PROSPECTUS

8,000,000 Shares of Common Stock

This prospectus relates to 8,000,000 shares of our common stock that we may offer and issue from time to time in connection with future acquisitions of other businesses, assets or securities.

We will determine the amount and type of consideration to be offered and the other specific terms of each acquisition following negotiation with the owners or controlling persons of the businesses, assets or securities to be acquired. The consideration for any such acquisition may consist of shares of our common stock or a combination of common stock, cash, notes or assumption of liabilities. We may structure business acquisitions in a variety of ways, including acquiring stock, other equity interests or assets of the acquired business or merging the acquired business with one of our subsidiaries. We expect that the shares of common stock issued in connection with these transactions will be valued at a price reasonably related to the market value of our common stock either at the time an agreement is reached regarding the terms of the acquisition, at the time we issue the shares, or during some other negotiated period. Persons to whom we issue our common stock under this prospectus may also use this prospectus to resell the common stock. We have not fixed a period of time during which the common stock offered by this prospectus may be offered or sold.

We may also issue shares of common stock upon the exercise of options, warrants, convertible securities or other similar securities assumed or issued by us from time to time in connection with these transactions.

We will pay all expenses of this offering. We will not pay underwriting discounts or commissions in connection with issuing these shares, although we may pay finder's fees in specific acquisitions. Any person receiving a finder's fee may be deemed an underwriter within the meaning of the Securities Act of 1933, as amended.

Our common stock is traded on the New York Stock Exchange under the symbol **AJG**. On February 11, 2014, the last reported per share sale price of our common stock was \$45.69.

Investing in our common stock involves risk. You should carefully consider the Risk Factors beginning on page 2 in determining whether to accept stock as all or part of the purchase price for our acquisition of your business, securities or other assets.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the adequacy or accuracy of this prospectus. Any representation to the contrary is a criminal offense.

The date of this prospectus is _____, 2014.

ARTHUR J. GALLAGHER & CO.

We are engaged in providing insurance brokerage and third-party claims settlement and administration services to entities in the United States and abroad. We believe that our major strength is our ability to deliver comprehensively structured insurance and risk management services to our clients. Our brokers, agents and administrators act as intermediaries between insurers and their customers and we do not assume underwriting risks.

We have three reportable segments: brokerage, risk management and corporate, which contributed approximately 68%, 19% and 13%, respectively, to 2013 revenues. Our major sources of operating revenues are commissions, fees and supplemental and contingent commissions from brokerage operations and fees from risk management operations. Investment income is generated from our investment portfolio, which includes invested cash and fiduciary funds, as well as clean energy and other investments. Throughout 2012 and into 2013, we expanded and expect to continue to expand our international operations through both acquisitions and organic growth. We generate approximately 77% of our revenues for the combined brokerage and risk management segments domestically, with the remaining 23% derived internationally, primarily in Australia, Bermuda, Canada, the Caribbean, Singapore, New Zealand and the U.K. Substantially all of the revenues of the corporate segment are generated in the United States.

Shares of our common stock are traded on the New York Stock Exchange under the symbol AJG, and we had a market capitalization at December 31, 2013 of approximately \$6.3 billion. We were reincorporated as a Delaware corporation in 1972. Our executive offices are located at Two Pierce Place, Itasca, Illinois 60143-3141, and our telephone number is (630) 773-3800.

Unless the context otherwise requires, the terms we, our and us refer to both Arthur J. Gallagher & Co. and its subsidiaries. The term you refers to a prospective investor.

RISK FACTORS

Investing in our common stock involves risks. Before making an investment decision, you should carefully consider the specific risks set forth under the caption Risk Factors in the applicable prospectus supplement as well as under the caption Risk Factors in our filings with the SEC pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act, incorporated by reference into this prospectus.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This prospectus contains certain statements related to future results, or states our intentions, beliefs and expectations or predictions for the future, which are forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995. Forward-looking statements relate to expectations or forecasts of future events. Such statements use words such as anticipate, believe, estimate, expect, contemplate, forecast, project, intend, potential, and other similar terms, and future or conditional tense verbs like could, may, might, see, should, would. You can also identify forward-looking statements by the fact that they do not relate strictly to historical or current facts. For example, we may use forward-looking statements when addressing topics such as: market and industry conditions, including competitive and pricing trends; acquisition strategy; the expected impact of acquisitions and dispositions; the development and performance of our services and products; changes in the composition or level of our revenues or earnings; our cost structure and the outcome of cost-saving or restructuring initiatives; the outcome of contingencies; dividend policy; pension obligations; cash flow and liquidity; capital structure and financial losses; future actions by regulators; the impact of changes in accounting rules; financial markets; interest rates; foreign exchange rates; matters relating to our operations; income taxes; and expectations regarding our investments, including

our clean energy investments. These forward-looking statements are subject to certain risks and uncertainties that could cause actual results to differ materially from either historical or anticipated results depending on a variety of factors. Potential factors that could impact results include:

Volatility or declines in premiums or other adverse trends in the insurance industry;

