IMPORTANT

Whether or not you expect to attend the meeting in person, we urge you to complete, sign, date and return the enclosed proxy card at your earliest convenience. This will ensure that your vote will be counted at the meeting. **Promptly completing, signing, dating and returning the proxy card will save the Company the expense and effort of additional solicitation.** An addressed envelope, for which no postage is required if mailed in the United States, is enclosed for the purpose of returning your proxy card. Sending in your proxy card will not prevent you from voting your shares at the meeting if you desire to do so, as your proxy is revocable at your option. Street name shareholders who wish to vote in person will need to obtain a proxy from the person in whose name their shares are registered.

Items to be Voted Upon

You will be voting on the following matters:

- (1) the election of seven directors;
- (2) the ratification of the appointment of the independent registered certified public accounting firm; and
- (3) such other business as is properly brought before the meeting and at any adjournment or postponement of the meeting.

Who May Vote

You are entitled to vote your common stock if our records show that you held your shares as of the close of business on the record date, April 7, 2011. Each shareholder is entitled to one vote for each share of common stock held on that date, at which time we had 23,536,869 shares of common stock outstanding and entitled to vote. Common stock is our only issued and outstanding class of stock.

How to Vote

You may vote in person at the meeting or by proxy. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting. If you hold shares in street name (that is, through a bank, broker or other nominee) and would like to attend the annual meeting, you will need to bring an account statement or other acceptable evidence of ownership of our common stock as of the close of business on April 7, 2011, the record date for voting. In order to vote in person at the annual meeting, you may contact the person in whose name your shares are registered and obtain a proxy from that person and bring it to the annual meeting.

Voting Shares in Fiduciary Account

If you received this proxy statement from your broker or other fiduciary, your broker or fiduciary should have given you instructions for directing how that person or entity should vote your shares. It will then be your broker or fiduciary's responsibility to vote your shares for you in the manner you direct. Please complete, execute and return the proxy card or other instructions in the envelope provided by your broker or utilize telephone or internet voting procedures if provided to you.

Voting your shares in this manner will not affect your right to vote in person if you decide to attend the meeting, however, you must first request a legal proxy from your broker or other fiduciary or the enclosed proxy card. Obtaining a legal proxy prior to the deadline stated above will automatically cancel any voting directions you have previously given with respect to your shares.

Brokers generally may vote on routine matters, such as the ratification of an independent public accounting firm, but may not vote on non-routine matters unless they have received voting instructions from the person for whom they are holding shares. The election of directors is considered a non-routine matter. Therefore, if you do not provide directions to your broker as to how you want your shares voted, your broker is not permitted to vote in the election of directors. If there is a non-routine matter presented to shareholders at the meeting and your broker or fiduciary does not receive instructions from you on how to vote on that matter, your broker or fiduciary will return the proxy card to us, indicating that he or she does not have the authority to vote on that matter. This is generally referred to as a "broker non-vote" and may affect the outcome of the voting on those matters.

Proxy Card

If you complete, sign, date and return your proxy card before the annual meeting, we will vote your shares as you direct. You have three choices on each matter to be voted upon. For the election of directors, you may vote for (1) all of the nominees, (2) none of the nominees, or (3) all of the nominees except those you designate. For the other item of business, you may vote FOR or AGAINST the matter, or you may ABSTAIN from voting.

If you return your signed proxy card but do not specify how you want to vote your shares, we will vote your shares:

FOR the election of all seven nominees for director identified on pages **4 and 5**;

FOR the ratification of appointment of PricewaterhouseCoopers LLP as our independent registered certified public accounting firm for 2011; and

in our discretion as to other business that properly comes before the meeting or at any adjournment or postponement of the meeting.

Changing Your Vote

You can revoke your proxy at any time before it is voted at the annual meeting by:

submitting a new proxy with a later date by signing and returning a proxy card to the Company;

attending the annual meeting and voting in person; or

sending written notice of revocation addressed to Jonathan C. Gold, our Corporate Secretary, at the address of the Company.

Quorum

A quorum is required to hold an annual meeting and conduct business. A quorum at the annual meeting will consist of a majority of the votes entitled to be cast by holders of shares of our common stock.

