For the quarter ended September 30, 2013, the net depreciation on these portfolios of the Bank amounted to 135.02 crore. However, the Bank has opted not to distribute the said amount of depreciation and has recognised this charge entirely in the Profit and Loss Account during the quarter and half year ended September 30, 2013. - 6 Commission paid to sales agents and subventions / fees received from dealers and manufacturers for originating retail asset products were reclassified under Operating Expenses and under Other Income respectively, effective year ended March 31, 2013. The net commission paid was hitherto reduced from Interest Income. Figures for the quarter and half year ended September 30, 2012 have accordingly been regrouped / reclassified. The above change in classification has no impact on the profit of the Bank.
 - 7 Recoveries from written off accounts and direct charge offs were reclassified under Other Income and under Operating Expenses respectively, effective March 31, 2013. These were hitherto included in the specific loan loss charge under Provisions and Contingencies.