An economic downturn, including one caused by the U.S. government shutdown and potential default, as well as uncertainty regarding the European debt crisis and market perceptions concerning the instability of the Euro;

Competitive pressures in each of our businesses;

Risks that could negatively affect the success of our acquisition strategy, including continuing consolidation in our industry and growing interest in acquiring insurance brokers on the part of private equity firms, which could make it more difficult to identify targets and could make them more expensive, execution risks, integration risks, the risk of post-acquisition deterioration leading to intangible asset impairment charges, and the risk we could incur or assume unanticipated regulatory liabilities such as those relating to violations of anti-corruption and sanctions laws;

Our failure to attract and retain experienced and qualified personnel;

Risks arising from our growing international operations, including the risks posed by political and economic uncertainty in certain countries, risks related to maintaining regulatory and legal compliance across multiple jurisdictions (such as those relating to violations of anti-corruption, sanctions and privacy laws), and risks arising from the complexity of managing businesses across different time zones, geographies, cultures and legal regimes;

Risks particular to our risk management segment;

The lower level of predictability inherent in contingent and supplemental commissions versus standard commissions;

Sustained increases in the cost of employee benefits;

Our failure to apply technology effectively in driving value for our clients through technology-based solutions, or our failure to gain internal efficiencies and effective internal controls through the application of technology and related tools;

Our inability to recover successfully should we experience a disaster, material cybersecurity attack or other significant disruption to business continuity;

Our failure to comply with regulatory requirements, including those related to international sanctions, or a change in regulations or enforcement policies that adversely affects our operations;

Violations or alleged violations of the U.S. Foreign Corrupt Practices Act, the U.K. Bribery Act of 2010 or other anti-corruption laws;

Our failure to adapt our services to changes resulting from the Patient Protection and Affordable Care Act and the Health Care and Education Affordability Reconciliation Act;

Unfavorable determinations related to contingencies and legal proceedings;

Damage to our reputation if clients are not satisfied with our services;

Improper disclosure of personal data;

Significant changes in foreign exchange rates;

Changes in our accounting estimates and assumptions;

Risks related to our clean energy investments, including the risk of environmental and product liability claims and environmental compliance costs;

Disallowance of Internal Revenue Code of 1986, as amended (which we refer to as IRC) Section 29 or IRC Section 45 tax credits;

Risks related to losses on other investments held by our corporate segment;

Restrictions and limitations in the agreements and instruments governing our debt;

The risk of share ownership dilution when we issue common stock as consideration for acquisitions; and

Volatility of the price of our common stock.

A detailed discussion of the factors that could cause actual results to differ materially from our published expectations is contained in our SEC filings, including our Annual Report on Form 10-K for the year ended December 31, 2013, and any reports we file with the SEC in the future, which are incorporated by reference into this prospectus.

Any or all of our forward-looking statements may turn out to be inaccurate, and there are no guarantees about our performance. The factors identified above are not exhaustive. We operate in a dynamic business environment in which new risks may emerge frequently. Accordingly, readers should not place undue reliance on any forward-looking statements contained in this report, which speak only as of the date set forth on the signature page of this prospectus. Except as required by law, we expressly disclaim any obligation to update or alter any forward-looking statement that we may make from time to time, whether as a result of new information, future events or otherwise.

ACQUISITION PROGRAM AND PLAN OF DISTRIBUTION

The shares of our common stock covered by this prospectus may be offered by us from time to time in connection with future acquisitions of other businesses, assets or securities. We are actively looking for acquisition opportunities in the insurance brokerage and employee benefits consulting markets. We typically seek targets with a strong middle market client focus or significant expertise in one of our focus market areas. Acquisition targets have typically been within a \$1,000,000 to \$50,000,000 purchase price range, although we may complete acquisitions with a higher purchase price. From time to time, we also consider acquisitions in our risk management segment consisting of claim settlement and administrative service providers. In recent years, a growing number of our acquisitions have occurred outside the United States.

We expect to offer and sell the shares covered by this prospectus in connection with future acquisitions within the next two years. We anticipate that our future acquisitions will consist principally of additional insurance brokerage, employee benefits consulting and related businesses. The consideration for such acquisitions may include cash, including installment payments, earnout payments, shares of common stock, other securities including securities that may be converted into common stock, guarantees, assumptions of liabilities, or any two or more of the foregoing, as determined from time to time by negotiations between us and the owners or controlling persons of the businesses, assets or securities to be acquired. In addition, we may enter into employment contracts and non-competition agreements with former owners and key executive personnel of acquired businesses. At any given time we are typically engaged in preliminary discussions or negotiations with many candidates regarding possible future acquisitions.

In general, the terms of each future acquisition will be determined by negotiations between our representatives and the owners or controlling persons of the businesses, assets or securities to be acquired. The factors taken into account in determining the terms of an acquisition may include the established quality and reputation of the business to be acquired and its management, its gross commission revenues, earning power, cash flow, growth potential, the location of the business and assets to be acquired, and the geographical and service diversification we anticipate as a result of the acquisition. We anticipate that shares of our common stock issued in any future acquisition will be valued at a price reasonably related to the then current market value of our common stock as reported on the New York Stock Exchange at or about the time or times of delivery of the shares. We do not expect to receive any cash proceeds, other than cash balances of acquired companies maintained in the ordinary course of business, in connection with any such issuances.

