Introductory Note

Microtune, Inc. (the Company) is filing this Current Report on Form 8-K in connection with the completion of the acquisition of the Company by Zoran Corporation (Zoran), pursuant to the Agreement and Plan of Merger, dated September 7, 2010 (the Merger Agreement), by and among the Company, Zoran and Maple Acquisition Corp., a wholly owned subsidiary of Zoran (Merger Sub). The Company and Zoran previously announced entry into the Merger Agreement on September 8, 2010. The Merger Agreement was adopted by the Company's stockholders at a special stockholders meeting held on November 19, 2010.

Item 2.01. Completion of Acquisition or Disposition of Assets.

At the effective time of the Merger on November 30, 2010 (the Effective Time), Merger Sub merged with and into the Company with the Company as the surviving corporation (the Merger), and the Company became a wholly owned subsidiary of Zoran. At the Effective Time, each share of Company common stock, par value \$0.001 per share (the Microtune Common Stock), issued and outstanding immediately before the Effective Time, other than shares of Microtune Common Stock held directly or indirectly by the Company as treasury stock or held by Zoran or any wholly owned subsidiary of Zoran (which were cancelled as a result of the Merger), and other than those shares with respect to which appraisal rights were perfected in accordance with Delaware law, was converted into the right to receive \$2.92 in cash (the Per-Share Cash Amount), without interest.

At the Effective Time, all outstanding stock options of the Company (the Microtune Options) were canceled. Holders of Microtune Options with an exercise price per share less than the Per-Share Cash Amount received, for each share of Microtune Common Stock subject to such Microtune Option, cash in an amount equal to the difference between the Per-Share Cash Amount and the per share exercise price of such Microtune Option. At the Effective Time, all restricted stock units granted under any of the Company's stock plans (other than any restricted stock units held by non-employee directors of Microtune) that were unexpired and outstanding immediately prior to the Effective Time were assumed by Zoran and converted into an award for, or based on, the number of shares of the Zoran common stock, par value \$0.001 per share (Zoran Common Stock), equal to the product of (1) the number of shares of Microtune Common Stock issuable under the equity award immediately prior to the Effective Time multiplied by (2) 0.42, the ratio of the Per-Share Cash Amount to the average closing price of Zoran Common Stock for the 10 trading days ending the third day before the closing. All outstanding restricted stock units held by non-employee directors were cancelled in exchange for a payment in respect of each such restricted stock unit in an amount equal to the Per-Share Cash Amount.

The foregoing description of the terms set forth in the Merger Agreement is qualified in its entirety by reference to the Merger Agreement, a copy of which was attached as Exhibit 2.1 to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission (the SEC) on September 8, 2010 and incorporated herein by reference.