Votes Required

Nominees for election as a director are elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present. The ratification of the appointment of the independent registered certified public accounting firm will be approved if the votes cast at a meeting at which a quorum is present favoring the matter exceed the votes cast opposing it. Any other matters will be approved if the votes cast at a meeting at which a quorum is present favoring the matter exceed the votes cast opposing the matter, unless a greater number of affirmative votes is required for approval of that matter under our Articles of Incorporation or By-laws or the Florida Business Corporation Act.

All votes will be tabulated by an inspector of election appointed for the meeting, who will separately tabulate affirmative and negative votes and abstentions. Under Florida corporate law, abstentions and broker non-votes are treated as shares of common stock that are present and entitled to vote for purposes of determining the presence of a quorum. Since abstentions and broker non-votes are not considered votes cast on a proposal and are not considered votes opposing the election of a director or other actions, abstentions and broker non-votes will have no effect on the election of directors or the ratification of the appointment of our independent registered certified public accounting firm.

Solicitation

We will bear the entire cost of soliciting proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information furnished to shareholders. We have engaged Phoenix Advisory Partners to assist us with the distribution of proxies (but not the solicitation thereof). We expect to pay Phoenix Advisory Partners approximately \$5,500 for its services. We will reimburse banks, brokerage houses, fiduciaries and custodians for their costs of forwarding solicitation materials to beneficial owners of our common stock. In addition to solicitations by mail, our directors, officers or other regular employees of the Company, without additional compensation, may solicit proxies by telephone, facsimile, e-mail or in person.

PROPOSAL 1:

ELECTION OF DIRECTORS

Our Articles of Incorporation and By-laws provide that our Board shall comprise no less than one or more than 13 directors. Vacancies on the Board may be filled only by the Board. A director elected to fill a vacancy shall hold office until the next annual meeting of shareholders and until such director's successor is elected and qualified.

Our Board is currently composed of eight members. The Board has decided to reduce its size from eight seats to seven at the annual meeting. Each of our directors is required to stand for re-election every year, and the Corporate Governance Committee has nominated only current directors to serve for the next term. If elected at the annual meeting, each of the seven nominees below would serve until the 2012 annual meeting and until his successor is elected and qualified, or until such director's earlier death, disability, resignation or removal.

Directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote at the meeting. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominees named below. If any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of a substitute nominee proposed by the Board. Each person nominated for election has agreed to serve if elected, and we have no reason to believe that any nominee will be unable to serve.

Set forth below is biographical information for each person nominated. There are no family relationships among any of our directors or executive officers.

**OUR BOARD RECOMMENDS A VOTE FOR EACH NAMED NOMINEE.
CORPORATE GOVERNANCE**

Principles and Governance Guidelines

The Board has adopted and adheres to a Code of Conduct that the board and senior management believe represents sound practices. We have a longstanding belief that ethical behavior and respect for the law are fundamental to our culture and our business practices. It is the foundation of the policies and practices of our Code of Conduct to promote the management of our Company with integrity and in our shareholders' best interests. We are committed to conducting our business in strict compliance with both the letter and the spirit of the law and with the highest standards of professional and ethical conduct. Each director, officer and employee is responsible for conducting our business in adherence to these high standards. Our Code of Conduct can be found on the Investor Relations section of our website at www.qualitydistribution.com. We regularly post or otherwise make available information on the Investor Relations section of our website that may be important to investors. Information on or linked from our website does not constitute a part of this proxy statement.

Only independent directors currently serve on our Audit Committee, Corporate Governance Committee and Compensation Committee. It is expected that only independent directors will serve on these committees immediately following the annual meeting.

Director Independence

A majority of our Board of Directors is comprised of independent directors under the NASDAQ Rules. Our current independent directors are Messrs. Becker, Crowe, Marchese, Miklich, Rashid, Schumacher and White. It is expected that a majority of Board of Directors will continue to be comprised of independent directors under the NASDAQ Rules following the annual meeting.

