Reference Materials for the Exercise of Voting Rights

Proposed Resolutions and Related Information:

Item 1: Dividend of Surplus for the 91st Fiscal Year :

In order to improve our corporate value and to maximize shareholder value, we have sought to maintain an optimal balance between (1) achieving sustainable growth through strategic investments in areas of our core strength growth and (2) paying out cash dividends as direct compensation to shareholders with the target dividend payout ratio of 20% of consolidated net income.

We propose the following for the dividend for the end of the 91st Fiscal Year under this dividend policy.

(1) Kind of Dividend Payment  
Cash

(2) Items Relating to Dividend Payment and the Total Amount Distributed to Shareholders  
Payment of a dividend of 11 Japanese yen per ordinary share, totaling ¥20,081,345,295. Since an interim dividend of 7 Japanese yen per ordinary share was paid to shareholders on December 3, 2009, the annual dividend for the 91st Fiscal Year will be 18 Japanese yen per share, the total of which (approximately ¥32,900 millions) will be equivalent to approximately 22% of the consolidated net income for the 91st fiscal year.

(3) Date that the Dividend of Surplus Becomes Effective  
June 24, 2010

Item 2: Election of Thirteen Directors:

The terms of office for all of the current Directors will expire at the conclusion of the 91st Ordinary General Meeting of Shareholders. Accordingly, the Company proposes to elect thirteen Directors.
