This Schedule TO relates to the offer (the Offer ) by the Purchaser to purchase all of the outstanding shares of common stock, par value \$0.001 per share (the Shares ), of Complete Genomics, Inc., a Delaware corporation (the Company ), at a purchase price of \$3.15 per Share, net to the seller in cash, without interest thereon, less any required withholding taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase dated September 25, 2012 (together with any amendments and supplements thereto, the Offer to Purchase ) and in the related Letter of Transmittal, copies of which are attached hereto as Exhibits (a)(1)(A) and (a)(1)(B), respectively. All the information set forth in the Offer to Purchase is supplemented by the information specifically provided in this Schedule TO.

**Item 7. Source and Amount of Funds or Other Consideration.**

Item 7 of the Schedule TO is hereby amended and supplemented as follows:

By revising the first paragraph under the heading Agricultural Bank of China in Section 9 of the Offer to Purchase to read as follows:

On September 4, 2012, Parent received a commitment letter (the ABC Commitment Letter ) from Agricultural Bank of China ( ABC ), pursuant to which ABC has committed, subject to certain conditions set forth in the ABC Commitment Letter, to provide Thirty Two Million Dollars (\$32,000,000.00), as part of a bank syndicate to finance Parent's offshore acquisition of Complete Genomics, Inc. (the ABC Financing ). The bank syndicate would be led by ExIm, and would include ExIm, ABC and CCB.

By revising the second bullet point under the heading Agricultural Bank of China in Section 9 of the Offer to Purchase to read as follows:

Parent using the funds provided under loan documents pursuant to the ABC Commitment Letter only for the purpose of financing an acquisition of the Company.

By adding the following sentence to the end of the first paragraph under the heading China Construction Bank in Section 9 of the Offer to Purchase:

CCB titled its commitment letter as a tentative commitment letter to reflect that its commitment is subject to a number of conditions (including the conditions described in the bullets below) and therefore in CCB's view is tentative.

By adding the following paragraph at the end of Section 9 of the Offer to Purchase:

Each of the commitment letters with ExIm, ABC and CCB (collectively, the Banks ) is subject to the execution and delivery of definitive loan agreements acceptable to ExIm, ABC and CCB, respectively. Parent has been informed by the Banks that the loan agreements are expected to include the following terms:

the loans would be subject to obtaining the regulatory approvals described in Section 16 Certain Legal Matters; Regulatory Approvals under the sub-headings United States Antitrust Compliance , United States Foreign Investment Compliance and People's Republic of China Regulatory Compliance ,

the loans would be subject to each of ExIm, ABC and CCB being satisfied as to the amount of cash reserves held by Parent,

the Banks would require a security interest in the entire equity interest of the Company,

the Banks would require a security interest in all of the material patents and equity interests owned by Parent or its affiliates, including after the closing the material patents of and equity interests in the Company,

the Banks would require Parent's key executives to provide a personal guarantee of the loans,

the loans would have a term of approximately three years,

the loans would have a stated and effective interest rate largely based on the People's Bank of China Renminbi Lending Rate (currently 6.65%) and in any event not exceeding 10%,

the parties to the loan documents would be ExIm, ABC and CCB, and Parent, certain of Parent's subsidiaries and affiliates, Parent's key executives, the Company and all of the Company's subsidiaries, and

the loans would have other customary terms and conditions.