Leadership Structure

We believe that the Board's leadership structure at any time should reflect both the Company's needs, as well as the unique talents and availability of the Board's members. Consequently, the Chairman of the Board and Chief Executive Officer positions have been held by a single person in the past but are currently held separately by Mr. White and Mr. Enzor, respectively. We believe that separating these positions currently enables us to best access the insights and trucking industry experience of Mr. White and Mr. Enzor while balancing the other considerations identified above. However, this balance may change in the future.

Risk Oversight

We face a variety of risks, including operational, liquidity, legal and credit risks and risk oversight plays a role in all major board decisions. The Board oversees our risk management process and reviews the risks we face on an ongoing basis. The Board also delegates certain of its risk oversight functions to the Audit Committee. In this regard, one of the Audit Committee's responsibilities involves overseeing our policies regarding risk assessment and risk management of our internal controls and financial reporting. Additionally, the Board receives regular reports from members of our Enterprise Risk Management Committee (made up of senior management), which meets regularly to identify and address significant risks.

Board Meetings and Committees

The Board has an Audit Committee, a Corporate Governance Committee, a Compensation Committee and an Executive Committee. All of the directors attended 75% or more of the combined total meetings of the Board and the committees on which they served during 2010. We encourage our directors to attend annual meetings of our shareholders. Messrs. Enzor, Marchese, Miklich and Schumacher attended the 2010 annual meeting.

The table below indicates the current membership of each committee and how many times the Board and each committee met in 2010:

	Board	Audit	Corporate Governance	Compensation	Executive
Marc E. Becker	Member				
Kevin E. Crowe	Member				
Gary R. Enzor	Member

Number of Meetings	8	7	1	6	8
<i>Audit Committee</i>					

The Audit Committee provides assistance to the Board of Directors in fulfilling its legal and fiduciary obligations in matters involving our accounting, auditing, financial reporting, internal control and legal compliance functions. The Audit Committee also oversees the audit activities of our independent registered certified public accounting firm and takes those actions it deems necessary to satisfy itself that the independent registered certified public accounting firm is independent of management. Our Board of Directors has determined that Mr. Schumacher, the Chairman of the Audit Committee for more than six years, is an audit committee financial expert as defined by SEC rules. All of the members of the Audit Committee are independent as defined by NASDAQ and SEC rules. The Board, upon recommendation of the Audit Committee, has adopted a written Audit Committee Charter which can be found on the Investor Relations section of our website at www.qualitydistribution.com.

Corporate Governance Committee

The Corporate Governance Committee identifies, evaluates and recommends potential Board and Committee members. The Corporate Governance Committee also develops and recommends to the Board governance guidelines. The Corporate Governance Committee has adopted a Corporate Governance Committee Charter, which can be found on the Investor Relations section of our website at www.qualitydistribution.com.

Compensation Committee

The Compensation Committee administers our compensation program and sets our compensation policies and the forms and amounts of compensation provided to our directors and officers. The Compensation Committee is ultimately responsible for making determinations for salary increases and awards to executive officers. Although management does not participate in the Compensation Committee's deliberations, the Compensation Committee considers management's recommendations. The Compensation Committee also reviews and determines salaries and bonuses for our other officers and employees based on management's input and recommendations. In addition, the Compensation Committee reviews and determines stock-based

compensation for our directors, officers and employees and administers our stock incentive plans. The Compensation Committee has adopted a Compensation Committee Charter, which can be found on the Investor Relations section of our website at www.qualitydistribution.com.

Executive Committee

The Executive Committee consults with and advises the officers of the Company in the management of its business and exercises the power and authority of the Board of Directors to direct the business and affairs of the Company in intervals between meetings of the Board, subject to certain exceptions.

DIRECTOR NOMINATION PROCEDURES

The Corporate Governance Committee determines nominees for director. The Corporate Governance Committee does not have a policy with regard to consideration of director candidates recommended by shareholders. The By-Laws of the Company provide that directors shall be elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present. Accordingly, the Company did not believe that it was necessary or appropriate for the Corporate Governance Committee to have such a policy while the Company was controlled by Apollo and its affiliates.

