation of the professional competence of a director is to be made by the board of directors.

Mr. Nathan Sharony, the current continuing External Director is considered by the Board of Directors to have professional competence.

Mr. Yaacov Lifshitz, whose term as an External Director ends in August 2009, is considered by the Board of Directors to have accounting and financial expertise (as does the proposed nominee named below).

An External Director of the Company (including the proposed nominee, if elected) is entitled to compensation at the rates described in Item 1 of this Proxy Statement and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with services provided as an External Director or otherwise.

The Companies Law also provides that a shareholders' general meeting at which the appointment of an External Director is to be considered will not be held unless the nominee has declared to the Company that he or she complies with the qualifications for appointment as an External Director. The proposed nominee, Mrs. Yael Efron, has declared to the Company that she complies with the qualifications and requirements for appointment as an External Director under the Companies Law, that she is capable of dedicating the appropriate amount of time for the performance of her role as an External Director of the Company, and she has agreed to stand for election.

The Corporate Governance and Nominating Committee of the Board of Directors of the Company and the Board of Directors as a whole has determined that Mrs. Efron meets the applicable criteria for External Directors under the Companies Law and also meets the independence criteria under the applicable Nasdaq Marketplace Rules, and has recommended that Mrs. Efron be elected as External Director for a three-year term. The Board of Directors considers Mrs. Efron to have accounting and financial expertise as defined under the Companies Law.

As required under the Companies Law, the Board of Directors of the Company has adopted a policy pursuant to which the Board of Directors will include a minimum of two directors having accounting and financial expertise as defined under the Companies Law. For this purpose, the Board of Directors also considers Mr. Asheri and Mr. Neeman to have accounting and financial expertise as defined under the Companies Law.

If elected for a term as an External Director, Mrs. Efron will hold office for a three-year period until August 10, 2012, unless her office is vacated earlier in accordance with the provisions of the Companies Law or the Company's Articles of Association. If for any reason Mrs. Efron should be unable to serve, another person will be elected in accordance with applicable law.

Also, if elected for a term as an External Director, Mrs. Efron will be entitled to receive from the Company an indemnification letter, in the same terms and conditions as all other members of the Board of Directors of the Company, in accordance with the terms and limitations as approved by the Audit Committee, the Board of Directors and the Shareholders of the Company in November 2005 (for further details, see Item 4 below). In addition, Mrs. Efron will be also covered by any directors and officers liability insurance in effect as of the date of her election and thereafter by any directors and officers liability insurance purchased by the Company from time to time in accordance with the Framework Resolution, if approved under Item 3 of this Proxy Statement.

Background information regarding Mrs. Efron, who is 64 on the date of this Proxy Statement, is as follows:

Yael Efron serves as a director of several companies. Currently she serves as a director and Chairperson of the Investment Committee of Psagot Mutual Funds and as a director of Isralom Assets Ltd. and Elcon Recycling Services Ltd. Mrs. Efron was until recently the Chairperson and CEO of Oceana Advanced Industries Ltd. From 1996-2002, she served as CEO and President of Tahal Consulting Engineers Ltd. During 1993-1996, Mrs. Efron served as Vice President for Business Development at Housing and Construction Co. Ltd. and as a member of the Board of all its subsidiaries. During 1970-1993, Mrs. Efron held several senior positions in Koor Industries Ltd (Koor) and served as member of the Board of most of Koor's subsidiaries including: Teva Pharmaceutical Industries, Tambor, Neshet, Machave, Macteshim Agan, Soltam and others. She also served as a director in Leumi Partners, Tadea Technologies Ltd, Hamashbir Lazarchan Israel Ltd., I.B.I Mutual Funds (1978) Ltd and Rozbad Medical Ltd. Mrs. Efron holds a bachelor's degree in economics and statistics from the Tel Aviv University, a diploma in advanced studies in industrial management from the Technion, and she took part in the Young Executive Management Program at Harvard University.

At the Meeting, the Board of Directors will propose that the following resolution be adopted:

RESOLVED, that Mrs. Yael Efron be elected as an External Director of the Company for a three-year term commencing on the close of this Shareholders' Annual General Meeting and ending on August 10, 2012.

The Board of Directors recommends a vote FOR approval of this resolution.

**ITEM 3 APPROVAL OF A FRAMEWORK RESOLUTION FOR THE PURCHASE
OF DIRECTORS AND OFFICERS LIABILITY INSURANCE**

The Companies Law and the Company's Articles of Association permit the Company to obtain directors and officers liability (D&O) insurance. Under the Companies Law, shareholders approval is required for insurance provided to directors.

The Company's Shareholders, at the Shareholders' Annual General Meeting held in 2004, approved a Framework Resolution that allowed the Company to purchase D&O insurance that meets the Framework Resolution's terms. The Framework Resolution covers a five-year period which ends in August 2009, and allows for an aggregate increase of insurance coverage of up to \$45 million for any year covered by the policy and an increase of up to 25% per year in the D&O insurance premium up to a maximum aggregate of 125% of the 2004 annual premium.

The Framework Resolution also requires that the Audit Committee and the Board of Directors confirm that any D&O insurance purchased within the period covered by the Framework Resolution complies with the terms of the Framework Resolution.

The D&O insurance in effect as of July 1, 2009 covers directors and officers of the Company and its subsidiaries worldwide, is valid until October 27, 2009 and provides aggregate liability coverage of up to \$45 million. The current annual premium payment is \$391,400.