This prospectus may be supplemented to furnish the information necessary for a particular negotiated transaction, and the registration statement of which this prospectus is a part will be amended or supplemented, as required, to supply information concerning an acquisition.

We will pay all expenses of this offering. We do not expect that underwriting discounts or commissions will be paid by us except that finder's fees may be paid to persons from time to time in connection with specific acquisitions. Any

person receiving any such fees may be deemed to be an underwriter within the meaning of the Securities Act of 1933, as amended (the Securities Act).

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers.

Arthur J. Gallagher & Co. (Gallagher) is incorporated under the Delaware General Corporation Law (the DGCL).

Section 145(a) of the DGCL provides that a Delaware corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful.

Section 145(b) of the DGCL provides that a Delaware corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above, against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted under standards similar to those discussed above, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine that despite the adjudication of liability, such person is fairly and reasonably entitled to be indemnified for such expenses which the Court of Chancery or such other court shall deem proper.

Section 145 of the DGCL further provides that to the extent a director or officer of a corporation has been successful in the defense of any action, suit or proceeding referred to in subsections (a) and (b) or in the defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith; and that indemnification provided for by Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; and that the corporation shall have power to purchase and maintain insurance on behalf of a director or officer of the corporation against any liability asserted against such person and incurred by such person in any such capacity or arising out of such person's status as such whether or not the corporation would have the power to indemnify such person against such liability under Section 145.

Section 102(b)(7) of the DGCL provides that a corporation may eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provisions shall not eliminate or limit the liability of a director (1) for any breach of the director's duty of loyalty to the corporation or its stockholders, (2) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (3) under section 174 of the DGCL or (4) for any transaction from which the director derived an improper personal benefit. No such provision shall eliminate or limit the liability of a director for any act or omission occurring before the date when such provision becomes effective.

II-1

Article Seven of Gallagher's Amended and Restated By-laws and Article Twelve of Gallagher's Amended and Restated Certificate of Incorporation provide for the indemnification of each of Gallagher's directors, officers, employees or agents to the full extent permitted by the DGCL or other applicable laws presently or hereafter in effect.

Article Seven of Gallagher's Amended and Restated By-laws provides that Gallagher shall indemnify any person in connection with any action, suit or proceeding brought or threatened by reason of the fact that he or she is or was one of Gallagher's directors, officers, employees or agents, or is or was serving at Gallagher's request as a director, officer, employee or agent of another enterprise, against all costs actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to Gallagher's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. Similar indemnity is permitted to be provided to such persons in connection with an action or suit by Gallagher or in Gallagher's right, and provided further that such person shall not have been adjudged liable for negligence or misconduct in the performance of his or her duty to Gallagher, unless, in view of all the circumstances of the case, the court in which the action or suit was brought determines that such person despite the adjudication of liability is fairly and reasonably entitled to indemnity for such expenses.

Article Twelve of Gallagher's Amended and Restated Certificate of Incorporation eliminates the liability of Gallagher's directors for monetary damages for breach of fiduciary duty as a director except where a director breaches his or her duty of loyalty to Gallagher and its stockholders, fails to act in good faith or engages in intentional misconduct or a knowing violation of law, authorizes the payment of a dividend or stock repurchase that is illegal under Section 174 of the DGCL, or obtains an improper personal benefit.

Gallagher also maintains and pays premiums on a directors' and officers' liability insurance policy and has entered into indemnity agreements with its directors and officers. The provisions of each indemnity agreement alter or clarify the statutory indemnification in the following respects: (1) indemnity will be explicitly provided for settlements in derivative actions; (2) prompt payment of litigation expenses will be provided in advance of indemnification; (3) prompt indemnification of advances of expenses will be provided unless a determination is made that the director or officer has not met the required standard; (4) the director or officer will be permitted to petition a court to determine whether his or her actions meet the standards required; and (5) partial indemnification will be permitted in the event that the director or officer is not entitled to full indemnification. In addition, each indemnity agreement specifically includes indemnification with respect to actions, suits or proceedings brought under and/or predicated upon the Securities Act of 1933, as amended, and/or the Securities Exchange Act of 1934, as amended.

The preceding summary is qualified in its entirety by Gallagher's Amended and Restated Certificate of Incorporation and Amended and Restated By-laws, and the indemnity agreements described above.

The registrant agrees to furnish to the Securities and Exchange Commission upon request a copy of any long-term debt instruments that have been omitted pursuant to Item 601(b)(4)(iii)(A) of Regulation S-K.

Item 22. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications,

the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Exchange Act; and, where interim financial information required to be presented by Article 3 of Regulation S-X are not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

(d) The undersigned registrant hereby undertakes as follows:

(1) That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form; and

(2) That every prospectus: (i) that is filed pursuant to paragraph (d)(1) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(e) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(f) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of Form S-4, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(g) The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