Generally, nominees for director are identified and suggested to the Corporate Governance Committee by the members of the Board or management using their business networks and evaluation criteria they deem important, which may or may not include diversity. The Board and the Corporate Governance Committee have not considered the diversity of, or established any specific minimum experience or diversity qualifications for, director candidates. There are no new director candidates for the 2011 annual meeting of shareholders since all directors standing for re-election are current directors.

SHAREHOLDER COMMUNICATIONS

The Company has a process for shareholders to communicate with the directors. For more information, please see the Investor Relations section of our website at www.qualitydistribution.com.

APPOINTMENT OF INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM

The firm of PricewaterhouseCoopers LLP (PwC) served as our independent registered certified public accounting firm for 2010. The Audit Committee has selected PwC to serve as our independent registered certified public accounting firm for 2011. We are submitting our appointment of the independent registered certified public accounting firm for shareholder ratification at this annual meeting.

Our Articles of Incorporation and By-laws do not require that our shareholders ratify the appointment of our independent registered certified public accounting firm. We are doing so because we believe it is a matter of good corporate practice. If our shareholders do not ratify the appointment, the Audit Committee will reconsider whether to retain PwC but may still retain them. Even if the appointment is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that a change in registered certified public accounting firm would be in the best interests of the Company and its shareholders.

Representatives of PwC, who will be present at the annual meeting of shareholders, will have an opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

**OUR BOARD RECOMMENDS A VOTE FOR THE RATIFICATION
OF THE INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM.**

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee reviews Quality Distribution's financial reporting process on behalf of the Board. Management has the primary responsibility for establishing and maintaining adequate internal financial controls, for preparing the financial statements and for the public reporting process. PwC, our independent registered certified public accounting firm for 2010, was responsible for expressing opinions on the conformity of the Company's audited financial statements with generally accepted accounting principles and its evaluation of the effectiveness of the Company's internal controls over financial reporting.

In this context, the Audit Committee has reviewed and discussed with management and PwC the audited financial statements for the year ended December 31, 2010 and PwC's evaluation of the Company's internal control over financial reporting. The Audit Committee has discussed with PwC the matters that are required to be discussed by Statement on Auditing Standards No. 61 as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. PwC has provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding PwC's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with PwC that firm's independence. Based on the considerations and the discussions referred to above, the Audit Committee recommended to our Board of Directors that the audited financial statements for the year ended December 31, 2010 be included in our Annual Report on Form 10-K for 2010.

SECURITY OWNERSHIP OF

CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding the beneficial ownership of our common stock as of April 1, 2011 (based on shares of common stock outstanding), by:

each person known by us to be a beneficial owner of more than 5.0% of our outstanding common stock,

each of our directors and director nominees,

each of our named executive officers, and

all current directors and executive officers as a group.

The amounts and percentage of common stock beneficially owned are reported on the basis of regulations of the SEC governing the determination of beneficial ownership of securities. Under the rules of the SEC, a person is deemed to be a beneficial owner of a security if that person has or shares voting power, which includes the power to vote or to direct the voting of such security, or investment power, which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any security of which that person has a right to acquire beneficial ownership within 60 days. Under these rules, more than one person may be deemed a beneficial owner of the same securities and a person may be deemed a beneficial owner of securities as to which he or she has no economic interest. The number of shares of common stock outstanding used in calculating the percentage for each listed person includes the shares of common stock underlying options held by such person that are exercisable within 60 days after April 1, 2011, but excludes shares of common stock underlying options held by any other person.

Except as indicated by footnote, the persons named in the table below have sole voting and investment power with respect to all shares of common stock shown as beneficially owned by them.

Change in Control Benefits

A change of control by itself does not trigger any benefit to any of the Named Executive Officers that have employment agreements. Rather, they would be entitled to cash benefits only if a termination without cause of their respective employment or a resignation by the executive for good reason occurs within one year of such change of control. Additionally, under the terms of the 2003 Restricted Stock Incentive Plan and the 2003 Stock Option Plan, any unvested shares of restricted stock and options held by any award recipient automatically vest upon the first anniversary of a change in control or the earlier termination of the employment of the award recipient, unless employment is terminated for cause in either case.
