Item 1.01. Entry into a Material Definitive Agreement.

On August 27, 2012, Enstar Group Limited, a Bermuda exempted company (Enstar), AML Acquisition, Corp., a Delaware corporation and an indirect, wholly-owned subsidiary of Enstar (Merger Sub), and SeaBright Holdings, Inc., a Delaware corporation (SeaBright), entered into an Agreement and Plan of Merger (the Merger Agreement), providing for the merger of Merger Sub with and into SeaBright (the Merger), with SeaBright surviving the Merger as an indirect, wholly-owned subsidiary of Enstar.

At the effective time of the Merger, each outstanding share of SeaBright common stock (other than shares held by SeaBright in treasury or held by stockholders who have perfected and not withdrawn a demand for appraisal rights under Delaware law) will be automatically cancelled and converted into the right to receive \$11.11 in cash, without interest (the Merger Consideration). Each outstanding option to purchase shares of SeaBright common stock will fully vest at the effective time of the Merger and be cancelled and converted into the right to receive the Merger Consideration less the per share exercise price of the option. Each outstanding share of SeaBright restricted stock and each SeaBright restricted stock unit will fully vest at the effective time and be cancelled and converted into the right to receive the Merger Consideration. Enstar expects to pay the aggregate purchase price of approximately \$252 million through a combination of cash on hand and a bank loan facility to be finalized before closing.

Consummation of the Merger is subject to certain conditions, including the adoption of the Merger Agreement by SeaBright s stockholders, the expiration or early termination of the applicable Hart-Scott-Rodino waiting period, receipt of certain regulatory approvals, the accuracy of the representations and warranties of the parties (subject to materiality qualifications), the absence of any law or order prohibiting the Merger, the absence of any material adverse effect on SeaBright, material compliance by the parties with their respective covenants and agreements under the Merger Agreement and certain other customary closing conditions.

The Merger Agreement includes customary representations, warranties, and covenants of Enstar, Merger Sub, and SeaBright. In addition, SeaBright has agreed: (i) to cause a stockholder meeting to be held to consider adoption of the Merger Agreement and (ii) subject to certain exceptions, that its board of directors will recommend adoption of the Merger Agreement to its stockholders.

Under the Merger Agreement, SeaBright is subject to no-shop restrictions on its ability to solicit proposals relating to alternative business combination transactions and, subject to certain exceptions, enter into discussions, or enter into any agreement concerning, or provide confidential information in connection with, any proposals for alternative business combination transactions. Prior to approval of the Merger by SeaBright s stockholders, the no-shop provision is subject to a fiduciary-out provision that allows SeaBright, under certain circumstances, to provide information to, and participate in discussions and engage in negotiations with, third parties with respect to an alternative business combination proposal that its board has determined is, or could reasonably be expected to result in, a Superior Proposal (as defined in the Merger Agreement). In addition, SeaBright s board may change its recommendation with respect to the Merger if it determines in good faith, after consultation with outside legal counsel, that the failure to do so would cause the board to breach its fiduciary duties under applicable law.

The Merger Agreement contains certain termination rights for both Enstar and SeaBright, including SeaBright s right to terminate the Merger Agreement under certain circumstances to enter into a definitive agreement providing for a Superior Proposal. Upon termination of the Merger Agreement under specified circumstances, including as a result of a change in recommendation of SeaBright s board of directors with respect to the Merger or if SeaBright enters into a definitive agreement providing for a Superior Proposal, SeaBright would be required to pay Enstar a termination fee of \$7.5 million.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 2.1 hereto and incorporated herein by reference.

The Merger Agreement governs the contractual rights between the parties in relation to the Merger. The Merger Agreement has been filed as an exhibit to this Current Report on Form 8-K to provide investors with information regarding the terms of the Merger Agreement and is not intended to modify or supplement any factual disclosures about Enstar or SeaBright in Enstar s or SeaBright s public reports filed with the Securities and Exchange Commission. In particular, the Merger Agreement is not intended to be, and should not be relied upon as, disclosure

regarding any facts and circumstances relating to Enstar or SeaBright. The representations and warranties contained in the Merger Agreement have been negotiated with the principal purpose of establishing the circumstances in which a party may have the right not to consummate the Merger if the representations and warranties of the other party prove to be untrue due to a change in circumstance or otherwise, and allocating risk between the parties, rather than establishing matters as facts. The representations and warranties may also be subject to contractual standards of materiality different from those generally applicable under the securities laws. Investors in Enstar's securities are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties or any of their affiliates.

Cautionary Statement Regarding Forward-Looking Statements

In particular, Enstar may not be able to complete the proposed transaction on the terms summarized above or other acceptable terms, or at all, due to a number of factors, including but not limited to failure to: (i) obtain approval of SeaBright's stockholders, (ii) obtain governmental and regulatory approvals or (iii) satisfy other closing conditions.

The foregoing list of important factors is not exhaustive. Other important risk factors regarding Enstar may be found under the heading "Risk Factors" in Enstar's Form 10-K for the year ended December 31, 2011, and are incorporated herein by reference.
