**Forward-Looking Statements:**

Certain statements set forth in this Press Release constitute forward-looking statements (within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934) regarding Flotek Industries, Inc.'s business, financial condition, results of operations and prospects. Words such as expects, anticipates, intends, plans, believes, seeks, estimates and similar expressions or variations of such words are intended to identify forward-looking statements, but are not the exclusive means of identifying forward-looking statements in this Press Release.

Although forward-looking statements in this Press Release reflect the good faith judgment of management, such statements can only be based on facts and factors currently known to management. Consequently, forward-looking statements are inherently subject to risks and uncertainties, and actual results and outcomes may differ materially from the results and outcomes discussed in the forward-looking statements. Factors that could cause or contribute to such differences in results and outcomes include, but are not limited to, demand for oil and natural gas drilling services in the areas and markets in which the Company operates, competition, obsolescence of products and services, the Company's ability to obtain financing to support its operations, environmental and other casualty risks, and the impact of government regulation. Further information about the risks and uncertainties that may impact the Company are set forth in the Company's most recent filings on Form 10-K (including without limitation in the "Risk Factors" Section) and Form 10-Q, and in the Company's other SEC filings and publicly available documents. Readers are urged not to place undue reliance on these forward-looking statements, which speak only as of the date of this Press Release. The Company undertakes no obligation to revise or update any forward-looking statements in order to reflect any event or circumstance that may arise after the date of this Press Release.