In order to enable the Company to continue to efficiently obtain D&O insurance in the future, the Audit Committee and the Board of Directors propose adoption of a new framework resolution (the New Framework Resolution), as follows:

- (1) The period covered by the New Framework Resolution will begin at the close of this Annual General Meeting and will be in effect for a period of five years or until the close of the Company's Shareholders' Annual General Meeting to be held in 2014, whichever occurs later.
- (2) The types and amounts of liabilities covered by the insurance would be substantially similar to those currently covered by the Company's D&O insurance policy; however, the maximum annual aggregate coverage may be increased up to \$70 million during the period covered by the New Framework Resolution.
- (3) Annual insurance premiums may increase up to an aggregate of 125% of the current annual premium.

Under the Companies Law, the purchase of D&O insurance for directors or officers who are considered controlling shareholders of a company requires shareholder approval by a special majority (see QUORUM AND VOTING REQUIREMENTS above). Under the Israeli Companies Regulations (Relief for Transactions with Interested Parties) 2000 (the Relief Regulations) a public company such as the Company is permitted to enter into a framework transaction with a controlling shareholder provided that the framework transaction is approved by the company's audit committee and board of directors and by the company's shareholders in the specified special majority, and the audit committee and the board of directors of the company approve each of the specific transactions to be entered into under the framework transaction and determine that such specific transaction complies with the approved framework.

Mr. Michael Federmann, Chairman of the Company's Board of Directors, and his son, Mr. David Federmann, a member of the Company's Board of Directors, may be considered direct or indirect controlling shareholders of the Company. Therefore, the New Framework Resolution, as applicable to Mr. Michael Federmann and Mr. David Federmann, may constitute a framework transaction within the meaning of the Relief Regulations as described above.

The Audit Committee and the Board of Directors have approved the New Framework Resolution and will consider for approval each new purchase of D&O insurance (including for directors considered to be controlling shareholders) in order to determine that such insurance is within the terms of the New Framework Resolution.

At the Meeting, the Board of Directors will propose that the following resolution be adopted:

RESOLVED, that the New Framework Resolution under the terms as described in this Proxy Statement, regarding directors and officers liability insurance coverage for current and future directors and officers of the Company as may be from time to time, including for directors who may be considered as direct or indirect controlling shareholders of the Company, is hereby approved.

The Board of Directors recommends a vote FOR approval of this resolution.

**ITEM 4 APPROVAL AND RATIFICATION OF THE GRANT BY THE COMPANY OF
AN INDEMNIFICATION LETTER**

The Company's Articles of Association permit indemnification, retroactively or in advance, of a director against:

- (1) a monetary liability imposed on the director or paid by him or her in favor of a third party under a judgment, including a judgment by way of compromise or a judgment of an arbitrator approved by a court; however, such undertaking will be limited to events which, in the Board's opinion, are foreseeable in light of the Company's actual activities at the time of granting the obligation to indemnify, and to a sum or criteria as the Board deems reasonable under the circumstances, and the undertaking to indemnify will specify the aforementioned events and sum or criteria.
- (2) reasonable legal fees incurred by a director in an investigation or proceeding conducted against him or her by an authority authorized to conduct such investigation or procedure, provided that such investigation or procedure (i) concludes without the filing of an indictment against the director and without imposition of monetary payment in lieu of criminal proceedings, or (ii) concludes with imposing on the director monetary payment in lieu of criminal proceedings, provided that the alleged criminal offense in question does not require proof of criminal intent.
- (3) reasonable expenses of the proceedings, including lawyers fees, expended by the director or imposed on him or her by the court for:
 - (a) proceedings issued against him or her by or on the Company's behalf or by a third party;
 - (b) criminal proceedings from which the director was acquitted; or
 - (c) criminal proceedings in which he or she was convicted but that do not require proof of criminal intent; or
- (4) any other liability or expense for which it is or may be permissible to indemnify a director.

The aggregate indemnification so granted by the Company to directors and other entitled persons in accordance with the Company's Articles of Association may not exceed 25% of the Company's consolidated equity as reflected in the Company's last consolidated annual financial statements published prior to the payment of such indemnification.

The Company's shareholders at the Shareholders' Annual General Meeting held in 2005, approved the grant to current and future members of the Company's Board of Directors as may be from time to time, of indemnification letters reflecting the above conditions and limitations. The approval of the shareholders was granted with the applicable required majority votes including with respect to Mr. M. Federmann as a controlling shareholder.

On March 2007, Mr. D. Federmann, the son of Mr. M. Federmann, was elected as a member of the Company's Board of Directors and, on the basis of the Shareholders resolution of November 2005, was granted an indemnification letter in same terms and conditions as all other members of the Company's Board.

For the sake of good order and clarification arising from Mr. D. Federmann being considered as an indirect controlling shareholder of the Company, the Audit Committee and the Board of Directors have approved and ratified the grant by the Company of an indemnification letter to Mr. D. Federmann, with effect as of March 13, 2007.

At the Meeting, the Board of Directors will propose that the following resolution be adopted:

RESOLVED, that the grant by the Company of the indemnification letter to Mr. D. Federmann is hereby approved and ratified with effect as of March 13, 2007 .

The Board of Directors recommends a vote FOR approval of this resolution.
