Named Executive Officer Equity Awards. On February 10, 2011, the Committee approved equity awards to the Company's named executive officers in the form of stock options and restricted stock units (the Equity Awards). The Equity Awards were granted pursuant to the Company's 2007 Equity Incentive Plan and are comprised of the following numbers of shares underlying stock options and restricted stock units:

The restricted stock units vest as to one-third of the underlying shares annually on each of February 5, 2012, 2013 and 2014, subject to each named executive officer's continued service to the Company.

Named Executive Officer Performance-Based Equity Awards. On February 10, 2011, the Committee approved performance-based equity awards to the Company's named executive officers in the form of stock options with performance-based vesting conditions related to the Company's next generation products (the Performance-based Awards). The Performance-based Awards were granted pursuant to the Company's 2007 Equity Incentive Plan and are comprised of the following numbers of shares underlying stock options:

Named Executive Officer	Position	Performance-Based Stock Options

The Performance-based Awards have an exercise price of \$8.58 per share and will only vest based on specific performance metrics related to the Company's next generation products, and subject to each named executive officer's continued service to the Company. If the performance metrics are not met within the time limits specified in the award agreements, the Performance-based Awards will be canceled.

Bonus Plan. On February 10, 2011, the Committee approved the adoption of the Company's Bonus Plan, which was ratified by the Board on February 10, 2011. Pursuant to the Bonus Plan, the Committee has the discretion to, among other things, determine eligibility for participation, establish bonus pool funding criteria, determine target awards, and establish individual performance criteria. In connection with the approval of the Bonus Plan, the Committee also approved the bonus pool funding and award payout criteria for all employees of the Company, including each of the named executive officers, for fiscal year 2011 (the 2011 Bonus Terms). The funding of a bonus pool for named executive officers under the 2011 Bonus Terms is based solely on achievement by the Company against financial performance metrics, including revenue and operating income goals, for fiscal year 2011 (the Financial Goals).

Pursuant to the 2011 Bonus Terms, each named executive officer may be eligible for a midyear bonus payout (the Midyear Award) based on the achievement of the Financial Goals for the first two quarters of fiscal year 2011 and the projected achievement of the Financial Goals for the balance of 2011. The Midyear Award, if any, will be determined as the product of: (a) the named executive officer's Target Bonus (as set forth above), (b) the named executive officer's base salary as of the last day of the second quarter of fiscal year 2011, and (c) the percentage of achievement of the Financial Goals against targets established by the Committee. The Midyear Award for each named executive officer will only be paid if the Company is on track to achieve the minimum thresholds for the Financial Goals. The Midyear Awards are capped at 100% of such named executive officer's Target Bonus (as prorated for the first two fiscal quarters of fiscal year 2011).

In addition, pursuant to the 2011 Bonus Terms, each named executive officer may be eligible for a final bonus payout (the Final Award) based on the achievement of the Financial Goals for fiscal year 2011. The Final Award, if any, will be determined as (i) the product of: (a) the named executive officer's Target Bonus, (b) the named executive officer's base salary as of the last day of fiscal year 2011, (c) the named executive officer's individual performance rating (the Rating Percent), and (d) the percentage of achievement of the Financial Goals against targets established by the Committee, minus (ii) any Midyear Award. The Rating Percent will be set at 100%; provided, however, that the Committee, in its sole discretion and upon solicitation of the recommendation of the Company's Chief Executive Officer, may increase or decrease the Rating Percent for any named executive officer by up to 25%. The Final Award for each named executive officer is capped at 200% of such named executive officer's Target Bonus less any Midyear Award paid to such named executive officer.

The Committee retains the discretion to modify the 2011 Bonus Terms. The foregoing description is qualified in its entirety by reference to the Bonus Plan, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.
