(e) Adoption of Material Compensatory Plan.

On November 9, 2010, the stockholders of GeoMet, Inc. (the Company) approved an amendment to the Company's 2006 Long-Term Incentive Plan (the 2006 Plan) to allow for a stock option exchange program. The amendment specifically permits the Company to implement a one-time-only option exchange offer, pursuant to which employees would be allowed to surrender up to 566,968 outstanding stock options that are significantly underwater (i.e., those options with an exercise price that is greater than \$5.00 per share of common stock) for cancellation in exchange for up to 98,416 restricted shares of common stock in the aggregate to be granted under the 2006 Plan. The amendment required the Company to commence the one-time option exchange offer on or before November 9, 2011. A copy of the GeoMet, Inc. 2006 Long-Term Incentive Plan, amended and restated to include the foregoing amendment, is attached to this Form 8-K as Exhibit 10.1.

**Item 5.07 Submission of Matters to a Vote of Security Holders.**

The Company held its annual meeting of stockholders on Tuesday, November 9, 2010 at 10:00 a.m. central time at the Company's principal offices in Houston, Texas. Holders of 39,758,484 shares of common stock (including 294,220 shares of restricted common stock) of the Company and 4,000,000 shares of Series A Convertible Redeemable Preferred Stock (preferred stock) at the close of business on September 27, 2010 were entitled to vote at the meeting. Each holder of preferred stock was entitled to one vote per share of common stock into which the holder's preferred stock was convertible, and holders of common stock and preferred stock voted together as a single class on all matters presented at the annual meeting. As of the record date, shares of preferred stock were convertible into common stock at the rate of 7.692307692 common shares per share of preferred stock, eliminating fractional shares. Approximately 83.83% of the eligible voting shares were represented at the annual meeting in person or by proxy. The certified results of the matters voted upon at the meeting by the Company's common and preferred stockholders, voting together as a single class, are as follows:
